

The Girl CB 471

Chapter 471 His Brother Is So Cheeky.

This time, it didn't take him much time to wait. He received a reply from the girl.

The message was still short and simple. One word only, "Nope."

She's not alone. So, she got others accompanying her.

Who was staying with her?

Was it Hugh? Or Xavier? Or someone else...

He squinted his deep eyes. The air pressure around him was low. And after staring at the chat in the dialog box for a minute, he replied to her message, "I'm near the hotel. I haven't had dinner yet. What about having dinner together?"

After a few seconds, not waiting for the girl to reply to him, he sent another message, "I got something for you."

Inside the private room.

Samuel was still talking about the encounter with Margot and Patrick downstairs.

Listening to their righteous curses, Nikita did not make a sound. It was like what they were discussing was a piece of gossip that had nothing to do with her.

The phone buzzed a few more times.

She looked down and saw Sheehan's news saying that he was coming over. She pursed her lips and waved to call the waiter in the box, "Please bring us another set of tableware." "Sure, Miss." The waiter

was very nice. He asked in a gentle and respectful tone with a smile, "Is there anything I can do for you?"

Nikita shook her head.

"Okay. Please wait a moment."

The waiter immediately turned around and walked out of the box.

Felton sat opposite Nikita and was also playing with his phone. He just started a new round of the game. He looked up at Nikita and asked, "Is someone coming?"

"Yeah." Nikita was also playing the game. She just started a Qualifying Game. She hunted four boars and had four levels upgraded. Then, she kept hunting around. Two minutes after the game started, she had killed four.

No one knew what had occurred to Felton. His face fell.

He threw his phone on the table and asked in an irritated tone, "Who? My brother?"

"Hmm." Nikita helped the Mid Laner capture another round and easily finished one kill.

1801

'Sure enough, it's my brother, Felton thought to himself.

Felton pursed his lips. In his long, beautiful eyes, there was an obvious annoyance.

His brother was so cheeky.

“Sheehan is coming?”

Samuel and Tobin were surprised to hear that Sheehan was coming over.

They didn’t know that Sheehan was chasing Nikita.

At that moment, there was a knock on the door.

The few people in the box thought it was a waiter and said come in. When the door was pushed open, they saw a flower store employee standing outside with a large bouquet of roses in her arms.

“May I ask who is Miss Swift, Nikita Swift?” the flower girl walked into the box with the flowers in her arms. The girl ran down the room and asked politely.

They all looked at Nikita.

Nikita slowly raised a hand.

“Miss Swift, hello, a Mr. Lambert ordered flowers for you. Please sign it.” The flower girl looked at the stunningly beautiful girl and was a bit amazed. She handed over the flowers.

Nikita looked at the bunch of heavy red roses and frowned lightly.

After a few seconds, she reached out to take it and signed the signature on the receipt.

“Miss Swift, I wish you a happy birthday. Bye then.”

Soon, the flower girl left.

Everyone at the table had different expressions on their faces.

Felton looked at the red, blinding bouquet of roses. His face became more and more sullen.

Samuel and Tobin, on the other hand, had a confused and curious look. They couldn't help but ask, "Niky, who is this Mr. Lambert? Is he chasing you?"

Tammy knew what was going on. She smiled and thought to herself that her first cousin was still quite good at chasing women.

Chapter 472 Is He Flirting with Her?

Nikita didn't say anything to them. She just called over the waiter and asked him to put the flowers on the cabinet on the other side.

The phone on the table buzzed. She looked down at it.

Sheehan, "Did you get the flowers? Do you like them?"

Nikita, "..."

She thought of the first time Sheehan sent her flowers. It was a bunch of red roses.

She didn't hate flowers.

She just didn't have a feeling for red roses.

But in any case, it was a gift from Sheehan.

She politely replied, "Emm, thanks."

Sheehan, "I just saw a bubble tea store. Do you want me to bring you a cup?"

Niky, "Extra Ice, less sugar, taro balls, bubbles, large cup."

Sheehan, "And what about the dessert from Germy Hall? I can ask them to deliver some to you now."

The dessert of the Germy Hall.

It was hard to say no to it.

Nikita thought about it and replied, "Sure. If it doesn't take you too long."

Sheehan replied in seconds, "Anything for you, I would like to take it longer."

Nikita, "..."

Was he flirting with her?

She didn't reply to the message.

Felton coldly stared at her. Seeing that she finished texting, he suddenly got up and said, "Nikita, come out for a second. I want to talk to you."

The boy walked out of the private room first after he said that.

Nikita, with one hand holding her jaw, picked up a glass of juice from the table and took a couple of slow sips. Then she slowly stood up.

She walked out of the private room.

Samuel elbowed Tobin and frowned, "What do you think? Why does Felton want to talk privately with Niky? And who the hell is this man who sends flowers? A Mr. Lambert? ch.

my..."

Thinking of a possibility, Samuel widened his eyes and burst out some curse words in shock, "What the hell! Could it be that the man chasing Niky is Sheehan?"

Even Tobin was quite surprised, "No way."

They had all met Sheehan.

It was hard to believe that Sheehan would woo a girl so much younger than him.

Although, Nikita was quite hot.

But they all felt that Sheehan should be very discerning and not the kind of superficial man who only looked at appearance.

How could Sheehan, a super smart student who had always gotten perfect scores in exams since he was a child, like Nikita, a student who scored zero in every exam?

"Haha." Tammy glanced toward Samuel. Holding a cup of yogurt, she said unhurriedly, "You are right. Sheehan is pursuing Niky. Niky is going to be my sister-in-law in the future."

“Niky is so perfect. Only Sheehan is good enough for her. She is going to marry into my family!” Tammy was staring at Samuel when she said this.

Anyone who tries to chase her future sister-in-law is her enemy!

“Shit! It turned out to be true!” Samuel was so shocked that he almost knocked the the table.

“But, but Niky is only eighteen years old...”

cup at

“Hum, so what. Sheehan is not old, only a few years older than her. When Niky goes to college, he can officially pursue her.”

“So others should stop the desires for Niky.”

Samuel: “...”

He has no wild desires for Nikita.

Now, Nikita is his boss, and he is just a younger brother under her hand.

Just, Sheehan is really chasing Nikita?

What about his brother?

The two brothers falling in love with the same girl?

It's too exciting.

No wonder when he heard that Sheehan was coming, Felton didn't look very good.

In the hallway.

Chapter 473 It's none of your business.

The teenager sipped his lips tightly. And his face darkened down. The surrounding aura was very depressed too. After a few seconds, he finally spoke up: "What's going on between you and my brother?"

Although Nikita said that she was not interested in Sheehan

They are still getting in touch with each other.

Since old Mr. Lambert's illness has almost been cured.

Nikita doesn't need to go to the Lambert Mansion anymore,

Arguably, she and Sheehan should no longer have any intersection.

But Sheehan sent her flowers today for her birthday. And she accepted his gift.

Hearing his questioning tone, the expression on Nikita's face suddenly looked cold.

She frowned. "Did you just call me out to say this?"

The girl's voice sounded cold. And her tone was not nice.

Felton was stunned. He bowed his head and took a glance at her face. After hesitating for a few seconds, the negative aura around him eased a little. And he softened his tone: "Nikita, I don't know what is

going on between with you and my brother now. But I want to say that you are not suitable for each other.”

“My brother is a person who...” Felton thought about it for a while and said: “He may really like you now. But there is an age gap between you two. If you two really start a relationship, you may both find

that you are not suitable for each other.”

“The women he used to admire are all very mature.”

Nikita is still a little girl.

Felton thinks that his brother is just interested in her good look.

Nikita is actually not his brother’s type.

If they really get together, Nikita will be the one who suffers.

Nikita had no expression on her face. After hearing his words, she gently raised her eyebrows: “Oh, so what?”

Seeing her careless expression, Felton felt a little anxious. “Nikita, we are friends. And I am doing this for your own good. My brother and I grew up together I know him. He is just... interested in your good look”

“Such feelings come quickly and disappear quickly too.

Nikita went out of the box, walked to the front of Felton, looked at the repressed dryness between the eyebrows of the teenager, and put his mobile phone back in his pocket and asked with a straight face: “What’s up?”

“Oh.” Nikita remained an indifferent look. There was no mood fluctuation showing in her eyes. “So what?”

Felton: ...

Nikita. “He is just interested in my good look?”

She picked up a smile. When men and women start to have feelings for each other, doesn't the initial attraction all come from good looks? Otherwise, what else could it be? Will they immediately fall in love with each other's interesting souls through their

mediocre appearance

Felton: “...”

“As for the fact that your brother is just interested in my look... She suddenly chuckled. She leaned forward and kept her laughter low. “I don't care. After all, I am also just interested in your brother's look. Everyone has a tacky taste. It is not a shame to admit that I'm superficial.”

“Do you believe me when I say I used to be interested in your look too?”

As she approached, a sweet fragrance came to his face.

Felton felt his tongue seemed to be knotted at once. He couldn't say a word. And his face inexplicably burned up.

The young man blushed. His fair face which looked delicate and handsome was dyed with a thin layer of color pink. The light in his narrow and beautiful eyes flashed in panic.

Seeing his flustered look, Nikita stepped back and picked up a smile. Although she was smiling, her eyes looked indifferent. “Felton, we are just friends. What happens between me and your brother is none of your business.”

“It is not up to you to decide whether we are suitable for each other or not.”

Nikita never thought about what would happen between her and Sheehan.

To be precise, she hasn't thought about starting a relationship with any men now.

She is not interested in falling in love.

But she hates being controlled by others.

If it were Granny Callie who tried to talk some senses into her, she might have taken it seriously.

But if it's anyone else...

sene Cu Nikta is the first one

Chapter 474 Nikita is the first one.

Sorry... She is too impatient to listen to it

Felton raised his head. And there was a shock expression showing on his handsome face

which still looked red.

After finishing her words. Nikita turned around and got back to the box.

Felton stood in place with her indifferent look showing in his mind. He was stunned for a few seconds. Then he slowly pressed on his chest hard with one hand

It hurt a little. And he also had a sour and bitter feeling in his heart.

He couldn't tell what it was like. But it just made him feel uncomfortable

Nikita returned to the box

"Niky, check this out!" Samuel held his phone up high and ran to her excitedly. Then he

stuffed the phone in her hand. "Look"

Nikita took a look at him inexplicably and took the phone.

After a few seconds, she looked up and didn't show any expression on her face. She handed the phone back to Samuel. Well, I saw it."

Seeing that she didn't have so much reaction, Samuel was a little suspicious. "Have you really finished reading it?"

"Yes" Nikita walked back to her position, sat down, picked up the juice on the table and took a sip.

Then why didn't you have any reaction?" Samuel muttered.

Nikita picked up a smile. "How do you want me to react? Laughing out loud and saying that the Swift family deserved it?"

Samuel ..

"Niky, why did the share price of the Swift Group suddenly plummet?" Samuel was curious after looking through the news. "Isn't this abnormal? I often listen to my dad and my grandfather talking about business affairs. Under normal circumstances, the stock price will not suddenly fall like this, right?"

“Yeah, it’s a little strange indeed Nikita nodded. She picked up her phone and opened the WhatsApp dialog box She replied to Samuel while sending messages through WhatsApp. “Someone should have pulled some strings in the stock market and forcibly suppressed the share price of the Swift Group”

The three people at the table were quite surprised: “Niky, do you still know stocks?”

“A little.” Nikita sent the message out through WhatsApp.

Niky: Help me investigate the reason why the share price of the Swift Group suddenly plummeted.

Hancock: OK, boss! Give me a minute!

“So, the Swift Group has offended someone. And there is someone who deliberately wants to bring down the Swift Group, right?” Samuel asked again.

“It’s possible.”

“Why do I feel...” Samuel took a look at Nikita and hesitated for a few seconds before speaking up again: “It seems that someone is taking it out on the Swift Group to revenge. for Niky. Niky, as you just

got on the Swift family’s bad side, the share price of the Swift Group plummeted. Can this be just a coincidence?”

The light in Nikita’s eyes gently flashed.

Her phone vibrated again. A new message from WhatsApp came in. It was Sheehan who had arrived at the hotel and asked her the room number.

Nikita sent her specific address over.

When Sheehan came up by the elevator, Felton was still standing in the corridor.

The teenager leaned against the wall with his hands in his pockets. He bowed his head down with the gloomy aura around him.

When he heard footsteps approaching, he lifted his eyelids and raised his head with a gloomy look.

When he saw the person standing in front of him, he was stunned and slowly stood up straight.

“Brother.” Felton’s thin lips were stretched into a straight line. And his tone sounded

reluctant.

His voice was low with coldness which somewhat sounded gloomy.

He glanced at the two bags carried by Sheehan in his hand and narrowed his beautiful eyes. The light showing in his eyes became more and more gloomy.

One of the two bags is filled with bubble tea.

And there is a cake in the other bag.

It is obvious who these are for.

Felton had never seen his brother being so attentive to anyone.

Nikita is the first one ever.

Chapter 475 Those two look so cute together.

“What are you doing standing outside? Have you had a conflict with your friends?” Seeing the teenager’s gloomy face, Sheehan asked casually.

Felton pinched his fingers tightly. And his voice sounded somewhat tightened: “No...”

Sheehan didn’t have time to get to know what happened to him. Since he didn’t get an answer, he didn’t ask anything else. He just walked towards the box with bubble tea and cake in his hand.

“Brother.” Seeing that Sheehan has reached the door of the box and was about to stretch out his hand to push open the door, Felton clenched his fists, took a deep breath and stopped him.

The man stopped.

He turned around and look at him with deep and black eyes.

He didn’t say anything. But his aura was aggressive and extremely oppressive.

Felton felt a little difficult to breathe. He took a deep breath again and walked slowly to

Sheehan.

After hesitating for a few seconds, he moved his lips, pressed his voice very low and said: “Brother, are you serious?”

As soon as he finished speaking, he felt a very oppressive sight falling on him. And a low and cold voice fell above his head at the same time: “If you are talking about Nikita, she will be your future sister-in-law.”

Felton clenched his fists and lowered his eyes, covering the gloomy light in his eyes.

Although they know that Sheehan is pursuing Nikita, Samuel and Tobin were still a little frightened when they saw the eldest brother of the Lambert family who always looked cold and serious handed Nikita a cup of bubble tea with a straw inserted.

After all, every time when they see Sheehan, they get scared.

The two people watched this scene with a stunned face.

And they felt like they were watching a science fiction movie.

“Didn’t you say I wanted it with more ice?” On the opposite of him, the girl took the bubble tea and took a sip. She seemed a little dissatisfied.

The man sat down beside her. And his voice sounded very gentle. He patiently explained: “You are a girl. And you shouldn’t have too many icy drinks. I asked them to add some ice, but not much.”

Hearing Sheehan’s gentle voice, Samuel and Tobin had a shocked expression showing on

their faces, as if they saw a ghost.

Is this really the eldest brother of the Lambert family?

Why is he completely different from the eldest brother of the Lambert family whom they

know?

After Felton entered the private box, he remained in silence and vented all his

dissatisfaction in the game. He killed crazily in the game.

Only Tammy held her cheeks. And there seemed to be a filter with pink bubbles in her eyes. She smiled so brightly that her eyebrows curved.

Alas... They look so cute together.

She didn't expect her eldest cousin to be so gentle to the girl he likes.

It was a pleasant dinner.

Although Felton didn't say anything all the way, there were two active people, Samuel and Tammy, warming up the atmosphere. So it was never awkward.

Sheehan sat next to Nikita. He basically didn't eat anything. And he kept picking dishes for

Nikita.

As Nikita's eyes just fell on one dish, or fixed on one dish for more than one second, the dish she glanced one second ago would be in her bowl.

In the whole process, she basically never needed to pick up dishes from the table.

Seeing this, Tammy couldn't help feeling more and more happy. She has always not been sensitive enough to see through something. And she even bowed her head excitedly and pulled Felton's sleeves. She lowered her voice and say excitedly: "Felton, do you think Brother Sheehan and Niky look particularly suitable for each other?"

"Ah!!! The two of them just look so cute together! This is so sweet. Brother Sheehan is really thoughtful when it comes to Niky. He has been picking up dishes for her all the time. And he basically didn't eat at all."

"Sweet?" The teenager's voice sounded low and cold. "How can that be sweet?"

Tammy was stunned: "How can that not be sweet?"

Felton sneered: "That's not sweet at all. My brother has a crush on her, but Nikita doesn't

like him at all."

"Who said that?" Tammy didn't think so. "I think Niky must have feelings for Brother Sheehan too. We both know very well about Niky's character. If she doesn't like Brother Sheehan, how can she eat the food he picked up for her?"

Chapter 476 Why didn't you refuse him?

"Besides, Brother Sheehan is so handsome and in a good shape. He knows how to make money and how to take care of people. No girl will refuse such a man!"

Felton's face looked more gloomy.

"As long as a man is handsome, in a good shape and rich, you girls will all like him? How superficial you are!"

Tammy made a face at him and smiled: "Yes, of course. We girls are all superficial. Otherwise, why do you think you were selected as the school hunk of the First Senior High School?"

He fights every day. And his score is the second lowest in the whole grade.

If it weren't for his handsome face and his identity as the Young Master Lambert, how

could he have been elected as the school hunk?

If the evaluation criteria were up to comprehensive conditions and grades, the school hunk of the First Senior High School should have been Lanny.

Felton: "..."

"Who wants to be the stupid school hunk?" When he looked up, he saw Sheehan picked up a rib for Nikita. And Nikita clipped the rib and ate it. And she seemed to enjoy it.

Felton was upset.

Why didn't Nikita refuse him?

She clearly said she didn't like his brother.

Doesn't she know that this will cause some misunderstanding?

Doesn't she know his brother has feelings for her?

After dinner, Sheehan took out the cake.

After inserting the candles, he lit them up and asked people to turn off the light.

With Tammy taking the lead, a group of people gathered around to sing the birthday song

to Nikita.

"Happy birthday to you~ Happy birthday to you... Happy eighteenth birthday to Niky!"

The faint candlelight illuminated several young and vivid faces. Nikita was surrounded by people in the middle. And the candlelight also illuminated her delicate and picturesque facial features. She slightly raised up her head and looked at a group of people around her. There was a bright light flashing in her black eyes. And the expression on her face didn't look as alienated as usual.

Why didn't you refuse him?

The girl's eyes seemed to look a little warm.

They no longer looked indifferent and cold as usual.

After singing the song, it's time for her to blow out the candles and make a wish.

"Niky, make a wish!" A few pairs of eyes were fixed on Nikita.

"Do I really have to make a wish?" Nikita felt a little awkward. She hasn't celebrated a birthday as seriously as this time for a long time.

She has a group of friends accompanying her and creating such a lively atmosphere.

Eating cakes, blowing out candles, making wishes...

In her memory, it has been a long time since the last time she did all these stuffs.

"It's your birthday! Of course, you need to make a wish." Beside her, the man's low and magnetic voice reached in her ears with inexplicable tenderness, which made her feel nice. "You can give it a thought first to see whether you have a wish that you really want to realize."

"A wish that I really want to realize?" Nikita blinked. She seemed to think of something. And her eyes dimmed for a moment. But soon, she returned to normal.

She remained silent for a few seconds and murmured in a low voice: "Can a birthday wish really come true?"

Sheehan was stunned.

The man lowered his deep eyes, which looked a little surprised, and fixed his eyes on her porcelain–white face. He stared at her for a few seconds and then spoke up. His low and nice voice sounded more gentle. “It might come true if you are sincere enough. Give it a

try.”

At that moment when the girl in front of him asked ‘Can a birthday wish really come true?’, she seemed to be at a loss about something.

But at the same time, she was looking forward to it. Then she seemed to be a little girl who didn’t know what to do and asked her parents for help.

At that moment, she seemed to be a normal teenage girl.

Instead of the invulnerable woman she always seems to be.

The birthday wish... Something she really wants it to come true....

Chapter 477 The Man Who Has the Look That Caters to Her Aesthetic

Taste

For her now, she can get anything she wants easily.

If she has to make a wish, she only has one wish.

She wishes Freddy is still alive.

She hopes that she can find Freddy during her lifetime and take Freddy to hold a memorial ceremony for Granny Callie.

Granny Callie was still thinking about Freddy before she died.

After dinner, a group of people came out of the hotel.

Samuel and others originally arranged some evening activities, such as going to KTV to sing after eating. But after they took a glance at Sheehan who was standing beside Nikita, and they all gave up this idea tacitly.

They claimed that they had other plans and used it as an excuse to leave.

It's true that those two are afraid of Sheehan.

Being able to sit at the same table and finishing dinner with him had exhausted all the courage of the two people.

After a meal, they had lost most of their energy.

If they didn't find any excuse to flee away, they could have died here.

"Niky, then we'll go first. See you tomorrow!" Samuel and Tobin got into the taxi and left quickly.

"Felton, I just saw that the PlayStation in the shopping mall seemed to be very fun. Let's go and try one. I don't know how to play. You can teach me!" All Tammy could think about was to help her Brother Sheehan marry Nikita, so that Nikita could be her sister-in-law. Naturally, she wanted to create a chance for her cousin to spend some private time with Nikita.

Felton frowned and looked very unwilling.

"What PlayStation? It sounds childish! You go and play by yourself."

“No, please. Come with me.” Tammy didn’t care whether he wanted it or not. She directly dragged him to head towards the shopping mall. “Come on. Let’s go! Brother, let’s have some fun together.”

“Tammy, let go of me!”

“If you go with me, I will let go of you.”

18:03

“Let go of me.”

“No! Never!”

Finally, Felton was dragged into the shopping mall by Tammy.

When they came out, they had a group of people with them. And a moment later, only Nikita and Sheehan were left standing at the hotel gate.

Sheehan watched Tammy drag Felton away with a smile and suddenly felt that his sister was quite cute.

Later, he will remember to ask his uncle to give thousands of dollars more for her pocket. money every month..

After all, all the little girls love to be dressed up well. And that costs a lot of money.

“Do you want to go shopping and buy something?” It’s still early. Sheehan looked at the girl who was still holding half a cup of bubble tea beside him and picked up a smile. His steady voice unconsciously sounded a little gentle.

His little girl really likes drinking bubble tea.

She even brought out her unfinished bubble tea when she left.

Nikita shook her head: "I don't want to go shopping."

Sheehan thought of what she experienced today and nodded. "Then do you want to go.

home?"

The girl bit on the white straw, tilted her head and looked at him with her dark and soft

eyes.

"What do you want to eat? I'll look for you when we get back." The man looked at her with his deep eyes. And there seemed to be thick ink that didn't melt in the bottoms of his eyes. "You didn't eat much at night. That was not enough, right?"

Sheehan and Nikita had several meals together.

So he knows about her normal appetite.

When his little girl has a good appetite, she can eat several bowls of rice. But she only ate one bowl of rice tonight.

Sheehan notices that Nikita is a little picky when it comes to food.

When she eats in the Germy Hall, she usually has a good appetite.

And when he cooks for her, her appetite is good too.

But when the food doesn't cater to her taste, she eats very little.

Nikita narrowed her black eyes. She looked at the man in front of her who had a handsome appearance and profound facial features. And every details on him caters to her taste for a man.

The girl's eyes looked very bright, as if there were stars sparkling in her eyes. She just narrowed her eyes and stared at the man for a few seconds in a meaningful way.

Chapter 478 Have you been pushing your luck recently?

Moments later, she took back her sights.

"How do you know I didn't eat enough?"

A low and magnetic laughter fell overhead. "You had three bowls of rice in the morning, but only one bowl tonight. And you didn't finish it."

Nikita: "..."

H

Has he even been keeping an eye on how many bowls of rice she eats in the morning?

She didn't really have enough to eat, though.

When the food doesn't cater to her appetite, she usually only gets fifty to sixty percent full. Although she doesn't like the food, she still eats a little to meet her daily nutritional needs.

But she will only get half full to ensure that she won't starve to death.

This is why she gained more than five pounds after living with Xavier for two months. And then she quickly lost the extra weight she gained after she stopped living with Xavier.

“Come on. Let’s go back. And I’ll cook for you.” The man’s big hand fell down on the top of her head. And he rubbed her hair with his big and warm palm. “You are still growing. How can you be starving? What if it had some bad influence on your physical development?”

Nikita: “...”

Is this man really addicted to rubbing her head?

Does he want to lose his claws?

But thinking of the fact that he can cook a lot of delicious food with his claws, Nikita feels it’s better to give up on that idea for the time being.

“I’m already eighteen.” The girl frowned slightly and narrowed her eyes. She looked at the man remove his big hand from her head with a serious look.

“Hmm?” Sheehan curved his thin lips and gently picked up a smile. “So?”

Nikita sipped her lips and said seriously: “I am not a child anymore. And I have already been fully grown.”

The man was slightly stunned. Then with his sights falling down, he stared at the girl in front of him for a few seconds. He glanced at a certain area of the girl and paused for a few seconds. Then his eyes became meaningful.

When he spoke up, his low and steady voice sounded a little hoarse. “Well, it seems to be

true.”

Have you been pushing your luck recently?

Nikita: "..."

She finished the last sip of the bubble tea, stuffed the empty cup directly into the man's hand and stared at him with warning in her eyes: "Mr. Lambert, have you been pushing your luck recently?"

"Well, yeah. Maybe a little." The man chuckled.

Nikita stared at him again: "Don't think that we are already close to each other after you cooked for me for a few times."

The man chuckled again. And he kept his voice low and steady, as if they were lovers who were having a private talk. "Then I'll cook for you a few more times, we will get there some day."

"..." She is now very sure that this man has really pushed his luck recently.

Nikita curled up in the dark gray sofa which was soft and wide with her leg crossed.

Sheehan has an open kitchen in his apartment.

She narrowed her black eyes. And her porcelain-white face somehow looked lazy. She was holding a cup of fresh mango juice in her hand and drinking it sip by sip.

And she was holding her phone in the other hand, typing lazily.

Niky: The hacker who has the code name L? The L from the Dark Disney?

Hancock: It should be him. Boss, why do you think this L suddenly made a move to bring down the Swift Group? Arguably, a hacker of his level won't bother to aim at the Swift Group at all.

Niky: Is the share price of the Swift Group still falling?

Hancock: It seems that the falling has stopped. But it didn't rise back. The last falling was too ruthless. The interior of the Swift Group is already in deficit. With this blow, it is estimated that it will really

declare bankruptcy.

Hancock: Boss, you don't want to intervene in this, do you? The Swift family absolutely brought this to itself. Don't ever sympathize with them. Just let the Swift family go bankrupt, since they are so blind and foolish that they even treat a pheasant as the golden phoenix instead of valuing your existence.

deeply obsessed with Nikita

Chapter 479 Mr. Hall is deeply obsessed with Nikita

Since the whole family are so blind and foolish that they can't tell right from wrong, it's reasonable that the company they run goes bankrupt!

Help the Swift family?

Nikita is definitely not going to show her kindness to those evil people.

Although she hasn't found out why L would aim at the Swift family, whether the Swift family is dead or alive is none of her business since she has cut off relations with them.

Niky: It has nothing to do with me whether the Swift family is dead or alive.

The only thing she needs to repay is that Margot gave birth to her.

Margot brought her to life.

She will repay it in another way.

From then on, she really has nothing to do with the Swift family.

Hancock: Then I'm relieved. Just leave that foolish family to run their own course. By the way, boss, we have monitored that Mr. Hall has entered the country. However, he seems to have noticed us. And since then, we can no longer monitor any data about him.

Boss, I think Mr. Hall already knows where you are. Do you want me to send more people over to protect you?

Niky: No need for that.

Hancock: But I'm afraid that Mr. Hall, that pervert, will take you away again. Woo-woo, boss, I'm afraid that I'm going to be separated from you for many years again before I get

to meet you.

Seeing this message, Nikita's eyes darkened down. Her half-narrowed eyes looked a little

cold.

At that time, she was young and had not taken any big blows from the cruel society yet. And she still held basic trust in people.

And that's why she was deceived by Mr. Hall and taken to Y country. Then she was cheated to go on his island and got locked up in the white dreamy castle built by himself.

Mr. Hall is just a pervert.

He has been aiming at her since she was ten years old.

Then he was obsessed with making some big plans for her.

He originally planned to keep Nikita under house arrest in a golden cage built by himself and offer her a delicate and luxurious life for several years until she was raised to

become a real spoiled and delicate girl. Then she would no longer survive without him.

From then on, he can take whatever he wants from her.

Unexpectedly, Nikita pretended to have been tamed by him. And after gaining his trust, she took the chance when he let his guard down and escaped from the island.

The whole island, and even the whole Y country, is under Mr. Hall's control.

He originally thought Nikita could never escape from him.

Unexpectedly, Nikita not only escaped, but also escaped easily.

He sent ten of the best top killers in the Dark Disney out, who were also his close-fitting bodyguards, just to dig her out.

But Nikita seemed to suddenly evaporate from this world.

No matter how many people he sent out, and no matter how hard he searched, he couldn't find her trace.

Even under such circumstances.

Mr. Hall still didn't give up on looking for her.

The killers Nikita met before were just one group of people who were sent out by Mr. Hall to search her.

Mr. Hall is deeply obsessed with Nikita.

Once he finds Nikita, it's very possible that he will keep Nikita under house arrest again like the last time.

However, Nikita was still young at that time. And she was easily taken in.

Now, it is not so easy for Mr. Hall to play his old tricks on her.

Once Nikita began to guard against him, it will be very difficult for Mr. Hall to make a move at her.

Niky: Don't worry. I will only allow myself to be defeated by this shameless man once. He won't have a second chance.

The rich aroma of the food drifted into the living room.

"Go wash your hands and come to eat." The man was dressed in a light gray leisure wear with an apron on. He walked to the dining room with the tableware. On the table, there were three dishes and one soup placed on it, steaming.

A plate of braised pork, a plate of sweet and sour fish, a plate of sauteed seasonal vegetable and a delicious chicken soup with Fish Maw.

Smelling the fragrance, Nikita suddenly got a great appetite and couldn't help drooling.

After replying the message, she locked her phone, threw it away and jumped off the sofa.

After washing her hands, she walked to the dinner table. Sheehan placed a bowl of chicken soup in front of her. "Try the soup first."

"Okay." Nikita sat down and held the bowl. She began to drink the chicken soup sip by sip. It didn't take very long to stew this chicken soup.

It was less than an hour.

But she could sense a very strong and fresh fragrance with a little sweetness. But it doesn't taste greasy at all.

The flavor was very special.

She is very picky when it comes to food. So she can taste that there is absolutely no extra seasoning in this chicken soup to increase the flavor.

But the chicken soup tastes very fresh.

This kind of delicious taste usually takes most of the day or even a whole day.

"Do you want more?" Seeing that she finished drinking it soon, Sheehan reached out to help her fill another bowl.

Nikita handed her bowl over.

Sheehan got her another bowl of the chicken soup.

She buried her head down and drank it in small mouthfuls. She narrowed her black eyes with satisfaction, like a kitten who got its dried fish.

“How did you cook this soup?” Nikita drank the soup with a little curiosity showing in her eyes. “Why is the taste different from the ordinary chicken soup? It seems that there is something I have never tasted before. And the taste is very special.”

But it’s also delicious.

She is a person who doesn’t like chicken soup very much. But she has drunk up two

bowls and hasn’t been tired of it.

Nikita is kind of picky, especially when it comes to food.

And she loves delicious food.

So she has tried a lot of delicious cuisines.

Exchange For A Qualification to Pursue You

“Do you like it?” The man’s voice sounded very gentle. It was low and magnetic. In the room where there were only two of them, it sounded particularly provocative. “If you like it, I will cook soup for you every day in the future.”

Nikita was stunned for a moment. She swallowed the chicken soup in her mouth and slightly raised her head.

The girl’s soft and bright eyes seemed to be filled with moisture. Her eyes looked clear and clean. And they didn’t look as indifferent and alienate as usual. Instead, there was something that made Sheehan’s heart tremble and beat faster showing in her eyes.

The man gathered his mind and met the girl’s meaningful inquiry eyes with his dark and deep eyes. He picked up a smile and kept his voice low and gentle. “Can I cook delicious food for you every day in the future in exchange for a qualification to pursue you?”

Nikita’s meaningful eyes fell on the man’s handsome face. She slowly looked down from the man’s deep eyes and fixed her eyes on his thin lips who were in a good shape and a nice color for a few seconds. Then she gently picked up a smile.

The girl put down the porcelain bowl in her hand and held her jaw with one hand on the table. She gently poked her jaw with her slender and fair fingers. She spoke up in a careless voice. Sheehan, have you ever heard of the Dark Disney?”

“The Dark Disney?” On her opposite, the man was slightly stunned for a few seconds before nodding. “The killer organization which ranks first in the world?”

Nikita gently picked up a smile again. “It’s not only the No.1 killer organization, but it also runs many dark transactions underground. And it’s even very difficult for the international security department to handle this Dark Disney.”

Sheehan didn’t know why Nikita suddenly mentioned the Dark Disney. But he still listened to her seriously. And the man’s deep eyes didn’t move away from her face. “Niky, why are you telling me this?”

“Do you know Mr. Hall?” Nikita asked again.

Sheehan thought for a few seconds: “I heard about him a little. He is the leader of the Dark. Disney?”

“Yeah.” Nikita nodded and remained the careless look.
