

The Fake 91

Chapter 91: Gone Before They Could Enjoy Themselves

“Don’t worry, it’s definitely a surprise! Leng Qiankun went to prepare it!” Tao Yuxuan said mysteriously.

“Then I’m even more worried!” Shi Xi felt that something was missing.

So it turned out that Leng Qiankun was missing!

Shi Xi asked, “What surprise did you guys prepare?”

Tao Yuxuan comforted, “It’s a surprise, just wait and see!”

Shi Xi: ...Who could be at ease with that?!

Tao Yuxuan alone was enough to make things difficult.

And then there was Leng Qiankun.

But Tao Yuxuan kept her mouth shut. No matter how much Shi Xi asked, she would not say anything.

Shi Xi had no choice but to ask the system, “Do you know what kind of surprise Tao Yuxuan prepared?”

The system said sarcastically, [Yo, you’re thinking of me now? You knew to buy insurance when the car crashed into a tree, and you knew to buy the stock when it rose. When you need me, you know to ask me?]

Shi Xi: “Or what?”

The system was so angry that it almost crashed.

.....

“Hurry up, what are Tao Yuxuan and Leng Qiankun doing?” Shi Xi urged.

The system checked and said, [They are not courting death, they are indeed preparing a surprise for you. Just you wait and see.]

Just you wait and see.

These words did not look like a surprise at all.

These kinds of words could only cause trouble, and when others said harsh words, they would say, “This won’t happen!” Just you wait and see! See if I won’t kill you!

Who would be happy to hear such words?

Shi Xi sighed.

The system said awkwardly, [It’s not that I didn’t want to tell you. If I tell you about this in advance, you wouldn’t feel surprised.]

Shi Xi said, "Alright, alright. The female supporting role is just a face slap."

She accepted her fate, QAQ

The system said awkwardly again, [Well, happy host's birthday.]

Even though they often quarreled, they still needed to have the blessings they needed.

"Thank you, little system!" Shi Xi giggled. "Do you have any gifts?"

The system replied coldly, [No.]

Shi Xi sighed. "You're really useless!"

System: [...]

Just as Shi Xi was chatting with the system, Tao Yuxuan thought that Shi Xi was unhappy and went up to comfort her. "Ning Yu scored 720, isn't that the same as Yanjin University? Xi Xi, don't be angry."

Shi Xi glanced at her. "I'm not angry."

'I was just thinking what kind of tricks you guys are up to.'

At this moment, there was a loud bang at the door.

Boom! Boom!

The fireworks lit up the entire night sky.

Everyone looked up and saw the magnificent fireworks.

"Look, look!" Tao Yuxuan quickly pulled Shi Xi up and whispered, "Wait, that's not right. The time isn't up yet. Why is it earlier?"

Shi Xi looked up at the gorgeous fireworks and felt a little better. She asked, "Is this the surprise that you guys prepared?"

Tao Yuxuan asked, "What... did you... say?"

The fireworks were too loud, covering their voices.

"I said, did you guys prepare the fireworks?" Shi Xi asked loudly.

Tao Yuxuan nodded vigorously. "Yes!"

When the others heard that, they began to admire the fireworks.

But there were only a few of them and the fireworks were gone.

Shi Xi looked at Tao Yuxuan.

No way? There were only a few of them?

Not even five minutes!

The others were not satisfied with what they saw either.

Fireworks needed to be grand in order to look good!

If there were only a few of them, it would not be satisfying to watch!

Tao Yuxuan looked a little embarrassed. "I'll make a call and ask!"

They had clearly prepared a lot!

Why did it only last for three minutes?

As expected, a man's way of doing things was exactly the same as a man's way of doing... things. It was extremely unreliable, and he talked so much about it that it was stunning for a long time. In the end, it only lasted for three minutes.

It was gone before it was satisfied.

Chapter 92: Why Don't You Go To Yanjing University? Is It Because You Don't Like It?

Shi Xi was relieved to know that Tao Yuxuan and Leng Qiankun's surprise was to set off fireworks.

She hoped that this kind of surprise would not harm others and benefit instead.

She prayed that Tao Yuxuan would provoke the female protagonist less.

Just as Tao Yuxuan was making a phone call, an old man in a suit walked in. No, a middle-aged man.

The middle-aged man was wearing a suit and glasses. He looked very cultured. He hurried in. The female assistant behind him jogged to catch up.

"Eh? This person looks familiar. Is he from Feng City?"

"He seems to be from outside. Is he here to celebrate Shi Xi's birthday?"

Shi Xi heard this guess and immediately stood up straight. The alarm went off.

As long as there was such a sound, it was impossible that it was to celebrate her birthday.

It was more like a face slap!

"Eh? Isn't this Principal Li?" Principal Feng's eyes lit up as he strode forward and reached out to befriend him. "Why is Principal Li so free to come to Feng City?"

"Xiao Feng," the middle-aged man called Principal Li smiled and said in a low voice, "I'm here to look for someone."

He Zhenming's eyes lit up. "That's Principal Li of Yanjing University. Isn't he in Yanjing? Why is he here?"

.....

Principal Feng was the principal of No. 1 High School. He could send at least one or two students to Yanjing University every year. Moreover, Principal Feng was originally a student of Yanjing University. He recognized Principal Li the moment he saw him.

He Zhenming, who was guarding No. 13 High School, thought for a while before he recognized Principal Li.

But after he said that, everyone else also knew the identity of this old man, oh no, the middle-aged man.

“So it’s the principal of Yanjing University!”

“Why is he here?”

“Could it be —”

“He definitely didn’t come to celebrate Shi Xi’s birthday. The Shi family has nothing to do with the principal of Yanjing University.” Shi Xi said to Tao Yuxuan, “My big brother didn’t go to Yanjing University.”

Tao Yuxuan: “...Why did you suddenly say that?”

“Oh, I was afraid that you would also say that principal of Yanjing University was here to celebrate my birthday.” Shi Xi coughed.

She didn’t want to be slapped in the face again.

“But, why didn’t Shi Xu go to Yanjing University?” Tao Yuxuan asked, “Is it because he doesn’t like it?”

“Yan City is too far from Feng City, so I chose Haicheng University.” Shi Xu had unknowingly walked behind the two of them and explained.

“I didn’t expect Big Brother Shi to be so homesick.” Tao Yuxuan thought for a while and said, “Haicheng is indeed closer, so it’s more convenient to return to Feng City.”

Shi Xu suggested, “Xi Xi, why don’t you apply for Haicheng University as well? I’ll get a familiar tutor to take care of you there.”

Tao Yuxuan nodded. “Sure! Feng City is so close to Haicheng, so you can come back often.”

“Let me think about it. Didn’t Professor Yan just ask me to apply for her Literature Department?” Shi Xi smiled awkwardly.

She wanted to go further away!

However, If Ning Yu went to Yanjing University, she would also go — she had to hit the plot points.

If she went to Haicheng University, she would probably have to return to Feng City every week — waiting to be cheated to death by Tao Yuxuan.

Shi Xi wondered if she should visit a foreign university, or go to Harbin? Inner Mongolia?

Just as Shi Xi was thinking, President Li had already found Ning Yu on the other side. He said with great energy, “Student Ning Yu!”

Ning Yu: "...What's the matter?"

"I'm here to hope that you can apply to Yanjing University." President Li waved his hand, and the female assistant behind him opened the box. Inside was 200,000 cash. "This is your admission bonus, and there will be various subsidies. As long as you agree to come to Yanjing University, any conditions can be negotiated!"

Chapter 93: The Matter of Scholars, Can It Be Called Robbery?

"F*ck! The principal of Yanjing University personally invited them? Isn't this too amazing?!"

"I heard that Ning Yu went to No. 13 High School. I didn't expect her to be the top scorer in science."

"Shi Xi is also from No. 1 High School. At this time, she can only watch from the side."

Shi Xi listened from the side with an expression that said, 'You guys really talk a lot.'

Ning Yu did well in her exams. She was happy to begin with.

Why did she need you guys to compete from the side?

What kind of university did you guys get into?

"Wait! Li Guanqi! You old fart! You're here to steal my students again!" An old man ran over from the entrance. Oh, no, a middle-aged man.

Shi Xu introduced from the side, "This is the principal of Haicheng University, Du Heng, Principal Du."

"Those who don't know it is Xi Xi's birthday would think that the principals are having a meeting here!"

Tao Yuxuan said sourly, "Isn't she just a top scorer in science? What's so good about her?"

Shi Xi: ...Today is also Ning Yu's birthday.

After Du Heng came in, he also offered generous conditions and even stepped on President Li. "This old foguey only knows how to rob people every day. He only has a heart of money!"

President Li was so angry that he almost vomited blood. "Du Heng, why didn't you say that you were secretly robbing the students that wanted to report to our Yanjing University? If we didn't go faster, that student would have been taken away by you!"

.....

Du Heng said lazily, "How can the matters of scholars be called robbing? That's called fighting! To think that you're the principal of Yanjing University. Your literary literacy isn't good enough!"

"Ning Yu, little friend, it's better for you to come to our Haicheng University. You can be an exchange student with a salary from a foreign university. You can study at any university you want!"

President Li covered his heart.

The assistant behind him quickly poured him a quick-acting heart-saving pill.

Du Heng continued to stab him in the heart. "Look, what kind of results can you achieve by following this easily angered old man? Why don't you follow me? Haicheng University has many projects."

Principal Li, the pawn, enjoying his life... still alive.

The two principals fighting over Ning Yu made everyone envious. They were all envious that the Shi family's parents had a good daughter.

The Shi family's parents were also surprised by this sudden surprise. They did not know what to do.

Fortunately, the two of them were used to big scenes. Back then, the timing was so outstanding that they were proud of it. At this moment, they properly displayed humility. "It's nothing, it's Ning Yu who has worked hard."

Some jealous people started to stir up trouble. "The two principals are fighting over Ning Yu, and no one cares about Shi Xi anymore. Sigh, Shi Xi is so pitiful."

Hearing that, Shi Xi looked over.

She didn't remember the name, but vaguely remembered that she was the daughter of a small company's boss.

"Are you blind? Can't you see that Big Brother Shi and I are accompanying Xi Xi?" Tao Yuxuan stood in front of Shi Xi, her tone fierce. "Xi Xi got 666 points, and she is still free to choose from Yanjing and Haicheng University!"

Tao Yuxuan's voice attracted the attention of the two principals.

"666 points? Arts or science?"

"Ning Yu, is this girl your friend?"

Ning Yu replied, "She's my sister, Shi Xi. She studied arts."

When Shi Xi saw that the two principals had noticed her, she smiled faintly. "Hello, Principal Li. Hello, Principal du."

Principal Li seemed to be deep in thought. "666 points in arts. It's a little dangerous to report to Yanjing University's popular majors."

Shi Xi: ...If you don't say anything, no one will treat you as a mute.

Du Heng laughed and invited Shi Xi. "You're Shi Xu's sister, right? Do you want to come to Haicheng University? It's close to home and you can go home every week. When Shi Xu was in university back then, he would go home every week."

Shi Xu said helplessly, "Principal Du, why are you talking about me again?"

Chapter 94: Men Are Reliable, Sows Can Climb Trees

“Persuade your sister to come to Haicheng University!” Du Heng began to beat around the bush. “A family should be neat and tidy. How nice.”

Shi Xi: ...That’s not how the idiom is used.

Shi Xi’s eyes curved as she said politely, “Thank you, Principal Du. I will consider it.”

She still wanted to dominate the entertainment industry, so she wouldn’t think too far ahead.

Haicheng University was pretty good.

Ning Yu said from the side, “Thank you, Principal Du, for your invitation. I have already thought about going to Yanjing University.”

She was already preparing to apply to Yanjing University.

Shi Xi thought to herself, ‘Then I’ll apply to Haicheng University myself.’

The further away from Ning Yu, the safer it would be.

“Wait, little system, which school do I apply to? It won’t affect the plot, right?” Shi Xi asked the system quietly, afraid that she would make the wrong decision.

The system: [It won’t affect you. As long as you’re happy. You can apply to Inner Mongolia University, or Harbin.]

Shi Xi: “Then I’ll choose Haicheng University.”

Ning Yu went to Yanjing University, and she went to Haicheng University.

.....

How perfect!

At this moment, Shi Xi had never thought about how regretful her decision would be in the future.

When Ning Yu said that she wanted to go to Yanjing University, Principal Li was happy, and Du Heng was unhappy.

“Oh right, did you set off the fireworks just now?” Du Heng suddenly asked.

Principal Li smiled happily. “Yes.”

Du Heng said disdainfully, “You’re sick.”

“This is to congratulate Ning Yu, the top scorer in the science department. What do you know?” Principal Li was not angry even though he had been rebuked, and his face was full of smiles.

When Shi Xi heard this from the side, she looked at Tao Yuxuan. “Didn’t you prepare a surprise for me?”

The others also whispered to each other, “I thought it was for Shi Xi, but it turns out that it was the principal of Yanjing University who gave it to Ning Yu!”

“Eh, it seems that Shi Xi will fall out of favor in the future. Don’t you see that Mr. Shi and Mrs. Shi are surrounding Ning Yu?”

“Ning Yu was the top scorer in the Science exams, and the two principals are jealous of her. What does Shi Xi count as?”

Shi Xi: I count as a beauty.

Hearing the surrounding words, Shi Xi stared at Tao Yuxuan.

Most of the slaps were aimed at Shi Xi.

No matter how good Shi Xi’s attitude was, she could not take it anymore.

She knew that these two were unreliable!

Tao Yuxuan raised her phone. “It’s not my problem, it’s Leng Qiankun’s problem! He said to leave everything to him!”

Shi Xi took a deep breath. “A man can be relied on, but a sow can climb a tree.”

Tao Yuxuan felt the same. “That’s right!”

As soon as she said that, Shi Xi felt something fall from the sky and float past the tip of her nose.

“Is it raining?” Shi Xi reached out to catch the thing. Upon closer inspection, it turned out to be a red rose petal.

Shi Xi: ...It’s not raining. She’s blind.

“Where did the petal come from?” Tao Yuxuan looked over in surprise.

Then, more and more petals fell from the sky.

Bright red rose petals fell from the sky, forming a beautiful and stunning rose rain.

“It’s so beautiful!”

“Wow, is this specially made for the banquet? It’s so romantic!”

“I’m not even surprised to hear that someone’s going to propose in the next second!”

“Quick, take a photo! Take a photo!”

Shi Xi looked up and saw a helicopter in the sky!

And those petals were all falling from the helicopter.

“It’s a helicopter! Are they here to sprinkle the petals?”

“Of course. I guess someone will propose soon.”

“Don’t tell me Sheng Yan is going to propose to Shi Xi?”

The crowd whispered and looked enviously at the main character of the party: Shi Xi.

The girl was wearing a gorgeous gown and an exquisite crown. She raised her head slightly in the rose rain. Her eyes were pure and clear, like a lost elven princess.

Chapter 95: Sorry, I Only Saw Shi Xi

“Sheng Yan prepared it?” Tao Yuxuan guessed in a low voice.

“No,” Shi Xi replied with certainty.

“How do you know?” Tao Yuxuan glanced over the field and saw Sheng Yan blocking the cup, afraid that the petals would fall into his cup.

Tao Yuxuan: ...Drag him away.

Shi Xi: “There’s a word written on the helicopter.”

“What word?” Tao Yuxuan was a little short-sighted and couldn’t see the words on the helicopter clearly. She narrowed her eyes, wanting to read it.

“Xie.” Shi Xi thought, ‘Could it be Xie Yunzhou?’

“Xie? Someone from the Xie family?” Tao Yuxuan asked in confusion, “Is there anyone from the Xie family coming today?”

Shi Xi: “I don’t know. I didn’t see it.”

Beside him, Shi Xu said, “The Xie family wasn’t invited. No one from the Xie family is coming today.”

The majestic rain of petals lasted for a full ten minutes. Everyone walked out from their initial shock. Those who loved beauty even began to take photos as a memento.

The rain of roses was getting smaller and smaller.

The helicopter was also nowhere to be seen.

.....

Just as everyone snapped out of their daze from the rain of roses, the sound of fireworks was heard from the horizon:

Boom! Boom!

The fireworks that filled the sky suddenly bloomed and formed two words:

[Shi Xi]

The name formed by the fireworks dispersed and the next group of fireworks bloomed and formed another row of words:

[Happy Birthday]

Following that, the fireworks bloomed and formed various shapes.

The entire sky was as bright as day.

“Wow! It’s prepared for Shi Xi!”

“So beautiful!”

“It’s so romantic and beautiful. Who prepared this?”

“It’s either Shi Xu or Sheng Yan. Anyway, it’s prepared for Shi Xi. I’m so envious. I wish I had such a brother or fiancé.”

Tao Yuxuan said softly, “These fireworks were clearly prepared by Leng Qiankun and me!”

Shi Xi looked up at the fireworks. “Thank you.”

“Hmm?”

Shi Xi smiled. “Thank you. Leng Qiankun as well.”

Although she was unreliable most of the time, she had put in a lot of effort in her preparation. She really liked it.

Tao Yuxuan looked at the girl beside her and blushed. “No, you don’t have to thank me. As long as you like it.”

Everyone was looking up at the fireworks, but those with distracting thoughts were taking this time to look at the person they liked.

No matter how beautiful the fireworks were, they could not compare to the smile of the person they loved.

The girl’s eyes were as bright as the stars, stunning and bright.

The fireworks were set for a full twenty minutes. Each round was of different shapes and colors. But they were even more beautiful than the fireworks.

After the fireworks ended, many people rubbed their necks and marveled at what they saw today.

“You like watching fireworks?” Xie Yunzhou’s voice suddenly sounded from behind Shi Xi.

“Ah?” Shi Xi was focused on watching the fireworks. She didn’t expect to see someone behind her.

She didn’t expect that it would be Xie Yunzhou.

“When did you come?” Shi Xi asked in surprise.

“Just now.” Xie Yunzhou didn’t say that he had been here for a while. He just kept looking at Shi Xi.

“Did you arrange that rain of roses?” Shi Xi asked him.

“Yes.” Xie Yunzhou nodded. “Happy birthday.”

He wanted to give Shi Xi a different birthday present. Jewelry and bags were too tacky. He had already given her the house, but the car... Shi Xi didn’t have a driver’s license yet.

Then, he would give Shi Xi a shower of roses.

In the future, whenever Shi Xi saw flowers, she would think of this shower of roses.

“Do you like it?” Xie Yunzhou asked Shi Xi.

Shi Xu’s hand pressed on Xie Yunzhou’s shoulder, and his smile was gentle. “Young Master Xie, did you not see that there was someone beside Shi Xi?”

Xie Yunzhou was slightly startled. He recognized that it was Shi Xi’s brother and said, “I’m sorry, I only saw Shi Xi.”

Chapter 96: If You See Any Comments That Scold Me, Delete It

The smile on Shi Xu’s face was gentle, but his eyes were already cold.

“Ahem.” Shi Xi sensed the atmosphere between the two of them. She pulled on Shi Xu’s sleeve and said to Xie Yunzhou, “Thank you. I like it very much.”

Which girl didn’t like romantic and flowery things?

“It’s good that you like it.” Xie Yunzhou’s gaze fell on Shi Xi again, and the corners of his mouth curled up into a smile.

Tao Yuxuan said from the side, “President Xie is really generous. Those who don’t know would think that you’re proposing.”

Hearing this, the three people present looked at Tao Yuxuan.

Tao Yuxuan was at a loss for words. She laughed and said, “I was just joking. Xi Xi is about to get engaged to Sheng Yan.”

The three of them still had ugly expressions on their faces.

Clearly, they were not satisfied with these marriage matters.

“By the way, where’s Leng Qiankun?” Shi Xi asked.

He was the one who had prepared the fireworks just now. Logically speaking, he should have been here to watch it with them!

Tao Yuxuan took out her phone. “I’ll make a call and ask.”

She walked to the side to make a call, taking the opportunity to escape.

.....

Xie Yunzhou wanted to say something, but was interrupted by Shi Xu.

“President Xie, since you’re here, I’ll drink with you.” The smile on Shi Xu’s face was gentle, and there was not a single sign it was fake.

Xie Yunzhou pondered for a moment. “Okay.”

The two men went to the side to drink, and Shi Xi’s side was empty again.

Sure enough, she liked silence.

Just as Shi Xi was enjoying the hard-earned silence, Han Chuan came up to her.

“I took a few photos of you just now.” Han Chuan turned on his phone and sent the photos to Shi Xi. “Pick a few good ones and post them on Weibo.”

Shi Xi sighed. “You’re really dedicated.”

Han Chuan said meaningfully, “Yeah, who asked me to have an undedicated artist?”

Shi Xi: “...”

Opening her phone, Shi Xi realized that Han Chuan had taken a lot of photos of her. There was also a moving picture of her reaching out to receive the petals when they fell.

“It’s so beautiful!” Shi Xi exclaimed.

Han Chuan was speechless.

He had been in the entertainment industry for many years and had seen many artistes. Some of them were narcissistic, but he had never been as thick-skinned as Shi Xi to directly praise herself.

“They’re all very beautiful! Can I post all of them?” Shi Xi kept them as she admired her own beauty. “I’m so envious of all of you. You see such a beautiful person like me every day.”

Han Chuan said expressionlessly, “I’m so envious that you have the courage to say such things.”

“Because I’m telling the truth!” Shi Xi edited Weibo and said, “I’m already so beautiful. If I were to be modest, then wouldn’t you people, who are just average-looking, not want to live?”

Han Chuan: “???”

Shi Xi looked up at Han Chuan and said, “You’re also very beautiful.”

Han Chuan: “...Thank you.”

By Shi Xi’s side, he was already used to Shi Xi speaking so straightforwardly.

“Oh right, when I go to record the show, remember to help me manage Weibo,” Shi Xi reminded him softly, “If you see any comments that scold me, delete them.”

Han Chuan saw that Shi Xi had already posted on Weibo, so he said, “I will monitor the comments under your Weibo from time to time. Practice your dance well, and when you go on the show, just don’t talk nonsense. Leave the rest to me.”

After Han Chuan gave his instructions, he saw that Tao Yuxuan was walking toward them and left on his own accord.

Tao Yuxuan looked at Shi Xi with a troubled expression.

“What’s wrong?” When Shi Xi saw her expression, she knew that nothing good was going to happen.

Tao Yuxuan wanted to say something but stopped.

“If you can’t say it, then don’t say it.” It was her birthday and Shi Xi did not really want to hear any bad news.

Tao Yuxuan: “Leng Qiankun set off fireworks illegally and was brought to the police station.”

Chapter 97: It Was Fine If Things Didn’t Go Well Now, But There Would Be More Bad Days In the Future

When Shi Xi heard that, she felt like he was hearing things.

“Who are you talking about? Why?” Shi Xi felt like he wasn’t very clear-headed, so she asked again.

Tao Yuxuan said, “Leng Qiankun was brought into the police station for setting off fireworks.”

Shi Xi was silent.

It was really a crime that was down to earth.

The only thing that could be compared to it was burning wheat straw.

“Should we go and get him out?” Shi Xi asked.

“No need. He will be out after paying a fine.” Tao Yuxuan was also very helpless. “But he will be staying in the police station for a while. I don’t think he will come today.”

Shi Xi: ...That would be great.

“Shall we go and see him tomorrow?” Tao Yuxuan asked. “He just came back from abroad and he is already in the police station. It’s really not going well.”

“It’s alright. There will be more days when things don’t go well in the future,” Shi Xi comforted her.

Tao Yuxuan asked, “Are you going to see Leng Qiankun tomorrow?”

Shi Xi said helplessly, “Go.”

.....

After all, he was only in the police station because he wanted to set off fireworks for her.

She hoped that he would learn his lesson and be smarter the next time he did something.

She had never seen any CEO being brought to the police station for setting off fireworks before!

At this moment, Shi Xi saw Sheng Yan.

Alright, she had never seen the bald CEO either.

Other than Sheng Yan’s father.

“Where’s Big Brother Shi?” Tao Yuxuan looked around. “The banquet is about to end. Isn’t he going to send people off?”

The birthday banquet was nearing its end and some people were already preparing to leave.

As the host and the eldest son of the Shi family, Shi Xu was supposed to send them off.

Even though he didn’t see them off, no one said anything.

“He seems to be talking to Xie Yunzhou about something.” Shi Xi looked in the direction where the two had just left and realized that they had already disappeared.

“Forget it then. He probably wants to talk about something.” Tao Yuxuan said angrily, “That disappointing Leng Qiankun isn’t around when he’s needed!”

“It’s alright. My parents are here.” Shi Xi smiled faintly. “You’re here too. Send them off with me.”

Although she said that she was sending the guests off, they were actually just exchanging a few words at the door.

*

In the study room.

Shi Xu looked at Xie Yunzhou who was sitting opposite him. The smile on his face was gentle, but there was a strong sense of wariness. “President Xie’s conditions are too generous. What do you want the Shi family to pay?”

“Shi Xi,” the person across the desk said without hesitation.

“I won’t use Xi Xi as a marriage alliance.” The smile on Shi Xu’s face faded, and he added, “I don’t care what kind of conditions you offer.”

Xie Yunzhou leaned against the back of his chair and looked up at Shi Xu.

The two looked at each other and didn’t give in at all.

“You won’t use Xi Xi’s marriage?” Xie Yunzhou chuckled. “Then why would Xi Xi be engaged to Sheng Yan?”

“Naturally, it’s because Xi Xi likes Sheng Yan.” Shi Xu was a little irritated. “President Xie, if you have nothing else to do, please leave.”

He was already chasing them away.

Xie Yunzhou raised his eyes slightly and said, “Let’s continue the cooperation and change the conditions.”

Shi Xu looked at him.

Xie Yunzhou said, “Cancel the engagement between Sheng Yan and Shi Xi.”

Shi Xu fell silent and thought about whether he could do this deal.

Xi Xi liked Sheng Yan very much, and the engagement party had been fully prepared.

If it was canceled now...

“Postpone the engagement party for two years.” Shi Xu made the final concession. He said, “In these two years, President Xie can use his own abilities to pursue Xi Xi. But in two years, if Xi Xi still wants to marry Sheng Yan, I will respect Xi Xi’s decision.”

Xie Yunzhou: “Sure.”

Two years was enough time for him to pursue Shi Xi.

Shi Xu let out a breath.

Using two years of Xi Xi being single in exchange for the benefits of the Shi family.

It was worth it.

Chapter 98: Xi Xi Has Just Come of Age, So What Was Wrong With Letting Her Be Single For Two Years?

When Shi Xu sent Xie Yunzhou off, Shi Xi happened to come up from downstairs.

“Brother, you’re here?” When Shi Xi saw Shi Xu, she said, “The banquet is over.”

Shi Xu had just used her sister’s relationship to make a deal, so he felt a little guilty at this moment and was even gentler towards Shi Xi. “I’m sorry, I was talking to Yunzhou just now and forgot the time.”

“Oh...” Shi Xi looked at Xie Yunzhou behind Shi Xu and was puzzled.

Didn’t they say that the Shi family and the Xie family didn’t have any interactions?

What was there to talk about?

Moreover, wasn’t he still addressing Xie Yunzhou as Young Master Xie and President Xie previously? Why did he address him so cordially now?

There was definitely something fishy going on here!

Xie Yunzhou wasn’t trying to trick her brother, right?

“Brother, you should go and rest. I’ll help you send off the guests.” Shi Xi’s eyes curved as she took the initiative to send Xie Yunzhou off.

Shi Xu hesitated for a moment before saying, “Okay.”

Looking at the backs of the two people, Shi Xu seemed to be deep in thought.

Previously, Xi Xi had always been following Sheng Yan and would not marry unless it was him.

.....

But recently, she had not mentioned it.

Forget it. Xi Xi had just come of age. What was wrong with letting her be single for two years?

He had been single for more than 20 years!

Shi Xu did not feel any psychological burden at all. He was only thinking about how to compensate Shi Xi.

Why not give all the profits to Shi Xi?

As Shi Xu thought about it, he returned to his study room and continued to study the collaboration with Xie Yunzhou.

After Shi Xi sent Xie Yunzhou out, she asked, "What are you and my brother talking about?"

Xie Yunzhou: "The collaboration between Wei Shi New Energy in the next quarter."

Shi Xi: "...It sounds like something serious.

"Well, I've saved you before. You can't cheat my brother!" Shi Xi puffed out her chest and pretended to be fierce.

Xie Yunzhou smiled faintly. "When Shi Xu was running rampant in the business world, I hadn't graduated yet. How could you think that I would cheat him?"

Shi Xi thought to herself, 'You are a ruthless villain. You never show mercy when you cheat people.'

"Then, you should go back. Take care on the road." Seeing his assistant driving Xie Yunzhou's car closer, Shi Xi said, "Goodbye."

Xie Yunzhou stared into the girl's eyes. "Where do you want to go to school?"

Shi Xi was still young and wasn't old enough to get married yet.

"Haicheng University. It's close to home and I can come back often." Shi Xi had already thought it through and said, "Besides, Haicheng has many opportunities. Feng City has a film and television base, which is good for my career development."

She could earn money and stay away from the female lead.

Killing two birds with one stone!

Although Ning Yu was really nice, she really didn't want to be slapped in the face all the time!

"Alright." Xie Yunzhou ruffled the girl's hair. "I'm going back."

Shi Xi covered her hair. "Don't touch my head!"

Her hair would fall out!

Xie Yunzhou looked at the girl's lively eyes and his mood improved. "Goodbye."

After sending Xie Yunzhou off, Shi Xi returned the way she came.

She had received many presents today. She had originally wanted to open the presents, but now she just wanted to go to bed early.

She had never thought that opening presents were a tiring task.

After Shi Xi took a shower, she thought about the presents she had received.

Then, she got up and started playing the game.

She could open the presents tomorrow, but if she did not log into the game today, there would be no rewards for logging in!

Just as Shi Xi was playing the game, Ning Yu knocked on the door and came in. She asked casually, "Are you going to see Leng Qiankun tomorrow?"

"Yes, why?" Shi Xi kept typing.

"I'll go with you." Ning Yu looked at Shi Xi's screen and her eyes froze.

She had seen people who were terrible at games.

But she had never seen people who were this terrible at games.

Wouldn't her teammates scold her for being an elementary school student?

Chapter 99: Dye One's Hair Pink

Shi Xi had just failed this round. When she heard Ning Yu's words, she turned to look at Ning Yu in surprise. "You're going to visit Leng Qiankun too?"

She remembered that the two of them were not familiar with each other, right?

"Yes." Ning Yu raised her cold eyes slightly and asked, "Can I?"

Shi Xi said hesitantly, "Tao Yuxuan will also visit him."

Tao Yuxuan and Leng Qiankun could not stand Ning Yu.

If Ning Yu went to the Leng family, she might be bullied.

"It's okay." Ning Yu tilted her head slightly and said, "Leng Qiankun gave me so much money last time. I should pay him a visit."

Shi Xi thought, 'Is that a gift?'

'You won it.'

"I'll ask Leng Qiankun." Shi Xi took out his phone and sent a message to Leng Qiankun.

Leng Qiankun replied instantly: [Let her come.]

These three short words were filled with the aura of gnashing teeth.

Shi Xi said: "He agreed. Then, we'll go together tomorrow."

.....

Ning Yu nodded and said to Shi Xi: "Thank you."

"No need to thank me. Just don't argue with them tomorrow." Shi Xi could not help but say what she was thinking.

Ning Yu's eyes were filled with a smile. "As long as they don't take the initiative to cause trouble, I won't do anything."

Shi Xi sighed.

"You should equip anti-magic equipment in order to pass this level." Ning Yu looked at Shi Xi's screen and said, "You won't be able to increase the bonus if you wear it like this."

Shi Xi knew that Ning Yu was a big shot in the game, so she quickly made way for her. "Help me match it!"

Ning Yu didn't stand on ceremony and sat down. She opened Shi Xi's equipment list.

Immediately, she fell into deep thought.

Shi Xi's bag was filled with useless trash.

This made her very curious. Just how many trash quests had Shi Xi completed to gather all the trash equipment in this game?

There were some things that she had never even seen before!

Ning Yu cleaned Shi Xi's bag. The synthesis that needed to be synthesized, the production that needed to be done, the experience cards that needed to be used.

When Ning Yu opened her character's wardrobe, Ning Yu fell silent once again.

She knew that someone had treated this game as a game for changing clothes.

But Ning Yu didn't expect that Shi Xi, who was only level 10, had already collected so many clothes.

The wardrobe had already been expanded to its maximum size. She had almost all the clothes that could be obtained now.

And every set of clothes was beautifully matched.

It was ridiculous.

She had used up all her skill points, right?

"It's done." Ning Yu finished equipping the game equipment and also passed this round. Only then did she return her account to Shi Xi and said, "If you have anything you want to ask in the game, you can look for me."

“Thank you, Big Sis!” Shi Xi saw that the game had been completed and happily hugged Ning Yu. “I’ve been stuck in this round for a long time!”

The girl pounced on her and hugged her. Ning Yu could not help but blush and said, “Read more of the forum’s guides.”

Shi Xi quickly let go and said, “Okay, we’ll go see Leng Qiankun after breakfast tomorrow.”

Speaking of serious matters, Ning Yu nodded seriously.

She had wanted to go to the Leng family previously, but the security outside the Leng family was too tight.

She could only enter from the inside.

She hoped that she would gain something this time.

Ning Yu walked out of Shi Xi’s room, her eyes slightly drooping.

*

The next morning, Shi Xi got up.

She would go to see Leng Qiankun in the morning and went to the dance studio in the afternoon.

Life was busy.

When Shi Xi went downstairs for breakfast, Ning Yu was already eating breakfast.

Ning Yu was still listening to Mother Shi’s nagging.

Mother Shi said, “You child, you didn’t even mention that you got so many marks. Are you still short of money? I think you only have a few pieces of clothes. Let me take you to buy some clothes? And your hair. You’re about to go to university. Let me take you to get a perm and dye it?”

Shi Xi came down from upstairs and said, “I think it’s okay. Take Sister to dye her hair pink?”

Chapter 100: I Heard That You Were Pinned To the Ground and Beaten

Ning Yu was drinking her milk when she heard Shi Xi’s words. She looked up at her helplessly, her clear and cold eyes filled with a smile. “If you want to dye your hair, don’t drag me down with you.”

Shi Xi sat opposite her, propping up her chin. “I do want to dye my hair, but I’m afraid of losing it.”

She was extremely passionate about dyeing her hair.

Her life’s obsession was to gather all the seven-colored hair colors.

But when she thought about losing her hair, Shi Xi was a little worried.

“Losing your hair is a normal phenomenon of the body’s metabolism. We don’t have the baldness gene in our family, so you won’t go bald.” Ning Yu sized up Shi Xi’s hair and said, “You can dye the ones that are less harmful to your hair.”

“Then I’ll go dye my hair before we record the show!” Shi Xi asked Ning Yu, “Do you want to come along? I still have quite a lot of money in my card!”

Ning Yu rejected her directly, “No.”

Looking at Ning Yu’s long black hair, Shi Xi muttered, “It’s such a pity not to dye it.”

Mother Shi suggested, “I think it looks good when it’s permed into big waves.”

Ning Yu turned to urge Shi Xi, “Hurry up and eat. We still have to go to the Leng family.”

“Oh, okay.” Shi Xi lowered her head and bit on the egg.

After Shi Xi finished his breakfast, the two of them went to the Leng family.

.....

At the door of the Leng family, Shi Xi met Tao Yuxuan.

“Xi Xi, you... Ning Yu?” When Tao Yuxuan saw Ning Yu coming out of the car, the smile on her face instantly froze. She clenched her teeth and pulled Shi Xi, saying in a low voice, “Why did you bring her here?”

Leng Qiankun and Tao Yuxuan didn’t like Ning Yu.

When Ning Yu won 5 million from Leng Qiankun, she even gave him a congratulatory music box.

It could be said that the two of them had already formed a feud.

But now, Ning Yu had taken the initiative to come to the Leng family.

“It’s definitely a weasel paying a New Year’s visit to a chicken — she has no good intentions!” Tao Yuxuan said through gritted teeth.

Shi Xi said, “I asked Leng Qiankun yesterday, and he agreed to let Ning Yu come.”

Hearing that Leng Qiankun had agreed, Tao Yuxuan’s eyes turned. “That’s right, this is Leng Qiankun’s territory, and Ning Yu is still at our mercy.”

“Do you think you’re playing with plasticine?” Shi Xi knocked on the door. “Let’s go in first.”

Standing at the door was tiring.

After Leng Qiankun returned from abroad, he stayed in the villa he bought and did not return to the Leng family’s old mansion.

According to Tao Yuxuan, Leng Qiankun’s relationship with his parents was average. When he went abroad, he had to go against his parents.

After entering the door, Shi Xi could feel the darkness of the entire place.

Even though there were large French windows, they were covered by thick curtains.

It matched Leng Qiankun’s temperament.

“Sit.” Leng Qiankun took a few bottles of drinks from the fridge to serve them.

He had some injuries on his face. It looked like they were from a fight.

“I brought a bottle of wine and put it on the wine cabinet. Are you alright?” Tao Yuxuan even brought a gift to the door. It was obvious that she was here to care about the injuries.

Shi Xi looked at Ning Yu.

Ning Yu sat down calmly.

Both of them came empty-handed.

“I’m alright.” Leng Qiankun rubbed his temples and sat down on the sofa.

“Are you really alright? I heard that you were pinned to the ground and beaten.” Tao Yuxuan stared at Leng Qiankun’s face and said, “I think you were even kicked?”

Leng Qiankun tightened his grip on the Sprite can in his hand. The Sprite inside was spilling out and trickling down his palm.

Shi Xi coughed and gestured for Tao Yuxuan to stop talking.

It was a little embarrassing.

“It’s really nothing.” Leng Qiankun changed the topic and looked at Shi Xi. “Did you enjoy the fireworks yesterday?”

“Yes.” Shi Xi nodded. “Thank you for your hard work.”

When Leng Qiankun heard that Shi Xi liked the fireworks, the corners of his mouth curled up. “If you like it, it’s not hard at all.”

Tao Yuxuan added, “Next time, remember to apply to set off the fireworks first. Don’t get caught by the patrols again.”
