

The Girl CB 731

Chapter 731

He also wants to know what is the relationship between Miss Swift and their boss!

“What’s going on?” Sheehan also looked at Nikita in doubt.

Nikita was still indifferent. She just replied Nancy’s message. When she heard his words, she raised her head: “I know Nancy.”

The girl spoke it concisely.

Sheehan was stunned, and an unexpected look appeared on his handsome face. He pondered this sentence slightly and narrowed his eyes: “Just know?”

Nikita sipped her lips: “We used to sleep together.”

Sheehan

The man next to them: “?!!”

This Miss Swift is really his boss’s good friend?!

Sheehan was stunned for at least two or three seconds before he reacted. He asked quietly. “You slept together? Have you known each other for a long time?”

“It’s been a few years.”

Nikita and Nancy know each other very early.

She knew Nancy when she was thirteen years old.

It's been five years.

"How many people do you know?" Sheehan held Nikita's hand tightly.

Hugh, Xavier, Malcom, Lauren and Nancy.

And the Dark Disney...

These people are all the best in their respective fields.

And Nikita knew them, very early.

She grew up in the Syracuse Villiage,

She had no identity and background.

But is that true?

Sheehan thought his background is good, so he was still confident in front of Nikita.

But now...

He was suddenly a little worried that his little girlfriend would reveal any powerful identities he didn't know.

At that time, Will he suddenly be not good enough for her?

What should he do if he can't keep up with her one day and is rejected by her?

A fiery Maserati stopped at the gate of Carnival Design Center.

Moments later, the door opened, and a beautiful woman with a hot figure and beautiful appearance got out of the car.

With a tight red dress, curly hair, the woman wore sunglasses. Her figure is very hot. After getting out of the car, she quickly walked into the design center hall.

At the moment she appeared in the hall, all the employees showed a surprised expression on their faces.

Is their boss coming?!

They didn't recognize her, did they?

Nacy went to the front desk, reached out and touched the chin of the stunned front desk, smiling charmingly: "What's wrong, little beauty, don't you know me?"

"Na, Nacy."

suddenly be

Hearing her voice, several receptionists came to their senses and made sure that the woman in front of them was really their boss Nacy

However, Nacy hasn't been to the design center for two years!

She suddenly appeared, which surprised everyone!

“Nacy”

“Hi, Nacy”

Other employees gradually reacted and greeted them respectfully

They were very curious

Why did their boss who hasn't appeared for several years suddenly come here?

Is it because of the female companion brought by Mr. Lambert?

Nikita sat in the rest area and played games.

Sheehan stood by the French window to answer the phone.

He left work early today, so there were still some things to deal with, so Vernon called him to ask for his instructions.

“Nikita!”

Nikita has just finished a game. When she was about to start another one, a fiery figure jumped in front of her like a wind.

Before seeing the comer clearly, Nikita was hugged tightly.

Nacy's excited voice sounded in her ear: “Ah, ah, ah, it's really you! Fortunately, I didn't go abroad to attend Fashion Week this time, otherwise, I would have missed you again!!”

Chapter 732 That man is really handsome.

A beautiful woman with a hot figure took the initiative to hug Nikita.

But Nikita pushed her away with disdain.

“Did you knock over the perfume bottle?” Nikita frowned, with dislike in her eyes. “Can’t you use less perfume?”

“Niky, every time you met me, you nitpick me like this!” Nancy, with an injured expression on her face, covered her chest and said sadly. “We haven’t seen each other for several years. Can’t you be happy and excited?”

“Don’t you miss me at all?”

Nikita sipped his lips, and his voice was light. “No.”

Nancy was furious: “Ungrateful girl! If I had known you were so heartless, I shouldn’t have...”

Halfway through the words, she suddenly found a man standing by the floor-to-ceiling window. She quickly stopped.

“Who is he?” Nancy looked at Sheehan for a few seconds, and her eyes lit up. “Holy shit, that man looks so handsome. Niky, do you know who he is?”

“His appearance, figure and taste are all nice!” Nancy’s voice grew more excited as she stared at him.

She looked very interested.

At the moment, she almost forgot Nikita, who hadn’t met her for a long time.

Nikita followed her eyes toward the French window, and her voice was quite light: “Do you like him?”

Nacy stared at Sheehan without blinking. "He's my favorite type."

"Oh, do you want me to introduce you?"

Nacy jerked back at her. She was very excited. "Do you know him?"

"Ah, yes." Nikita nodded, got up. Under Nacy's surprised slights, she walked to Sheehan, stretched out her hand and touched the man's beautiful jaw.

Sheehan was stunned. When he looked down and found it was Nikita, he smiled.

Nikita held his hand, pinched the man's wide palm, and then raised her eyebrows at Nacy: "Why are you still in a daze? Don't you want to know him? Come here, let me introduce you."

Nacy was stunned.

She was still thinking about how to strike up a conversation with him, Nikita actually directly touched him?!

Is this still the Nikita she knows?

They haven't met each other for several years. Has she changed so much?!

Nacy looked blindsided and didn't react for a long time.

"No, Nikita, you.. you..."

Sheehan also looked at Nacy. He didn't know Nacy. This is also the first time for him to see her, but he soon guessed Nacy's identity.

Chapter 733 It was Nikita who conquered me.

“Hello, I am Sheehan, Nikita’s boyfriend.” Sheehan took the initiative to say hello to Nancy.

Nancy froze. She took a look at him with a dull face and then turned to look at Nikita who was holding hands with him: “Niky, is this your boyfriend?!”

Before Nikita spoke up, she made an exclamation in disbelief. “You are in love?!! Did I mishear anything? Niky, you actually fall in love with someone and have a boyfriend?!! Am I dreaming?”

After several years, Nikita suddenly appeared in N City without saying a word. And she also came to the Carnival, which was enough to surprise Nancy.

At this moment, Nancy, who learned that Nikita was in love, was even more shocked.

This shocked her more than seeing the sun rise in the west.

She knows too well what kind of attitude Nikita has towards men.

As a man, most of the time, there is no problem to be friends with her.

But if someone wants to date her, she won’t be friends with him anymore.

Besides, why did she feel that the name Sheehan sounded vaguely familiar?

As if she has heard of it somewhere.

Nikita looked at her indifferently. “Do you still like him?”

Nancy was stunned. Then she quickly realized to what she meant. The expression on her face froze for a second. And then she pouted and said with disappointment. “I’m not interested in a man who has a girlfriend. Niky, you are really not a good friend! How could you not tell me when you came to N City?”

And you didn't let me know when you decided to come to the Carnival. And you didn't tell me when you started dating!!"

"You didn't ask me either." Nikita's tone made Nancy want to punch her.

Nancy: "..."

Finally, she meets a man she is interested in. But it turns out that he has a girlfriend. And his girlfriend is actually her bestie. Nancy sighed and looked him bitterly in his eyes "Mr. Lambert, I really admire you."

Sheehan slightly raised his eyebrows: "What does Miss Nancy mean?"

Nancy looked at Nikita "Since you can conquer this goddess, you must be very awesome."

"I think Miss Nancy has misunderstood." Sheehan picked up a smile and looked down at Nikita. His eyes showed a lot of affection. "I didn't conquer Niky. Instead, she was the one who conquered me."

Nancy was stunned. And then she sighed with emotions and a smile: "Now, I know why Niky suddenly got interested in dating. Mr. Lambert, Niky and I have known each other for a long time. Although we are not blood sisters, we are closer than that."

"We have experienced a lot of things together. And life for Niky has always been quite difficult. Now that she has Mr. Lambert to be with her, I am much more relieved. Mr. Lambert, please be more careful and take good care of her in the future"

Nikita lifted her eyes and took a look at Nancy with her black eyes.

Nancy looked her in the eye and said: "I've been worried about you all these years. Every time I checked on you, you always said you were fine. But friends like us are always feeling uneasy before we actually see you living a good life."

“Now that you are no longer alone, I don’t have to worry about how you are doing all day”

“Do you mean I can’t take care of myself?” Nikita raised her eyebrows.

“I know you can take good care of yourself. But I get worry about you just because your personality is too strong.” Nancy picked up a charming smile. “Since you have a boyfriend now, you don’t have to push yourself so hard. You can be more delicate. You don’t need to take care of everything by yourself.”

“Miss Nancy, please rest assured that I will take good care of her.” Sheehan’s attitude towards Nancy is very polite. And he solemnly made his promises.

Chapter 734 He is good-looking, rich and has no romantic history.

Nancy nodded. “Since Mr. Lambert is the person chosen by Nikita, I believe in Nikita’s taste for men.”

In the dressing room.

While putting makeup on Nikita, Nancy kept sighing with emotions: “Niky, it’s really a pity that you don’t make a living in the entertainment industry. Even if you can’t do anything, you can be a popular star with such a good look.”

Nikita: ”

“However, it’s also a good thing if you don’t enter the entertainment industry. If you really wants to be a star, other female artists won’t have a chance in front of you.”

“Perfect. Your face is just perfect.”

“Your facial features are very good. And heavy makeups will cover up your own advantages. So I will simply put on a light makeup for you.”

“Your neck is long. And the curve of your shoulders and neck is very beautiful, which is suitable for curling your hair up. I’ll work on your hairstyle later.”

“By the way, whose party are you going to attend tonight? Why do I feel your boyfriend’s name sounds familiar? What does he do? How old is he? What about his family? How do you know him? Did he pursue you? Or is it the other way around?”

“How long have you known each other? How long have you been dating? You...”

Nikita: “...

“I really think his name sounds familiar. Let me think. Did I hear it somewhere...”

After about a minute.

Nacy’s makeup brush fell to the ground with a bang

She was shocked and said, “Niky, is your boyfriend from the Lambert family, one of the four famous families in N City?!”

“He is the president of the Lambert Group?!”

Nikita sipped her lips and didn’t deny.

Nacy was shocked for a long time.

“Good girl, Niky!” She looked at Nikita with admiration on her face. “As you just decided to start dating, you chose the best one. I was wondering why you suddenly get interested in men. Clearly, the only thing that can attract your attention is money.”

The light in Nikita’s eyes flashed: “How do you know he is the best?”

“Of course, he is the best.” Nancy rolled her eyes towards her. “He is the young master of the Lambert family, the current power of the Lambert family and the youngest successor of the Lambert Group in the history. With these titles, he is already the one in a million.”

“Not to mention, he looks so handsome.”

“As far as his look is concerned, he is also in the top class among those male artists in the entertainment industry. Moreover, he has a good reputation in this circle. I heard that he has been keeping his distance from women since childhood. So there are no messy gossips about him.”

“Unlike other younger generations from wealthy families, each of whom has a bunch of women.”

“Niky, you are a person with emotional cleanliness.” It sounded like Nancy knew Nikita very well. “Your man never had other women before, right? This Sheehan is quite in line with your mate selection requirement.”

He is good-looking, rich and has no relationship history.

When Nikita talked about her mate selection requirement before, Nancy felt that the man Nikita was looking for almost did not exist in real life.

Men who are good-looking and wealthy generally have rich dating experiences.

Even if it can't be considered as rich, he must have had one or two women.

A man who is absolutely clean is impossible to exist

If there is really such a man, Nikita may not be able to meet him.

Unexpectedly, Nikita actually found such a man.

And his conditions in all aspects are extremely superior.

In terms of money, who else can be richer than the one in power in the Lambert family?

In terms of appearance, Sheehan's face is unparalleled.

Chapter 735 She looks stunning.

Nikita is originally a beauty. So it is much easier to do modeling for her than to do it for others.

In an hour, all the works were done.

"You look so beautiful! Niky, I bet you will definitely be the one who attracts the most attention at the banquet." Nacy, stood beside Nikita and appreciated her from head to toe over and over again, as if she was watching a piece of art made by herself. There was admiration showing in her eyes.

When she knew Nikita, Nikita was still young.

Although she already looked very beautiful by then, she had not fully grown yet. And she hadn't looked beautiful to the extreme

While Nikita is at an age of 18, her beauty actually shocked her, a friend of Nikita for many years.

"Only you can give full play to all the advantages of Charm Series. The Charm Series was designed by you. And it's true that only you can control this mysterious and queen-like style."

Seeing the girl look so stunning, Nacy's eyes showed some obsession.

Sheehan sat in the rest area and waited for Nikita.

"Mr. Lambert, Miss Swift is ready. A staff came up and whispered to remind him.

Sheehan held a magazine in his hand and looked through it for a while casually.

Hearing this, he closed the magazine and look up in the direction of the dressing room.

“Wow, Miss Swift is so beautiful.”

“Oh, my God! She’s so beautiful. Is the evening dress that Miss Swift is wearing the Charm Series? It suits her well.”

There are several female employees standing next to them.

Before Sheehan could see Nikita coming out of the dressing room, he had heard several girls make amazing sighs.

The next second, when he finally saw that the girl he had been waiting for an hour appear, his eyes which originally looked casual suddenly darkened down. His eyes could no longer be removed from the stunning blue figure, as if he had lost his

mind.

When Nikita walked to his front.

Sheehan was still staring at her with a dull face, as if he hadn’t come to his senses.

Seeing Sheehan was stunned by Nikita’s beauty, Nacy, who was Behind Nikita, laughed out. “Hey, Mr. Lambert? What’s wrong? You can’t even recognize your own girlfriend?”

Sheehan finally came to his senses. But he was still staring at the girl in front of him.

Sheehan had imagined what Nikita would look like after dressing up.

But now... He only felt that his imagination earlier was too scarce.

Because the girl in front of him is countless times more beautiful than he imagined.

At that time, he couldn't even find the right word to describe her good look. He only felt that no one could describe her beauty at this time.

Nikita carried her dress with her hands. Being stared by him like this, she felt a little uncomfortable. She slightly frowned. 'Do I look strange?'

"It's not strange at all. You look very beautiful." Sheehan stood up and walked to the front of the girl, with a stunning look still showing in his dark eyes.

Nikita pulled her dress and sounded a little skeptical: "Do I really look good in this?"

"Yes, you really looks good." Sheehan took her hand. "You look beautiful."

She looks so beautiful that he doesn't even want to take her to the party tonight.

Even he was deeply amazed by her, not to mention other men.

11:19

Nikita nodded: "All right."

"Niky, are you questioning my professional skill?" Nancy came out from behind, put her hands on her waist and looked in disbelief. "You didn't believe it when I told you that you looked great. And when Mr. Lambert said so, you actually believed him, didn't you?"

Nikita turned to look at her faintly. And she didn't say anything.

The cell phone rang suddenly.

Sheehan took out his phone and checked. It was from Old Mr. Lambert.

He directly pressed to answer. 'Grandpa. Niky and I will be there right away.'

After a while, he hung up the phone and turned to say to Nikita: "Grandpa asked us to go over in advance."

Nikita nodded: "Okay. Then let's go now."

After saying so, she took a look at Nancy again. After thinking about it for a while, she spoke up: "You can call Sampson. And we can have a meal together tomorrow. You two can decide the time and restaurant. And I'll be there."

"Okay" Nancy made an OK gesture. "I'll contact him later."

When Sheehan on her side heard her mention Sampson, he narrowed his eyes and bowed his head to take a look at her.

After coming out of the Carnival.

They got in the car. Sheehan seemed to ask her inadvertently: "Do you know Sampson?"

Sheehan didn't show any emotions on his face. And his tone sounded very casual, as if he were just chatting with her.

But he was actually very surprised.

Nikita knows Sampson?

Judged from her tone when she just talked to Nancy, she and Sampson seem to know each other very well.

No matter how powerful the other people Nikita knows are, Sheehan was not so surprised as now.

Nikita even knows the people around him.

This is what he didn't expect anyway

Nikita is wearing a skirt. And it's a tight skirt. So her sitting posture is not as casual as usual. After she adjusted her sitting posture, she replied to Sheehan: "Yes, I know him."

Sheehan pressed down the astonishment in his heart. "Have you known each other for a long time?"

"It's been three or four years." Nikita didn't want to hide anything from her. Since Sheehan asked, she answered.

It's been three or four years!

It's actually much earlier than Sheehan knowing her.

Sheehan couldn't describe his feeling. He suddenly remembered some words that Sampson had said to him. And he couldn't help feeling a little jealous

Sampson mentioned a girl to him many times. Judged from his words, he seemed to appreciate that girl very much.

At that time, Sheehan naturally didn't care.

But now, when he thinks of this, is the girl Sampson mentioned Nikita?

"Sampson told me that when he was abroad, he met a girl. The girl is very young, but she is very smart. And her mastery of legal knowledge is even better than that of a professional lawyer.

On several occasions, halfway through the lawsuits he took over encountered difficulties, it was her who helped him sort out the information and solve the problem. Is that girl you?"

After saying so, the man stared at her.

"Yeah, it's me." Nikita also turned to look him in the eye with a calm and honest look.

Sheehan was silent for a while. At that time, he didn't know what to say.

לוח

11-10

She has medical skills, plays chess very well and writes lyrics and songs. And she is proficient in law....

Is there anything that she can't do?

"Do you want to ask me who else I know and what else I can do?" Seeing the expression on his face, Nikita picked up a gentle smile

Sheehan nodded. "Will you tell me?"

Nikita smiled again "You will gradually know everything in the future."

“In the future?” The man caught the key point of her words instantly

“Hmm?” Nikita raised her eyebrows: “What?”

Sheehan smiled with his thin lips curving into a charming radian. There was even a smile showing in his eyes. “Nothing.”

She just said in the future.

So, she means they are going to have a future together, doesn't she?”

Rosa will also attend Old Mr. Lamberts banquet in the evening.

She is also a frequent visitor to the Carnival.

The driver parked the car at the entrance of the Carnival. After getting out of the car, he went around the trunk and opened the door of the back seat

Rosa got out of the car. The staffs who used to serve her were waiting at the door. When they saw her, they immediately stepped forward and respectfully greeted her. “Miss Garrett.”

Chapter 736 Actually Turn Her Down

Rosa took a look at the staff, stepped up the steps elegantly and casually asked: “Your design center must have had many more customers than usual today”

The Lambert family held a dinner party And all the wealthy families in

A group of unmarried ladies are very excited

Almost all of them attend the party for Sheehan.

in N City were invited

Although tonight's dinner party is held for Old Mr. Lambert, most of the ladies and misses from the wealthy families who will attend the dinner party are aiming at Sheehan.

It's doomed to be a beauty contest.

Everyone wants to be the most amazing and eye-catching one at the dinner party

After all, besides Sheehan, there are many unmarried men with good conditions at the dinner party

For example, Harrell, Yates, Sampson and Corley, all of whom are ideal marriage

If they can't marry Sheehan, they can still enjoy a glorious life if they can marry anyone among these

"Yes, there are indeed several times more guests today than usual" The employees followed Rosa into the hall saw Rosa and greeted her politely

The Garrett family is the top giant after the Lambert family

Rosa is also ranking first among all the famous ladies

The staffs in the design center are all very respectful to her

They walked to the elevator.

An employee stepped forward and pressed the elevator. And soon, the elevator reached the first floor

The elevator door opened. Rosa and the staffs walked in.

“About the Black Swan evening dress I asked for, has it been settled down? Will your boss lend it famous ladies, naturally wants to be the most amazing one on such an important occasion tonight

She studied fashion design herself.

The Black Swan series has just won the grand prize at the International Fashion Week if she can wear the Black Swan evening dress to the dinner party, she is bound to shine brilliantly at the banquet. And those famous ladies become her foil.

“I’m terribly sorry, Miss Garrett.” The employee said carefully: “The boss said that the Black Swan series is a collection in the store, only for visiting, not for lending 1

Rosa’s face slightly darkened down. “Your boss still didn’t agree even if I’m willing to pay one million dollars as the loan fee?”

An evening dress can only be worn once. Even if she spends money to buy one, one million dollar is actually a very high price.

Not to mention that she was just borrowing it.

Rosa thought she would definitely get the dress since she was willing to spend so much money

After all, after she borrows it to wear once, the design center can get one million dollars. There is no reason to refuse her in such a profitable business.

Besides, with her social status, the Black Swan series on her will not only avoid fall in price, but also get upgrade in class

This is a good deal for the design center.

But the boss of the design center actually turned her down?!

At that time, Rosa felt embarrassed. And her face darkened down.

Once again, the employee carefully spoke up and apologized: 'Miss Garrett, I am really sorry. I told your boss what you

1

asked for. But the boss said that she would not lend you the dress no matter how much money you are willing to pay There were many guests willing to spend a lot of money to borrow the Black Swan series before. And the boss turned all of

them down.”

Rosa sipped her lips tightly and felt a little irritated

“I'll pay you 2 million dollars! After being silent for a few seconds, she spoke up in an unwilling tone: “You call your boss and tell your boss that I will pay 2 million dollars to borrow it!

She didn't believe Nancy would still refuse her when she offered such a high price.

Chapter 737 A good friend of your boss?

She is simply a fool if she doesn't take this money!

“Well...” The employee's face showed an embarrassed expression.

Nancy's character is known to all the staffs in the design center.

It doesn't matter how much money she is willing to pay, as long as their boss doesn't want to do this.

Nacy is not short of money.

When she casually draws some design drafts for those luxury brands, the manuscript fees for her will be hundreds of millions of dollars.

Any brand, even if it has no fame at all, can immediately raise its level and easily be promoted to a first-line brand as long as it can be attached to Nacy, the world-class designer.

It can be said that in today's clothing circle, no one can match Nacy except that mysterious Yan, who has never appeared.

In the past two years, people have been wondering whether Yan has run out of her talent or she encounters any accident. She could produce many classic works every year before. But in the past two years, she turned out to have zero design. But Nacy, who had always lost to her, became No. 1 in the circle.

"Miss Garrett, the boss came to the design center today. And she hasn't left yet." The employee did not dare to offend Rosa. After hesitating for a few seconds, she said: "If Miss Garrett really wants to borrow the Black Swan series, she can personally discuss it with the boss"

"I think if Miss Garrett asked in person, the boss might have agreed."

"You mean Nacy is at the design center right now?" Rosa was stunned. She looked at the employee in surprise.

She has come to the design center many times.

And she never got to meet Nacy

The staff here said that Nacy hadn't been to the design center at any other time except for the opening day.

So Rosa was surprised to hear the staff say that Nancy was also there

The employee respectfully said: "Yes."

Rosa asked curiously: "Why is she here?"

The employee thought about it for a while and replied: "It seems that the boss's good friend came over. And the boss came to see her."

"A good friend of your boss?"

"Yes." Rosa nodded. "It turned out to be like this."

She didn't ask anything else.

She thought that Nancy's friend was probably some fashion designer in the circle.

At this moment, the elevator stopped.

When the elevator door opened, the staff saw the person standing outside and was stunned. Then she immediately greeted her respectfully: "Nancy"

It was Nancy standing outside.

After she finished modeling for Nikita, she conveniently called a small meeting with the top management of the design

center.

At the moment, she just finished the meeting and was ready to leave.

Seeing the staff and Rosa standing in the elevator, Nancy was stunned.

In the elevator.

When Rosa saw Nancy standing outside, she was also stunned.

1/2

11:19

Rosa is also working in the clothing circle. Although she is not as famous as Nancy, she can also be considered as a minor celebrity.

Some costumes she designed have also won some awards

Nancy and Rosa participated in the same competition. And they once went on the stage to receive awards together. Although they don't get in touch with each other at ordinary times, they know each other.

Moments later

Nancy nodded to Rosa and greeted her first "Hello, Miss Garrett."

Rosa is usually self-sustaining and proud. But in the clothing circle, Nancy is her predecessor.

So she also greeted her. "Hello, Miss Nancy"

"Boss, Miss Garrett is here to see you" When the staff saw Nancy, she took a deep breath of relief and quickly got herself out of this embarrassing situation

Nacy was stunned "Miss Garrett, what's the matter?"

Rosa nodded and walked out of the elevator. Seeing that Nacy seemed to be leaving, she didn't beat around the bush and directly cut to the chase, "Miss Nacy, I am going to attend a very important banquet tonight. I hope I can borrow the Black Swan evening dress designed by you."

Chapter 738 You'll regret it.

"I know the Black Swan series is Miss Nacy's favorite. So I am willing to pay 2 million dollars to borrow it. Miss Garrett, please rest assured that after the dinner party, I will return the evening dress to you without any damage."

Nacy was stunned for a few seconds again. After knowing Rosa's purpose, the emotions showing in her eyes changed slightly. She picked up a smile and spoke up "Sorry, Miss Garrett, although the price you offered is very attractive, the Black Swan series is not for lending"

"There are other beautiful evening dresses in our design center. Miss Garrett doesn't have to borrow the Black Swan series." The employees told Nacy about this before. And Nacy refused.

Unexpectedly Rosa didn't give up.

The Black Swan series is Nacy's favorite. And she never thought about lending it to anyone.

Even if she offers 20 million dollars, she won't lend it to her, not to mention 2 million.

There is only one person who can borrow her favorite.

That is Nikita

If it were Nikita who wanted to borrow it, she wouldn't accept a penny. She would just give it to her.

After being rejected again, Rosa's face could help but turn gloomy

"If, I was willing to pay for 4 million..." She is the princess of the Garrett family. People will always help her get what she wants with her noble status.

But at this time, Nancy refused her twice.

Rosa felt she lost face. She bit her lips tightly and tried to add more money with a gloomy face.

Originally, Nancy was still showing a polite smile on her face. But after she heard her words, her face suddenly became cold. When she spoke up again, her tone was not so polite: "Miss Garrett, it's not about money. My answer will be the same no matter how much money you are going to throwing at me."

"I'm never short of money."

Nancy and Nikita has similar characters. They are both proud person in their natural.

If Rosa tried to convince her with nice words, she would take a few words of hers seriously.

But throwing money at her will only irritate her.

Rosa's identity as the princess of the Garrett family is nothing to her.

Rosa sipped her lips tightly. And her face completely darkened down.

She didn't expect Nancy to have no scruples at all when refusing her.

She is just the boss of a design center!

And she only has a higher status in the fashion circle!

How does she dare to be so arrogant?

Is she not afraid of offending the Garrett family by doing so?

“Nacy, are you sure you have to give me a hard time like this?” Rosa’s face looked cold. She called Nacy by name. And her tone somewhat sounded threatening.

Nacy narrowed: “Yeah... So what?”

Rosa looked at her gloomily and sneered: “Good. I hope you can always be so proud.

You’ll regret it.”

After saying so in a rage, Rosa turned into the elevator with a gloomy face and left by the elevator.

“Nacy, I’m sorry. This is all my fault.”

Seeing Rosa leave with a gloomy face, the staff on the side suddenly felt that she had made a big mistake. And she hurriedly apologized: “I told Miss Garrett that you were in the design center today and asked her to come to you, I

“It’s none of your business” Nacy looked careless and indifferent. She covered her lips and yawned lazily. “You can’t handle a cheeky person like her. If I hadn’t refused her in person, she wouldn’t have given up”

“But...” The employee was worried. “We seem to have offended Miss Garrett.”

“Yeah. But so what? Nacy snorted coldly. “I really wish this kind of arrogant princess won’t show up at my door in the future. I don’t lack the money from her.”

The employee looked at her and wanted to say something. But she hesitated.

She felt that the consequences of offending Rosa would definitely not be just losing a little business.

Chapter 739 What a simple child!

In the Lambert family

When Sheehan and Nikita arrived, the banquet had not officially started yet.

Many guests haven't come yet.

Those who came in advance were all old friends with Old Mr. Lambert.

A group of people were sitting in the tea house and drinking tea.

Seeing Old Mr. Lambert sitting beside him and look quite energetic, Old Mr. Garrett said with emotions: "Old Mr. Lambert, you have been in a coma for several years. To be honest, I didn't mean to say words unpleasant to the ear. But as far as your state at that time is concerned, I really didn't expect us to sit together and drink tea while chatting"

"Look at your present state, who can believe that you have been lying in bed for five years?"

"You have been recovering too quickly."

When other vegetative people wake up, the recovery period usually takes several years.

At first, they couldn't talk or walk. And they couldn't take care of themselves.

It must take many years of rehabilitation training before the patient can slowly return to normal.

But as soon as he woke up, he could talk. And a few days later, he could get out of bed and walk.

In less than a week, he basically returned to normal. And he can completely take care of himself.

To be honest, it's too magical

After seeing an old friend that he hasn't seen for many years, Old Mr. Lambert was in a good mood. After sipping some tea with a smile, he also said with emotions: "Yes, I never thought that I could wake up one day. And I could still sit with you, drinking tea, chatting and recalling the past."

"Speaking of this, I have to say that I'm lucky enough to meet my life-saver, Otherwise, I may really have to lie in bed for rest of my life"

Old Mr. Garrett smiled. "You are talking about Niky, right?"

Cathleen, who was sitting opposite to Old Mr. Garrett, quietly picked up the teacup and took a sip of the tea.

"Yes, it is Niky I'm talking about Old Mr. Lambert immediately picked up a smile when he talked about Nikita. And he did not hide his appreciation for her at all. "Thanks to Niky! Otherwise, I don't know when I can wake up

"This girl is absolutely amazing. I woke up after she gave me an acupuncture once. And she gave me some kind of pills and asked me to take it. After two days, I was able to walk on the ground. I had been having a good appetite and sleeping soundly And I feel quite energetic every day"

"I went to the hospital for a full set of examinations a few days ago. And the examination results came out. Guess what?"

Old Mr. Garrett was very cooperative and asked "What?"

Old Mr. Lambert looked very proud "My health condition is actually much better than it used to be before I went in a coma. Even some minor health problems I had before have been solved. The display age of each organ is seven or eight years younger than my actual age"

“Niky is really awesome When Old Mr. Garrett talked about Nikita, he didn’t hold back his compliments for her either. “She cured Corley’s legs. I have found so many doctors before. And they all said that there was no cure. You don’t know how miserable I was by then.”

‘Corley is my most precious grandson. If his legs really can’t be cured, his life will be ruined.’

“It is also his fate to have Niky to help him. Otherwise, he will be miserable for the rest of his life.”

“And how young that girl is! She is only eighteen years old. And she looked so pure. She is also not greedy for money. I wanted to give her some extra real estate at the beginning. But she didn’t accept it, saying that the original deal is 30 million dollars, so she only accepts 30 million.”

While saying so, Old Mr. Garrett couldn’t help sighing: “What an unpretentious child! I originally wanted to match her with Corley. Unfortunately, she doesn’t have eyes for Corley.”

Chapter 740 He couldn’t feel more depressed.

“Your grandson is too flirtatious. I can tell at first glance that he is not a family-center man. Niky is not one of those indecent women he gets involved with, who can throw themselves at him for the sake of money. It’s normal for Niky to find a reliable man when she wants to start a relationship”

Nikita doesn’t have eyes for Corley But she takes a fancy to his grandson.

Old Mr. Lambert couldn’t help feeling a little proud in his heart and said with a bit of ostentation: “When it comes to the reliable men, I have to mention my Sheehan. If it weren’t for the young age of the Niky, he would have dragged her to get the marriage certificate”

“But since he has a good relationship with Niky, it won’t hurt to wait for a few years longer. Anyway, these two children are not at an old age. Sheehan can work hard to get a higher status in his career these years. It’s not bad for him to start a family by then.”

Seeing Old Mr. Lambert’s proud look, Old Mr. Garrett couldn’t feel stuffy in his chest. And he couldn’t feel more depressed.

“Old Mr. Lambert, don’t get cocky so early Old Mr. Garrett poured some cold water on him with jealousy. “As you said, Niky is still young. Since she is still young, she can’t be willing to settle down so fast. Now she is at the age of playing around, she will definitely not consider getting married.”

“The relationship will have its up and downs. Even if it is a relationship that has lasted eight years or even longer, it’s possible for the two people to break up. Haha... Until the end, everything is uncertain

“Old Mr. Garrett, what are you talking about?!” Old Mr. Lambert frowned and got annoyed. “I think you are just being jealous. Because Niky chose my Sheehan over your playful grandson!”

“I’m telling you that Niky and Sheehan will definitely end up in getting married. And I only recognize Niky as my granddaughter-in-law! If you dare to say that again, I won’t consider you as my friend

anymore!”

Old Mr. Garrett went speechless for a few seconds. “Do you really make up your decision on Niky?”

“Of course!”

“Well...” Old Mr. Garrett hesitated and sighed: “What about Rosa? That girl... I don’t think she has given up on Sheehan.”

Old Mr. Lambert went silent and twisted his eyebrows: “I have already talked to her and said everything I was supposed to say to her. In the past, Sheehan is single. And it didn’t matter what she did. But now, since Sheehan is with Niky now, I’m afraid it’s inappropriate if she still wouldn’t let go.”

“Alas...” Old Mr. Garrett sighed again. “Of course, I know that. It’s just...”

Rosa is too persistent to Sheehan.

“Elder brother, Old Mr. Lambert, hearing you talking about the extremely young doctor who has magical medical skills, I am really curious According to her age, that doctor is only eighteen years old. Isn't she still studying at school?”

Cathleen let go of the teacup in her hand and changed the topic in due course.

She had heard that a doctor with magical medical skills came to the Garrett Mansion and cured Corley's leg.

Unexpectedly, she is the same doctor who cured Old Mr. Lambert.

Cathleen was quite surprised.

She thought the doctor was at least fifty or sixty years old, or even older.

But unexpectedly, it turned out to be an eighteen-year-old girl.

This really surprised her.

Moreover, Old Mr. Garrett and Old Mr. Lambert are extremely picky people with high standards. And they can't easily have eyes for ordinary people. But they both have the intention to let that girl marry in their families.

And her nephew, who gets involved in a lot of romantic anecdotes and countless family ladies actually want to marry, failed in the competition!
