

The Girl CB 421

Chapter 421 Hugh is so unlucky.

“Senior Nathan is so nice. He even introduced Hugh to her. She is just a hillbilly. Does she deserve to make a friend with Hugh and eat hot pot with him?”

“Ah ah ah, it pisses me off! This hillbilly is used to playing tricks. As soon as she transferred to our school, she took much pain to get involved with Felton and Lanny. Then she fought with Yvonne for the position of school babe. Now, does she want to take advantage of Hugh to hype herself? The paparazzi who took the sneak shot must be arranged by her, otherwise why was her appearance in every photo so clearly?!

“As you said, it’s really possible. Yvonne, why do I think that adopted daughter in your family is comparing with you in every aspect? This time, because you are going to participate in the competition, and you may win prizes and shoot advertisements and MV with Hugh, so she is jealous, then she did it on purpose.”

Yvonne sipped her lips tightly. Her face was gloomy.

Nathan introduced Hugh to Nikita?

Of course not.

Nathan and Hugh are just nodding acquaintances.

They can go out to eat together, showing that at least they are familiar with each other.

What’s more, because there are too many female artists hyping with Hugh, Hugh always stays at a respectful distance from the opposite sex around him.

But he actually went to eat hot pot with Nikita.

What exactly is their relationship?

Yvonne is confused, only feeling that her mind is a mess. There are many things she can't understand.

At first, there was a mysterious and prominent man staying with Nikita.

Then Sean appeared.

Now, it's Hugh.

Yvonne didn't understand. Nikita grew up in the countryside. She is a hillbilly, isn't she?

But why did she suddenly know so many big shots?

One second ago, she was still showing off Hugh's account, enjoying the compliments and envy around her.

The next second, an invisible slap hit her in the face.

Even she felt that Nikita was intentional.

She chased Felton for two years, but she failed. As soon as Nikita transferred to this school, she sat next to Felton and got special treatment by Felton.

She likes Lanny. The next day, Lanny handed a love letter to Nikita.

Now it's Hugh....

"It was introduced by my brother. After knowing that I added Brother Hugh's account on WhatsApp, she said that she also liked Brother Hugh very much and asked him for Brother Hugh's account. But...

"Yvonne frowned slightly. She hesitated for a few seconds before saying," My brother told us not to

disturb Brother Hugh at ordinary times. I don't know why she went to eat hot pot with Brother Hugh and was photographed.

"In these photos, her face is really clear."

"But I don't think she is deliberately hyping it. It may be that paparazzi's equipment is very good, so they can. photo their faces clearly from far away."

Yvonne seems to be speaking for Nikita.

But after listening to her words, those girls around her scolded Nikita more fiercely.

"It turns out that she is really competing with you. She's so shameless! Does she think she must get everything that Yvonne has? She is a hillbilly. She doesn't know who she really was. Does she deserve to fight with you?"

"I can imagine it. She must badger with brother Hugh to come out for dinner after getting his account. Hugh spoils his fans very much, and he thinks Nikita is a friend's sister, so he can't refuse her, so he promised her!" "She is so shameless!"

"Scheming bitch. She's so disgusting. Brother Hugh was unlucky to the extreme to be entangled with this kind of person."

Chapter 422 Yes, we are friends.

When Yvonne heard these people scolding Nikita, she sipped her lips without saying a word.

She just picked up her mobile phone, logged into her secret account on Facebook, She found an official. blog of entertainment gossip with tens of millions of fans. Then she sent several private messages in

succession

At this time, class F was in a mess, just like a pot of boiling water

Because the trending topic triggered a heated discussion among the girls in the class.

Many students looked at Nikita at the same time.

“Is the girl who stays with Hugh really Nikita?”

“It’s her, or there can’t be anyone who looks so similar.”

“Nikita actually knew Hugh?!”

No way, didn’t she transfer from the country? How can she know Hugh?”

Tammy was also stunned. She raised her head and looked away from the mobile phone screen. She blankly looked at Nikita, who looked indifferent, as if she had not been affected by the trending topic at all.

“Miss Nikita, you, you know Hugh?!”

Nikita didn’t look at her cell phone, but when she heard the discussion around her, she knew what was going

1.

The paparazzi who secretly photographed her and Hugh yesterday finally broke the news.

She slowly took out a book from the drawer. Her voice was careless: “Yes, we know each other.”

Tammy: “”

It's true!

So, the girl who eats hot pot with Hugh is really Nikita?!

No wonder she said that she can help Nikita get his signature just now, but Nikita has no interest at all.

It turns out that they are friends!

"The trending topic said you..."

"It's fake, I'm not interested in him." Before Tammy finished, Nikita interrupted her softly.

Nikita's voice is not low. Many girls who were staring at her heard it.

Someone couldn't help getting up and walking towards her.

"Nikita, you just said you know Hugh, you... what is your relationship?"

The girl who went to eat hot pot with him is really you? "The girl questioned is Hugh's fan as his girlfriend. She saw the trending topic just now, so her eyes were full of hostility.

Nikita turned over the book and didn't lift her head. His tone was not as polite as when talking to Tammy. She said coldly. "Why should I tell you our relationship?"

The girl choked and wanted to lose her temper, but she didn't dare do it.

"I just came to tell you kindly that if that girl was really you, you would be besieged by his fans."

1

, Nikita: "Oh."

Her tone was very indifferent.

The girl who asked questions bit her lip with gloomy face. Then she went back reluctantly.

A group of people continued to whisper, glancing at Nikita from time to time.

Some people envy her.

Some people are jealous.

There are people waiting to see Nikita hitting the skids.

As everyone knows, those fans who consider themselves as Hugh's girlfriends or mothers are very powerful and possessive.

If they know Nikita, they would absolutely tear Nikita up.

Yesterday, Poppy ran around the playground for several times. The whole school heard her apology. So she felt that she had lost her face. She couldn't help but sneer: "How dare she say that she's not interested in Hugh? Does Hugh think much of her?"

"Of course. What does she think she is?"

"It is said that Hugh ate hot pot with her. But perhaps she deliberately stood next to Hugh and walked with him, which made people mistakenly think that she and Hugh were together."

It's time to date.

"Bang!" Samuel slammed a book on the desk: "What are you talking, can you be quiet?!"

Suddenly, a group of people who were talking kept silent.

Other students in the school dare not provoke Felton, Samuel and Tobin.

Nikita was reading with her head down. She didn't lift eyelids. It seems that everything around her have nothing to do with her.

As for the trending topic, she is too lazy to take care of it.

If Hugh can't handle such a little thing well, he should be replaced by someone as the superstar in the entertainment industry.

Chapter 423

"Tut, today's trending topic on Facebook is really interesting.

Mr. Lambert, do you know your little girl have an affair with other men? "Yates stretched out his hand and pushed open the door, with a playful smile on his lips. The expression on his face was gloating.

Yesterday, Sheehan ask him to investigate this man. Today, this man was linked to Nikita because of a gossip of love affair.

He must be unhappy at this moment because he is possessive.

But now he seems to be quite calm.

The man's black shirt is tightly buttoned. His sleeves are rolled up. His clavicle under his slender neck is delicate. His face is somewhat careless. He was reading a document in his hand.

There was no expression on his face, so Yates can't see anything.

Sheehan didn't look up. His voice was faint and somewhat cold: "Oh? What gossip?"

"What kind of gossip can be spread between a man and a woman?" Yates popped up the corners of his lips, wobbled aside and sat down. He overlapped his slender legs and said lazily. "The people who broke the news said they were dating."

The man who concentrates on reading the document raised his eyes, squinting. There was coldness flashing across his eyes: "Dating? Are they blind, so they can't see that Nikita is still young?*

Yates raised an eyebrow and looked at him playfully: "She's not young. She is already a grown-up.

It's time to date."

As soon as he finished speaking, he felt a cold gaze fall on him.

Because of this look, Yates felt that even the temperature surrounding him suddenly cold.

Yates touched his nose: "It's just gossip. Why do you take it seriously?"

I came to tell you, your girl has been exposed now. I'm afraid Hugh's fans won't let her go easily.

"Mr. Lambert will definitely get her goodwill when you go to save her at this time."

As soon as Yates finished, his cell phone vibrated.

He took it out and looked at it carelessly. Then he suddenly changed his face and sat up straight.

After a moment, he looked up and said in a serious tone, "What I was worried about really happened.

apter

Someone exposed the detailed information of your little girl. Not only that, but they exposed a lot of her

black histories.

"Now, the fans of Hugh are very emotional, saying that they want to form a team to go to First Senior High School and ask the school authority to expel your little girl."

"What are you talking about?" Sheehan threw the documents on the desk. His dark eyes were full of

coldness.

"See it." Yates got up, walked to his desk, and handed him his mobile phone. "This news was exposed just now. Your little girl becomes the hottest trending topic."

The the details of the hostess of the 'Hot Pot Event'

Sheehan saw the trending topic, which contained Nikita's personal details and her past things.

"Have you ever seen an eye candy with zero points in all subjects? I'll show you today.

Chapter 424 Sheehan would punish them in person.

"The identity of Hugh's rumored girlfriend was exposed. It turned out to be a high school student in First Senior High School of N City.

It is understood that her name is Nikita. She was born in a poor family. She originally attended a township middle school. Because all her relatives died, the kind-hearted people who supported her since childhood felt that she was very poor as an orphan girl, so they accepted her as an adopted daughter brought her to N city. Then she transferred to First Senior High School of N City.

Nikita's grades in the former school were extremely poor, and she was always the last in the whole grade. It was usual for her to get goose eggs in the exams.

Not only that, but she also participated in vicious fights and beatings for many times. Many students in the school were beaten by her. The local villagers hated her and called her "scourge".

It's difficult for Nikita to get rid of her bad habits. At the first day when she transferred to the new school, she was involved in a fight event again.

In this incident, several people have been sent to the hospital because of her. They have not been discharged yet.

It is reported that there were parents calling the police. The police took her away, but she was released after being detained for less than an hour.

It's understood a mysterious man pulled strings and spent money to bail her out.

Sheehan pinched his mobile phone with his head down for a few seconds. Then he looked up. His handsome face was full of coldness.

"Figure it out." His thin lips moved slightly, saying it coldly.

Yates understood immediately and nodded: "I'll investigate it right away. It should not be difficult to investigate this thing.

According to the information exposed, the person who broke the news should be from the same school as your little girl."

Yates was not surprised at all that Nikita was slandered by someone.

It's so normal.

Nikita became the trending topic because of being involved in Hugh with the gossip of love affair, no wonder her information would be dug out.

Those crazy fans can even dig out the information of her ancestors.

Nikita has already caused "public outrage" among girls in First Senior High School. Hugh has so many fans

in the school. When the news broke out, how could those girls in the school let her go easily?

Therefore, this revelation was definitely made by the students of First Senior High School.

He needs to find out the details of those people who exposed the information.

"Find them out one by one." Sheehan's cold tone is somewhat cruel.

His meaning is that he will punish them in person..

Yates kept silent for a few seconds. He stretched out his hand and pushed the frame on the bridge of his nose. Then he mourned for the initiator for a few seconds.

Sheehan will punish them himself.

hapter

The person who broke the news will be miserable.

The president of the Lambert Group was ruthless and cold-blooded. Even those old stagers who have been engaged in business deals for decades can't bear his cruel means.

Let alone these students who have not been tormented by this cruel society.

Originally, this was just a trivial matter.

But Sheehan had a crush on this little girl.

His sweetheart was hurt. No matter what kinds of thing it is, it is the most important thing for him now.

This guy was unreasonable when he wanted to protect someone.

"Yes, I'll find out it as soon as possible.

Do you want to arrange some people to protect your little girl?

It's terrible for those fans to go crazy. Even if she is skilled, she is alone. In case of any accident...

Before he finished, Sheehan threw his mobile phone to him and made an inside phone call.

"Come to the office right away."

After a few minutes, Vernon knocked on the door and walked into the office.

When he saw Yates, he greeted to Yates politely: "Mr. Sue.

Chapter 425 He is going to protect his little girl.

Yates smiled.

Strictly walked to the black desk and respectfully said, "Mr. Lambert."

Sheehan turned off the computer: "Cancel the arrangement at noon for me. I will inform you in the afternoon about the arrangement in the evening."

Solemn was stunned: "But you made an appointment at noon..."

He will talk to a very important client.

The Lambert Group is currently talking about an investment.

If it is negotiated, the Lambert Group can make a lot of money through it in the next few years.

Moreover, making money is not the most important thing. The most important thing is that this is a project that other enterprises have not developed yet. The Lambert Group developed it first, so he was the leader of the industry. They must be beneficial a lot from it.

Therefore, this investment is very meaningful and important to the Lambert Group.

Sheehan also attached great importance to this matter.

He personally arranged the lunch.

Temporary cancellation will have a bad impact.

"Cancel it. I will deal with the follow-up matters. The man didn't hesitate at all. His voice was extremely cold. Every word he said seemed to be wrapped in frost, which made people feel chill,

“One more thing, immediately notify the public relations department to delete all topics about Nikita on Facebook.”

“Miss Swift?” Vernon was a little confused.

He doesn’t care about entertainment gossip either. He seldom surfs on Facebook at ordinary times.

So he didn’t know the gossip and dirt about Nikita on Facebook.

But he quickly reacted. The reason why Sheehan suddenly canceled his arrangement was related to Nikita.

It sounds that something has happened to Miss Swift.

“Yes, Mr. Lambert. I’ll inform the public relations department immediately. Vernon lowered his head, covering the surprise in his eyes.

Mr. Lambert is serious about it.

For the sake of that little girl, he even canceled the important arrangement.

It can be seen how important she is in his heart.

Perhaps this little girl was going to be their proprietress.

Said it, Sheehan got up and walked out.

The half-open door was pushed open.

Sampson walked in and saw several people in the office. He was sort of stunned and popped up the corners of his lips, "It's so lively. Yates is also here. When did you come?"

Then he looked at Sheehan who seemed to be ready to go out: "Are you going out?"

"Hmm." Sheehan looked at him. "If there is anything, wait for me to come back."

Sampson took a USB flash drive from his bag and handed it to Sheehan: "I'm coming here to help someone to hand over something to you."

All the new products launched by LN this year are in it. Check it when you are free. I will produce them directly if you have no problem."

Sheehan narrowed his eyes, stretched out his hand and took it. He looked down and said, "You help her to hand it over again?"

"Hmm."

"She can't come here by herself?"

"It's obvious."

"What kind of person she is? It's so mysterious."

"Hmm?" Nikita's beautiful and delicate face came into Sampson's mind. He smiled and replied seriously. "When you meet her, you will never forget her."

"Oh." Sheehan chuckled disapprovingly and put the USB flash drive into his trouser pocket. "She dare not show up, let alone make people unforgettable."

I have something to do. I'm leaving. "

Finished it, Sheehan strode out of the office.

Looking at his anxious departure, Sampson raised his eyebrows and walked towards Yates: "Do you know what he is going to do in a hurry?"

Yates also picked his eyebrows: "He probably goes to protect his little girl."

Originally, Yates thought that Sheehan was to arrange a few people to protect Nikita at most.

Chapter 426 He can't believe it's Nikita.

Unexpectedly, he went to protect her in person.

He underestimated the importance of the little girl in Sheehan heart.

"His little girl?" Sampson was stunned and popped up the corners of his lips playfully. "Is that the one you told me before, the most beautiful girl in N City?"

"What else?"

*Does he really care about her?"

Yates also popped up the corners of his lips: "Yes.

Maybe we'll all have to call the little girl sister-in-law in the future."

Sampson was surprised: "Is it so exaggerated?"

Yates: "It's not exaggerated at all.

If it were not for the fact that girl was so young, he couldn't wait to take her to the Civil Affairs Bureau to get a marriage certificate immediately."

Sampson: "..."

"I'm really curious what kind of stunning beauty can fascinate this guy so much."

"She's really a stunning beauty." Yates clinked on a clear photo and showed it to Sampson. "Can you find another stunning beauty like her in N City?"

She is not in our circle, otherwise Miss Garrett will have to give up her title of the first beauty'."

Sampson listened to his exaggeration and looked at it curiously.

At this glance, the curiosity in his eyes turned into consternation and disbelief.

When Yates saw his reaction, he was a little triumphant: "What do you think, is it stunning?"

Sampson stared at the familiar face in the photo for a few seconds and looked up. The expression on his gentle and handsome face is very complicated: "Is Sheehan chasing... this girl?"

"Well, that's her."

Sampson: "..."

Stunning beauty...there wasn't the second one in N City like this...

Nikita really accords with these two points.

But Sampson never thought that the little girl who fascinated Sheehan would be Nikita.

It turned out to be Nikita.

“Well, what do you think? You haven’t said yet.” Yates hit the elbow of Sampson. “I’m not exaggerating. Is she stunning?”

“I think...” Sampson sipped his lips. His tone was very firm. “There is no chance for us to call her sister-in-law.”

Yates raised his eyebrows and asked in confusion, “What do you mean?”

Sampson looked at him and said seriously, “Literally. Sheehan couldn’t get this little girl.”

Even if he is the ruler of the Lambert family with prominent and noble status.

This is definitely a huge benefit for other women.

But for Nikita, it doesn’t have any meaning.

Yates squinted: “How can you be so sure?”

Sampson: “It’s my soothsaying.”

“Soothsaying? When do you learn it?”

“I learned a little from a friend. From the physiognomy point of view, they are mismatched.”

“I don’t believe it. With Mr. Lambert’s condition, he can’t chase a little girl?”

“Why don’t we make a bet?”

“OK, let’s make a bet. What do you want to bet?”

On Facebook, there are many people abusing Nikita.

“The Information of Hugh’s Rumored Girlfriend”

“Hugh’s rumored girlfriend is a bad girl.”

“A Troubled Girl-Nikita”

The top five in list of trending topic are all involved in Hugh and Nikita.

And compared with the gossip between Hugh and Nikita, the discussion of Nikita’s skeletons from her past is hotter, which has overwhelmed the popularity of ambiguous gossip between her and Hugh. The first three trending topics were all involved in her.

In less than an hour, there were over one hundred million comments.

“Holy crap! Hugh’s rumored girlfriend a bad girl who always fights with others and gets goose egg in the exams!! Is there anyone who knows her coming out to confirm all these revelations?”

Chapter 427 She will make a real gaffe!

“Oh, my god! How awful this woman is! Is she a fool? How can she get zero scores?”

Even if she were blind and casually guessed around, she would get some answers right.”

“I can testify. I studied in the First Senior High School. And everything on the news was true.

I’m not clear how she act in her previous school, but it’s absolutely true that she picked up a fight with people just after she transferred to the First Senior High School, and several people ended up in hospital, and she had to go to the police station. ”

“How can this kind of rotten person deserve to have a love affair with our idol? This is so disgusting. She is absolutely doing it on purpose. She wants to take advantage of our idol and hype for herself! This woman is disgusting. At first glance, she looks like scheming bitch. I really want to kiss her ass!”

Those fans who consider themselves as Hugh’s girlfriends or wives made the biggest scene.

They even gathered together and wanted to go to the First Senior High School to teach Nikita a lesson.

Many people in this group of fans are students from the vocational high school next door to the First Senior High School. As soon as the gossip broke out, it angered this group of extreme fans. More than 20 girls from the vocational high school teamed up to go to the First Senior High School to teach Nikita a lesson. After being stopped by the security guard, a group of people blocked the door and kept shouting, refusing to leave.

On the other side, some other groups of fans also rushed to the First Senior High School, claiming that Nikita had affected their idol’s reputation and had a bad influence on their idol. They wanted Nikita to show up and clarify the gossip right away. Otherwise, they would never give up.

A mighty group of people surrounded the gate of the First Senior High School.

Even the back door of the school was blocked.

There were also many reporters who were out of town and blocked at the door, waiting to interview Nikita.

There was never such a thing like this happening in the First Senior High School before. The security guards at the door were scared, and immediately reported it to their superiors and called the police.

The police station is close to the school. Within ten minutes, many police officers were dispatched to maintain the order here.

But even though the police was here, this group of people still refused to leave. They insisted on blocking at the door, waiting for Nikita to come out.

After Yvonne knew this, she sighed and said with worry in her eyes: "Are those fans so crazy? This is horrible. Sister Nikita won't get into trouble, will she?"

Hearing her say so, people around her heard her say this, they all gave her a compliment that she was beautiful both on her look and in her heart. She was so concerned about her adopted daughter who used to try to steal everything from her.

"Yvonne, you can't get involved in this. Just leave her alone. Otherwise, you will get yourself into trouble.

The adopted daughter in your family always has to keep a high profile. We have been having problems with her for a long time. It is good that someone can teach her a lesson."

"If she dared to take advantage of Hugh's popularity to hype herself, she deserved to die of embarrassment!"

Yvonne sighed: "My brother had enjoined her over and over again. We didn't expect that she wouldn't listen.

Now, I can't take care of this even if I want to. Alas... I hope those fans will be rational and don't do anything out of line."

At the gate of the First Senior High School.

A large group of Hugh's fans were still blocking at the door, shouting to ask Nikita to come out.

They really made a big scene out of it this time.

Many students in the school gathered at the door to rubberneck.

Lucy and her group, who used to be beaten up by Nikita, have been holding grudge against Nikita. But they didn't dare to mess with Nikita because they were afraid of being beaten up again.

Since Nikita is in trouble now, of course, the several people want to take this opportunity to take their revenge.

For the fear that students might have an accident, the school temporarily forbade the students from leaving the school. Lucy and her group had to climb over the fence and secretly accepted an interview with reporters.

"I am one of the victims who used to be beaten by Nikita. My name is Lucy. That day, I..."

"I am also one of the victims in that incident..."

"Me too..."

Chapter 428 It sounds interesting.

Class F.

Samuel went out to check the situation. When he came back, he looked scared and patted on his chest. "Oh, my god! Those fans are crazy. They seem to be in a cult.

A large group of people sat quietly at the school gate. And they didn't care about what the police said. They said they wouldn't leave no matter what.

Niky, you mustn't let them find you.

Fortunately, there are policemen outside keeping everyone in order, and they can't get in. So they can only block at the door."

This is the first time for Samuel to see how crazy the fans of stars can be. He seemed to be horribly terrified.

"Some of the Hugh's fans are very crazy.

If any female artist gets involved with Hugh, they can scold her like hell.

Not to mention that Nikita seems to have a love affair with Hugh this time."

Tammy also looked worried. "Nikita, can you get in touch with Hugh?

How come he hasn't responded to this yet?"

Hugh not responding to this kind of testified that Nikita deliberately took advantage of him to hype for herself.

In this way, those fans will be more hostile to Nikita.

"Nikita, you leave in my car now.

I will cover for you." Hearing Samuel's words, even Felton's eyebrows looked cold. He immediately said: "Although they can't get in now, it's still not safe for you to stay in school."

"I'll escort you out of school. Don't come to class for the time being.

Let's talk about another plan when this whole thing is over."

She sleeps all the time while she is at school anyway.

It doesn't make much difference whether she comes to school or not.

"That's a good idea, Niky. Brother Felton is right. You should leave school now.

Those fans are really crazy. I'm worried that after waiting outside for a long time, they may get impatient. If they want to rush in, the police can't control them."

This group of people were all feeling anxious about this.

While Nikita, who had been burying her head and reading books, looked like a total outsider. With all those negative comments on the Facebook and all those crazy fans blocking at the gate of the school, a normal person should have been very anxious, angry and horrified since she has been scolded by people all over the Internet.

But she still looked very indifferent, as if nothing had happened.

Her psychological quality is too strong.

"Nikita, don't try to be brave." Seeing her remain in silence, Felton slightly frowned and said: "No matter how

1/2

'capable you can be, you are still alone.

You have to face a group of people who have lost their minds. If anything happens...

“There is a large group of people at the school gate now?” The girl who has been silent finally spoke up. She closed the book she was reading and raised her head. The expression on her face still looked calm, and her tone was still casual. “They want to teach me a lesson?”

Samuel admired her attitude of being so calm and casual when facing the danger. His eyes were full of worship. “Yes, many people are here. And the door was blocked by them.”

Seeing that the girl didn’t seem to take it seriously, Samuel paused and said: “I saw they still carried something in their hands, as if they were going to use those things to smash you

Samuel said so to make Nikita take it seriously.

However, hearing him say so, Nikita picked up a smile and said: “It sounds very interesting.

I’m bored anyway. I’ll go out and have a look.”

Samuel: “???”

“What? Niky, did you just say you wanted to go out to have a look?”

Nikita pinched her fingers and warmed up her knuckles. She stretched herself and stood up in a few

people’s shocked eyes. “They just want to teach me a lesson, don’t they? They won’t leave without seeing me. I can’t influence the whole school.

Chapter 429 She didn’t even take them seriously, okay?

Besides, I want to see what they can do to me.”

When she was chased around the world by dozens of top killers in the Dark Disney, she never panicked or felt scared.

Let alone a group of weak people who lack the strength to truss up a chicken.

She didn't even take them seriously, okay?

"Niky, you..."

"Shh..." Nikita turned her head and saw Samuel's eyes full of concerns. She picked up a light smile.
"Don't worry, I'll be fine. I'll go and rubberneck. Do you want to join me?"

"Niky, I'll go with you!"

"Me, too!" Tammy looked very worried.

Felton was silent for a few seconds. Then he got up and said: "Me, too."

A few people don't feel sure about letting Nikita go alone.

With them being with her together, they can help her when something happens accidentally.

"Nikita, get your ass out here! Aren't you very capable? Why are you such a coward, now?"

"Send Nikita out! Otherwise, we will never leave!"

"People like Nikita are black sheep. Why hasn't the school expelled her?"

"That's right! We want this school to expel Nikita!"

Since she beat up all those students, is the school going to let such a serious incident go?

Was this school bribed by her? Why haven't you give her a punishment yet?"

At the school gate, a group of people were still scolding with passion and indignation,

Moreover, there were more and more fans who came to denounce Nikita. And there are hundreds of them gathering around the school gate.

"Principal, what should we do now?" Seeing more and more fans arrive here, the security captain from the school affairs division frowned deeply.

He had never experienced such a thing since the school was establishment.

He seemed to be a little overwhelmed.

Now the fans of these stars are really horrible.

"What if we let that Nikita come out?" The security captain thought about it for a while and said: "When they see the person they want to see, they will stop making a scene."

Anyway, she is just a transfer student from the countryside.

Let alone her poor academic performance, she even went to the police station because of picking up a fight with someone else.

She's a typical punk.

There is no need to protect such a student, which affects the normal life of teachers and students in the whole school.

12:04 18

“No way.” Talbot refused him without hesitation. “The school has the obligation to protect the personal safety of students. As long as this student is still in our school, she is under our protection.”

Hand Nikita out?

Are you kidding me?

If his teacher knows about this, he will make him pay.

“But if we don’t hand out Nikita, what should we do if they keep making trouble here?”

Talbot doesn’t know what to do, either. He feels headache.

He sighed helplessly.

Since his Sweet Uncle transferred to school, his daily life really has become “wonderful and exciting”.

He used to feel that those little ones in Class F were not easy to discipline, which made him have a headache. But now, here comes another one who is even more difficult to discipline and makes him have at more severe headache.

When those kids in Class F are disobedient, he can still teach them a lesson.

But he can’t even scold the girl who gives him a more severe headache.

In seniority, she is an elder generation since she is his Sweet Uncle. How can he scold her?

Not to mention that his master is very protective about his Sweet Uncle!

While Talbot was still struggling, he suddenly caught a glimpse of a familiar figure. He looked up and had a look. After seeing who was coming forward, his face changed.

After coming to his sense, he immediately stepped forward and walked to the front of the girl. He frowned and said seriously: "Master's.... Nikita, what are you doing outside?"

Behind Nikita, Felton and his group were following her.

Chapter 430 Don't order me around.

Seeing the most troublesome students standing together, Talbot felt the pain on his head was getting more and more severe.

"And you guys, why are you here with her? There is nothing fun here!

Go back, all of you!"

Nikita looked at Talbot and smiled: "President Dylan, I am here to help you solve your problem."

"What problem? Can't you see all the people out there coming after you?

Hurry back! I'll find a way to send you out later!" Talbot rubbed his bloated temples with one hand and waved towards Nikita.

"You guys go back at once, too!

Hurry up!"

Nikita didn't move.

Felton and his group did not move, either.

Seeing them not taking his words seriously, Talbot frowned tighter. "What are you still standing here for? Go back quickly!"

Nikita gently picked her eyebrows and went forward. She pressed her hand on Talbot's shoulder and lowered her voice. "Are you handling my business now?"

Talbot: "..."

"My brother's disciple, don't teach me how to do things.

Are you still clear about the rules set by your master?"

Talbot: "..."

After saying so in a leisure tone, she reached out and patted him on the shoulder. Then she took a step back.

Talbot twitched the corners of his mouth for several times. And the expression on his face looked strange.

Nikita put both of her hands into her pocket, turned her head and looked at the crowd at the school gate. She slowly picked up a smile, turned around and slowly walked over.

As Talbot open his mouth and wanted to say something, he thought of what the girl said just now. He had to shut up.

He really couldn't control his Sweet Uncle at all...

"Brother Felton, what did Niky just say to Talbot?"

Why does Talbot like a little wronged? It seemed that he wanted to say something, but he didn't dare to." Samuel took back his sights and asked curiously.

Felton also put his hands in the pockets. He stepped forward to follow Nikita with a pair of long legs. "How do I know?"

Keep an eye on her later. If something happens, cover Nikita to leave immediately."

This is what really matters.

Samuel immediately stopped being curious and nodded. "Got it!"

12:04

Nikita walked out of the gate and said to those fans who were screaming wildly: "I am Nikita, the person you are looking for.

Since everyone was clamoring to see me, here I am.

I only have half an hour here. If there is anything, you guys can tell me now."

The girl's voice was clear and clean, with a bit of coldness. It didn't sound sweet and soft, but very nice and discerning. Whoever heard this voice would remember it for a long time.

She didn't say it out loud. But as she spoke up, her voice seemed to have some kind of magic, which made the noisy crowd quiet down at once.

At that time, all eyes fell on her.

They saw the girl's skin was so fair that she seemed to be shiny, and her delicate facial features looked more beautiful than those game modeling characters. She put her hands in her pockets, with one foot slightly being put aside. And her head was tilted. She leaned lazily against the railing on one side of the gate.

There was a gentle breeze passing by.

It blew up a strand of hair hanging from the girl's forehead, revealing all her eyes.

That pair of eyes would be deeply imprinted in people's minds who ever saw her. The shape of her eyes are very beautiful, and the pupils are very black and bright. There seemed to be a cold fog

covering the surface of her eyes. When this pair of eyes fall on someone, no matter a man or a woman, their hearts will beat faster.

The girl's face is palm-sized, and her facial features are extremely beautiful.

The whole person has a temperament like a fairy, and she was totally otherworldly.
