

The Girl CB 691

Chapter 691 He is quite coquettish.

“You’re at school already?” Nikita narrowed her eyes. She looked out through the glass door

“Hmm”

“Tell me the specific address. I will come to you.”

Xavier said a specific parking location

Nikita hung up the phone. Under the curious and surprised gaze of these people, she got up and said, “I have something to do now. Let’s have lunch together another day”

“Help me ask for a leave. I won’t go to school in the afternoon.”

She came out of the restaurant

Nikita saw Xavier’s very coquettish red Ferrari at a glance

On the smooth and beautiful car body, there is a cartoon pattern of a British shorthair with a round face

This is the only one in the whole street.

It’s quite conspicuous

Nikita looked at the cartoon fat cat on the car body

That’s Young’s cartoon version. She drove this Ferrari frequently before, so she went to the 45 shop and pasted a film on it

She pasted Young's cartoon version on it

There are so many limited edition cars in Xavier's garage. He didn't drive them, but he actually drove this coquettish sports car.

She didn't know what he thought

The car is parked across the road.

Nikita was about to walk across the sidewalk when the door of the sports car opened. Xavier was wearing sunglasses and a dark purple shirt that was also very coquettish. He took off his sunglasses and looked in the direction where she stood. Then he smiled and came towards her.

Although Xavier is an entertainment broker, his appearance is not inferior to that of those hunky boys, who depend on their own appearance to make money.

His appearance was even more outstanding than those boys"

With wide shoulders, narrow waist and long legs, he was like a supermodel on the catwalk when he walked on the sidewalk.

It's very eye-catching

There are several girls blushing when passing by him.

Fortunately, there are sunglasses to cover his face.

Otherwise, his perfect face might have caused some car accidents

That would be a real disaster.

Moments later, Xavier walked to the front of Nikita, took off his sunglasses, and showed a charming smile: "Niky, do you miss me?"

Nikita looked at the man's handsome face, and her face was expressionless: "No."

"Tut." Xavier sighed, "Heartless girl. Can't you tell a lie and make me happy?"

Nikita was still expressionless

"Forget it Xavier stretched out his hand and rubbed his eyebrows, sighed again, and said in a helpless tone. 'If you don't want to do, I won't force you. It's not the first day I met you, so I shouldn't expect these.

Let's go, I'll take you to have a meal! Go ahead, what do you want to eat?"

Nikita: "Something you cook."

Xavier

"My lady, today is my birthday!" Xavier strangely stared at her, "I'll agree you at ordinary times. But today is my birthday, you still want to exploit

Nikita didn't feel that she had gone too far at all. She shrugged and said, "Well, forget it. Eat whatever you want. It's your birthday, so you choose a place. I can eat anything."

"Let's go to the Germy Hall" Xavier rubbed her head with a smile. "I already booked it. The environment and taste there are quite good, you will

like it'

Nikita raised her eyes

“What?” Xavier asked with a smile.

“Nothing” Nikita put her hands in her pockets, looked at the green light on the sidewalk again, and walked slowly. “Let’s go to the Gerny Hall”

When Nikita and Xavier walked across the road, Yvonne and her two girlfriends were preparing to cross the road and go to a Japanese food shop opposite for lunch.

“Hey, isn’t that Nikita? Who is the man around her? It seems that it is not Felton!”

A girl saw Nikita.

Yvonne and another girl also looked up.

Nikita and Xavier have walked to the sports car.

Xavier opened the door, waited until Nikita got into the car, then closed the door. He wore his sunglasses, and walked towards the driver’s seat on the other side.

“Holy shit!” Another girl exclaimed directly, “Is the man next to Nikita Xavier? He is the top broker who is quite powerful in the entertainment industry. Xavier Blake!”

“My god, I’m not dazzled? Nikita and Xavier know each other?!” Another girl was stunned.

Xavier’s appearance is very eye-catching

Although he is not an artist, he has attracted many fans with that face.

His popularity are quite high,

Anyone who pays attention to the entertainment industry knows Xavier.

Yvonne also recognized him. She was also feeling incredible.

It was much more shocking than when she knew that Hugh and Nikita knew each other.

On status, Xavier is much higher than Hugh.

Hugh is a superstar.

However, Xavier is in charge of a large group of top notch brokers. Almost all the popular artists in the entertainment industry have been signed with his company. There are countless big-name artists. He is a real big shot in the entertainment industry.

Someone once said that as long as Xavier wants to make a person become a superstar, even if the person picks up garbage on the street, he can become a first line artist.

The agent Nathan wanted to sign the contract most was Xavier, but he was rejected by Xavier.

But now Nikita and Xavier actually know each other?

When Nathan wanted to meet Xavier, he needed to ask his tutor to introduce him.

Such a powerful people is Nikita's friend?!

Yvonne was shocked for a long time before reacting. Her brain was blank. She looked at the Ferrari that had already driven away in a stunned way, as if she were blindsided, and her eyes didn't blink.

Germy Hall.

The manager received the leader's information, saying that a distinguished guest was coming, and asking him to wait outside the gate early. When he saw Nikita and Xavier come out of the sports car together, his eyes widened in surprise.

Nikita and Sheehan came to Germy Hall to eat several times before.

The manager was so impressed with her. He knew her for a long time.

He was surprised, thinking that is she Mr. Lambert's fiancée, why does she eat with another man in Germy Hall?

Several expensive old trees were planted in front of the gate.

As soon as the wind blew, some leaves fell, and several of them fell on Nikita.

Xavier took it away naturally and fixed her forehead hair conveniently.

-The manager's eyes widened again. When he saw Xavier looking at him, he quickly lowered his head. He felt stunned.

Is Mr. Lambert's fiancée too daring?

When dating a new lover, why doesn't she find a secret place? Why does she come to Germy Hall?

Moments later, the manager brought Xavier and Nikita to the booked box.

Buried his head, he didn't dare to look at the two people more. He took the menu and handed it to Xavier. His voice was respectful "Mr. Blake, please order."

Xavier took the menu, turned over several pages and ordered more than a dozen dishes in one breath.

Every time he says a dish name, the expression on the manager's face becomes more complicated.

Before, when Mr. Lambert brought his fiancée here, he also ordered these dishes.

Obviously, Miss Swift loved to eat these dishes.

Chapter 692 There is little hope of surviving.

Obviously, Miss Swift loved to eat these dishes.

This Mr. Blake knows so much about Mr. Lambert's fiancée's tastes and preferences, which shows that the relationship between these two people... is really unusual.

The manager looked up slightly and secretly looked at Xavier.

He is actually handsome, with standard gigolo-looking. He looks very popular with women.

But he was too daring.

But...how dare he covet Mr. Lambert's woman?!

Does he want to die?

Wasn't he afraid that Mr. Lambert would kill him after he knew it?

"Niky, during my time away from N City, it seems that a lot of interesting things have happened. What's the piano competition? Do you really want to be a judge? This is not like your usual style."

In the box

Xavier put a piece of ribs into Nikita's bowl.

He said that he didn't eat lunch, so he ordered many dishes, but he didn't eat much. He has been serving Nikita food.

He likes watching Nikita eat.

Every time he sees her eat so well, he feels particularly satisfied in his heart

Especially watching her eat the food he cooked will make him feel more satisfied.

He was a neat freak. He always hated greasy dirt, and naturally didn't like cooking

But if he can, he wants to cook for Nikita every day.

Nikita put her chopsticks aside and directly grabbed the ribs. Her posture was very inelegant. She was very attentive for a while before taking time to reply him: "I am bored, so I just have fun."

"And being a judge can get money."

Xavier was speechless: "My lady, when did you lack of money?"

That little money is not enough for her to have a meal.

The annual income of the brokerage company they ran together was at least tens of billions, let alone others.

All the high box office movies produced in recent years are invested by their film and television company.

A movie makes billions at the box office.

They earned easily.

Nikita chewed the remaining meat on the ribs before throwing it away. She wiped her hands with a wet paper towel, and then said solemnly. "I will never disdain that I have too much money. If you have any money-making projects, you can also tell me."

Xavier was stunned. "Are you serious?"

Nikita wiped her fingers one by one and raised her head. Her dark eyes seemed to be filled with water mist. Her eyes were clear and bright, and her face looked very serious: "Well, I am serious. Except for not working to the entertainment industry to film and sing. I can do everything else."

She is really not interested in working the entertainment industry.

"Hey, my princess, we earn so much money every year, where do you spend it?" Xavier looked at her from head to toe and frowned. "You don't spend much money yourself, but you didn't save some money?"

'Donated.'" Nikita understated

Xavier "

He was even more speechless.

He has never seen a person like Nikita who really regards money as dirt.

It's not appropriate. She didn't regard money as dirt. She cares about money and is interested in it.

But no one like her, who donates billions of dollars as soon as she gets dividends every year.

She was like a living Buddha.

"Are you still hoping to find your brother?" Xavier was silent for a while and sighed. "Niky, forgive my truthful speaking, I really think there is little hope that your brother will still survive."

"You said yourself, the mountainous area where he fell into the water is complex, and there are often wild animals in the mountains..." Xavier saw

that Nikita's face got colder and colder, so he closed his mouth and didn't go on.

Nikita don't like to hear these words.

But it's all true.

Chapter 693 I'll find him with you, OK?

Her brother, who is not related to her by blood, can't still be alive.

Perhaps he drowned in water.

Perhaps he trapped in the mountains and unable to get out, and finally starved to death

There is also the worst case, that is, being killed by wild animals...

Although it is cruel, it is possible

Over the years, Nikita made a lot of money, and most of it was donated.

She always thought that her brother was not dead. He just missed.

She firmly believed that if she did more good deeds, she could accumulate blessings. When she accumulated to a certain extent, God will help her realize her wish.

God will help her find her brother Freddy

One of the reasons is that after she was abducted to the poor mountainous areas, she knew how hard the children in the mountainous areas lived, so she wanted to change the fate of some people and help those children get out of the mountains through her own strength.

She wants to do good deeds, and Xavier naturally supports her.

But...

But he did not support that she invested almost all the money she earned every year.

"Freddy must still be alive, I can sense it." Nikita sipped her lips, and her eyes were stubborn. "Xavier, you know, I have been dreaming the same thing over and over all these years."

"Almost every night, I dream of all kinds of scenes on the day Freddy fell into the water. In my dream, I saw him fall into the water and be washed away by the rushing water. At that moment, he opened his eyes wide and shouted Sister, help in fear and helplessness.

I want to save him, but in my dream, I am a helpless bystander. I cant do anything but watch the things of that year happen again and again."

Nikita bit her lips tight. Her eyes got red. "Can you understand that kind of powerless despair?"

"I hate that I didn't stop him at the beginning. I thought he was familiar with water, and the river was not very deep, so there would be no problem. If it weren't for the fact that I was too relieved of him and

relaxed my vigilance, if it weren't for the fact that I thought he should be able to swim ashore by himself, I didn't reach out to hold him at the first time.

Nothing would happen." With deep teeth mark on her lips, Nikita forced her tears back. "So, even if there is little hope, I will not give up looking for him."

Xavier saw that her eyes were red, and he was so distressed that he stretched out and slapped his face twice

He said with chagrin, "It's all my fault. Don't cry, baby. If you cry, I will become a sinner through the ages. Okay, let's keep looking for him, you can look for him as long as you want

I'll find him with you, OK?"

After that, he took out his mobile phone, logged in to the bank account, and donated 100 million to one of the charities Nikita set up.

After donating the money, he showed his my mobile phone to her: "I also help you donate money for Freddy to do good deeds. We have donated so much money and done so many good things, and God

will definitely see it."

"I will definitely help you achieve your wish."

Nikita's eyes are still red. She raised her head and looked at him with no expression.

"It's not enough." The girl's voice was slightly hoarse.

"Hmm?"

“Duck stuffed with eight delicacies, crystal shrimp dumplings, soup dumplings, spicy crayfish, crispy roast chicken, sweet and sour fish, braised ribs... Nikita said a lot of dishes without pause.

Xavier

Chapter 694 Rosa, what’s wrong?

His eyebrows twitched hard. He gnashed his teeth: “OK! Whatever you want to eat, I’ll make it for you! Because you’re the girl I dote!”

Nikita saw that he gnashed his teeth, as if he had been exploited. She finally had a smile on her face: “Today is your birthday, so you are allowed to have a day off. When your birthday is over, cook them for me.”

“You still remember it’s my birthday?” Xavier looked at her with resentment. “Don’t tell me, you didn’t!

‘t prepare...”

“A birthday present?” Nikita supported her chin with a hand, smiling, “I prepared it, but I put it in the apartment.”

“Really? Didn’t you lie to me?”

“Hmm.”

Xavier smiled: “You still have some conscience.”

After lunch

Xavier shouted to get his birthday present.

Nikita took leave in the afternoon and didn’t have to go to school. After thinking about it, she nodded and said, “Let’s buy some games for a while. We haven’t had PK for a long time.”

Xavier was also a good game player

On technology, he was comparable to Nikita.

In those days, he and Nikita met through games.

Both of them were skillful players in the game, who both refused to be the loser. They often competed with each other, then they became friends. Later, they organized a group to play games together.

Two people made other players afraid They set up a team, which shook heaven and earth in the game and became invincible. Manley also joined their team at that time.

Later, Nikita seldom played games, so Xavier didn't play much.

This team was handed over to Manley

Later, this team developed from an amateur player team into a professional team, renamed RG.

"OK" Xavier rubbed his palm and said. "The last time I was in a bad state, so you took advantage of it and beat me. Today, I will give it a go and revenge!"

Nikita looked at him with disdain: "OK, I will give you a chance to avenge yourself. Don't find a lot of excuses when you lose."

Xavier squinted: "Lose? There is no such word in my world"

Nikita quietly watching him pretend to be powerful. She didn't bother to expose him.

How many times has he lost to her?

He never admitted defeat.

As they spoke, they walked out.

Germey Hall has a classical architectural style.

Nikita and Xavier came down from the corridor and walked into a tree-lined path.

On the other side of the corridor, at the corner, Rosa stopped, sipped her lips, and looked up at the slim and tall figure not far away.

“Rosa, what’s the matter?” It’s Farley who accompany Rosa to eat next to her. Seeing her suddenly stopped, and her face suddenly darkened down, Farley followed her eyes to have a look.

On the path ahead, a man and a woman walked slowly.

She can’t see what they look like. She can only see their backs.

-Both man and woman are quite tall.

Those who can get in Germey Hall are the people with extraordinary status.

That is to say, most of the diners who come here actually know each other.

Farley thought Rosa saw an acquaintance. He smiled and said in a gentle voice, “Did you see someone you know?”

“Acquaintances?” Rosa stunned, and then sneered at him. “Sort of.”

She didn't expect to meet Nikita that little bitch here!

As the saying goes, one can't avoid one's enemy.

Chapter 695 Photos by Rosa

What she didn't expect was that the little bitch was with an unidentified person.

She said she met an acquaintance, but her tone was cold, and her face was gloomy, which didn't seem to be her normal reaction when she met friends.

This so-called acquaintance is like her enemy.

Farley hesitated and asked, "Do you want to go to greet her?"

"Greet?" Rosa sneered again, "No need for that."

She took out her mobile phone and took a photo of Nikita and Xavier's back.

When Rosa took pictures, Nikita sprained her ankle, and Xavier reached out to help her.

This scene happened to be photographed by Rosa.

In the photo, the man holds the girl's waist, and the girl's body leans towards the man. Their posture is intimate.

Rosa looked at the photo and sneered. Her eyes were cold

Even if she can't get Sheehan, it is impossible for Nikita, a woman of humble origin, to have the opportunity to marry into the Lambert's family. Nikita doesn't deserve it at all!

A little bitch who grew up in a ravine and got today's position by scheming means even dared to dream to marry Sheehan and be the young lady of the Lambert family

Does she deserve it?

The Lambert Group.

Sheehan was having a high-level meeting.

The mobile phone on the desk vibrated.

The man immediately looked down and glanced at it. When he saw the message sent by Rosa, he frowned slightly

When Sheehan was about to look back, the mobile phone vibrated again

Rosa sent another message: Sheehan, I think you'd better look at the photos I sent you. I met Nikita in Gerny Hall today. Oh, there is a man with her. I think they seem to behave very intimately

Sheehan's face suddenly got sullen. He picked up his mobile phone, clicked on Whatsapp and saw the photos sent by Rosa, then he became more unhappy

In the conference room.

All the high-level officials in the meeting suddenly felt cold, and the temperature of the whole conference room seemed to drop to below zero at

once.

Everyone trembled and looked at the man sitting in the front seat. They thought about whether they had said something wrong just now.

In particular, the high level official who just reported his work was even more uneasy. He was in cold sweats.

Mr. Lambert is still young.

But in the whole company, no one dares not take him seriously.

He changed his face slightly, which made everyone below scared.

The atmosphere in the conference room was cold. Under the oppression of Sheehan, no one dared to say a word. They were all tense, even did not dare to take a deep breath.

Sheehan took his mobile phone and stared at the photo sent by Rosa for a full minute.

The man was haunted by unhappy aura. He stood up with indifferent expression.

Below, a group of high-level people looked at him with bated breath. They were all sitting upright.

“That’s all for today’s meeting. It’s over.”

After saying this sentence, Sheehan turned and strode out of the conference room.

Xavier knew Nikita loved to play games, so he prepared a set of quite complete game equipment for her apartment.

“Come on, Niky, I have to fight with you today. I don’t believe I lose to you every time. If I don’t win once today. I will keep compete with you. Without eating and sleeping, I must win you once!”

Nikita held a pillow in her arms and sat barefoot on the carpet.

Her sitting posture was not ladylike at all.

Xavier, the notoriously difficult top agent in the entertainment Industry, did not have the indifference and majesty he should have at ordinary

times. Like Nikita, he also sat cross-legged on the ground with a lollipop in his mouth.

Chapter 696 You have no right to interfere with my personal feelings.

When he was with Nikita, he was very relaxed. He chose the posture as relaxed as possible.

He showed the truest side.

But only Nikita can see this appearance.

If other people see it, they would wonder if there is something wrong with their eyes.

Nikita held the game handle and glanced at him faintly. Her eyes were contemptuous: "You say this every time. Can you change a new excuse? | | you really want to win, I can deliberately make you win"

"I don't need you to do that! You are insulting me!" Xavier shouted in an unconvinced tone, "I have to win by strength! Come on, let's fight again!! haven't played for a long time. I lost to you because I'm not familiar with it enough and my hand speed is not fast."

"I get my sense back now. This time I will definitely win you"

Nikita smiled, supported her arms on the cushion, supported her chin with one hand, and controlled the game handle with the other hand. She sniffed and said, "How can I win?" Relying on the hand speed because you have been single for more than 20 years? *

Xavier ""

“Niky, you are bad” After a few seconds of silence, Xavier said in a faint voice, “Who did you learn these coquettish words with? Don’t humiliate me like this. What’s wrong with me being single? I will contribute to the country as well

Aren’t you just like me, still a single person?” When Xavier said this sentence, his eyes flashed. He pinched the game handle tightly with his slender and beautiful fingers. He stared at Nikita, with a little nervous.

The girl next to her didn’t look at him. Her eyes fixed on the big screen of projection, and she chose a game character: “Oh, I forgot to tell you that! am dating Sheehan. Therefore, you are the only single person”

The lollipop in Xavier’s mouth dropped.

Almost for an instant, his handsome face was sullen

“Select a character! Why are you still in a daze? Don’t you want to continue playing?” Nikita selected the characters in the game, but saw her opponent Xavier didn’t select a character for a long time. She frowned and turned her head, only found the man beside her looked at her with a gloomy look.

Nikita stunned and squinted. “Well, what is wrong with you?”

Xavier pursed his lips tightly. His irresistible anger almost swallowed up his reason.

He took a deep breath and forcibly endured it. “Are you really dating Sheehan?”

“What’s the matter?” Nikita’s voice was light. She narrowed her dark eyes, “Do you have any problems?”

“You are still young.” Xavier’s hand hanging on his side is clenched, and his voice is restrained. “Sheehan is not suitable for you.”

“Xavier, I am an adult. I have the right to decide whether I want to date someone. As for whether he is suitable or not, it is my business and has nothing to do with others. Although we are friends, you have no right to interfere with my personal relationship. The girl's indifferent voice revealed some obvious unhappiness.

Nikita can be persuaded by reason but not be cowed by force.

You can persuade her, but you must coax her.

Maybe she will listen to a few words.

But if it is didactic, it will only make her rebellious.

She has no deep feelings for Sheehan, but whether this man is suitable for her or not can't be said by others.

Xavier looked at the girl's cold look, pursed his lips tightly, and his face turned livid.

Chapter 697 What is my position in your heart?

“Do you still want to play?” Nikita shook the game handle in her hand.

Before Xavier could speak, she threw away the game handle, threw aside the pillow in her arms, stood up barefoot, looked down at the unhappy man, and whispered, “I guess you are not interested in playing. I'm sleepy. I'll go to sleep for a while, help yourself.”

After that, Nikita turned and went into the bedroom.

Looking at the bedroom door slowly closing, Xavier looked up, with injury and loneliness in his deep eyes.

Hasn't he done well enough?

Why didn't she choose him?

How long has she known Sheehan?

Can Sheehan be as good to her as he does?

Can he unconditionally spoil her, love her, care for her and regard her as the most important person in his life?

He tried so hard, but she still wouldn't give him a chance,

"Niky, in your heart, what am I?"

Xavier smiled bitterly, and he was sore. He whispered to himself in a low voice: "It turns out that I am self-sentimental. I actually thought that I

might still be a little special and important to you. However, in your heart, I am actually dispensable, right?"

Nikita was ready to sleep when she received a message from Sheehan. He asked her where she was.

She yawned and replied a word. Home.

Usually, after she replies, the man will return in seconds. But this time, he has not returned her information for a long time.

Feeling sleepy, Nikita put her mobile phone on the bedside and turned over. Her eyelids closed slowly without control.

When she woke up again, she was woken up by a doorbell.

She frowned and opened her eyes, and the doorbell rang again and again. It was ringing and shrilling in the particularly quiet room. Nikita was woken up when sleeping soundly, so she was in a very bad mood. With a sullen face, she walked out of the bedroom unhappily

The living room is empty

Xavier has already left

There was faint smell of cigarettes in the air. Smelling it. Nikita frowned, walked to the door, and watched the monitoring hanging on the wall.

In the surveillance video, there is a handsome face with delicate facial features. The man is dressed in black trousers, with a tie around his neck, which were standard business clothes. But he looked noble and extraordinary. In the video, the man's legs are slender and straight, and his physical proportion is quite excellent.

Sheehan? Nikita looked at the man standing outside the door from the video and froze for a few seconds

Outside the floor-to-ceiling window, it was still bright, and the sunlight was still strong.

Obviously, it's still early

At this point, shouldn't Sheehan be in his company?

Why did he come to her?

Is there something wrong with Old Mr. Lambert's physical condition? He can't contact her on his mobile phone, so he came to find her?"

Nikita's mobile phone was on the mute when she slept.

After thinking for a few seconds, she opened the door.

Outside the door.

There is no expression on his handsome face. His eyes are cold, and the whole person is haunted by a frightening low pressure from head to toe. -In his dark and deep eyes, there was also an inconspicuous coldness

He was also indifferent at ordinary times, but Nikita can feel that he is different today.

Sheehan at ordinary times was as warm as spring breeze in front of her

Nikita stared at the man calmly for a few seconds, gently raised her eyebrows: "Why do you come here now?"

"May I go in?" Sheehan took a look at the room.

Chapter 698 He felt sore.

Nikita leaned sideways.

Sheehan walked into the room, quietly glanced at the living room and saw the game handles on the carpet.

Two

There are also two cups filled with water on the coffee table

In the air, there is a residual smell of smoke, which is very light, but Sheehan suddenly smelled it

The man sipped thin lips tight. He walked inside and sat down coldly. He was still expressionless as usual, but his cold eyes showed that he was unhappy

Nikita doesn't smoke

But there was smell of cigarettes in the room

"Would you like some tea?" As the master of the apartment, Nikita looked at the unhappy man sitting on the sofa and politely asked.

"Well, thank you" Sheehan nodded.

Nikita raised her eyebrows. "That's

"To celebrate a friend's birthday and play with him, I didn't go to school Although Nikita thought Sheehan was a bit strange today, she answered

his question

As soon as she finished her words, she felt that the unhappy aura around the man seemed to fade

Sheehan held her soft little hand in his palm and looked at the girl's delicate white face "Friend? Have I seen him?"

"Sort of "Nikita's tone was quite calm, "His name is Xavier Blake, do you know him?"

"Xavier Sheehan was slightly silent and nodded. "Well, I know him"

He didn't know him before, but later he asked Yates to investigate this person

Xavier and Nikita have known each other for a long time

Nikita specially asked for a leave to accompany him to celebrate his birthday, which showed that this man was important

Even if he knew that there was no ambiguous relationship between them, at this moment, Sheehan was still jealous

On his birthday, will Nikita also ask for leave to accompany him?

He is her rightful boyfriend, but he is really not sure that his position in her heart can be comparable to that of Xavier

After all, Xavier met her earlier.

Chapter 699 Does she need to coax him when he is Jealous?

And he, the so-called boyfriend, still has a probation period of three months.

“Then how did you have fun? Has he been to your place?” Sheehan relaxed down and stretched out his body. He crossed his slender legs and put one arm around the girl’s soft waist, holding her in his arms.

This posture is somewhat intimate

They are the only people here. The elegant fragrance of the man’s body haunts her nose. And his big hands attached to her waist are boiling hot. Through a layer of clothes, Nikita can still feel the heat of Sheehan’s palm.

It’s quite hot. And his palms seem to be hotter.

Nikita somehow felt a little uncomfortable and moved her body.

She always feels that they are getting too close on ‘such a hot day.

Doesn’t Sheehan feel hot?

“Niky “A low and magnetic voice sounded over her head.

The man’s voice sounded sexy and gentle. And it was very provocative. “In fact, I am jealous.”

Nikita was stunned. She raised her head and frowned: “Jealous? Why are you jealous?”

“That Xavier knew you earlier than me. And you two get along so well with each other that you even ask for a leave to celebrate his birthday today.” Sheehan didn’t hide and jealous showing in his deep and black eyes I’m jealous of him.”

Nikita was silent for a few seconds. Then she spoke up with a stiff voice: “Then what do you want me to do? Do you need me to ask for a leave to celebrate for you when it’s your birthday?”

Nikita has no experience in this field

She doesn’t know how to deal with the situation when the boyfriend gets jealous.

When a woman is jealous, it seems that she needs a man to coax her

So does she need to coax him when he is jealous?

“What do I want you to do?” Sheehan whispered and repeated her words. He lowered his eyes and fixed his deep eyes on her red lips. And his eyes locked darker.

He spoke up in a dull voice: “I want some comfort”

“Comfort?” Nikita turned her head with some doubts. “What kind of comfort.

Before she could finish her words, the man bowed his head with his warm lips falling on hers.

Nikita was stunned. And her eyes were widely open in consternation. Her hands which were pressed against the man's chest tightened. But she didn't push him away.

With her jaw being lifted, the kiss went deeper and deeper.

The strange feeling which she never had before made Nikita suddenly a little panic.

She was a little short of breath with her face blushing. She only felt that the oxygen in her body seemed to have been sucked away. And the long-term lack of oxygen made her brain dizzy. She lost all her strength.

Her body fell softly in Sheehan's arms.

She pushed him with her hands which were pressed against his chest. She struggled to move her lips with her mouth blocked tightly. And several syllables sounded with difficulties: "Shee... Sheehan..."

The man caught her little fair hand. And his fingers passed between her fingers and clasped with her fingers

He bit her lips and carefully kissed her for a while longer before he reluctantly let her go.

Nikita weakly fell in his arms and gasped for air.

She seemed to be a survivor of a disaster.

The girl's breath was disordered. Her face was red, and her eyes were watery. Her lips, which were red and swollen because of all those kisses, looked attractive and delicious.

Seeing her like this, the man's eyes darkened down even more on her side, And there were some ideas emerging in his heart that he shouldn't have.

Sheehan took a deep breath and restrained the restlessness in his body

Nikita is still too young.

if he has that kind of thoughts for her, he will be monster.

But thinking of her raw reaction just now, he felt cheerful inevitably.

The haze surrounding him just now has disappeared.

Even if she and Xavier know each other for a long time, he is also her first boyfriend.

He has her first kiss.

He is even a little glad that when Xavier met her, she had reached eighteen yet.

Chapter 700 I want to keep you around for the rest of my life.

After a long time, Nikita's breath slowly stabilized. The crimson on her face also faded a little. And her watery and blurred eyes gradually returned to normal.

But there was still some tingling pain on her lips.

When Sheehan kissed her just now, he bit her. And the corners of her mouth were slightly skinned.

Maybe because she was lack of oxygen for a long time, she still felt a little dizzy.

Her heartbeat hasn't completely slowed down yet. And it still beats a little fast.

The strange feeling Nikita never had before made her a little flustered

She stretched out her hand to push Sheehan away. But the man hugged her waist overbearingly and clenched her hand. He bowed his head and stared at her with deep and dark eyes in a color of ink: "Niky, can I become your official boyfriend ahead of time?"

'Or can you tell me what to do so that I can become your official boy friend in advance?"

The three-month probation period is simple a torture to him.

Nikita lay prone on his chest. And she was wrapped around by the man's clear and charming breath.

There was a warm breath sprinkled in her ear, as if there were feathers gently scraping the tip of her heart. Her ears were itchy. And her heart was also a little itchy

She felt like there were a mass of paste stuffed in her brain. And she couldn't think normally. "Sheehan, let me go first." Nikita spoke up, only to find that her voice had also become hoarse That kiss just now was too hot.

Nikita had never experienced such a "big scene". At that time, she was a little stunned by the kiss.

Sheehan lowered his head and gently rubbed her forehead. His voice sounded low and hoarse. "I don't want to let go. I want to keep you around for rest of my life."

Nikita's heartbeat went faster. And she got more flustered.

The next day.

In the evening. Yvonne received a phone call from Margot when she left school.

Margot spoke up solemnly on the other side of the phone: "Wonne, you must behave well tonight. I have already talked to Nana. And she asked you to go over directly. At that time, she will let you perform a piano performance. And you will choose one of your best songs to play for her." "Mom, I got it. You can rest assured that I will perform well."

Yvonne hung up the phone. After she walked out of the school gate, she saw the black Mercedes-Benz waiting on one side.

“Miss.” The driver stepped forward, greeted her respectfully and turned to open the door for her.

Yvonne sipped her lips and got on the car

She lowered her eyes with a hint of irritability showing between her eyes. Her mood was a little impetuous. And she couldn't calm down for a while.

The song she is best at playing...

Then that would be the one she played to win the prize a few years ago.

Of course, she can play other songs.

But the effect she wants is a blockbuster.

Not some compliments others had for her for being good at playing the piano.

There are many people who can play the piano well.

But there are not many people who can play the piano well and have great talent to accomplish something in this field.

Yvonne wants to be the latter.

In the front row, after the driver sat in the driver's seat and closed the door, he asked in a gentle tone: “Miss, can I turn on the music?”

Yvonne was absent-minded: "You can if you want."

Moments later, a familiar melody sounded.

Yvonne was stunned. She raised her head and looked over,

The song on the radio is Hugh's new song "Waiting in the Rain."

The driver hummed softly along the melody.

Yvonne twisted her eyebrows: "Uncle, do you like this song?"

The driver smiled and said: "Ha-ha, Miss, you have asked me the same question as my daughter. Do you think it is strange that people of our age like songs made by you young people?"

Yvonne went silent.

The driver smiled again and said: "I don't know whose song this is. I just feel it's nice."
