

The First Heir 176

Chapter 176

Jim did not come to the restaurant much. Most of the time, he just let Michael handle this place.

As Jim could not watch over Michael since he was so far away, Michael's prestige in the restaurant naturally became higher and higher over time.

However, in front of Jim, he was just a little boy.

"Oh no, Mr. Winger is here!"

"Hehe, I'm sure that kid won't be able to escape now. He's such an idiot!"

"Who told him to be so arrogant just now? He might be able to solve this by apologizing and offering compensation. I'm sure Mr. Winger will not forgive him."

Doug was being helped up from the ground. His face was covered in blood. When he saw Jim, he acted like he just saw his savior. He wailed and said, "Sir, you have to help me! That kid made me this way. He's too savage!"

However, reality exceeded everyone's expectations.

Jim did not pay attention to the Moseby brothers. Who were Doug and Michael Moseby? They were only excrement and trash to him now. Jim would not hesitate to punish anyone who crossed his young master, even if they were his family.

They did not know the young master's method, but Jim knew.

This restaurant belonged to the young master, so how could Jim uphold justice for Doug?

Slap!

Jim swung his hand and slapped Doug across the face heavily. He was adding one disaster on top of another!

Doug had finally stopped his nose from bleeding, but now, blood was spurting from it once again.

Everyone was shocked!
