

The Fake 781

Chapter 781: Hua Ruoling's Secret

After thinking hard, Shi Xi finally decided to ask her brother, Shi Xu, who was in the mall.

After listening to Shi Xi's description, Shi Xu said, "Don't worry about it."

"All?" Shi Xi was slightly stunned. "Is that alright?"

"This is the Hua family's business. If Hua Ruoling is setting up a trap for Second Master Xie, you might make people think that you're meddling," Shi Xu said indifferently.

"Then, what if something really happened?" Shi Xi asked hesitantly.

"That's also a matter between their two families." Shi Xu was indeed an old fox in the business world. He did not care about the lives of others. "Hua Xuanhe invited you to the banquet. What did he want to talk to you about?"

"He wants me to go to Hua's entertainment company," Shi Xi said frankly.

"Poaching people. You agreed?" Shi Xu asked thoughtfully.

"No, I don't think it's a good idea." Shi Xi's heart had actually wavered.

However, when she thought about it carefully, she felt that it was unreliable.

Shi Xi did not have the intention of being a celebrity forever. She only wanted to earn some money and save it up.

The contract with a film company started at ten years.

"Do whatever you want now. When you're done, you still have to go home and inherit the company."

Shi Xi hung up the phone.

Why couldn't she escape the topic of inheriting the family property?

However, after this conversation, Shi Xi understood that it was best not to interfere in such matters.

When she returned to the banquet, the way Shi Xi looked at Hua Xuanhe had changed.

Poor Hua Xuanhe.

He didn't even know that his sister had stabbed him in the back.

How tragic.

Hua Xuanhe sensed Shi Xi's gaze and stepped forward in confusion. "What are you looking at?"

"It's nothing." Shi Xi blinked and pretended not to know anything.

Hua Xuanhe thought about the way Shi Xi had looked at him just now.

That was not right.

Something was wrong.

Could Shi Xi be secretly in love with him?

Hua Xuanhe immediately became alert.

A friend's wife, you're welcome.

No, you can't bully a friend's wife.

"By the way, how have you been recently? Are you busy with work?" Shi Xi changed the topic.

Hua Xuanhe thought, 'She's not asking me out, is she?'

"Very busy." Hua Xuanhe nodded and said, "I've been staying up late for meetings recently." He could not give Shi Xi a chance to ask him out.

Shi Xi looked at Hua Xuanhe with even more pity.

Was it because Hua Ruoling had sold him some trade secrets that he had to stay up all night?

It was a cross-screen chat.

Other than chatting with the Hua family and being interrupted by Second Master Xie, Shi Xi also got to know some directors and producers in the Yanjing industry.

When it came to cooperation, they were all very happy.

However, when it came to bringing up newcomers, they started to laugh.

Shi Xi: It's hard to earn money QAQ.

It seemed that she could only let the newbies start training from self-made dramas.

Shi Xi walked around, wanting to go back.

But just as she was looking for Sheng Yan, Hua Ruoling walked over and blocked Shi Xi's path.

Shi Xi glanced at her and prepared to go around her.

Hua Ruoling continued to block her path.

Shi Xi was helpless. "Miss Hua, what's the matter?"

"I know you came here to seduce my cousin." Hua Ruoling stared at Shi Xi.

Shi Xi: ?

Hua Ruoling could not even take care of herself and did not forget to come over to remind Shi Xi. "You'd better give up on this idea as soon as possible."

"If my cousin wants to marry someone, he will marry a socialite or a noble lady, not a pheasant from a poor mountain valley like you!"

Shi Xi did not expect Hua Ruoling to have such a one-sided thought and explained, "I don't have any feelings for Hua Xuanhe."

Hua Ruoling snorted, not believing Shi Xi's excuses.

Shi Xi rolled her eyes and approached Hua Ruoling, whispering, "But I know your secret.."

Chapter 782: She's Climbing to the Nobles to Make Money!

Hua Ruoling's eyes flashed with shock, but she regained her composure in an instant. "What secret? I don't understand what you're saying."

Shi Xi's eyes curved. "Do you really not understand? Or are you pretending not to understand?"

Hua Ruoling's eyes flickered as she stared at Shi Xi in shock.

What did Shi Xi know?

"However, I have never liked to be nosy. As long as you stay away from me and don't provoke me, I'm willing to keep your secret for free." Shi Xi had no idea what Hua Ruoling's secret was.

She only knew that Second Master Xie was threatening Hua Ruoling to make her behave.

Hua Ruoling was still stubborn. "I don't have any secrets. You don't have to trick me."

Shi Xi shrugged and walked past Hua Ruoling.

Seeing that she did not follow her, Shi Xi heaved a sigh of relief.

She really didn't want to be entangled with this group of rich second-generation heirs.

All they knew was romance.

Couldn't they just focus on getting money?

What do you mean by clinging to the rich and powerful in order to marry into a wealthy family?

She clung to the rich and powerful to earn money!

What was so good about marrying into a rich family?

Shi Xi thought to herself, 'When I'm rich, I can have any man I want.'

She had the face of a sweet girl and the heart of a queen.

Shi Xi went to the exit to wait for Sheng Yan, but before Sheng Yan, Second Master Xie arrived.

When Second Master Xie saw Shi Xi, his lips curled into a confident smile. "What's wrong? Waiting for me here?"

Shi Xi resisted the urge to roll her eyes. "No."

Second Master Xie was still confident. "I know that you women are all like this. You don't mean what you say."

"I've seen many such tricks. Didn't you deliberately wait here for me to come out?"

Shi Xi's gaze landed on Second Master Xie and she smiled. "Sorry, I don't want to leave."

With Second Master Xie's words, Shi Xi, who had wanted to leave, did not want to leave.

Shi Xi walked to the corner of the banquet hall, picked up an ice-cream strawberry pudding, and scooped up a large spoonful.

Everything was really not going well today!

Second Master Xie wanted to continue following Shi Xi but was stopped by Hua Ruoling halfway.

"Come with me!" Hua Ruoling said angrily.

She finally knew that he was plotting something bad.

The two of them went to the empty balcony.

Hua Ruoling was furious. "I helped you get Hua family's lowest bid, and you're making my secret known to everyone?"

"When did I reveal your secret to everyone?" Second Master Xie was confused.

"Shi Xi came to my side just now and said that she knows my secret." Hua Ruoling gritted her teeth.

"Didn't you tell her?"

"Why would I tell her that?" Second Master Xie asked in disbelief.

"Then how did she know?"

Shi Xi, who was hiding by the balcony and eating her pudding, looked conflicted.

How did she know?

Wasn't it because you guys were too loud?

Although it was quiet here, it did not mean that it was completely hidden!

Can't you guys chat on WeChat? Get a room?

Hua Ruoling and Second Master Xie had thought of all these things that Shi Xi thought of.

However, they didn't believe in technology and were afraid of being found out. They never interacted with each other on WeChat and only communicated face-to-face.

However, face-to-face communication was not safe!

Shi Xi did not want to listen to their conversation anymore.

According to the setting of the novel, the more you know, the faster you die.

She just wanted to be a rich woman who knew nothing about the world.

Shi Xi left carefully.

“Shi Xi? Why are you here?”

A gentle voice called out to her.

Shi Xi held the pudding in her hand and thought to herself, Who the f*ck is so insensible as to stop me?’

Looking up, Shi Xi realized that the person standing in front of her was Hua Xuanhe.

Oh.

Hua Xuanhe was here?

“I’m just hiding to eat something.” Shi Xi blinked her eyes in a playful and adorable manner..

Chapter 783: Ning Yu Reveals Hua Ruoling’s Identity

Hua Xuanhe walked closer. “You’re my guest. If there’s anything you don’t like, just let me know.”

As soon as he finished speaking, Hua Xuanhe saw Hua Ruoling and Second Master Xie on the balcony.

Hua Xuanhe frowned.

Everyone in the capital knew of Second Master Xie’s reputation for being ignorant and incompetent.

He did not want his sister (Hua Ruoling) to associate with such a person.

“Ruoling, Aunt is looking for you. Come back with me,” Hua Xuanhe said firmly.

“Alright.” Hua Ruoling glared fiercely at Shi Xi.

Shi Xi was very innocent.

She really didn’t hear the secret.

However, looking at the intelligence of these two people, they would probably be exposed soon, right?

As Shi Xi thought of this, she swept her gaze casually and instantly stopped.

Ning Yu?

Why was she here? She was even wearing a waiter’s uniform?

Shi Xi wanted to look for Ning Yu, but there were so many people at the banquet that she could no longer be seen.

It made Shi Xi wonder if she had seen wrongly.

Too tired recently?

Sheng Yan finally got away from the business meeting and found Shi Xi. "Aren't you leaving? Why are you eating again?"

Shi Xi glanced at him. "I don't eat as much as you."

Sheng Yan:

He had really watched Shi Xi turn into Shi Rice Bucket.

"I'll go back after I finish this," said Shi Xi as she continued eating the pudding.

Sheng Yan stood beside Shi Xi and said casually, "I saw Ning Yu just now."

Shi Xi thought, 'I didn't see wrongly just now!'

Thinking that Sheng Yan and Ning Yu were the real couple, Shi Xi asked indirectly, "Why do you pay so much attention to Ning Yu?"

Sheng Yan was like a cat whose tail had been stepped on. He jumped up and denied it. "I didn't follow her!"

Shi Xi was dumbfounded.

Wasn't this reaction a little too much?

"Don't talk nonsense. I just thought that you're her sister and wanted to tell you." Sheng Yan realized that he had overreacted and explained.

An explanation was a cover-up, and a cover-up meant that it was true.

"I'll go shopping with her next time." Shi Xi looked around but still did not see Ning Yu.

She was wearing a waiter's uniform. The big boss was probably on a mission.

Then, Shi Xi saw Hua Xuanhe and Hua Ruoling introducing them around.

They introduced the top film directors and producers in the industry.

She even saw the director of [The Star's Chosen Girl].

Shi Xi sighed.

It was good to have a background.

The path of a rich and beautiful actress was naturally different from that of ordinary people.

She could get to know so many big shots just by debuting. [The Star's Chosen Girl] could directly escort her to the finals, and then she would not debut. After accumulating fame, she could go and film a movie or TV series.

Who wouldn't be envious?

"Let's go," Shi Xi said to Sheng Yan after finishing the pudding.

The two of them walked toward the exit and heard the sound of broken glasses from the banquet. Immediately, there was a commotion.

Shi Xi, who loved to watch the show, turned around and looked at the scene of the incident reluctantly.

What happened?

Let me see!

There were so many people gathered that Shi Xi could only see heads.

“Why aren’t you leaving?” Sheng Yan asked when he saw that Shi Xi had stopped moving.

“I think I heard Ning Yu’s voice.” Shi Xi pointed at the noisy crowd. “Do you want to take a look?”

Hearing that it was Ning Yu, Sheng Yan immediately strode over.

Shi Xi:

Although she didn’t know when the two of them hooked up, it was a good thing that the plot went smoothly.

She didn’t steal Ning Yu’s husband.

The noise gradually quieted down. Shi Xi walked over slowly and roughly heard the ins and outs of the matter.

Hua Ruoling bumped into a waitress. However, the waitress was holding a drink and the drink splashed all over Hua Ruoling.

Could Hua Ruoling bear such grievances?

She was furious on the spot..

Chapter 784: The Auction Base Price Is Revealed

Hua Ruoling was not an easily angered person.

However, her day had been too rough.

Threatened by Second Master Xie, provoked by Shi Xi...

She had endured all this.

But a mere waitress dared to bully her?

Ning Yu, who was disguised as a waitress, was walking properly when Hua Ruoling bumped into her uneasily.

Ning Yu could have dodged it, but she was still holding the tray in her hand.

She dodged, but the wine on the tray spilled out.

She had dirtied Hua Ruoling's gown.

Ning Yu lowered her eyes. "I'm sorry."

"Just an apology?" Hua Ruoling looked at the stains on her clothes and was so angry that smoke was coming out of her head.

Ning Yu felt that this apology was unnecessary.

If Hua Ruoling had not bumped into her, her tray of wine would not have spilled.

Seeing this, Hua Xuanhe pressed on Hua Ruoling's shoulder and whispered, "Don't be angry. Go back and change your clothes."

There were so many people watching at the banquet.

With Hua Ruoling's status, it would be beneath her dignity to argue with a waitress.

Hua Xuanhe wanted to give them a way out.

It was mainly to give Hua Ruoling a way out.

However, Hua Ruoling had suffered enough today, so she immediately shook off Hua Xuanhe.

"What's wrong? Do you think I'm embarrassing? She was clearly blind. Why should I take this lying down?" Hua Ruoling started to lose her temper.

Ning Yu's eyes were indifferent. "Miss Hua, you didn't look where you were going and bumped into me."

Who was blind?

Hua Ruoling looked at Ning Yu from the corner of her eyes. "I'm talking to my brother. Is there any place for you to interrupt?"

Looking closely, Hua Ruoling recognized Ning Yu. "Why are you here?"

Both of them had participated in [The Star's Chosen Girl], so they naturally knew each other.

It was just that Ning Yu was wearing a waitress uniform and had her head lowered, so Hua Ruoling did not recognize her immediately.

Ning Yu pursed her lips. "I'm here to work."

It was impossible to work.

Hua Ruoling chuckled. "You want to squeeze into our circle, so you came in disguised as a waitress?"

"I'm just here to work."

Hua Ruoling didn't believe it, but just as she was about to continue asking, Sheng Yan appeared in front of Ning Yu.

"Miss Hua, what are you doing?" Sheng Yan asked.

Hua Ruoling lifted her chin slightly. "Today is the banquet held by our Hua family. She has sneaked in with ulterior motives. Can't I check her properly?"

Sheng Yan frowned and looked at Ning Yu. He said with certainty, "I believe that Ning Yu is not the kind of person who harbors ill intentions. There must be some misunderstanding."

"You can't know a person's heart by their appearance."

Shi Xi was eating melons at the side.

Wow, what a classic plot!

When the supporting actress bullied the female protagonist, the male protagonist stepped forward to defend her.

The only thing missing was the classic line:

I I'm not here to reason. I'm here to support her.]

"Enough." Hua Xuanhe opened his mouth and interrupted Hua Ruoling's unreasonable behavior.

Hua Xuanhe, who had always been gentle, looked angry. "Ruoling, Ning Yu is my guest."

"Guest?" Hua Ruoling had an expression that said, 'Do you think I'm an idiot?' "Would a customer wear a waiter's uniform?"

"I asked her to investigate the matter of the last auction's base price being leaked." Hua Xuanhe could only lay his cards on the table.

Shi Xi widened her eyes.

She didn't expect that Hua Xuanhe and Ning Yu knew each other.

Thinking about it, she wasn't that surprised. After all, they were all big shots.

"The base price of the auction was leaked?" Hua Ruoling instantly lost her confidence. "Isn't that a coincidence?" "How can there be so many coincidences?" Hua Xuanhe was a businessman.

The thing he didn't believe in the most was coincidences..

Chapter 785: Hua Ruoling Is a Fake Miss

"It wasn't an accident," Ning Yu said lightly. "Someone inside your organization leaked it."

"Don't spout nonsense if you don't have evidence!" Hua Ruoling said fiercely.

"Evidence? I found it long ago." Ning Yu's gaze fell on Hua Ruoling. After a moment of silence, she looked at Hua Xuanhe. "This matter is a little complicated. I want to talk to you alone."

"What can't be said here?" Sheng Yan said jealously.

Hua Ruoling's heart was pounding. "You don't have any evidence and want to escape, right?"

Ning Yu did not care about what the two of them said.

They weren't the ones paying.

Of course, it was still up to the sponsor's decision.

"What do you think?" Ning Yu asked Hua Xuanhe.

Of course, Hua Xuanhe wanted to hear the evidence in private.

But now, under everyone's watchful eyes, he was already in a difficult position.

"Are you sure that it was our people who leaked the starting bid?" Hua Xuanhe asked again.

Hua Xuanhe was the one who personally followed that case.

He had thought that it would be foolproof.

However, it was gone.

Ning Yu nodded.

Hua Xuanhe's face darkened. "Tell me now. If the evidence is conclusive, I will make him pay!"

This kind of treacherous person must not be used!

Hua Xuanhe made this decision because he wanted to establish his authority in front of the guests.

Although he was kind, he was not a pushover!

The projector at the banquet had been turned on at some point.

Ning Yu held the remote control in her hand and said, "These are the five people who knew the starting bid. I've checked their lives after they got the starting bid."

Hua Ruoling heaved a sigh of relief when she saw that she was not among the five people on the list. Instead, it was Hua Xuanhe and a few of his trusted aides.

She had surreptitiously checked Hua Xuan's report at home and guessed it herself.

How could it be found out?

However, after Ning Yu eliminated them one by one, she finally pointed to Hua Xuanhe.

Hua Xuanhe was expressionless. "Do you think 1 leaked the starting bid?"

Ning Yu continued to analyze. "According to the bidding price, the other party probably doesn't know the starting price. They guessed it from the report."

"President Hua himself would not reveal the bidding price, but President Hua brought the report back to the Hua family."

"So, 1 asked for the surveillance footage of the Hua family."

On the projector, the surveillance footage of Hua Ruoling sneaking into the study appeared.

The guests at the banquet were in an uproar.

There was actually such a thing?

Hua Xuanhe froze.

He had never suspected his family.

Hua Ruoling immediately defended herself. "I only went to the study to look for a book to read. I didn't look at the report. I didn't even reveal the base price!"

"I'm also very curious. You're from the Hua family, so why did you leak the base price?"

"So, I checked your whereabouts these few days and found out that you've seen Second Master Xie."

The smile on Second Master Xie's face disappeared.

Ning Yu's voice was cold. "I think that Second Master Xie might have something on you, so you have no choice but to listen to him."

"Enough. You're just guessing!" Hua Wenyin came out to defend her daughter and said angrily, "Men, take her out!"

Ning Yu's eyes were cold. "Don't worry, the evidence is on the next page."

The projector cut to the next scene.

"You're the dignified young lady of the Hua family. What can you possibly have against you? I investigated and found out that there was almost no interaction between the two of you. I expanded the scope and found that you went to the Xie family's DNA testing agency to do a paternity test."

"Paternity test?" Sheng Yan looked at Hua Ruoling in surprise.. "You're pregnant with Second Master Xie's child?"

Chapter 786: A Banned Discussion

Everyone's gaze fell on Hua Ruoling's stomach.

Hua Ruoling's face was filled with shame and anger. "I'm not pregnant!"

Second Master Xie also noticed that the matter seemed to have blown up.

Ning Yu turned the projection to the next page. "Miss Hua went to the DNA testing center to test the relationship between her and Hua Wenyin."

An appraisal form was released.

The [No Blood Relationship] column was enlarged.

When everyone saw this scene, they exclaimed in surprise.

"I didn't expect her to not be Hua Wenyin's daughter!"

"Was she adopted by Hua Wenyin? The Hua family treats her quite well."

“Then whose child is she?”

Everyone pointed at Hua Ruoling.

The secret that Hua Ruoling had been trying her best to hide had been openly revealed just like that.

When the Hua family saw this result, their eyes widened.

“I will investigate this matter again.” Hua Xuanhe quickly came back to his senses and said to Ning Yu, “Turn off the projection first.”

Ning Yu pressed the remote control and the projection turned off.

For a moment, everything was silent.

Hua Xuanhe calmly ended the banquet early and told the guests not to spread the news.

“Alright, alright, alright.”

They turned around and started gossiping with their friends.

Because of Hua Ruoling’s participation in [The Star’s Chosen Girl], she had gained some fame. This matter was quickly posted online.

#Hua Ruoling was carried by the wrong person#

However, after this topic was posted, it was immediately deleted and banned from discussion.

The netizens could only sigh.

Shi Xi was also one of the guests who had been evacuated.

On the other hand, Ning Yu was left behind by Hua Xuanhe.

In order to protect Ning Yu, Sheng Yan stayed behind.

Ning Yu: I don’t need protection.

*

It was snowing and raining outside, and the cold wind was blowing.

Shi Xi came out of the banquet and sighed.

When people were unlucky, even the weather was not good. It was not even good to take a taxi in this weather, right?

Just as she was about to hail a cab and leave, Shi Xi saw an acquaintance.

Xie Yunzhou?

There was an older man beside him, followed by an assistant or something.

Clearly, they were here to discuss business.

Shi Xi was stunned.

Why did she meet him here?

Wasn't he in Feng City?

When Xie Yunzhou saw Shi Xi, his eyes were dark. He said something to the people beside him and walked toward Shi Xi.

"Why are you alone?" Xie Yunzhou took off his coat and draped it over the girl. "Where's the assistant?"

"I didn't bring her." Shi Xi blinked. "Why are you here?"

Preemptive strike.

"I'm here to discuss business." Xie Yunzhou was worried about the girl and said, "I'll get the driver to send you back."

Shi Xi looked at the weather and nodded. "Alright."

As expected, Xie Yunzhou was more reliable.

Had Sheng Yan forgotten about her?

Shi Xi thought that she might as well do it herself.

What was the use of bringing Sheng Yan along?

"Who did you come with?" Xie Yunzhou asked.

Shi Xi looked at the ground, her voice so soft that it could not be heard clearly. "Sheng Yan."

Xie Yunzhou didn't say anything.

"I didn't know you were in Yanjing. Sheng Yan was here, so I asked him to come with me to the banquet," Shi Xi explained. She sized up Xie Yunzhou's expression and asked, "Are you angry?"

"No, I'm not." Xie Yunzhou's eyes were deep as he asked calmly, "Why didn't he send you back?"

Shi Xi had never been good at looking at other people's expressions. She said melancholically, "It's a long story, so I'll make it short. He has to send someone else off, so he can't send me off."

Xie Yunzhou, who was originally jealous, suddenly felt complicated.

He was jealous, but not too sour.

When Shi Xi saw that the car had arrived, she said, "I'll return your clothes to you.. I'm leaving first!"

Chapter 787: The Abandoned Real Daughter of the Hua Family

Tonight, countless netizens scrolled through Weibo, wanting to continue watching.

However, Iluan Yu Entertainment under the Hua family was too ridiculous. Most people did not get to eat any melons.

They only knew that Hua Ruoling was not the biological daughter of the Hua family.

So, where was Hua Wenying's biological daughter?

The netizens had all sorts of guesses. Some guessed that they had switched children, while others guessed that they had accidentally carried the wrong child.

In any case, they were all crying for the daughter of a wealthy family.

[Hua Ruoling received 18 years of high-quality educational resources, the love of her family, and countless amounts of money. These are all things that cannot be made up for in the future.]

[I hope this kind of thing won't happen again in the hospital. After I'm discharged, I must do a paternity test!]

[Even if she really found the real daughter, Hua Ruoling has already obtained the best resources and can continue to earn money in the entertainment industry.]

[Why is there always such a drama about real and fake daughters? Did the last fake heiress leave the industry? @Shi Xi]

Shi Xi thought, *I didn't do anything!'

*

Hua family.

Everyone gathered together and looked at the results of the appraisal.

They would not believe Ning Yu's one-sided story, so they found another appraisal agency to do a test on Hua Ruoling.

They also checked the other children.

Cough,cough

The results were the same as before.

Hua Ruoling and the Hua family were not related by blood.

Hua Wenying looked at the results and said in shock, "How did this happen? How can Ruoling not be my child?"

"Aunt, which hospital was Ruoling born in? Did she leave your sight after she was born?" Hua Xuanhe analyzed calmly.

Hua Wenying's mind went blank as she recalled, "Ruoling's health was not good after she was born. My parents took care of her for a few days, and I've been taking care of her ever since."

"Maybe the hospital made a mistake," Hua Xuanhe said. "Do you remember which hospital in Yanjing you gave birth?"

"Not in Yanjing." Hua Wenying was about to speak when she was interrupted.

Grandpa Hua entered from outside and said calmly, "There's no need to investigate."

The others looked over.

Grandpa Hua sighed and said to Hua Wenyin, "When you got pregnant before marriage, your mother was afraid that you would be laughed at, so she secretly abandoned the child."

Hearing this news, Hua Wenyin felt as if she had been struck by lightning.

Grandpa Hua looked guilty and continued, "You've been wanting the child ever since you woke up. I was afraid that you would take things too hard and want to go back to look for the child."

"But the child had already disappeared. I went to the local orphanage to look for her. When I saw an abandoned baby girl, I brought her back."

More than ten years ago, the abandonment of baby girls was common.

Hua Wenyin was stunned. "Then, then what about my child?"

Grandpa Hua shook his head. "I've been looking for him secretly all these years, but I couldn't find her."

The Hua family's power was useful in Yanjing, but outside of Yanjing, it wasn't very useful.

Back then, the Shi family had protected Shi Xi, making it difficult for them to get close to her.

Hua Wenyin fell to the ground.

She wanted to blame her parents, but she couldn't.

Grandma Hua had passed away a long time ago, and Grandpa Hua was already old. She did not know how much longer he had.

It was useless to blame him.

What she needed to do now was to find her daughter.

When Hua Ruoling heard Grandpa Hua's words, her heart was in a mess.

She was afraid that 'Hua Ruoling' would really return.

She was afraid that everything she had would be taken away.

Grandpa Hua looked at Hua Xuanhe. "Since this matter has been made public, I'll leave it to you. See if you can find your cousin."

Hua Xuanhe nodded. "Okay, Grandpa."

Looking at the family, Hua Xuanhe felt the burden on his shoulders grow heavier..

Chapter 788: The Real Missy of the Hua Family

Just as there was no hope of getting any gossip online, the second episode of [The Star's Chosen Girl] was broadcast.

In the first episode, the show successfully created Gu YINUO, the singer and dancer, the cold and aloof Ning Yu, the sweet and ancient Mu Zhao, and the rich family's daughter, Hua Ruoling.

However, they did not expect that after just one night, Hua Ruoling's image as a rich young lady would crumble.

Even though she was not a real daughter, Hua Ruoling still returned to participate in the competition.

The production team, cafeteria.

Gu YINUO picked up a bowl of prawns and said to the other trainees in surprise, "You can eat whatever you want at the buffet here! The food is too good!"

"You call this good?" Hua Ruoling snorted disdainfully.

When Gu YINUO saw Hua Ruoling speak, she refuted, "It's already good enough to have prawns! If this plate of prawns was placed outside, it would cost at least 50 yuan, right?"

The moment she opened her mouth, they knew the difference between the two of them.

After the broadcast, the netizens ridiculed the two of them.

Some of them mocked Gu YINUO, [Eating prawns is a big meal? Is Gu YINUO not from a good family?]

Another group pointed at Hua Ruoling, [It's enough to just listen to what she says. Why aren't you eating meat? You're the only one who can talk at the table?]

As they cursed, they started to attack Hua Ruoling's background.

[Stop pointing fingers at the fake heiress. Maybe your original family is worse than YINUO's!]

I YINUO is living an honest life, and she didn't steal or rob anyone. Does Hua Ruoling have the cheek to laugh at her?]

Gu YINUO had the image of a stupid beauty who was useless at singing and dancing. After torturing her fans, the fans felt even more sorry for her.

As they continued to investigate, someone found out about Gu YINUO's background.

Gu YINUO had grown up in an orphanage and had never been adopted. She had come out to work at the age of 16 to earn money. Because she was beautiful, she was taken in by the entertainment company (Kuai Xue).

This lonely image made the fans' hearts ache even more.

Some people even started to make bold guesses.

I Gu YINUO is an orphan. She's 18 years old. She might be the real daughter of the Hua family who's wandering outside! @Hua Enterprise, can't you check it out?]

I F*ck, now that you mention it, it's really possible! I

I Just thinking about it makes my heart ache even more. YINUO grew up in an orphanage and has barely eaten prawns. And Hua Ruoling was doted on and even mocked people who couldn't afford prawns.]

*

Hua Hengzhe was surfing on 12G internet. When he saw the news, he immediately reported it to Hua Xuanhe. "Brother! Brother! There's news on the Internet that seems to be related to our sister!"

Hua Xuanhe was reading some documents. He rubbed his forehead. "Didn't I tell you to knock before coming in?"

"It's urgent!" Hua Hengzhe raised his phone and showed Hua Xuanhe Gu YINUO's photo. "Look, doesn't she look like Aunt?"

Her eyes were a little similar.

"I've already sent someone to look for Gu YINUO. I've asked her if she's willing to cooperate with the test," said Hua Xuanhe helplessly.

Hua Hengzhe retracted his hand in embarrassment. "So you already know."

He had thought that he was the fastest to receive news!

"I told you long ago. Aunt is so beautiful. It's impossible for our cousin to be ordinary." After Hua Hengzhe finished speaking, he looked around again, afraid that outsiders would hear him. "I'm not saying that Ruoling is not good-looking. She's definitely good-looking, but not beautiful enough."

Hua Xuanhe ignored his silly brother.

"If you ask me, Shi Xi still looks like Little Aunt. But Shi Xi's parents are still here. She's definitely not our little sister," Hua Hengzhe sighed.

"Leave after you're done. Remember to close the door." Hua Xuanhe lowered his head to look at the documents. "Ask the secretary to bring a cup of coffee in.."

Chapter 789: You Can Do Anything With Money

Backstage of [The Star's Chosen Girl].

The stylist combed Shi Xi's hair and asked, "Xi Xi, what hairstyle do you want today?"

Shi Xi thought for a moment. "Weave it here and make it more mature."

After all, she was here to be a mentor.

She won't pretend to be young anymore.

Even though she was tender to begin with.

After the discussion, the stylist began to work.

Halfway through her work, someone knocked on the door and entered.

"Teacher Shi, can I borrow your lounge for a while? There's a small matter. I won't delay your makeup," the staff said embarrassedly.

Shi Xi glanced at him. "Sure."

The staff pushed the door open and let Gu YINUO in. "Wait here for a while."

Gu YINUO walked in. "Hello, Teacher Shi Xi."

"Yes." Shi Xi looked at the artistes from her company and asked, "How's your training?"

"Not too good. I don't have any foundation." Gu YINUO was a little timid when facing Shi Xi.

This was the company's leader, the big boss!

She was just a little bit away from her!

"It's okay. As long as you work hard and let everyone see your progress, it'll be fine." Shi

Xi knew Gu YINUO's standard and encouraged her. "Good luck!"

Make more money!

The stylist finished braiding Shi Xi's hair. "Alright, take a look and see if there's anything else that needs to be adjusted."

Shi Xi looked into the mirror. "It looks good. Thank you, Teacher."

After the stylist left, only Gu YINUO and Shi Xi were left.

"Teacher Shi Xi, who's looking for me?" Gu YINUO asked as she sat awkwardly.

"I'm not sure." Shi Xi looked into the mirror.

Hearing the knocking on the door, Shi Xi said, "Please come in."

The man who came in was dressed in a suit and leather shoes. He went straight to Gu YINUO. "Miss Gu YINUO, I'm the executive assistant to the CEO of Hua Corporation. My surname is Jiang."

Gu YINUO stood up and felt even more uneasy. "Hello, hello."

At this moment, Gu YINUO was desperately trying to figure out if she had offended Hua Ruoling and she had called someone to teach her a lesson.

"This, this is my leader, oh no, boss, Shi Xi." Gu YINUO walked to Shi Xi's side, afraid that Executive Assistant Jiang would make a move.

Shi Xi was pushed out and smiled faintly. "Executive Assistant Jiang, what's the matter?"

Executive Assistant Jiang explained the situation briefly. "I hope Miss Gu can provide a strand of hair to cooperate with us for a paternity test."

Gu YINUO did not have a good impression of the Hua family (mainly Hua Ruoling). She snorted and said, "You want me to cooperate, so I have to cooperate?"

Executive Assistant Jiang had always been by Hua Xuanhe's side. He had never met someone who did not give Hua Corporation any face. "It's just a strand of hair."

“Not even a strand of hair!” After Gu YINUO finished speaking, she continued to hide behind Shi Xi.

She didn’t want to be part of Hua Ruoling’s family!

Shi Xi had a headache. “Executive Assistant Jiang, go out first. I’ll persuade her.”

Although Executive Assistant Jiang was puzzled, he still walked out first.

Shi Xi looked at Gu YINUO. “Don’t you want to find your parents?”

Gu YINUO lowered her head. “No.”

“Why?” Shi Xi was surprised.

“The director said that I was abandoned. They threw me away. Why are you still looking for me?” Gu YINUO lowered her eyes. It was obvious that she felt indignant about being abandoned.

The corners of Shi Xi’s mouth twitched. “Maybe there’s something that’s hard to say?

Besides, the Hua family is so rich.” Moreover, you might not be the daughter of the Hua family who was wandering outside.

“I just don’t like rich people. Do they think they can do whatever they want just because they have money?” Gu YINUO said reluctantly.

Shi Xi thought to herself, ‘That’s right, I can do whatever I want with money.’

Or else?

Chapter 790: Appraisal Results

Shi Xi advised her. “Think about it yourself. If you’re not willing to do a DNA test, I’ll help you reject it.”

Gu YINUO lowered her head and thought for a moment before saying awkwardly, “Alright, I’ll cooperate.”

Shi Xi went outside to call for Executive Assistant Jiang.

Gu YINUO was still very uncomfortable. When she saw the hair on the comb in front of the makeup mirror, she secretly pulled it out.

She did not want to go to the Hua family.

Just casually deal with it.

Executive Assistant Jiang came in from outside and said respectfully, “Miss Gu, have you thought about it?”

Gu YINUO held the hair in her hand and pretended that she had just pulled it out. She handed it to Executive Assistant Jiang. “Here, this is for you.”

Executive Assistant Jiang took out a pure white envelope and carefully placed the hair inside. “Thank you for your cooperation, Miss Gu.”

Shi Xi thought to herself, 'If you want to thank me, show some sincerity. At least give me some gifts. What's the use of thanking me verbally?'

After Executive Assistant Jiang left, Gu YINUO had to return to the stage.

Today was the first public performance of [The Star's Chosen Girl]. Every trainee had to go on stage and perform.

As the host and mentor, Shi Xi controlled the rhythm of the entire venue.

Gu YINUO returned to the team and was stopped by the other trainees.

"Why did he ask you out alone?"

"I heard that you're the real daughter of the Hua family? Is it true?"

"Then you'll be even more awe-inspiring than Hua Ruoling in the future?" Hua Ruoling was also backstage and could not help but look at Gu YINUO.

Gu YINUO waved her hand. "It's fake. I'm not some rich young lady. Stop spreading rumors."

Even if she was, she didn't use her own hair, so the result would definitely be wrong.

Gu YINUO did not like Hua Ruoling, and she also did not like the rest of the Hua family.

Since Gu YINUO had said so, the others dispersed regretfully.

They thought that they would be able to eat this kind of real and fake melon.

*

Not only the trainees, but even the instructors were also discussing this gossip with Shi Xi.

"I saw Executive Assistant Jiang just now. What's the matter?" Li JINFAN asked softly.

"You know Executive Assistant Jiang?" Shi Xi was surprised.

"A few times." Li JINFAN ignored this and asked, "Is Gu YINUO really the biological daughter of the Hua family?"

Shi Xi shook her head. "I'm not too sure."

Li JINFAN sized Shi Xi up. "I've seen Windy before. I think you look more like her."

"Really?" Shi Xi pondered. "Some people say that we look alike, but I don't think we look alike at all."

"Windy is more elegant and noble. You guys have different temperaments."

Shi Xi: Don't listen, don't listen, the tortoise chants scriptures.

However, when she heard Li JINFAN's words, Shi Xi thought of her background.

Could it be that she was the real daughter of the Hua family?

Or could she contact Hua WENYIN and do a paternity test?

Anyway, the Hua family was looking for her daughter. She didn't have any biological parents.

Shi Xi kept this matter in mind and decided to ask Hua Wenyin out for a talk.

It was already past 10 o'clock when the recording for the first public performance ended.

Shi Xi thought about it and called Hua Xuanhe first. After exchanging a few pleasantries, she got to the point. "Have you found Windy's daughter?"

"Found it." Hua Xuanhe's tone was relaxed and gratified. "You know this person." "Congratulations. Is it Gu Yinuo?" Shi Xi guessed.

"It's her! I didn't expect to find my aunt's daughter so soon," Hua Xuanhe said with a smile. "Thank you."

Shi Xi let out a breath. "You were the ones who found it. I didn't do anything."

"If your entertainment company hadn't signed her, we wouldn't have been able to find

her so easily. Do you have time?" Hua Xuanhe asked solemnly. "Our family wants to treat you to a meal to express our gratitude.."
