

## The Good 1601

### Chapter 1601: Godly Thief VS Uncanny Thieves (8)

Silver Hands Headquarters.

Gu Qingming stood in the hall with an ashen complexion while his six companions knelt on one knee.

The man seated in the main hall had a handsome face, clear eyes, and a face full of righteousness. No matter how one looked at him, he seemed to be a man of principle and absolute justice. However, who would have expected that this man who seemed to be filled with a narrow-minded attitude was the leader of the Silver Hands, Qin Ge.

The number one thief god in the Brilliance Continent had a seemingly kind face!

“You failed?” Qin Ge had a gentle smile on his face. He looked as friendly as a big brother next door.

Gu Qingming stiffly nodded.

“Do you know who did it?” Qin Ge asked.

“I don’t know. I don’t even know when they did it.” Gu Qingming’s expression was ugly. For safety reasons, Qin Ge had sent him to Sun Never Sets at the last minute. However, he did not expect that something would go wrong in his hands.

Qin Ge raised his eyebrows. “There are people in Sun Never Sets that are more skilled than you?”

Qin Ge trusted Gu Qingming’s skills. In the entire Brilliance Continent, only he and his third brother could surpass Gu Qingming in stealing skills.

“Yes.” Gu Qingming nodded.

“Interesting.” Qin Ge smiled and suddenly stood up.

“It seems like I have to make a trip to Sun Never Sets for the sake of our reputation.”

“What?” Gu Qingming looked at Qin Ge in surprise.

Ever since he became the leader of the Silver Hands, he had not stolen anything for nearly ten years. However, right now, he was going to personally retrieve those five treasures!

“Those treasures are the promise I made to the Brilliance Continent when I first ascended to this position, and I don’t have much time left. Plus, I should honor it myself,” Qin Ge smiled and said.

“Eh? Brother! You’re going to Sun Never Sets?” Just as Qin Ge spoke, a handsome young man hopped in with a huge black bag in his hand. That bag was almost larger than his thin body.

“Third-in-charge.” The moment the Silver Hands member saw this young man, they immediately called out.

No one would believe that such an innocent-looking young man was the Third-in-charge of the Silver Hands!

It could be said that none of the three leaders of the Silver Hands were crafty-looking. All of them didn't look like thieves.

"Feihuan, you're back." Qin Ge looked at Su Feihuan who had just returned.

Su Feihuan threw the bag to one side and a fist-sized ruby immediately rolled out.

Qin Ge chuckled and said, "You really stole the ruby from the crown of the Emperor of the Longxuan Empire?"

Su Feihuan shrugged his shoulders and scuttled to Qin Ge's side. "Brother! Are you really going to Sun Never Sets?" Su Feihuan's eyes sparkled like a puppy that only wanted to be fed.

"En." Qin Ge nodded.

"Take me! Take me! Take me!!" Su Feihuan practically roared.

"Why do you want to go?" Qin Ge raised his eyebrows.

Su Feihuan chuckled. "I'm going to find someone."

"Who?" Why did he not remember Su Feihuan having any acquaintances in Sun Never Sets?

"A young man with two Phoenixes."

Chapter 1602: Please Allow Me To Devote My Heart To You (1)

"This is Sun Never Sets! So handsome!" A young man stood before the city gates and looked at the number one city in the Brilliance Continent. His watery eyes were filled with excitement and joy.

A handsome man stood by his side with a smile.

A passerby who was currently entering the city chuckled as he looked at the young man who was making a fuss over nothing.

"Go on in." The man said to the excited young man.

"Hehe! Let's go!" The young man pulled the man and hopped into the city. After entering the city, he looked around left and right. When he saw a low-ranked demon passing by, he became excited again.

"Ow! Ow! Brother! Look! Demons! Living demons!" The young man dashed to the demon with a whooshing sound.

The low-level demon looked at the young man in front of him in confusion. He did not know why he had blocked his path.

"Hello!" The young man waved at the demon.

The demon waved his hand in confusion.

"So adorable!" The young man was struck by the demon's adorable actions.

“Stop it. Aren’t you looking for someone?” The man sighed. He could sense curious gazes from all directions.

“That’s right!” The young man slapped his forehead and looked at the little demon with a smile. “Can you understand me?”

The little demon nodded hesitantly.

“Can you bring me to the City Lord’s Mansion? I have something to discuss with the Lord.”

The demon looked at the young man for a moment and felt that the two humans in front of him were not bad people. Then, he nodded and walked towards the City Lord’s Mansion.

The young man pulled the man and followed behind the demon as they made their way to the gates of the mansion.

The guard at the door looked at the two people brought by the demon with a trace of curiosity in his eyes. In the Forsaken Land, humans and demons got along very well. However, the two of them looked unfamiliar, so it should be their first time here. It was their first time in the Forsaken Land and yet, they could coexist with the demons. Their adaptability was really strong.

“Thank you.” The young man bent down and patted the demon’s head.

Only then did the little demon run away with his back hunched.

“What’s the matter?” The two guards asked.

“I want to see the Lord. I have something to ask for his help with. Please!” The young man put his palms together and bowed as he said sincerely.

Inside the City Lord’s Mansion, Shen Yanxiao sat on the bed with her legs crossed and quietly absorbed the dark elements in the air.

“Xiaoxiao, there are two people outside looking for you.” Tang Nazhi knocked on the door.

Shen Yanxiao stood up and walked out. Taotie and Vermilion Bird who sat by her side also followed.

“Who?” Shen Yanxiao asked.

“I’m not sure. I think he wants you to help him find someone.” Tang Nazhi shrugged his shoulders. Recently, his brother was absent and there were fewer people wandering around. He felt empty and lonely.

Shen Yanxiao raised her brow and followed Tang Nazhi to the main hall.

The moment she walked over, Shen Yanxiao noticed the two people seated in the hall.

A man and a young teenager.

Both of them had good looks, but Shen Yanxiao had grown tired of humans due to Xiu’s influence.

As soon as the young man saw Shen Yanxiao, his eyes glowed with green light. He immediately jumped up and dashed to Shen Yanxiao with large strides. Blinking his eyes, he looked at the gorgeous and famous Lord in front of him.

“You are Shen Yanxiao, the Lord of the Forsaken Land, right?”

Chapter 1603: Please Allow Me To Devote My Heart To You (2)

Shen Yanxiao revealed a curious smile when she looked at the young man before her.

She had many peers around her, but all of them had strange personalities. Each of the Five Beasts had their own strengths. Lan Fengli’s indifference was incomparable to Xiu’s, and Yin Jiuchen was like a shy quail all day long. It was the first time she had seen such a lively young man.

In this young man’s smile, it was as if everything in the world was an illusion.

It was pure and brilliant.

Shen Yanxiao subconsciously touched her cheeks. She had never seen such a pure smile in her previous life.

“I am Shen Yanxiao. What business do you have with me?” Shen Yanxiao liked this lively and cheerful young man. If Little Feng could be more cheerful, perhaps his life could become better.

“My name is Feihuan. You can call me Xiao Feifei or Little Huanhuan. This is my big brother. I have no choice but to trouble you. I would like to ask you to find someone for me.” The young man looked at Shen Yanxiao sincerely.

Shen Yanxiao did not know whether to laugh or cry as she looked at this overly lively young man. “Who are you looking for?”

“I am looking for a young man about my age. He is half a head taller than me and he has two Phoenixes with him!” Su Feihuan said.

Shen Yanxiao was surprised. Has two Phoenixes? This description... Why does it resemble her brother, Lan Fengli?

“Why are you looking for that person?” Shen Yanxiao was more cautious when it came to Lan Fengli. Lan Fengli’s family had a very simple relationship and other than the people in Sun Never Sets, he had never interacted with outsiders. Shen Yanxiao was curious as to why this young man was in such a hurry to look for Lan Fengli.

Su Feihuan put his hands together and interlaced his fingers. He looked at Shen Yanxiao with great expectations and said, “He is my savior. I was almost injured by a magical beast in the Fengye Valley that day. Fortunately, this benefactor appeared in time and took care of that magical beast in a few moves. Unfortunately, he left too soon. I wanted to thank him, but I did not have the time. But a few days ago, I heard that a young man appeared in Sun Never Sets with two Phoenixes. This was why I hurried here with my brother.”

Shen Yanxiao was surprised. That was reasonable, but...

She did not think that Lan Fengli had subdued the magical beast to save Fei Huan. The only reason he had done so was probably because that magical beast was his target. She guessed that the magical beast had already been assigned to someone else.

Shen Yanxiao could guarantee that if it were not magical beasts but bandits that attacked him, Lan Fengli would pass by without looking sideways even if he saw it. He would never attack...

However, this beautiful misunderstanding seemed to have happened just like that.

Shen Yanxiao rubbed her eyebrows as she looked at the expectant look in his eyes.

“Nazhi, go and get Xiao Feng.”

“Eh? Benefactor’s name is Xiao Feng?” Fei Huan excitedly asked.

“If the person you are looking for is him, then so be it,” Shen Yanxiao smiled and said.

Not long afterwards, Tang Nazhi brought Lan Fengli into the hall.

The moment Lan Fengli stepped into the hall, Su Feihuan cried out in surprise and pounced towards the expressionless Lan Fengli.

The next second, he was sent flying by a slap from the frowning Lan Fengli...

“...” Shen Yanxiao blinked. Her brother was really... savage.

1

“Sister, what’s the matter?” Compared to his savageness towards Su Feihuan, Lan Fengli’s gaze towards Shen Yanxiao was unusually gentle.

Chapter 1604: Please Allow Me To Devote My Heart To You (3)

“Well, that young man said that you are his savior.” Shen Yanxiao tried hard to suppress her laughter. Lan Fengli did not seem to be friendly with anyone other than her. At most, he was indifferent to everyone else in Sun Never Sets. But for those who were not from Sun Never Sets, the word “savage” could be used to describe him.

At first, Shen Yanxiao did not think much of it. It was not until Lan Fengli’s merciless slap that she realized that his attitude towards her was as gentle and friendly as the spring breeze.

Su Feihuan got up from the ground. Before he could pat away the dust on his body, he immediately stood before Lan Fengli and said excitedly, “My benefactor! I’ve finally found you...”

“I’ve never seen you before. I don’t know you.” Lan Fengli coldly glanced at Su Feihuan and said in a tone that could freeze people.

Su Feihuan looked heartbroken.

“Benefactor, how come you don’t remember me? Have you forgotten that you saved me half a year ago in the Fengye Valley? If not for you, I would have died tragically under the claws of those magical beasts.”

Lan Fengli narrowed his eyes. “Very noisy. Shut up.”

“...” How was he noisy?! Su Feihuan wanted to cry. The savior he had been talking about hated him so much.

“Tsk tsk, I’ve always thought Xiao Feng was savage. Right now, I feel that he can no longer be described as savage. He’s simply insane!” Tang Nazhi sat on one side and watched the show. He touched his chin as he looked at Lan Fengli’s cold side. All of a sudden, he felt that Lan Fengli was really polite to them on normal days.

“Benefactor, don’t be like this. I will shut my mouth after I say this! I am truly grateful that you have saved my life. Therefore, in order to repay you, please allow me to devote my life to you!” Su Feihuan stubbornly stood in front of Lan Fengli as if he was not affected by his words.

“Pfft!!” Tang Nazhi was honestly shocked by the shocking ‘confession’.

Shen Yanxiao was also stunned. What was going on?

Why did he... devote his life to him?

Young man, are you a man? My brother is also a man, don’t be like this...

“Feihuan, Xiao Feng is a man.” Shen Yanxiao kindly reminded him.

Su Feihuan nodded. “I know.”

“You are also a man.” Shen Yanxiao said.

“Yes, I am.” Su Feihuan puffed out his chest without any pectoral muscles.

“Then how are you going to repay me with your body?” Shen Yanxiao did not know whether to laugh or cry.

Su Feihuan said in all seriousness, “I will be your attendant! My life will belong to you in the future. If you want me to go east, I will not go west. If you want me to go up the mountain, I will not go into the sea!”

Shen Yanxiao silently facepalmed. So it turns out, it was this ‘devote his life’.

Lan Fengli frowned. He did not want to look at this noisy young man. Instead of wasting time with him, he would rather stay by Shen Yanxiao’s side for a while.

“Benefactor! Just accept me!” Seeing no reaction from Lan Fengli, Su Feihuan continued to work harder.

“Scram.” Lan Fengli’s ice-cold words were directly thrown at Su Feihuan’s face.

“I will never leave!” Su Feihuan fearlessly pounced on Lan Fengli again. As a result...

Like a broken kite, he was sent flying by another slap from Lan Fengli.

Bang!

Su Feihuan tragically bumped into a pillar on one side. He fell to the ground and subconsciously touched his forehead.. When he saw the blood on his fingertips, he rolled his eyes and passed out.

Chapter 1605: Throes of Experts (1)

Su Feihuan felt dizzy. Lan Fengli was expressionless, but Shen Yanxiao felt a headache coming. Even though this young man was a little jumpy, he was not bad. Besides...

Shen Yanxiao silently looked at the smiling man. Ever since she arrived at the hall, the man had not spoken a single word. He would only look on helplessly as his brother was sent flying by Lan Fengli and yet, he was still smiling and did not explode. Wasn't his temper too good?

"Nazhi, take him away for treatment." Shen Yanxiao felt helpless. He was injured by Lan Fengli, and he was here to repay his kindness, so there was no reason to leave him alone.

Tang Nazhi picked up the unconscious Su Feihuan and sent him to his room for treatment.

"My brother has brought trouble to the Lord. I am so sorry." The man who had not spoken finally spoke after Su Feihuan was carried away.

However, the first thing he said was an apology, as if the one who was knocked out was not his brother but Lan Fengli.

However, it was absolutely impossible for Shen Yanxiao to admit that it was Lan Fengli's 'mistake'. Shen Yanxiao absolutely doted on Lan Fengli. Even if Lan Fengli accidentally killed someone one day, she would eliminate all the forces behind that person to prevent them from taking revenge on Lan Fengli.

Therefore...

The twins were exactly the same.

This was simply insane!

"I will get someone to treat Feihuan's injuries. Please be rest assured." Shen Yanxiao tried her best to ease his worries.

"I am so sorry." The man stood up and bowed to express his apology.

Shen Yanxiao had no choice but to help him up.

As a result...

The man's slender hand rubbed against Shen Yanxiao's waist casually.

Shen Yanxiao secretly raised her eyebrows.

Oh? She bumped into her peers!

Shen Yanxiao laughed internally. His skills were much better than those few from the Silver Hands that day. If she had not been 'experienced in battles', she probably would not have noticed his 'carelessness'.

However, it was evident that he did not intend to take anything from her. His actions seemed to be a test to see if she could detect his movements.

According to Qi Xia, all the top thieves in the Brilliance Continent had been won over by the Silver Hands. Among the few interspatial rings she stole last time, one of them had a waist token that only the three leaders of the Silver Hands had. Evidently, it was one of the three leaders of the Silver Hands that brought their men to steal from Sun Never Sets.

The best thieves in Silver Hands were those three. As for the one with the best skills among them, he should be one of the three leaders of Silver Hands!

Shen Yanxiao wanted to laugh out loud. The Silver Hands would not stop until they achieved their objective. They had dispatched another expert so soon!

However, she did not know which one of the Silver Hands was that unconscious Feihuan.

Shen Yanxiao looked forward to how many more 'surprises' her peers from the Silver Hands could bring her. It had been a long time since Shen Yanxiao sparred with her peers, and she was looking forward to the fight between the three leaders of the Silver Hands.

The thieving skills of the man in front of her could be said to have reached the peak in the Brilliance Continent. However, compared to Shen Yanxiao, a super thief god that transmigrated from modern times...

Shen Yanxiao wanted to tell him, "Young man, you should go back and train for a few more years!"

Chapter 1606: Throes of Experts (2)

Shen Yanxiao helped Qin Ge up, and he sat down with a smile.

Qin Ge looked at Shen Yanxiao without any abnormalities.

After Gu Qingming told him that there was someone in Sun Never Sets who was better at stealing than him, Qin Ge started to be curious about the other party's identity. Just now, he deliberately probed Shen Yanxiao and as expected, Shen Yanxiao did not notice his actions. This was not a surprise. When Qin Ge took action, even Gu Qingfeng could not detect it, let alone Shen Yanxiao.

Shen Yanxiao might be outstanding, but Qin Ge believed that his skills would never be discovered.

Shen Yanxiao looked at Qin Ge with a smile. He had a purse, a token, and a silver thread wrapped around his waist. On his neck was a jade pendant the size of a pinky. The ribbon on his shirt was smooth and should be made of gold silk. He seemed to be dressed in a simple outfit, but in fact, he was dressed with high-grade items. It was a pity that she had a husband now, and it was not appropriate for her to touch inside. Otherwise, she might touch something else.

Shen Yanxiao and Qin Ge 'tested' each other, but neither of them revealed anything.

"In that case, I'll have to trouble you for the time being." Qin Ge looked at Shen Yanxiao with a smile full of righteousness.

Shen Yanxiao was young, but she was prudent in her work and did not deliberately put on a high attitude. In that aspect, Qin Ge had a high evaluation of her.

When the Silver Hands went in and out of the palaces of the four countries, it was just like their own backyard. They were used to seeing those high and mighty rulers, and Shen Yanxiao's kindness suited Qin Ge's tastes.

"You're welcome. I wonder if you already have a place to stay. If not, why don't you rest in the City Lord's Mansion? It'll save you the trouble of running around." Shen Yanxiao was exceptionally hospitable as she asked them to stay. It was rare for a passable opponent to come, and she did not want him to delay for too long.

She had arranged everything at home, everything except for raising a small flag and shouting, "Come and steal me! Come and steal me!"

"In that case, I shall do as you say." Qin Ge secretly smiled. This was really convenient for him.

He was determined to get his hands on those five treasures. More importantly, Qin Ge wanted to find that thief god hidden by Shen Yanxiao's side. If possible, he would like to recruit such a talent into the Silver Hands.

"I'll get someone to prepare a room for you." Shen Yanxiao was very happy and did not conceal her smile.

Finally, someone came and allowed her to have good practice. Young man, you must hang in there. Don't be like those few from your organization. I just made a move and you ran back with your tail between your legs. How boring would that be?

Shen Yanxiao felt sorry for Gu Qingming and the rest that had left. She had not even started warming up before they already ran away. What a disappointment.

"Thank you, Lord." Qin Ge smiled happily. Shen Yanxiao was indeed different from the rumors. She took in someone of unknown origin just like that. However, it must be because of his good looks.

1

She wondered how this adorable little lord would react if she knew that she came here to steal her treasures and poach that thief god.

As expected, Shen Yanxiao was still too young!

The two top thieves from different worlds looked at each other with bad intentions.

They were all looking forward to the exciting days ahead.

### Chapter 1607: Throes of Experts (3)

Shen Yanxiao left Su Feihuan and Qin Ge in the City Lord's Mansion. When Qi Xia heard the news, he came to find Shen Yanxiao.

"I can't find out their origins." Qi Xia sat on the chair and looked at Shen Yanxiao. It was not her style to leave them by her side so suddenly.

Shen Yanxiao smiled and said, "I roughly know their identities."

Qi Xia raised his brow.

"The Silver Hands?"

Shen Yanxiao nodded.

"If my guess is right, that man should be one of the three leaders of Silver Hands."

"Are you planning to have fun with them?" Qi Xia could tell that Shen Yanxiao had great interest in this group of peers.

In the entire Brilliance Continent, probably only Shen Yanxiao, this weirdo, dared to play around with the thieves of the Silver Hands. Even though she knew that they were here to steal, she did not take any protective measures and even kindly left them in the estate. She was too bold.

"It has been a long time since I've encountered such an opponent. It's not a bad thing to have some fun. What about the situation at the Broken Star Palace?" Shen Yanxiao did not forget the most important thing—the Broken Star Palace. She had to settle this debt with the Broken Star Palace for making her suffer such heavy losses.

"I have already arranged for people to investigate the exact location of the Broken Star Palace in various parts of the Brilliance Continent, but I'm afraid it will be difficult to find it in a short time." Qi Xia frowned. It had been a long time since the Broken Star Palace had moved around the Brilliance Continent, and the few times they had taken action in the past year were all related to Shen Yanxiao. No one knew the exact location of the Broken Star Palace, so it would not be easy to find out.

"What are your plans if I manage to find them?"

Shen Yanxiao sneered. "Plans? The Broken Star Palace is famous, but they can no longer afford that reputation. In that case, there's no need for them to stay."

"But the Broken Star Palace has something specially designed to deal with magical beasts. I'm afraid it's not convenient for Qilin and the rest to participate in the war," Qi Xia said.

"There's no need for magical beasts. Let Freud and the rest prepare." Wasn't it just a Second-Class Expert? Shen Yanxiao had tens of thousands of advanced-ranked demons under her command. Any one of them could fight against a second class expert. If she were to fight against the Broken Star Palace, she was absolutely confident.

"Sure." Qi Xia nodded.

Shen Yanxiao arranged for Qin Ge and Su Feihuan to stay in the City Lord's Mansion. The physician examined Su Feihuan's injuries but did not discover any major problems. He left behind a few bottles of healing potions and left.

As soon as the doctor left, Qin Ge closed the door. And Su Feihuan, who was lying on the bed, suddenly sat up.

"Alas, isn't my benefactor too ruthless? Am I that annoying?" Su Feihuan touched his bandaged head and his lively eyes were filled with depression.

Qin Ge sat on the chair with his slender legs crossed and looked at the depressed Su Feihuan with a smile.

"Are you really interested in that young man?"

Su Feihuan nodded firmly.

"Brother, honestly speaking, I really want to get in touch with him. You have no idea how domineering he was when I met him that day. That magical beast did not even last for a minute before he locked it in the magical beast box. His skills are the best among everyone I've ever seen!" Su Feihuan did not conceal his admiration for Lan Fengli.

"But I don't think he will like you getting close." The scene of Su Feihuan getting sent flying twice was still vivid in his mind.. Qin Ge was sure that the young man was not interested in Su Feihuan at all.

Chapter 1608:  
Throes of Experts (4)

Lan Fengli did not show any mercy. If Su Feihuan did not have some skills, he would have knocked him out.

"With sincerity, even metal can be cracked! I believe I can move him someday!" Su Feihuan clenched his fist with determination.

"Oh right, brother, what about you? Did you discover anything?"

Su Feihuan came to Sun Never Sets, first for the sake of Lan Fengli, and second, he was filled with curiosity about that peer who could steal Gu Qingming clean.

In terms of stealing skills, Su Feihuan was better than Gu Qingming. In the Silver Hands, his skills were second only to Qin Ge.

"I've only just arrived. What can I possibly discover? You've just fainted. And as your brother, I can't possibly wander around her territory, right? However, I tested Shen Yanxiao earlier and she did not notice my actions. At least for now, we can eliminate the possibility that she is that thief god." Qin Ge narrowed his eyes. The Silver Hands had recruited all the top thieves in the Brilliance Continent. Now that he had encountered such a powerful character, he had already thought of recruiting them.

"I knew it! It's impossible for her to be that thief god! How old is she? She's a Second-Class Summoner and a Second-Class Archer. I heard that she's also very accomplished in herbalism. Coupled with the painstaking efforts she put in to build Sun Never Sets, how could she have the time to practice her thieving skills?" Su Feihuan pursed his lips. He admitted that Shen Yanxiao was powerful, but one needed to master the skills of their profession. Shen Yanxiao was already an expert in three professions. If she were still that thief god that was better than Gu Qingming, wouldn't that be too abnormal?

"It's a good thing to be cautious. We will investigate the people around Shen Yanxiao. The core members are the young masters of the four great aristocratic families in the Longxuan Empire and your benefactor. Moreover, there's also the Cave Wolves Mercenary Group's mercenary leader, Du Lang. I've heard of him before. He was famous in the Black City, and they were considered a pretty good mercenary group. After he was recruited by Shen Yanxiao, there shouldn't be that thief god among them. Instead, there's still some possibility for those from the four great aristocratic families to be that thief god." Qin Ge guessed that the thief god was someone Shen Yanxiao was very close to. Because of that thief god, Shen Yanxiao did not panic in the slightest when she was provoked by the Silver Hands.

"As far as I know, Yan Yu of the White Tiger Family and Li Xiaowei of the Black Tortoise Family have left the Forsaken Land some time ago. When Qingming came to Sun Never Sets, they had already set off, so the two of them could be excluded. The only ones left are Yang Xi of the Azure Dragon Family, Qi Xia of the Qilin Family and Tang Nazhi of the Black Tortoise Family."

When Su Feihuan approached Lan Fengli, he had already tried to sound him out. Lan Fengli did not notice his movements, so Qin Ge directly excluded him.

"I've met that Tang Nazhi before. He seems to be straightforward and impatient. He doesn't seem to be in the same profession as us." Su Feihuan touched his chin.

"Then there's only Yang Xi and Qi Xia left." Qin Ge said.

"Yang Xi is a low-key person, but that Qi Xia... I heard that when he was still in the capital of the Longxuan Empire, he had once inquired about our Silver Hands. Could he be... that thief god? Perhaps he wanted to join us when he inquired about Silver Hands?" The more Su Feihuan thought about it, the more he felt that Qi Xia was capable. Everyone knew that although Third Young Master Qi looked gentle and refined, he was actually a crafty fox. His personality extremely suited their profession.

To a certain extent, Su Feihuan had revealed the truth!

Chapter 1609: Throes of Experts (5)

Qin Ge also felt that Su Feihuan's analysis was reasonable.

Qi Xia's unintentional actions had become a fuse that misled Qin Ge and Su Feihuan's judgment, leading them further and further down the path away from the truth...

"I'll test that Third Young Master Qi later." Qin Ge curled his lips and his eyes sparkled with expectation.

"Take me with you!" Su Feihuan's eyes sparkled.

Qin Ge said, "You are a patient. You need to rest."

“...” Su Feihuan rolled his eyes. If not for the sake of staying in the mansion, would he have to pretend to faint?

Just as the two of them were conversing, there was a knock on the door. Qin Ge glanced at Su Feihuan and he immediately laid flat on the bed.

Qin Ge stood up and opened the door. Outside the door stood a handsome and bright young man.

“Young Master Tang?” Qin Ge immediately recognized the young man in front of him as Tang Nazhi who was in the hall previously.

“I have the medicine for your brother’s injuries, and I brought it here to you.” Tang Nazhi looked at Qin Ge with a smile.

“Please come in!” Qin Ge hastily said.

“I won’t be going in. This is for you. Just apply it on Feihuan’s wound.” Tang Nazhi stretched out his head and looked at Su Feihuan who was lying on the bed with a haggard appearance. He felt helpless. Xiao Feng was too ruthless and knocked him out with two slaps.

Those who came were guests. Tang Nazhi’s impression on Qin Ge and Su Feihuan was not bad, which was why he came to deliver medicine to their door.

Qin Ge gratefully accepted it.

“Thank you.”

“You’re welcome. I’ll take my leave then.” Tang Nazhi turned around and walked towards the hall.

In the hall, Qi Xia and Shen Yanxiao were drinking tea and chatting about something.

“Nazhi, where did you go?” Qi Xia looked at Tang Nazhi and asked with a smile.

Tang Nazhi plopped down on a chair. “To deliver the medicine to those two brothers of course.” Tang Nazhi expressed that he was a very friendly and helpful young man.

He did this to protect the reputation of Sun Never Sets!

He was great!

Qi Xia shook his head with a smile.

Shen Yanxiao sized up Tang Nazhi and her lips curled up.

“Nazhi.”

“Yes?”

“Where’s the jade pendant on your waist?”

Shen Yanxiao’s words made Tang Nazhi subconsciously look down at the jade pendant on his waist. As a result...

There was nothing on his waist!

“That’s weird. I remember wearing it when I woke up this morning?” Tang Nazhi did not realize why his jade pendant had disappeared all of a sudden.

Shen Yanxiao and Qi Xia looked at each other and both of them had an answer.

It seemed like a certain idiot had fallen into the Silver Hands’ trap. Unfortunately, he was still in a daze and did not realize it.

Qi Xia laughed heartlessly, and seeing this, Tang Nazhi was even more confused.

“In any case, it can’t be lost. I’ll just go back and look for it tonight.” Tang Nazhi muttered.

Didn’t he just forget to bring it? Was there a need to laugh so crazily?

“Find it? Then go back and look for it.” Qi Xia raised his brow as an evil glint flickered in his eyes. He didn’t lose it? Tang Nazhi probably wouldn’t be able to find that jade pendant even if he flipped his room upside down.

“Nazhi.” Shen Yanxiao restrained her laughter.

“What?” Tang Nazhi blinked.

“I don’t think you can become a thief in this lifetime.” To have his jade pendant stolen so easily, she believed that Tang Nazhi would never have the chance to become a thief!

Chapter 1610: Throes of Experts (6)

Tang Nazhi’s jade pendant could not be found, but Shen Yanxiao had another thought.

Since the Silver Hands were so impatient to attack, it seemed like their objective was to force her out.

Shen Yanxiao was sure that the other party was interested in her, the thief god, whether it was her previous attempt to test her or his attempt to steal her sheep.

In that case...

She had to treat them well.

That night, Shen Yanxiao started her evil acts in the estate.

The next morning, a shrill cry spread throughout the mansion.

Shen Yanxiao, Qi Xia and the others followed the sound, and the source of the sound was Su Feihuan’s room.

She pushed the door and entered. The scene before her stunned Tang Nazhi who came with Shen Yanxiao.

Su Feihuan, whose head was still wrapped in bandages, sat on the bed with his upper body naked. His thin body was trembling from embarrassment and anger.

"I didn't expect... Feihuan would like to sleep naked..." Tang Nazhi blinked. Kids nowadays were too open-minded.

Shen Yanxiao looked at the shocked Su Feihuan calmly and asked in a kind tone, "What's wrong?"

Su Feihuan looked up. On his flushed face, his big eyes that were about to cry were filled with shock.

"I... I was robbed..."

As soon as he woke up this morning, Su Feihuan discovered that he had been visited by thieves. Not only did his interspatial ring and money disappear without a trace, but even the clothes he wore were only left with his underwear! Oh god! He was the Third-in-charge of the Silver Hands, the second-ranked thief god in the Brilliance Continent. However, someone had stolen all his clothes last night, and he did not even realize it.

If that little thief did not have some moral principles, Su Feihuan would not even be able to keep his underwear!

Even if you beat Su Feihuan to death, he would never expect that he would encounter such a crazy robbery.

"Robbed?" Shen Yanxiao was surprised. Her expression was too genuine.

"Go and check on his brother," Shen Yanxiao immediately said.

Qi Xia smiled and directly turned to open the door of the room next door.

In the room, Qin Ge sat on the bed in a daze. He was covered with a quilt, so a pair of trembling shoulders could be seen outside. From the looks of it, he looked like a young lady who had been ravaged.

"Oh, damn it! That thief did not even let him off." Qi Xia restrained the smile in his eyes and revealed an appearance of righteous indignation.

Qin Ge was struck dumb. He had no idea what had happened. How did he end up like this after a good sleep?

"Nazhi, hurry up and get them two sets of your clothes," Shen Yanxiao spoke with integrity.

Tang Nazhi looked at Shen Yanxiao with doubt and silently ran to get his clothes.

After Tang Nazhi delivered the clothes, the pair of brothers immediately shut the door.

Shen Yanxiao and the others stood outside the door. Shen Yanxiao and Qi Xia's faces were brimming with smiles.

Tang Nazhi looked at Shen Yanxiao curiously.

Sensing Tang Nazhi's gaze, Shen Yanxiao smiled and threw a jade pendant at him.

"Keep it well. Don't expect me to get it back if you lose it again."

Tang Nazhi looked at the jade pendant in his hand in surprise. Wasn't this the one he lost yesterday? He went back and searched for half a day but failed to find it.

However, when did this jade pendant end up in Shen Yanxiao's hands?
