Chapter 791: Gu YINUO Who Knows Everything

Shi Xi agreed.

After hanging up the phone, Shi Xi had mixed feelings.

Half of it was because she was glad that the Hua family had found their daughter, and the other half was because she had not found her parents yet.

Shi Xi did not really care about her biological parents.

Father and Mother Shi treated her like their own daughter. The Ning couple also treated her very well. Her brothers and sisters doted on her and loved her. She did not lack kinship.

So be it.

Perhaps they were long gone?

Shi Xi quickly got over it.

The most important thing in life was to earn money!

It wasn't some illusory relationship!

On the other side.

Gu YINUO had just come down from the stage when she was taken away by the Hua family.

"Miss Gu, we've confirmed that you and Hua WENYIN are mother and daughter. Please come back to the Hua family with us."

Gu YINUO: ?!

How was that possible? She had clearly used Shi Xi's hair!

"Are you guys mistaken?" Gu YINUO asked in shock. "I'm not a member of your family. Let me go. What are you doing?"

Executive Assistant Jiang waved his hand, and the bodyguards immediately lifted her up and loaded her into the car to take her away.

Gu YINUO widened her eyes and struggled. "This is kidnapping! Put me down! I used Shi-"

Bang!

Just as she was about to explain, Gu YINUO's head hit the car wall and she fainted.

The bodyguard looked at Executive Assistant Jiang.

Executive Assistant Jiang felt her breath and said, "She just fainted. Take her back."

Gu Yinuo, who didn't know how to struggle or shout, was easier to bring back.

The car stopped at the Hua family manor.

"Miss Gu? Wake up!"

Gu Yinuo was still dizzy after being woken up.

"We're here. Please get out of the car."

Gu Yinuo rubbed her head and recalled what had happened before she fainted. "You're mistaken. I'm actually- f*ck, where am I?"

Even at night, the lights in the manor square were as bright as day. The fountain worked day and night, and the flowers in the glass garden were in full bloom. It was as if one could smell the fragrance of flowers.

"This is the Hua Manor. Your grandfather and mother live here," said Executive Assistant Jiang.

Gu Yinuo was an orphan and had lived a poor life since she was young. She had never even been to an amusement park.

When she saw the manor that was even more luxurious than on television, she was stunned.

"This, why is this glass room so big?" Gu Yinuo asked in shock.

"This is a glass greenhouse. There's a constant temperature system inside to ensure that the flowers can bloom throughout the year," Executive Assistant Jiang introduced.

"Won't the flowers wither?" Gu Yinuo asked a question that was beyond her understanding.

Executive Assistant Jiang: "There are gardeners cleaning up the withered flowers every day and adding new flowers at regular intervals."

Gu Yinuo looked at the huge glass greenhouse in front of her and exclaimed, "Only flowers live here?"

"Yes."

Gu Yinuo felt unbalanced and muttered softly, "The children in our orphanage don't have a place to live. These flowers actually have their own house?"

"I'll take you to see the flowers tomorrow. Let's go in and get to know your family first," said Executive Assistant Jiang as he looked at his watch.

Gu Yinuo wanted to explain, but she could not say it in an instant.

Teacher Shi Xi was so rich.

Let her enjoy it for a while.

Anyway, it was the Hua family who admitted their mistake.

Gu YINUO's heart raced as she followed behind Executive Assistant Jiang. "You, tell me about my parents' situation first."

Executive Assistant Jiang: "Alright, the Hua family is now Chairman Hua, who is also your grandfather. He holds the power. The Old Madam has passed away..."

Your mother's name is Hua WENYIN, and her English name is Windy. She's Chairman Hua's youngest daughter. Eighteen years ago, she went abroad to study and got pregnant before marriage." "Your father is a taboo in the Hua family. Don't ask.."

Chapter 792: Is It Funny

Hua Residence, study room.

Hua Xuanhe looked at the report and frowned. "What's going on?"

Executive Assistant Jiang looked at the results and was surprised. "Did the paternity test center make a mistake? I'll get them to appraise it again."

Hua Xuanhe pressed his forehead. "Grandfather and Aunt have already treated her as their biological granddaughter and daughter. What's wrong with her now?"

"When I used the hair to identify it, it did match," said Executive Assistant Jiang. However, this time, there was a problem when secretly taking blood for identification. Hua Xuanhe took a deep breath. "Keep this news a secret for now. Let the old man be happy for a few days. Continue to look for her in secret."

Zhu Lin walked in with a box of things and said, "Xi Xi, Gu YINUO gave you something again."

Shi Xi, who was putting on a facial mask and reading her script, looked up. "What did she give me this time?"

Zhu Lin opened the box. "It's a blood swallow."

Shi Xi put down the script in her hand and asked curiously, "Does she have money but nowhere to spend it? Yesterday, she sent sea cucumbers, and today, she sent blood swallows."

Zhu Lin snorted lightly. "She has some money now. She doesn't lack such things."

"If our company hadn't signed her, how could the Hua family have found Gu YINUO?" "Brother Han was the one who signed her," Shi Xi muttered. "She should thank him." "Brother Han and Lu Ming, the Hua family has sent gifts." Zhu Lin opened the bird's nest and cooked a bowl for Shi Xi. "But they only gave it to you once. They didn't treat you as well."

"Could it be that she has something to ask of me?" Shi Xi guessed.

It had been some time since Gu YINUO returned to the Hua family.

During this period of time, Gu YINUO had done many things.

The first thing she did was to renovate and expand the orphanage she was originally living in.

Even though this matter was done in a low-key manner, it was still discovered by others. The netizens praised Gu YINUO for her kindness.

This attracted a lot of fans for her, who was participating in the competition.

Even though Gu YINUO was still a failure in both singing and dancing, her popularity remained high.

Zhu Lin passed the blood swallow to Shi Xi and followed Shi Xi's guess. "Could it be that she wants to terminate the contract?"

Shi Xi was deep in thought.

The two of them were getting further and further away from the true answer.

"If Gu YINUO wants to terminate the contract, Lu Ming won't let go so easily, right?" Shi Xi said.

Although Gu YINUO was recruited by Han Chuan, she was handed over to Lu Ming to take care of her.

"The penalty for breaching the contract is several million!" After Zhu Lin said that, she thought of something and said, "I forgot. The Hua family doesn't lack money."

"Don't think too much about it. Let's talk about it after she mentions it." Shi Xi finished the bird's nest. "I'll continue reading the script."

Zhu Lin wanted to continue gossiping, but seeing Shi Xi working hard, she could only hold it in.

[The Star's Chosen Girl] would record for one or half a day every week. For the rest of the time, Shi Xi was filming [Sky Blue].

The filming of [Sky Blue] had been going smoothly. After everyone familiarized themselves with the plot, the filming sped up.

Except for Lu Wancheng, who didn't fit in.

Lu Wancheng was a newcomer and was the last to join the crew, so everyone took good care of her.

However, she often felt that others were bullying her.

Today's scene was to shoot Lu Wancheng splashing coffee all over Shi Xi's body and then accusing Shi Xi of going overboard.

Lu Wancheng walked to Shi Xi with a cup of coffee and splashed it over.

"Tianlan, don't you know that he's my boyfriend? Hahaha!" Before Lu Wancheng could finish her lines, she started laughing.

"Cut! Lu Wancheng, what are you laughing at?" the director asked unhappily.

Lu Wancheng looked at Shi Xi, who was covered in coffee. "I'm sorry, I'm sorry. Let's do it again."

Shi Xi changed her clothes and was splashed again.

Lu Wancheng laughed again.

After laughing three times, Lu Wancheng said timidly, "Am I acting too badly? I really didn't mean to laugh."

Shi Xi was expressionless.

"I really, really, really didn't mean to laugh. I'm a professional actor. I don't usually laugh." Lu Wancheng also quivered. "Unless it's especially funny."

Shi Xi saw that there was a spare cup of coffee beside her and splashed it on Lu Wancheng's face.

Lu Wancheng froze on the spot.

The other staff members were also stunned.

"Is it funny?" asked Shi Xi..

Chapter 793: Isn't It Funny

The coffee flowed from Lu Wancheng's face to her clothes and then to the floor.

"It's not funny," Lu Wancheng said in a daze.

"Then go change your clothes and take another shot."

The scene was very quiet. Even the director did not say anything.

Shi Xi had always had a sweet and cute image to the public and often treated the crew to milk tea.

The crew members would occasionally chat with Shi Xi.

They had never seen Shi Xi lose her temper before.

When they were filming again, Lu Wancheng passed in one shot and didn't laugh.

After the shooting, the atmosphere was still tense. No one dared to speak loudly.

Taking advantage of the opportunity to touch up her makeup, An Zhilan went up to Shi Xi and whispered, "You're really good today. I feel so relieved just looking at you!"

"I have no intention of targeting her," Shi Xi said helplessly. "I just want to finish this scene well."

"I understand, I understand." An Zhilan had an experienced expression. "No need to explain."

Shi Xi:"..."

Alright, she did feel a little upset that she had been splashed with coffee several times.

If it was only once or twice, Shi Xi could still endure it.

However, Lu Wancheng kept laughing and Shi Xi could not take it anymore.

Still trying to be clever?

“Be careful of that green tea who’s trying to stir up trouble behind your back,” An Zhilan whispered.

“What can they do?”

After the filming ended, Shi Xi knew what Lu Wancheng had done.

Lu Wancheng first secretly posted on Weibo: [I was taught acting by Senior today and learned a lot. She hoped that I will never laugh again. [Grievance]]

There was nothing wrong with her Weibo, but she sent three aggrieved emojis at the back of her Weibo.

When the fans saw it, they immediately rushed over to ask for the reason.

[What’s wrong with Little Orange? Did you get bullied?]

[It’s normal to laugh. Even the Best Actor even laughs when he’s filming!]

[Senior? Which senior was it? It can’t be Shi Xi, right?]

Lu Wancheng replied, [Everyone, don’t disturb Senior. It’s my fault. I shouldn’t have laughed. I won’t do it again.]

The more she said this, the more the fans pitied her.

But up until now, they were still suspicious of Shi Xi.

Until a video was released:

In the video, Lu Wancheng laughed before Shi Xi splashed coffee all over her.

This was equivalent to Shi Xi bullying Lu Wancheng.

Immediately, the netizens became indignant.

[Is Shi Xi bullying the newcomers because she’s famous now?]

[Who isn’t a newcomer? Who hasn’t laughed? Isn’t Shi Xi going too far?]

[I didn’t believe it when I heard that Shi Xi was acting like a big shot. After seeing this video, I finally knew what kind of person she was.]

#Shi Xi bullies Lu Wancheng#

The topic immediately rose.

It even involved Gu YINUO.

[Shi Xi is afraid that others will be more famous than her. She must feel pressured when she sees Lu Wancheng, right? After all, Shi Xi even suppressed the people in her own company.]

[Gu YINUO is more beautiful than Shi Xi. Shi Xi is afraid that Gu YINUO will be more popular than her, so she deliberately didn’t hire a teacher to train Gu YINUO in singing and dancing.]

Gu YINUO immediately spoke up. [Teacher Shi Xi is very good to me. Netizens don’t understand. Don’t talk nonsense.]

The black fans were speechless. The rumor failed.

They continued to spread rumors in another direction.

After all, there was no cost to spreading rumors.

Zhu Lin saw the trending searches and said angrily, "This Lu Wancheng really has the face to buy a trending search? She splashed you a few times, and you splashed her once! If you knew this would happen, you would have splashed her a few more times!" "I didn't mean to splash her with water. I really wanted to teach her how to act." Shi Xi paused for a moment. "But it did feel good when I splashed her with it.."

Chapter 794: Seducing Xie Yunzhou

Zhu Lin contacted the director and wanted to ask for all the videos.

As long as they could see the video of Lu Wancheng's countless failed takes, the netizens would know that Lu Wancheng had a lot of trouble.

However, the director refused to provide the video on the grounds that the content would not be leaked.

Zhu Lin: ?!?

"Then why can Lu Wancheng post a video?" Zhu Lin suppressed her anger.

"Her post doesn't involve any spoiler. I'll get someone to delete the video," the director said perfunctorily. "Let's just let this matter go."

"Just like that?" Zhu Lin was furious. "Xi Xi is the one being scolded!"

"Just take it as maintaining the popularity of the drama."

After hanging up, Zhu Lin said angrily, "Isn't this too much of a bully?!"

Shi Xi nibbled on an apple as she looked at the script in front of her. "It's normal. The director wants to keep the peace and not make a big deal out of it."

"Are we going to let Lu Wancheng off just like that?" Zhu Lin was indignant.

Shi Xi took a bite of the apple and pondered. "We can't get the video, but others can."

"Who is it?"

"An investor."

*

The next day, Xie Yunzhou came to the set to visit.

As the biggest investor of [Sky Blue], the director followed behind Xie Yunzhou, bowing and scraping respectfully. "Please sit, please sit. We're filming a big show today."

The staff on set thought, 'The bootlicker is actually the director.'

When Xie Yunzhou arrived, Shi Xi was in the middle of filming. She sat on a chair at the side and waited.

The director was submissive to Xie Yunzhou, but he punched the people around him. "Aren't you going to pour some tea?"

The assistant ran to pour tea.

Just as she took out the tea leaves, she saw an additional person beside her.

"Who is that man?" Lu Wancheng asked. "The director has to please him?"

The assistant poured some hot water and introduced, "That's the biggest investor of [Sky Blue], President Xie."

"He invested more than 200 million before the filming started. I wonder if he'll invest more this time!"

With this money, the director would have to curry favor with Xie Yunzhou.

"So much money?" Lu Wancheng's eyes lit up. "Is he married?"

"I don't know. I don't think so."

Lu Wancheng saw that the assistant had finished brewing tea and smiled as she took it. "I'll help you bring the tea."

The assistant was speechless.

Having been by the director's side for so long, the assistant had seen many people.

There were many people who wanted to climb up the social ladder.

Lu Wancheng carried the tea to Xie Yunzhou's side and stared at him. "President Xie, please have some tea."

Xie Yunzhou reached out to take it.

Lu Wancheng pretended not to hold the cup firmly and let go. "Aiya — All!"

The tea that was supposed to be splashed on Xie Yunzhou was pushed away by Xie Yunzhou and splashed on Lu Wancheng.

Xie Yunzhou's eyes were cold.

The director scolded, "Lu Wancheng, what are you doing?!"

The assistant had used boiling hot tea to brew the tea leaves. The cup overturned and splashed onto Lu Wancheng's hands and clothes.

In an instant, her hand turned red.

"It hurts, it hurts so much." Lu Wancheng's eyes were filled with tears. She continued to look at Xie Yunzhou and pretended to be concerned. "President Xie, are you scalded?"

“I’m fine.” Xie Yunzhou didn’t even look at Lu Wancheng.

If he hadn’t dodged quickly, the cup of boiling tea would have splashed on him.

Even if it was through his clothes, it was still unbearable.

Seeing that Xie Yunzhou wasn’t scalded, the director heaved a sigh of relief and said to Lu Wancheng, “You can’t even pour tea! Quickly go find some cold water to rinse and apply some medicine!”

Seeing Xie Yunzhou not even looking at her, Lu Wancheng felt indignant..
