The First Heir

Chapter 1191

Denver rushed out immediately and grabbed Wendy's hand, saying with a demure smile, "Master Jones, do calm down. Why make things difficult for a junior?"

Wendy raised her eyebrow, her face looking cold as she slapped Denver with a backhand instead!

Smack!

"Denver Snell, you double-crosser! How dare a piece of trash like you try to stop me?!"

No one could stop Wendy when she flew into a rage.

Denver was very angry when he received this slap and clenched his fists, but he still forced a smile on his face as he said, "Master Jones, can you calm down? Can we have a good talk?"

"Get lost!"

Wendy immediately cursed as she pointed to Denver's nose. She reprimanded, "Denver Snell, you're a good dog indeed. Have you forgotten how a wretch like you got the position of president in Leisure Entertainment? If not for my help back then, you'd still be begging on the streets like a dog!"

"The board of directors? Your board of directors is invested by my husband!" Wendy scoffed.

Denver was startled, his expression a little helpless.

Wendy raised her finely-shaped eyebrow and pointed at the appealing woman who was sitting on the sofa reading a book. She asked, "Are you Janice Clarke?"

The bright and fresh-looking woman was wearing a white dress and matching snow-white shoes. She had long black hair, an angelic face, and two dimples would appear when she smiled. Her jade-like fingers closed the book as she raised her eyebrows to look at Wendy. She said with a crisp and sweet voice that was like a lark, "Hello, Ms. Wendy, my name is Janice Clarke."

Wendy frowned. She had not noticed Janice's appearance before. At one glance, the young lady looked really pure and pleasant, the type that audiences preferred nowadays. It was very distinctive.

She would be popular!

This was Wendy's most intuitive judgment.

"You deserve to die!"

Philip said coldly, his voice as low as a beast that was about to explode!

With those simple words, the temperature in the entire office dropped sharply!

The tension in the air also increased!

Then, Philip's eyes looked at the attractive silhouette standing over there.

Janice was also looking at him with the most beautiful and gentle smile in the world.

Philip's heart thumped rapidly, and his clenched fists were trembling slightly.

At this moment, he looked at Janice's pure and pleasant face with mixed emotions in his heart.

It was her!

She was his sister!

Wendy was full of displeasure.

This Philip Clarke's tone was too exaggerated!

He was going to ruin her?

Ludicrous!

However, Philip only looked at the furious Wendy with a calm gaze and said, "It doesn't matter who I am. The most important thing is that I want you to apologize to my sister now. Otherwise, I'll make it impossible for you to stay in the film and television industry!"

Philip raised his eyebrow and looked over. A chill flashed in the corner of his eyes as he said calmly, "Why don't you find out?"

Hearing that, the two burly men directly slammed the batons over Philip's shoulders and head!

Bam!

However, Philip just lifted his leg and kicked. Before the first guy could react, he was already sent flying upside down and fell heavily to the ground!

Immediately afterward, Philip raised his iron-like hands and directly grabbed the neck of the other man!

Denver was startled. Indeed, some cooperation agreements with Janice had not yet been reached.

Philip glanced at Wendy coldly, took out his phone directly, and dialed Bernice Owen's number. He calmly asked, "I want Leisure Entertainment to go bankrupt within half an hour. What can you do about it?"

In Uppercreek, he still needed help from Hoyt Luther's people to do this.

"Young Master Clarke, the water in Leisure Entertainment runs deep. If you insist on doing this, I'll extend my fullest cooperation."

On the other end of the phone, Bernice's gentle and intellectual voice sounded mesmerizing.

"Okay. First, stop all the film and television cooperation channels of Leisure Entertainment," Philip said.

When Denver saw this scene, he sneered, "Moron. I want to see how a glory-seeking scum like you is going to do that!"

"You don't even know who I am. Challenging me is no different from seeking death!"

"Janice Clarke, I'm warning you. You're an artist of Leisure Entertainment. Tell this brainless brother of yours to apologize to us immediately! Otherwise, I will formally notify the board of directors to ban you from the industry!"

Instantly, Denver fell directly on the sofa. Drenched in a cold sweat, his eyes went blank.

How could this be?

At this time, Philip's words sounded plainly in the office, saying, "Next is your company's taxation."

As soon as his voice fell, Denver looked at Philip incredulously.

"Are you the one messing with me?!" he roared.

Philip made no comment, but the faint smile at the corners of his mouth said everything.

At this moment, the chief financial officer hurried in. While gasping for breath, he said, "Mr. Snell, something has happened. There was a problem with our accounts and the personnel involved in the investigation will arrive at the company soon. If they find anything, the company will be doomed."

Boom!

A bolt of lightning!

Denver staggered and fell to the ground, trembling all over. A cool breeze sent a chill up his spine.

Suddenly, he roared as he pointed at Philip. "It's you! Who the hell are you?!"

The loud noise shook the entire office!

With this slap, Philip had used all his strength and Wendy flew away from the force!

Wendy staggered. It felt as if her cheek had been hit by a heavy hammer. She stumbled backward and fell to the ground!

Instantly!

Wendy Jones, who had fallen to the ground and was clutching her rapidly swelling cheek, took a long time to react. She stared at Philip hysterically and yelled resentfully, "How dare you hit me? You actually hit me!

"Do you know I am? I'm Wendy Jones, the madam of the Wes family, the wife of Sidney Wes!

"You're dead. I'm going to kill you! And that little b*tch, I'm going to take care of her too!"

Wendy went completely mad and quickly dug out her mobile phone from her bag.

"B*tch, you're done for! How dare you beat me?! My husband is coming right away. He's Sidney Wes of Uppercreek, the chairman of Weston Group!"

Wendy kept yelling with bloodshot eyes, looking very scary.

Since her debut, she had never been humiliated or beaten up like this!

She was the leading actress, Master Jones—admired by everyone in the circle!

She was the madam of the Wes family in Uppercreek and the wife of Sidney Wes!

In Uppercreek, everyone knew that the Wes family was powerful and affluent!

Everyone in Uppercreek knew that Sidney Wes loved his wife to bits!

Anyone who dared to touch Wendy Jones was going up against Sidney Wes and the Wes family!

Wendy answered the phone, endured the sharp pain in her cheek, and said with a smile.

“Wendy Jones! Did you provoke someone you shouldn’t have provoked? The association just held an urgent meeting and has decided to remove all of your film and television titles, including your title as the leading actress. Also, you’re officially banned by the film and television industry! This is the decision of the board of directors! Watch yourself from now on!”

At the other end, Jamie roared.

“What? Mr. Carl, what are you talking about? Are you going to remove my honor in the film and television industry and ban me?”

Wendy was dumbfounded. Her eyes widened as she listened to the roar from the phone in disbelief.

“That’s right! Wendy, who the hell did you mess with? If we don’t get rid of you, the other party will take it out on the Film and Television Association instead! We need to sacrifice the pawn to save the queen, understand?”

Jamie shouted in a cold voice and then said, “Think of your own retreat. The association will hold a press conference immediately to officially expel you from the film and television industry!”
