

The Girl CB 661

Chapter 661 A magical doctor? I think she is a quack.

Her brother's legs were broke. Nikita treated him with needles once, and he gradually recovered.

Although the members in the Garrett family said the doctor is magical, and her brother recovers, Rosa didn't believe in Nikita's skills.

She had been treated with traditional medicine when she was ill. It didn't work at all.

No one around her believes that medicine can really cure diseases.

She has always wanted to see how Nikita gave her brother the treatment.

The acupuncture is really that powerful?

Rosa went upstairs, just walked to the door of Corley, and heard a "bang" coming from inside.

It's the sound of heavy objects falling to the ground.

Rosa pushed open the door and ran in, frowning.

Looking at Corley, who fell to the ground, with his legs curled up and his face painful, Rosa was shocked for a few seconds. She then squatted down to help him: "Brother, what's the matter?"

Corley's cold sweat on his forehead dripped down like water flow.

He grabbed his thigh with tiny needle holes, and said weakly, "It's leg pain."

"Leg pain?" Rosa paused, and then looked at his legs full of needle holes.

Think of the butler just said Nikita treated Corley with acupuncture, Rosa frowned.

“Here, call Nikita.” Corley seems to be enduring extremely unbearable pain. His face is full of sweat. He grits his teeth and was almost out of breath.

Rosa saw him in pain like this, frowning hard.

“Young master, what’s wrong!” Hearing the heavy sound, the housekeeper who hurried into the room saw the tragic situation of Corley. He got a fright. Then, together with Rosa, he helped Corley stand up.

The two people held Corley, who was wet with cold sweat, to bed.

Corley seems to be getting better. His face looks less painful. And he’s breath becomes stable.

But he is still pale.

He collapsed.

Rosa patted the table heavily: “What magic doctor, I think she’s just a quack. How can she do this to my brother? Uncle Green, call the driver immediately and ask him to bring the quack back. I can’t spare her by swindling and deceiving the Garrett family!”

She knew it.

How could a teenage girl know any medical skills?

In order to cure her brother’s leg, the family paid a lot of money to invite many medical talents. However, they can’t do anything to care him.

Nikita hasn't even attend a prestigious medical school. How could she be better than those doctors?

"Don't Corley grabbed Rosa's hand, "Rosa, you misunderstood. Nikita's medical skills are very good. She is not a quack."

"Then what happened to you just now?" Rosa gritted her teeth, "Uncle Green told me that she gave you an acupuncture treatment. You didn't have leg pain until she finished pricking the needle. Isn't it?"

"Yes, but..."

"Since it is, that is her problem." Because of Sheehan, Rosa naturally had no good impression on Nikita. She said with disgust in her eyes, "It is said that she is a magic doctor. I think she doesn't understand medical skills at all."

"For the first time, she's lucky to make the treatment effective."

"She can lie to others, but those who dare to lie to our family, I must not let her go easily!"

Chapter 662 I Can Undertake Alone

"Rosa!" Corley frowned, and let go of her hands. "As I said, Nikita is not a liar. She cured my leg and is my benefactor. Even if you are my sister, you can't slander my benefactor like this."

"I don't want to hear those words again. I'm all right now. Go out. I want to have a rest."

Corley is slowly recovering.

He doesn't look as pale as before.

His breath gradually stabilized.

"Brother!" Rosa frowned, "Why do you believe her so much? Do you believe what she says only because she's pretty?"

The same thing happened on Harrell and Yates.

Clearly she is the one who grew up with them.

But they all stood by Nikita's side.

Now, it even happened on her own brother.

What did Nikita do to him?

"What are you talking about?" Corley frowned again. His sight was sharp, "I know best how my legs are. Now, you can go

out."

Rosa bit her lip. She wanted to say something..

"Miss, let's go out first. The young master is tired, let him have a good rest." The housekeeper looked at Corley, trying to ease the situation.

Rosa looked at Corley's gloomy face, bit her lip. She said reluctantly, "Well, brother, I'll go out...have a good rest."

Rosa is a little afraid of Corley. She should take his words seriously.

She decided that Nikita was a quack.

She came out of Corley's bedroom.

Downstairs, Rosa told the housekeeper with a cold face: "Tell the driver to bring back the quack and bring her directly to the back garden. Don't let my brother know."

The housekeeper hesitated: "Miss, I think the young master respects the magic doctor very much. If you do this, if he knows..."

"That's why I said, don't let my brother know." Rosa looked at the housekeeper being hesitated. She was displeased. "I won't do anything to her. I just want to ask her a few questions."

"I don't feel at ease when Corley was like that."

"Even if my brother knows, it's my responsibility. I will bear the consequences alone."

The car drove halfway.

The driver answered the phone and looked in the rearview mirror.

"Miss Swift, I'm afraid I'll have to let you run again." The driver said to the girl who was playing in the game in the back.

Chapter 663 Do you want to leave that easily?

Just finishing a game, Nikita looked up.

The driver explained, "Just after receiving the call, the young master suddenly had a leg pain. He wanted to ask Miss Swift to go and see what is going on."

"Leg pain?" Nikita put away her phone.

"Yes, it sounds serious."

Nikita thought that there might be such side effects, so she nodded: "Sure."

“Please, Miss Swift.”

The driver was very polite. He drove back in the direction of the villa.

Moments later, they arrived at the villa.

The driver stopped the car and Nikita got off. Before that, the middle-aged man who came out to meet them stood beside her. When he saw her, he greeted politely: “Miss Swift.”

“Take me to Mr. Garrett.” Nikita nodded to the man.

The middle-aged man nodded.

Before he turned around, he looked up at Nikita. His eyes flashed.

He seemed wanting to say something. However, after all, he didn’t say it.

But in the end, he didn’t say anything.

“Yes, Miss Swift, please come with me.”

The middle-aged man went to the back garden with Nikita.

After walking to the swimming pool, they stopped.

Nikita looked at Ross, wearing sunglasses, lying on her back in the lounge chair by the swimming pool, and squinted indifferently.

Corley is absent.

Rosa was leisurely lying in a chair with a fashion magazine in her hand. Behind her stood four bodyguards who were tall and strong, in black.

“Miss Rosa, Miss Swift is here.” After the butler who brought over Nikita, he left.

Rosa lazily sat up from the recliner. The bodyguard behind her immediately stepped forward and adjusted her seat.

She took off her sunglasses, and looked into Nikita’s eyes, smiling: “Miss Swift, we meet again.”

Nikita squinted expressionlessly: “Where’s Corley.”

“My brother?” Rosa smiled again. She said with a cold sight in a low voice, “Nikita, how dare you care about him after hurting him so much?. Do you know what happened to my brother after you gave him the treatment?”

“He almost fainted in pain. He suffered so much because of you. Previously, he could endure the pain very much. I can tell you that it’s me who called you over, not my brother.”

“My brother believed your rhetoric and was unwilling to accuse you.”

“But you can’t fool me.”

“It’s natural to have such a side effect. But it will only last for a few minutes at most.” Nikita looked into Rosa’s sharp eyes, saying calmly, “If I didn’t guess it wrong, he should be fine now.”

Rosa looked at her indifferent appearance and froze.

It made her a little surprised that Nikita is as calm as cucumber.

She bit her lip, frowning hard.

“I’m different from my brother. Do you think I’ll believe that?”

“It has nothing to do with me.” Nikita looked up, talking carelessly, “Since Corley didn’t call, I should leave.”

Nikita turned to leave.

“Stop! You hurt my brother and want to leave so easily? There is no such a thing in the world, Nikita. I didn’t plan to deal with you for Sheehan. But your pomposity made me furious.”

Chapter 664 I underestimated you.

“In that case, don’t blame me for being merciless.” Rosa ordered, “Arrest her.”

Rosa investigated Nikita before. She knew that Nikita can fight.

So she specially transferred several bodyguards.

These bodyguards are all “pro-guard members” serving for Corley.

It is a first-class thug trained by the family.

Nikita can’t win over the professionals.

Now that Nikita is in her area, she needs to teach Nikita a lesson.

As for Sheehan...

She doesn't think that Sheehan will have a hard time with her family for such a little girl.

What's more, Nikita hurt her brother. It's right to teach her a lesson. Even when Sheehan asked, she has her reasons.

A group of bodyguards is ready to fight.

Several bodyguards immediately went to catch Nikita.

They thought she's just a little girl.

Before they reach her, Nikita dodges and kicked the head bodyguard in the knee.

It's the sound of broken bones.

The bodyguard clutched his legs and knelt onto the ground.

Several bodyguards at the back were shocked.

They have received professional training for more than ten years.

Usually, it is easy for her to put down five or six bodyguards.

But, having fractured bones because of a little girl?

Rosa was also surprised. After a few seconds, she angrily yelled, "What are you doing? Catch her!"

The rest of the bodyguards saw Nikita's move. They dared not to underestimate.

Nikita looked at several bodyguards who rushed up. She was haunted by low pressure. Her eyes flashed a trace of coldness.

Coldly she said: "How dare you!"

She swung her fist and hit him on the head.

Another bodyguard fell to the ground.

The remaining two bodyguards frowned.

Looking at Nikita, they're surprised, and also afraid.

The girl shot very fast, so fast that they couldn't see what moves she made. And then, they were beat by her.

They've never met such a sick opponent.

The two men looked at their brother who fell to the ground, and were frightened and angered.

With a loud roar, they both rushed towards Nikita.

Nikita severely kicked a person's chest.

She dodged with agility, and smashed another body guard onto the ground.

There were whining sounds.

A few minutes later

Several first-class bodyguards fell to the ground one after another. They couldn't get up for a long time.

Nikita looked at the people who fell all over the floor.

She could fight against the killers serving Mr. Hall.

This group of bodyguards are not even qualified to fight against her for practice.

Rosa was frightened, looking at the several bodyguards beat up by Nikita, and angrily said: "Losers. Can't you deal with a woman!"

"Yes, I'm sorry, Miss Rosa." The bodyguards lying on the ground all turned pale, and endured the pain. "It is because our incompetence."

A group of people can't believe that they were beaten by a little girl.

"Losers!"

Rosa looked up, gnashing her teeth: "I underestimated you."

Chapter 665 Apologize to Her

Nikita looked at her indifferently: "You really underestimated me. Now, it's my turn to deal with you."

"What do you want to do?" The magazine fell to the ground. Rosa stood up, defending, "Nikita, If you dare to fight against me, you won't be able to leave here safe and sound!"

"Is it?" Nikita sniffed. She went towards Rosa.

Looking at Nikita approaching, Rosa panicked. Without bodyguards to protect her, she wanted to run.

The person pressed on her shoulder.

Behind her, the girl said leisurely, and dangerously. "Aren't you arrogant? You are leaving now? Miss Rosa, I will definitely get back at the person who offends me. What should I do? You pissed me off."

Rosa got goose bumps all over.

She almost screamed.

At this moment, she can not suppress her fear. He stiffened: "Nikita what...what do you want to do?"

"What do I want to do?" Nikita chuckled. "I don't want to do anything, but I am very upset. I just want to vent my anger."

The girl was clearly laughing, but Rosa felt creepy. She trembled: "Do you know what the consequences of offending the Garrett family?"

"Should you jump by yourself, or shall I help you?"

"What...what?"

Nikita looked at the swimming pool, and frowned impatiently.

Rosa followed the direction of her sight. After she understood what she meant, she turned pale.

She is wearing a silk blouse and a tight black skirt.

If she soaks in the water, it's almost like she's nude!

Nikita is humiliating her!

“Nikita, how dare you!” Rosa angrily said.

“It seems that you don’t want to jump by yourself? Well, let me give you a hand.”

Nikita was just too lazy to talk nonsense, so she pushed Rosa into the swimming pool.

Rosa screamed and fell into the pool. In an instant, the water in the swimming pool poured in from the neckline of her shirt, and the precious silk shirt of a luxury brand on her body was soaked with water.

She is wearing a light-colored shirt.

After being wet by water, Rosa’s flesh-colored lace underwear inside can be seen at a glance.

Her fluffy and wavy hair is also wet, clinging on her cheeks.

The delicate makeup on the face is blurred.

The black skirt was rolled up by the buoyancy of water.

Under the water, people can clearly see Rosa wearing a V-string.

“Ah!” Rosa let out a scream of hoarse exhaustion.

Nikita stood by the swimming pool, looking at her mess.

The girl looked cold: “You should be glad that you are a member of the Garrett family. If you come to mess with me again, don’t blame me for being merciless.”

Rosa can swim.

She swam to the shore soon, because all her clothes were wet, and she didn't dare to go ashore. She held the handrail on the shore, raised, gnashing her teeth, "Nikita, you dare to do this to me, I will make you pay the price!"

As a noble family member, Rosa has never been wronged since childhood.

Not to mention being humiliated like this.

She can't wait to kill Nikita!

"Miss Rosa"

The housekeeper pushed Corley to the swimming pool. Seeing Rosa, who was soaked in the pool, he was shocked.

He has only been away for a short time, how did it become like this?

Miss Rosa how did she fall into the swimming pool?

The butler was worried that something might happen, and told Corley that Rosa wanted to teach Nikita a lesson.

Corley came immediately.

"Well, what's going on?" Corley saw Rosa's awkwardness, frowning.

When Rosa saw Corley coming, she couldn't attend to thinking about other things. She thought she was wronged and shouted angrily. "Brother, Nikita pushed me down. You must teach her a hard lesson!"

Corley looked at Nikita.

The girl was emotionless and cold.

"Go and help the young lady ashore, and all the others, turn around." Corley ordered the housekeeper next to him, enduring the anger, frowning

He figured out what was going on by himself.

Rosa didn't take his words seriously, but let the driver bring Nikita back.

Without telling him, she had a conflict with Nikita.

Corley spoiled his sister since childhood.

For Rosa, he has always been responsive.

But now, he really wants to slap his sister in the face.

The housekeeper picked up the bath towel on the chair next to him and walked over, but he didn't dare to look at Rosa He handed her the towel with his eyes closed.

Several bodyguards turned around

Even so, Rosa still has resentful expression on her face.

She took the bath towel and quickly wrapped herself up.

The water dripped all over the floor.

“Brother.” Rosa clenched her teeth, “Arrest her, right now.”

She wants to teach Nikita a lesson!

A hillbilly dares to humiliate her like this, she must let Nikita pay the price!

“Apologize.” Corley looked at the Nikita, furious.

“What, what?!” Rosa thought she heard him wrong.

“Apologize.” Corley was low and cold. “How did I tell you? You turned a deaf ear to my words, didn’t you?”

“Brother, you asked me to apologize to her?” Rosa pointed to Nikita She couldn’t believe what her brother said Corley didn’t speak.

Rosa trembled with anger: “Brother, are you really fallen for this woman? I was pushed into the water by her She inarA) people. You actually asked me to apologize to her?”

“You are self-inflicted, and dare to find trouble with my doctor without telling me” Corley said cockily.
“Because you are a git the whole family spoiled you. You have always been used to being unscrupulous, and you never consider the consequences when doing things. It is time to learn a lesson.”

“Brother, are you really fascinated by this tramp?”

Chapter 666 Possessiveness

Rosa got a slap on her face.

“Shut up! If you talk nonsense again, I will make you stay aboard throughout your lifetime!” Corley was furious. He stood up and slapped Rosa in the face.

Rosa seemed to be shocked. After pausing for a while, she looked up, covering her face being slapped.

Her face was pale and her eyes were full of disbelief.

“Brother, you dare hit me...” Rosa’s lips trembled, her voice trembled, word by word, she was heartbroken. “You haven’t hit me since you were a child, but now you hit me for a woman.”

Tears rolled down the corner of her eye.

Corley was still in great anger. But he regretted it a little.

This is the first time he has done this to his sister.

But Rosa went too far, he couldn’t let her continue to fool around.

The housekeeper was shocked. He can’t believe what happened.

Everyone in the Garrett family knows well that Corley spoiled Rosa very much.

He never scolded Miss Rosa.

But now, the gentleman has slapped her on the face..

“Miss, your clothes are wet. Let’s go back to your room and change.” The housekeeper looked at Rosa, who was pale and tearful, and came out to comfort. While speaking, she glanced at the girl stood

aside, who didn’t make any noise from beginning to end, as if everything had nothing to do with her.

The girl still looks calm.

She seemed to care about nothing.

A few bodyguards lying on the ground, and Rosa, who was pushed into the swimming pool by her, were all in a mess.

And she, however, has not even messed up her hair.

It is hard to imagine how she put down all the strong men who were tall and big by herself.

He was afraid that the young doctor would suffer, so he called the young master.

Who knows...

Half of Rosa's face swollen up, tears wet her delicate face. She stared at Nikita with great anger, and then turned around, covering her mouth crying and ran away.

Moments later.

Quiet again.

Corley apologized, "Sorry, I didn't discipline my sister well. She was spoiled by us. I will punish her later."

Nikita's delicate face looks quite indifferent, like an outsider watching a play. After watching it, she replied calmly. "Don't you think I bullied your sister?"

"It is all her fault." Corley is quite reasonable. "You should teach her a lesson. She asked for it."

“Gentleman’ At this time, a bodyguard came over. “Sheehan said he had something to do with you.”

Corley’s face changed slightly “Sheehan? Sheehan Lambert?”

The bodyguard replied respectfully, “Yes.”

Nikita heard Sheehan coming, and the unruly look on her face finally changed a little.

She frowned lightly, as if she became a little interested in it.

What is Sheehan doing here?

Looking for her?

She didn’t tell him that she had come to treat Corley’s leg.

Corley looked up at Nikita, his face was unclear, and his voice was serious: “Please come to the living room, I will go right away.”

“Yes.” The bodyguard turned and left.

“He’s supposed to be looking for you.” Corley looked at Nikita “He must know that I have come to N City. He doesn’t trust me.”

Oh, he is so possessive.

Is he so afraid that you cheat on him?

Chapter 667 A Monster with Fancy Clothes and Hypocritical Look

He did have the impulsion to steal another person’s girlfriend. But Nikita is not interested in him.

Otherwise, he will definitely steal Sheehan's girlfriend.

Nikita picked up a smile noncommittally.

The phone vibrated twice.

She took out her phone and clicked on the screen. There were two unread messages on WhatsApp on the locked screen.

They were from Sheehan.

Sheehan: Have Corley met you?

Sheehan: Let's have lunch together I'll pick you up.

Sheehan: You can come out now. I'm here.

After reading the messages sent by the man, Nikita picked up a smile and clicked quickly on the screen with her slender and fair fingers. She replied a message to him on WhatsApp: Are you keeping an eye on me?

The man almost responded in seconds: Yeah... I'm worried.

Nikita was amused by his words and replied: What are you worried about?

Sheehan: Someone may steal you from me.

Nikita couldn't help but chuckle: Is President Lambert so unconfident?

Sheehan: I have confidence, but not in front of you.

Corley watched Nikita take out her phone and chat with others with a sweet smile..

He knew who Nikita was talking to without guessing.

He felt a little jealous in his heart.

Sheehan is really monster with fancy clothes and hypocritical look which actually starts a relationship with an eighteen-year-old girl.

He wonders how Sheehan convinced himself that this was okay.

In the living room.

The housekeeper brought steaming tea and walked to Sheehan. He said respectfully: "Mr. Lambert, the young master will be here soon. Please have some tea first."

On the black leather sofa.

Sheehan chatted with Nikita with his phone in his hand.

The man has slender and beautiful fingers and distinct joints, which are as beautiful as good works of art.

He crossed his slender legs at will. And his sitting posture looked elegant and noble.

Since he is the young master of the Lambert family, who is now in power of the Lambert family.

A group of people who are standing in the living room don't dare to be disrespectful to him.

After all, although the Garrett family and the Lambert family basically have the similar status, and they are both big families with farms

The Lambert family now is much stronger than the Garrett family, although the strength of the two families in their heyday

was similar

There was a sound of footsteps on the stairs.

Sheehan had just replied Nikita's message. When he heard the sound, he thought it was she who was coming down. So he lifted his eyes and looked over with his deep and dark eyes.

His eyes looked very gentle.

But after seeing the person coming out from the corner of the stairs, he frowned slightly. And the emotion showing in his eyes changed instantly.

The person who came down from upstairs was not Nikita, but Rosa.

Rosa changed her clothes. Her hair was still wet. Her makeup was removed. And the red and swollen fingerprints on her face were clearly visible.

Her eyes were also red and swollen.

Before she had time to take a bath, she heard that Sheehan was here. So she went downstairs quickly.

"Miss." The bodyguards and maids who were standing aside saw her and greeted her respectfully.

When they looked up and saw the fingerprints on Rosa's face, they immediately lowered their eyes and didn't dare to take a second look.

Rosa walked to the hall. And Sheehan looked up at her. Their eyes met in the air.

Her eyes looked watery. And the circles around her eyes were slightly red. After sipping her lips, she slowly walked to the position beside Sheehan.

"Sheehan, why are you here?" Rosa lowered her eyes and looked at the handsome and noble man in front of her. She pretended not to know anything and asked.

Sheehan's indifferent eyes fell on her red and swollen cheek.

Rosa covered her face and spoke up in a choking voice: "Sorry, am I very ugly now? Did I scare you?"

"Did Corley do this to you?" Sheehan narrowed his eyes. Seeing the delicate and pitiful woman in front of him, there was no affection showing in his eyes.

"Yes." Rosa's eyes were covered with water mist

Chapter 668 If you are not serious with her, it's okay.

"Why did he hit you?" Sheehan narrowed his eyes again.

Rosa didn't speak up again. She bit her lips tightly with tears welling up at the corner of her eye.

"Sheehan, are you really Nikita?" After being silent for a while, Rosa looked at the man's indifferent eyes and asked in a soft tone.

Sheehan glanced at her and didn't speak. Then he looked down to see if he received any new messages on WhatsApp.

Rosa was very unwilling: "Sheehan, I know you may be unhappy to hear this. But I have to say that I think you and Nikita are not suitable for each other."

Sheehan bowed his head down and replied messages on WhatsApp without looking up, completely ignoring her.

Rosa bit her lips and continued: "I didn't say so because I have problems with her. Although I envy her very much because she can get your love, I really don't think she is suitable for you."

"You two grew up in different environments and received different education. And your life experiences are very different. You and she are not from the same world at all. She can't understand you. And there are few things you two can talk about together."

"I admit that she is really beautiful. But what else does she have besides her good look?" Rosa's eyes were full of unwillingness. She is unwilling to lose to a person who is inferior to her in every aspect.

Sheehan edited the message and sent it out. Then he raised his head and looked at her with indifferent eyes.

The man narrowed his eyes and sneered: "Oh? What kind of woman do you think is suitable for me?"

Rosa was stunned for a second. Then her cheeks were slightly burning up.

People always say that she and Sheehan are the most suitable couple in this circle.

She also thinks so.

She is only one that deserves to be with Sheehan.

No one is more suitable for Sheehan than her.

They have known each other since they were young. And the Lambert family and the Garrett family are friends for generations. Their family backgrounds match.

She also doesn't think that there will be someone who has deeper affections for Sheehan than her.

"In short, Nikita is not suitable for you." Moments later, the temperature on Rosa's face gradually returned to normal. And her tone somewhat sounded a little condescending. "However, if you are not serious with her, then it's okay."

Sheehan's eyes suddenly turned cold. And the surrounding aura also cooled down..

"Who told you that I'm not serious with her?" The man's voice was very light. But there was chill showing in his eyes.

Rosa took a deep breath and clenched her fingers. "Am I wrong? Sheehan, don't tell me that you are going to marry her. I have heard that she grew up in the countryside. And she has a poor family background."

The Lambert family is a noble family with a history of one century.

How could it be possible to allow a hillbilly to marry into the family and be the future hostess of the Lambert family?

Chapter 669 Sheehan must be crazy.

Even if Sheehan really has such an idea, Old Mr. Lambert will not agree.

Although Old Mr. Lambert seems to like Nikita very much now, when it comes to marriage, things can be very different.

If Sheehan really married a girl who grew up in the rural area, gets zero points in the test and always fights with skipped classes, others would be laughing at the Lambert family.

Can the Lambert family afford to lose face like this?

Almost at the moment when Rosa finished her words, the temperature in the hall seemed to drop to tens of degrees below

zero in an instant.

The biting chill surrounded her from all directions and permeated into her body.

She couldn't help shivering with coldness.

When she looked up, she saw a pair of cold, gloomy and dark eyes.

Rosa's heart trembled in an instant. She bit her lips. "Sheehan, I know my words may not be pleased to your ear. But..."

"Then shut up."

The man's voice was cold and steady. Every word of his seemed to be wrapped in frosty coldness: "This is the first time! warn you. And this is also going to be the last time. Nikita will be my future wife. I don't care what kind of family background she has. Even if she is a beggar on the street, she is also the woman I care about."

"There will be no one else in the position of the eldest young lady in the Lambert family."

When Nikita followed Corley to the hall, she happened to hear Sheehan's words.

Corley also heard him. He narrowed his beautiful and long eyes. And there were some complicated emotions showing in his eyes.

Is Sheehan serious about his relationship with Nikita?

At first, he also had the same idea as Rosa. He thought Sheehan just had a crush on Nikita because she was beautiful.

Even if two people started a relationship, it won't last long.

After all, the family backgrounds of the two people are really too different. Even if Sheehan is unwilling to have a business marriage with the Garrett family. His wife in the future will inevitably be a daughter from a noble family.

After all, it won't be Nikita.

However, hearing what he just said, he seemed to make up his mind to marry no one except for Nikita, didn't he?

Nikita also narrowed her eyes. The light in her indifferent and cold eyes gently flashed. There was a strange feeling welling up in her heart.

She was a little surprised.

She just took a fancy to Sheehan's good look so that she agreed to date him. And she is actually ready to break up with him. at any time.

But unexpectedly, this man was serious about her.

"Sheehan, Are you really that into her?" In the hall, Rosa's face looked extremely gloomy. She was almost growling: "Even if you are serious about her, but what about her? Does she treat you the same way?"

"I can see that she has no feelings for you at all. The reason why she agreed to go out with you is simply for your money and for our status as the heir to the Lambert family!"

Rosa was really unwilling and held a lot of grudges.

She loves Sheehan for so many years with all her heart. But he never pays extra attention to her.

While Nikita is cold to him and never regards him as a boyfriend. But he cares for her so much.

What about her is inferior to Nikita?

“So what?” The man’s voice sounded very cold. “As long as she is willing to be with me, I don’t care. She likes my money, then I will make more money for her to spend. She likes my power, then I’ll spread my territory and let her be the owner.”

Rosa was stunned with her eyes wide opened. She slightly opened her eyes and couldn’t say a word out loud.

Crazy.

Sheehan must be crazy.

How can he say such unrational words? He simply acted like a fatuous and self-indulgent ruler.

Even Corley was surprised that Sheehan’s feelings for Nikita were so deep.

The maids who were standing in the hall all looked moved

Chapter 670 I agreed to date you because of your good look.

The woman who Mr. Lambert has eyes for is so lucky.

They all thought Mr. Lambert is so indifferent to their miss because he is just an abstinent and cold person who is never interested in women.

But unexpectedly, once he has a crush for someone, he can be so affectionate.

“Who said I’m only interested in your money and power? I’m obviously only interested in you.”

The girl’s clean and clear voice sounded with some teasing and ridicule, which attracted the attention of a group of people in the hall.

Being stared by several people in a meaningful way, Nikita put her hands in her pockets and walked leisurely towards Sheehan.

Hearing her words, Sheehan looked up and saw her. The ice in his eyes melted down instantly. And his eyes became soft.

Nikita walked to his side, stopped, stretched out her hands from her pockets, bent down and leaned close to the man in front of her, who has deep facial features and looked very handsome. She hooked the man’s jaw which had a graceful outline with her slender and fair fingers.

Then ignoring that a group of people were looking at them in surprise, she pinched the man’s jaw and slowly picked up a smile. Then she spoke up in a playful tone: “Clearly, I agreed to go out with you only because of your good look. Why would they think I am only interested in your money and power?”

“Your face is much more useful than these two things.”

The man whose jaw was pinched by her was slightly stunned. He looked dazed for a while.

Then, he picked up a gentle smile. And there was gentleness and affection showing in his deep eyes again. “The next time when someone misunderstands, I will make it clear to him that you are only interested in my good look.”

Nikita nodded: “Are you serious about what just said?”

Sheehan raised his eyebrows: “Hmm?”

“Make more money for me to spend?”

“Yes, I’m serious.”

“Spread your territory and let me be the owner?”

“Hmm.”

“But what she said is actually true.” Nikita turned around to take a look at Rosa, who had already had an extremely gloomy face. Then she smiled and said: “I don’t have any feelings for you at all. Even if so, are you still willing to do these things for me?”

“Yes.” Sheehan stretched out his hand and held her soft and fair hand in his warm palm. “As long as you are willing to stay with me.”

Nikita picked up a smile and pinched his jaw: “Are you really that into me?”

With a group of people in presence, the man did not hesitate or get embarrassed at all. He admitted generously: “Hmm.”

The two people chatted like no one else were here.

Rosa couldn’t believe that Sheehan would indulge a woman like this.

He allowed her to misbehave like this. Not only he didn’t get annoyed, but he also patiently and gently cooperated with her.

She clenched her lips and trembled in anger. She couldn’t stand it anymore. So she turned around and ran upstairs without looking back.

Corley on the side was also feeling very depressed.

He felt he was forced to witness PDA.

I

Besides, the person who forced him was someone he likes.

The jealousy really makes him suffer.

But he couldn't turn around and leave without saying a word like Rosa.

This is his territory.

As a host, he has to do his best to show his manner.

"Sorry for Rosa's inappropriate behavior. Mr. Lambert and Miss Swift, please don't take her words seriously. I would like to apologize to both of you for her. I hope you can forgive her."

"If Mr. Lambert is not busy, stay and have a light meal with us before leaving." Corley politely said.

"No. Thank you." Sheehan took Nikita's hand and got up. He said: "We still have other plans. Niky and I won't disturb you any longer, Mr. Garrett."

Corley was just being polite. So he didn't try to ask them to stay for longer. He nodded and said: "In this case, it's inconvenient to keep you for lunch. Uncle Lee, help me walk Mr. Lambert and Miss Swift out."
