Chapter 3071

In an instant, the fight in the arena reached its peak, and punches and kicks continued relentlessly. Several deep pits could even be found on the floor.

Boom!

Abruptly, Fennel's flying kick sent James flying a few meters away!

When James was about to fall out of the ring, he waved his hand. A lightning chain burst out and fell to the ground, bringing James back to the ring again!

At the same time, James frowned and snapped the lightning chain in his hand at Fennel.

Fennel's face darkened at this scene.

He dodged and said angrily, "You said that we weren't allowed to use the power of disciples!"

James said coldly, "Did you actually believe that? Today, I'll destroy you by hook or by crook!"

The chimera flame on Philip's fist exploded in midair!

James could not block this punch at all because the speed was too fast. With a bang, this punch sent James flying, and he fell to the ground from high in the air!

Boom!

When James fell, the entire arena shook, and cracks even formed on the ring.

This punch shocked everyone!

The guards and disciples who were watching held their breaths, staring with wide eyes at Philip who appeared in the ring.

In an instant, James and the arena were engulfed in a massacre by the Greenpeak Sword shadows!

A few minutes later, the Greenpeak Sword Formation disappeared, and the arena was already in ruins. James fell into the ring. He was covered in blood, and his eyes were sluggish as he looked up at the sky.

He said, "I lost..."

Philip just glanced at him coldly and turned to take Fennel and the others away.

However... Suddenly, there was a commotion in the crowd.

A cold voice resounded throughout the training grounds, "Young Patriarch Clarke, I'm afraid it won't do for you to take your people back just like this."

Hearing that, everyone made way.

A group of four appeared on the training grounds. It was none other than Reynold, who had previously intercepted Philip and the others. He appeared on the training grounds with his people at this moment. A biting chill flashed in his eyes as a monstrous fighting spirit surged from him.

"It's Reynold! Why is he here?"

James is one of Reynold's men. Of course, he's here

In an instant, Philip jumped up. His flaming arms grabbed Reynold's feet and lifted him. He swung Reynold around in the air and threw him into the sky.

Whoosh!

Reynold flew into the sky and spun around several times.

At this moment, Philip lowered his body and stomped his feet on the ground. Dazzling flames like a rocket launcher burst out. He jumped into the air.

In a flash, he punched out hundreds of chimera fists, which morphed into a huge blooming fire lotus. They bombarded Reynold who was spinning high in the sky!

Everyone on the ground was dumbfounded at this scene.

This battle was simply surreal!

The huge fire lotus bloomed and dazzled with flames in the sky, engulfing Reynold with a bang!

After that, the sky turned into a burning sea of fire, and even the onlookers hundreds of meters away could feel the scorching heat.

Marquis Fulmore looked at Philip and said, "Come with me..."

Philip did not hesitate. He knew that Marquis Fulmore was helping him and immediately followed him.

However, Reynold rushed out at this moment, blocked Marquis Fulmore and the others, and said, "Marquis Fulmore, this is the training grounds of the west district, not the stargate of the five marquises. You need to act in accordance with the rules of Cochly Mountain too!"

"Rules? I am the rules!" Marquis Fulmore said angrily with a chill in his eyes.

He then added, "If you dare to stop me again, I'll kill you!"

This remark exploded in Reynold's ears, and his expression darkened.

At this moment, another person walked up from behind everyone and said with a smile, "Marquis Fulmore, calm down... Why didn't you contact me if you're here to fetch someone?"

Everyone backed away. An old man with gray hair, wearing a white suit and a warm mink velvet coat, stood in front of Marquis Fulmore and the others.

Philip could not figure out Marquis Fulmore's meaning, but he followed Marquis Fulmore's subordinates to the vicinity of Death Canyon.

Death Canyon was still heavily guarded, and it was almost impossible to breach unless done by a half step to the other shore. The stargate was located right behind Death Canyon.

After a rigorous inspection, Philip followed Marquis Fulmore's subordinates and crossed Death Canyon.

This canyon was hundreds of meters long, very deep and secluded. The cliffs and snow-capped mountains on both sides towered into the clouds.

The clouds in the sky were thick and gloomy, like a surging layer of heavy demonic clouds, which struck panic and fear in people's hearts.

Following the guards in front and crossing the canyon, the world in front of Philip changed. It was a vast barren land that covered an area of tens of thousands of square meters.

It was Janike's voice.

Soon, the door opened, and a cute little face full of smiles appeared in front of Philip.

"Hey, Philip, you're here. Come in quickly." Janike was very happy upon seeing Philip.

She grabbed his arm and pulled him into the room.

Philip walked in and glanced around. The room was about 100 square meters, and it was the largest room he had seen so far. It was decorated according to the tastes of a little girl, full of pink furnishings.

Blackie was also there, standing haughtily on a shelf. It stared at Philip with narrowed eyes. Then, it jumped down and circled Philip while sniffing him. After that, Blackie sat down, grumbled to Janike, and made some gestures.

Janike blinked her twinkling big eyes. Philip frowned upon seeing this and asked, "Is it saying something bad about me?"

Janike said, "Philip, Blackie said that it senses a familiar smell on you. It tried to kill us before."

Hearing that, Philip's face darkened.

Looking at the delicate little box in his hand, Philip was silent for a moment before he opened the box.

There was a stone key with a special engraving inside. Under the key, there was a note. Philip opened the note and was shocked when he saw the content!

It was left by his mother!

[Phil, when you receive this stone key, it means that you've entered Cochly Mountain and approached the stargate. The journey through the stargate is extraordinary. The stone key is the key to opening the passage. You have to keep it safe and wait until the brink of crisis before using it. Phil, if you cross the stargate and enter the other shore one day, remember my words. Be careful with everything. My good boy, I'll always be proud of you.]

The content was very brief, but Philip's hands trembled, and his eyes were blurry upon reading it.

It was something his mother left behind. The stone key was actually the key to the passage in the Larson family's secret vault. In other words, this was what his mother left behind in the sixth zone of Cochly Mountain.

"Philip, what's wrong?" Janike felt like crying when she saw Philip's expression.

Philip came back to his senses and stared at his chest in disbelief.

This ancient sage's secret treasure had never acknowledged him. Although he could bring it around freely, it was also because he had Emperor Kai's Token with him. Now, under Blackie's intimidation, this little thing had finally acknowledged Philip as its master.

Then, Blackie bared its fangs and circled Philip. It sat on the floor and jerked its head up at Philip as if showing off.

Philip smiled and said, "Thank you, little one..."

With that said, Philip turned around and left.

After Philip left the Death Canyon, he finally looked back. That altar gave Philip a very uneasy feeling.

After returning to the dormitory of the training camp, Fennel and the others also returned with no serious problems. The doctors of Cochly Mountain and those special drugs healed them very quickly.

“You’re back... I heard that you went near the stargate. What did you see?” Fennel asked.

Fennel what he saw. Fennel nodded and said with a frown, “It’s not much different from before. A space lies behind each stone door, which is where

Philip was too familiar with this silhouette which had appeared in his dreams countless times. It was Wynn Johnston, his wife!

Philip walked over quickly and shouted, “Wynn, is that you?”

The graceful woman turned around with a gentle smile on her lips.

She looked at Philip in front of her with tears in her eyes and said, “Philip, it’s been a long time...”

The moment Philip saw Wynn, he hugged her tightly and said, “Wynn, promise me, don’t leave me again!”

Wynn nodded in Philip's arms and replied, "Okay, I promise..."

At this moment, everything else in this world was not as important as Wynn in Philip's arms. He had looked forward to finding Wynn countless times, and his wish came true at last.
