

The Girl CB 711

Chapter 711 You are the successor of the Evan group?

Malcom stared at Sheehan for a long while, he was stunned

Sheehan was polite and elegant, he called 'Malcolm' politely and respectfully

Malcom was still staring at him, seeing that the most noble young ruler of M City was standing in front of him respectfully.... Sheehan also greeted him respectfully just now... Malcom controlled his surprising mood and stopped looking at Sheehan after a long while.

Malcom nodded, he didn't hide anything, he replied: "Mr. Lambert, can you tell me, what has happened between you and the successor of my Evan group?"

Malcom is also from a noble family.

Among those noble families, the elders know each other.

Malcom and Old Mr. Lambert are also friends.

When Old Mr. Lambert held banquet for his 60th birthday, Malcom went to play the music for him.

Certainly, he has seen Sheehan.

"The successor of the Evan group?" Sheehan narrowed his eyes and controlled his surprise. He turned his head and looked at the girl beside him. "Are you the successor of the Evan group?"

The Evan group is a music group founded by Malcom.

It is quite influential in the music circle.

It is just like the National Medical College in the medical circle. Everyone who studies music wants to be accepted by the Evan group.

Over the years, because of Malcom's illness, it has been said that he wants to retire.

Therefore, the candidates for the successor of the Evan group has become a hot topic for outsiders.

Most people speculate that Malcom will give the Evan group to his son.

This is also reasonable.

Or he may give the Evan group to his oldest disciple, which is also a powerful master in the musical industry, whose status is only inferior to Malcom.

But the successor of the Evan group is not the son of Malcom or Malcom's oldest disciple, but the girl next to him?

Sheehan looked indifferent, but he was quite surprised.

How many things have been hidden from him by the little girl next to him?

Nikita half narrowed her eyes, she glared at the old man on the ward with an unhappy face, her voice was also a little cold: "Old man, I remember that I haven't promised you."

Malcom was quite shameless, he pushed the responsibility to his wife: "But your Auntie has told me that you have promised. Did she cheat me?*"

Nikita: ""

This old man is getting more and more shameless.

He was also shameless before, But at least, he was proud before, he wouldn't force anyone to do anything he didn't want.

Now, in order to achieve his goal, he has become shameless. He has learned to ignore the thoughts of others and to force others.

Chapter 712 She is speaking for him?

Sheehan, who was standing next to Nikita: "..."

So it seems that Malcom is really forcing Nikita to be the successor of the Evan group?

If it weren't for his clear understanding of the high position of the Evan group in the world, seeing Nikita's disdainful face, he would have regarded this group as an illegal cheating group

"Malcolm, Niky is still quite young. I'm afraid that she can't shoulder such a heavy task. Moreover, she is not a member of the Evan group. If you choose her to be the successor, others won't be willing" Seeing that Nikita was not willing. Sheehan narrowed his deep eyes. Although Sheehan was speaking in a respectful tone, his words were still powerful

If Nikita is unwilling, no one can force her

Although being the successor of the Evan group is good. Nikita is so young, she is not a member of the Evan group. If she takes over this group, it may be troublesome for her.

When he took over the Lambert Group in those days, his identity was qualified. But many people in the Lambert Group opposed him.

Let alone Nikita. she doesn't seem to have a qualified identity.

Sheehan doesn't want her to face those bad things.

“Mr. Lambert, this is a matter between me and Nikita. Only she has the final say for this matter Malcom knows Sheehan’s identity, but he is not afraid of him. Malcom speaks impolitely, his attitude is not good either.

Coldness and unhappiness could even be found in his tone.

Of course, Sheehan has felt Malcom’s hostility against him. He narrowed his deep eyes again. Considering the relationship between Nikita and Malcom, Sheehan sipped his lips without saying anything.

He is not afraid of offending Malcom.

It is just... he doesn’t want to offend him.

Apparently, Nikita has known Malcom and Lauren for a long time, their relations are also quite good.

Malcom and Lauren are important for Nikita

He is still in internship, and he has to perform well.

“I haven’t decided yet. I have to discuss this matter with Sheehan.” Nikita’s voice was faint. She lowered her eyes, pulling Sheehan’s finger to play with. His fingers are quite slender and jointed, which made his hands beautiful like artworks.

His hands are very suitable for playing the piano or drawing pictures, and they are also very suitable for doing some romantic things.

Looking at his hands, it is easy to tell that he has been living in good conditions since childhood.

However, there are some rough places on his fingertips and his palms, which shows that he is not a person who doesn’t do housework at ordinary times.

Nikita likes good-looking people, she also likes people with pleasant voices and beautiful hands.

Sheehan can satisfy all her preferences.

Sheehan is a good-looking person with beautiful hands and pleasant voice.

So far, Nikita is quite satisfied with her boyfriend. She always protects people who are with her. Now, Sheehan is her boyfriend, she will certainly protect him.

She can't let others bully her boyfriend.

Sheehan raised his eyes in surprise, looked at the girl in front of him, then he smiled.

Is she speaking for him?

It seems that his kindness for her is not in vain, she is willing to protect him.

Malcom curled his lips because of anger.

This little girl values her boyfriend more than her friends!

Just because of her boyfriend, she even makes him embarrassed!

Malcom sipped his lips tightly, sulked for a while, and said with a gloomy face, "Mr. Lambert, can you go out for a while? I have something to talk to her alone."

Sheehan nodded, loosened the hand holding Nikita, touched her head with the other hand, and his voice was low and gentle: "I will go out and wait for you."

Chapter 713 I will protect people who are with me.

Later, he nodded to Malcom, who looked cold, and said politely. "Malcolm, I'll go out first."

Malcom looked at him, but Malcom still looked cold without saying anything

Sheehan kept his demeanor, turned to walk out of the ward, and then closed the door gently.

In the ward, only Malcom and Nikita were left.

Nikita lifted her eyelids, dragged a chair to sit by the ward, overlapped her legs. She shook her legs, which made her look casual

Her voice is lazy "Go ahead, what do you want to say to me alone?"

"What's the matter with you and the child of the Lambert family?" Malcom talked about Sheehan with disdain in his tone Nikita looked at him faintly: "Haven't you seen our interactions? Why do you ask this?"

Malcom

Of course, he has seen!

But he can't accept!

He always felt that Nikita was still young, so he didn't consider that she would fall in love with someone.

Moreover, Nikita seems to be indifferent to this aspect, she doesn't seem to be a person who will fall in love at an early age. If he knew she wanted to find a boyfriend, he would have asked his son to chase her! After all, his relationship with Nikita was so close!

He wouldn't have enabled the grandson of Old Mr. Lambert to be so fortunate to be together with her!

“The grandson of Old Mr Lambert is not young, right?” Malcom’s voice is cold. “How shameless he is! He chases you when you are still so young. From this perspective, he must be a bad guy!”

“Nikita, don’t be fooled by the sweet words of that bastard.”

Nikita narrowed her eyes, her voice was low but frightening: “Old guy, be polite to my boyfriend. You satirize my boyfriend like this, you don’t want me to treat you illness in the future?”

Malcom

“He’s quite good” Nikita’s voice was still faintly, but it sounded a little warm, “You know my character. I will protect people who are with me. No one can blame people who are with me, or my items.”

“I don’t want to hear these words again in the future”

“If you can’t accept him, don’t meet me again in the future”

“By the way, don’t be impolite to him. He doesn’t owe you anything. He comes here because of me. If you treat him impolitely, it means you are treating me impolitely. If you are impolite to me, I will also be impolite”

Malcom

“Well, take good care of yourself I will come to see you again when I am free”

Nikita got up, pushed the chair aside, turned and walked outward.

“Nikita.” Behind her, Malcom sighed. “Well, I won’t intervene your emotional affairs anymore, I will respect your choice. If you want to fall in love, of course, you can, but you should protect yourself.”

Perhaps, it was not suitable for a male elder to say something. Malcom said euphemistically after being silent for a few seconds: "When you really can't control yourselves, remember... to do some precautions"

Nikita's back became stiff.

Facial expressions on Malcolm's face also became stiff.

"Ahem, you, you know what I mean." He coughed twice awkwardly, then he thought and said, "If you really don't want to be the successor, I won't force you. After all, I can work hard to manage the Evan group by myself. Anyway, I won't die immediately, I can work till my death."

Chapter 714 Mr. Lambert is a reliable child!

Nikita "..."

Outside the ward.

Nikita went out and saw Sheehan standing politely in front of Lauren, they were chatting

Lauren spoke softly, Sheehan nodded from time to time, looking like he was listening carefully to his elder.

His attitude was quite polite.

Nikita leaned against the door, looked at them for a while, then she smiled and walked over.

Lauren saw her and smiled. She said softly to Sheehan: "Niky is coming out."

"Auntie, what are you talking about?" Nikita went to Sheehan's side and took the initiative to hold his hand.

Next to her, the man was slightly stunned. He lowered his head and looked at her deeply

Nikita held his little finger, pinched it, and tilted her head: "What's the matter?"

Sheehan sipped his lips tightly, and his eyes became darker.

Lauren looked at them, who were flirting with each other, she was quite gratified. Then she said with a smile: "Niky, you haven't had a meal yet, right? Have a meal before leaving, Auntie will treat you."

Nikita didn't refuse, she nodded. "Thank you very much, Auntie."

The place to eat is a restaurant near the hospital.

It's not quite high grade, but the sanitary, environment, and taste are satisfying.

They go to eat some fried dishes.

Nikita is probably in a good mood, she is not as picky as usual. She has eaten a lot of food with a good appetite. During the meal...

Sheehan went to the toilet and paid for the meal.

After eating, Lauren knew that Sheehan had paid when she went to pay the bill.

This meal was not expensive, the bill was just about one hundred dollars.

However, Lauren's impression on Sheehan became better.

She asked Nikita to go to the toilet with her.

“Niky, I have experienced the process of falling in love, and I have also met many people in my life, I can tell you that Mr. Lambert is a reliable child” Outside the toilet, Lauren took Nikita’s hand and said closely. “Get along with him well. When Malcolm is discharged from the hospital and come home, take Mr. Lambert here. I will cook a meal for you.”

“Auntie, do you like him?” Niky was a little surprised.

After all, Malcom disdains Sheehan very much.

“Of course I do.” Lauren smiled. “He is so handsome. Even his appearance can make him extraordinary. His family background is also great. He is also willing to make efforts, look how many achievements he has made at an early age.”

“It is hard to meet such an excellent young man. Besides, I have asked him carefully. He said that he is sincere to you. You will be the only choice for him. When you grow up to the legal age, as long as you want, he can marry you and get registered immediately.”

Nikita’s eyes slightly flashed: “Everyone can say such sweet words.”

“I can tell that his words are sincere.” Lauren patted her hand. “I have known this child before. In those days, Miss Garrett pursued him by all means, but he was indifferent. He must like you very much, so he asks you to be his girlfriend in such a hurry,”

“No one can predict what will happen in the future. But you like him, he likes you, and it is enough that you are sincere and happy to be together at this moment.”

1/2

After eating and sending Lauren back to the hospital, Nikita and Sheehan went home.

In the car.

After a full meal, Nikita was lazy and tired.

She wanted to sleep.

Sheehan saw her narrowing her eyes, knowing that she was sleepy, he smiled in a low voice: "Are you sleepy? If you are

sleepy, you can go to sleep, you don't have to force yourself to be awake."

Chapter 715 Why are you so fragrant?

The car is full of the clear fragrance of Sheehan.

The more Nikita smells, the more sleepy she is.

Nikita turned her head, she couldn't help but ask "Sheehan, what perfume do you use?"

"Hmm?" The man also turned his head, he looked into her eyes with his black eyes "Perfume? I don't use perfume" "But... why are you so fragrant?"

Nikita leaned closer to him and took a deep breath: "You really don't use perfume? Why are you so fragrant?" Sheehan

"Maybe I have used incense for my clothes? The man was silent for a moment and said with uncertainty

"Can you give me some of your incense?"

Nikita found that she could sleep quickly, deeply, and soundly every time when she smelt Sheehan's fragrance. In his car, she can fall asleep easily

In his bed, she can fall asleep more easily.

She has been plagued by insomnia and nightmares for so many years.

When she gets close to him, her sleep on that day will be much better.

This man works better than any panacea.

Nikita wanted to make an experiment to check the real factor that has affected her, Sheehan or his incense?

“Of course.” Sheehan pondered and said, “Do you want it now? I’ll ask someone to send it right away”

“It doesn’t matter, you can give it to me at any time.” Nikita said while yawning. She felt she was getting more and more sleepy. “I’m sleepy, I will sleep for a while. When we get home, wake me up.”

“Well, sleep’

Sheehan slowed down, turned off a light in the car, and raised the air conditioner temperature by two degrees.

Yvonne walked to the outside of Margot’s ward at a loss.

In the ward, Margot was still talking excitedly to Patrick: “Nathalie has taken Yvonne to meet Malcom. Malcom will definitely accept Yvonne as his disciple because of her talents.”

“Really?” Patrick’s voice was also very excited.

“You don’t have to be happy so early” Cathleen’s faint voice also sounded. Compared with the excitement of Margot and Patrick, her voice was very calm. “Malcom is quite picky, it won’t be so easy to become his disciple.”

“Mom, Yvonne is your granddaughter, can’t you look forward to something good? Why do you say such discouraging words?” Margot muttered discontentedly.

Cathleen sneered: “Granddaughter? She is just your daughter, not my granddaughter.”

Outside the ward.

When Yvonne heard the last sentence of Cathleen, her pale face became whiter, then she sipped her lips tightly.

She knows that Cathleen doesn’t like her.

But she has never expected Cathleen to hate her so much.

“Mom, why are you dissatisfied with Yvonne? Just because you think she is not your biological granddaughter and has no blood relationship with you?”

“Well, I won’t hate her so much simply because of this. I do care about biological relations, but I won’t bother to intervene with your dotes on her if she is a kind and innocent girl.”

what do you mean? Yvonne has been clever and sensible since she was a child. Of course, she is kind and innocent.” Cathleen sneered again: “You have never doubted whether she lied to you? You believe what she has said? If she doesn’t have amnesia at all, if she knows you have taken her away by mistake, such a scheming girl, you still dare to say that she is clever and sensible?”

Yvonne was eavesdropping their conversations at the door, her face became completely pale in an instant. Her body trembled, she almost fell down to the ground.

Her mind was buzzing.

Chapter 716 I’ve asked someone to Investigate.

How could Cathleen know this...

Even Patrick and Margot have never doubted her

“Mom, Yvonne is different from you think! She was only six years old at that time, she was still a child who didn’t understand anything How could she be as scheming as you said? Margot’s disgruntled voice came out from the ward “I think you are biased against Yvonne, so you will feel that she is quite bad”

“She has been in the Swift family for more than ten years. Even if she is not my biological daughter, I understand her quite well, I know what kind of person she is clearly”

“You have thought too much. Things in those days were definitely not what you thought.”

“Mom, Margot and I have witnessed Yvonne’s growth She has been clever and sensible since childhood, she has good academic performance, good personality, she is also obedient Even though she is not our biological daughter, our feelings for her are the same as biological parents. You have really thought too much. Yvonne is kind and innocent, she is not as scheming as what you have thought Patrick also spoke for Yvonne.

Yvonne sipped her lips and looked a little better.

Fortunately, Margot and Patrick supported her, they weren’t affected by Cathleen’s words.

“You will soon know whether I have thought too much.” Cathleen said coldly.

“What do you mean, Mom?” Margot asked.

Yvonne felt nervous, as if her heart were pulled up, she controlled her breath.

She clenched her fingers, her eyes looked panicked: What did Cathleen mean by these words?

After being silent for a while, Cathleen’s voice sounded again: “I have already arranged someone to investigate what happened in those days. Whenever a person lies, there will always be flaws. Again, I believe in my own abilities of judging

others”

“It is not difficult to distinguish whether she is really innocent or pretending. Once a person has ambition and desire in his eyes, even if he tries to pretend, it won’t be perfect”

Cathleen said and stood up: “I have told the Lambert family that I will go to visit Old Mr. Lambert tomorrow. I still have something to deal with, I have to leave now.”

“Mom, won’t you wait for another while? Perhaps, Yvonne will bring a piece of good news back...”

“No.” Cathleen’s voice was very cold. “You can tell me if Nathan has met something good.”

A burst of footsteps sounded, which was getting closer and closer to the door.

Outside the door.

Yvonne’s face was pale, and her heart was beating like a drum. Hearing the footsteps had arrived at the door, Yvonne looked flustered as if she had been revealed of doing something shady. She turned and ran into the staircase in a panic and hid herself.

She hid in the staircase for more than ten minutes.

Although she knew that Cathleen might have left, she didn’t dare to go out.

She has been thinking about what Cathleen said just now. The more she thought, the more panicked she became. She

couldn’t calm down at all.

She remembered that nightmare that she would have every night when she went to the Swift family at the beginning.

In the dream, the Swift family discovered her lies, angrily denounced her, saying that they would chase her away and send her back to that poor village.

No matter how much she cried and begged them not to send her away... She was sent away in the end.

She returned to that frightening place.

She cried in despair in her dream, then she woke up.

In the midnight, when she found that she had just had a nightmare, she was glad, surprised, helpless and afraid. Such feelings made her swear secretly in her heart again and again that she would not let her nightmare come true anyway.

Chapter 717 Will you still want to be my brother?

In the midnight, when she found that she had just had a nightmare, she was glad, surprised, helpless and afraid. Such feelings made her swear secretly in her heart again and again that she would not let her nightmare come true anyway. She will stay at the Swift family forever.

She won't go back to that poor village at any cost

Therefore, during these years when she was in the Swift family, she tried to perform well desperately.

She studied hard and ranked high in the grade.

Margot asked her to learn to play the piano. Even if she didn't know anything about piano... She even needed to learn a song for ten or twenty times when others could learn easily. She still worked hard because she was afraid. If she wouldn't learn well and failed to live up to Margot's expectations, Margot would be disappointed for her and dislike her....

Margot would regret taking her back.

She tried her best to please everyone in the Swift family.

Nathan, Patrick, Margot....

Later, she also made everyone in the Swift family like her very much.

Even if the Swift family knew that she was not the child of their family, they were unwilling to send her away.

Since then, she has never had the nightmare of being sent away.

But at this moment

Yvonne felt that her nightmare was back.

Cathleen is doubting her

Cathleen is going to investigate her.

Although Cathleen may not find anything. Yvonne is still scared and flustered, she couldn't help trembling.

"Yvonne? What are you doing here?"

A familiar voice sounded behind her

Yvonne trembled with fear She turned around, she looked pale.

Nathan was also startled by her appearance: "Yvonne, what's wrong with you? Why is your face so pale? Is there anything wrong?"

"Brother, I, I'm fine." Yvonne's teeth and her voice were trembling.

Nathan didn't believe: "But... why are you so pale? What happened?"

"Really, I'm really fine." Yvonne suddenly grabbed Nathan, she grabbed his arm tightly with her hands, as if she were grabbing her hope. She looked up at Nathan with frightened eyes.

She said in a trembling voice: "Brother, no matter what happened, you will always regard me as your sister, right?"

Nathan was stunned, he felt her fear. So he stretched out his hand, rubbed her head, and comforted her: "Of course, Yvonne, you are my sister. I won't abandon you."

"No matter what I have done, you won't abandon me, right?" Yvonne's eyes were red and her voice choked.

This time, Nathan said after hesitating for a few seconds: "As long as it is not something that I cannot forgive."

"What if it is?" Yvonne sipped her lips, her eyes flashed. "If I have made a serious mistake, which makes you quite angry.... Will you still treat me so well? Will you still be willing to be my brother?"

"Yvonne, tell me, what happened?" Nathan frowned. Although he was not sensitive about such things, he could tell that Yvonne's emotions at this moment were quite abnormal.

Yvonne shook her head.

"Brother, I'll go downstairs to buy something." She casually found an excuse to leave. She didn't dare to stay with Nathan.

Because she was afraid that Nathan would continue to ask her questions. What made her more frightened was... she might say something wrong if she couldn't be cautious enough

Yvonne turned around and left in a hurry.

Nathan stood in place, he frowned after seeing her leaving in a hurry.

Yvonne must have met something, but she hid it from him, she didn't want to tell him.

What the hell happened?

Chapter 718 My Joy has been in vain.

Nathan went to visit Margot

When he walked into the ward, he saw Margot frowning and saying, "Why didn't Yvonne answer my phone?"

"I saw Yvonne just now." Nathan put the fruit he just bought on the table. He frowned after thinking about Yvonne's abnormal situation. "I don't know what has happened to her, her face was very pale, she asked me some strange questions."

Margot was stunned, she put down her cell phone and said in surprise, "You have met her? Where is she?"

Patrick also looked at the door of the ward "Yeah, why isn't she with you?"

Nathan talked about his meeting with Yvonne just now.

"I think something is wrong with Yvonne Do you know what has happened?" Hearing his words, Margot sipped her lips, her face looked gloomy immediately.

“So Malcom must have rejected Yvonne Margot’s mood suddenly became bad. She thought that Malcom would definitely accept Yvonne

She was also excited about it for quite a while.

Her joy became in vain?

“Malcom Nathan was confused, “Mom, what’s the relationship between Yvonne and Malcom?”

“Nathalie has taken your sister to visit Malcom. She wanted to introduce her to Malcom. Your sister has told us about this.”

“Your mother called her just now to ask her about the result. She didn’t answer the phone.” Patrick said and sighed, he also looked disappointed. “It seems that she has failed. You have said that she looked abnormal, it must be because she was hit because of the refusal.”

Nathan narrowed his eyes and was silent for a moment.

It turns out that Yvonne is abnormal because of this?

But Nathan felt that it was not the only reason.

Yvonne’s questions had little to do with this matter

“Is Malcom’s requirement so high?” Margot indignantly said, “Yvonne is so excellent, but he turns one’s nose up at her. What kind of disciple can he accept?”

Nathan lowered his eyes and didn’t make any noise. He didn’t make any comments about it

Yvonne really played the piano well.

But if she wants Malcom to accept her as an apprentice, she still lacks some strength.

In fact, the work that Yvonne used to participate in that competition was really good and sensuous.

If she can keep it all the time, it may be hopeful.

But... after winning the championship, Yvonne didn't create any good works.

"I was thinking that if Yvonne could be accepted as a disciple by Malcom, your grandmother's impression of her might be changed. Now, I am afraid that your grandmother will say that Yvonne is not good again."

"Does Grandma not like Yvonne?" Nathan was a little surprised to hear Margot say so.

He thought that Cathleen should like Yvonne very much.

"Because Yvonne is not related to us, your grandma has great prejudice against Yvonne. Today, your grandma even said that Yvonne was very scheming, and she lied to your father and me. She also said that she would find someone to find out what happened in the past.

When Margot talked about Cathleen, she was quite unsatisfied: "What do you think? She was prejudiced, right? Your father and are not fools. If she lied to us, can we not know it?"

Nathan was stunned for a few seconds, then he suddenly remembered what Yvonne said in the stairwell. His face suddenly changed.

He suddenly raised his head: "Mom, do you mean that Grandma felt that Yvonne had no amnesia in those days, and deliberately made the best of the mistake and asked you to take her back to the Swift family?"

Margot looked cold and nodded.

“Brother, no matter what happens, you won’t abandon me, right?”

If I go too far, and make you very angry, will you still be as kind to me as you are now, and will you still be willing to be my brother?”

Nathan remembered those words that Yvonne said.

And Yvonne’s abnormal mood of panic, helplessness and fear at that time.

Something occurred to Nathan quickly.

He clenched his fists, took a deep breath, and tried his best to calm himself down.

But once some thoughts are born, they seem to have taken root and sprouted in his heart. He can’t go back to the past “When did Grandma come to see you?” Nathan remembered the picture of Yvonne’s pale face and shaking all over. A certain idea in his heart became stronger and stronger. He clenched his fist. He kept calm on the surface, but he was actually shocked

He also had some doubts.

However, he has spoiled Yvonne for so many years, and has long regarded her as a member of the Swift family and his sister.

So even if he was doubtful, he didn’t want to think deeply.

He was more willing to believe that she really lost her memory

She didn’t lie to them.

But now...He remembered that Yvonne always cried in the middle of the night when she first came their home.

Once, he woke up because of being thirsty in the middle of the night and heard her crying again.

Because he didn't feel at ease, he wanted to have a look.

He still remembered clearly that when he entered the bedroom, he heard her crying and whispering in fear. "Don't send me away. I am wrong, I didn't mean to lie to you."

Later, Yvonne woke up and was shocked to see him standing by the bed.

Then she asked him with a flustered look "Did I say something in my sleep, what did I say?"

It was also that time that made him have some doubts about her.

But every time he saw Yvonne trying to please them and looking pitiful, he had no heart to ask.

Looking back on everything one after another, Nathan could no longer calm down

Margot was in a bad mood and her voice was weak. "Why do you ask this? Your grandmother has just left for a while." Cathleen just walked for a while. Before she left, she said she would investigate the events of that year.

When he saw Yvonne, Yvonne stood in the stairwell with a face of panic and asked him those strange questions. Nathan squinted and took a deep breath again. Some truths and answers seem to have come to the fore.

He desperately suppressed his emotions, but his voice was unnatural "Mom, I am a little worried about Yvonne, so I will find her"

After that, he turned and strode out of the ward.

The next day.

As soon as Nikita walked into the classroom and was called away.

In the teachers' office.

2/3

Nikita walked in and saw many people standing in the office.

Una was talking with some students.

"Just treat it normally. We just need to be the top three."

"The exam time is two o'clock in the afternoon. This time, the home of the examination is in N City and in our school. You

don't have to run to other places, so you'll have more time to review and prepare"

Una saw Nikita coming in when talking.

With her hands in her pockets, the girl was still idle, loose and unruly as always.

Una smiled warmly and said, "Nikita, there you are. Come and get your admission ticket."

Chapter 719 You? You don't deserve it.

Nikita walked towards her

All people who were talking looked at her.

Before the Greek examination in the afternoon started, some people were already betting.

They bet who would win the first place this time.

Nikita is a dark horse in the First Senior High School.

In the past, First Senior High School didn't dare to think about being the champion,

This time, many people have high hopes for Nikita.

Una was also very optimistic about Nikita. She sent the admission ticket to Nikita: "Is there any pressure about the exam in the afternoon?"

Nikita reached out and took it, looked at it, and put the admission ticket in her pocket. Her answer was short: "No"

Seeing her carelessness, Una knew that she didn't take the exam too seriously at all.

Knowing her strength, Una had nothing to worry about. She smiled and said, "Well, just treat it normally. You can exert your strength normally."

Nikita lazily nodded.

After getting the admission ticket, she had nothing else to do, so she went back to the classroom.

On the way back to the teaching building, she met Yvonne.

Yvonne head on towards her. Two people passed by. Nikita walked ahead without looking at her.

As if they were strangers

“Nikita” Behind her, Yvonne pinched her fists. Her face was pale, looked haggard, and the whole person looked exhausted.

She bit her lip and stopped Nikita aloud.

Nikita paused, with her hands in pockets. She did not turn back.

Her voice was very cold: “What’s wrong?”

Yvonne clenched her lips and pinched her hands tighter.

She really hates Nikita’s indifferent appearance. Clearly she is from the poor ravine, but she always put on a high attitude and despised everyone’!

Who does she think she is?!

She has no right to look down on others!

“Nikita, what is your relationship with Malcom? Why do you know each other?” Yvonne was still unwilling that she was rejected by Malcom, and she was unwilling to believe that Nikita was the talented girl that Nana said.

Everything was just Nana’s guess

Even if Nikita know Malcom, it doesn’t mean she is the girl who once refused Malcom!

What is Malcom’s status?

If he really wants to accept Nikita as a disciple, how can Nikita refuse?!

She came out of a poor ravine and had a chance to succeed. Can she resist it?

Unless she is a fool!

Nikita narrowed her eyes, slowly turned around and looked at her with indifferent dark eyes.

Yvonne looked at her, inexplicably feeling afraid. But as if refusing to admit defeat, she raised her chin: "It turns out that you have known Malcom for a long time. You know Nana took me to visit Malcom and wanted to introduce me to him, so you got in the way and made Malcom refuse me, right?"

You are so mean to do this"

Nikita looked at her coldly, sneering: "What the relationship between Malcom and me has nothing to do with you. If you are rejected by him, it only shows that your strength is not good, so he despises you, that's all

Clearly Nikita said in an understated tone, but Yvonne felt that she was severely humiliated.

She clenched her teeth, and her eyes were full of anger. "Don't you dare say that you didn't get in the way?"

Nikita sneered and looked at her with disdain, revealing her contempt and dislike "You" You don't deserve it"

Chapter 720 He was smacked in the face.

Her simple words made Yvonne's pale face suddenly red because of being shameful and angry

She clenched her fists and gnashed her teeth. "I won't give up I will definitely let Malcom accept me as his apprentice. Nikita, no matter what your relationship with Malcom is, you can't stop me!"

“Oh’ Whatever.”

Nikita looked at her furious appearance and sneered. After saying so indifferently, she turned and left without seeing her

“I won’t give up, Nikita, you can’t stop me. I will definitely become a disciple of Malcom!” Yvonne clenched her lips. Her eyes were red, and her expression was crazy

The Greek examination would start at two o’clock in the afternoon.

Everyone is taking the time to review. After lunch, they hurried back to the classroom and continued reading and doing

exercise

Only Nikita wasn’t panic at all. Others were taking the time to review, while she was taking the time to take a lunch break Samuel and Tobin looked at Nikita who were lying on the desk and sleeping soundly They looked at each other and admired her so much.

“Tobin, have you seen the bet on the forum? Samuel turned back, lowered his voice, afraid of disturbing Nikita behind him to sleep. He asked in a very low voice.

Tobin narrowed his eyes: “You mean, who will be the first place in the Greek League?”

“Hmm” Samuel said, while clicking on the forum.

The betting post is a voting post

Samuel clicked in and saw that the voting was in full swing.

The person who got the highest support was still Mamie, the school babe and straight A student at the Foreign Language School

In previous Greek leagues, the first place was always Mamie.

Mamie was almost the same as Yvonne before at the Foreign Language School

She ranked in the top three grades of general practice, she has been the school babe for several times, and her family conditions are quite superior. She is also a famous goddess in the high schools in N City.

Mamie's support rate is as high as 50%

In the second place, it's a student from another experimental school won the second place in the exam last year, just two points short of Marie, so there is great hope of winning the championship this year, with a support rate of 20%

Another student, who is also from the Foreign Language School, did not have a big gap with Mamie last year.

Nikita, known as the dark horse, ranked the last one.

The approval rate is only 3%

Even Yvonne is ahead of her, with a support rate of 10%.

Seeing that Nikita was ranked last, Samuel's face turned livid, and he was furious: 'Hey, all people said that Niky is a dark horse player. Why is the support rate so low? Niky is so powerful, but she is actually ranked last. What is wrong with these people?

Don't they believe in Niky's strength?"

Although many people said that Nikita was a dark horse player, and she had the hope of winning the championship.

But as soon as the ranking comes out, it's a slap in the face

Few people support her at all.

"It is normal for most people to vote for Mamie. After all, she has won several championships and her performance has been very stable." Tobin analyzed calmly. "Niky's previous test result is really perfect, but a test can't explain anything.

Moreover, the questions in the league examination are definitely much more difficult than those in the tests

What's more, they know Niky's glorious history."

She scored zero in Greek exams every time before, even if she got full marks later, few people believed her strength.
