

## **The Girl CB 531**

Chapter 531 He made her want to conquer him.

Sheehan looked at the screen of the computer. He didn't look up, he just typed on the keyboard.

He didn't even look at the black box she had put on the table.

He didn't show the slightest interest either.

Rosa sipped her lips tightly, took a deep breath, suppressed her emotions, and gently said, "Sheehan, don't you open it and have a look?"

Sheehan's eyes still didn't move away from the computer screen, and his voice was very cold. "I am busy"

He shows his politeness and distancing to her.

This is the same as before

People who don't know them won't believe that they have known each other for many years.

Because Sheehan's attitude towards her has always been indifferent, which is the same for a passerby.

Originally, Rosa thought that she had gone for so long this time, and they had not contacted each other for so long. He should treat her differently from before.

At least, he will be more enthusiastic.

But nothing has changed as before.

She stood at her desk. She saw that the man didn't look up, it seemed that he was working seriously, as if he h

Her smiling lips and her facial expressions became a little stiff.

At this moment, someone knocked on the door.

'Come in.'

Vernon came in from the outside and saw Rosa standing at his desk with a pale face. Looking at her expressions, she didn't seem to be happy Vernon understood the situation, walked to Sheehan, and said respectfully: "Mr. Lambert, your guest has arrived, he is waiting for you in the reception room."

Sheehan raised his head, but he still didn't look at Rosa. He stretched out his hand and closed the computer. He got up and said, "Go with me."

He left directly after finishing his words.

When he passed Rosa, he paused as if he had just remembered she was there. He looked up at her and said, 'I still have something to do.'

'Since you have something to do, let's talk about it some other time.' Although Rosa didn't want to leave, she still had self-esteem. She followed his words and forced herself to smile. "I wont disturb you."

Sheehan didn't stop her, he nodded.

Then, he strode out of the office.

Vernon left with him.

After they walked out of the office, Rosa was still standing in place. She looked at the gift, which she has chosen carefully for a long time, that was not looked at by Sheehan from beginning to end. She looked somewhat embarrassing, and her face became gloomy and cold.

This man is as cold as ever to her.

It also completely aroused her desire to conquer him.

She doesn't believe it. She can conquer all men.

Even if he is famous for not being close to women, even if he is the master of the Lambert family, so what? The more he was so cold to her, the more she wanted to conquer him and see what it would be like one day when this cold man is conquered by her.

The last class in the afternoon.

"Well, that's all for today's class. After class, you can review the contents that I have just highlighted. The math test will be conducted tomorrow. The level of this test is the same as the level of last year's college entrance examination, so I hope everyone can pay attention to this test"

On the stage, the math teacher said with a serious expression. "The test results will be an important reference for your college entrance examination results. That is to say, how many points you can take in the college entrance examination can be referred from this test."

When he was speaking, he glanced at the girl, who was sleeping soundly at the last row. He frowned again.

As a teacher, he doesn't want to give up any students.

Even if the students in Class F are all so-called poor students..

Chapter 532 Self-Indulgence

Telling them about the college entrance examination makes no sense.

Whether he says it or not, it won't make difference

Most of these students have good family conditions Parents of them have already found foreign schools for them and arranged their jobs in the future.

Therefore, the college entrance examination does not have a great impact on their lives.

But the student named Nikita he has heard something about her family background.

She is poor, she can study in this school because of the financial support of the Swift family.

It is impossible for the Swift family to find a university abroad or a job for her.

She is different from other students.

If she can't get good grades in the college entrance examination, she will miss the only way to change her fate.

It is hard for him to understand thoughts of this student.

Clearly, there is a good opportunity, she can still make efforts for half a year. Even she can't be accepted by a good university, she can go to an ordinary university or a junior college. She can still make a living in the future.

But she chose to be self-indulgent.

She is so disappointing.

Other poor students seize the opportunity to learn hard and want to get ahead.

For such a useless person who doesn't study or make efforts, for such a person who just idle all the day, they shouldn't have provided her with financial support

This is a waste of money!

The math teacher showed disgust in his eyes. For this kind of self indulgent and useless student, he doesn't want to persuade or teach her at all. After looking at Nikita with disdain, he shook his head, showed an expression implying that "You will be a useless person."

The bell showing the end of the class rang.

The math teacher turned and walked out of the classroom with the textbook under his arm.

At the same time, students shouted in the classroom.

"Why will us have a test again tomorrow? I feel that we have just completed a test not long ago."

"Ah ah ah, I hate math tests the most."

"Whats the level of our class? Do we have to take the exam? Anyway, we have the worst grades of all the exams."

"You are all concerned about the math test. Am I the only one who is still concerned about the VIP tickets?"

"Right. Someone has said proudly that she has got the tickets, she also says that the assistant of Hugh will send the tickets here. I want to ask, where is he?"

“Yes, yes, I also remember this matter. Didn’t she say that tickets will be sent here in the afternoon? Now it is after school, and I haven’t seen anyone send the tickets here yet.”

Because of a student’s words, many people think of the matter of the tickets. No one is discussing math tests at this moment, all of them are talking about tickets.

Someone laughed. “How ridiculous. Her bragging is going to be revealed, right? When she lied, she didn’t expect that her lie would be revealed?” “Perhaps she didn’t expect us to be so serious. We can’t even buy the standing tickets, how can she get VIP tickets. How shameless she is, she dares to brag like this.”

Samuel and Tobin heard discussion around them, their faces looked gloomy

Nikita said that someone would send tickets in the afternoon.

So they’ve been waiting.

But until now, no one came here.

But they don’t think Nikita will be, although they have just known her for a short time.

At this time, the girl who had been sleeping on the table moved her eyelids and slowly opened her eyes.

Nikita’s biological clock is quite punctual, and she woke up shortly after the bell rang.

She woke up leisurely, covered her lips and yawned a few times, then she looked up lazily.

“Niky, you are awake.”

Chapter 533 Is Miss Nikita in this class?

Hearing the voice of Samuel, Nikita answered lazily: "Hmm"

Samuel looked at the lazy girl, who was rubbing her eyes. It seemed that she hadn't slept enough. He sipped his lips and said, "Well, Niky

He looked awkward, it seemed that he wanted to say something.

Nikita lifted her eyelids and eyes She just woke up. Her black eyes seemed to be full of fog, and her eyes were somewhat foggy: "Say directly"

Samuel looked at her watery eyes, his heart jumped quickly. Then he opened his mouth and forced him to ask, "Niky, you, didn't you say someone would send tickets in the afternoon?"

"Hmm" Nikita's voice sounded lazy

After a few seconds, it seems that she thought of something and gently picked her eyebrows: "What's the matter, you haven't got the tickets yet?"

Samuel sipped his lips and nodded.

Nikita raised her eyebrows again: "I will ask about what has happened."

She said like this and picked up the phone.

"Oops, she still wants to pretend?"

The failure of getting tickets is not ashamed. But bragging is so ridiculous."

"Let me guess, after a while, is she going to say that the person who will send tickets has met the traffic jam? So he has to come after a while? Anyway, after school, everyone will leave. No one will know whether the tickets have been sent here except for her"

Several people said with disdain again.

Samuel turned his head and roared angrily: "Can you shut up! If you dare to continue to talk like this, don't blame me for being impolite!"

"Samuel, can't you tell that she is lying to you?"

"Yes, she can't get tickets at all."

Why do you defend such a liar?"

Nikita clicked on the dialog box of WhatsApp and found a message sent an hour ago.

It was sent to her by Hugh. He said there was a car accident and traffic jam on the road, and the assistant would arrive later. After reading the message, she ignored the ridicules around. She looked up at Samuel and said: There was a car accident on the way here, the assistant was stopped by the traffic jam, he would come here later"

"Poof" There was a sneer beside her. "Tm right, it's because of the traffic jam."

"Originally, she didn't know what excuse she should use. Perhaps she heard your words just now. Now, she doesn't have to think of the excuse by herself." "Car accident? Why didn't I find any information about car accident near the school?"

Rue listened to the discussion around, she looked happy and relieved.

Nikita and her hate each other.

She is afraid to provoke Nikita, who is mad, again.

However, listening to other people's sarcastic words about Nikita, she still feels happy.

Nikita slowly turned her head and looked at those girls who were speaking.

Her eyes are dark. Her bright eyes were cold without temperature. It seemed that her eyes were emotionless, her sights were also cold. She was smiling coldly without saying anything.

But it was this glance that made several girls who saw by her eyes stopped talking immediately.

They didn't dare to speak.

"Excuse me, is Miss Nikita in this class?" A voice suddenly sounded at the door, that was a man's voice, which attracted those people who had not left the classroom.

Rue and several girls turned their heads. When they saw a man standing at the door and looking at the classroom, like looking for someone, they were stunned, and their faces suddenly changed.

Every Hugh's fan knew his assistant.

Chapter 534 They felt shameful.

After all, the assistant was always photoed together with Hugh

Class F is dominated by girls

These girls are basically all his fans.

After recognizing the assistant standing at the door, just now the group of girls who mocked Nikita looked gloomy

Hugh really asked his assistant to send tickets to Nikita?

You, are you Hugh's assistant? Are you here to send tickets to Nikita?" A girl sitting in the front row asked in a low voice. She looked very excited, because she was also Hugh's fan. She was a little excited to see Hugh's personal assistant

The man at the door nodded and asked, 'Is Miss Nikita in this class?'"

The girl nodded, reached out and pointed to the position of the last row: "Nikita is in the last row."

The assistant stretched out his neck and looked at the last row seeing a girl holding her chin with one hand and playing with her mobile phone. She looked somewhat lazy and casual

She deserved to be a big shot.

Her powerful aura was incompatible with the students around her.

Other students look like normal students.

Only she, although she sat in the classroom in school uniform, she didn't look like a student at all.

It's not because of her age and appearance.

It's because of her aura and temperament.

After seeing her, the assistant immediately walked into the classroom and went straight to the last row.

The surrounding students were all looking at the last row.

After the little assistant walked to Nikita, he stopped and handed the envelope to Nikita. His attitude was somewhat respectful: "Miss Swift, sorry, there was a car accident on the way, so we got stuck in traffic for a long time.

Sorry for keeping you waiting"

Nikita supported her chin with one hand, and her eyes were narrowed. She didn't accept those tickets: "Don't give me the tickets. Give them to him."

Her slender and white fingers pointed to Samuel

The assistant stunned and turned to look at Samuel

"Yes, just give it to me. Niky, she wont go!" Samuel took the envelope from the assistant directly, swept at a group of students with different looks, sneered, opened the envelope in public, and took out five tickets.

"Ah, tickets for VIP area. The first row... Gee

Samuel deliberately spread every ticket on the desk, turned his head and looked at several girls who were just mocking them, sneered at several people and said. "My Niky needs to lie and pretend to be something?"

If you are envious, just admit it. You don't have to mock like this"

A group of girls who mocked Nikita, like being slapped by someone, blushed.

One second ago, a group of people were still saying that Nikita lied and took the traffic accident as an excuse.

The next second, Hughs assistant appeared.

His assistant sent her tickets, explained the reason for being late, in such a respectful way.

The attitude of the assistant represented Hugh's attitude.

Before some people said that Hugh didn't care Nikita, and those words posted on Twitter were polite words.

At the moment, their faces were burning.

If you don't take Nikita seriously, can he ask his assistant to send tickets to Nikita?

How could his assistant be such an attitude to Nikita?

There were only a few places in VIP area, and Nikita got five tickets.

Chapter 535 They are so envious.

Looking at the five tickets for VIP area on the desk, other students who can't even get a standing ticket are envious. They only hate why they didn't have a good relationship with Nikita before. If they can become good friends with Nikita, can they even buy a standing ticket?

Look at Samuel and Tobin.

They all got tickets from the first row of VIP area.

This is the best position.

Even they had money, they had no way to buy these tickets.

“By the way, Miss Swift, there are still some tickets here.” The assistant remembered another task and pulled out a kraft paper envelope from his bag. “Hugh will hold a concert at the end of the month, and he will leave the best positions for you.

Hugh said that without your original cultivation, there would be no him today. You are a very important person to him, so he hopes that you can go to this concert. The other tickets are for your friends.

Miss Swift, if you can go to Hugh’s concert, he will be very happy

Saying so, the assistant handed the ticket to Nikita

Nikita glanced at it, stretched out her hand to take it, and his voice was light: “If I’m free, I will go.”

She didnt say she would definitely go. She said she would go if she was free.

She is so proud!

The little assistant was still respectful: “OK If Miss Swift has nothing else, I will go back first”

Nikita nodded, and the little assistant turned and left

Samuel mocked the girls who satirized Nikita before. Looking at several people dare not to say it, he fet: much more comfortable and triumphantly picked up the tickets on the desk “Niky, although I don’t watch Hugh’s concert, if you want to go. I will definitely go with you!”

Tobin coughed lightly: “My sister likes Hugh very much. Niky, can you give me a ticket for the concert? You can make a price, I will buy it no matter how much it is.”

“Niky, I want it too!” Tammy came to find Nikita, just saw the assistant sending concert tickets to Nikita. So she ran to Nikita with excitement.

There is no official announcement about the concert at the end of the month.

The ticket purchase channel has not been officially opened.

These tickets Nikita got were definitely the best positions.

They can see Hugh at very close range!

As a fan of Hugh, Tammy was so envious.

“Just leave me one. You can share others yourselves.” Nikita directly threw the cowhide envelope with tickets to Tammy, and yawned lazily with covering her lips. She took out her backpack from the drawer, shouldered it, and stood up slowly.

“Wow, Niky, you are great, Niky, I love you!” Tammy held this cowhide envelope and kissed it without disdaining that it is too dirty.

Tobin glanced at her with disdain.

Why is she so excited?

It's just a concert of a male star.

It's like she has never seen a man before.

To be honest, he thought his appearance was not much worse than that of Hugh.

Tammy is obsessed with Hugh. When he chased her, she didn't take a second look at him!

Why was he worse than Hugh?

Originally, he was not interested in concerts.

But now, he wants to watch it.

He wanted to see how charming that Hugh is, and how could he attract Tammy.

Other people around were silent and didn't know what to say when they saw Nikita giving tickets cost tens of thousands to her friends so casually.

Chapter 536 She's not the awesome one.

She was too generous, wasn't she?

Isn't she very poor? She has no money, doesn't she?

Isn't she still supported by the Swift family?

If she sells these tickets, she will definitely get a lot of money.

The tickets of the best location in VIP area of Hugh's last concert were sold more than 100,000 dollars by ticket scalper.

As long as Nikita is willing to sell these tickets.

Even if she sold them at the price of 100,000 dollars, many people rushed to buy them.

Hugh has a lot of rich fans.

Her cell phone vibrated.

Nikita took out her cell phone from her pocket and checked on.

Sheehan I'm here

Nikita thought about it and replied: Well, I will come out in about five minutes.

After replying the information, she put her mobile phone back in her pocket, looked at Tammy, and whispered: "Let's go."

"Okay!" Tammy immediately took Nikita's arm flatteringly and smiled, 'Niky, can I invite you to dinner? Have you ever heard of Germy Hall, the most upscale private restaurant in N City, which needs to

make an appointment almost a year in advance, and it may not be possible to succeed.

Because the boss is rich and willful, he takes orders according to his mood."

Nikita sipped her lips without replying.

Germy Hall.

She has gone to that place to eat several times

Moreover, after Sheehan told that manager, she can go to Germy Hall for dinner at any time without making an appointment in advance

"But I tell you, we don't need to make an appointment. Because. Tammy mysteriously leaned into her ear and whispered, "Sheehan is the major shareholder of Germy Hall, so we just need to tell him in advance"

They walked out of the classroom under the gaze of others with different looks.

“I didnt expect Hugh to really ask the assistant to send tickets to Nikita and send her the tickets of his concert.”

“Ah, ah, ah, Hugh is good to Nikita, I am so jealous”

“Who said before that the relationship between Hugh and Nikita is just so-so, and he didn’t take Nikita seriously at all? Clearly, he takes her very seriously,”

“Some people are really too envious, so they can’t bear others to live a better life than others Now they bring themselves shame.”

There are some students who don’t like Nikita in the class, and some students who like Nikita.

Those people who don’t like Nikita have become dumb collectively, and the felt ashamed.

When Nikita went to the second floor, she met Yvonne.

Her two girlfriends walked with her, and they were talking. Yvonne looked in a good mood

Seeing Tammy and Nikita coming downstairs, Yvonne’s face changed slightly. She stopped.

Her two best friends also saw Nikita. As if seeing enemies, their faces suddenly cooled down.

Nikita walked to a few people.

Yvonne opened her mouth, as if she wanted to say something.

Nikita didn’t look at her, walked directly from her side.

“Hum, bitch!” Yvonne’s two girlfriends was jealous and gnashed their teeth and said, ‘Does she really think she’s awesome? What if she has a good relationship with Hugh? What does Hugh have to do with her? She is not that powerful person”

“That’s right. They’re just a few tickets for VIP area. It’s deserved to show off? Yvonne is a contestant. If she was appreciated by Aroma, how could she compare with Yvonne?”

Most people already knew that Hugh asked his assistant to send tickets to Nikita.

The girls in Class A were all envious.

Chapter 537 The Best Choice to Be Her Husband

Yvonne’s face was gloomy. She sipped her lips and didn’t speak.

She didn’t expect that Hugh was quite good to Nikita.

This time, Nikita stole the limelight again.

Now many people are envious of Tammy in their class.

However, how long can this pride last?

Hum, when she can join the F Band, she even doesn’t care about a star more popular than Hugh, let alone Hugh. Nikita, she is nothing.

Out of school.

Nikita saw Lamborghini moored under a big tree not far away. Tammy also saw her cousin’s car

She was stunned and blinked: 'Niky, does Sheehan come to pick you up?'

"Hmm." Nikita didn't hide anything. She nodded.

"Niky, in fact... Sheehan is good man." Tammy is looking forward to Nikita being her sister-in-law. Knowing that her older cousin was pursuing Nikita, she seized the opportunity to praise him. "Sheehan has been very good since childhood. There are many girls who like him."

But he seems to have no interest in the opposite sex all the time, so since I was a child, I have never seen him get closer to any girl. He is cold to the girls who give him love letters.

"He is even indifferent to the lady of the Garrett family, a friend with the Lambert family. You know, Miss Garrett is the most beautiful girl in our circle. She is the goddess of many boys! She has chased him for so many years, while he is still not interested in her."

Nikita listened to Tammy saying these things, but she was not very interested. She raised her eyebrows slightly and said, "So? What do you want to say?" "I want to say that Sheehan really likes you! Tammy said solemnly, "You are the first girl he actively pursues and the girl he first likes.

With his character, he must like you very, very much, so he takes the initiative to pursue you.

Although Sheehan is six years older than you, it's not a bad thing if boys are older than girls."

Tammy was afraid that Nikita would disdain that Sheehan is older than her.

She took Nikita's hand and spoke in a tone like an experienced person. She said seriously: "We girls should find a boyfriend older than us, because they are successful, mature and attractive, and know how to dote on women,

Such a man is the best candidate to be

Nikita "... your husband!"

Don't you think boys of the same age as us are too naive? Look at Samuel and Felton. They just know fighting and causing trouble all day long, and they are still asking for money from their families. Sheehan is different. He is now the head of our Lambert family and the youngest president in the history of the Lambert family!"

Tammy talked about her older cousin with pride.

Speaking of her other cousin, she disdained very much.

"Anyway!" Tammy said a lot, and finally concluded, "Sheehan is really good and excellent. Any other man, I don't think they are worthy of you, only Sheehan and you are suitable!"

Nikita sipped her lips and was about to say something when a low magnetic male voice sounded beside her: "Well, I think so too."

Sheehan showed a faint smile and raised his eyebrows lightly, with one hand in his trouser pocket. He walked towards them with his long legs.

Standing beside Nikita, the man looked tall and slender.

Chapter 538 You can call her sister-in-law.

He looked very handsome, with attractive light in his deep eyes. Under the sun, the white shirt on his body is spotless, and the platinum buttons on the shirt are exquisite His temperament is noble and elegant.

From head to toe, he was elegant and noble.

Nikita slightly stunned, raised her head and looked at the man beside her.

The man lowered his eyes and looked at her.

His dark eyes looked extraordinarily deep.

When they looked at each other, his sexy and beautiful thin lips raised again, looking charming.

Looking at each other for a few seconds, Nikita felt that her heart suddenly beat a little fast.

She sipped her lips. "Why are you here?"

"Come to you, of course. The man opened his mouth, and his voice was low and somewhat sexy "You haven't told Tammy yet?"

Nikita blinked: "What?"

"The thing she is my girlfriend."

He heard a sound of inhaling as soon as he finished his words.

"Sheehan, you, you and Niky, you just said you... Tammy widened her eyes, as if being frightened. She stretched out her white and tender fingers and pointed to Nikita, then pointed to Sheehan, and finally

covered her mouth

Oh, god.

What did she just hear?!

Did she mishear it?

Sheehan just said that he was dating Niky?

Is it because she wanted Niky to be her sister in-law so much that she had auditory hallucinations?

“Hmm.” Sheehan glanced at the girl beside him, stretched out his long arm and put his hand gently on the girl’s shoulder, announcing their relationship in this posture. “In the future, you can call her sister-in-law in private.”

There was another surprising sound.

Tammy’s eyes widened more

Niky and Sheehan are really dating?!

Last night, the two had not confirmed their relationship, and Sheehan was still chasing Niky.

Today...

OMG, they re too fast!

Sheehan gently hugged Nikita’s shoulder. Feeling that the girls body seemed to be stiff, he looked down at her and saw her meaningful eyes

Suddenly, he was a little guilty

But his hand was still gently on the girl’s shoulder.

One raised her eyebrow the other smiled, like contesting with each other by eyes. After a while, Nikita smiled and turned away

The man showed a handsome smile, and his slender fingers pinched gently on the girl’s shoulders.

It's like massaging her to make her relax.

Nikita “ \_ ”

This man was good at pushing his luck.

Tammy looked at her Sheehan's hand on Niky's shoulder in shock.

They were so intimate

Moreover, Niky didn't deny it.

So, the two are really dating.

“Niky, you and Sheehan, you...” Tammy felt very unreal because it's so fast to get this surprise.

Nikita raised her eyebrows: “Hmm”

Beside her, the man showed a bigger smile, with joy in his eyes.

Well, she admitted it.

“It's actually true. Nikita, you are really dating with Sheehan Tammy finally believed that this was true. She was so excited that she wanted to scream, and her eyes were shining. She said excitedly, “Niky has really become my sister-in-law, ah ah ah ah, I almost faint happily”

Nikita frowned slightly and corrected: “Don't call me sister-in-law.”

She didn't marry him.

"I have something to handle with your sister-in-law."

Chapter 539 Is that Nikita's boyfriend?

Sheehan didn't seem to hear what the girl just said. He hugged her shoulder and didn't let go. He took her in a possessive posture "We'll go now. Let's talk about it later if you have something else"

Tammy was very clever, so she immediately nodded and said with a smile, "OK! If you have something to deal with, go first! Let's have dinner together another day!"

She called her sister in law affectionately on and on

Sheehan was also very pleasant to hear this title

The man is in a good mood, and his eyes looking at his little cousin are much softer than usual. His smile has become much more kind: "I remember you wanted a pink Maserati before? Go to pick it yourself tomorrow and call me when you decide to buy which one"

I'll ask someone to pay for it."

Tammy paused. It took her a few seconds before reacting.

She opened his eyes wide and was surprised. "Sheehan, are you going to give me a sports car?"

"Hmm. Take good care of your sister-in-law at school. This is a gift I give you."

Nikita She needs to be taken care of?

Wow, Sheehan is very kind to you! Don't worry, I will take good care of my sister in law! Tammy smiled.

She has long wanted that pink Maserati.

But her pocket money is not enough to buy it.

Her parents think she is still young, and it is too early to buy a car now. They say they will buy it for her when she goes to college.

However, that car is a limited edition!

When she goes to college, maybe there will be no this kind of car

Now, thanks for Niky, she can buy it in advance.

Tammy was so happy. She was determined to flatter Niky!

If she flattered Niky well, Sheehan would treat her well!

Her bigger cousin is definitely reliable enough.

This is just the beginning. He already gave her a sports car!

Ah, ah, ah, it's really a promising future!

After listening to Tammy's title, Nikita frowned again and corrected her again: "I am not your sister-in-law, don't call me that."

Tammy nodded and waved with them: "Brother and sister-in-law, then I'll leave now Sister-in-law, see you tomorrow!"

Saying that, she turned and skipped away.

Her bun tied up was also waving. Through her back, they can tell she is in an excellent mood.

Nikita: "...

Her word was useless?

Sheehan smiled lightly, looked at the girl's helpless expression, reached out and rubbed her head: "Let's go, too. Grandpa has already asked them to prepare meals. He is waiting for us."

Nikita stared at him: "Don't always touch my head

Sheehan smiled and caressed her hair before taking his hand back.

The girl's hair was black and smooth, just like good silks and satins, and he felt very soft.

So that when he saw her, he wanted to touch her hair.

In the future, he would restrain himself a little.

"Yvonne, is that Nikita? Who is the man beside her, her boyfriend?"

That's Nikita boyfriend? I don't think so. Is her boyfriend so handsome, and that man drives a car costs tens of millions?!"

At the school gate.

Yvonne and her two best friends just came out.

The two girlfriends were sharp-eyed and saw a cool silver Lamborghini parked not far away!

Then they saw there was a man and a woman standing next to Lamborghini

The man is more than 1.85 meters, and his appearance is extremely handsome, with extraordinary dress and aura. He is very rich at first glance.

Chapter 540 She will always be a shameless bitch!

The girl standing beside the man, wearing the school uniform of the First Senior High School, has a very eye catching beautiful and delicate face

They can immediately recognize that careless face with a somewhat unruly expression

That's Nikita'

That man seemed to be very closed to Nikita. He hugged Nikita's shoulder with one hand.

Nikita said something to the man. The man turned his head and looked at the opposite direction, then reached out and touched Nikita's head, turned and walked towards the opposite side.

After a while, he walked into a tea shop at the school gate.

Nikita leaned on the man's sports car lazily, standing in the posture of overlapping legs and playing with a mobile phone. She looked lazy

Yvonne's two girlfriends took their eyes back from the tea shop and looked at Nikita again. The expression on their faces was not very good "Did that man go to buy milk tea for Nikita? He is quite attentive to Nikita"

Yvonne sipped her lips, expressionless.

Yvonne, do you know that man? Is he Nikita's boyfriend? Two girlfriends showed jealousy in their eyes and asked unhappily

That man should not be Nikita's boyfriend.

How can Nikita find such a perfect man?

Handsome and rich, that man is the best of the best.

Even Hugh can't compare with his handsome appearance

Yvonne looked a little livid. After a long time, she sighed, as if it was embarrassed to say it: "That man is quite rich. I have seen him twice before. I don't know what is the relationship between him and Nikita. However, after Nikita moved out of our home, she should live with him."

A few days ago, I also saw him shopping in the mall with Nikita

"In our circle, these rich men like raising mistresses.

Nikita is from the countryside, but she is very beautiful. These men should like her face very much

After listening to her say this, her two best friends are not so jealous.

Both of them showed disdain in their eyes: "It turned out to be Nikita's owner. So I gather, she is a hillbilly, how can she find such a rich and handsome boyfriend?"

"I'm not sure" Yvonne sipped her lips. "Don't talk nonsense before things are clear. It is possible that they are really dating."

Her two best friends have already decided that Nikita is his mistress.

“How could that kind of man with status let a hillbilly be his girlfriend? I think Nikita must be his mistress.”

“It’s disgusting to make money by selling her body”

They began to scold Nikita.

After confirming that Nikita was a mistress of a man, both of them felt much more comfortable.

Nikita is very beautiful, so what?

She is doomed to be a rich man’s mistress and plaything

She will always a shameful bitch!

“Actually, you can’t blame her.” Yvonne sighed faintly. “She is also afraid of poverty.”

“She sells her body because she is poor? There is a girl in our class also very poor, but she can go to school by getting scholarships and subsidies for poor students. She is just a material girl. Yvonne stunned, raised her head.

Nathan’s Porsche was parked across the street.

After Patrick and Nathan got out of the car, they went straight to Nikita.

Yvonne frowned. She didn't make any noise, just sipped her lips tightly.
