

## **The Girl CB 311**

Chapter 311 You should apologize to Nikita.

“But Miss Swift not only learned it, but also used it very skillfully.” When Dr. Charles said this, he turned his head and looked at Nikita. The great master, one of the best in the medical field, actually looked at Nikita with admiration in his eyes.

“As the saying goes, the new overthrow the old. Miss Swift’s excellence makes us feel ashamed.”

After hearing this, Old Mr. Lambert was as happy as he was praised. “Naturally, my little benefactor is very powerful.

You are all a group of old men, and it is normal to lose her. The world belongs to the young people.”

“Yes, yes.” Dr. Charles was sincerely convinced, “You are right.

We had a lot of misunderstandings about Miss Swift before, and we didn’t respect her in words.

Here, we hope that under your witness, we can apologize to Miss Swift.”

Several people have said before.

If Nikita can really waken Old Mr. Lambert, they will kowtow to her and apologize.

Although this kind of thing is embarrassing and humiliating. They were willing to admit defeat. “Plop.” They turned their heads and knelt on the ground.

Several people apologized with Nikita sincerely: “Miss Swift, we were wrong before. We are so short-sighted.

We now formally apologize to Miss Swift. I hope you can forgive us generously.

Marie and Walker were blindsided.

Especially Marie, whose face was full of consternation. She stared her eyes round.

These are the leading authorities in the medical field.

They knelt down to apologize to a teenage girl?!

She looked at Nikita again. The elders who were decades older than her knelt down with her, but she didn't stop them. She just indifferently looked at a few old people in their sixties kneeling in front of her. She accepted it calmly, as if she were used to others kneeling down with her.

Sure enough, she is an ill-bred girl.

She even doesn't know the basic virtue of respecting the old and caring for the young.

But Marie didn't understand why Sheehan and Old Mr. Lambert didn't stop Nikita's impolite behavior.

They didn't even say a word to scold her.

Their connivance to Nikita is outrageous!

After several old men apologized to her, they had to kowtow to Nikita according to what they said at that time.

“I accept your apology, so you don’t have to kowtow.” Nikita looked at several old men kneeling on the ground and trembling. She didn’t intend to really let them kowtow to herself.

They are old.

It’s still her responsibility if there’s something wrong with their brains later.

Besides, she has no hatred for these old men.

At her age, it is difficult for her to gain the trust of others.

Besides, she used acupuncture therapy in Chinese medicine.

Nowadays, Chinese medicine practitioners are about to quit the medical profession because of bad rumors. Not only do they not believe that acupuncture can cure all diseases, but most people don’t believe it.

Heard that Nikita accept their apology, they immediately climbed from the ground happily.

It seemed that they were getting a great favor.

Marie felt more unpleasant when she saw this scene.

“Little aunt, should you also apologize to Nikita?” Sheehan turned his head and looked at Marie. His voice was very light but cold.

Marie stunned. She asked in an unbelievable way: “What do you say, I have to apologize to her?”

“Naturally.”

Sheehan's voice was still very light, but his eyes were full of coldness. He narrowed his eyes. The corners of his eyes were cruel. "Little aunt has wronged people, don't you plan to apologize?"

Chapter 312 She became the target of public criticism

Marie stunned. She asked in an unbelievable way: "What do you say, I have to apologize to her?"

"Naturally."

Sheehan's voice was still very light, but his eyes were full of coldness. He narrowed his eyes. The corners of

his eyes were cruel. "Little aunt has wronged people, don't you plan to apologize?"

Marie looked incredible.

He asked her to apologize to that wild girl?

Why?!

She is the second wife of the Lambert family.

Clearly, it was the wild girl who made rude remarks first.

And she didn't slap her at all.

Why should she apologize? She won't apologize.

+

If she apologized to this wild girl in front of so many people, she would lose her face.

“Everyone would be worried when they saw dad like this.

I’m questioning her, because I’m worried about Dad’s health! “Marie refused to apologize. She shrank her neck.” I didn’t do anything wrong, why should I apologize?”

Sheehan’s cold eyes contracted. His eyes were full of chill.

Looked at his cold eyes, Marie shivered and felt uncontrollable fear in her mind.

“Marie, you should apologize to Miss Swift.” Walker saw the situation in the room clearly and began to persuade. “You have just wronged Miss Swift.”

“Marie, apologize to my little benefactor quickly!” Old Mr. Lambert was also very serious. “No matter how worried you are, you can’t wrong people for no reason.

Without my little benefactor, can I have this opportunity to lie here and talk to you now?!”

Marie unbelievably looked at her husband, and slowly turned to look at indifferent Sheehan and Old Mr.

Lambert.

Even Dr. Charles and others frowned her. They seemed to be quite dissatisfied with her.

At that time, she seemed to be the target of public criticism.

Everyone helped an outsider, forcing her to apologize to an outsider.

She bit her lips tightly. Her heart was full of grievances and unwillingness. Her eyes turned red gradually.

“Miss Swift, I’m sorry, I was wrong about you just now!”

After finishing this sentence with sobs, Marie seemed to have suffered great humiliation. Covering her face and sobbing, she turned and ran out.

“Dad, I’ll go and see Marie.” Walker said. Then he immediately followed Marie out.

Nikita indifferently looked at two people ran out of the house in tandem.

“Niky, don’t be angry. She is not intentional. She is too worried about me.

She is too worried about me. She didn’t mean to hurt you.

I have already scolded her. She will pay attention to her behaviors in the future.” Old Mr. Lambert looked at Nikita, whose face was still cold. As if he were coaxing his little granddaughter.

His call to her is also changed unconsciously, which sounds a little more intimate.

“If you don’t want to see my little aunt again, the next time you treat grandpa, she won’t be there.” Sheehan looked still cold. He planned to tell others that Marie was not allowed to come to the Grand Mansion again recently.

Otherwise, Nikita may meet her again.

Maybe she will upset his girl again.

After he showed his feeling to Nikita today, she has been alienated from him. After Marie made trouble, she must dislike the Lambert family even more.

“No, it won’t happen again.” Nikita’s face had no expression. Her black eyes were cold. Her voice was very light, but very clear. “Today is the last acupuncture.

Old Mr. Lambert is recovering well now, so he doesn’t need acupuncture for the third time.”

Chapter 313 It doesn’t matter to make a little sacrifice.

“I gave him the pills before. He can still take them for another week.

When I refine the pills, I will give them to Felton at that time.

So I won’t come to the Lambert family again.

“This deal between me and the Lambert family is over.

As for the consultation fee, my previous condition is that I hope Mr. Lambert to give me a promise that can be fulfilled at any time. “Nikita’s voice paused. She raised her black and cold eyes and looked at Sheehan, whose face was a little gloomy.” Now, I have thought of what I want.”

“The consultation fee is still 200 million.

Donate it to Angel Charity Foundation in the name of the Lambert family.”

When the girl said that she would donate 200 million, she was still faint.

There is no reluctance in her words at all.

It seems that 200 million is no different from two dollars in her eyes.

Even Old Mr. Lambert, who is used to all kinds of shocked scenes, was surprised by the girl’s light tone for a

few seconds.

Two hundred million.

No matter for ordinary people or most wealthy families, this number is definitely not a number that can be donated casually,

“Girl, are you sure you want to donate this money?” Old Mr. Lambert was afraid of the little girl’s impulse, so he asked again.

“Well, I’m sure.” Nikita voice faint, “I just need to take some money to meet emergencies. I don’t need too

much.”

Anyway, if she wants to make money.

She can earn it quickly.

For her, the easiest thing is to make money.

The Garrett family still owed her 200 million fees.

The little girl’s attitude of being so indifferent to fame and fortune makes Old Mr. Lambert appreciate her more and more.

In his life, he met too many people who regarded fame and fortune as extremely important, even as life. It was his first time to see someone who really didn’t love money like Nikita.

No wonder the little girl has a clean temperament.

“Well, we will give it to the charity fund as you say.

However, you don’t donate in your own name, you want to donate in the name of the Lambert family?”  
It is beneficial to the Lambert family.

They gave her consultation fee.

But they also got good reputation.

On the other hand, Nikita didn’t get anything.

“Old Mr. Lambert, I am still a student.”

Nikita only said such a sentence, but Old Mr. Lambert understood her meaning.

A student in a poor mountainous area suddenly donated 200 million dollars to a charity fund, which is absolutely very eye-catching.

Old Mr. Lambert turned his eyes, looked at his grandson’s unhappy face. After thinking about it, he said,  
“Little girl, are you sure that giving me acupuncture for two times is enough?

I think it’s safer to treat a few more times.

Although he almost died when she pricked the needles just now.

But for the sake of the lifelong happiness of his eldest grandson, it doesn’t matter for him to make a little

sacrifice.

Besides.

He also wanted this little girl to be his future granddaughter-in-law.

Good things are popular. So he needs to make efforts to get it.

If he can get such a good granddaughter-in-law with a pain, he is willing to suffer it!

When Old Mr. Lambert asked, Sheehan looked at Nikita quietly with his cold eyes.

His clenched one hand on the side of his body. He showed a little nervous in his eyes.

“Old Mr. Lambert, your body is recovering very well. Two acupuncture is enough.” Because the other party is an old man, Nikita said again patiently, “After this acupuncture, the residual toxin in your body is almost completely eliminated.”

“In the future, you just need to take the pills I gave you on time and take good care of your body.

In less than a month, you will recover as before.”

Chapter 314 This is called hooliganism.

She means that she won't come to the Grand Mansion to treat Old Mr. Lambert.

She even asks Felton to send the pills to Old Mr. Lambert.

Old Mr. Lambert frowned tightly: “Little girl, Is it because of Marie...”

“Old Mr. Lambert, it has nothing to do with this.” Nikita interrupted Old Mr. Lambert’s words faintly. She tried to ignore the strong eyes from the side. “After the treatment, it is naturally unnecessary for us to meet.”

Old Mr. Lambert was anxious when he heard it.

If the little girl doesn’t come to the Grand Mansion, what about his grandson?

But no matter how anxious he is, he can’t say anything more.

At this moment, he couldn’t think of any suitable reason to ask Nikita to come again.

Then he turned to look at his grandson, whose face was as cold as ice.

Clearly he is also anxious in his mind, but he still keeps silent.

Blockhead.

Old Mr. Lambert was more anxious when he saw Sheehan’s appearance.

At this rate, when will he have to hold his great-grandson?

Nikita declined Old Mr. Lambert’s invitation to dinner. After the treatment, she put away her black backpack and went out from Old Mr. Lambert’s courtyard.

“Grandpa, have a good rest.

I’ll send her back.

”

Sheehan left with Nikita.

Out of the yard.

He looked at the girl who kept a certain distance from him. He was a little unhappy.

He took a few quick steps forward, and stopped in front of her to block her way.

The man bowed his head and looked at her with dark eyes. There was deep meaning in his eyes. His voice was low. "Nikita, I am so terrible?"

"My fancy to you cause you great trouble?"

Nikita raised her eyes and looked at the man in front of her coldly. Her eyes were full of indifference and coldness as usual: "Mr. Lambert, a man with mature age, thought and social experience confessed to an 18-year-old girl. This is not to show his heart."

"This is called hooliganism."

"I am a student. Of course, I should focus on my studies.

Sorry, I can't respond to your feeling. I just want to study hard and get into a good university.

So I hope that if there is nothing in the future, we'd better not contact each other.

"You work hard. I study hard.

We are not from the same world, so it is unnecessary for you to come into my world deliberately."

Sheehan never thought Nikita would refuse him for such reasons

If she said he was a hooligan, he admitted it.

But the others...

She decided to study hard and go to college?

They don't contact again in the future?

They are not from the same world?

Clearly, it was nonsense. But her tone was so serious.

He felt funny and raised his eyebrows. "We are not from the same world?"

"Of course." Nikita still said seriously. "You are rich, but I'm poor."

This word made Sheehan want to laugh more.

The little girl was talking nonsense seriously.

Her consultation fee is hundreds of millions.

But she said she was poor.

However, he didn't expose her. The little girl's refusal was also expected by him, but he didn't expect her to begin to alienate him.

It made him feel a little bad

"I have given Mr. Lambert the response you wanted.

Now you can get out of the way? "Nikita calmly looked at him," Mr. Lambert is a gentleman, and is born in a good family with decent etiquette. You won't be angry because of failure of courtship."

Sheehan sipped his lips tightly He stared at her for a moment with his deep eyes. Then he made way her: "OK, I understand what you mean

for

You study hard, and I won't bother you again before you go to college.

But I can send you back now, right?"

"Of course."

Chapter 315 This man hasn't given up on her?

Nikita strode across from him and walked in front of him: "I have to ask Mr. Lambert for helping me move back those medicines I bought before.

I can't carry so many things by myself."

Sheehan is a wise man.

Nikita clearly rejected him. So on the way back, two people basically didn't communicate with each other.

An hour later, they arrived at the apartment where Nikita lives now.

Nikita got out of the car, stood aside and ordered this elegant man wearing a precious suit: “You carry this medicine up.”

In the trunk, these bags are all the medicines she took in Euston Pharmacy.

In addition to the portions she needs to refine for Old Mr. Lambert.

She also took some extra medicine materials as the standby.

She doesn't know if it is her illusion.

When she ordered Sheehan to do things, Sheehan not only did not have any reluctance, but seemed to be quite happy.

The man also got out of the car. He rolled up the sleeves of his white shirt, revealing his strong forearms.

He silently walked to the trunk, opened it and took out several bags of medicinal materials inside.

He carried three or four bags every hand. He followed Nikita and walked to the elevator.

His figure is well-balanced, and he is tall and straight. His exposed forearms are full of muscles. He looks thin, but he is actually very strong.

When he carried these things behind Nikita, he looked like her bodyguard.

But his style and powerful aura of the whole body were nothing to do with bodyguards.

When they got into the elevator, Nikita pressed the button: 38th floor.

Sheehan lowered eyes. When he saw these two numbers, his cold eyes flashed lightly.

Soon, they arrived at the 38th floor.

Nikita got out of the elevator, opened the door. She saw Sheehan go to the door to take off her shoes. She sipped her lips: "Don't change your shoes, I don't have slippers you can wear in my house."

As soon as she finished her words.

The man standing at the door paused. He thought of something, and then slowly popped up his lips.

Nikita looked at his appearance. She only felt inexplicable.

It is worth his happiness not to let him take off his shoes?

Although Nikita said she didn't have slippers, Sheehan, who had excellent etiquette, took off his shoes before entering the house.

After entering the room, he looked around roughly.

Unlike most girls of this age.

Nikita's room is not feminine at all. It's even somewhat masculine.

The rooms are cool colors.

The sofa is dark blue, the curtains are also dark blue, and the rest of the furniture is gray.

Moreover, there is very little furniture in the living room. The decoration style of the whole room is too simple.

But it's tidy.

Sheehan looked around for a few seconds and took back his eyes.

"Just put it on the ground." Nikita casually pointed to a place, let Sheehan put down those medicinal materials.

Sheehan put down the medicinal materials in his hand.

Before Nikita ordering him to leave, he said consciously: "If there is no other thing, I will leave first.

If you need anything, you can call me directly.

And remember to have dinner."

When he went to the door, he paused. He turned to looked at her with his deep eyes: "Nikita, I'll wait for you. If you want to study hard and go to college, I will wait until you go to college.

When Nikita looked up, she saw his hot eyes. Her heart suddenly trembled.

She frowned: "Sheehan, I didn't say I would accept you when I went to college."

This man hasn't given up on her yet?

"Well, you have the right to refuse me anytime and anywhere, but I also have the right to wait for you."

Chapter 316 You know him, Sheehan.

Nikita: "..."

Sheehan looked solemn. He said, "Nikita, I am serious."

Nikita: "..."

She doesn't believe that Sheehan will wait for her all the time.

He is just interested in her for a while.

At most, he will insist on about ten days or half a month. If he hasn't been successful, he will give up because he feels too troublesome.

Genuineness?

She doesn't believe it at all.

He is the president of the Lambert Group, a man with mature thoughts. He is not a pure-hearted teenager who is still studying on campus.

Nikita popped up her lips. Her smile was somewhat sarcastic: "Mr. Lambert has intimate affairs with countless women. You are not short of women around you. Will you really love an 18-year-old girl?"

He has intimate affairs with countless women? He is not short of women around you?

Sheehan frowned when he listened to her words.

He was about to open his mouth to defend himself, but he heard her cold voice: "If you like to wait, just wait."

-But once again, Mr. Lambert, I'm not interested in men older than me.

“Your waiting is destined to be useless.”

“Please help me close the door after going out, thank you.”

Sheehan sipped his lips tightly, and his eyes were dark. He stood at the door for a few seconds and turned and walked out.

Then he closed the door gently.

After Sheehan left, Nikita still frowned.

If she had known that she had to involve emotional troubles, she shouldn't have promised to treat Old Mr. Lambert.

At first, she just wanted to exchange a promise from Sheehan.

A promise she might be able to use later.

She completely unexpected Sheehan's confession.

In order to avoid dealing with this man in the future, she directly asked 200 million medical fees. After the Lambert family donated 200 million medical fees, the “business” between her and the Lambert family ended completely.

In the future, she doesn't have to have anything to do with the Lambert family.

As for Sheehan.

Although she likes the man's appearance. Every time she sees his face, she will find his appearance is particularly pleasing to her eyes.

But such a man is only suitable for appreciation.

Falling in love with Sheehan?

Nikita has no interest in it at all.

But she still feels slightly irritable in her heart. She can't calm down for a long time.

In her hand, her phone "buzzing" shook twice.

Nikita picked it up and looked at it. It was a message on WhatsApp sent by Xavier.

Xavier: Niky, what are you doing?

Nikita is fidgety, so she replied causally: I just refused a man with good conditions.

Xavier: I've only been away for two days. There is someone having a crush on you? Which shameless little bastard? But, you said he has good conditions? I'm not wrong, right? You have a high requirement. But you feel that the other party has a good conditions? It's so amazing.

Xavier has known Nikita for so long.

He has never seen her say that about a man.

Even she saw the most popular hunky star in his company, who was attracted a lot of women, she just said a simple evaluation of two words: Not ugly.

But she just said that the man's condition is not bad....

Xavier waited for Nikita's reply for a few minutes, but she didn't reply him. He called her directly.

Nikita quickly connected.

"Niky, who is that man you just said?

Do I know him?

How old is he, where is he from, what does he do, how many people in his family? He...

"You know him, Sheehan." Before Xavier asked, Nikita frowned and interrupted him.

Chapter 317 She is not comparable to Niky.

Seriously, she thinks Xavier is very similar to her mother.

In the past, every time she knew the opposite sex around her, he would make a comprehensive survey like

the census.

"What, what did you say?

Who?

Say again, who is that man? "Xavier seemed to be shocked.

Nikita said again.

“Sheehan? You said that the man you refused is the richest and most powerful man in N City, Sheehan?”  
“Xavier’s voice is shocked.

“What else?” Nikita asked. Her voice is light. “Who do you think I am talking about?”

Xavier was silent for quite a while.

“Niky.” The man spoke. He put away the initial joking tone. His tone became very serious. “It’s good for you. to refuse him. Sheehan must like your appearance, but he didn’t treat you seriously.”

Nikita was noncommittal.” Hum”

That’s what she thinks.

A man with status and good conditions in all aspects has a crush on an eighteen-year-old girl.

Expect loving your appearance, what else can it be?

“Listen to me, men know men best.

No matter how many sweet words he says to you and how sincere he is to you, don’t believe him.

Fake, all of them are fake. He has only one purpose in the end.”

Nikita was quite curious and asked, “What is his purpose?”

Xavier said bluntly: “Sleep with you.”

Nikita: "..."

Xavier: "After he sleeps with you, he won't cherish you."

Xavier: "Sheehan has long had a woman engaged to be married.

She will be his future wife.

He has a fiancée, and now he comes to tease you. What do you think he wants?"

"Is he engaged to be married?" Nikita is curious and asks casually. "Who?"

"The lady of the Garrett family, Rosa." Xavier explained to Nikita. "The Garrett family in Y City.

The Garrett family and the Lambert family are suitable for each other, and the lady of the Garrett family and Sheehan are also in the same condition.

Rosa is a versatile talented woman. She is only 23 years old this year, but she has already won the first place in the international music competition.

She has become a famous pianist at home and abroad.

"She is also a good perfumer. A perfume she concocted is very popular now.

It also won prizes in international competitions.

By the way, she was also involved in clothing design and jewelry design. She personally designed several jewels that the Garrett Group just went on the market this year.

“She sells the clothes designed by her in TB app, which is the most popular store in entertainment industry. A few days ago, a popular star wore a dress from her shop to attend an awards banquet.”

Xavier said so many words. At the end, he said another sentence: “Of course, she still has no comparison with Niky.

However, I’m afraid there are no more than three geniuses like you in this world.

In the eyes of ordinary people, Rosa is already very excellent.”

Compared with Nikita?

Naturally, she can’t compare with Nikita.

Nikita can easily be the top person in the industries she wants to do. She can’t be counted as a normal person.

Nikita is so powerful and talented.

“Oh.” heard it, Nikita looks indifferent. She is not very interested in it. She just asked casually, “Her perfume is sold better than Night Charm of LN?”

“Of course not!”

Compared with Night Charm series of LN?

It’s a long way off.

Night Charm Series has won prizes in many international competitions, and it won the first place every time.

Chapter 318 Do you want me to come back to stay with you?

Night Charm has also become a classic representative of the global perfume industry.

This god-level perfume, which won many prizes and sold all over the world, was concocted by Nikita.

LN, which developed rapidly by making daily chemicals, was successfully listed within one year. Now it has become one of the top 500 large enterprises in the world. Ostensibly, it is an industrial line of the Lambert Group.

But in fact, there are two major shareholders.

Naturally, one is the president of the Lambert Group, Sheehan.

The other is Nikita, who has been hiding herself. She only offered her skills and ignoring the rest.

At the beginning, Nikita had skills but no money.

The Lambert Group was rich but no skills.

The two sides hit it off and cooperated with each other immediately.

The company's name LY was combined with the first letter of the Lambert and Nikita.

Nikita didn't show up to deal with this thing from beginning to end. She found Sampson to help her negotiate with the other party.

Sampson is a postdoctor from a first-class foreign university. He majored in law. When he met Nikita, he was already a famous barrister.

Nikita was only fifteen years old at that time.

It was not convincing to come forward to talk to people at her age at that time.

Besides, she doesn't want to expose herself.

Sampson is an expert in negotiation, and he is familiar with all kinds of clauses. So Nikita has nothing to worry about.

So, up to now, the Lambert Group doesn't know that another major shareholder behind LY is a teenage girl. "Oh, that's just so-so." Nikita lightly scoffed, "I thought she is really powerful,"

Xavier: "..."

"Naughty girl, what I said is to compare with ordinary people, not with you!" Xavier took the opportunity to tease her, "Can normal people compare with you? Your score of the intelligence test is close to full mark!" "You just need a day to learn the thing that the other people need to learn it in a year."

"The things others need to learn in t

years, but you can learn them in a week or a month."

"Tell me, how many people in this world can compare with you?

When God created you, there was definitely a bug.

You are created by the God wholeheartedly. We are just make up the number, he-he."

Listening to this exasperated voice, Nikita popped up her lips: "It's nothing to make up the number. I won't look down on you."

Xavier: "..."

H

He looks down on himself, okay?

She is so perfect that he often feels inferior in front of her.

Even though he has been trying to catch up her over the years, there are some gaps that he can't catch up with through his efforts.

"Forget it, let's not talk about it.

It's a destiny. "Xavier sighed and changed the topic." Niky, your birthday is coming soon.

Do you want me to come back with you?"

You used to celebrate your birthday alone.

You are staying on my domain. It doesn't make sense to let you alone. "Xavier paused. His voice was low with a little gentleness." As long as you say you want to see me, I will book a plane ticket to come back immediately."

Birthday?

Nikita just remembers that it is her real birthday two days later.

It was the day Margot gave birth to her.

“No.” Thinking of some things, the girl’s voice gets cold. “My birthday has already passed.

Concentrate on your affairs. When you are finished, I will celebrate your birthday.

She remembered Xavier’s birthday was at the end of this month.

Chapter 319 All I Want Is You

This man made a birthday wish last year that she would celebrate his birthday this year.

Nikita promised him.

“OK.” At the other end of the phone, the man’s voice is full of happiness. “We come an agreement. Niky, you said you would accompany me on my birthday. Don’t break your promise again.”

“Well, I won’t break my word.”

Xavier said this because Nikita once reneged on her promise twice.

On both occasions, she happened to have something to do.

“What do you want for your birthday?” Nikita falls down on the sofa, pulling the thin blanket next to her to cover on her body.

All electrical appliances in this house are automated.

Of course, the original electrical equipment was not so advanced. She changed them into a fully automatic system after living in the house.

After she enters the room, the system will recognize her face at the first time. Her face is the “switch” for starting various electrical appliances.

The air conditioner in the house turned on automatically at the moment she entered the room.

The temperature is low, so she is a little cold.

“You can accompany to me to celebrate my birthday, which is the best birthday present.” Xavier’s voice gets lower. The man’s nice voice had a different emotion. “Niky, I don’t want anything.”

All I want is you.

“Mr. Blake, it’s time to start shooting.” Nikita heard a woman’s voice in her mobile phone.

“Are you busy?”

Let’s talk later. Goodbye. “Nikita heard someone urging Xavier, so she ended the chat and hung up the phone.

The other side.

Xavier pinched the mobile phone, listening to the disconnection sound from the mobile phone. His eyes had a little disappointment.

When he can’t see her, he wants to hear her voice.

He has been shooting and staying in the mountains before, where don’t even have a signal to call her.

Today, the shooting place was changed to the county town, so they finally left the mountain.

When they get to the county seat, there will be a signal naturally.

“Who did Mr. Blake just call? Your girlfriend?” A female producer of the crew came to call him. She is a capable woman. She is good-looking and well-dressed.

Although she is a female producer, her appearance is not bad compared with that of an actress.

She is 28 years old, but she is still single. She is a single old woman in the eyes of many people.

1/2

09:47

However, people who know her in this circle know that there are many wooers around her. The reason why she is still single is that she has a high demand.

In this simple question from the female producer, there was some temptation.

Xavier put away his mobile phone and turned to look at her. The tenderness between his eye and brow hasn't completely faded, which made the female producer paused.

The man popped up his lips and showed a charming smile. His beautiful eyes blinked: “She’s not my girlfriend.”

The female producer showed a smile on her lips. But after a few seconds, she heard the man whisper: “It’s my naughty girl.”

The smile on the lips of the female producer suddenly froze.

He said he had no girlfriend?

Isn't this a special name for girlfriends?

Is it because he doesn't want his love to be exposed that he doesn't want to admit it?

He did this to protect the girl?

Xavier quickly turned to the shooting scene.

Instead, the female producer who came to call him still stood in place in absence, with a lost look on her face.

Sheehan walked out of Nikita's room and went straight to the opposite room, 3809.

Chapter 320 You just care about your little girl.

The man stretched out his slender and white fingers, opening the door with his fingerprints.

He pushed the door and went in.

Last time, he asked Vernon to decorate this place simply. This is the first time he has lived in the room since it was decorated.

After he turns on the lights, the room is as bright as day.

He glanced at this house at random, stretched out his hand and unfastened the buttons of his shirt. He went to the sofa and fell on the sofa decadently.

His mobile phone buzzed and vibrated.

Sheehan didn't want to watch and ignore it, but the caller was very persistent. He didn't answer the first time, and the other party called the second time.

Sheehan lowered his eye and brow. His face was gloomy. He picked up his mobile phone.

It's Yates.

After the cell phone rang a few times, he connected it and asked. His voice was cold: "What's up?"

At the other end of the mobile phone, Yates chuckled: "Mr. Lambert, come out and drink together."

"I'm not interested in it. Sheehan pressed against his eyebrows with his hand. His face was full of coldness. "Master James came back. I'm giving him a welcome.

Are you sure you won't come? "Yates said again.

Sheehan was stunned and narrowed his eyes: "When did he come back, why don't I know it?"

Master James is Sampson.

The James family ran business in N City in early years, and Sampson lived with his family in N City for many years.

He and Sheehan are playmates who grew up together and have a good relationship.

Later, his family stopped running business in N City, and Sampson moved back to his old house with his family.

Although they didn't meet often after that, they kept in touch all the time. Later, Sampson graduated and returned home, and opened a law firm in N City. Then they met each other frequently again. They came out and drank together from time to time.

Therefore, when Sampson returned home, he didn't tell Sheehan in advance. Sheehan is naturally dissatisfied/

“Mr. Lambert, don’t be angry. He didn’t tell me.” Yates smiled and explained, “I happened to have something to find him today, only to know that he came back. So I asked him out to relax.”

“How about it? Are you coming or not?”

There are many new come beautiful women in Fantasy Wonderland today. Everyone is very beautiful.

If you come here, I’ll give you the best one.”

“Have fun, I won’t come here.

1/2

You can enjoy that beauty. I’m not interested in it.” Sheehan’s voice is low.

“All right.” Yates didn’t force him. He chuckled. “I almost forgot.

How can Mr. Lambert be interested in other women now? You only have your little friend in your heart.

But seriously, it’s true that no one can be more beautiful than her.”

Sheehan sipped his lips and didn’t say anything.

“But it is difficult to chase her.” Yates continued “She is young. Even you fall in love with her, you have to wait another four years when she reaches the legal age for marriage.

Besides, I think your girl is different from other women. She is not the people who yearn for marriage.”

“Even when she reaches the legal age for marriage, she may not be willing to live an ordinary life with her husband and children.”

When Yates said it, he sighed: “Mr. Lambert, you have to think it clearly.”

Sheehan’s eyes flashed, but he still didn’t speak.

Before he decided to chase Nikita, he has already thought about these problems.

He doesn’t care how long he waits. He can insist on it.

He is afraid that the little girl won’t even give him a chance.

“What’s the most effective way to chase a girl?” The man was silent for a moment, and asked with a vacancy in his cold eyes.
