

The Girl CB 281

Chapter 281 What's wrong with her?

They, the onlookers, were a little moved.

If Yvonne was chasing him, he would have agreed.

Yvonne is good-looking, with good academic performance, and plays the piano very well. Maybe only few men can resist being chased by such an excellent girl.

They all admire Felton very much and think he is extraordinary.

Felton's respond was to stare him coldly: "If you don't talk, no one would think you are a dumb."

Samuel: "..."

"Felton."

The girl under the cherry tree saw them. Her eyes lit up and ran from under the tree.

"Felton, I have been waiting for you here for a long time." Yvonne trotted to the front of Felton, with a bit of shyness, she looked up and glanced Felton and then looked down, as if she was shy and timid.

Samuel and Tobin said with great interest: "Felton, we'll wait in the canteen."

The two boys left after saying that.

Felton's eyebrows twisted.

Samuel and Tobin are two silly human-beings.

“What can I do for you?” Felton was very upset at the sight of Yvonne. If Yvonne weren’t a girl to chase after him for so many years, he would have punched her.

His voice was cold, and his face was indifferent.

As he had treated her for so many years.

Yvonne was infuriated.

If she didn’t take a fancy to the identity of Felton as the young master of the Lambert family, she wouldn’t need to beg him to humiliate her.

On the surface she was warm and gentle, and her voice was soft and sweet, but deep in her mind she was angry and furious. “Felton, I will hold a birthday dinner at N City Hotel the night after tomorrow. Could you come?”

On birthdays in previous years, Yvonne invited Felton.

Felton didn’t go once.

At that time, although she felt ashamed. But it’s just ashamed.

If Felton didn’t come, forget it..

But this time it’s different.

This time, no matter what, she had to let Felton attend her birthday dinner.

"I don't have time." Felton put his hands in the pockets, squinted, his eyes and voice were indifferent.

Even if she already knew the answer.

But once again rejected by such indifference, Yvonne still felt ashamed. She was embarrassed and suppressed her anger. She was only glad that there were only her and Felton at this moment, otherwi

would be more ashamed.

Yvonne was unwilling to quit.

She really didn't understand why Felton was always so cold and alienated from her.

What's wrong with her?

She was the campus belle of the No.1 Middle School, with excellent academic performance and versatility. Many boys chased after her in school.

It's not exaggeration.

Ninety percent of the boys in school regard her as their goddess.

Only Felton and LannyOriginally, Felton was cold to everyone. Even if he refused, Yvonne didn't have much feeling even though she was unwilling to take it.

Lanny was the same.

He seems to have a good character and is very gentle to everyone, but in fact he is also very proud. He not only refused Yvonne, but also refused every girl who confessed their love to him.

The campus belle of the Experimental Middle school next door once expressed her love to Lanny but was rejected.

Therefore, Yvonne always felt that Lanny might really devote himself to study.

And Felton...the young master of the Lambert family, and his status is precious. It is normal to have a high vision. Felton despises her, and other girls can't get into his eyes..

Chapter 282 Nikita will be there, too.

But now...

Lanny, who told her that he wanted to focus on study, sent a love note to Nikita in public.

And Felton, who has always been indifferent to her and never been nice to her, also treated Nikita differently.

But why does Nikita make them so obsessed with her?

What else does she have except for a good look?

"Felton, I'm turning eighteen this year. My birthday party this year will be my bar mitzvah.

I really hope you can come to my birthday party on such a special day.

After the college entrance examination in a few months, everyone will go their separate ways. Maybe... there will be no chance to for us to meet in the future."

"If you are really busy, all you need to do is show up at the party, and then you can leave." Yvonne bit her lips with tears in her eyes, which made her look so pitiful. She was almost begging him."/>"Felton, please don't be

so indifferent to me.

I have told my friends that you will attend my party. If you don't go, I...

"It's your own business." Before she finished her words, the young man with a gloomy face and impatience in his eyes interrupted her coldly. "What you said to your friend has nothing to do with me, doesn't it?"

"Why should I cooperate with you?"

Yvonne was stunned for a second. Then her eyes were wide open and suddenly turned red.

She bit her lips, with tears quivering on her eyelashes. Her little face looked pale, which made her look weak and pitiful.

Seeing her like this, most of the men would nod and say yes to her no matter what she asked for, as long as it was not particularly excessive.

However, Felton just took a look at her indifferently. It seemed that he wouldn't change his mind because of

her.

"Is this why you came to me?"

"Are you done now?"

"Then move. Don't get in the way." There was no expression on the young man's face, and his voice sounded cold.

Yvonne finally couldn't control herself. She covered her face and started to cry. "Felton, don't treat me like

this.

What have I done wrong? I just like you. Is it wrong to like someone?"

Felton remained a cold face and saw her cry so hard that even her shoulders were shaking.

There were several people passing by one after another.

Seeing two people standing together, one looking indifferent, and the other crying with her face covered, they couldn't help whispering to each other: "It's our campus belle Yvonne and Felton. It seems like Felton made our campus belle cry again."

"Yvonne has been pursuing Felton for more than two years.

Felton is really hard to impress. Being pursued by a campus for two years, he never accepted her."

"The Young Master of the Lambert family is really picky on the girl he goes out with.

He doesn't even like the campus belle. I wonder who can be his future girlfriend."

"I heard that Felton seems to be special to the new transfer student..

By the way, the transferred student is also the adopted daughter of the Swift family. She is very beautiful indeed, but her grades are not good. I think if I were Felton, I would definitely choose our campus belle."

Hearing people gossiping around him, Felton glanced coldly at them.

Those people who were talking immediately went silent and quickly left with their mouths covered.

Seeing Yvonne was still sobbing with her face covered, he frowned impatiently. As he was about to spoke up, Yvonne raised her red and swollen eyes and looked at him.

What she saw was still the young man's cold and narrow eyes, which looked ruthless and indifferent.

Yvonne scolded him being cold-blooded in her heart, but her voice remained weak and soft. "Felton, Nikita's birthday is on the same day as mine.

Our family decided to hold a birthday party together for us.

So the day after tomorrow, Nikita will be there too.

Do you refuse to attend Nikita's birthday party, too?"

"What did you say?" Felton was stunned for a second. "Is the day after tomorrow also Nikita's birthday?"

Chapter 283 Prepare Presents for Her Birthday

The young man who looked indifferent one second ago, finally took a serious look at Yvonne.

Yvonne and Nikita's birthdays are on the same day?

Then, isn't Nikita's birthday coming soon?

Felton's eyes sparkled for a second. He wondered whether she should prepare a gift for her.

After all, Nikita cured his grandfather. It's reasonable that he sends her a present since her birthday is coming.

Yvonne noticed that as she mentioned Nikita, Felton started to take it seriously. She bit her lips tightly and held so much hatred in her heart that she couldn't help gnashing her teeth.

Nikita is really special to Felton.

She felt very struggled in her heart.

She couldn't accept the fact that Felton fell for Nikita. But in order to invite Felton to her birthday party, Nikita was the only one she could count on.

"Yes, the day after tomorrow is also Nikita's birthday.

If you don't believe me, you can ask her in person." Yvonne stretched out her hand and wiped the tears at the corner of her eyes. She picked up a bitter smile. "Felton, even if you just come to the party for Nikita the night after tomorrow, I... will still be very happy."

"Brother Felton, what did our campus belle say to you? Did she invite you to her birthday party?"

On the third floor of the canteen.

Compared to the first floor, the decoration style of the third floor is like those star-rated hotels, and the consumption level above is naturally much higher than that of the first floor.

Although most of the students in the First Senior High School have good family conditions, there are still few people who are willing to spend money on the third floor.

Samuel and Tobin had already ordered some food. They didn't start to eat before Felton arrived. Felton sat by the window and looked a little distracted. He seemed to not hear Samuel talk to him. Samuel touched him with his Song elbow: "Brother Felton, what's on your mind? You have been in a daze." "What is appropriate as a birthday present for a girl?" The young man, who had been in silence after sitting down, slowly turned his head. He looked to Samuel and Tobin with his narrow and beautiful eyes.

“What?” A piece of braised pork which was just picked up by Samuel fell into the bowl. He was shocked, and his eyes were wide open. “Brother Felton, are you going to attend Yvonne’s birthday party?”

Is he finally moved by Yvonne’s persistent and going to accept her?

Tobin also looked at Felton in surprise. “Do you really want to attend Yvonne’s birthday party?”

“It has nothing to do with her.” As Yvonne was mentioned, Felton frowned, and his expression showed some displeasure. “Nikita’s birthday is coming soon.

Help me come up with some good ideas about the present.”

“Nikita’s birthday?” Samuel suddenly became interested. “When is her birthday?”

Although he felt that he was not qualified for pursuing Nikita.

“But Nikita was still his goddess.

Even if he can’t be her boyfriend, it doesn’t prevent him from continuing to like her.

He will always have the right to like someone.

“The day after tomorrow.”

“The day after tomorrow?”

Isn’t that the same day as Yvonne’s birthday?”

“Yes, their birthdays are on the same day.

Yvonne said that the Swift family planned to hold a birthday party for her and Nikita on the same day, so Nikita will also be at the party at that time.”

Tobin was stunned for a second: “Wouldn’t they be born on the same day in the same year?

This is too predestined.

Do you think this is part of the reason why the Swift family adopted Nikita?”

Felton stared at him. “Don’t talk nonsense. What does this have to do with you?

You just need to help me think about what to send to Nikita as a birthday present.”

Samuel touched his nose. “I think Nikita is different from ordinary girls.

If you want to send her a present, choose something special.”

Chapter 284 Nikita has secrets.

“Special?” Felton narrowed his eyes.

According to Nikita’s character, if he wants to give her a gift, he really has to choose a special one.

She probably wouldn’t like those stuff that ordinary girl prefer.

However, what kind of gift is special?

Felton hasn't sent many gifts to girls before. He just used to send Tammy presents when it came to her birthday. But he never put so much thought on the gift choosing.

The birthday gifts for Nikita certainly can't be so perfunctory.

"Nikita is not short of money. It is definitely not a very good choice to give her a valuable gift. What she cares more is the meaning of the gift." Samuel buried his head and put some serious thought on it. He sounded like he had plenty of experiences. "I think a home-made present will definitely impress her!"

"A hand-made gift?" Felton's eyes narrowed again, and he felt that this suggestion was not very reliable..

"That's right!

For example, if you make a wood carving or stone carving by yourself and sent it to her as a gift, she will be very touched!

Felton: " "

—

Tobin: "..."

What kind of stupid advice is this?

Forget it. Relying on others is no better than relying on himself. Felton didn't bother to ask for Samuel and Tobin's advice again. He decided to give it more thoughts.

During the class in the afternoon.

Felton went back to the classroom, and was surprised to see that instead of sleeping, Nikita was the reading the book which she had been focusing on since the morning.

He went to his seat. And before he sat down, he glanced at her desk. The pages of the book were full of English fragments, and she was reading an English novel.

Although Felton doesn't have a good grade, his English is very good.

Just like Sheehan, he also lived abroad for many years before returning to China. And reading an English novel won't be a problem for him.

Miss Morris said that Nikita spoke French very well that day.

It seems that she can not only speak French, but her English is also very good.

If she is not particularly good at English, she can't read this kind of novel in English at all.

Even Yvonne, who has won the third place in the National English Competition, couldn't finish reading an English novel like this.

Nikita...

Felton took a deep look at the girl next to him, and he was thinking about something.

When Felton a child, he used to go to the countryside with Old Mr. Lambert, who went to a village to do public welfare.

'He only lived in that village for one day. And on the next day, he couldn't stand it. He cried and wanted to go

home.

There is no other reason. He just couldn't stand the poor conditions there.

Felton doesn't believe that Nikita, who grew up in that kind of place, could receive a good education. And he doesn't believe that the teachers who give classes in a small township school can be skilled enough to teach their students to read English novels and even learn to speak French.

Not to mention Nikita's superb medical skills...

Nikita has secrets on her, many secrets.

Felton stared at Nikita for a few seconds and sat down. After thinking about it for a while, he turned his head and asked her: "Nikita, is your birthday the day after tomorrow?"

"Hmm?" The girl who was reading carefully turned her head and raised her eyebrows in surprise. "How do you know?"

Felton also raised his eyebrows.

Then it's true.

It seems that Yvonne really didn't lie to him.

"Somebody told me." Felton didn't mention Yvonne inviting him to her birthday party. He picked up a smile and asked: "Is it going to be your eighteenth birthday?"

Then I wish you a happy birthday in advance."

"Oh, thank you." Nikita turned back and continued to read the book in his hand.

She didn't ask who the "somebod

was in Felton's words. After all, it's not difficult for her to guess.

She and Yvonne do have the same birthday. And the day after tomorrow is also her real birthday. But the birthday on her ID card has long passed.

Chapter 285 Sometimes, he can be evil, too.

When Granny Callie adopted her, she probably estimated her birthday and applied the household registration booklet for her.

Since then, Nikita has been celebrating her birthday on the date on her ID card.

After school in the afternoon.

At ordinary times, Felton leaves together with Samuel and others. But today, he rarely let them go first. He waited for a while and left with Nikita.

The young man has a delicate face, which is particularly good-looking. With a height of more than 1.8 meters, he looks tall and thin. He went downstairs with Nikita side by side. Seeing them walk together, the students all stopped their steps and looked at them in a surprised and gossipy way,

One is the Young Master of the Lambert family, who is popular in the whole school.

The other is the "new campus belle" who stole a show when she first transferred to this school.

Both the boy and the girl have good looks. It was really eye-catching for them to walk together.

In addition, there were rumors that Felton fancied this new transfer students. More and more eyes began to

fix on them.

“It’s such a surprise that Felton is walking with Nikita!

It’s the first time I’ve seen him walk with a girl!”

“So the rumor about Felton falling for Nikita is true, isn’t it?

I feel that she is special for Felton. He allows her to sit next to him, and now, he is walking with her like this. If he doesn’t like her, how could it happen?”

“Yeah! Yvonne has been pursuing Felton for two years. Doesn’t Felton still hold a cold attitude towards her?

I thought Felton would treat every girl in the same way as he treated Yvonne. It seems that there is a big difference between the girl he likes and the girl he dislikes.”

“Not to mention other stuff, their looks really match.

Don’t you think it’s a pleasure for our eyes when they walk together?”

They enjoy watching them walk together.

No one denies that.

It has been said before that the school hunk in the First Senior High School is really handsome and worthy of his name. But compared to him, the campus belle is actually just-so-so.

But if the new campus belle is Nikita, her good look is absolutely convincing.

“Nikita, are you going to give Grandpa an acupuncture treatment today?”

You can take my car. We can go there together.” After turning at a corner of the stairs, Felton heard someone say that he and Nikita looked good together. The young man couldn’t help picking up a subtle smile.

His pace of going down the stairs became more brisk.

He was obviously in a good mood.

“No, thank you.”

Nikita is much shorter than Felton, but she walks fast. With a height of 1.86 meters and a pair of long legs, Felton still has to chase her while walking with her.

Then went down another floor.

Felton was one step behind her. He quickened his pace to catch up with her and frowned. “Why?”

I’m going home, too. We can go back together in my car.

Nikita’s footsteps paused for a second. She took out her phone and raised it in front of his eyes. “Just now, your brother sent me a message. His car is already waiting outside the school gate. I’ll take his car.”

Sheehan seemed to arrive just on time.

As soon as the bell rang, she received his message.

Felton’s good mood immediately disappeared.

It's his brother again.

Thinking of Sheehan's bad intentions towards Nikita, Felton sipped his lips and looked at the girl in front of him who seemed to be completely unaware. Since they are deskmates, he reminded her in a low voice: "Nikita, although my brother looks quite like a gentleman, sometimes, he can be quite evil, too.

Don't feel too relaxed around him."

Sheehan just sent another message, asking Nikita if she wanted to drink bubble tea. He said that there was a bubble tea shop opposite the First Senior High School. If she wanted to drink it, he could get off the car. and bought it for her.

Chapter 286 He is trying to please her to the extreme in all aspects.

Nikita just replied 'Whatever', she heard Felton saying that his brother is a bas*ard. Felton also told her to be careful.

The phone vibrated again.

She looked down at it. It was a WhatsApp message sent by Sheehan.

Sheehan: I'll queue up. It's a little crowded. You can wait for me in the car when you come out later.

Is he going to queue to buy milk tea for her?

For the sake of his grandfather, he is really trying to please her to the extreme in all aspects.

If she hadn't known the reason...

Nikita might misunderstand that he wants to chase her.

But how could this kind of thing happen to Sheehan?

The president of the Lambert Group, the ruler of the Lambert family, he is the most superior man. How can he be so humble for chasing a woman?

It's not a question of whether he is willing or not, he doesn't have to.

Considering his identity, it is unnecessary for him to do like this.

When Nikita bowed her head and replied to the message, Felton saw the message on WhatsApp sent by Sheehan.

At first glance, Felton thought he was wrong.

His brother went to line up to buy milk tea for her?

After looking carefully at it, he found that it was indeed the WhatsApp of Sheehan,

At that moment, the expression on Felton's face was a bit complicated.

His brother really spares no effort to get together with Nikita.

"Nikita, you..." Felton finds Nikita's careless appearance, she obviously doesn't pay attention to his reminder just now. He lowered his voice, and his expressions were more serious, he wanted to remind her again.

"Your brother is going to buy milk tea. Do you want to drink it? I can ask him to buy one more cup of milk tea." Nikita raised her head, her black eyes seemed to have a layer of fog. When she is looking at others, her eyes are foggy and extraordinarily beautiful.

Felton looked into her watery eyes directly.

The girl's little face is white, and her facial features are exquisite, as if she had been drawn by a person carefully.

There is no shortage of beautiful girls around Felton.

But he has just met such a beautiful girl as Nikita.

His heart beat suddenly got faster, and he suddenly felt a little uncomfortable. He sipped his lips and looked at another place: "No, since my brother has come to pick you up, I won't go with you.

I still have something to do. I'll go first."

Samuel and Tobin should not have gone far away from him.

After saying this, he turned and left.

His legs are long, and he walks fast. Nikita looks at him leaving quickly. She feels that he has left in panic.

He walked in a hurry, as if he was trying to avoid something.

She didn't think so much, she took back her mobile phone, put her hands in the wide pockets of her school uniform, and walked slowly towards the school gate.

The second floor.

Yvonne stood in the corridor, looking downstairs with an ugly face.

Her two best friends also saw Felton and Nikita standing downstairs and talking.

They don't know what they are talking about.

But Felton's attitude and expression when he is talking to Nikita are completely different from those when he was with others.

They want to comfort Yvonne as usual, but Yvonne's face is particularly bad, her eyes are gloomy, and she looks frightening.

Neither of them dared to say anything.

It seems that Yvonne is quite angry.

She hasn't been so angry at ordinary times.

Yeah, she sacrificed her dignity and chased Felton for two years. Felton was still indifferent to her, but Nikita, a hillbilly came from the countryside, a daughter adopted by her parents, gained the special treatments of Felton quickly.

If it were them, they would also be angry.

Who can be willing to lose to a hillbilly?

What's more, this hillbilly is just a humble adopted daughter of her own family.

Chapter 287 Sorry, I have a girlfriend.

At the school gate, a milk tea shop that is popular at ordinary times is particularly noisy today.

There are more than twice as many girls waiting in line to buy milk tea as usual.

"Ahhhh, that man is very handsome!"

“Is he a star who is shooting a show? A newcomer in the entertainment industry? I ha

Several girls looked around with their eyes, but they didn’t see cameras.

seen him before.”

“I don’t think he is a star, his aura is strong, like an overbearing president.” A girl in the nearby place looked at the slender and straight figure in the milk tea shop. “A white shirt and black trousers, wide shoulders, narrow waist and long legs, handsome eyebrows and eyes, he looks quite elegant. He looks like the president in novels, doesn’t he?”

—

In the store.

“Here’s your taro milk tea and strawberry cheese, sir.” Inside the counter, when the clerk handed milk tea to him, her face was reddish. She glanced at the man standing beside the counter, with one hand on the bar table and his shirt sleeves pulled up.

Her eyes are full of affections.

This man is so good-looking.

His appearance is much better than those handsome boys that are the most popular ones in the entertainment industry now.

More importantly, his temperament is also excellent.

At the first glance, others can tell he is a great man with great qualities, good educational backgrounds, and extraordinary abilities.

“Thank you.” The man stretched his hand and took the bag containing the milk tea. His fingers were clean, slender and jointed, just like artworks.

He scans the QR code of payment with his mobile phone.

The clerk glanced at the man’s face, and then looked at his hand.

She has a feeling in her heart that a handsome man also has beautiful hands.

She doesn’t know which girl can be so fortunate to be the girlfriend of such a handsome man.

She can tell that the milk tea is bought for his girlfriend.

He walks out from the milk tea shop.

A girl tries to be bold to walk forward and ask for his contact information.

The man politely refused: “Sorry, I have a girlfriend.”

The girl looked at the milk tea in his hand. Although she guessed that the milk tea must be bought for his girlfriend, her eyes flashed a trace of loss.

What a pity.

Such a handsome man has a girlfriend.

After saying 'Sorry to disturb you' sadly, the girl who asked for his contact information turned and left.

Sheehan stood by the street.

On the opposite side, there is his silver-gray Rolls-Royce.

He took out his mobile phone and looked at it. After thinking about it, he didn't return to the car.

The little girl will come out soon.

He looked down at the food bag he was carrying. There was a cup of milk tea and a cup of fruit tea in it, both of which were unhealthy drinks that were very sweet.

She is growing up. It's not good to drink so many unhealthy drinks like these.

However, it should not be a problem to drink occasionally.

A group of students came out of the school one after another.

They have just finished school, just as birds released from cages. Hundreds of people came out at the same

time.

The school gate is crowded with people.

Sheehan saw the person he was waiting for at a glance.

The young girl carried her black backpack, with her hands in her pockets, and her hair behind her head was swinging. She walked slowly towards him from the crowded crowd..

Everyone else is like a flying bird. When they leave the school gate, they cheer and run away.

Only her.

That casual expression on her face is like taking a walk after dinner.

Her face is attractive in the crowd, it is so beautiful. Sheehan is amazed every time when he sees her.

Seeing that a few little boys have been peeking at her, his dark eyes narrowed. When he was just about to walk forward, a silver-gray Porsche with the same color as his car slowly stopped beside Nikita. When the door was opened, Sheehan saw a man wearing a cap and a black mask coming down from the car.

Chapter 288 After being angry, she will regret it.

After the man got off the car, he went straight towards Nikita.

Sheehan saw the girl with an indifferent face changed her expressions obviously after seeing that man.

Her delicate and beautiful eyebrows slightly frowned.

Her face became impatient and cold.

Sheehan stopped and narrowed his eyes. He stared the man with a cap and didn't move forward.

Nathan ended the group training ahead of schedule today. In the evening, the group decided to have dinner together, but he didn't go. After leaving the program group, he drove directly to the School to pick up Yvonne.

He can also talk with Nikita.

Nathan hasn't seen Nikita for several days.

After leaving the police station that time, when he returned to the Swift family, Zoey told him that Nikita had moved away.

He was a little surprised at that moment.

But when he thinks about this later, he thinks that Nikita is just angry, and girls like to run away from home when they are angry.

She definitely didn't really want to leave the Swift family.

After being angry, she will regret.

But because of her dignity, even if she regrets it, she certainly can't mention moving back to the Swift family. But as long as she is given an opportunity, she will move back immediately.

He came here today to give Nikita the opportunity.

Although he also felt that Nikita moved out without saying a word was impolite, it was normal for girls to be willful occasionally. Besides, Nikita used to be a girl like a gangster before coming back to the Swift Family.

She can't be expected to be as polite as Yvonne.

She can't change all her bad habits at once.

When his group training is over, he will be able to have enough time to teach her.

After all, she is also his sister.

Even if they don't have so many feelings with each other, they still have blood relationship, he can't really ignore her.

"Nikita." When Nathan arrived at the School, he saw Nikita walking out following a group of students out of the school gate.

The girl's skin is white and shiny.

Her face that looks very similar to him, and Nathan saw her at a glance.

He stopped the car, took a mask and put it on, opened the door and got out of the car.

Nathan walked to Nikita, he looked at her for a few seconds, his eyes were surprised.

'He also thought that Nikita would live a bad life after moving out from the Swift family.

Although the accommodation conditions in the School are not bad, it can not be compared with the comfortable conditions of living in a villa.

The most importantly, Margot gave Nikita a bank card before, but she refused because of her strong dignity. If she had lived at home all the time, she couldn't spend so much money.

But she moved out, and she had to spend money for all her daily requirements.

She certainly doesn't have much money.

It is conceivable that she must be having a bad time.

But seeing Nikita again, Nathan found that the girl in front of him didn't live a bad life as he thought.

She was still the same as when he met her for the first time. Her eyebrows and eyes were arrogant and proud, she narrowed her eyes with coldness and indifference, just as a wild wolf that couldn't be tamed.

She was still so arrogant.

It's not like being suppressed by life.

"Nikita, where are you going?"

I especially came to see you today. Let's talk?" Nathan looked at the pedestrians walking by them, several students from the school looked at him with curiosity frequently. He stretched out his hand and pulled up the mask.

"My car is parked nearby. Shall we get on the car and talk, or find a place to sit down and talk?"

Chapter 289 Get away from me and don't bother me again.

"Get away, you're in the way."

The girl said like this without any feelings in her voice.

Nathan was stunned, he looked down again into a pair of cold eyes. Nikita's cold eyes seemed to have been soaked in the ice pool. Her eyes are glowing with a layer of coldness. When they look into the eyes of each other, Nathan got a layer of goose bumps because of the coldness in her eyes.

His face looked stunned, after a few seconds, he frowned: "Nikita, how long do you want to be angry with us?"

Are you still blaming me and Mom for not getting you out of the police station that day?

But that day you...

“It seems that you have forgotten what I said that day.” Nikita interrupted his words with impatience in her eyes, “I remember I have said that I have no relationship with the Swift family.”

If you forget, I’ll say it again now.

“Listen, from the day I moved away, I have nothing to do with the Swift family.”

“In the future, we will have our own lives without bothering each other.”

“Now, you can get out of the way?”

Nathan couldn’t believe what he has heard.

He thought that he had come in person, and he had respected Nikita enough.

No matter how angry Nikita is, she should know to control herself.

But she hasn’t felt enough yet?

She continues to be angry with them?

She says such capricious and hurtful words?

Nathan looks sullen, but when he thinks that Nikita was wronged before and his purpose of coming here today, he takes a deep breath, controls his temper, and says: “Nikita, don’t be so willful.”

It is all right for me to listen to your words like this, but your words shouldn’t be heard by our parents.”

“If they really don’t care about you, do you think you can have a good life?”

“With your present grades, you can’t even get into an ordinary university.

Have you ever thought about where you will go after graduating from high school?

Go to work?”

Nathan tried to be patient and persuaded her: “You should be sensible, and say something good to coax our parents.

Even if you can’t get into college, they can give you some money to continue studying.

Even going to a technical college is better than going to work after graduating from high school.”

“You have also made trouble, you have also vented your anger, you should stop doing like this.

Yvonne will come out soon. When she comes out, you should go home with us.”

“You don’t have to collect the luggage in your dormitory, you can leave directly.

“You can find everything you need at home, you won’t be short of anything.”

Nikita listened to his words expressionlessly, she narrowed her eyes without saying anything.

Nathan saw that she didn’t say a word, thinking that she had listened to his words, thinking that she was obedient. His eyes were softer, and his tone was slower: “OK, let’s get on the car first.

I’ll take you and Yvonne to have dinner in the evening. Tell me what you want to eat.”

Nathan didn't want to stand outside for too long.

”

He is also popular now, many people know him.

Just now, several students have been peeking at him, probably thinking he looks familiar.

But he was wearing a mask, and they couldn't confirm their identity, so they didn't dare to come forward.

He said, turned around first, and wanted to return to the car.

“Can't you understand the words of human beings?” Behind him, a cold voice sounded.

Nathan was stunned, he turned his body, his eyes were filled with consternation.

He stared at Nikita for a few seconds, he wasn't sure if he had heard wrong just now.

“What are you talking about?”

“I said.” Nikita smiled, but her eyes were cold and heavy, which made Nathan stressful. “Can't you understand words said by human beings? Nathan?”

Can you, everyone from the Swift family, get out of my life and stop bothering me?”

Chapter 290 You are a girl, so don't drink so many cold drinks.

Nathan heard clearly this time.

His face suddenly turned blue because of anger.

“Nikita, you are so rude!

Brother comes to school to find you with kindness. How can you talk to him like this!”

Nathan has not vented his anger. Not far away from him, Yvonne walked over with an angry face.

She went to Nathan, stood with him and sipped her lips. She blamed Nikita: “Do you know how busy our brother’s training is these days?

He tries to leave enough time to come to school to find you today.”

“Mom said he doesn’t have to take care of you.

But he thinks that you have lost your families, and you must be unaccustomed to living in a strange place alone, so he is kind enough to pick you up.

You can refuse if you don’t want. Why do you say such hurtful things?”

Nathan heard her words and frowned.

Although Yvonne is helping him, her words are strange.

Nikita was taken back as a member of the Swift family.

The whole family is fine, Yvonne’s words are not auspicious.

Thinking that she is also kind, and she has no time to think so much when she is in a hurry, Nathan is not angry, he feels quite warm.

Yvonne is quite gentle, she always says gently and softly.

It is the first time for him to see such a “fierce” Yvonne. He feels that a little rabbit becomes brave to bit others just to protect him.

“Yvonne, you don’t have to be worried about this.

Wait for me in the car.” Nathan turned his head and his voice was gentle.” I have bought you your favorite mousse cake, but don’t eat too much. Don’t be so full, we will eat something good tonight.”

Yvonne’s eyes became bright suddenly.

She looked up, and her charming little face smiled sweetly and happily: “Brother, you are so kind to me.”

Nathan stretched his hand and touched her head. “Go and eat.

The shopkeeper said it tastes best within an hour.”

“But...” Yvonne looked at Nikita, her pride and showing off can be found from her eyes, but she frowned, “Nikita, she...”

She didn’t call her as Sister Nikita.

Nathan put one hand on Yvonne’s head and turned his head to look at Nikita.

The brother and sister seem to be close to each other.

Nikita is expressionless: "I'm not interested in watching you show deep love between brother and sister

Get out of the way and get away from me, you are affecting my appetite for dinner.

Nathan lost patience.

He thought that Nikita should have controlled her temper after being treated politely.

But obviously this is not the case..

There are more thorns on her body than before, and they are more stinging.

Every word she says makes him unable to control the impulse to get angry.

His eyes became dark, and his voice became cold. "Nikita, you..."

"Why don't you call me when you are being bothered by others?"

The milk tea you want, drink it while it is hot." A low and magnetic voice sounded next to Nikita. She turned her head in surprise and half narrowed her eyes. She didn't know when Sheehan came over and stood next

to her.

He took a cup of milk tea in the bag and handed it to her. The straw was also inserted carefully.

Nikita raised her head, and he bowed his head.

They looked at each other for a few seconds. Nikita smiled, her eyes were not that arrogant and gloomy. She stretched out her hand, and used her white little hand to take the milk tea. Her palm was touching the paper cup, and she felt that the milk tea was still hot.

She frowned: "The weather is so hot, but you have ordered a cup of hot milk tea for me?"

The man's big hand gently fell to the top of her hair and rubbed it. His voice was heavy and nice, and it sounded gentle: "You are a girl, so don't drink so many cold drinks."
