

The Girl CB 291

Chapter 291 This man has a special relationship with Nikita.

After a pause, he smiled lowly. "Drink more hot water."

Nikita:

Fine.

Sheehan is actually a man without experience of love.

The man's palm is very big with his temperature. When he touches her head, Nikita feels unaccustomed, so

she tilts her head, but she doesn't want to refuse.

She always rejects the proximity of unfamiliar people.

What's more, it's such an intimate action.

Probably it is because this man is so good-looking.

N

She is more tolerant for those good-looking people of both genders.

She will tolerate a man as handsome as Sheehan to a larger extent.

He touched her head, and it seemed not that hard for her to accept.

Nathan and Yvonne looked at the man who suddenly appeared, and their eyes were stunned.

Especially Yvonne

She opened her eyes widely, and stared at Sheehan's handsome and delicate face. Seeing him touching Nikita's head closely, her eyes were more shocked.

He is extremely good-looking, and his temperament is elegant.

The aura is so strong. He is just standing there, others may feel invisible stress around them.

The afterglow of the sunset fell on him.

He is standing in the afterglow. His figure is tall and slender, it seems that he is covered with a layer of light. He is shining, which makes others afraid to look at him for another time.

Yvonne doesn't know this man.

But she can tell that this man's status must be very unusual.

She looked at the man's handsome face, and she didn't want to look at another place.

Nathan is good-looking, and Felton is also good-looking. Yvonne has met many good-looking males.

But this man in front of her is different from them.

He has a mature charm of male, which is a temperament that Nathan and Felton can't have at their age.

It is quite,.. attractive.

Yvonne looked at him and became unhappy.

Nikita... knows such an excellent man?

How could she know him?

She is a hillbilly who has just come to N City from the countryside. How can she know a man of this status?

“Nikita, who is he?”

Nathan is also staring at Sheehan. Although he pretends to be calm, he is also surprised.

Compared with Yvonne, who is still in high school, Nathan has entered the society, he can easily tell that the man's identity is not ordinary.

He looked at Sheehan, and then looked at Nikita next to him, he frowned tightly.

This man has a special relationship with Nikita.

What's their relationship.

When Nathan asked like this, Yvonne was nervous for no reason. She clenched her fists, and waited for the

answer nervously.

Nikita didn't speak.

She lowered her eyes and took a sip of hot milk tea, and a sweet taste spread out on the tip of her tongue.

She felt better.

If this cup of milk tea is cold, it will be even better.

She thought like this, turned her head and said to the man beside her, "Buy a cup of cold milk tea for me next time."

After a pause, she said, "I don't like hot water."

"OK."

The man's low voice is very gentle, he turns his head, stretches out his hand and put her hair on her forehead that has covered her eyes behind her ears.

The fingers are slender and jointed, which are quite good-looking.

His deep eyes are smiling: "I'll buy a cup of cold milk tea for Niky next time."

This tone has a trace of spoil.

Nikita didn't realize this. But Yvonne and Nathan, who were standing opposite her, realized this.

Chapter 292 Jealousy makes people irrational.

Nikita raised her head and looked at the man beside her with warning in her eyes.

He didn't control himself, and even became closer to her.

Sheehan took back his hand after doing these things successfully, and he smiled happily.

He could still feel the soft and tender feelings from his fingertips.

And the sweet fragrance in the girl's hair.

The man lowered his eyes and looked at the hand he had taken back. His cold eyes flashed some different emotions, and the eyes were dark for a few seconds.

Yvonne looked at interactions between them.

The man's "Niky", which shows the intimate relationship between them, makes her feel more uncomfortable. Some emotions can't be restrained and spread in her heart.

She pinched the other hand on the side of her body, and sipped her lips. She felt jealous, she could not help but ask: "Nikita, is this your friend?"

When did you meet such a friend from the society? I haven't heard you talk about him."

Nikita didn't speak.

At this moment, she bit the straw and raised her head slowly.

She looked at Yvonne coldly, and smiled coldly: "Why should I tell you? Are we close to or familiar with each other?"

Yvonne was satirized. She looked at Sheehan, bit her lips with a pair of wronged eyes: "Nikita, do you have to speak in such an aggressive way?"

I am also worried about you.

Are you still angry because mom and brother haven't bailed you out from the police station when you were closed in it?"

"In fact, you misunderstood brother and mother.

It's not that they don't want to bail you out, Jake's mother doesn't accept mediation and just wants to send you to jail.

Their family is also influential in N City, and it is connected with those wicked forces. If the Swift family has to go against them, what should we do if they find someone to retaliate us?

"If we really don't care about you and don't worry about you, we won't take you over from the countryside.

With your grade ranking the last one before, you can't get into No.1 Middle School at all. Do you know how much effort mom has made in private in order to let you get into No.1 Middle School?"

"You are going to move out of our family and cut off your relations with us just for such a reason.

You are really too capricious."

Yvonne said like this and pretended to look at Sheehan inadvertently.

She saw that the man with a special identity was still looking at Nikita, as if he had not heard her words.

This is quite different from what she has thought.

Yvonne frowned and sipped her lips, it seemed that she was unwilling, her voice became louder: "Nikita, I saw someone send you to school on that day.

The car is a Rolls-Royce of a limited edition, which is worthy of 20 million."

"You moved out from our home without a penny, and you refused to go home.

Is it because you have found a backer?"

Yvonne has become irrational.

In normal times, she wouldn't have said directly.

But at this moment.

She just wants to let the man beside Nikita know, Nikita is just an ignorant and vanity woman who will be lured by money.

She is also a hillbilly with little knowledge.

When she said this, Sheehan finally stopped looking at Nikita. The man turned his head and looked at her with dark eyes, his eyes were cold and sharp.

Yvonne was shocked.

'Suddenly she felt cold, from her head to her toes, as if she was frozen.

There was fear in her eyes. She stretched her hand and grabbed Nathan's arms. Then she leaned towards Nathan.

Chapter 293 Get away, understand?

Nathan felt that she was afraid, and quietly pulled her to his side.

What Yvonne said made him feel a little uncomfortable.

But on such an occasion, he can't correct her words.

Yvonne is a girl with strong self-esteem. If she is blamed outside, she will definitely be upset.

He just stopped her gently: "Yvonne, some things haven't been made clear, don't talk nonsense."

Nathan doesn't believe that Nikita will be the lover of a rich person.

The first time he saw Nikita, he felt that she was proud.

Such a person won't sacrifice herself for money, let alone being the lover of a rich person.

However, the man in front of him seems to have a special relationship with Nikita, he has to know the relationship between them.

"This gentleman." Nathan said politely to Sheehan, "Nikita is my sister.

She had a misunderstanding with her families, she was angry and moved out.

I came to pick her up today. I want to know what's your relationship with my sister."

"Your sister?" Sheehan smiled with his thin lips with ridicule in his cold eyes, he looked down at the girl beside him. "Niky, is this your brother?"

“No.”

Nikita looked at Nathan coldly, and her voice was light: “I don’t know him.”

Her answer made Nathan’s eyes cold.

“No?” Sheehan smiled again. “Then why did he say that he is your brother?”

“He is a liar.” Nikita shrugged, took a sip of milk tea, and said casually.

“It turned out to be a liar.” Sheehan nodded. When he looked at Nathan and Yvonné again, his dark eyes were half squinting, and his eyes were threatening and dangerous. “Are you going to get away from here by yourselves, or do you need me to help you?”

“What are you talking about?”

His words were insulting, and Nathan was also proud. He suddenly got angry: “Hey, young man, I don’t care what your status is, and you are very impolite to speak like this.

Besides, our family affairs shouldn’t be managed by an outsider like you.”

“You are not qualified to talk about politeness with me.” Sheehan’s eyes are darker, “I can say it again, get away, can you understand?”

The man said and pulled up the sleeves of his precious white shirt.

He showed his muscular arms.

He shows his aura that may make people afraid, even when he is not angry. Even if Nathan has never been afraid of anyone since childhood, he is also breathless because of his aura at this moment.

He was overwhelmed by this powerful aura. He couldn't even speak for a while.

Yvonne noticed that the man is wearing an expensive watch on his wrist. She stared carefully for a few

1/2

10:25

seconds, and her face changed gradually.

This watch, she had seen it in a post showing the world's top luxury brands.

At that time, the blogger says this watch is extremely expensive, it may cost tens of millions of dollars, and money is not enough for buying it.

Only those noble people will be qualified to buy this watch.

Why is this man wearing this watch?

A fake one?

"Never mind. We can go." Nikita saw that Sheehan was going to beat them. She put half a cup of milk tea in his hand, and put her hands in her pockets. She didn't look at Nathan and Yvonne. She turned and said, "Don't waste time on unnecessary people, it's not worth it."

The rage in the man's eyes dissipated quickly because of the word "we", and he looked down at the milk tea cup in his hand. He smiled slowly.

“OK. I will obey Niky’s words.” When he talked to the girl beside him, his eyes and his body were not that cold. The voice is low and gentle.

Before leaving, he warned the brother and sister, whose faces were pale, with his eyes. His voice was still ‘very low, but it was cold and heavy, which made people tremble with fear: “I won’t punish you this time.

If I find you harass her again, you will be chase outside N City.

Chapter 294 I’ll help you to publish it.

Finishing his words, he turned to catch up with the girl’s pace.

Yvonne was stunned. A second before, his voice was cold, but his tone was gentle when he was talking with Nikita.

“Why did you just drink a half of the milk tea?” The man asked in a low voice, holding half a cup of milk tea

in his hand.

Nikita said faintly: “It tastes bad.”

“Then I will buy from another store next time.” The man threw half a cup of milk tea in his hand into the trash can, and took another cup out of the bag. “Do you want to drink this?

Strawberry cheese, it is said to be the most popular one in their store.”

Nikita seems to nod.

He took out the straw and inserted it before handing it to Nikita.

He is very attentive to Nikita.

Nikita didn't feel that she was flattered. She enjoyed the man's attentive attitude without consideration.

It is hard to tell that the relation between them is unequal.

Nikita walked two steps and suddenly turned back.

Yvonne didn't control his jealous expression. She looked into Nikita's eyes, and she saw Nikita smile slowly.

The girl's voice is very clear and cold. She looked at her calmly and said, "I asked you to publish a post, but you didn't publish it?"

Post?

What post?

Yvonne was stunned for a few seconds, then she remembered that Nikita had warned her before. She asked her to log in the BBS to publish a post to admit that she has made a lie about Nikita's registration for the English Competition.

How could Yvonne obey her words.

She won't reveal herself on the BBS.

That would ruin her image in others' hearts.

So she didn't take Nikita's words seriously, even if she did, it was impossible for her to reveal herself, she wouldn't be so stupid.

"What post?" She pursed her lips, pinched her fingers tightly, and pretended to be confused. "I don't know what you are talking about."

"Very good." Nikita nodded. "If you don't publish it, then I will help you."

Yvonne's face changed slightly.

She bit her lips. "What do you mean?"

Nikita did not speak again, she just smiled and looked deeply at Yvonne. Then she turned around, and walked forward with the man next to her.

Nathan saw her leaving like this, he wanted to stop her.

1/2

When he was about to say, Sheehan looked back at him.

The man's eyes are extremely cold.

He looks at him, as if he is looking down at the worm at his feet, quite disdainful, and his eyes are warning him.

Nathan actually felt the chill from this silent warning.

At this moment.

Nathan's throat is like being choked. He opens his mouth, but he dares not to say anything he has prepared.

He doesn't know the identity of this man yet

But there is no doubt that he really has the ability to chase them from N City.

Under the black mask, his face was very tight and ugly. He clenched his fist and watched Nikita follow the man to walk away slowly

A silver-gray Rolls-Royce has stopped on the street not far away from them.

Nathan was shocked to see the man and Nikita walk over, a person came down from the driver's seat.

He is a middle-aged man in his forties.

Seeing Nikita and the man, the middle-aged man bowed to them, then walked to the backseat and opened

the door.

That's a global limited Rolls-Royce

Nathan was shocked to see Nikita and men get into the car, soon, the Rolls-Royce with license plate number 8888 was driven away

"You said there was a person driving a Rolls-Royce to send Nikita to school. Is this the car?"

When the car was driven away for several minutes, the shock on Nathan's face had not faded.

Chapter 295 At a Loss

The license plate number of that Rolls-Royce turned out to be '8888'.

This is more shocked for Nathan than the price of the car.

Driving a Rolls-Royce is not that special.

There are many rich people in N City, even in the garage of the Swift family, there is also a Rolls- Royce.

But the license plate number of '8888' is definitely not something you can buy with money.

In the whole N City.

There are only a few people who can use these license plate numbers.

Nathan thought of something, his face changed, but he didn't dare to think further.

He must have thought too much.

If he is really a person with that kind of family background, Nikita won't have the chance to know him.

Yvonne looked at the direction when the car had left, she was at a loss blankly.

"Yvonne?" Nathan talked to her, since she didn't reply, he said louder and called her again.

"Oh, brother.

Are you talking to me about something?" Yvonne came back to her senses, but her face was still sad.

Nathan looked at her and repeated the question just now.

“Nikita was in this car before?”

“Hmm.” Yvonne nodded with sadness in her heart, her voice was weak. “Yes.”

Why? The owner of that Rolls-Royce is so young?

He is also so handsome.

Shouldn't the owner be an old man?

Even if he is not an old man, he should not be... with such appearance and temperament.

That man drives a Rolls-Royce with a limited amount, and the watch he wears on his wrist must also be real.

No matter who he is.

The Swift family can't be compared with him at all.

“Nikita...” Nathan has also thought about this.

Thinking of the man's warning to them, and the disdainful eyes like looking at ants when he left...

Nathan's back was suddenly covered with the cold sweat.

“Brother, it seems that we don't have to persuade sister Nikita to go home.” Yvonne sighed faintly,
“Sister Nikita has really found a good backer.

That man can give her a better life than the Swift family.”

“It is not hard to understand that she doesn’t want to go home now.”

Nathan frowned: “Nikita should not be such a person.”

7/2

10:26

“Brother, I also believe that sister is not such a person.

But...” Yvonne bit her lips, pretending to be very worried,” you also saw with your own eyes, the relationship between that man and sister Nikita seemed to be quite close.

But he is a person with that identity, do you think he will be sincere to sister Nikita?”

“I am afraid that sister Nikita will be cheated by him.”

“I think...” Yvonne pinched her fingers, and her eyes were flashing, “We have to find a way to let sister Nikita leave him.

Otherwise, sister Nikita will suffer, if they have...”

It seems to be very difficult for her to say the following words, Yvonne bites her lips and stops saying.

But Nathan knows what she wants to say.

Nikita is just an ignorant girl of eighteen years old.

But the other side is already a mature man in the society, he is rich and powerful.

If he really likes Nikita, it's okay.

If it's just for fun....

How can a little girl be compared with a mature man who is shrewd and experienced?

"I will talk to Nikita again." Thinking of the girl's cold and ungrateful attitude, Nathan didn't want to take care of her. But he was also afraid that if he doesn't take care of her, she may suffer a lot in the future.

At that time, it will be so late to take care of her.

"Well. Brother, you must persuade sister Nikita." Yvonne raised her head and looked at the direction that Rolls-Royce had driven away again, she remembered the handsome and elegant face of the man again.

Even if it's just for fun.

Nikita is not qualified to play with such a man.

Chapter 296 There will be someone who wants to cherish you.

Sheehan looked at the girl who was looking outside the window in silence after getting on the car, he narrowed his deep and black eyes.

"They are your families?"

They treat the non-biological one better than you?"

Although Nikita seems to be indifferent.

But she has been silent since she got on the car.

Sheehan looked at the little girl beside him. Her side face was delicate, her eyelashes curled up in a beautiful radian. Her nose was high, but it looked small and delicate. She looked very similar to the boy named Nathan.

They can be considered as the brother and sister with biological relations from their appearances.

But her own brother treat better to the girl who is not related to the Swift family.

Although Nikita is more mature than girls at her age, she is only eighteen years old.

She is still a little girl.

It is impossible for her to not care about them at all.

What's more, after making more communications with her, he knows that she is just a person who is cold outside and kind in essence. She is not that indifferent or cares about nothing.

Nikita stopped looking outside the window, turned her head, there was no emotion in the black eyes, and her face looked faint.

She answered faintly: "Hmm."

As if she didn't care at all.

Sheehan was silent, then he said: "They have problems with their brains, so they can't figure out clearly.

I can understand why you move out from the Swift family.

Then what are you going to do now, you won't accept them in the future?"

"The so-called affection is not so important." Nikita narrowed her black eyes. She remembered something happened when she was a child, and mocked. "Blood relationship? So what? It can be replaced, and it can't stand the test of time."

She was abducted.

Yvonne picked up the wrong person. They took Yvonne back. She was also abducted to mountains with the same birthday as her. They also looked similar to some extent.

Later, the Swift family also discovered that they had picked up the wrong person.

But at that time, Yvonne had been in the Swift family for several years, and they had feelings and were reluctant to send her back.

In this way, Yvonne stayed in the Swift family and became the daughter of the Swift family.

But she...

As far as she knows, the Swift family has found her several years ago.

She didn't know the reason why they had not taken her back until now.

In a word, they have Yvonne, an excellent and obedient daughter.

She is not an excellent biological daughter, she is not important.

She is afraid they all regret taking her back after she has made troubles.

The more she behaves so indifferent, the more distressed Sheehan feels in his heart.

A girl who is just eighteen years old.

She shouldn't have understood things in such a clear way.

Her psychological age will make him feel that she is a mature woman in her thirties and forties.

"Such a family has nothing for you to miss.

You can just leave them.

Nikita, you are very good, they don't know to cherish, someone will want to cherish you." Sheehan used his hand to touch the girl's head gently.

It seems that he is comforting her.

The warm big hand touched the girl's black and soft hair, and caressed her head with some pity.

Nikita was stunned.

She frowned, lifted her eyes, and looked at the handsome face of the man that was very close to her. Her heartbeat was abnormal for a moment. She sipped her lips and moved aside slightly: "I am not good, and I don't need others to cherish me."

Chapter 297 Confession.

“No, you’re fine very good.” The man stared at her firmly with his dark and black eyes, his voice was low and heavy, “Nikita, in my opinion, you are very good.

They are stupid, so they think you are not good.”

When the man looked at her, his eyes were dark, like the night sky without ends, and there were stars twinkling in his eyes.

Nikita felt that his eyes were magical when he was staring at her.

He has the charm called temptation.

She looked at the man’s extraordinarily deep and dark eyes, and the strange emotions that would bother her came out again. Her heart beat became quick and got out of her control, her heart beat faster than usual.

Nikita has always been fearless, at this moment, she suddenly became panicked.

She bit her lips, took a deep breath, and looked at another place.

“Sheehan.” The girl’s voice is clear and nice. Compared with her usual indifference, she has some different emotions. “You have been courting me these days, and now you say such words to me. What do you mean?”

Although she always felt that he courted her for his grandfather.

But when he looked at her just now, Nikita could feel the desire in her eyes.

It is the desire that a man has got interested in a woman and wants to get her.

She once saw the same thing in Hamlin’s eyes.

“Nikita, you are so clever.

Why do I court you, can't you guess it?” The man said in a low and attractive voice by her ear, without hiding his feelings. His voice was very low and light, and when he called her name, he was especially gentle.” Nikita, I am chasing you.

Nikita was stunned, and raised her head.

Her black and bright eyes were surprised.

Sheehan didn't avoid being looking at by her eyes. His dark and deep eyes looked at her watery eyes filled with fog. His eyes were deep, his voice was heavy, and his voice was slightly hoarse: “Have I frightened you?

I know you are still young now, so I shouldn't tell you this so early.”

“But you are so clever. Even if I don't say it, I'm sure you can guess it.”

“You don't have to make responses.

The main thing for you now is to study hard, then take exams well and go to college.”

“If my words bother you, you can pretend I haven't said anything.

We will still get along with each other in the same way.”

She is still young.

Therefore, he dares not to chase her obviously now.

His original intention was to wait for her to go to college, and then he could chase her in the real way.

1/2

10:27

Even his confession at this moment, he didn't intend to let her know so early.

If she hadn't asked, he wouldn't say.

Nikita looked into his eyes. She saw her panicked appearance in the man's black eyes.

"I have told you, I'm not interested in old men" After being panicked for a while, she turned her head and stopped looking at the man's eyes. The girl's voice was cold, but her hands were tightly clenched. She sipped her lips. "Don't waste your time."

The man chuckled: "What's wrong with old* men?"

Older men will cherish you, will make money, they have good temper, and they will compromise. If there is a woman they like, they can take care of her in all aspects.

Compared with boys of the same age who are naive and ignorant, falling in love with older men will provide you will more happiness."

"Older men will be more inclusive of people and things after they have some life experience.

He can tolerate all your temper, don't argue with you, and spoil you as a little princess.

Chapter 298 He scared his little girl.

“What’s wrong with being together with older men?”

Nikita: “...”

What is this?

Praising himself?

“No matter what you say, I don’t like old men anyway.”

Nikita didn’t expect that Sheehan’s attentive attitude means that he is really chasing her.

She thought that he was trying to let her treat his grandfather well.

Now, the man says he is chasing her.

He didn’t hide his desire of her.

After knowing his thoughts of her, Nikita suddenly felt that the space inside the car had become more narrow when she was sitting in the same car with him.

Even if she didn’t look at the man next to her, she could always feel that his eyes didn’t move away from her. Hot and extraordinarily deep eyes.

Next to her, when Sheehan heard Nikita’s words that she doesn’t like old men, his face became dark, which didn’t look good.

A man should have his own achievements when he is thirty.

He is only twenty-four years old now, and of course he is not old at all.

He is not old, he is a young talent in their circle.

He is also the youngest president in the Lambert Group.

When Old Mr. Lambert took over the Lambert Group, he was in his forties.

His father took over the group when he was about forty years old.

But he is only twenty-four years old this year. At the beginning, because of his age, it was difficult to make others obey him. When he took over the Lambert Group, there was a fierce “struggle” within the company.

Finally, he suppressed their rebellions by tough means.

It was also after the “chaos” that no one dared to have any dissatisfaction with him.

Sheehan never thought that himself, a young talent in other people’s minds, would become an old man in the eyes of the girl he likes.

But he is six years older than Nikita.

Three years old is a generation gap.

It is normal for her to think that he is old.

He doesn’t know if she really dislikes his age or uses it as an excuse to refuse him.

If it is the former...

He can't change his age.

www

Then he can only improve himself from other aspects...

Along the way, Nikita didn't say anything with Sheehan.

They arrived at the Lambert's home.

When the car just stopped, before the driver came to open the door, Nikita opened the door and got off the

car.

In the front of the car.

The driver looked in the rear view mirror and saw that the man sitting behind him showed a dark face.

He doesn't look very well.

The driver certainly knows why he is in a bad mood.

He has heard those conversations between Nikita and Sheehan.

Mr. Lambert is really interested in that girl and wants to chase her.

But that little girl....

Thinking of the saying “I don’t like old men”, the driver silently prayed for his President Lambert.

Mr. Lambert is 24 years old. He is very young.

But he likes an eighteen-year-old girl.

For that little girl, he is an old man.

Inside the car, there was a strained atmosphere.

The driver didn’t dare to breathe. After getting off the car, he went to the back of the car, stretched out his hand and opened the door, and then stood aside silently.

After Sheehan got off the car.

He walked to Nikita, and heard she said faintly: “Let’s go to use acupuncture for your grandfather.”

Finishing her words, the girl walked forward.

Sheehan narrowed his eyes and looked at the girl who had deliberately avoided him, his face got dark.

He regretted to some extent.

He shouldn’t have let her know his feelings so early.

He seems to... scare his little girl.

Nikita walked in front, no one led her, she went to the courtyard of Old Mr. Lambert directly.

The house is very big.

The house is also somewhat complicated.

Chapter 299 A Stunning Beauty

She has only been to Old Mr. Lambert's yard for once, and then she remembers the routine.

Sheehan watched the girl step into the courtyard with one fool, his cold eyes flashed slightly. The girl is very clever.

But every time she takes an exam, she is the last one.

He's a little skeptical.

Those grades, are they true?

Old Mr. Lambert's condition is getting better every day.

”

At first, he could be awake for one or two hours, later, it becomes three or four hours.

By now, he has been able to stay awake for most of the day.

When Nikita walked into the room, she heard someone talking in the room.

There are voices of men and women.

Fabian is also in the room.

Seeing Sheehan and Nikita coming in together, he walked over and said respectfully: "Master, Miss Swift." In the room, Walker and Marie were talking with Old Mr. Lambert, they heard the sound and turned.

Marie saw Nikita standing next to Sheehan at a glance.

She was stunned, when she was looking at Nikita, her eyes were surprised.

Marie has heard Fabian talk about Nikita before.

Even if Fabian has vividly told her how beautiful this girl is, or she looks like a fairy, Marie didn't take Fabian's words seriously.

No matter how good-looking she is, can she look better than Rosa, her niece who is famous for her beauty in the whole upper class circle?

Rosa is known as the first beauty in the upper class circle.

Marie has never seen a woman who is more beautiful than Rosa.

If she has to say, that must be Yolande, the mother of Sheehan and Felton.

When Yolande was young, she was a great beauty who was popular, which caused a sensation in N City.

Sheehan inherited his mother's beauty and is now one of the most handsome men in the circle.

Although Rosa is inferior to Yolande, she is also a very amazing beauty.

Marie knows a great beauty in her life, how can she take other so-called beautiful girls seriously.

She felt that Fabian was just saying politely. Or the girl is really beautiful to some extent, so the old man may think she looks like a fairy.

But at this moment.

Marie looked at the beautiful and perfect girl in front of her in surprise, she knew that Fabian's words are not exaggerated at all.

The girl's facial features are quite exquisite. She has a small face, which is clean and white. Without any cosmetics, she wears a large school uniform that can't show her figure, but she is still beautiful and dazzling.

She seems to be a person who walks out from a painting.

She stood there with a faint look. Although she was young, her temperament was very outstanding.

She looked quite suitable for her nephew, who was also handsome.

Walker also dazed for a few seconds, but he came to his senses quickly.

He got up and looked at Nikita with calm eyes. His voice was warm, he said, "Is this Miss Swift who has cured my father?"

I didn't expect Miss Swift to have superb medical skills at such a young age. Even the well-known experts in the National Medical College couldn't cure him, Miss Swift cured him with acupuncture."

"It is really admirable to be so young and promising."

Generally, compliments are polite words.

But Walker's words are sincere.

**

He really didn't expect that the magic doctor who cured Old Mr. Lambert would be so young. "She is just a little girl.

What surprised him even more was that she was such a beautiful little girl.

It is not strange for his nephew, who is quite strict, to say that he wants to be engaged with her.

Chapter 300 I despise this hillbilly.

At this moment, Marie has thought of many things.

She also got up, walked to Walker, glanced at Nikita, smiled gracefully and said, "I only knew that Miss Swift has good medical skills, but I didn't expect you to be beautiful.

I heard that Miss Swift and Felton are classmates, you are so excellent at such a young age. Compared with you, Felton is really far behind."

Felton is in Class F.

Class F of No.1 Middle School is a well-known class of poor students.

When Marie finished her words, Nikita raised her eyes and glanced at her faintly.

She didn't say anything.

Marie's smile froze, she felt that the faint glance had seen through her mind.

This little girl is completely different from her imagination.

Marie is already in her forties, and she is nearly twenty years older than Nikita.

But in front of this little girl who is nearly twenty years younger than her, she is at a loss because of her glance.

Walker and Marie's praise didn't get any response.

Nikita just looked at them faintly without saying anything.

"They are my uncle and aunt." Sheehan knew Nikita's character and introduced them in a low voice.

Nikita nodded to them faintly.

She just nodded and didn't say anything else.

Walker is fine, but Marie's face looks bad.

She heard Fabian said that the family background of Nikita is not very good, and she came to the city from the countryside.

Sure enough, she is a person from the countryside without getting educated.

She is just good-looking.

She can't be compared with Rosa at all.

Sheehan seems to have been attracted by her face, so he says he wants to be engaged to her.

When he meets Rosa.

He will despise this hillbilly.

Besides, how powerful the Lambert family is, how can Sheehan marry a hillbilly? Isn't that a joke?

When Fabian went to greet them, Old Mr. Lambert started to look at Nikita carefully and thoroughly for a long time.

He admired her in his heart when he was looking at her.

Sure enough, she is an extremely beautiful little girl.

Even compared with his daughter-in-law, who was popular and known as the first beauty in N City, she is not

worse.

It can be understood that even Little Hanne also likes her.

Gee, the little girl is really beautiful.

Such a beautiful little girl, if she can be his grandson's wife, the little great-grandchild born in the future must also be very beautiful.

“You are the little benefactor who cured me?” Old Mr. Lambert is quite satisfied, he smiles and waves to Nikita, and his voice is very gentle. “Little girl, come here, come and sit down, Grandpa will talk to you.”

Marie glanced at Old Mr. Lambert, seeing his satisfied expressions, she frowned.

He seems to like this hillbilly very much.

Although this hillbilly doesn't have a good family background... Her quality is also bad... But she has cured Old Mr. Lambert, who is a person who values the kindness...

Thinking of this, Marie frowned again.

Although this girl's family background can't match the Lambert family, but if Old Mr. Lambert wants to repay her kindness or something...

It seems that she has to inform Rosa to let her come back earlier.

Nikita looked at Old Mr. Lambert, who was sitting on the wooden bed in high spirit and waving to her with a smile, she sipped her lips and walked over.

She went to the bed and stopped.
