

## **The Girl CB 431**

Chapter 431 What kind of skill is that?

She is wearing a fat and loose school uniform, and her hair is just casually tied into a ponytail. Her hair even looked a little messy because she was sleeping on the table before. Even so, she was still beautiful and stunning.

The moment they saw her, there were a few words constantly floating in their mind: She is beautiful enough. to cause the fall of a city or a state.

Probably because they were shocked by her beauty, no one spoke up within one minute.

Behind her.

Samuel twitched the corner of his mouth and turned his head to whisper to Felton: "Are you sure this isn't the boss meeting her subordinates?"

This is the first time for me to see a person with such an arrogant tone."

She is so arrogant and powerful, but I like it very much....

His goddess is pretty unique. No wonder she is the one for him!

After about a minute.

Finally, someone took the lead to come to her sense and pointed to Nikita's nose. She scolded: "You are such a shameless woman. How do you dare to come out?"

Sisters, let's teach this smelly scheming bitch a lesson and see if she dares to use our idol to hype for her in the future!"

Hearing her words, others seemed to just wake up from their dream and came to their senses. The appearance of Nikita completely irritated them.

‘Shameless woman, go to hell!’

“How dare you take advantage of my idol! Take this, scheming bitch!”

A few rotten cabbages mixed with more than a dozen eggs were suddenly smashed towards Nikita.

Seeing this, Felton and Samuel, who were standing behind her, immediately stretched out to push Nikita away and blocked those things for her. But they only saw that the girl who was lazily leaning against the railing turned her head and dodged one of the rotten cabbages, and turned slightly sideways and bent over again. The more than ten eggs that should have hit her were easily dodged by her.

The remaining two rotten cabbages were kicked to pieces by her one by one.

The cabbage leaves scattered all over the floor and became completely rotten cabbage.

The girl was as flexible as a swallow, and her dodging action was so fast that people couldn’t see how she managed to do that.

They just saw her body sway twice and easily dodged all those attacks.

The group of people who were just shouting and attacking, instantly quieted down.

They all opened their eyes wide and looked at the girl in astonishment, who clapped her hands, turned

around in a natural and unrestrained way and leaned against the railing again. They couldn’t come up with a word to say, as if their neck were pinched.

???

What kind of skill is that???

“That’s it?” Seeing the group of people all look stunned, Nikita stretched out one of her slender and white fingers and shook it from side to side, making a provocative gesture to show her despise. “You will be punished by God if you waste food like this.

You guys can throw things at me. But don’t use the cabbage and eggs.”

Crazy fans:???

Why is this different from what they have imagined?

Shouldn’t this girl named Nikita be so scared that she collapsed and cried, and then knelt down to beg for mercy with them?

“Ah!!! Bitch, go to hell!” A girl just threw both eggs and cabbage at Nikita, but they were all dodged by her the same time. She roared in embarrassment. Then she picked up two stones from the ground and tossed them over at Nikita.

Those two stones both had the size of a fist.

“Nikita, watch out!”

“Niky, watch out!”

Seeing the stones coming at her, Felton and Samuel immediately got greatly frightened and stretched out to push her away. And they were about to stand in front of her and block the stone.

These two Stone were aiming at Nikita’s head. If they got her, the consequences would be unimaginable. A few seconds later.

The two men who tried to be the hero both somehow became silent. They looked at each other and both saw astonishment in each other's eyes.

The girl firmly sandwiched two stones between her white and slender fingers.

Chapter 432 She looked so cool!

Those fans were stunned.

The rest of the onlookers were also shocked.

This reaction, this speed....

Can she still be considered as a normal human being?

"Wow, Sister Nikita is so handsome!

And elegant, too!" Tammy's eyes were sparkling and full of worship.

Samuel was stunned. He couldn't help but murmur: "How did she do that?..."

Felton silently took a step back and stood at his original position. He finally believed Nikita was not trying to be brave until now.

She can really handle this alone.

It was them who underestimated her skill.

That fan who threw stones at Nikita stood still with a stupid face and her mouth slightly opened. Her eyes were wide open, and she looked very shocked.

Nikita looked at her with indifferent eyes. She held the two stones and slowly walked towards her.

Seeing Nikita look over, the female fan was stunned and subconsciously took two steps back. When Nikita walked to her front, she nervously clenched her fist and bit her lips with a pale face. "What... What are you doing?"

When she threw the stones at her, she just wanted to let off her anger. She didn't think about the consequences.

Facing Nikita so close at the moment, she raised her head trembling. When her eyes met with the girl's indifferent and sharp eyes in the air, she instantly became timid. Not only her voice was trembling, but her legs were also shivering.

Although there weren't any expressions on the girl's face, her aura was quite aggressive.

She was clearly younger than her. But when they looked at each other, she somehow felt breathless and suffocated. She almost couldn't breathe.

Nikita stared at her for a few seconds without saying a word. When she saw the horror on the face of the female fan, she slowly picked up a smile and handed the stones over to her hand. "Do you still want to throw these at me?"

The female fan's face turned pale. She opened her mouth. "I, I..."

She seemed too scared to finish a complete sentence.

Nikita remained calm and her faint tone. "That seems to be a negative answer to me."

The female fan was stunned: "I, I..."

Her tongue seemed to be knotted, and she couldn't say anything after pausing for a long time.

The girl was not very fierce to her, nor did she say anything to threaten her. Her tone was faint, and it even sounded a little gentle.

But she was just so scared.

She began to regret why she was so impulsive just now.

Nikita didn't mean to wait for her answer. After asking so, she turned her head and looked at other fans behind her: "What about you guys? Do you want to continue?"

If you do, please hurry.

After letting off your anger, you can just go back wherever you come from. I have to study hard to prepare for the college entrance examination. I don't have so much free time to keep you company."

A group of female fans: ....

Others who were rubbernecking:...

She is a scum who comes to school to sleep every day and has the lowest test scores. And now, she tells people not to affect her study....

Where did she find the courage to say that?

The group of female fans who shouted about teaching her a lesson just now, suddenly went silent after her eyes lightly swept over them.

Clearly, the other party is just a little girl. But when she looked at them, everyone felt a sudden cold, as if some cold air just permeated into their body.

“Did you all have fun?” Nikita picked up a smile with her eyes sweeping over everyone and asked again. “What is your relationship with our idol?” Someone in the crowd plucked up the courage to shout out.

“Yes! What is your relationship with him?”

“Did you really go to eat hot pot with our idol last night?”

Under Nikita’s aggressive sights, those fans didn’t dare to smash anything again. But they all looked unwilling. Obviously, they refused to leave right now.

Chapter 433 He didn’t want to respond.

“What is my relationship with Hugh? You can go to ask him.” Nikita’s eyes fell on the first person to ask this question and answered in a faint tone.

“Why don’t you just tell us directly? Our idol hasn’t responded to your gossip until now. Is this just a hype planned by you alone?”

“Hype?” Nikita narrowed her eyes, as if she heard a funny word. “When Hugh works hard for another ten years and becomes an international superstar, I may consider hyping with him.

Now, he is not qualified yet.”

Her words immediately angered those fans.

“What did you say? Do you mean that my idol is not good enough to be taken advantage by you?”

Nikita thought about it for a while and nodded: “Yes, that’s what I mean.”

Although Hugh has represented the top status in the entertainment industry now, his achievements are nothing in Nikita’s eyes.

He still has a long way to go before becoming a real superstar.

Those fans became more and more angry: "Who do you think you are? Why do you say our idol is unworthy? My idol's achievements until now can never be reached by you for your lifetime!

Don't think that we don't know what you are thinking. You are just a scheming bitch that wants to catch some attention by hyping your love affair with our idol. Stop dreaming! We won't let you succeed!"

"That's right! Stay away from our idol!

Don't use him to hype for yourself!"

"Our idol is not someone you can design!"

"Yvonne, did you hear that? That hillbilly unexpectedly said Hugh was not qualified enough for hyping with her!

Is she crazy? How can she say such shameless words?"

At a corner inside the school.

Yvonne took back her eyes with no expression on her face. Hearing the girlfriend complaining next to her, she said faintly: "She is very confident."

"This is not being confident. This is being silly! She has no self-knowledge at all!

"Indeed! Hugh is not worthy of hyping with her?"

Who does she think she is? An international superstar?

And the gossip about her and Hugh has been out for so long. But Hugh never responds to this.

Hum! Now I firmly believe that she called someone to take a sneak shot and arranged someone to let this news out in order to hype for herself.

Hugh must have figured out that she is behind all this. And that's why he never responded to this matter."

Yvonne clicked on her phone and checked.

Huge didn't post anything on Facebook. The latest post was sent out the day before yesterday.

Several hours have passed since the gossip was spread.

Even if his Facebook account is managed by his company's operation team, he didn't know about this at the beginning, someone should have informed him since it already happened for such a long time.

He must have known about this right now.

The only reason that he hasn't responded to this yet is that he doesn't want to.

So, he and Nikita may know each other. But their relationship does not seem very good, does it?

If they are good friends, how can he watch his friend being scolded like a dog and not come out to clarify for her?

With this thought, Yvonne was in a good mood..

She picked up a smile, took out a card from the pocket of her school uniform, turned her head and said: "We've seen enough. There won't be more fun here. Let's go. I'll buy you bubble tea."

Everything can be found in the canteen of the First Senior High School.

There are several bubble tea shops.

“Ha-ha... Great! I want to have strawberry cheese with extra ice in it.”

“Then I want a cup of bubble tea with mango and taro balls.”

At the same time.

Hugh stayed up all night last night. So he was sleeping during the day.

When he was woken up by the consistent knocking on the door, he obviously hadn't got enough sleep yet. After getting up, he yawned and opened the door.

Chapter 434 Do you have a secret crush on her?

After opening the door, he saw his agent, Allen, standing outside with an anxious face. “I sent you a lot of messages and called you several times. Why didn't you ever respond?”

How can you still be sleeping?”

Seeing Allen being anxious like this, he stretched out his hand and scratched his head. And his eyes still looked sleepy: “Maybe I was in deep sleep then.

Is something wrong? Why are you in such a hurry?”

“You and the big boss are on the trending topic now!” Allen glared at him.” The media was being gossip and claimed that you and the big boss are in a relationship.

Your female fans are jealous. They envy her so much that they even dug out all kinds of skeletons in the big boss's closet. Now, they are all criticizing her on the Facebook.

"There is also a group of fans rushing to the big boss's school to make a scene.

There are lots of people in that group. And now, I don't know situation over there.

The company felt it was not appropriate to respond to this matter before I got in touch with you.

You should think about how to respond now. Otherwise, we don't know whether your fans will do something

crazy.

After hearing his words, Hugh was stunned for a few seconds. Then his face changed instantly.

He looked gloomy and asked: "When did this happen?"

He thought that the person who secretly took photos of them would let the news out yesterday.

After waiting for all night, he got nothing.

Everything remained normal by this morning.

So he felt relief for the time being and didn't pay attention to this matter anymore.

"It has been two hours." Allen frowned. "Now, the skeletons in that big boss's closet are all over the Internet. While the news about your love affair didn't catch much attention anymore.

Hugh sipped his lips tightly. He turned around and walked into the room. "Why didn't you tell me earlier?"

"Oh, my god! You can't blame me for that.

I've already called you several times. Go and check how many missed calls there are.

Originally, I was on the way to 8 city. I deliberately came back to find you.

Normally, I can still ask Hare to inform you. But Hare is also not in N city today."

Hare is Hugh's assistant.

He went to another city for a wedding banquet today.

Hugh quickly walked to the bed and picked up his phone.

Seeing that he logged on his Facebook account, Allen asked: "How are you going to respond?"

Hugh clicked on the screen with his fingers. And he was so angry that his face turned green: "Of course, I'll tell the truth.

It took me a lot of effort to get the big boss have dinner with me. What if she gets angry with me after all

1/2

these?

They really pissed me off. They can do nothing but holding me back!

If the big boss gets angry with me because of this and won't associate with me in the future, what should I do?

I'm not going to let that happen. After sending out this post, I have to call her immediately and apologize to her.

But what should I do if she doesn't accept my apology?

If she doesn't accept the apology over the phone, I will apologize to her in person."

Seeing him being angry and nervous like this, the beautiful face of the girl in the photo suddenly occurred to Allen. He couldn't help coming up with a deduction. Then he said to him in a joking tone: "I saw the photo of that big boss. She is really beautiful.

Since you are so nervous about this, do you have a crush on her?"

Originally, Allen thought that Hugh simply held a worship towards the big boss.

But after seeing the stunning girl in those photos, he felt that he might worship her and secretly has a crush on her at the same time.

After all, he has never seen him care about anyone so much before.

Hugh who was typing, suddenly paused for a second. And the expression on his face changed slightly, but it was not obvious.

Chapter 435 "Memory in August" was written by Nikita?!

After all, he has never seen Hugh care about anyone so much before.

Hugh who was typing, suddenly paused for a second. And the expression on his face changed slightly, but it was not obvious.

His head was buried down, and his long eyelashes hung down, covering the special emotions flashing in his eyes. But his fair and handsome face slightly turned red.

“Don’t talk nonsense.”

Moments later, Hugh edited his post and sent it out. He turned to look at Allen and said, “She is a person! admire very much, and she has helped me. I will never make it and go so far without her.

Now, she is abused by my fans because of me. Of course, I feel guilty in my heart.”

“Oh.” Alan looked at his red face and didn’t expose him. He just reminded him. “You are on the rise now, and not suitable for falling in love.

Now it’s just an affair, and your fans have gone to tear her apart. You can imagine that if you really let the public know about your relationship, your future girlfriend will be in hell.”

Hugh sipped his lips and didn’t say anything.

After a few seconds, he threw his phone on the bed and turned to the cloakroom: “Don’t worry about it, I don’t have the plan to fall in love now.

Did you just say that fans came at her?”

Since Allen had spoken up to remind him, he didn’t say anything else. He nodded and said: “Yes, some of your fans went to see her.”

After Hugh casually took out a set of clothes and put them on, he picked up the phone left on the bed and walked towards the door. “I’ll find her.”

Yvonne bought the bubble tea and was ready to go back to the classroom.

“Oh, my god! Hugh posted on his Facebook account to respond!”

Suddenly, a voice sounded beside her. It was a girl who walked by her, and her tone sounded shocked. “No way! Hugh actually said that Nikita was his idol, and she was the original songwriter of his popular song.”

“What?”

Hugh tweeted?

Isn't his popular song “Memory in August”? Does he mean that this “Memory in August” is written by Nikita?

Is this Nikita he mentioned that transfer student in Class F?” Another shocked voice sounded.

Yvonne and her two girlfriends were talking about the birthday party in the evening. Margot said that she had invited Nana, and she would come to her birthday party tonight. She wanted her to have a good performance by then.

Nana has an exchange student recommendation quota for the St. John's College of Music. If she can recommend her, she can go to the St. John's College of Music to be an exchange student for one year.

The St. John's College of Music ranks top five among those music colleges in the world which has the related subjects.

If she can have one year's experience as an exchange student, she will have a better future after coming

back with a better resume.

Even if she is not completely confident when she faces Malcolm, Nana's recommendation can be her safety choice.

Since Margot can successfully invite Nana to her birthday party, being recommended to the St. John's College of Music as an exchange student by Nana is basically set in stone.

So Yvonne was in a good mood after answering the phone.

Although her ultimate goal is to become a student of Malcolm.

At least, she has a second choice now. So she doesn't feel very stressful anymore.

As she was joking and laughing with her friends, the discussion suddenly sounded beside her made her face stiff and stopped her steps.

Her two girlfriends also heard the discussion just now. They quickly took out their phones and logged on Facebook to check it.

After a few seconds.

The faces of two girlfriends visibly darkened down. Their eyes were wide open, and they said in disbelief: "How is it possible?"

The song "Memory in August" was actually written by Nikita to help Hugh?!"

"This song was Hugh's work which came out three years ago. At that time, Nikita was only fifteen years old.

At the age of fifteen, she could write this classic and beautiful song which is popular all over the country, couldn't she?

Is Hugh's account being hacked? I don't believe it. I don't believe a word!"

Chapter 436 Everything was taken away by Nikita gradually.

Yvonne didn't speak. She was looking down at her phone.

She was reading the post that Hugh just sent out.

She is a follower of Hugh's Facebook account. And she also sets up a special notification for his post. As she clicked open her Facebook, Hugh's clarification post appeared on her homepage.

Hugh: I stayed up all night last night. So I didn't see the trending topic until I woke up just

now.

Last night, I did go to eat hot pot with my idol. I have been trying to make an appointment with her for several years, but I didn't expect so many things to happen because of this dinner.

I think it is necessary for me to solemnly announce that Nikita is a friend I value very much. She is my life mentor and benefactor.

Besides, she is also the original author of my famous song "Memory in August".

Without her song, there would be no Hugh today.

I will never allow anyone to do anything to hurt her in the name of being good for me, especially my fans.

If you want to hurt my benefactor and idol because of me, please stop liking me immediately. I don't need such fans.

"Yvonne, what's going on?"

Didn't you say that... it was Nathan who introduced Nikita to Hugh?

Why does Hugh say he has already known Nikita for a long time? And how did Nikita help Hugh write that song called "Memory in August"? This can't be true, can it?!"

"Yes, Yvonne. What the hell is going on?" The two girlfriends beside her were totally shocked and turned to ask her.

Yvonne's face turned pale. She sipped her lips tightly, and her eyes were still fixing on the post that Hugh just sent out on Facebook, which was showing on the screen of her phone.

Hugh knows Nikita.

Nikita wrote that "Memory in August" for Hugh.

She doesn't believe it. She doesn't believe a word about it.

How is this possible?

CS CamScanner

Nikita has grown up in Syracuse Village. Before the Swift family took her to N City, she was living in Syracuse Village.

How did she meet Hugh three years ago?

And how could she write “Memory in August”, which made Hugh popular overnight?

Nikita... can write such a classic song?

She has been studying in a middle school in the village. The teaching conditions must be bad, so how could she know these things?

These days, those things about Nikita were beyond her imagination, which made her feel like she was dreaming.

She doesn't know why things have become like this.

Before Nikita came to N City, she lived very well. She was a successful girl in the eyes of many people. She was very satisfied with her life.

From the moment Nikita was taken back to the Swift family, everything changed.

Those successful things of her were gradually taken away by Nikita.

She originally cared about some things, and she felt that those things were very important. Because of Nikita, it seemed that they were not so important.

One second ago, she was still proud of getting Hugh's account. She was enjoying the compliments and envy of people around her.

The next second, Hugh sent such a post.

This feeling is like being poured with a pot of ice water, and then she is severely slapped.

Her blood seems to be frozen, and she is also stunned.

“Ah ah ah ah!”

Suddenly there was a scream of great excitement.

Then a large group of girls screamed and ran by Yvonne.

Before she could react to what happened, the two girls beside her screamed: “Ah, ah, Hugh, Hugh, he came to our school!”

“Ah, I see him. It’s really Hugh, ah ah ah ah ah!”

Chapter 437 Is Hugh coming for Nikita?

Two girls screamed for a few times, they couldn’t pay attention to Yvonne at all. They ran in the direction of the gate with other girls with excitement.

Yvonne froze.

She looked at the crowded place.

Is Hugh coming?

Another group of girls screamed and ran past her, there was still some distance away from the school gate, but they could already hear the excited screams and shouts again and again: “Hugh, Hugh, Hugh!”

All the girls in the school seem to have lost their minds.

They all ran to the gate.

Only Yvonne is still standing where she is, clenching her fists and biting her lips, and her face is very embarrassed.

Hearing that her idol is coming, she is not delighted at all.

She looked up and looked bitterly in the direction of the gate.

Is Hugh coming for Nikita?

Does he care so much about Nikita?

But Nikita is just a hillbilly. Why could she get such a treatment? Why does Hugh protect and pay attention to her so much...

At first, Nikita is inferior to her in everything, but now Nikita is superior to her in

everything.

Why!!!

At the school gate, there are really crowds of people.

Hugh didn't wear sunglasses or masks. After getting off the sports car, he walked step by step towards Nikita in the screams of fans out of control.

Allen followed him closely, watching a group of fans who were so excited that they almost fainted, and those who wanted to rush forward and used their hands to touch Hugh, he was frightened.

Fortunately, there are police to control the order.

Otherwise, if fans really rush over, if they get out of control, no one can predict that whether there will be any accidents.

CS CamScanner

He felt that Hugh was really impulsive, Hugh didn't think about consequences that might happen at all. After all, he appeared in public like this.

He was going to call the security guards in the company to be together with them.

But Hugh didn't want to wait at all.

"God, it's really my brother. I'm going to die. My brother is so handsome!"

"Brother, I love you!"

"Ah ah ah, my brother is so handsome ah, I am dizzy!! I'm going into a coma!!"

The fans are crazy.

Screaming, screaming, screaming, everyone took out their mobile phones to take pictures and videos of Hugh. The appearance of Hugh caused sensations at the scene. Even many female teachers were screaming in repression, taking out their mobile phones to take pictures excitedly.

Even many boys are taking pictures with their mobile phones.

Hugh's "Memory in August", which is popular all over the country, is also the song with the highest singing rate for boys and girls in KTV until now.

He has a lot of fans of both genders. He is a national idol.

Behind Nikita, even Tammy was not calm: "Wow, it's really Hugh!

He must have known that there are fans making trouble here, so Hugh came here specially to meet you.

Nikita, Hugh really attaches great importance to you."

When he is not at work, he keeps as far away from other women as he can.

But this time, he took the initiative to meet Nikita.

And he is in front of so many people.

It can be said that he really values her.

Samuel and Felton looked at the handsome man coming over, and their faces were

embarrassed.

Hugh went to the front of Nikita, stopped, stretched out his hand and took off his black cap. After looking at the girl in front of him with his beautiful eyes carefully from head to toe, he found she wasn't hurt. Then he was slightly relieved.

Chapter 438

one is qualified to be a powerful person.

"Nikita, I'm sorry." Hugh apologized immediately, his eyes were full of remorse, "I'm sorry, because of me, you have suffered these cursing for no reason.

I should have settled this sooner. I, I stayed up all night last night and slept so deeply. Allen called me at the very beginning, but I didn't hear it."

"When I woke up and knew about this, it was already, a little late."

Hugh's voice is getting lower, like a child who has done something wrong and doesn't know what he can do.

"And my fans came to the school to make trouble. I didn't expect them to be so extreme."

"Are you, are you all right?" Although it has just been confirmed, Hugh is still a little worried.

Nikita looked at the man who blamed himself in front of her, shook her head and said faintly: "I am fine, the abilities of your fans are too weak, and it is not so easy to let me suffer."

Hugh: "..."

She is qualified to be a powerful person.

If other people encounter such a thing, they must be scared to death, and they must be afraid to occur.

Now she is calm, as if nothing had happened, and she is even indifferent.

"Now that you're here, control your fans.

I have to go back to class, and we can talk about it later." Nikita covered her lips and yawned lazily, it seemed that she was sleepy again. Her eyes were narrowed, just like a lazy cat.

When she finished saying these words, she turned around, stretched her body again, and then lazily said to Felton and others behind her: "Let's go back to class."

They looked at her: "..."

She just wanted to go back to sleep, right?

"Let's go." The maiden then threw the stones out of her hand, put her hands into her pockets, lifted her chin, and left first.

The pace is light and fast, the braid behind the head shakes gently, and her figure is natural and unrestrained.

Those female fans who shouted to let her suffer didn't dare to stop her at all.

CS CamScanner

They are astonished to look at the two stones she threw out. The two stones are embedded in the trunk of a big tree, which is several meters away from her.

One-third of the stones is embedded and two-thirds is exposed outside.

Under the sun, the white stones are like mushrooms growing on the trunk, which are very

conspicuous.

There were sounds of inhaling.

Everyone who saw this scene looked stunned, shocked and appalled.

Oops!

What did they see?!

Isn't this the plot in martial arts novels?!!

Nikita threw the stones into the trunk casually?!

Aren't they dazzled or hallucinated?

At the same time, everyone couldn't help wondering what would happen if these two stones were smashed at them.

Will their brains be embedded in two stones like that tree?

Everyone was afraid when they thought like this. Especially the group of girls who smashed eggs, cabbage and stones at Nikita before, they were scared. Their backs became wet with cold sweat, and their faces turned pale.

After watching Nikita leave, Hugh turned around and said to a group of fans behind him with extremely serious expression: "I will never allow my fans to do anything illegal in the name of speaking out for me.

If you are really my fans, now, leave immediately and delete your bad comments on Facebook immediately."

Fans originally thought that Nikita was a person who could be bullied easily just like the female artists they bullied before.

Chapter 439 The school babe lied to them.

They didn't expect that they would be frightened before bullying her.

Although she seems to be a weak girl, she is really powerful.

Actually, Hugh doesn't have to say anything. They don't dare to make troubles.

They are afraid that Nikita will throw something at them later, and it will be embedded in their heads.

In addition, although this group of fans were extreme, they would still obey Hugh's words. It was clarified that it was not an ambiguous gossip, and the hostility to Nikita was naturally not so serious. Soon, the gathered crowd slowly left.

Finally, several reporters stayed and wanted to interview Hugh.

"Hugh, I am a reporter for a newspaper. Can I interview you about the original author of "Memory in August"?"

"Is the song "Memory in August really written to you by the girl named Nikita?"

"Memory in August" is the best song in all your records. Your works in the future can not be compared with it. Is it because this is the only work written by her?"

"Shit, Nikita turned out to be the original author of Memory in August!"

"This is too awesome.

Three years ago, she was only fifteen years old, she could write a classic song of such high standards. Isn't she a genius?"

"But, doesn't Nikita come from the countryside?"

How can she do this?"

"I heard that Nikita didn't always live in the countryside.

Miss Morris thought she spoke French very well and asked her if she had lived abroad. She said she had lived in F country for one year.

I think, maybe we have some misunderstandings about Nikita, and her life... may not be as bad as we thought.

She is not as bad as we have thought.”

“But it is true that she scored zero on the exam.

This can not be fake.”

“Ahem, don’t you find it strange when we are talking about this?

Even people with intellectual defects go to the exam, they can answer a few

CS CamScanner

multiple-choice questions casually, and they can’t get zero points.

Even the last one in our grade won’t get zero points, right?

Those who can get zero marks may not answer any questions, or they may be deliberate.

The former is easy to do, but as for the latter... to avoid all the correct answers and get a zero score, you can think whether it is difficult.”

At this moment, Nikita is being discussed in First Senior High School.

No matter class A or class F, when Hugh's post was published, it was revealed that Nikita was the writer of Memory in August, no one was calm.

The sentence "to avoid all the correct answers and get a zero score, you can think whether it is difficult." made those people who were discussing silent.

Yeah.

Why haven't they thought about this before?

Zero score in all subjects seems to be quite bad, but under normal circumstances, how can a person get zero score in all subjects?

Even students with the poorest grades or even the most stupid students can't get zero marks in all subjects.

They can't answer other questions, but they can always guess some correct answers in multiple-choices.

Nikita got such a result, either she didn't answer at all, or she was intentional.

Either way, it shows that her grades are not really that bad.

After being silent for a while, everyone felt that they might really have some misunderstandings about Nikita: "So, Nikita's grades are not really that bad?"

And maybe, her grades can be good?"

"At least, in the video where she speaks French, she really speaks French very well.

I don't think a person who can learn French well can get such poor grades.

Chapter 440 I begin to like Nikita.

“Didn’t she sign up for the English competition? We laughed at her because we thought she overestimated herself before. In fact, perhaps she is good at English?”

They lost in thought again.

Once some people’s fixed thoughts have changed, they will think on the other hand, and will not be limited to some previous ideas.

For example, before this incident, everyone thought that Nikita is just a beautiful girl without abilities.

But after this incident, some people will start to think about another possibility.

“The English test will be held tomorrow.

At that time, we will know her real abilities.”

There are about ten people in each class who have signed up for the English competition, and there are hundreds of people in total.

But in the end, only ten students will be selected to participate in the competition.

If Nikita can get a good result in tomorrow’s English test, then her zero score in all subjects must be intentional.

“But she is really talented.”

There is a girl who didn’t like Nikita before, but now she speaks objectively. “Memory in August is nice and classic, and it is my favorite song.

I didn't expect her to write such an amazing song at the age of fifteen.

Even though her academic performance is really bad, her artistic talents are far superior to those of ordinary people."

With this talent, even if her grades are really poor, she can live well in the future.

Moreover, many geniuses are not that comprehensive, but this does not prevent them from becoming admirable and respected experts in a certain field in the future.

"Am I the only one who pays more attention to another thing?"

Since Nikita and Hugh have known each other for a long time, why did the 'beauty' of our school say that her brother introduced Nikita to Hugh?"

"Yes, yes, I am also thinking about this.

According to her words, Nikita didn't obey her brother's words. Nikita pestered Hugh to go.

out to eat.

But what Hugh said was that he tried hard to make an appointment with Nikita.

So, who lied?"

"Do you have to ask this question? It must be the 'beauty' of our school.

Definitely, Hugh won't lie. "

“Then the ‘beauty’ must be deliberate?”

She deliberately said so... She wanted others to hate Nikita?

Oops. She said that Nikita was adopted by her family. She even called her as sister Nikita. She is so shrewd and cunning.”

In school, there are quite a few girls who don’t like Yvonne.

Girls are more jealous.

Yvonne has good family background, good academic performance, beautiful appearance. She can also play the piano and chess, and she is versatile.

Her character is also warm, gentle and lovable.

It can be said that she is a perfect girl.

Before Nikita’s coming, most boys in the school had a good impression on Yvonne.

Girls don’t like Yvonne, but because of Yvonne’s high popularity in school and family background, as well as her brother Nathan, who is a handsome guy and a powerful person in First Senior High School before, no matter how much they hate her, they can just endure.

They don’t dare to do anything to her.

But once they have the opportunity to blame her, they won’t let it go.

“I always feel that the school babe is just pretending to be kind. However, most of the students supported her, I didn’t dare to say it.” A girl waved her hands.

Soon, several girls nodded and agreed: "I also think she is pretending to be kind. Boys can't feel it, but as girls, it's easy to identify whether she is pretending."

"I didn't like Nikita very much. But now, because of the hypocritical school babe, I think I'm going to like Nikita."
