Chapter 9: Her Fiancé's Phone Call

"You, is there anything else you need from me?" Shi Xi hesitated for a moment before asking.

She had not framed the female lead yet. Xie Yunzhou would not go so far as to kill her, right?

She had even saved Xie Yunzhou. Xie Yunzhou should at least know how to be a human, right?

"Yes." Xie Yunzhou nodded and took out his phone. "Add me on WeChat."

Shi Xi's breathing stopped.

Ah?

She took out her phone and was about to add Xie Yunzhou on WeChat when her phone rang.

The screen lit up. The caller was [Fiancé].

Xie Yunzhou did not have the habit of peeking at other people's phone screens, but Shi Xi's phone screen was right in front of him. He could see it with just a glance.

He could not ignore it even if he wanted to.

The aura around Xie Yunzhou instantly turned cold. He lowered his eyes to hide the coldness in his eyes.

Did she already have a fiancé?

"Sorry, I have to take this call first." Shi Xi was a little embarrassed. She picked up the phone and said, "Hello?"

.....

Her fiancé said coldly, "Come to the old residence tomorrow. My parents want to see you."

Shi Xi hesitated and said, "I have to go to the production team tomorrow."

Her fiancé was stunned for a moment. In the past, when Shi Xi heard that she was going to the Sheng Family's old residence, she would never refuse.

"What about the day after tomorrow?" her fiancé asked.

Shi Xi looked at her schedule and said, "I'm free the day after tomorrow, but I want to sleep in."

The girl's voice was soft and tender. It could be heard that she really did not want to go to the Sheng Family's old mansion.

Xie Yunzhou listened to the girl's phone call and wondered if she and her fiancé had a bad relationship?

Who was Shi Xi's fiancé again?

Xie Yunzhou had never been interested in such gossip. He had only heard a few sentences about Shi Xi being a fake daughter, or because there were too many people discussing it.

If he had known earlier, he would have paid more attention to it.

.

While he was thinking, Shi Xi's call had already reached an end. "Alright, I'll go over the day after tomorrow at 10 o'clock. You don't have to pick me up. I'll go over directly. Okay, that's it."

After hanging up the call, Xie Yunzhou casually asked, "You're already engaged?"

"Mm, it's an engagement set at home." When Shi Xi remembered that her fiancé was the male lead, her mood instantly turned sour.

How would she dare to snatch the male lead from the female lead?

Did she dislike her own long life?

Xie Yunzhou saw Shi Xi's expression and narrowed his eyes slightly. "You had a fight with him?"

"No... Forget it, let's not talk about him anymore." Shi Xi did not want to recall the original owner's experience as a dog-licking dog. Adding Xie Yunzhou's WeChat, her mood was subtle. "You just wanted to treat me to a meal?"

“Thank you for saving me.” Xie Yunzhou attributed everything to gratitude and asked, “What do you want? Just tell me.”

If it was in ancient times, Shi Xi would have wanted a get-out-of-jail-free card.

However, there was no such thing now. Shi Xi could only say, “I just saved you on the way. You weren’t seriously injured. Even if I didn’t save you, you would still be fine.”

After all, in the original plot, the villain was not missing a limb.

“To you, it’s just a piece of cake.” Xie Yunzhou smiled gently and decided to slowly repay her kindness. “I’ll send you home first.”

Thinking of the female lead of the Shi Family, Shi Xi’s head ached.

Why couldn’t she avoid the main characters of the plot?!

“I’m not going home.” Shi Xi stood up and said, “I’m going to a hotel.”

Xie Yunzhou had always been cold and indifferent to women. At this moment, his Adam’s apple moved slightly. “Are you sure?”

This was fast-forward to the point where he had to give himself to her?

He was fine with it, but Shi Xi seemed to have a fiancé. Was it good for them to do this?

Shi Xi nodded. “I’ll stay at the hotel next to the production team so that we can start work tomorrow morning.”

Xie Yunzhou: ‘I thought too much.’

After sending Shi Xi to the hotel, Xie Yunzhou asked, “Who is Shi Xi’s fiancé?”

The assistant had already found out about this. He said unhurriedly, “Miss Shi’s fiancé is Sheng Yan of the Sheng Family.

“The parents of the two families are friends. Before they were born, they arranged a marriage between them.”

Xie Yunzhou was deep in thought. “So, the one who is engaged to Sheng Yan is actually the real daughter of the Shi Family?”

“Yes.” The assistant glanced at the boss’ expression and said, “Miss Shi and Sheng Yan are childhood sweethearts. I heard that Miss Shi has always considered herself as Sheng Yan’s girlfriend.”

The atmosphere in the car instantly turned cold.
