

The Fake 761

Chapter 761 Give Up

Shi Xi smiled faintly. "Alright, don't be jealous. He likes you a lot."

1

Xie Yunzhou's eyes were filled with confusion.

Shi Xi took out the book that Zhou Yi had given her and said, "Look, he even specially bought your book for me. Oh, I didn't expect you to have written a book before."

Seeing his book, Xie Yunzhou's eyes moved slightly and he said awkwardly, "I wrote this blindly in the past."

"He said it was very well written and specially gave it to me!" Shi Xi flipped the book over and over. The hardcover book still had a layer of plastic packaging that had not been torn open.

Thinking of something, Shi Xi tore open the plastic seal.

..

The two of them chatted for a while before Xie Yunzhou opened the door to the private room.

Zhou Yi was waiting at the door. When he saw Xie Yunzhou, his eyes immediately lit up. "President Xie."

"This book is for you." Shi Xi came out from behind Xie Yunzhou and said, "It has Xie Yunzhou's autograph on it."

Zhou Yi held the book with both hands.

"I'm sorry, I can't accompany you for dinner," Shi Xi said apologetically. "I'll leave first. Let's meet again next time."

Xie Yunzhou looked over.

"See you at the company next time," Shi Xi changed her mind.

Xie Yunzhou was satisfied.

Shi Xi snorted.

They weren't even in a relationship yet, and he was already so jealous!

Zhou Yi did not hear what Shi Xi said clearly. He only heard her say that she wanted to leave. He looked at Xie Yunzhou regretfully. "Are you leaving now? Aren't you going to eat together?"

"Ah?" Shi Xi had not expected this option.

"Let's go to my private room and have dinner together," said Xie Yunzhou after some thought.

He came to Qingshui Restaurant today to discuss a collaboration.

"Sure!" Zhou Yi said excitedly.

"Is this good?" Shi Xi asked softly. "Will it involve any trade secrets?"

After all, they were in different companies.

"It's fine." Xie Yunzhou continued, "They're going to meet a foreign businessman from Louis. They're looking for a spokesperson for China. Do you want to meet him?"

Shi Xi thought for a moment. "Sure."

Anyway, there was no loss in meeting him.

The waiter brought Zhou Yi's order to a large private room.

Xie Yunzhou sat in the main seat and spoke English to the foreign businessman.

Shi Xi could understand, but she did not participate.

When the spokesperson was mentioned, the foreign businessman passed it vaguely, and Shi Xi ate quietly.

He had probably already thought of the person he wanted to invite.

Only Zhou Yi looked at Xie Yunzhou more and more passionately.

Shi Xi felt a sense of danger.

Zhou Yi wouldn't turn gay on the spot, right?

Motherf*cker!

After dinner, Zhou Yi mustered up his courage and wanted to ask for Xie Yunzhou's WeChat number.

When Shi Xi saw Zhou Yi walking over, she pulled Xie Yunzhou along and attacked first. "We're leaving. Goodbye."

After bidding farewell, she pulled Xie Yunzhou away.

She did not give Zhou Yi a chance to speak.

Shi Xi walked too quickly, causing Xie Yunzhou to stagger.

"Why are you in such a hurry?" Xie Yunzhou asked curiously.

"I'm afraid you'll be eaten," Shi Xi said unhappily.

Xie Yunzhou smiled and pulled the girl into his arms. "Other than you, who else can eat me? Hmm?"

Shi Xi fell into his chest and stopped for a moment before pushing him away. "Don't be so glib."

Xie Yunzhou: "..."

When did he become glib?

"Are you free tomorrow? Let's eat alone." Xie Yunzhou held the girl's hand.

"Tomorrow, we'll shoot the final photo of [Sky Blue] and then join the crew. Let's have a meal together after the production team has settled down," Shi Xi said.

It was always the busiest time when the production team had just started filming.

"Alright." Xie Yunzhou really didn't want Shi Xi to suffer so much.

However, he did not want to be a stumbling block in Shi Xi's way.

He wanted to see the girl fly further and higher, and he wanted to see the girl's bright eyes.

Chapter 762 Nan Wan Has Already Been Jailed

Shi Xi played the role of a female psychologist, Tian Lan, in [Sky Blue].

1

This role was very difficult to play. Not only did she have to go to the hall and cook, but she also had to read poetry and beat up hooligans.

It could be salty, sweet, soft, and hard.

Shi Xi was young to begin with, so she looked too young with a ponytail. In the end, she had brown curly hair, making her look gentle and generous.

On the surface, the male lead played by Lu Zheng was a mechanic. He was silent, but he was actually a big shot.

When the photo was released, the netizens immediately gathered around and pointed at it.

[Shi Xi can control such a character? Bad movie reservation.]

[I really don't understand why Shi Xi was chosen for this kind of drama. This kind of drama should be played by a flower among flowers! I think Qin Yun is very suitable!]

[Yun Yun's fans aren't invited. Our Yun Yun has other jobs.]

[Shi Xi's background is really terrifying. She can even suppress Nan Wan.]

Nan Wan was not the only one who had enemies with Shi Xi.

The cake in the entertainment industry was only so big. If Shi Xi took a bite, the others would take a bite less.

The fans refused to be outdone.

[I'm dying of laughter. Don't bring the law café out.]

[I heard that there's a Lantern Festival in the prison. I wonder if Nan Wan can perform on stage?]

[Eh? What happened to Nan Wan?]

There were also netizens on 2G who did not know the current situation of Nan Wan.

[Nanwan is already in jail,] the fan in the back row explained kindly.
[The female supporting role for [Sky Blue] has been changed to Lu Wancheng.]

When the black fans saw Shi Xi acting as the female lead of [Sky Blue], their eyes turned red with jealousy.

Some people were like that.

Seeing others living well made them feel bad.

It would be uncomfortable if they didn't scold her.

After scolding her, they looked at Shi Xi's photo and felt even more jealous.

[What's there to see? She has a fake face and is a fake daughter.]

[She's so fake. I wonder why her fans like her.]

[When I think about how she stole someone else's life, I feel indignant for the real daughter.]

1

When the fans saw this kind of comment that had never changed in ten thousand years, they no longer cared.

Their glass heart had evolved into a diamond heart!

[Xi Xi's makeup photo is really beautiful~ I'm looking forward to it~]

[Whose fairy tale book is this? The princess has escaped!]

[I'm so impressed by Shi Xi Xi, this beautiful fairy. Every time she looks like this, she's so stunning! You're so intellectual and elegant even when you're acting as a psychologist.]

Shi Xi's makeup this time was plain and clean.

As it was a modern drama and it was going to be broadcasted on Central TV, they could not use heavy eyeshadow. They could only use earth-colored eyeshadow to spread it out. Even the eyeliner could not be pulled out.

She absolutely couldn't wear cosmetic contact lenses, let alone fake eyelashes. She even used very little blush and highlight to repair her face.

With the current cameras, any flaw could be magnified by a thousand times.

The second female lead that Nan Wan was supposed to play went to an actress called Lu Wancheng. She graduated from a dance academy. She had an excellent figure and looked pure and elegant. She was a little white flower.

In [Sky Blue], she played the role of Virgin Mary. She was unwilling to give, but she always wanted others to give, standing on the moral high ground and pointing fingers.

After the photos were released, [Sky Blue] officially started filming.

During the opening ceremony, Shi Xi noticed that Lu Wancheng had been squeezing in the middle.

Shi Xi was the female lead of the first film, and Lu Zheng was the

male lead of the second film.

During the photoshoot, Shi Xi should be standing in the middle, with the male lead and director standing beside her.

But Lu Wancheng insisted on standing between Shi Xi and the director.

An Zhilan couldn't stand it anymore and said sarcastically, "Director, I also want to stand between you and Shi Xi."

The director frowned slightly. "Stand according to the role."

Everyone looked at Lu Wancheng.

Lu Wancheng said in embarrassment, "Ah, sorry. I wanted to stand next to Sister Xi Xi. I didn't expect to accidentally stand in the center position."

Chapter 763 Shi Xi Bullies Lu Wancheng

An Zhilan rolled her eyes.

1

Accidentally standing in the center position?

Who would believe this?

"Sister Xi Xi, you won't blame me, will you?" Lu Wancheng said apologetically.

Shi Xi, who was embarrassed: "..."

An Zhilan continued to be sarcastic. "You already said that it was an accident. How can Shi Xi blame you?"

"You didn't mean to be in the limelight or stand in the center position. You're just blind."

Shi Xi coughed. "It's fine. Let's take another shot."

An Zhilan also felt that it was unlucky.

"Everyone has dispersed. Isn't it too troublesome to retake?" Lu Wancheng bit her lip and looked like she was thinking for everyone.

An Zhilan rolled her eyes again. "Yes, everyone wants to take a new photo because of your mistake."

Shi Xi was not someone who would let things slide. She smiled at Lu Wancheng and said, "I'm fine. Just apologize to everyone and take another photo."

Lu Wancheng's eyes turned red.

However, the stage supervisor had already taken the microphone and started shouting, "Everyone, come over and gather. Let's take another photo."

"Just now, Lu Wancheng stood in the wrong position. Let's take another picture!"

On the first day of filming, Lu Wancheng had already offended everyone.

Even if the staff did not have any objections to her, they did not have a good impression of her.

When they took another photo, Lu Wancheng's eyes were still red and her lips were pouted.

The others were holding red packets in their hands and laughing happily.

After the opening ceremony, the filming began.

Shi Xi had received the script before and knew it by heart.

They had participated in the script reading before, so they had a precise grasp of expressions, positioning, and pauses.

This made things difficult for Lu Wancheng.

Lu Wancheng was the temporary replacement for Nan Wan's role, so she wasn't familiar with the script.

Under the pressure of the big actors, she made many mistakes.

The director was getting impatient. "Can't you even remember two lines? Shi Xi's lines were one and a half pages long, and she has not made a single mistake! Can't you fight for it?"

Lu Wancheng cried and bowed. "I'm sorry, I'm sorry."

"Don't be sorry. Remember your lines." The director thought to himself that he really couldn't say anything about the young actors nowadays.

He didn't even scold her, but she was already crying.

The director was speechless. He could only say, "Let's shoot the next scene first. Lu Wancheng, you should adjust your state of mind."

After all, it was a last-minute request.

He could not treat everyone equally.

Lu Wancheng cried as she read the script.

*

The start of filming for [Sky Blue] caused a small sensation in the industry.

S+ Central TV production, Shi Xi as the female lead.

And when the roles were decided, there was a storm of blood.

Anyone who surfed the internet would be able to see this drama.

Therefore, there were many ghostwriters for this drama.

Someone sneaked in to take photos of Lu Wancheng crying.

It immediately made the netizens' hearts ache.

[Our Little Orange is here to save the situation. Why is she crying?]

1

[I heard that during the shoot, the LWC stood in SX's position. SX was unhappy and gave the crew 80 LWC.]

[Shh - be careful of being banned,]

The rumors were getting more and more real, as if Shi Xi was really bullying Lu Wancheng.

Lu Wancheng looked at the analysis online and was the first to speak up.

@Lu Wancheng: [Thank you for your concern, everyone. I'm fine~ It's my own fragile heart. I couldn't control my emotions. I won't cry next time. Sorry for worrying my Orange Juice.]

Such ambiguous words were not explained clearly at all.

Instead, it made the netizens even more convinced that Shi Xi had bullied Lu Wancheng.

Chapter 764 You Haven't Slept At 3 AM

[I've long seen that Shi Xi has a bad temper. I didn't expect her to bully a newbie.]

1

[Is Shi Xi being arrogant? Newbie who just became popular and is already 80?]

[Supporting Lu Wancheng! I've long disliked Shi Xi!]

Shi Xi had many fans and many haters.

The topic of #Shi Xi's crew bullying Lu Wancheng# was immediately arranged, and they all asked the crew to replace Shi Xi as the female lead.

[If there's Shi Xi, I won't watch [Sky Blue] at all!]

[Boycotting Shi Xi!]

Shi Xi's fans were speechless.

[I'm dying of laughter. Why don't you give me some evidence? Was there a photo or a recording? Just by watching someone talk?]

[Stop freeloading, stop freeloading. There are dozens of people posting on the trending searches, but there hasn't been more than 200,000 views. It's obvious that they're buying the trending searches to leech off our Xi Xi's popularity.]

[Tsk, what a coincidence. They went to the opening ceremony today. LWC deliberately stood in the center position, but everyone took a photo again.]

[During filming, the director said a few words to LWC, and LWC cried.]

[I hope this girl has the time to read the script properly and think about how to act. It's much more useful than posting on Weibo.]

Some of the fans were with the production team, so they directly exposed the whole story.

Orange Juice was still explaining to Lu Wancheng. [Our Cheng went to put out the fire. The director even scolded our Cheng.]

Shi Xi's fans, [You don't have to act if you don't want to.]

Wherever there were people, there would be martial arts.

Lu Wancheng's tea was so hot that she wanted to step on Shi Xi.

Shi Xi put on an act seriously and did not even look at her.

There was not even a single explanation.

The next day, in the dressing room.

Lu Wancheng walked up to Shi Xi and said with red eyes, "Sister Xi Xi, I'm sorry."

Shi Xi looked up. "What's wrong?"

"I didn't mean to post that Weibo post yesterday. I've already edited it." Lu Wancheng took out her phone and showed it to Shi Xi. "You should explain too."

The post that was green tea and posted yesterday had been changed.

@Lu Wancheng: [Sister Xi Xi didn't bully me. I didn't act well. The director scolded me and I cried.]

[Everyone in the production team is very friendly. I will definitely work hard!]

Shi Xi saw the words on it clearly and glanced at the editing time. "You're still awake at three in the morning?"

Lu Wancheng: "..."

An Zhilan was putting on makeup at the side and chuckled. "It'll be fine as long as you explain it clearly. You're here to look for Shi Xi because you want her to go back with you. It's best if you can take a photo with her to show off your sisterhood, right?"

Lu Wancheng gripped her phone tightly.

That was what she thought.

She did not expect An Zhilan to say everything.

However, she was a newcomer. What method could she use to stand out?

Wasn't she just trying to gain the reputation of a senior?

Shi Xi lowered her eyes and said calmly, "I'll get my assistant to appease the fans. This matter will be over."

"Read the script first and then shoot."

"Alright." Before Lu Wancheng left, she glared at An Zhilan again.

An Zhilan saw it and snorted indifferently.

Shi Xi was not familiar with An Zhilan, but An Zhilan had spoken up for her twice.

"You don't have to stand up for me like this," Shi Xi said. "She'll bear a grudge against you."

Of course, it was good to have someone standing up for her.

However, An Zhilan herself did not have any background.

In the entertainment industry, kindness was not necessarily a good thing.

"I just can't stand her. She clearly got the role of the second female lead, but she still looks so aggrieved." An Zhilan rolled her eyes. "You're still thinking about how to edit Weibo at three in the morning? If she spent half of her time studying the script, she wouldn't have to do bad takes every day."

Chapter 765 'Little Shi Xi' Yan YINUO

Although An Zhilan's words were not pleasant to hear, Shi Xi agreed.

[Sky Blue] was an S+ production, so how many people would fight to get this role?

In the past, An Zhilan had only acted in dramas with the female lead. However, she had no background and her popularity had gradually declined. That was why she had taken on the role of the third female lead in [Sky Blue].

When she saw that Lu Wancheng had gotten the role of the second female lead and wasn't working hard, she felt jealous and dissatisfied.

Shi Xi did not understand what Lu Wancheng was thinking.

Lu Wancheng was a newcomer, but she had already started acting when she was in school and knew quite a few people in the industry.

She wasn't a newbie. Her acting skills were immature and she didn't have any works.

Knowing that Lu Wancheng had cried yesterday and even made a fuss on Weibo, the director was much more patient. He led everyone through the scene before filming.

Although the progress was slow, she would not make any mistakes if she followed the instructions.

Lu Wancheng gradually caught up to the rhythm.

She had the personality of a little white flower, so it was easy for her to act as a little white flower.

*

Before the first wave subsided, another wave rose.

Just as Shi Xi was quietly filming, [The Star's Chosen Girl] was about to start recording.

Just from the name, it was obvious that [The Star's Chosen Girl] was going to select a girl group.

In the previous [Star Idol], a boy group was selected.

This time, it was the girl group's turn.

Ever since the news was released, there were many rumors.

[Explode! Shi Xi will be participating in [The Star's Chosen Girl]!]

[Don't explode. I'm on set. Make up some real material.]

[Melon! Bai Cangyang, Li Jinfan's mentor for [The Star's Chosen Girl].]

[Don't waste time. Wait for the official announcement.]

The forum was filled with fake and true information, and many female trainees from the company appeared in front of everyone.

[H Country's 14-year-old all-rounder idol!]

[Captain Almighty Twice-Cooked Pork, guess who it is?]

[The girl from the ancient style will be participating in [The Star's Chosen Girl]!]

Wave after wave of news attracted the attention of netizens and fans.

Who didn't like to watch a show?

There were more than a hundred beautiful girls in the girl group's talent show.

Whether it was watching the stage or watching the fight, they were all very interesting.

All the companies bought news articles to promote their players.

Among them, the most eye-catching one was none other than 'Little Shi Xi'.

[Little Shi Xi is participating in the talent show! First love has a long face and long legs. I love you!]

The photo on it was 80% similar to Shi Xi's.

Even the fans would be stunned when they saw it.

[F*ck, has she become like Shi Xi?]

[Her face doesn't look stiff. It's probably a coincidence.]

[This person's name is Yan YINUO. Looking at the selfies on her Weibo, only her eyes look similar to Shi Xi's. From certain angles, they look similar, but Shi Xi is more exquisite.]

[Yan YINUO and Shi Xi are actually from the same company? Tsk tsk tsk.]

[...]

Many people paid attention to Yan YINUO because of Shi Xi.

Yan YINUO took advantage of Shi Xi's popularity and quickly became a popular contestant on [The Star's Chosen Girl].

Shi Xi did not care much about this.

Anyway, Yan YINUO was an artiste who was going to be popular So be it.

It was better than letting the artistes from other companies take soon. All the money she earned was for her.

So be it.

It was better than letting the artistes from other companies take advantage of it.

For example, Lu Wancheng.

Cough, cough

After the production team was on track, Shi Xi gradually had some free time.

She took out the scarf she had knitted for Xie Yunzhou and thought about when to send it to him.

There was a misunderstanding between the two of them previously, so she had not sent her scarf over yet.

She had almost forgotten about this.

Ask him out for a meal.

Thinking of this, Shi Xi wanted to contact Xie Yunzhou.

Just as she was about to call, Han Chuan called first.

Shi Xi: "..."

Chapter 766 Remember to Keep It a Secret for Me

If Han Chuan called at this time, it would only be because of work.

Shi Xi answered the call.

"The people from [The Star's Chosen Girl] contacted me and asked if you wanted to continue being a popularity mentor." Han Chuan went straight to the point.

"The talent show produced by Xun Teng?" Shi Xi confirmed.

"Yes."

Shi Xi thought for a moment. "Who are the other instructors?"

"Shen Hanquan and Zheng Feicai have already been confirmed. They're still in contact with the other instructors," said Han Chuan.

It was still the mentor camp from before.

Shi Xi hesitated. "But I still have to take care of the production team. Isn't that a bad idea?"

"As long as you're there during the two days of recording, the other times can be coordinated. [The Star's Chosen Girl] wants to borrow your popularity," Han Chuan analyzed. "They're mainly promoting trainees."

The role of a mentor was limited.

Upon hearing this, Shi Xi was relieved. "Alright, I'll accept it."

"Alright, I'll inform them to sign the contract as soon as possible."

"Wait, let me confirm." Shi Xi had the experience of participating in the talent show the last time and felt that there were some things that needed to be made clear. "They're inviting me to be a popularity mentor, right?"

Last time, she thought she was a trainee.

She didn't expect it to be a teacher.

This time, she had to confirm it clearly.

"Yes, popularity mentor," Han Chuan confirmed.

"Sure. If you have any other news, remember to tell me."

Shi Xi heaved a sigh of relief.

The [Star Idol] series was a very popular talent show series.

Although the production team wanted to borrow her reputation, Shi Xi could also use the show to consolidate her fans.

It was a win-win situation.

Before the official recording of [The Star's Chosen Girl], all information was confidential.

Shi Xi looked at her schedule with a conflicted expression.

She was just about to ask Xie Yunzhou out!

She could only go to the dance studio now.

After all, she was a mentor. She had to have a stage to show off, right?

Just in case.

Shi Xi could only ask Zhu Lin to send the scarf over.

She went to the dance studio and found a teacher to teach her a dance.

It was still the dance studio from before, and the dance teacher from before.

When the dance teacher saw Shi Xi, he greeted her with a smile, "Long time no see."

"Hello, Teacher." Shi Xi's eyes curved into crescents as she smiled. "Remember to keep my dancing a secret."

"I know. Recently, many young girls have started to practice dancing." The dance teacher was teaching dance to a celebrity in the entertainment industry, so he naturally heard some rumors.

However, people in this line of work did not gossip easily.

The dance teacher had taught Shi Xi before and knew that she had a foundation in dance (in fact, ancient martial arts), so he was much bolder in her dance.

The more complicated the dance moves were, the more difficult it was, and the more enjoyable it was to watch.

Shi Xi learned the movements in an hour.

Learning the movements was only the beginning.

She also had to learn how to manage her expression, relax herself to the greatest extent, and make the dance look good.

After two hours of practice, the door of the practice room was pushed open from the outside.

The person who came in was slightly stunned when he saw Shi Xi.

It was Pei Jie.

"Xiao Jie is here." The dance teacher said to Shi Xi in embarrassment, "I forgot to tell Pei Jie that there was someone at this time."

"I'm fine." Shi Xi had already finished practicing. She sat on the ground and drank some water. She looked at Pei Jie. "Long time no see. Are you still practicing?"

The girl had practiced dancing for two hours. Her clothes were wet with sweat and stuck to her body, showing her exquisite curves.

Pei Jie looked away. "I like dancing."

Shi Xi did not mind how pathetic she was. She used to practice until she was sweating all over.

Chapter 767 Clingy Junior

"You guys chat first. I'm going to the washroom," the dance teacher said.

Only Shi Xi and Pei Jie were left in the huge training room.

Shi Xi had only made an appointment for two hours, so she should have left.

However, she had just finished practicing and was too tired to move, so she started chatting with Pei Jie.

"Aren't you on set recently? Do you still have time to practice dancing?" Shi Xi asked casually.

The box office earnings of [Energetic Girl] had already exceeded 1.9 billion. As the male lead, Pei Jie's dividends were not any less than Shi Xi's.

He had even entered the production team earlier than Shi Xi.

"I'll take some time out to practice," said Pei Jie. "If I don't practice for a day, I'll feel like I'm missing something."

Shi Xi nodded.

Pei Jie was born into a talent show. Even though he had changed his profession to become an actor, he still did not forget his original intentions.

It was pretty good.

"How are things on set?" Shi Xi was trying to find a conversation.

Pei Jie paused for a moment and did not stand on ceremony. Instead, he said, "Not too good."

Shi Xi thought, 'Ah, that's not the answer I wanted to hear.'

She was just being polite.

"What's wrong?" Shi Xi asked.

Pei Jie could not say for sure. As a senior and mentor, she had to be concerned.

novelusb.com

Pei Jie lowered his eyes and said dejectedly, "I feel like I didn't shoot well and delayed the progress."

Shi Xi thought to herself, 'Why don't you think about the script properly instead of coming over to dance?'

Wasn't this putting the cart before the horse?

"Have you signed up for acting classes?" Shi Xi asked first.

"I don't quite understand." Pei Jie nodded and replied honestly.

Shi Xi: "..."

Pei Jie, who had always been a man of few words, seemed to have opened his mouth at this moment and poured out, "Previously, when I was on the set of [Energetic Girl], I acted very easily. I don't know why, but it's very tiring to be in this production team."

Shi Xi thought for a moment. "I remember that you joined a production team for a period drama, right?"

Pei Jie nodded. "[The Love of the Wind, Flowers, Snow, and Moon]."

Shi Xi: "..."

It sounded like an idol drama from ancient times.

It was probably a sweet style.

"What kind of character are you playing?" Shi Xi asked.

"The carefree and unruly prince."

"Where did you encounter a problem? Won't be carefree? Don't you know what unruly is?" Shi Xi began to help analyze.

When the dance teacher came back from the washroom, he saw Shi Xi and Pei Jie lying on the ground, analyzing the script.

It was mainly Shi Xi who was talking and Pei Jie who was listening.

The dance teacher coughed. "Isn't it time for dance practice?"

"I won't practice today." Pei Jie kept the script and said to Shi Xi, "Teacher Shi Xi, I'll treat you to a meal for helping me interpret the script."

"I have to shoot a night scene tonight," Shi Xi declined politely.

She didn't even have time to go on a date with Xie Yunzhou.

"When do you have time?" Pei Jie looked at Shi Xi, wanting to ask for an answer.

Shi Xi really did not have much time.

"We're all filming in the same place. When you're waiting for your turn, I'll go look for you, okay?" Pei Jie suggested.

Shi Xi looked at how hardworking the junior was and nodded. "Alright, I'll definitely help you when I have time."

When she entered the entertainment circle herself, she had the help of her seniors.

Therefore, Shi Xi was not stingy with helping the younger generation who was making progress.

from the ground.

She was sweating all over.

"Are you going back to the production team?" Pei Jie asked. "Shall we go together?"

"I'll go take a shower and change my clothes first." Shi Xi got up from the ground.

She was sweating all over.

It was quite uncomfortable.

Coming out of the dance studio, Shi Xi asked, "How did you get here?"

"I'll take the bus," Pei Jie said embarrassedly.

Shi Xi was slightly stunned.

With the box office earnings of 2 billion yuan for [Energetic Girl], she had already earned close to 200 million yuan.

The other dividends could only be received after the movie was released.

Chapter 768 Xie Yunzhou Can't Interject a Word

Shi Xi remembered that Pei Jie was paid millions.

He didn't have to take the bus, right?

"I'll just take a taxi back," said Pei Jie.

"Take my car. It's okay. It's on the way anyway," Shi Xi said.

Everyone was filming in the same film studio.

Hearing Shi Xi's invitation, Pei Jie did not hesitate.

In the same car, he might be able to ask for more advice.

The car door opened.

Xie Yunzhou was sitting inside.

Zhu Lin's eyes widened when she saw Shi Xi and Pei Jie standing together.

What the f*ck?

When Shi Xi saw Xie Yunzhou in the car, she was a little surprised. "Why are you here?"

Xie Yunzhou's gaze swept across Pei Jie and said indifferently, "I'll pick you up for dinner."

Pei Jie saw Xie Yunzhou in the car and said, "I'll take a taxi back to the set."

"Let's go together. Haven't you eaten yet?" Shi Xi was extremely tolerant of the younger generation.

Especially Pei Jie, who came from a poor family and worked hard to and got in.

improve.

novelusb.com

Xie Yunzhou retracted his gaze.

Seeing that there was still a seat in the car, Pei Jie gritted his teeth and got in.

He was learning as much as he could now.

Pei Jie did not know much about acting. [Energetic Girl] was a school drama, and Pei Jie was acting in his own character. It was not difficult for him.

However, if it was any other personality, Pei Jie would find it very difficult to grasp.

He was introverted and had a low self-esteem.

He had to play the domineering male lead.

Shi Xi sat beside him, telling him about the play and teaching him how to act.

Xie Yunzhou couldn't say a word.

He could only turn on his computer and deal with his own matters.

After dinner, Pei Jie and Shi Xi returned to the film studio while Xie Yunzhou returned to the company to work overtime.

Pei Jie walked out of the room first.

Shi Xi was about to go out when Xie Yunzhou pulled her back.

"Hmm?" Shi Xi was surprised.

Xie Yunzhou closed the door of the private room. The girl leaned against the door, and a handsome face was magnified in front of her.

Xie Yunzhou grabbed the girl's slender waist with his big hand and kissed her.

The first time, the second time, it was familiar.

Compared to the last time, this kiss was more like a kiss.

He wanted to dominate and occupy.

He pressed the girl down and kissed her for a while until her body went limp and the corners of her eyes turned red. Only then did Xie Yunzhou let go of her.

Shi Xi panted lightly, her eyes moist as she complained, "What are you doing?"

Her voice sounded like she was complaining, but it also sounded like she was acting coquettishly.

Xie Yunzhou wanted to continue kissing her.

"Why aren't you here to give me a scarf and chatting with a little boy instead?" Xie Yunzhou felt uncomfortable just thinking about it.

If Shi Xi had gone to give him a scarf, he could have kissed her for a long time in his office.

Now, he could only satisfy his craving.

Shi Xi reached out to curl his tie and asked with a smile, "Are you jealous?"

Xie Yunzhou looked at the girl's unrelenting attitude and was both angry and amused. "Stay away from him."

"Alright, I will definitely keep my distance from other men." Shi Xi raised her hand and said playfully, "I swear."

Xie Yunzhou looked at the girl in front of him, and the more he looked at her, the more he liked her.

It would be even better if he could keep her in his room and only let him see her.

Xie Yunzhou lowered his eyes to hide the strong possessiveness in them. "Go back. I won't send you off."

"You rest well too. Don't stay up late." Before Shi Xi left, she stood on her tiptoes and quickly kissed him on the cheek.

Xie Yunzhou, who had been jealous for a long time, finally felt satisfied.

This was what a relationship should be like.

Pei Jie came out of the private room and the door was closed.

He guessed something and went to the car to wait for a while.

Not long after, Shi Xi returned. Her eyes were still misty and her face was slightly red.

Shi Xi coughed and continued to tell him the script as if nothing had happened.

Chapter 769 It Ended in Ten Minutes

Shi Xi and Pei Jie got out of the car together and were immediately photographed.

The two of them had worked together on [Energetic Girl] and participated in several variety shows together. They had already gathered a wave of CP fans.

Now that they saw the two of them in the same frame, the CP fans felt like it was the New Year!

[Ahhhhh! My CP is alive!]

[This CP is the best! As long as I'm sincere enough, my CP will give out candy!]

[They got into the same car. What did you do in the car? Hehehe.]

[You can't be bitter!]

CP fans: Make me sour!

Compared to the joy of the CP fans, the solo fans of the two families were suffering to varying degrees.

Pei Jie was originally a little muddleheaded.

He had only gained traffic by relying on his love line with Shi Xiwu.

It was also because he acted in [Energetic Girl] that his fame became even more prominent.

Shi Xi's fans had always felt that Pei Jie was a vampire and wished that Shi Xi would stay away from him.

Pei Jie's fans thought that Pei Jie was outstanding and deserved the applause and flowers.

The fans of the two families could not stand each other.

This was also the current situation of the CP.

They all wanted to cut ties with each other.

The two families had yet to quarrel when another big news broke out on the Internet.

[Melon! Chu Yuan has returned!]

Ever since Chu Yuan's secret marriage was exposed, there had been countless speculations.

Many people guessed that Shi Xi was a mistress who had destroyed Chu Yuan's family.

However, there was no evidence, so the matter was left unsettled in the end.

In the end, Chu Yuan's Weibo revealed that he had a good impression of Shi Xi and that he had cheated on his wife, causing him to die.

It was completely silent.

Just as Chu Yuan was feeling dejected, Ning Yu went to look for him.

"I've already investigated it. The person who exposed that you had a child in secret and framed Shi Xi as a mistress is the same person: Mu Qinglan."

Mu Qinglan, Chu Yuan's secret wife.

To be more precise, it was his ex-wife.

Chu Yuan looked at the evidence in front of him, his eyes dark.

Seeing Mu Qinglan instruct his son to look for Shi Xi, Chu Yuan almost lost his breath.

Although Chu Yuan did not love Mu Qinglan, the child was innocent.

In order to frame Shi Xi, she could even use her own son?

Chu Yuan clenched his fists.

"When I was investigating, I accidentally discovered what happened four years ago," Ning Yu said calmly as she leaned back in her chair.

Chu Yuan was puzzled.

Ning Yu turned on her tablet and pulled out a surveillance video. "Four years ago, you were forced to drink. It was Mu Qinglan who sent you back to your room."

"I was drunk and had s*x with her. That's why I married her," Chu Yuan said calmly.

"Did you really have s*x with her?" Ning Yu asked.

"I can't remember," Chu Yuan said calmly. "But I did a paternity test with Jia Mu. He's my child."

At that time, he hadn't established a firm foothold in the entertainment industry. The producers forced him to drink, and he could only drink.

When he woke up the next day, he did not have any clothes on him, but he saw a woman's clothes on the bed.

A month later, Mu Qinglan held her waist and asked him to take responsibility.

Four years passed just like that.

Ning Yu sped up the video. "Here. It's only been ten minutes. Mu Qinglan came out of the room."

Chu Yuan wanted to say something but stopped and wanted to say something.

He was drunk. Was it over so quickly?

Also, was it really okay for him to discuss endurance with a girl?

Chu Yuan felt a little awkward.

"Look here," Ning Yu said as she zoomed in on the surveillance camera.

"What?"

"Mu Qinglan put a small bottle in her bag." Ning Yu explained.

Chu Yuan's eyes narrowed as he thought of something.

Ning Yu took out another document and said, "This is the evidence that Mu Qinglan went to the hospital for artificial insemination four years ago."

Chapter 770 7 Million Yuan in Pre-Marriage Debts

Stealing lineage.

Chu Yuan was clean, but that didn't mean he didn't know the twists and turns of the industry.

He didn't expect Mu Qinglan to actually?

No wonder he won the lottery after only one try.

Chu Yuan had always thought that he had forced Mu Qinglan.

He didn't expect it to unfold like this.

"Although she stole your semen and violated your reproductive rights, you're already married and divorced. This lawsuit won't be easy to fight," Ning Yu said.

Chu Yuan was still in shock.

"But with this evidence, I can help you fight for more assets when you get a divorce. Did you do a property notary before marriage?" asked Ning Yu.

Chu Yuan came back to his senses. "No."

Back then, he wanted to compensate Mu Qinglan, so how could he have done a property notary?

"It doesn't matter. I'll make her leave with nothing."

Chu Yuan had mixed feelings. "Can I get custody of Jia Mu?"

"Oh?" Ning Yu did not quite understand. "You want the child?"

"She's not good to the child," Chu Yuan recalled and pursed his lips.

Chu Jiamu was also exposed to the public.

"Why not?" asked Ning Yu.

Chu Yuan pointed at the photo. "If you want to treat the child well, you won't let the child harass Shi Xi."

Chu Jiamu was also exposed to the public.

"In the past, she often used the excuse that the child was sick to trick me into going home." Chu Yuan thought about it and realized that something was amiss. "I was busy later on, so she deliberately made the child freeze."

Ning Yu only recorded expressionlessly.

This would be strong evidence in court.

Chu Yuan and Mu Qinglan's divorce case officially started.

Although there was no live broadcast or recording, the court's final decision was announced. The child and the property belonged to Chu Yuan.

Mu Qinglan only received a small portion of the money.

Mu Qinglan was dissatisfied.

The second trial upheld the original judgment.

The netizens who knew the results began to fight for justice for Mu Qinglan.

[Is Chu Yuan still a man? Just let Mu Qinglan give birth to his child for free?]

[Sisters, open your eyes. Don't marry such a man!]

[I didn't expect Chu Yuan to be this kind of person. I know very well that the house has collapsed.]

[That's why I said that you can't be a housewife. Women still need to have their own careers and money.]

Mu Qinglan also posted on Weibo to accuse Chu Yuan of being inhuman.

Chu Yuan did not respond.

The studio responded.

@Chu Yuan Studio: [After Ms. Mu Qinglan and Mr. Chu Yuan got married, Mr. Chu Yuan paid Ms. Mu Qinglan a total of 7 million yuan for her pre-marital debt. After marriage, she received no less than 1 million yuan as pocket money every month.]

[Ms. Mu Qinglan had no income during her marriage. Mr. Chu Yuan respected Ms. Mu Qinglan's efforts during their marriage and voluntarily gave her a house.]

[We hope that after Ms. Mu Qinglan's divorce, we can resolve our grudges and not hate each other anymore. The two of them are happy.]

They had said it so clearly, but there were still people standing on Mu Qinglan's side.

After all, women were a vulnerable group.

Mu Qinglan began to pretend to be weak. She wanted custody of the child and child support.

Ning Yu received the news and released the evidence that Mu Qinglan had stolen semen, borrowed the child to force the marriage, and deliberately made the child sick.

This huge reversal stunned the netizens who were watching the show.

They did not expect Mu Qinglan to actually do such a ridiculous thing!

The netizens finally noticed something fishy from the messages.

[So, Mu Qinglan set Chu Yuan up?]

[I told you Chu Yuan doesn't like Mu Qinglan. She's a woman I've never even heard of.]

[Does anyone know her background?]

She was so insignificant that the entire internet couldn't even dig out her background.

However, to be able to owe 7 million yuan in pre-marital debt, she was definitely not a simple person.
