

## **The Girl CB 1646**

### Chapter 1646

“Huh?” Nikita blinked, a bit surprised. “Don’t you have her on WhatsApp? Why don’t you ask her instead of me?”

Did something come up between you two?”

“No.” Sylvester took another sip of his drink. “I saw her Ins, she seemed busy lately so I didn’t bother her.”

“Oh.” Even though Nikita found him a bit odd, she didn’t think much of it. “I rarely see her, so I’m not sure what she’s up to lately.”

“That guy named Samuel, are they pretty close?” Sylvester raised his head a bit, his expression seemed a bit off.

“I see him a lot on her Ins.”

“Yeah, they’ve known each other for a long time”

“Really.” Sylvester’s voice sounded a bit muffled.

Nikita found him even more peculiar.

Why is he so interested in Tammy?

Nacy also overheard their conversation and looked at Sylvester with a grin, teasing him, \* Sylvester, do you fancy her? Just go for it, you’re so handsome and you’re the son of a duke, it should be easy for you to win a girl’s heart.”

“Nacy, don’t make up stories.” Sylvester turned his head away, a faint blush spreading across his handsome face. “Why would I like such a bratty girl?”

Nacy looked at him with a ‘I know everything’ expression, tutted, and continued to tease, “You guys are around the same age, I think you’re a good match.

One’s the daughter of the Lambert Group, the other’s the son of a noble, and both of you are about the same age. If you two get together, it’s like killing two birds with one stone”

“Nikita is your sister, and Sheehan is her cousin. If you two really get together, you’ll literally be one big family.”

“I’ve seen Tammy a few times, she’s pretty cute and has a good personality, so there must be a lot of boys who like her. If you don’t make your move, someone else might beat you to it. Don’t say I didn’t warn you.”

Sylvester clenched his lips, his face changing colors. He opened his mouth as if he wanted to refute, but ended up saying nothing.

Would boys really like Tammy with her brash personality?

But Nacy’s words just now made Sylvester feel a sense of urgent crisis out of nowhere.

After dinner, Nikita answered a call from Sheehan.

“Where have you been? I’ve been trying to call you.”

His deep voice came from the phone, laced with a trace of worry.

“I’m in M country, with Sylvester.” Nikita didn’t hide it.

Sheehan was silent for a while after hearing this.

“Why didn’t you tell me you were going to M country? Was it a sudden decision?”

“Yes.” Nikita was strolling around the garden with Nancy, led by Sylvester. She walked slowly, her voice also slow.

“I just wanted to clear my head, will be back in a few days”

Sheehan was silent for a few seconds, then said, “Alright, have fun. When you’re ready, I’ll come pick you up.”

Before hanging up, Nikita couldn’t help but ask, “Sheehan, you’re not mad, are you?”

Sheehan chuckled lightly, “Why would I be mad?”

“So, you’re not mad.”

“Yeah, not mad. I thought about it, we have been spending a lot of time together recently. You’re used to being free and easy, so it’s good for you to get some fresh air. But next time, let me know where you’re going. I’ll worry if you disappear without a trace.”

“Ok.” Nikita smiled, “I’ll tell you next time.

Nikita was about to hang up.

Just before she hung up, Sheehan called her, “Niky.”

“What?”

“Don’t be away too long.”

“OK”.

“I’ll miss you”

“Oh”

“Don’t you have anything to say to me?”

“Alright, I’ll miss you too.”
