

## **The Girl CB 1501**

### Chapter 1501-Special Labels

Sheehan pressed his lips tightly. He subconsciously turned to see Nikita, and Nikita's face was calm as usual. Then his

face became less ugly.

Nikita has never been a jealous person.

This was a good thing that made him extremely worry-free.

He was too worry-free, and it was not a good thing.

Sometimes, he would rather she was as stingy as other women, and it would be better if she were more unreasonable.

She didn't say anything, she didn't make trouble, and she didn't even respond to it, which made him uneasy.

"She just came to see grandpa. The Garrett family and the Garrett family have a good friendship. She wants to visit

grandpa, and there is no reason not to allow her to come."

Although Nikita didn't care, Sheehan still explained it to her.

"Okay." Nikita nodded, and her expression was as calm as usual, "I know."

Sheehan looked at her indifferent appearance. He thought about it, and he couldn't help but ask, "Don't you mind her?"

Nikita raised her head and slightly raised her eyebrows, "What do I mind? Rosa? Do you want me to mind her?"

"That's not what I meant."

"Are you interested in her?" Nikita asked.

Sheehan shook his head without hesitation, "No."

Before Nikita could say anything, he immediately added, "I have never been interested in her. In the past, she was only a

friend's sister. Later, when I understood her intention, I gradually alienated her."

"Since you are not interested in her, why should I mind her?" Nikita raised her eyebrows, slightly lift her chin, and said in a

confident way, "What's more, I don't believe my man, will be interested in other women."

Can't herself compare with other women?

She still has the confidence.

When she naturally said "my man", Sheehan was a little stunned, then he smiled lightly.

Her man...

Well, he liked this special label.

The door of the study was not closed.

“Old Mr. Lambert, the young master and Mrs. Lambert are back.”

Uncle Paul gently knocked on the door and opened the door open after Old Mr. Lambert said, “let them in’.

Sheehan took Nikita’s waist with one hand and went in with her.

Walking into the study, they feel that the atmosphere was a bit different.

Old Mr. Lambert beamed, as if he had leaned some happy events.

Rosa, who was sitting in front of him, looked stiff and ugly, staring at the mobile phone in her hand with her eyes wide

open, as if there were her enemies in that mobile phone.

“Grandpa.” Sheehan held Nikita and walked to Old Mr. Lambert.

Seeing that he was in an excellent mood, he smiled and said, “Grandpa seems to be in a good mood. Why are you so

happy?”

He looked up, but he didn’t look at Sheehan. He only looked at Nikita with a smile. His eyes were gentle and loving as if

she was his granddaughter, "Niky, tell grandpa, how many surprises do you have that we don't know?"

Nikita was stunned and immediately reacted, "Grandpa, have you seen the hot topics on Facebook?"

"Although I am a little old, and there is a generation gap with the younger generation, but I still play Facebook and TikTok

occasionally just like you guys."

"Niky, is what was said on the hot topics on Facebook real?"

Sure enough, he has checked the hot topics on Facebook.

Chapter 1502-Asking for a Child?

"Grandpa, there are many great people in this world, and I am nothing." Nikita acted quite indifferently.

"Why did you say that? In grandpa's opinion, you are very powerful.

I used to say that Sheehan is smart, and his brain is better than that of ordinary people. Now, when I look at you, you are

much better than him!" "Compared with you, he is just a fool."

Sheehan was very clever since he was a child. He has always been the best one among his peers, and he was praised

from an early age.

Old Mr. Lambert has always been proud of having such a smart and excellent grandson, and he often showed off in front

of his friends.

Now he had a grandson-in-law who was smarter and more powerful than his grandson, so Old Mr. Lambert could not hold

the happiness and excitement in his heart.

He was proud now that he couldn't wait to show off in front of his friends at once.

He wanted to let them know that he had a great grandson-in-law.

He wanted to let those who used to gossip behind his backs and said that Niky didn't worth Sheehan envious.

Since Old Mr. Lambert said Nikita was smarter than him, Sheehan didn't refute, he just turned his head and looked at

Nikita, and his dark eyes were filled with love.

He was as proud as Old Mr. Lambert because his wife was more excellent than him.

"Grandpa, she could do other things well." Sheehan looked at Nikita with love, "She is much smarter than me." "Good,

very good." Old Mr. Lambert also looked at Nikita with love on his face. He smiled, "You are smart, and you have found a

wife that is very smart. It seems that the gene of our family is getting better!" "Grandpa can't wait to see my future great grandchildren."

Sheehan, "... "Well, grandpa, she is still young. It's too early to say such things." "She is not young." Old Mr. Lambert

eagerly looked at Nikita, "Two years would past in a flash. Niky, don't you think so?" Nikita, "..."

She heard that people of the older generation like to urge the younger generation to get married, and after that, they

would urge them to have a child.

Was he asking for a child?

A few people were talking, and the atmosphere was very happy.

Rosa, the only "outsider" in the study, seemed to be transparent.

No one looked at her, and no one said a word to her.

Old Mr. Lambert suddenly remembered that there was another person here. He raised his head and looked at her, and

said in a tone that was not cold or warm, "Good girl, tell your grandfather that I accepted his kindness."

"I will invite him to

tea for another day."

"It's getting late. Please go back. I have something to say with Niky, so I won't hold you for dinner."

It was the time for meal, and Rosa came to give a gift.

According to normal etiquette, Old Mr. Lambert should invite her for dinner.

But now, it was more like giving an order to let he leave.

Rosa naturally understood it.

She stood up with livid face, slowly raised her head, and looked at Nikita with complex expressions on her face.

Before, she hated Nikita, and she felt Nikita was not as good as her. Also, she took away the man she liked.

She despised Nikita and felt that Nikita was not worthy of Sheehan at all.

Therefore, even if she knew that Sheehan and Nikita were together, she was unwilling to give up, because she thought

she was better than Nikita, and Sheehan would abandon Nikita sooner or later, and he would definitely choose her in the

end.

She was the one who matched Sheehan best.

Chapter 1503-3 Suspicion But now...

Rosa had to face the reality.

She was not as good as she thought, and Nikita was not as bad as she thought.

Nikita was not bad, and she was even much better than her. Only the achievements made with the identity of Aroma were

what she could not reach in her life.

There were some realities that she had to accept.

It was also until this moment that Rosa's obsession finally began to change.

She has been waiting for Sheehan to regret and go back to her.

But now, she was not sure. Would Sheehan really regret it? Would he really go back to her? Was it really meaningful for

her to wait for so many years?

"Grandpa, take good care of yourself. I will come to see you another day." After Rosa's left her words with an ugly face,

she turned around and left without looking back.

It was more like running away in a hurry, and her paces were very urgent and fast, as if she couldn't wait to leave this

place immediately.

Even if Old Mr. Lambert didn't ask her to leave, she didn't have the patience to stay.

She questioned the strength of Nikita before, and insist on competing with Nikita. After losing to Nikita in public, she has

lost her face.

Now that she knew Nikita was Aroma, the music master that she has been looking for all the time, she was ashamed to

face Nikita.

The people that she despised before became a master that she could not approach.

Rosa has never been so humiliated in her life.

Rosa left the Lambert family in a hurry and drove back to the Garrett family.

As soon as she entered the hall, she saw Corley coming towards her with a stern face.

Behind Corley, it was Old Mr. Garrett sitting on the sofa in the hall.

He looked not very happy, and his expression was quite serious.

Rosa stunned and looked at Corley who strode over. After hesitating for a few seconds, she called, "Brother.

"See what you have done!" Corley scolded her directly, "We have always been decent in doing things, and we despise the

shady means that set traps for others.

But now, the scandals you made have lost the face of the Garrett family!" "The Garrett family and the Lambert family are

friends for decades. How will the Lambert family think of us? How should grandpa get along with Old Mr. Lambert in the

future!?” Rosa was hit by Nikita. After being scolded by Corley, her face became more and more ugly. She looked up at

Corley with doubts and repressed the anger in her eyes, “Brother, what do you mean?

What have I done to lose my family’s face?” “You don’t know what you’ve done yourself?” Corley’s face was even uglier

and gloomy than hers, “What you have done has been well-known around the city, you are still asking me?!” Rosa saw

Corley’s face was so gloomy. Although she was unconvinced in her heart, she didn’t dare to refute him. She wanted to say

something, and her cell phone suddenly rang.

She looked down and saw that it was a familiar number, and her face changed slightly.

Before she decided whether to answer this phone call or not, she heard Old Mr. Garrett’s voice with anger behind her,

“Rosa, the person who slandered Nikita and Malcom and said they had special relationship was you, right?” “And the

things in the Silk factory were arranged by you, right?” Rosa was a little shocked, she looked at Old Mr. Garrett with her

eyes wide-open.

Old Mr. Garrett was furious, "Tell me! Did you do it!?"

Chapter 1504-Things Were Revealed

She did them secretly, and she trusted the people she used. They couldn't betray her.

But Corley and her grandpa knew it.

Rosa looked at grandpa with fear in her eyes. She opened her mouth, and asked with a flustered voice, "Grandpa, you,

who told you these nonsense? What does Nikita have to do with me? She made those scandals, and she was decent.

Who slandered her?" "Besides, what Silk factory, I haven't heard of that place..." Pall!

Before Rosa finished her words, she got a slap on her face.

A heavy slap immediately turned her face red and swollen, and even the prints on her cheeks were very obvious.

Rosa's head tilted to another side.

Old Mr. Garrett's angry voice was in her ear, "Bastard! At this moment, you still don't know that you should be regretful,

and you still tell these goddamn lies in front of me and your brother!" "It seems that we really spoiled you. We didn't

restrain you well from childhood, which make you become what you are now. You did things without considering what is

important and the consequences. You just do whatever you want!” Old Mr. Garrett was actually furious.

Since her childhood, he never beat Rosa.

Rosa used to be naughty. He only said a few words, or fined her pocket money for ten days and a half month, and things

would be fine.

But this time, he had to beat her.

It was related to the friendship between the Garrett family and the Lambert family for many years. According to the

character of Old Mr. Lambert and Sheehan, if these things committed by Rosa were not handled well, the friendship

between the two families would definitely be affected.

This was not what Old Mr. Garrett wanted to see.

Making trouble with the Lambert family would not only do no good to the Garrett family, but also influenced many things.

“Grandpa, you beat me!” Rosa covered her face, and slowly turned her head. Her eyes were red, and she looked at Old

Mr. Garrett in disbelief, “Grandpa, you have never hit me since my childhood, and now you have hit me for an outsider!” “I

will not only beat you, but also punish you!" Old Mr. Garrett has no love in his eyes as before, and his anger was hard to

be held, "Now, you should go to the Lambert family with me immediately.

You should apologize to Old Mr. Lambert first, and then apologize to Nikita!" "I'm not going!" Rosa bit her lips tightly, and

the tears slipped from her eyes. She growled with a hoarse voice, "Grandpa, you blamed the wrong person! What made

you believe that Nikita's scandals were caused by my slandering!" "It seems that you don't want to give up until you get

the result." Old Mr. Garrett's face was livid with anger. He pointed at her nose and cursed, "You asked me why I am so

sure. Not only I knew it, but your brother, and the people all over the country knew!" Rosa was stunned, and she didn't

have the time to feel sad.

The whole country knew it?

What did he mean?

As if to answer her doubts, at this moment, Rosa's cell phone rang again.

It was still the same number as before.

Rosa looked at the flashing caller ID on her mobile phone and hesitated for a few seconds. This time she chose to answer

the phone.

As soon as she put her mobile phone to her ear, she heard an anxious voice in her mobile phone, "Miss, things gone bad.

Someone found out that we hired people to spread the rumors of Nikita and Malcom."

"I don't know who found it out. A newly registered new account called "the Misty Organization" posted all the evidence on

Facebook." "As for the things in the Silk factory, the female employee of the Silk factory came out to testify against you

and said it was you..."

Chapter 1505-I Was Jealous of Nikita

Rosa's face turned pale gradually.

The person over there was still talking, but she couldn't hear it clearly.

Finally, she could only hear the anxious voice of that person, "Miss, what should we do? Now these things are on the hot

topic on Facebook. You are also on the hot topics... And the Garrett Group...

Rosa was the Miss Garrett of the Garrett family.

She has attended many activities with Old Mr. Garrett and Corley, and has appeared in various public places on behalf of

the Garrett Group for many times. She was on the hot topics on Facebook, and the Garrett Group would naturally be

implicated.

Rosa hung up the phone, and she looked up with her pale face slowly.

She lost her grievances, sadness and anger in her eyes. After answering the phone, she looked flustered, and her eyes

showed her fear.

She thought that the things she did were well covered, and no one would know or find out.

She hired the most professional company to spread the rumors.

She spent so much money because the manager of the company claimed that they were very careful and would never

leave any clues.

But now...

All those things about her were exposed.

It was also posted on the hot topics on Facebook and known by everyone.

As for the things in the Silk factory, Rosa didn't care very much, but the thing that she slandered and discredited Nikita and

Malcom was revealed, and it had a great impact on her.

She thought of Malcom...

Rosa didn't dare to think about it.

She made great efforts to let Malcom accept her as a disciple.

According to Malcom's temper, he wouldn't make her stay if he knew it.

Malcom would definitely not want her as a disciple again.

And the Lambert family...

"Grandpa, brother, I didn't mean to..." Things have been revealed, and Rosa knew it was useless to justify herself, so he

had to admit it.

Now she had to be humble in front of Old Mr. Garrett and his brother, and won their forgiveness first.

Otherwise, her life at home would not be easy.

Rosa thought for a while, bit her lips hard, and tears flowed down.

She kneeled down in front of Old Mr. Garrett, "I was just stupid at that moment. I liked Sheehan for so many years, but he

always turned a blind eye to me and chose a little girl who didn't get along with him for long." "I am jealous that Nikita can

easily get his love. I hate Nikita for stealing him away, so I was stupid and did those things." "I really didn't mean it. I just

like Sheehan too much. I can't accept that he married another woman."

So, she wanted to destroy Nikita.

It was very important for a woman to have a good reputation.

She wanted to let people believe that Nikita and Malcom had an unusual relationship, just to destroy Nikita's reputation.

If everyone believed that Nikita was having an affair with Malcom, then neither Sheehan nor the Lambert family would

accept a woman with such a "stain".

Even for the face of the Lambert family, they would not accept her.

As long as she could let Sheehan break up with Nikita, she would still have a chance.

That was what she thought.

She came close to success.

She watched that the public opinion on the Internet became worse and worse for Nikita, but unexpectedly, her good mood

only lasted less than half a day, and she was found out by a mysterious organization called "the Misty Organization"

Chapter 1506-Nikita Was not so Important

What was the relationship between the Misty Organization and Nikita?

But now, Rosa had no time to think about these problems.

It was imperative to win the forgiveness of Old Mr. Garrett.

She understood Old Mr. Garrett well, Even if he spoiled her, if it was related to the Lambert family, he will not indulge her

as before.

If Old Mr. Garrett was dissatisfied with her, then her situation in the Garrett family...

"Grandpa, I was only angry at that moment, and I was stupid. I already know that I was wrong." Rosa cried more and more

sadly.

"Grandpa, I was wrong, I know I was wrong." "You are a fool!" Old Mr. Garrett angrily pointed at her nose and lambasted,

"Sheehan is good. Grandpa once thought about matching you, but he doesn't like you and don't want to marry you." "As

the saying goes, love can't be forced. After knowing that Sheehan didn't like you, I gave up. Although he is the best

choice, there are many excellent men besides him:" "You are my granddaughter, the lady of the Garrett family. Without

Sheehan, there are thousands of outstanding men waiting for you to choose. Why should you stick to one man?"

"Grandpa..." Rosa bit her lips tightly and burst into tears. "But I don't want anyone except Sheehan."

Other men couldn't deserve her.

Who could compare with Sheehan?

Rosa was always the best one in the crowd since her childhood.

Her husband in the future naturally had to be the best man.

She had this obsession for so many years because she couldn't find a second Sheehan.

Since she had the best choice around her, why didn't she fight for it?

But she didn't expect that Nikita appeared, and she robbed the man that she pursued for so many years.

"Why are you still stubborn?!" Old Mr. Garrett was so angry that his beard trembled, "I don't care what you think, you are

in trouble now, and this matter must be handled immediately!" "The Lambert family should already know it." Rosa heard it

and her face changed.

The Lambert family knew it, so Sheehan must know.

What would he... do?

He protected Nikita so carefully.

Thinking of Sheehan's temper, Rosa suddenly became a little scared.

"Grandpa, then, what should I do?" Rosa bit his lip, and a touch of fear and uneasiness revealed in her eyes, "The

Lambert family, should, should not care about this matter very much."

"We have a good relationship with the Lambert family for so many years, and they should not make trouble with our family

for this matter."

For a Nikita, the Lambert family should not do so.

Rosa thought so in her mind.

The friendship between the Lambert family and the Garrett family for decades was definitely more important than Nikita.

It was impossible for them to ruin their family relationship for Nikita.

Nikita was not so important.

Old Mr. Garrett was so angry that his beard trembled again. When he was about to speak, his cell phone rang.

Seeing the caller ID, Old Mr. Garrett's face changed slightly. After a few seconds, he picked up the phone with some

uneasiness.

Rosa didn't know what was said over there, and she didn't know who called. Rosa only saw that Old Mr. Garrett's face

changed, and his face was hideous.

The call lasted for one minute.

It seemed that he didn't give Old Mr. Garrett the opportunity to speak, so Old Mr. Garrett opened his mouth and the other

party hung up the phone.

Chapter 1507-Leave the Garrett Family

After being hung up by the other party, Old Mr. Garrett's face was even uglier than before.

His face was dark and scary.

Corley saw Old Mr. Garrett's face and frowned slightly, "Grandpa, is it from the Lambert family?" Old Mr. Garrett was still

thinking about the phone call just now, and he nodded with an ugly face.

“What did the Lambert family say?” Corley asked.

Rosa hired someone to discredit and spread rumors about Nikita, which was now on the hot topic, causing great

responses.

Everyone knew it, and the Lambert family must know it.

That phone call just now was for questioning.

Although Rosa didn't know what the Lambert family said over there, from the time and Old Mr. Garrett's face at the

moment, the other party must be furious.

Nikita would marry Sheehan, and would become the hostess of the Lambert family in the future.

Such a thing happened, even if it was a rumor, it would have some bad effects.

The most important thing was that the target was the future hostess of the Lambert family. The person who made up the

rumor obviously not paid attention to the Lambert family.

According to the character of the Lambert family's people, if this matter was not handled properly, the consequences may

be serious.

Old Mr. Garrett's face was stern. He pressed his lips tightly and kept silent. He just turned his head and stared at Rosa.

Rosa was scared by his look, and she was a little panicked in heart, "Now go to the Lambert family immediately and

apologize to Nikita!" "Grandpa!" Rosa opened her eyes.

Let her apologize to Nikita?

No, she wouldn't go even if she died!

She didn't want to apologize to Nikita!

Old Mr. Garrett's voice was very cold without any emotions, "When you get Nikita's forgiveness, you can come back:

"What?" Rosa's face showed an incredible look, "Grandpa, are you going to drive me out of the family?" Corley heard Old

Mr. Garrett's words, she was also a little surprised. But he thought about the things Rosa did, he felt that such punishment

seemed to be not enough.

Old Mr. Garrett looked serious and said in a cold voice, "If Nikita won't forgive you, you don't have to come back in the

future.

Corley, pass on the message for me. From now on, without my permission, Rosa is not allowed to step into the family

again!" Rosa's face instantly turned pale.

Old Mr. Garrett really wanted to drive her out of the family!

Corley was stunned, looked at Rosa, hesitated for a few seconds, and nodded, "Yes." When Rosa was punished for

making mistakes before, Corley would feel pitiful for this sister and helped her out with nice words.

But this time, Corley was not going to help her.

Rosa made a serious mistake.

Old Mr. Garrett finished his words, and he didn't look at Rosa anymore. He turned around and walked upstairs.

After Old Mr. Garrett left, Corley looked at Rosa, whose eyes were red and swollen, and his look was also stern, "You

know Grandpa's temper. Go to Nikita and apologize to her and find a way to win her forgiveness."

"I know you don't want to, but what Grandpa said will not be easily changed. Can you really accept the consequences of

not going home in the future?"

After Corley said these words, he also turned and left.

In the hall, Rosa was left there with pale face.

At the Lambert family.

Old Mr. Lambert hung up the phone, his face was still ugly, and he was so angry that he had no appetite for dinner.

Uncle Paul was afraid that his anger would damage his body, and he carefully advised, "Sir, you should calm down. I

believe the Garrett family will definitely explain it to Mrs. Lambert. "

Chapter 1508- "- Staying out of It

"Of course they have to give her a proper explanation! They must do it!" Old Mr. Lambert's tone was tough. "Otherwise,

don't blame me for turning against them!"

The Lambert family and the Garrett family had been friends for decades.

But it was because the two families had great friendship for so many years that Old Mr. Lambert was particularly angry.

"I watched Rosa grow up. I always feel that she was not bad.

Although she also had some temper, she was also a girl with good conduct, kindness and gentleness."

"I didn't expect her to do such a thing!"

“Niky has no contact with her in the past, and has never done anything bad for her. She actually wants to ruin her!”

The more he said, the more angry he became. His face turned from green to red, and he was so angry that his face was

all red.

Nikita was his granddaughter-in-law and the future hostess of the Lambert family.

But it was rumored that she had an indecent relationship with an old man who was over half fifty years old.

It was said that good things do not go out, and bad things spread far and wide. The most terrible thing about rumors was

that no matter whether they were true or false, once there were many people spreading them, even if they were false,

some people would take them seriously.

When Old Mr. Lambert was very angry, and it was useless for Uncle Paul to comfort him, a maid came over and sent a

message saying that Sheehan came back with Nikita.

After the maid finished her words, Sheehan and Nikita walked into the hall.

They walked in the hall hand in hand, and their fingers were clasped together. Nikita saw Old Mr. Lambert, and wanted to

loosen her hand. But Sheehan didn't let her go, and he held her hand more tightly.

"Grandpa."

Sheehan led Nikita to Old Mr. Lambert. Seeing that he looked unhappy, he turned his head and asked Uncle Paul, "What

happened? Is grandpa in good health today?"

"Old Mr. Lambert is fine, and you don't have to worry about him, young master. But..." Uncle Paul looked at Nikita and

hesitated, "Old Mr. Lambert saw some false rumors about Mrs. Lambert on the Internet, so he was angry."

"It turned out to be this matter." Sheehan and Nikita already knew who was behind those rumors on their way home.

Nikita was the first to know.

After the Misty Organization figured it out, they told her as soon as possible.

"You all know it? Do you know who is behind the rumors?" Old Mr.

Lambert frowned and looked up at Nikita.

"Yes." Nikita nodded.

Looking at her indifferent look, it seemed that she had not been affected by any way, Old Mr. Lambert twisted his

eyebrows and asked, "Since you knew it, aren't you angry?"

He was furious.

Why did the related person seem to be indifferent? Nikita thought carefully before replying, "It is not worth being

influenced by unimportant people. According to the relationship between us, I will not be angry for her."

For Nikita, Rosa was not much different from a passer-by.

After she figured out the truth, she would fight back.

There was nothing to be angry about.

Old Mr. Lambert froze. After a long time, he smiled and shook his head. His face was much better than before, and he

didn't look so angry.

"Yes, Niky is right, there is no need to be affected by an unimportant person. I have lived for so many years, and my mind

is not as clear as yours."

"However, even if you don't care about it or feel angry, we can't just let her go." Old Mr. Lambert's tone became serious

again, "I have already called the Garrett family. If they don't handle this matter well, we don't need save their faces."

Chapter 1509-What Was She Doing Here?

"Grandpa, when Rosa did this, he did not take into account the friendship between the two families.'  
Sheehan's voice sank

slightly. "You don't have to worry about this matter, | will handle it well."

Old Mr. Lambert turned his head and looked at him, "What are you going to do?"

Sheehan narrowed his eyes, "I will handle it in the right way."

Old Mr. Lambert took into account the friendship between the two families and wanted to give Rosa another chance.

But Sheehan obviously didn't want to give her the chance, and he planned to end their friendship.

"In the right way." Old Mr. Lambert was stunned, "Did you mean..."

Sheehan was about to speak when the maid came in again.

"Old Mr. Lambert, young master, Mrs. Lambert, Miss Garrett is here."

"Rosa?" A touch of coldness flashed in Sheehan's eyes, he looked very indifferent, "She still dare to come."

Old Mr. Lambert's face also sank, "What is she doing here? Why does she still have the courage to come here?"

The maid stood aside and looked at their gloomy face, and she was even afraid to breathe.

“Fine, let her in. She come at this moment, | think it must have something to do with the scandal she made. I’d like to hear

what she wanted to say.”

After a moment.

The maid took Rosa into the hall.

When Rosa came in, Old Mr. Lambert’s ugly face became even more livid. He looked gloomy, and he looked at Rosa with

enmity.

When Rosa walked into the hall, she felt two cold eyes. When she looked up, she saw Old Mr. Lambert sitting on the sofa

with a cold face, and his face was completely different from before.

Rosa’s heart sank, and she clenched her fist nervously.

This was the first time that she has felt the true majesty of this business tycoon who once took charge of the Lambert

Group. He led the Lambert Group to advance in the business circle for many years, and made people in the industry felt

terrified when they mentioned his name.

With a look from his eyes, she almost felt breathless.

Rosa realized that Old Mr. Lambert was not as gentle and amiable as she thought.

The reason why she thought Old Mr. Lambert was a gentle elder to get along with before was that Old Mr. Lambert

restrained his own aura and did not show his inner character in front of her, which gave her such an illusion.

In fact, the men in the Lambert family, including Old Mr. Lambert, Sheehan's deceased father and Sheehan, who was now

in charge of the Lambert Group, were not easy to deal with.

She used to think that Old Mr. Lambert was good, because Old Mr.

Lambert was willing to be nice to her.

Now, Old Mr. Lambert was unwilling to save her face.

Rosa only glanced at Old Mr. Lambert, and she was guilty and didn't dare to look at him again.

As for Sheehan, Rosa didn't dare to take a look of him.

She could feel that if his eyes can kill people, she has been killed thousands of times by Sheehan.

Rosa endured the great pressure and walked to Old Mr. Lambert.

“Old Mr. Lambert...” She lowered her head and didn’t dare to see Old Mr. Lambert.

“Don’t call me that.” Old Mr. Lambert didn’t save her face, and he said coldly, “I only have one granddaughter.”

Rosa was embarrassed and bit her lips.

She took a deep breath and got up her courage before she spoke again, “Mr. Lambert, I came to apologize to Miss Swift.”

Chapter 1510-Your Cost

Rosa looked very hard when she said it. When it came to apologizing, a touch of humiliation was shown on her face.

For her, apologizing to Nikita was a great humiliation.

If it wasn’t for the pressure from the Garrett family, she would absolutely not to apologize to Nikita because the Garrett

family threatened to drive her away.

After Rosa finished her words, she turned around and said to Nikita standing next to him with no expression on her face,

“Miss Swift, it is my fault to plagiarize and spread rumors about your special relationship with your teacher. I apologize to

you.”

“Sorry, I shouldn’t believe the rumors and let people post unconfirmed information on the Internet, which would damage

your reputation.”

“I hope you can accept my apology and forgive me.”

Although she apologized to Nikita, but she was not sincere at all.

Her apology was like the words on textbooks, which were very perfunctory.

She didn’t even look at Nikita. She was apologizing to Nikita, but she was looking at other places.

Anyone could see her apology was not sincere at all.

Nikita had no expression on her face, and she didn’t speak.

Rosa finished her words and waited for a while. But Nikita had no response, she frowned and raised her head.

She seems to be a little dissatisfied, “I know it’s my fault. I have already apologized to you. I also heard those words from

others, and I didn’t mean to slander you.”

“Apologize?” Nikita raised the corners of her lips, but there was no smile in her eyes, “Do you think your apology is

precious?”

“You...” Rosa looked ugly.

“Who do you think would want your apology?” Nikita’s voice was very calm without any emotion, “You don’t need to tell me

whether you are intentional. Because | don’t care at all.”

Looking at the indifferent appearance of the girl, she just treated her as air. Rosa clenched her lips and endured her anger,

“What do you want? How can you forgive me?”

Old Mr. Garrett said, she must get Nikita’s forgiveness before going home.

If it weren’t for going home, she wouldn’t be here to be humiliated.

She has lowered her heads and apologized, but Nikita had such an attitude.

“What do | want?” Nikita seemed to hear some funny jokes, and the corners of her mouth finally showed a little smile. She

lowered her head, and said with a touch of coldness, “Everyone has to the price if he made mistakes. Maybe you didn’t

have to pay any price, but at here, if you make a mistake, you will be punished as you should.”

“So, no matter what | do, you won’t accept my apology?” Rosa finally lost his composure, and her face suddenly

darkened.

Nikita looked at her coldly, "That's right."

"Good." Rosa bit her lips and sneered, "In this case, | don't need to apologize to you anymore. | take back those words

just now.

Nikita, you are right. | have made many mistakes since | was a child, and | don't need to be punished or pay any price."

"You just said that | should be punished here?"

"Yes." Nikita looked at her.

Rosa sneered again, "OK, then | will wait and see what price you can make me pay."

Nikita also smiled, "I said that you will pay the price you should pay."

"Well, we will see!"

After finishing her word angrily, Rosa turned around and walked out of the hall without looking back.
