

The Girl CB 1561

Chapter 1561-Hypnosis

“For the rest of her life, she could no longer be exposed to any news reports related to that. Can you do this?”

After all, if she hypnotized Rosa, he would have to give her another 500 million dollars.

That was a lot of money.

Although Corley was very rich, Nikita felt that she should tell him that in advance.

Lest Corley felt that he has wasted his money.

Corley was silent for a while, and he nodded, “Yes, as long as she doesn’t return home, she won’t be able to get in touch with those reports. I will also tell people around me about that, and they won’t mention that again.”

In fact, Corley knew very well in his heart that it was not the scandal that stimulated Rosa the most.

it was Nikita and Sheehan.

Rosa hated Nikita, which was so obvious.

Corley hesitated when he remembered the fact. He said, "Nikita, can I ask you

something? It might be a little hard for you. You know her feelings for

Sheehan..."

"After you got together with Sheehan, she was very sad and felt that you had

taken Sheehan away from her.

Although Sheehan never liked him, she always thought that if you were not

there, Sheehan would choose her instead."

"Can you make her forget that too?"

Let her forget Nikita.

Let her forget that Sheehan and Nikita got together.

Only in this way could Rosa really return to the past.

Nikita asked Linsey to prepare a scented candle. After lighting the candle, she

closed the curtains of the room.

Linsey and Corley went outside the room and waited.

In the dimly lit room.

Nikita slowly walked to the bedside, took out a pocket watch from the pocket,

opened the cover of the pocket watch, and gently shook it.

As she shook, the bells in her pocket watch jingled.

After an hour.

Nikita opened the door and went downstairs.

Corley and Linsey sat on the sofa in the hall downstairs and saw Nikita coming

down. Corley stood up and walked towards her.

“Well, did you succeed?” He asked Nikita.

Nikita looked indifferently, “It should be fine. She will wake up soon, and I will

leave before she wakes up.”

“When she wakes up, confirm her status. If there is no problem, remember to

give me the rest of the money.”

Corley was stunned, "Are you leaving now?"

Nikita narrowed her eyes, "Then what? If your sister sees me, what should we

do if she is stimulated? Our efforts would be wasted."

If she did it again, it would not be so effective.

Corley also understood it.

He thought for a moment and said, "Do you want to play in Y country for a few

days? Or do you want to go back to N City now? If you are not in a hurry to go

back, I will arrange the trip for you. There are many interesting places in Y

country, you..."

"I am fine." Nikita covered her lips and yawned, looking cozy.

Chapter 1562-Rosa Woke up

Linsey's driver sent Nikita to the airport.

"Goodbye, Miss Swift."

"See you later."

After saying goodbye to the driver, Nikita got out of the car and went straight into

the airport.

She booked the quickest flight.

Half an hour later, the plane would take off.

Nikita went to the self-service counter to handle the boarding pass, and was

about to call Sheehan to tell him the situation. Her cell phone rang in her pocket.

She took out her mobile phone and saw that it was Sheehan.

Nikita answered the phone.

The man's low and attractive voice sounded, "Is everything done?"

"Well, it's done." Nikita talked to the phone and walked towards the security

checkpoint, "I am at the airport and will fly back to N City soon."

On the other side of the phone, Sheehan was silent for a few seconds, and then

asked in a strange voice, "Are you at the airport now?"

"Hmm.

After a few seconds of silence, he said, "I am at the airport, too."

"Oh, where are you going? On a business trip?" Nikita asked.

Sheehan said, "I just got off the plane at the airport of Y Country"

Nikita was surprised, "What?"

"You're at the airport of Y Country?"

"What are you doing here?"

"Looking for you."

"Looking for me?"

"I don't feel at ease if you are alone."

Nikita fell silent.

Sheehan really treated her as a three-year-old child. He shouldn't be worried

about her.

She was just fine.

Nikita didn't expect that Sheehan would come to Y Country to find her, and

would never expect that she was going back to N City when Sheehan just

arrived in Y Country.

They perfectly missed each other.

She was silent for a while and said in a helpless tone, "I am going to pass the security checkpoint soon."

Sheehan was speechless.

Sheehan specially came to Y country to find Nikita. As a result, he didn't even see Nikita, and immediately booked a plane ticket to N City after an hour.

On the other side, in Linsey's villa.

After Nikita left, Corley was worried about Rosa. So he immediately went upstairs to check on Rosa.

As soon as he entered Rosa's room, he heard a slightly hoarse voice, 'Brother.

Corley looked at the bed.

Rosa opened her eyes, rubbed them and sat up. She looked around with a blank and puzzled face.

"Brother, isn't this my aunt's house?" Rosa looked around for a while, and she looked even more confused. She looked at Corley, "Why am I in my aunt's

house, why are you here?

Chapter 1563-She Remembered Nothing

“I don’t remember it.” Rosa rubbed her head and tried hard to recall it, but she still couldn’t remember anything.

She felt that a part of her memory disappeared.

It just disappeared without any trace.

“Brother, what happened? Why do I remember nothing.” Rosa looked very confused.

She stretched out her hand and took Corley’s arm, “Brother, you must know something, right? Tell me now, what happened?”

“Rosa, you really don’t remember anything. You fell into the water and drowned for along time. The doctor said before that the lack of oxygen for too long may have a negative impact on your brain.”

“You have amnesia now, which should be caused by drowning.”

“Drowning?” Rosa blinked. “Was I drowned?”

“Yeah. Corley’s face did not change, and she could not find out that he was

lying, “We came to visit our aunt and play in ¥ Country. When we were playing

at the seaside, we suddenly encountered a high tide.”

“You were swept into the sea by the waves.”

“When I rescued you ashore, you had been choking for some time. Rosa, you

have been in a coma for two whole days, but fortunately you finally woke up.”

Corley grabbed her hand and said softly, “Are you hungry now? Would you like

to eat something?”

Rosa stunned for a long time.

It turned out that she lost her memory because of drowning.

No wonder she doesn’t remember anything.

“Yes, Rosa, are you hungry? What do you want to eat? I will cook it for you.”

Linsey looked at Rosa who finally returned to normal, thinking that the magical

doctor was indeed powerful.

Apparently, the hypnosis worked.

In Rosa's eyes, there is no hatred, nor the previous madness.

Rosa reached out and touched her stomach and nodded: "Well, I'm a little hungry."

"Well, I will cook some dishes for you. Wait for me. It will be ready soon." Linsey went out of the room and went downstairs to cook.

After Rosa knew what caused her amnesia, she didn't bother with the amnesia anymore.

She suddenly remembered one thing and asked Corley, "Corley, I am awake now. When will we go back?"

In a few days, it will be Sheehan's birthday.

Although Sheehan has never held any birthday party, Rosa still wants to go back before his birthday. She would prepare a gift and deliver it to Sheehan in person.

The expression on Corley's face froze for a few seconds, becoming unnatural.

He was silent for a moment, reached out and touched Rosa's head: "You should

stay with Linsey for a while.

Don't think about going back for the time being."

"Why?" Rosa asked with a surprised expression.

"Something happened at home." Corley said the excuse he had thought of in

advance. "When I go back and deal with it, you can go home then."

Rosa got worried: "What happened? Is it serious?"

"A kind of, so you can't go back now. Just stay with Linsey here."

Rosa frowned.

If she can't go back, what about Sheehan's birthday?

Also, what happened to the Garrett family, and why Corley didn't want to tell her.

Rosa still wanted to ask something, but Corley didn't give her any chance:

"Okay, you don't need to know too much about the family affairs, just stay here

with peace of mind, treat it as a vacation here."

“Since you are all right now, I have to go back, too.”

“Call me if you need anything.”

Chapter 1564-Making a Billion Easily Ten hours later.

Nikita returned to N City.

After the plane landed, as soon as she turned on her phone, she received a

huge remittance transfer.

Corley’s efficiency is pretty good.

Looking at the remittance time, it didn’t take long for her to get on the plane

when he sent the remaining 500 million.

In one day, Nikita earned one billion effortlessly.

Although she is not short of money for a long time, no one will think that there is

too much money, and she is in a good mood when she earns money.

And it’s Rosa’s money, so she’s in a better mood.

She called Sylvester: “Where are you?”

The voice over there by Sylvester is very lively. It seemed that he is eating

outside.

“Yates took me to eat hot pot. It tastes good. Niky, have you eaten yet? If not, come with Sheehan. Yates and I have just started eating for a while”

Yates was in charge of eating and playing with Sylvester when he stayed in N City.

Although Yates is quite a bit older than Sylvester, they still have something in common, and after playing together for half a day, they have become close friends.

Nikita doesn't like to eat on the plane. So she was indeed hungry for eating nothing in ten hours. Besides, hot pot is her favorite at ordinary times, then she went to Sylvester after getting their address.

She went directly from the airport. When she arrived at the place, she saw Sylvester standing at the door of the hot pot restaurant, with one hand in his pocket and the other holding a mobile phone.

He leaned against the wall, which was originally a corner position, but because

of his outstanding appearance, he still attracted the attention of many girls who came to the hot pot restaurant to eat.

When Nikita went to look for him, she happened to see a few girls taking pictures of him with their mobile phones, and some of them were discussing in a low voice whether to ask him for a contact information.

Sylvester has been looking at his mobile phone, but he didn't find himself photographed.

Nikita walked up to him, and patted him.

Sylvester looked up and saw that it was Nikita. He immediately put away his mobile phone and called out: "Niky."

Seeing Nikita alone, he stunned and then asked: "Where is Sheehan, not with you?"

"Well, only me." Nikita patted him again, "Let's go."

Sylvester and Nikita walked into the lobby of the hot pot restaurant, and many

people looked at them.

The two brothers and sisters are so good-looking that it is difficult for people not to notice them.

“Have you had a good time these days?” Nikita asked.

“Happy, Yates took me to many interesting places and ate a lot of local food. N

City is such a good place to live that I can’t bear to go back...

“Then stay for a few more days.” Nikita didn’t suggest him to stay in N City.

Sylvester is the son of Duke Rosen, who is nice to him. He can’t leave his father.

Sylvester gently hook lips: “I also think so, as long as you and Sheehan don’t

mind me staying in your house for free

Chapter 1565- Meet the Swift family Again

More specifically, how is the Swift family doing, she doesn’t want to know at all.

Nikita stared at Nathan, then took back her eyes, then didn’t pay attention to

him.

Sylvester glanced at Nikita with some suspicion, and looked at Nathan again.

He wondered that the man who greets Nikita looks a bit like Nikita?

Their eyebrow and eyes are the same.

“Niky, who is he? Do you know each other? He just greeted you. Why do you

ignore him?” When Sylvester passed by Nathan, he looked at Nathan again.

Only to find Nathan staring at Nikita, with an aggrieved face.

Is he one of her suitors?

Because he was rejected by her, he was like a resentful man.

This man is not bad-looking, but compared with Sheehan, he...

Nikita replied in three words: “I don’t know.”

When she said this, she just passed by Nathan.

Nathan stood stiffly on the spot, watching Nikita walk into a private room with

dejected eyes.

He hooked his lower lip with a wry smile.

When Nikita said she wanted to sever ties with them, she really did. She no

longer cared about them at all.

Now, the Swift family's status in her heart is probably not as good as that of passers-by on the street.

But who can be blamed?

They are responsible for all this.

"Nathan, what are you standing here for?"

Patrick came out to the bathroom and saw Nathan standing motionless in the middle of the corridor. He walked up and patted him.

Nathan seemed to return to absolute being and turned to Patrick.

He sipped his lips and wanted to tell Patrick about Nikita just now, but after thinking about it, he didn't say it at last.

What's the point of saying it?

"Niky, don't you know the man just now? He seems know you."

"You have so many questions. I said I didn't know him, understand?"

Nikita walked into the box and saw Yates eating leisurely.

“Hey, Niky, here you come. We are family. Take it easy. Help yourself at home.

Order something you like.”

Nikita sat down opposite Yates.

Niky picked up the menu and ordered some food at will.

After dinner, they came out.

Yates went drive the car. Nikita and Sylvester stood by and waited for him.

Nikita took out her mobile phone and wanted to play games for a while. A

surprised voice sounded behind her:

“Nikita, is that you?”

Nikita was speechless.

Today is not a good day for eating outside?

Before eating, she met Nathan Swift in the box. After eating, she met another

member of the Swift family.

The man who called him was Patrick.

Nikita showed an unhappy expression. She turned around, and saw Patrick,

Margot and Nathan standing together, Patrick looked at her in surprise.

When Margot saw her, she also showed surprise.

“It’s really you.” Patrick was a little cramped. He rubbed his hands and said with an embarrassed smile, “Are you here for dinner? I thought it was you according to the figure, but I was not sure.”

Nikita didn’t speak, with a cold face.

Patrick touched his nose again, said in an embarrassed tone. “Well, your mother... Margot is much better now.

Thank you so much! She went to review a few days ago. The doctor said that her situation is simply a medical miracle.”

Chapter 1566-Don’t make any more mistakes in the future.

“It’s all thanks to you, otherwise...”

Although Patrick said these words to intentionally close the relationship with Nikita, but that’s the truth If it weren’t for Nikita, Margot could live for half a year at most.

She's no longer in this world.

Margot seemed to want to say something, glancing at Nikita, but did not say anything.

"Oh." Nikita replied indifferently, which made them embarrassed.

Patrick didn't know how to continue.

He felt like showing excessive passion to this indifferent girl. Nikita seemed to don't want to talk to them at all.

"It's the man I met before." Sylvester saw Nathan, turned at Nikita he asked curiously in a low voice, "Niky, who are they? I think they all know you. Have you treated them before?"

Obviously they all knew Nikita.

Although Nikita said she didn't know them, Sylvester didn't believe her.

With Nikita's character, she won't treat a stranger.

Nikita looked at him indifferently, did not answer his question.

She felt like a little impatient and put her mobile phone back in her pocket: "Why do you have so many questions? Why didn't I find you are so annoying before?"

Sylvester shut up.

Yates showed up in time when he was embarrassed.

He poked his head out of the window and turned confused when he saw those people standing next to Nikita, then he looked at Nikita who was not that happy and quickly greeted her: "Nikita, let's go."

Nikita didn't look at the members of the Swift family again, and got into the car directly in Patrick and Margot's complicated eyes looking at her.

Moments later.

Yates drove away.

Patrick turned around and sighed.

They used to ignore Nikita.

But now they even had no chance to meet her or talk to her.

Nikita was so indifferent to them.

“Nikita is now..., alas, she is promising and capable. Our family is nothing in her mind.” Patrick sighed unhappily.

“Dad, Nikita is not the kind of ungrateful person.” Nikita frowned disapprovingly.

“We are sorry for her first. It is normal for her to be like this now.”

“She’s so ruthless.” Patrick sighed again. “We were not very good to her before, but didn’t we want to make up for it later?

Unexpectedly, she even abandoned her own parents!”

“That’s enough.” Margot looked irritable and said, “It’s useless to say these words.”

Margot’s also very upset.

Their own daughter was so promising, but she didn’t recognize them.

She was annoyed to hell whenever she thought of it!

Their own daughter doesn’t admit them now.

They spent so much effort to cultivate their adoptive daughter, thinking she was

reliable, but they got nothing in the end.

She has been doing good deeds all her life, but why's she so unlucky?

Outside a prison in N City.

Aman who had just been released from prison came out with bare head and

gaunt appearance.

"Be a good guy, behave yourself, and don't make mistakes in the future."

The prison guard reached out and patted the man on the shoulder: "Don't come

back again!"

Chapter 1567-Come to Find His Daughter

"Be a good guy, behave yourself, and don't make mistakes in the future."

The man had a good attitude and looked honest. He bowed to the prison guard

and said, "Sir, rest assured! I will turn over a new leaf."

The guard waved again, then turned and walked into the gate.

At the moment when the prison guard turned around, the man also turned

around, and the expression on his face changed instantly, instead of looking at

honest people like before, his little eyes became cold and vicious.

He sipped his lips and looked down at his hands, which were as rough as dead

bark because of long work.

There were many places on the hand were cracked.

The man lowered his head and looked at his hand for a while, then slowly raised

his head and looked in a certain direction.

It's been ten years.

That witched girl had grown up.

It happened that he had no place to live now, and no relatives could take refuge.

It was time for that girl to repay his upbringing.

No one in his family came to pick him up when he came out of prison, the prison

guards thought him pitiful, so everyone pooled some money for him.

It's almost a month's living expenses.

This money is enough for him before he got a job.

With the money, Costello took a taxi and went to the family where he had sold

his daughter.

When he came the door, the old couple who had bought his daughter were still doing farm work at home. When hearing a knock on the door, the old woman put down the corn in her hands, trembled to the wooden door, and opened the door bolt.

The people outside pushed it hard as soon as the door was unlocked.

The old woman was almost pushed to the ground.

blind? Didn't you see someone standing at the door? You almost hurt my waist."

In the yard, the old man heard the noise and stood up, throwing down the corn in his hand.

He hurried to help the old woman.

At this time, Costello has entered the yard.

He stared fiercely at the old couple in the yard, saying viciously: "Old guy, don't you know me? Where is my daughter? Call her out quickly and tell her that her

own father is coming!”

Chapter 1568-Coming to the Swift family.

“I don’t care your money!” Costello looked at the broken house in the yard and

disdained to say, “I am looking for my daughter!”

“Is Yvonne here? Ask her out quickly!”

Costello certainly knew that the old couple had no money.

In those days, that sum of money was saved by the old couple for a lifetime.

They spent a large sum of money to buy a girl in order to raise a child bride for their son.

“Are you looking for Yvonne? She is no longer in our home.’ When the old

couple heard that Costello didn’t ask them for money, they were relieved.

They would suffer a lot if they were entangled with hooligans like Costello.

Costello frowned tight hearing it: “Why? Where can she be if she’s not in your home? Dont lie to me, otherwise...”

Costello waved his fist at the old couple.

The old woman trembled with fear and hurriedly said, "Yvonne is really not in our house. She has gone to be a daughter for the rich."

Then she told all details to Costello.

Listening it, Costello got excited: "Is the family you mentioned very rich?"

"Of course! They live in high-end villa, which costs tens of millions." The old woman looked yearning and said, "I have been to their villa with my old man once, it's just like heaven!"

The old woman had not read any books. In her opinion, the best place is a place like heaven.

"She deserves to be my daughter! Ha, ha, ha, she really makes me proud!" After

Costello laughed a few times, he turned and left in an excellent mood.

Nathan found a sneaky man standing at the gate when he was about to go out to work by car.

This man looked fierce in appearance and sneaky in behavior, not some kind guy at first sight.

And half an hour ago, the security guard told him that a man came here to

inquire about their family, especially the women in their family.

Nathan looked at the man who was looking inside fence on his toes, put on a

long face and got out of the car.

The man didn't notice him and was still looking in when he walked behind the

man.

"What are you looking at?" Nikita said to him coldly.

The man felt like startled, turned around and said fiercely to Nathan: "Fuck

away, don't disturb my business."

Hearing the man's foul language, Nathan was more livid, enduring his anger and

saying, "This is my home. What are you peeking at outside my home?"

The man was a bit stunned.

"Is this your home?" He looked at Nathan again, laughed, his tone suddenly

much better, "Hey hey, why don't you say it earlier? So, you are the young

master of the Dan family?”

Costello quickly reacted. Looking at Nathan’s dress, he guessed that he was the son of Dan family.

Nikita didn’t like Costello very much, enduring his disgust and saying, “Does it have anything to do with you?”

What are you doing sneaking outside my house?”

“will call the police if you don’t tell me.”

“NO NO NO.” Costello still smiled and was not afraid at all when he heard that

Nathan wanted to call the police.

He looked at the watch worn on Nathan’s wrist and got excited. “Speaking of it, we are still a family.”

“A family?” Nathan frowned.

He really didn’t know the man in front of him.

Is he a distant relative?

“Hey hey, that’s right, a family.” Costello said with thick skin, “My daughter is

now a member of your family, while I am her father. So we are a family.”

Chapter 1569-His wishful thinking ended in smoke.

“Is your daughter a member of our family?”

Nikita frowned and looked at the man who would make him disgusted. Listening

to the man saying more and more outrageous, he got angry and said, “What are

you talking nonsense? You have found the wrong place.

There is no that person you are looking for here. If you stay here again, I will

drive you away.”

“Wrong place, how is it possible?” Costello thought it was the old woman who

lied to him, furious. “Isn’t this the Dan family? Didn’t you pick up a little girl in

Syracuse Village more than ten years ago? Damn it, are those two old guys

lying to me?”

“How dare they cheat me? I’ll punish them severely!”

Nikita had already identified the present like a ruffian rogue man as a thief who

was about to steal something.

He was about to call the doorman and let someone arrest him, but stunned

when he heard the man talking about Syracuse Village.

Then Nathan surprised when he heard the man say that they picked up a little

girl from Syracuse Village.

“Who on earth are you?” He frowned and looked at the man. “How do you know

about Syracuse Village?”

“So, you did pick up a little girl from Syracuse Village?” Costello was happy

again. “That’s right! Those two old guys should not have the courage to lie to

me.”

“How do I know that?” Costello proudly pointed to himself. “I’m Yvonne’s father.”

“I’m here to find my own daughter. Let me in quickly. We have been separated

for more than ten years, and now we can finally reunite.”

Costello pretended to have a close relationship with Yvonne: “In the past ten

years, there was not a day I have not missed my daughter.”

Nathan finally understood what was going on.

It turned out that this man was Yvonne's lazy and gambling father.

Yvonne was sold by Costello to the old couple in Yvonne for a sum of money.

The old couple bought Yvonne just to buy a child bride for their son.

Costello must know this.

But he did not hesitate to sell his daughter and continued to gamble with the

money from selling her daughter.

Therefore, it is impossible to say that Costello has any deep feelings for Yvonne.

Yes, it's time for Costello to be released from prison. Cathleen reminded them at

that time, saying that once Costello knew that Yvonne had been adopted by

them, he would definitely come to haunt their family.

Costello has never been some good guy. He has long been rebellious. Now he

must be having no money and no place to live when he is released from prison.

After inquiring about Yvonne in the Swift family, he came to her.

Unfortunately, his wishful thinking was going to fail.

After knowing his identity, Nathan's disgust in his eyes became stronger. He

said to him who was dreaming: "My parents did take Yvonne back more than ten years ago."

"But at that time, my parents mistook someone and thought that she was their lost biological daughter."

"Now, she is no longer in my family."

"What?" Costello was thinking about moving into their villa after he admitted Yvonne as his daughter, so that he can live a rich life forever.

He hadn't finished his wishful thinking when hearing Nathan say Yvonne was no longer in this house, and widened his eyes in shock

Chapter 1570-Her Nightmare

Although Nikita has never been in contact with people of this level like Costello, he knew how difficult to deal with such people, so he would never let Costello have any chance to entangle the Swift family.

He sneered: "My parents took her back because she lied to my parents. She is

not a member of our Swift family at all. Of course, it is impossible for her to stay in my house.”

“Find your daughter elsewhere, she’s not here.”

Costello completely froze.

Nikita looked at him indifferently and said, “Since you just said that you care about this daughter very much, pay back the money for her.”

“Pay back the money?” Costello was dumbfounded again. “What money?”

“Of course, it is the money she cheated in our house over the years.”

“I have no money!” Costello was almost mad. He wanted to take refuge in his daughter, who is now a rich girl, but he didn’t expect her daughter to have already been driven out of the house.

Now he asks him to pay back the money!

Of course, Costello can’t pay back the money. If he had known that Yvonne is no longer in the Swift family, he would definitely not come here!

“I lied to you just now. I’m not Yvonne’s father. I don’t know her well! Her affairs have nothing to do with me. Just ask someone whoever lies to you for money!

I’m busy, so I won’t talk nonsense with you!”

Costello said so and quickly slipped away.

He was afraid Nathan would really ask him to pay back the money.

Nikita stood in place, looking at the man who had disappeared in less than a minute, his face full of disgust.

Speaking of it, Yvonne was so poor to have such a father.

However, no matter how pitiful she was, she shouldn’t have deceived them.

If Yvonne were still in their house, Costello was definitely a big trouble.

At this moment, Nathan actually felt glad that Yvonne had left the Swift family.

Although he originally held some familial affections for Yvonne, the affection totally disappeared after he knew the truth.

Nathan solved the thing about Costello and was about to get into the car when his cell phone rang.

It was from Yvonne.

When Yvonne went abroad, she called him and told him her telephone number abroad.

Nikita didn't actually save it, but the call will show the place abroad. When he saw this call from ¥ country, he knew it was Yvonne.

He didn't want to pick it up, but when thought of that Costello, Nathan hesitated for a few seconds and picked it up.

"Nathan." Yvonne called him sweetly.

"I told you, I have nothing to do with you. Don't call me that again." Nathan frowned. "I also said, don't call me again."

"Nathan, you still answered the phone, didn't you?" Yvonne's voice was tiny. "It shows that you still care about me without you. If you don't care, you..."

"I answered the phone because your biological father was released from prison and came here." Nathan interrupted her coldly. "Do you know Costello?"

The other end of the phone.

Yvonne was stupefied.

She froze all over instantly.

This name was her nightmare for many years...

"I have told him that you are no longer in our house." Nathan continued, "He will

definitely continue to look for you. Don't blame me for not reminding you."

Nikita hung up without saying more.

Yvonne was still in a daze. She pinched her mobile phone and got shortness of

breath.

"Classmate, are you all right? Do you need any help?" Yvonne was on her way

to the library at this time, and a boy next to her seeing that she suddenly turned

pale and shortness of breath, so he rushed forward and asked.
