

The Fake 741

Chapter 741 Shi Chen Returns Home

“Let’s talk about the possibility of a relapse when your condition stabilizes,” Ning Yu said bluntly.

Maybe he couldn’t be cured.

After writing a prescription, Ning Yu said, “Your current situation is not suitable for dating.”

Xie Yunzhou’s eyes darkened. “Why?”

It was not easy for him and Shi Xi to ease their relationship.

“She can easily affect your mood,” Ning Yu said. “If you argue, your condition may worsen.”

“I won’t argue with her. Her existence will make my emotions more and more stable,” Xie Yunzhou said resolutely.

Ning Yu put down the pen and handed the prescription over. “I’m only responsible for giving medicine and medical advice.”

“As for whether or not to follow it, that is your own choice.”

Xie Yunzhou was expressionless. “The consultation fee will be transferred to your card later.”

Ning Yu wanted to say something, but her phone suddenly vibrated.

Urgent mission.

Ning Yu frowned slightly and said goodbye.

In a hurry, Ning Yu only took her coat and left her scarf on the coat rack.

Shi Xi was very familiar with the steps of knitting a scarf and only took half a day to finish it.

When she was admiring her masterpiece, Shi Chen strode in from outside.

“Baby Sister, look who’s back.”

“Second Brother?” Shi Xi looked up in surprise.

Shi Chen had been working overseas and rarely came home.

The New Year was approaching and Shi Chen had returned for the New Year.

“I brought you a gift. See if you like it.” Shi Chen handed a luxury gift box to Shi Xi.

“I like everything Second Brother gives me!” Shi Xi took the box, thinking that it would fit her scarf.

“Thank you, Second Brother!”

“Just you? Where are Mom and Dad?” Shi Chen looked around.

“Everyone went out to play. I want to go out too.” Shi Xi’s eyes darted around and she secretly hid the scarf she had just knitted behind her. “I’ll go upstairs first~”

However, Shi Chen saw her actions clearly.

“Wait.” Shi Chen called out to her. “What’s that in your hand?”

“My scarf. What’s wrong?” Shi Xi started to flaunt her acting skills.

Shi Chen frowned. “Yours?”

Shi Xi liked light colors.

She was holding a black scarf.

It was obvious that it was a color that men would use.

Shi Xi blinked and changed the topic. “I’ve prepared a gift for you. It’s in your room!”

Shi Xi had bought gifts for everyone with the money from the movie’s box office. However, Shi Chen was not at home at that time, so she had left them in his room first.

Shi Chen stared at Shi Xi’s actions and said meaningfully, “Is this for another man?”

“Don’t think too much.” Shi Xi could not explain clearly, so she immediately ran upstairs.

Sigh.

His sister had grown up.

She had her own thoughts.

Shi Xi went upstairs and opened Shi Chen’s gifts.

It was two bottles of perfume and a bag.

Shi Xi placed the scarf in the bag and opened the door carefully to see if Shi Chen was outside.

Then, she carefully went downstairs.

She carefully changed her shoes.

She was ready to leave.

Just as she was about to leave...

“Where is my precious little sister going?” Shi Chen used a spoon to scoop up the yogurt and slowly appeared.

Shi Xi was speechless.

“Go out and play.” Since Shi Xi had been discovered, she decided to do it openly.

“You’re going out to play and even brought my gift to you? Are you trying to throw away the gift I gave you?” Shi Chen asked deliberately.

“The perfume and bag are in my room. I’m just using a bag to wrap them.” Shi Xi felt that it would be wrong to say more, so she waved goodbye to Shi Chen. “I’m leaving. Bye~”

Chapter 742 She Didn’t Give It to Me

Shi Chen took the yogurt to the second floor. From the balcony, he watched Shi Xi drive away the black Cayenne in the garage and raised his eyebrows slightly.

She went out in such a low-key manner.

Of course, he had to follow her.

The cars in the Shi family’s garage were all equipped with GPS.

After Shi Chen finished his yogurt, he set off slowly.

Looking at his precious sister’s face, she was obviously in love.

Tsk.

A surprise inspection.

*

Shi Xi drove straight to Xie Yunzhou’s house.

First time, second time.

Shi Xi already knew that she had to change into slippers.

Sensing that the air conditioner in the living room was turned on and the temperature was much more comfortable than the last time she was here, Shi Xi was very satisfied.

Who would want the same temperature inside and outside the house?

However, just as she was hanging the scarf, Shi Xi noticed a white scarf on the coat rack.

The stitches were messy. It was obviously the scarf she had given Ning Yu.

Shi Xi hung up her scarf and asked Xie Yunzhou, “You have guests?”

“No.”

Shi Xi sat on the sofa in the living room with her eyes lowered.

Why did Ning Yu come back to Xie Yunzhou?

What would they discuss?

“It just so happens that you’re here. Here’s your New Year present.” Xie Yunzhou took out a small box first. “See if you like it.”

Shi Xi opened the box.

It was an exquisite and dazzling diamond bracelet.

A snowflake-shaped diamond was embedded on the slender silver chain, surrounded by sparkling diamonds. It was gorgeous and beautiful.

"It's very nice." Shi Xi's eyes curved.

"I'll put it on for you." Xie Yunzhou sat beside her and put the bracelet on her.

Shi Xi's gaze was complicated as she stared at Xie Yunzhou.

She wanted to ask what Xie Yunzhou and Ning Yu were talking about.

She also felt that she was being paranoid.

During this period of time, Xie Yunzhou had spent less time with her, and Ning Yu was also elusive.

Could it be that they...

While Shi Xi was letting her imagination run wild, Xie Yunzhou had already put on the bracelet.

Because Shi Xi was in a daze, she did not see how Xie Yunzhou put the bracelet on her.

"It looks good on your hand." Xie Yunzhou adjusted the position of the snowflake diamond.

"Yes." Shi Xi was not in the mood to admire the bracelet.

Xie Yunzhou saw that Shi Xi was uneasy and asked, "What's wrong with you? What are you thinking about?"

"I..." Shi Xi was about to say it, but she did not say it out loud. "I remembered that I'm going shopping with Tao Yuxuan. I'll be leaving first."

With that, Shi Xi stood up and left apologetically.

She even took the scarf that she had knitted with her.

Xie Yunzhou sent Shi Xi off, his eyes heavy.

Why did she suddenly leave?

Did she sense something?

Xie Yunzhou suppressed the ruthlessness in his eyes and suddenly thought of Ning Yu's words.

Shi Xi's existence could easily affect his mood.

Even if it wasn't an argument, it would still make him worry.

The doorbell rang.

Xie Yunzhou thought that Shi Xi had returned and opened the door.

When he saw Shi Chen outside the door, Xie Yunzhou's expression turned cold.

"Tsk, what's with that expression? My baby sister just knitted a scarf for you. I'm not angry yet." Shi Chen walked straight in.

“Scarf? What scarf?” Xie Yunzhou frowned.

“Xi Xi knitted the scarf,” Shi Chen said. “She put it in the gift bag.”

Xie Yunzhou recalled that Shi Xi had brought a bag over.

However, Shi Xi took it away again.

...

“She didn’t give it to me,” Xie Yunzhou said coldly.

“What? Ah, this?” Shi Chen could not figure out what to do. Shi Chen asked suspiciously, “She really didn’t give it to you? Are you lying to me?”

Xie Yunzhou didn’t say anything and sat back on the sofa in silence.

Chapter 743 Overturned Xie Yunzhou’s Vinegar Jar

Seeing Xie Yunzhou’s expression, Shi Chen knew that she had definitely not given the item away.

Ridiculous.

Shi Chen had originally wanted to see how far his precious sister and future brother-in-law had progressed and give his future brother-in-law a beating.

Unexpectedly...

!!

He really didn’t expect it.

“Ahem, well, I won’t disturb you anymore. Happy New Year.” Shi Chen prepared to run.

“If it wasn’t for me, then who would it be for?” Xie Yunzhou suddenly asked.

Shi Chen was speechless. Who knew?

“Sheng Yan?” Shi Chen guessed.

Shi Xi’s original fiancé?

Xie Yunzhou pursed his lips.

Shi Chen had successfully knocked over Xie Yunzhou’s vinegar jar.

*

At the nail salon.

Shi Xi did her nails and said to Tao Yuxuan, “Am I thinking too much?”

Tao Yuxuan made a bright red nail, the color bright and festive. She said unhappily, “What do you mean by overthinking? Men are all thinking about the pot while eating from the bowl. None of them are reliable! That Ning Yu must have gone to seduce Xie Yunzhou!”

Shi Xi: "..."

She shouldn't have shared her worries with Tao Yuxuan.

"What's so good about Xie Yunzhou?" Tao Yuxuan said in disdain. "Isn't it just a little money? Why is he acting so mysterious?"

"You didn't say that about him in the past."

"Cough, cough," Tao Yuxuan argued, "Don't worry about the past. Let's talk about the current situation. Xie Yunzhou hasn't even returned home."

"It's better for you to get engaged to Sheng Yan."

"The two of you are childhood sweethearts, of equal social status, and know each other well. You're a perfect match!"

Ever since Tao Yuxuan found out about Xie Yunzhou's background, she felt that Xie Yunzhou was not worthy of her top fairy sisters.

Shi Xi was frustrated and did not know what to say.

Sheng Yan was Ning Yu's official partner.

She didn't even have time to escape.

"Hey, this bracelet looks pretty good!" Tao Yuxuan looked at Shi Xi's wrist and asked, "You bought it?"

"Xie Yunzhou just gave me a New Year gift."

Tao Yuxuan: "..."

Seeing that this was obviously a diamond bracelet that he had spent a huge sum of money on, Tao Yuxuan reluctantly said, "It's alright. Xie Yunzhou is a good person."

Shi Xi felt even more tired.

Looking for a single dog like Tao Yuxuan to analyze their relationship?

Wasn't that just asking a blind man to lead the way?

Shi Xi had made a warm pink background with snowflakes on it. There was even a festive red dance in the middle, making it low-key and playful.

After the manicure, Shi Xi was in a much better mood.

"But it's the New Year, and Xie Yunzhou is home alone. It's a little miserable." Tao Yuxuan sipped her milk tea and started speaking up for Xie Yunzhou.

Shi Xi was speechless. "Can't you just be firm in your decision?"

Tao Yuxuan started to come up with bad ideas. "Aiya, why don't you chase Ning Yu out? That way, Ning Yu won't snatch Xie Yunzhou from you!"

“The problem isn’t Ning Yu, it’s Xie Yunzhou who’s hiding something from me.” Shi Xi held the milk tea in her hands, her heart clear. “Even without Ning Yu, there will be octopus, carp, and other fish.”

Tao Yuxuan gulped. “Stop talking. I want to eat fish.”

Shi Xi thought, ‘I knew Tao Yuxuan wouldn’t solve the problem.’

“My Second Brother is back. I’m going home for dinner tonight. Let’s have a meal together next time,” Shi Xi waved goodbye.

Chatting with Tao Yuxuan didn’t solve the knot in her heart at all.

When they reached home, Shi Chen saw the bag in Shi Xi’s hands and the corners of his mouth twitched. “Who is this scarf that my precious sister knitted for?”

Thinking about how she had knitted a scarf with full intentions for the entire afternoon and how she had encountered such a troublesome matter, Shi Xi did not want to give Xie Yunzhou any more gifts.

“This is for you.” Shi Xi handed it to Shi Chen.

Chapter 744 The Illness You Want to Hide

Shi Chen didn’t reach out to take it. Instead, he asked, “Is this really a scarf knitted for me?”

“No,” Shi Xi said honestly. “But I’m giving it to you now.”

“I don’t like this color. I want a white one, Baby Sister...”

Before Shi Chen could finish, Shi Xi interrupted him.

“Then you can think about it slowly!”

Shi Chen: ???

His precious little sister was suddenly angry?

Hey!

He didn’t do anything!

However, he could tell that his precious sister was angry.

What should he do?

*

After Ning Yu completed her task, she remembered that she seemed to have forgotten something.

Until the cold wind blew on Ning Yu’s neck.

She finally remembered that she had left her scarf at Xie Yunzhou’s house.

To Ning Yu, this was a small matter.

She just needed to go to Xie Yunzhou’s house and get the scarf back.

When evening approached, Ning Yu went to Xie Yunzhou's house before returning to the Shi family.

"I'm here to get my scarf." Ning Yu entered and wanted to take the scarf and leave.

However, Ning Yu was keenly aware that Xie Yunzhou's condition was completely different from before.

"What happened to you?" Ning Yu asked out of the doctor's concern for the patient.

"She's unhappy," Xie Yunzhou said.

Ning Yu immediately realized who this 'she' was referring to.

This time, Ning Yu was not in a hurry to leave.

"I've said it before. Shi Xi's influence on you is not as simple as you think. If you want a stable recovery environment, stay away from Shi Xi," said Ning Yu.

"I won't leave her again." Xie Yunzhou's eyes were deep and determined.

Ning Yu looked up. "Then describe the illness clearly to Shi Xi and let Shi Xi help with the treatment."

"No!" Xie Yunzhou immediately rejected this suggestion. "We can't let her know..."

Ning Yu didn't understand the complicated emotional world of young couples. She could only shrug and say, "Then just bear with it."

Xie Yunzhou looked at Ning Yu's scarf and suddenly asked, "This scarf was given to you by Shi Xi?"

Xie Yunzhou knew that Shi Xi knew how to knit scarves and had even given a few to the people around her.

Ning Yu's scarf had the same pattern as the one Shi Xi was wearing.

Only the color was different.

"Yeah, why?" Ning Yu asked back.

"She came in. Is she jealous because she saw the scarf you left here?" Xie Yunzhou guessed.

Ning Yu looked at Xie Yunzhou's eyes, which were clouded with gloom, and even smiled slightly. She felt a little horrified.

With Shi Xi's help, Xie Yunzhou would definitely recover very quickly.

This thought only flashed through her mind for a moment before she suppressed it.

If Shi Xi went against Xie Yunzhou, it was very likely that Xie Yunzhou would be hurt even more.

She really didn't understand.

However, Ning Yu probably knew that it was because she had left her scarf here that it caused a misunderstanding between the two of them.

"Do you need me to go back and explain?" Ning Yu asked.

“I’ll explain to Xi Xi.” After Xie Yunzhou thought it through, he was ready to call Shi Xi.

Ning Yu did not leave. “Are you going to tell Shi Xi that I’m here to treat your illness?” she asked.

If he did, Shi Xi would definitely ask him what illness he had.

This was what Xie Yunzhou had always wanted to hide.

Xie Yunzhou knew that Shi Xi had roughly guessed it.

However, he still wanted to hide it.

He did not want to see Shi Xi’s sympathetic gaze.

He did not want to bind Shi Xi.

“Or, do you want to find a reason?” Ning Yu asked.

However...

Lie...

He had to use countless lies to cover it up.

...

Chapter 745 Xie Yunzhou Arrives

Xie Yunzhou called Shi Xi.

However, Shi Xi was in a bad mood at the moment, so she pretended not to see it.

Humph!

Who couldn’t have a little temper?

Shi Xi put her phone on silent mode and prepared the New Year menu with her mother.

The auntie at home was on holiday during the New Year, so they did everything themselves.

“It’s New Year’s Eve tomorrow,” Mother Shi suddenly said. “Why don’t you invite your parents over? We can spend the New Year together.”

“I called them. They’re going to spend the New Year with Grandpa and Grandma.” Shi Xi was mixing the cold dishes. “They’ll be back on the first day of the Chinese New Year.”

“Oh...” Mother Shi wanted to spend the New Year with her daughter, but she thought of Ning Yu and asked, “Did Ning Yu say where she was spending the New Year?”

This was Ning Yu’s first year back home.

Mother Shi did not like Ning Yu, but she was still her daughter.

Moreover, under Shi Xi’s mediation, the relationship between the two of them was not as tense as it was at the beginning.

“Ning Yu also went back on the first day of the month. She doesn’t like Grandma Ning,” Shi Xi said softly.

“The older generation values boys over girls.” Mother Shi was not surprised.

Even Grandpa Shi favored sons over daughters.

As they were talking, Ning Yu came back from outside.

“Go wash your hands and prepare to eat. Tell your brother to set off the firecrackers first,” Mother Shi instructed when she saw that everyone was present.

Mother Shi had prepared a table full of dishes that looked, smelled, and tasted delicious.

Shi Xi came out with the dishes. When she saw Ning Yu, she forced a smile.

She had mixed feelings about Ning Yu.

She didn’t know how to communicate with her now.

It was the New Year.

Even though the table was filled with dishes, Shi Xi was still feeling weak.

“What’s wrong with my precious sister? Are you unhappy?” Shi Chen was the first to notice Shi Xi’s expression.

Shi Xi paused for a moment and her eyes curved. “Nothing. I’m just afraid that I’ll get fat.”

Her acting skills had never been bad.

She was happy to act and prepare for the New Year with everyone.

“You’re so skinny. Eat more.” Shi Chen picked up a big chicken drumstick for Shi Xi.

“...Thank you, Second Brother.”

“Eat a piece of fish to nourish your brain.” Shi Xu picked up a piece of fish for Shi Xi.

He picked up a prawn for Ning Yu. “Xiao Yu, eat more meat.”

“Thank you.”

Looking at his children, who were so respectful to each other, Father Shi raised his glass in relief. “Come, let’s have a drink together.”

The adults drank.

Shi Xi and Ning Yu had drinks in their cups.

Just as he was raising his glass, the doorbell rang.

“Who’s still coming over when the New Year is approaching?” Father Shi glanced around and finally looked at Shi Shuo, “Go open the door and take a look.”

Shi Shuo was speechless. 'I knew I was the least favored.'

"Who is it?" Shi Shuo went to open the door.

Seeing the person outside the door, Shi Shuo said in surprise, "What are you doing here?"

Xie Yunzhou came in from outside and said calmly, "Happy New Year."

Shi Shuo: ?!?

This was the first time he had heard someone pay a New Year's visit at this hour!

However, Xie Yunzhou still came with some things.

Shi Shuo thought of something and his face darkened. "Don't come in! You're not welcome in our house!"

"Are you the one in charge of the Shi family?" Xie Yunzhou asked back.

As long as it was Shi Chen or Shi Xu who opened the door, they could make the decision directly.

Even Shi Xi and Ning Yu could lock Xie Yunzhou out without hesitation.

But it happened to be Shi Shuo.

Shi Shuo could only droop his head. "Dad, Mom, a man is here."

Father and Mother Shi was speechless.

Seeing that it was Xie Yunzhou, everyone in the Shi family was shocked.

Especially Shi Xi.

Didn't she not pick up the call?

...

Why did he come?

When Father Shi saw Xie Yunzhou open the door, he said politely, "Have you eaten? It's so late. Let's have dinner together."

Xie Yunzhou put down the gifts he had brought and said, "Then I'll do as you say."

Father Shi: ...He was really just being polite.

Chapter 746 This Is Ridiculous

Father Shi was just being polite. He did not expect Xie Yunzhou to really sit down.

This was ridiculous.

But he had already sat down.

Moreover, he was sitting beside Shi Xi.

“What are you doing here?” Shi Xi asked softly.

“Happy New Year.” Xie Yunzhou didn’t even blink. “I’m apologizing to you as well.”

“Come, come, let’s have a drink together.” Father Shi liked to be lively and continued to drink with his children.

Xie Yunzhou had a wine glass in front of him, so he naturally drank it as well.

Shi Xu and Shi Chen took turns pouring wine for Xie Yunzhou, and he drank quite a bit.

Even Shi Shuo knew that Xie Yunzhou did not come with good intentions, so he drank two more cups.

In the end, Shi Shuo was the first to fall.

Father Shi did not drink much and asked Xie Yunzhou a question like an elder, “Why didn’t you go back to Yanjing for the New Year?”

“I still have work to do here.”

“It’s good to be young. Come, come, let’s touch again.”

Shi Xi could not stand it anymore.

“This is the last bottle. You’re not allowed to drink anymore.”

“The adults are drinking. The children are playing on the side.”

Shi Xi saw that Mother Shi had a look of disgust on her face that said, “You deserve it if you drink to death” and decided not to say anything.

Do whatever you want!

The few of them could hold their liquor well. In the end, Shi Chen said that he felt dizzy and ran away before leaving.

Mother Shi went to cook them some hangover soup.

Looking at Xie Yunzhou who was sitting on the sofa, Shi Xi asked, “Are you alright?”

Xie Yunzhou, who had been forced to drink a lot: “...”

From the looks of it, it was not good.

Shi Xi called Xie Yunzhou’s assistant and asked him to pick him up.

The assistant on the other end of the phone was troubled. “Miss Shi, I’m back in my hometown for the New Year. I’m not in Feng City.”

“Happy New Year. I’ll find someone else.”

After hanging up, Shi Xi thought about it.

It was not good to trouble others.

“Then let him stay here. It’s not like there’s no room.” Mother Shi had more or less heard of Xie Yunzhou’s deeds and asked Shi Xi softly, “He didn’t tell you in advance that he was here to give you a gift?”

“I didn’t know he was coming. Let him stay,” Shi Xi said helplessly.

Mother Shi passed the hangover soup to Shi Xi. “Let him drink it and let him sleep. He won’t have a headache or stomach ache tomorrow morning.”

Shi Xi thought to herself that he deserved a headache and a stomachache for drinking so much.

However, she still fed it to Xie Yunzhou.

“Send it to your brother and the others while you’re at it.”

Shi Xi: “...”

Ning Yu took the initiative to clean up after dinner.

“Leave it there. Let your brothers clean it up tomorrow morning,” said Mother Shi, stopping Ning Yu.

Ning Yu looked up.

“Bring your little brother a bowl of hangover soup.” Mother Shi was holding a bowl of hangover soup and was about to feed Father. Shi a bowl.

The group of people drank in a mess.

Father Shi was fine. He didn’t drink much and wasn’t drunk. After drinking the hangover soup, he started chatting with Mother Shi.

“What does Xie Yunzhou mean by coming here today?” Father Shi was confused. “I don’t think he’s talking about marrying Xi Xi.”

“Just to pay a New Year’s visit?” Mother Shi guessed.

Father Shi disagreed and drank the hangover soup. “Who would pay a New Year’s visit at this time? He must have come here for some reason.”

“Then why didn’t you ask earlier?” Mother Shi glared at him.

“How do you ask? He insisted that it was a New Year’s greeting. What else can I say?” Father Shi lay down. “Sleep, sleep. We’ll talk about it tomorrow.”

*

On the other side, Shi Xi went to deliver the hangover soup to Shi Xu.

Shi Xu drank quite a bit, but he was still sober. He pressed his hand against Shi Xi’s shoulder. “Xie Yunzhou is a bad person. You can’t get along with him.”

Shi Xi was speechless. Sober my ass!

He was already drunk!

Fortunately, Shi Xu was still conscious even though he was drunk. He obediently drank the hangover soup and fell asleep.

...

Chapter 747 Even Ning Yu Is Peeling Garlic

Shi Chen pretended to be drunk and ran away. After drinking the hangover soup, he asked Shi Xi, "Did you quarrel with him?"

"Hmm?" Shi Xi's eyes widened.

She did not show it at all!

"If it wasn't a quarrel, why would Xie Yunzhou come to look for you during the New Year?" Shi Chen's lips curled into a smile. "However, it's good to be angry. If he doesn't dote on you, then hurry up and split."

"I'm not in a relationship with him," Shi Xi explained helplessly.

"Tsk, that's your problem. You can solve it yourself." Shi Chen was about to wash up and go to bed. "Remember to close the door when you go out."

Shi Xi: "..."

Only Shi Shuo was really drunk.

Ning Yu went over to deliver the hangover soup. She pinched his chin and poured the soup into his mouth.

Her actions were rough.

But it was effective.

*

Shi Xi was about to go to bed after washing up when Xie Yunzhou sent her a message.

Xie Yunzhou replied, [I have something to tell you.]

What could he not have said during dinner?

Forget it, there was too much to say.

Shi Xi wore her pajamas and tiptoed to Xie Yunzhou's guest room.

The little dinosaur pajamas had been ruined previously, so she was now wearing a set of little shark pajamas.

It was also bought by Mother Shi.

"What do you want to tell me?" Shi Xi looked at him sideways.

“Ning Yu went to treat my illness and left her scarf at my place.” Xie Yunzhou came clean and said, “I have nothing to do with her other than being a doctor and a patient.”

“Is it your heart disease?” Shi Xi asked.

Xie Yunzhou didn’t want to admit that he was sick, but he still nodded.

“Then be treated well. Ning Yu’s medical skills are very good.” Shi Xi lowered her eyes.

She wasn’t actually jealous.

She just felt that Xie Yunzhou wasn’t honest enough with her.

Shi Xi pursed her lips.

“Shi Xi, I like you. There are no impurities. I like you 100%. I’m receiving treatment now. I’ll be fine soon,” Xie Yunzhou said solemnly.

“I trust you.” Shi Xi pretended to be relaxed. “Tomorrow is New Year’s Eve. Aren’t you going to be with your family?”

Xie Yunzhou lowered his eyes and said in a low voice, “I’ll leave tomorrow morning.”

Shi Xi seemed to be able to hear Xie Yunzhou’s subtext.

I’ll leave tomorrow morning. It won’t affect your family reunion.

Looking at his handsome face, Shi Xi hurriedly said, “I-I’m not chasing you away. If you’re alone, why don’t you spend the New Year with us?”

“Sure.”

*

The next day was New Year’s Eve.

When Shi Xi woke up, she saw that her brothers had a clear division of labor.

They wiped the table and swept the floor, helped Mother Shi, and pasted couplets...

Even Ning Yu was peeling garlic.

Meanwhile, Xie Yunzhou was feeding the fish.

Shi Xi: ?

Why hasn’t this person left yet?

Thinking of how she had acted impulsively last night and left Xie Yunzhou at home for the New Year, Shi Xi felt that she had lost her mind.

How could she be mesmerized by his beauty?

She was clearly not that kind of person!

“Is Xi Xi awake? Come and eat. We’ll go back to the old residence later.”

Shi Xi: ?

What?

Go to Grandpa Shi’s house?

Shi Xi ate the porridge unwillingly.

Thinking back to the previous customs, they indeed went back to the old residence for the New Year.

Wait a minute!

Shi Xi looked at Xie Yunzhou, who was feeding the fish.

Should she bring Xie Yunzhou to the old residence?

...

When Xie Yunzhou went to the old residence, she could no longer explain herself!

If she brought him back to the old residence-

“We’re going back to the old residence for lunch. What’s the point of peeling garlic then?” asked Ning Yu.

..

After the house was tidied up, Shi Xi counted the items that she had brought back to the old residence.

Although Grandpa Shi was not lacking, a junior had to be filial.

Looking at the treadmill in the trunk, Shi Xi was puzzled. “Will Grandpa really like this?”

Chapter 748 Returning to the Shi Family’s Old Residence to Collect New Year’s Money

“This isn’t an ordinary treadmill.”

“What’s the difference?” Shi Xi was puzzled.

“This is a dance machine.”

Shi Xi was speechless.

Speechless really f*cking opened the door for speechless.

She was speechless.

Why would Grandpa Shi use such a thing?

Shi Xi had bought some good tea and tea sets for Grandpa Shi.

After they were all loaded into the car, everyone prepared to return to the old residence.

Shi Chen looked at Xie Yunzhou. “We’re going back to the old residence for the New Year.”

Xie Yunzhou had guessed it when he saw their lively actions.

However, no one chased him away.

"I was just about to go home." Xie Yunzhou didn't say much.

Mother Shi was overflowing with kindness. "Aiya, what's the point of you being alone? Come back with us for the New Year. We don't lack food for you."

Shi Shuo's mouth twitched. "Mom, we're going back to the old residence."

"Get in the car," Mother Shi urged.

As a mother, she would never see someone alone.

Shi Xi: "..."

"Xi Xi, take Yunzhou's car and lead the way for him," Mother Shi instructed.

When Mother Shi spoke, no one else had any objections.

However, the way she looked at Xie Yunzhou was even stranger.

Shi Xi got into Xie Yunzhou's car and gave him a heads-up. "Let me say this first. My grandfather has a strange personality and doesn't like anyone. If you get scolded, just bear with it."

It was the New Year.

"Alright. What does Grandpa like?" Xie Yunzhou asked as he drove. "I'm going to buy something."

"There's no need to bring it... Buy some wine." Shi Xi thought that he indeed had to bring something when he went to someone else's house.

However...

Why did this process seem like an engagement?

When they arrived at the old residence, Second Uncle, Third Uncle, and the rest of the family had already arrived and were chatting with Grandpa Shi.

At that time, there were many families and big businesses.

After Shi Xi gave the gift, she hid her presence.

Fortunately, the others did not spoil the atmosphere. They only secretly asked Xie Yunzhou who he was and why he was here for the New Year.

"He's Big Brother's friend. He's here to suck up to Grandpa."

Hearing this reason, Xie Yunzhou was speechless.

That was a good reason. She was not allowed to use it again.

With a large family, it was not obvious if there was one more person or one less.

After Shi Xi gave the gift, she pulled Xie Yunzhou to the garden of the old residence.

“There are many people at home. They don’t mean you any harm. Don’t take it to heart,” Shi Xi said apologetically.

“I only care about what you think,” Xie Yunzhou smiled faintly.

Shi Xi shifted her gaze and changed the topic. “There’s a pavilion over there. It’s the best when it’s snowing.”

“Do you come here every year for the New Year?” Xie Yunzhou sized up the garden and tried to find out about Shi Xi’s past.

“Yes, it’s a tradition at home. The whole family will have lunch together. We’ll eat dumplings tonight, watch the fireworks, and then get our lucky money,” Shi Xi recalled.

Xie Yunzhou’s eyes moved slightly. “Sounds good.”

“It’s always like this...” As Shi Xi spoke, she thought of Xie Yunzhou who was celebrating the New Year alone. She changed the topic stiffly. “Actually, it’s very annoying. They like to brag when they drink and smoke. I always run away after eating.”

Xie Yunzhou looked at the girl with a gentle gaze and said from the bottom of his heart, “Xi Xi, meeting you is the luckiest thing in my life.”

Shi Xi thought to herself, ‘Meeting you is one of the most unlucky things in my life.’

Grandpa Shi had been looking forward to his granddaughters’ return since yesterday. He had even specially picked out a handsome new set of clothes.

In the end, Shi Xi gave the gift and sneaked away.

His biological granddaughter Ning Yu didn’t like to talk and was cold.

Angry.

Chapter 749 Pressing On The Wall And Kissing

Grandpa Shi looked at this group of men and felt even more annoyed. He stood up and went to the garden.

In the garden.

Xie Yunzhou wanted to continue confessing.

Seeing the girl’s expression of despair, he found it funny. “What are you thinking about?”

!!

“I was wondering when you would recover.” Shi Xi looked up at him and sighed in his heart.

She had been with Xie Yunzhou for so long that she was almost used to him.

Perhaps from the very beginning, she did not have much hope for Xie Yunzhou.

She looked at Xie Yunzhou as if he was a villain. Of course, she felt that everything was not bad.

“When I recover, you’ll be my girlfriend?” Xie Yunzhou pushed his luck and got closer.

“You should recover first.” Shi Xi took a step back and leaned against the wall.

From afar, it looked like Xie Yunzhou was pressing the girl against the wall and kissing her.

In fact, Xie Yunzhou really wanted to kiss the girl.

Her small face was fair and pink. Under her distinct eyelashes, her eyes were black and bright like black grapes with water droplets hanging on them. She looked straight at him. Her cherry lips were half open, tempting people to kiss her.

Xie Yunzhou leaned over and whispered into the girl’s ear, “If you keep looking at me like that, I’ll kiss you.”

Shi Xi immediately closed her eyes and did not look at Xie Yunzhou.

Mental patients were the most temperamental.

If she really became Xie Yunzhou’s girlfriend, she wouldn’t be safe.

According to Xie Yunzhou’s personality, he probably wouldn’t lay a hand on a woman.

But if she cheated, it would be different.

As for the possibility of her having an affair, Shi Xi was not sure herself.

Shi Xi: I can’t make a promise to the future Shi Xi today.

Xie Yunzhou saw the girl close her eyes and look like she was waiting to be slaughtered. He wanted to kiss her even more.

The girl he yearned for was right in front of him. Who wouldn’t want to kiss her?

“What are you guys doing!” Grandpa Shi shouted angrily, interrupting their private time.

Xie Yunzhou let go of Shi Xi.

The two of them didn’t do anything in the first place.

It was just that their actions were a little more intimate.

“Grandpa? Why are you in the garden?” Shi Xi’s face was slightly red as she walked over to support Grandpa Shi.

Even though she didn’t like this old man who favored boys over girls and had a strange temper, she still had to use all the manners she should have.

“If I didn’t come to the garden, would you have kissed him? It’s immoral!” Grandpa Shi was displeased and glared at Xie Yunzhou. “Which family are you from? Who are you to Xi Xi?”

“I’m Xie Yunzhou, the founder of Feng City’s Yunhui. I’m currently pursuing Xi Xi,” Xie Yunzhou said without hesitation.

Grandpa Shi sized up Xie Yunzhou.

Feng City was only such a big place, so he naturally knew Xie Yunzhou.

He had even seen him at a few banquets.

Although Xie Yunzhou was from Yanjing, he never relied on his family.

Grandpa Shi had even praised Xie Yunzhou in private. He started from scratch and was a genius in the business world.

Appreciation was appreciation.

But this scene was different!

No matter how much he admired Xie Yunzhou, he did not want to put his granddaughter in danger!

“Pursue? Is this what you do when you chase after a girl? You run into someone’s house with a dead skin and a pale face, press her against the wall, and kiss her? What?” Grandpa Shi’s white eyebrows were furrowed tightly.

Xie Yunzhou felt wronged.

He did not press down on Shi Xi to kiss her.

He had thought of it.

But he didn’t do it.

Shi Xi blushed. “Grandpa, we didn’t kiss... We were just talking!”

“Do you need to be so close to each other to talk?” Grandpa Shi glared at Shi Xi. “You’re just a girl. You don’t know how to be reserved!”

Shi Xi was speechless.

“That’s true. You’ve already brought him home. What’s the point of being reserved?” Grandpa Shi was so angry that he blew his beard.

“Grandpa, it’s not what you think.” Shi Xi explained for a long time before he finally understood that Xie Yunzhou was not his grandson-in-law visiting him to pay him a New Year’s visit.

Chapter 750 Asking for a Man’s Promise? It’s Better to Ask for the National Football Team to Win the Championship

Grandpa Shi was skeptical, but he still looked at Xie Yunzhou with displeasure.

His granddaughter was the best in the world.

Men are not worthy!

Shi Xi helped Grandpa Shi back to the living room.

!!

Xie Yunzhou followed behind.

During lunch, Xie Yunzhou's seat was arranged to be extremely far away from Shi Xi.

It was as if it was redundant.

Shi Xi sat beside Grandpa Shi.

Xie Yunzhou looked at the little fellow beside him.

He couldn't say the words of disdain.

Shi Xi looked at Grandpa Shi beside her and stood up to change seats with her younger cousin.

Didn't Grandpa Shi favor boys over girls?

He should spend more time with his grandson.

This was the man who would inherit the Shi family's legacy.

Her younger cousin was ignorant. Seeing that Shi Xi had given him candy, he obediently changed his position.

Grandpa Shi: I don't want a snotty little brat!

Grandpa Shi was so angry that he blew at his beard when he saw the little boy eating candy and blowing his nose.

The quiet and cute little granddaughter was still the cutest!

Shi Xi sat beside Xie Yunzhou and picked up some food for him. "Don't be reserved. Take the initiative to pick up whatever you want to eat."

"Alright." Xie Yunzhou looked at the girl beside him and felt that the New Year was a warm one.

Finally, he wasn't lonely anymore.

Shi Xi left after eating, while the others were still drinking and playing at the table.

After a while, Xie Yunzhou also ran out and sent a message to ask where Shi Xi was.

Shi Xi thought, 'He's so clingy.'

Shi Xi, [I'm watching a movie in my room.]

The message bar kept showing [The other party is typing].

Shi Xi, [Come over and watch it together.]

Xie Yunzhou said politely, [Is it not good?]

A man and a woman were watching a movie alone in the girl's room.

Shi Xi pointed in the direction for Xie Yunzhou. [Bring some melon seeds over.]

Xie Yunzhou carried the melon seeds lightly and went to Shi Xi's room.

When he opened the door, he saw Shi Xi and Ning Yu sitting in the room.

A movie was projected on the wall.

Xie Yunzhou: ...Why was there another person?

Ning Yu also finished eating in advance and ran away.

She was dragged along by Shi Xi to watch a movie.

Movie viewers +1 (Xie Yunzhou)

Xie Yunzhou ignored Ning Yu and sat beside Shi Xi. "Melon seeds, candies, and drinks."

Not long after, Shi Shuo, who had run away without drinking, arrived.

Seeing Xie Yunzhou here, he frowned and sat between the two of them.

Xie Yunzhou: "..."

This was a far cry from the original scenario where the two of them sat together to watch a movie and could even kiss and hug.

At night, the Shi family ate dumplings.

Shi Xi counted and ate eight.

Superstitious girl.

Also, she had been eating so well during the past few days that she had gained a double chin.

She would be joining the production team after the new year!

She didn't want to be Fat Xi!

After finishing the dumplings, she ran outside and started waiting.

The fireworks display outside the door had already begun.

Xie Yunzhou looked out of the French window.

It was snowing lightly, and the girl was dressed in fluffy clothes that were even more beautiful than the snow.

"Xi Xi has a simple personality and is very happy." Shi Xu walked to Xie Yunzhou's side and said, "Even if it's just watching fireworks, she'll be happy for half a day."

...

"That's good," said Xie Yunzhou.

Shi Xu chuckled. "Of course, I want her to continue being happy."

However, she had to grow up eventually.

Xie Yunzhou lowered his eyes for a moment and promised, "I'll keep her pure and happy."

"Do you know how long these fireworks will last?" Shi Xu suddenly asked.

"Feng City's New Year's Eve fireworks banquet will last for three hours without a break." Xie Yunzhou grew up in Feng City, so he naturally knew about this.

Normally, other than special permission, fireworks were not allowed.

"Then do you know how this fireworks feast came about?"

"How did it come about?" Xie Yunzhou only knew that this was a tradition of Feng City, and he had even dug up the origin of the fireworks banquet.

"When Xi Xi was five, she said she liked to watch fireworks. So every year, Grandpa would set off fireworks for three hours in a row just to let her enjoy herself."

Xie Yunzhou was startled.

...

Just because Shi Xi liked it, they had to set off fireworks for three hours every New Year's Eve?

Shi Xu patted his shoulder and said, "Even if you don't like Xi Xi anymore, don't hurt her."

Asking a man to keep his oath?

It was better to hope for the national football team to win the championship.

Xie Yunzhou walked outside and stood beside Shi Xi.
