

## **The Girl CB 1641**

### Chapter 1641

Even though the dishes Nikita made weren't anything too fancy, it still took her almost two hours to get everything ready.

After Sheehan had everything served up on the table and the cutlery set, he went to call Nikita for dinner.

Nikita had already smelled the delicious aroma and, without finishing her game, she dropped her phone and eagerly ran over.

Sheehan had also opened a bottle of red wine.

Knowing her own alcohol tolerance, Nikita was afraid she'd oversleep tomorrow if she drank too much. After drinking half a glass, she refused to drink anymore.

Sheehan looked at her, his eyes containing a bit of scrutiny.

Feeling his probing gaze, Nikita met his eyes for a few seconds and asked, "What are you looking at?"

Sheehan put a piece of rib into her bowl, "Why are you drinking so little today and completely stopped?"

Even though she didn't hold her liquor well, she usually would drink two or three cups.

Without showing any unusual reaction, Nikita lowered her gaze and started gnawing on the rib, "Mm, I want to eat more food."

Sheehan didn't think much of it and after putting the rib in her bowl, he peeled a few shrimps and put them in her bowl, "Then eat more."

After dinner and a bath, the two lay in bed, embraced and asleep.

While holding her in his arms, Sheehan chatted, "After I finish another project, I'll have more free time. Then I'll have time to go out and play with you. Do you have any places you want to go?"

Nikita, still thinking about the next day's matters, replied absentmindedly, "I haven't thought about it, let's talk about it then."

Sheehan hummed in agreement, patted her head, "You can think about it these few days. Or, we can also go to M Country for a while and visit Sylvester."

Nikita pursed her lips, not saying anything.

She was already planning to go to M Country to see Sylvester. However, she planned on going alone, not with Sheehan.

Recently, the two of them had been sticking together every day.

Nikita felt that it was necessary to spend some time apart.

Absence makes the heart grow fonder.

If they were to stick together almost 24 hours a day, she was afraid she would start to feel fed up.

Not hearing Nikita's response, Sheehan looked down and saw that she seemed to have fallen asleep. He thought she was really tired and said, "Tired? Then go to sleep."

In fact, Sheehan still had some things he wanted to tell Nikita.

But after thinking about it, he decided it was better not to tell her for now.

After all, Mr. Hall had once been a shadow in her life.

If she knew that Mr. Hall was starting to stir up trouble again, it would definitely affect her mood.

After severely damaging Mr. Hall last time, even if he had any intentions, even if he still hadn't given up on Nikita, he couldn't act recklessly like before.

And he would absolutely not give Mr. Hall any more chances to hurt Nikita.

After Sheehan went to the company, Nikita got up, casually got ready, and took a taxi to the airport.

As soon as she arrived at the airport, she received a call from Nancy.

"Baby, I managed to sneak out, and now I'm rushing to the airport. Where are you now?" Nancy's voice was full of excitement, sounding quite cheerful.

Nikita walked into the airport terminal, "I just arrived at the airport."

"Then go to the VIP waiting room and have a cup of coffee. I'll be at the airport in no more than ten minutes."

"Okay, are you sure you really want to go abroad with me? No issues with Sampson?"

"Of course I'm sure, do you think I'm joking with you? As for Sampson, why do you care what he thinks? I'll go wherever I want, he can't control me"
