

The First Heir 128

Chapter 128

Philip was beyond furious!

Someone had hit Wynn, that was unforgivable!

When she saw how angry Philip was, Wynn hurriedly grabbed his arms and explained, "It's a misunderstanding, no one laid their hands on me, it's just...it's just me being clumsy."

Wynn was diffident, she did not want to see Philip causing trouble because of her.

After all, not only was it the company where she worked, but it was also the new vice president, the lover of the chairman, who hit her.

It was not worth it.

"This is an accident?" Philip's eyes were sharp, he would not believe what Wynn had said.

"It's really just me being clumsy, it has nothing to do with anyone."

Wynn held onto Philip and kept trying to calm him down. "Philip, don't you believe me?"

Philip became quiet when he heard that.

He could see that Wynn did not want to cause trouble, but he felt very uncomfortable if he did nothing about it.
