## The Girl Come Back Is Super Chapter 12

The Girl Come Back Is Super Chapter 12-People laugh at her having a bad sister."

But there are some things that people can't believe it just by acting.

Since she is so fond of pretending, let's wait and see how she makes a fool of herself in school.

Perhaps it is because Patrick and Yvonne both expressed their views. Although Nathan was reluctant, he still said: "You

can also ask me."

Nikita looked at the three people who "cared for her" and smiled with one hand holding her chin. She looked

good:

"Okay."

With a light smile, the eyes looked at Yvonne again.

Yvonne was staring at her with bad eyes, then she suddenly met her eyes. She remembered that she was threatened by her

neck in Nikita's room last night.

A chill rushed down her back instantly, and she actually broke out in a cold sweat.

His face is also turned pale at once.

Nikita glimpsed at her with half-smile, and then slowly turned her eyes away.

"Nikita, do you have anything to say?" Margot seems to be consulting Nikita, but she is only a symbolic

question. Whether Nikita agrees or not, she can only be the adopted daughter of the Swifts.

As long as she is not (stupid), she knows how to choose.

If she can't accept it, go back to her Syracuse Village.

Even the identity of an adopted daughter is one hundred times better than that of a village girl in poor mountainous

areas.

Margot saw that she was sensible, and her face was a little mild: "That's settled. Another thing, about your transfer, I

But now, the biological one is far worse than the unrelated one. Margot still hates it in her heart.
