

The Good 2111

Chapter 2111: How Frustrating (1)

“Don’t you think... this lady looks a little familiar?” One of the youngsters at the front of the group tilted his head and asked his companions, but his eyes were still unwilling to move away from the girl in front of him.

“YeH! She looks like Fengling!”

“F*ck! Does Fengling have a younger sister? Why didn’t I know?”

“Fengling is too much. How can he not introduce us to such a beautiful girl? Doesn’t he know that our love life is just filled with void?”

“Younger sister! We are your brother’s good brothers!” One of the teenagers shamelessly called the lady in front of him ‘Younger sister’.

Hearing this, the young lady in green had a tangled expression.

“Younger sister, I have a good relationship with your brother!”

“Get lost. You have secretly put laxatives in her brother’s cup before. Younger sister, I have a very good relationship with your brother! We are sparring partners!”

“A sparring partner? You’re just a sandbag, okay?”

The group of teenagers who had gone through thick and thin together threw their so-called brotherhood aside the moment they saw the beautiful girl. One by one, they mocked each other, eagerly wishing they could curse each other to death. While singing praises about their iron relationship with Fengling, they tried hard to make their presence known in front of the lady in green.

The young lady in green tightly pursed her lips as she was stimulated by the chaotic scene before her.

Shile and Zhanye, who stood at the back, were speechless.

Just as the group of hot-blooded youths attempted to seduce a beautiful girl, a figure dressed in purple gracefully alighted from the carriage.

“Can you be any more embarrassing?”

The familiar voice woke up the young men whose hormones were soaring.

All the teenagers’ eyes were instantly attracted by that purple figure.

Her petite and exquisite curves were outlined by muslin cloth, revealing the unique curves of a woman. Her slender waist exuded a temptation that made people want to grasp tightly. Her long black hair casually draped over her shoulders with only a clean purple ribbon.

It was such a simple outfit, but it was as dazzling as the sun, making everyone reluctant to look away.

That delicate and perfect little face became more and more beautiful with a single dress.

At that moment, all the teenagers' minds were blank.

All the excitement and amazement were instantly mixed together, making their brains completely shut down.

Compared to the aloofness of the young lady in green, Shen Yanxiao in purple had stolen the attention of all the teenagers.

Her beauty was truly soul-stirring.

One look was enough to be unforgettable.

"Boss...?" A member of the Flaming Red Squad spoke in a trembling voice.

Shen Yanxiao raised her eyebrows. She rarely wore female clothes. Even if she did, she would still be that domineering demon lord.

The body of a girl, but the momentum of a queen!

It instantly captured these teenagers.

"Boss! You're simply too much! Boohoo! Boss, you're so beautiful. Can I still marry a wife in the future... My heart feels stifled."

"If I had known earlier, I wouldn't have let Boss wear female clothes... How am I supposed to face other girls in the future..."

"Boss, I don't dare to give you a son... I'm afraid my genes will tarnish the beauty in your genes..."

The teenagers who were looking forward to seeing Shen Yanxiao in female clothing were all crying at this moment. They could accept the beauty of the lady in green, but Shen Yanxiao...

After seeing her, it would probably be hard for any girl to cause a wave in their hearts.

When a lolita transformed into a real girl with the attributes of a queen, it was enough to insta-kill everything.

Chapter 2112: How Frustrating (2)

Shile was stunned for a long time before he came back to his senses. He immediately poked the dumbstruck Zhanye.

"Hey, Boss, this is too much!"

Shile dared to guarantee that no one in the whole Howling Abyss could compare with Shen Yanxiao's appearance.

Zhanye lowered his head and blushed.

Shen Yanxiao was really beautiful today.

Shen Yanxiao pulled the young lady in green into the restaurant and the teenagers closely followed behind her.

Their Boss looked so stunning that they did not even have the courage to touch her. However...

Wasn't there Fengling's younger sister?

After they locked onto their target, the members of the Flaming Red Squad began to make their presence known in front of the lady in green.

"Younger sister, what's your name?"

"Younger sister, where's your brother? Why didn't he come with you?"

"Younger sister, do you want some water? I'll pour it for you!"

"Younger sister, feel free to order whatever you want to eat! It's my treat. However, Boss will foot the bill!"

"Younger sister..."

The expression of the young lady in green was very tense. She looked at the group of teenagers with a tangled expression.

Shen Yanxiao sat on one side and watched the show. She then smiled and said, "She's not Fengling's younger sister. Don't be mistaken."

"Not Fengling's younger sister?" The teenagers were all shocked.

"Could it be his older sister? Ao ao! I really couldn't tell. Older sister, you look so young!"

"Older sister's age is not a problem!"

"Older sister, even though I am young, I am very mentally mature..."

Shen Yanxiao's lips twitched. Those idiots had misunderstood the main point!

Before Shen Yanxiao could prepare to slap these idiots to death, Shile held a cup of tea, pushed away his teammate sitting next to the lady in green, and sat down.

"My name is Shile. What's yours?" Shile's face bloomed with his signature peach blossom smile, which was extremely brilliant.

"..." The young lady in green had a complicated expression on her face.

"Are you thirsty? Here's some tea for you." Shile didn't care about the silence of the lady in green. Instead, he became more courageous.

The young lady in green hesitated for a long time before she took the cup from Shile and whispered.

"Thank you."

Unlike the expected softness, the voice of the young lady in green was slightly deep and neutral.

It was this 'thank you' that completely stunned Shile.

Shile stared at the young lady in green with his mouth agape, and the smile on his face turned twisted.

He held it in for a long time before he said in a breathless voice,

“Fengling?”

Holy smokes!

That voice was so familiar!

“Fengling? Is Fengling here?” The confused teenagers looked around, thinking that their future brother-in-law had come, but after looking around, they could not find Fengling.

Looking at Shile again, they noticed his eyes never moved away from the lady in green.

“Shile, don’t confuse people. I thought my brother-in-law was here.”

“Get lost! That’s my brother-in-law!”

“Haha, you guys are so funny. That’s my biological brother!”

“One-on-one!”

“Who’s afraid!”

“You idiots!” Shile frowned and roared at his companions.

The teenagers who were shouted at were baffled.

“Are you guys blind or deaf? Can’t you recognize Fengling’s voice? She is Fengling!” Shile pointed to the young lady in green with a tangled expression.

“...”

The entire inn was deathly silent.

“Fengling... How is that possible...?”

The young lady in green pursed her lips and slowly stood up.

“I am really Fengling. I am sorry that I have been hiding my gender.”

Chapter 2113: How Frustrating (3)

“...”

In that single instance, the members of the Flaming Red Squad were all collectively petrified.

Shen Yanxiao could no longer hold back her laughter and laughed out loud.

“I say, you guys... are too funny. She just changed her clothes, and you already can’t recognize her? You are so stupid.” Shen Yanxiao wiped the tears of laughter from the corners of her eyes. She was really going to die of laughter from this group of clowns.

“Boss... Is she really... Fengling?” One of the teenagers swallowed his saliva.

“Yes.” Shen Yanxiao blinked her eyes mischievously.

“Ah ah ah ah ah ah ah ah ah!!!”

A series of wails sounded in the restaurant.

Their good brother had suddenly turned into a girl. Didn't that mean that their most wretched side had been seen through?

Their so-called reputation...

It was now just clouds on the horizon!

The teenagers, who were originally full of fighting spirit and ready to win her heart, instantly gave up. One by one, they sat obediently at the table, silently drinking tea and waiting for the food to come.

It was not that they could not accept the fact that Fengling was a girl, but...

When they thought about how they had talked about picking up girls in front of Fengling, all kinds of vulgar and colorful jokes...

1

If eating the table in front of them could turn back time, they would gorge every bit of it down!

“Fengling, sit down.” Shen Yanxiao pulled Fengling to sit down. The moment when the selection competition ended, she had already discovered Fengling's real gender, but Fengling had been hiding it very well, which easily deceived most eyes.

“Boss... I'm going to rush the dishes.” Shile stood up with a whoosh and left quickly with a taut face. When he passed by Zhanye, he grabbed his collar.

“Come with me.”

With that said, he dragged Zhanye out of the hall.

The two teenagers came to the back of the restaurant.

“Speak! Did you already know that Fengling is a woman?” Shile narrowed his eyes and looked at Zhanye. When Fengling's identity was exposed, almost everyone in the Flaming Red Squad had the same expression on their faces, except for Zhanye. Coupled with the previous attitude of Zhanye towards Fengling, Shile felt more and more suspicious.

“Yes.” Zhanye answered honestly.

“Are you and Fengling...” Shile did not finish his sentence, but his expression already said it all.

If Zhanye dared to nod, he would strangle him.

Zhanye immediately shook his head.

“She's my good brother, that's all. Just like everyone else in the team.”

“Very good.” Shile smiled with satisfaction.

Zhanye looked at Shile’s shocked reaction.

Shile raised his eyebrows.

“I officially announce today that I want to pursue Fengling!”

“...”

Shile did not wait for Zhanye to answer and pulled him into the kitchen.

Even he did not expect that he would fall in love with Fengling at first sight.

* * *

Late into the night, the Flaming Red Squad ate and drank in the restaurant. Shen Yanxiao looked at these energetic teenagers with a smile. The candlelight set off her smiling face, making her look exceptionally moving.

Outside the restaurant, under the cover of the night, two figures quietly stood on the roof opposite the restaurant.

“I thought you wouldn’t let her go out dressed like that.” The Dragon God crouched on the roof and looked at Shen Yanxiao, who was smiling like a flower in the restaurant.

Xiu stood against the wind, and his tall figure seemed exceptionally cold.

His gaze crossed the distance and landed on Shen Yanxiao. He traced every bit of her in his mind and imprinted her beauty from tonight in his heart.

Chapter 2114: How Frustrating (4)

A song and a cup of wine.

A night of music.

It was not until the next morning that the teenagers, who had exhausted all their energy, left the restaurant with their arms around each other’s shoulders.

Fengling also left with them.

Shen Yanxiao stood at the entrance of the restaurant and looked at the departing backs of those teenagers with a smile.

She wondered how long this would last.

The time for her to leave the Howling Abyss was getting closer and closer.

A breeze blew past, and Shen Yanxiao narrowed her eyes.

“Sometimes, I wish Satan hadn’t appeared. Wouldn’t it be good to be happy like this all the time?” Shen Yanxiao’s nerves had never relaxed all this while. She was constantly struggling upward and constantly roping in allies.

She was like a bowstring that had been stretched to its limit and could break at any time.

But now, she could not relax.

She had the expectations and lives of too many people on her shoulders.

“Without him, you would not have come to the Howling Abyss.” Xiu’s voice sounded from behind Shen Yanxiao.

He would wait for as long as she wanted to stay there.

“Let’s go back.” Shen Yanxiao stretched.

In the following period of time, Shen Yanxiao continued to train the Flaming Red Squad.

The training was as usual.

The only difference was...

After Fengling’s real gender was exposed, the other teenagers were fine and didn’t have much of a reaction. The one who had changed the most should be Shile!

After that day, Shile began to pester Fengling. When they ran, they had to run side by side, and whenever they sparred, he would always spar with her.

All these actions confirmed what Shile had said to Zhanye that day.

He was going to pursue Fengling!

Fengling was very distressed in the face of Shile’s crazy pursuit. She wasn’t in the mood to talk about love at all. The reason why she hid her gender before was, first, to be the leader of the Royal Academy. If she were a woman, it would be hard to convince the members of her team. Second, to avoid situations like what Shile was doing right now.

Although Fengling was a woman, her ambition was no worse than other students.

If it were someone other than the Flaming Red Squad, Fengling would have probably thrown him over her shoulder. But Shile was a member of the Flaming Red Squad, and he had been very good to her before he knew her gender.

For a moment, Fengling did not know how to deal with it.

In the end, she decided she had to nip this bud as quickly as possible.

“Fengling, let’s train together today. I just asked Boss for two new moves. Shall we give it a try?”

Fengling speechlessly looked at Shile who was looking at her with a bright smile.

“Shile.”

“Hmm?” Shile looked at Fengling with a smile.

“I don’t want to be in a... relationship right now.” Fengling felt a little helpless.

Shile’s smile did not diminish in the slightest.

“It’s okay, I can wait.”

“...”

Well, she knew that it was going to be hard to drive Shile away.

Shen Yanxiao was speechless as she watched Fengling being pursued by Shile.

She was originally very optimistic about the pairing of Zhanye and Fengling. After all, Zhanye had very “close contact” with Fengling on stage during the selection competition. But she didn’t expect that with Fengling’s gender now exposed, Zhanye had no reaction at all. Instead, Shile was the one who went crazy.

Did she see it wrong?

Zhanye had no such thoughts about Fengling?

Shen Yanxiao stroked her chin. In terms of character, Zhanye was more mature and steady, while Shile was more black-bellied and humorous. Fengling’s indifferent character was more suitable for Shile.

However...

No matter how she looked at it, it was a little shocking!

Chapter 2115: How Frustrating (5)

As the days passed by, the members of the Flaming Red Squad did not realize that they only had a few days left to spend with Shen Yanxiao.

On the tenth day, Shen Yanxiao returned to the palace after watching the training of the Flaming Red Squad.

Xiu, the Dragon God, Vermillion Bird, Taotie, and Yaksha were already waiting in a room.

“Are we going to leave after we undo the last seal?” For the first time, Shen Yanxiao felt that she didn’t want to remove her seal so quickly.

The Flaming Red Squad was like a child she had raised. She had watched them grow up and play together.

But in the end, they still had to be separated.

“Yes.” Xiu nodded.

Shen Yanxiao took a deep breath.

“Then let’s do it.”

The last layer of the seal was personally undone by Yaksha.

The last seal was often the most painful, and this time was no exception. When Shen Yanxiao felt the heat on her arm, she fainted from the pain.

When Shen Yanxiao woke up again, the first thing she saw was Xiu's face.

"I... have recovered?" Shen Yanxiao blinked and asked.

Xiu narrowed his eyes and looked at Shen Yanxiao. All of a sudden, he bent down and gently kissed Shen Yanxiao on the corner of her lips.

Shen Yanxiao was slightly stunned. Her body did not feel any discomfort due to Xiu's approach. She subconsciously raised her hands, and the fair skin on her hands told her that she had returned to her human appearance.

Every time the last seal was undone, she would subconsciously return to her human form.

Did this show how much she yearned to be a human?

"I've changed back!" Shen Yanxiao was pleasantly surprised.

Unfortunately, before she could reach the highest point of joy, Xiu, who had been suppressing himself for a long time, had already pulled her into his arms and kissed her lips domineeringly.

After Shen Yanxiao woke up from her daze, she closed her eyes and enjoyed the lips that she had not kissed for a long time.

* * *

"Why won't you let us see Master?" Outside the room, a confused Taotie bit his finger and leaned against the wall.

Vermilion Bird stood by his side with his arms crossed with an unhappy expression on his face.

Because Xiu needed to spend time alone with Shen Yanxiao, he had chased them out.

Taotie and Vermilion Bird were not the only ones thrown out. The Dragon God and Yaksha were also thrown out.

But after Yaksha came out, he went straight to work, while the Dragon God stared at the locked door with mixed feelings.

"You kids don't ask so many questions. The scene inside is safe for your eyes." The Dragon God's smile was extremely wretched.

He wanted to get close, but he could not. The War God must have been suppressing himself during this period of time. With such burning desires in his heart, what if...

Before the Dragon God could finish fantasizing, the door was opened.

Shen Yanxiao, who had returned to her human form, looked at Vermilion Bird and Taotie outside the door with a smile. On her fair face, one could vaguely see a suspicious blush and her small lips were slightly red and swollen.

The Dragon God narrowed his eyes and smelled the scent of passion.

“Master!!”

Vermilion Bird immediately pounced into Shen Yanxiao’s arms and acted cute.

“It feels good to be a human again.” Shen Yanxiao was filled with emotions. She was still not used to the body of an undead. Sure enough, she was most suitable to be a human.

“Your words... are very ambiguous,” the Dragon God said.

He felt that something was wrong with what she said, but on second thought, that didn’t seem to be the case.

Chapter 2116: Goodbye, Howling Abyss

The day of departure finally came. Yaksha helped Shen Yanxiao and others prepare for their trip to the Storm Continent.

It had to be said that although Yaksha was very abnormal, he was quite reliable in doing things. He packed for them a lot of food and clothing, with Taotie’s snacks alone having packed with several storage rings.

In an instant, he captured the heart of the foodie, and Taotie’s impression of Yaksha soared.

As for the clothes...

Other than Shen Yanxiao, no one in the team needed such a thing.

“I wonder if I will see Nazhi in the Storm Continent.” Shen Yanxiao stood by the window and used the last bit of time to look at the land of the Howling Abyss.

When she first arrived here, Shen Yanxiao was full of rejection for undeads and everything here.

But as time passed, she fell in love with this land and those undead teenagers.

Her companions in the Forsaken Land of the Brilliance Continent, her maternal family in the Moon God Continent, the little golden dragon in the Hidden Dragon Continent, and the Flaming Red Squad in the Howling Abyss.

Everywhere she went there would always be a group of companions that she would worry about.

She wondered when she could reunite with them.

Xiu walked behind Shen Yanxiao and gently embraced her.

“Aren’t you going to see them?” Xiu asked.

Shen Yanxiao knew that Xiu was referring to the members of the Flaming Red Squad. This afternoon, they would leave the Howling Abyss, but Shen Yanxiao had no intention of seeing the teenagers of the Flaming Red Squad.

“It’s a sad parting. Why bother? We’ll meet again in the future.” Shen Yanxiao lowered her head. She was never a fickle person. She just didn’t want the members of the Flaming Red Squad to know that she was leaving. She would just leave quietly, and they would not find out. They would only realize once she had left this land after a long time.

“I’ve asked Yaksha to tell them that their leader has been sent by the Undead Lord on a very important mission and will not be back for a long time.”

“Actually, I don’t have to be so sad. Think about it, I might be able to see that idiot Nazhi in the Storm Continent. I’m curious about what he has learned from the dwarves.” Shen Yanxiao perked up.

“He’s so stupid that he didn’t learn anything!” Vermillion Bird, who was sitting on one side, rudely insulted Tang Nazhi’s IQ.

1

Shen Yanxiao chuckled. The anticipation of meeting her Phantom friends had slightly alleviated her disappointment at leaving the Howling Abyss.

As long as the war with the Devil race was pushed back, elves, dragons, undeads, and humans could be reunited.

It was time to leave. The Dragon God transformed into his dragon form, and the others climbed onto his back. Xiu spread out the boundary and completely wrapped them up.

The Dragon God took off. After leaving the palace, the Dragon God slightly adjusted his flight route and flew over the training ground of the Flaming Red Squad.

Those energetic teenagers were still sweating on the training ground. They did not realize that their Boss was flying over their heads. They also did not know how long their separation would be.

In the palace, Yaksha stood at the highest point and looked in the direction Shen Yanxiao and the others had left. A trace of sadness flickered in his cold eyes, but he quickly concealed it.

The moment the Dragon God got out of the Howling Abyss, Shen Yanxiao could not help but turn her head and look at the continent that was not beautiful, but had left her with many memories.

“Goodbye, Howling Abyss.”

Chapter 2117: Stowaways (1)

The Storm Continent was very far from the Howling Abyss, so Shen Yanxiao and the others had to stay on the back of the Dragon God for quite a long time.

A journey this long was supposed to always be boring, but Shen Yanxiao felt...

This journey was very lively.

“Chu ~ Chu ~ ”

“Guji!”

Two adorable little figures were standing majestically on the head of the great Dragon God, facing the wind and shaking their two pairs of small, almost negligible wings.

Shen Yanxiao sat cross-legged on the back of the Dragon God, propping up her chin and looking at the two mini stowaways.

When Xiu and the rest went to the Howling Abyss, Little Phoenix and Mini Dragon were left in the Hidden Dragon Continent under Yang Xi's temporary care.

However, after they left the Howling Abyss, Vermilion Bird relied on the spiritual link between him and Little Phoenix to teleport Little Phoenix to his side. This instantaneous summoning consumed a lot of Vermilion Bird's energy. As soon as he summoned Little Phoenix, Vermilion Bird returned to Shen Yanxiao's body to recuperate.

As a result, when the summoned Little Phoenix discovered that its little friend was not around, it would surround Shen Yanxiao and act cute all day long. Helpless, Shen Yanxiao could only consume a huge amount of magic to pull Mini Dragon over.

Then...

Throughout the journey, she only saw these two adorable creatures jumping up and down on the Dragon God's head, acting cute and stupid.

“It's good to be young...” Shen Yanxiao looked at the two energetic little ones. They had been chattering like this for half a month. Other than eating and sleeping, they never stopped. They would either stare at the sea below and chirp, or at the flying fish jumping on the surface of the sea...

Xiu sat on one side with his eyes closed, absorbing the essence of the sun and the moon.

On the other hand, Taotie had been acting extremely strange ever since they set off from the Howling Abyss.

When Vermilion Bird returned to Shen Yanxiao's body, she originally intended to let Taotie rest as well. However, the always obedient little foodie suddenly rejected her.

After that...

Taotie would silently crouch at the tail of the Dragon God every day, sitting cross-legged with his back facing Shen Yanxiao and the others. He was acting so secretive that no one knew what he was doing.

Shen Yanxiao shot a glance at Taotie. Coincidentally, Taotie turned to look at her. As soon as their eyes met, Taotie turned his head away with a guilty conscience. His round little body curled into a ball as if he was trying his best to hide something.

Very suspicious!

Shen Yanxiao narrowed her eyes and suddenly got up and dashed to Taotie's side.

"Ah! Master!" Taotie saw Shen Yanxiao approaching and immediately hugged the thing in his hand tightly.

Shen Yanxiao raised her eyebrows. The little foodie actually knew how to hide things and was acting mysterious.

"Taotie, what's in your hand?" Shen Yanxiao narrowed her eyes and looked at the nervous Taotie.

Taotie hugged the thing in his arms tightly and shook his head. "No... nothing... nothing..."

Shen Yanxiao was completely speechless in the face of Taotie's obvious lie.

"Good." Shen Yanxiao crouched down with a gentle smile on her face and raised her hand to rub Taotie's little head.

"Taotie, have you not bathed for a long time?"

Taotie was stunned for a moment. He immediately lowered his head and smelled himself. After ensuring that he still smelled good, he raised his head timidly and said, "I don't smell bad. I smell very fragrant. If you don't believe me, Master, smell it."

Chapter 2118: Stowaways (2)

"No, I think you should take a bath." Shen Yanxiao's lips curled into a nasty smile.

Before Taotie could react, she had already grabbed his collar and picked him up. She walked to the edge and hung him in the air!

"Master!!" Taotie looked at the distant sea in horror and his heart pounded wildly.

His two short legs swayed in the wind. Taotie was scared half to death.

Even though he was a holy beast, but...

He was a magical beast!

He had no wings and could not fly!

Furthermore, with his huge physique, if he were to fall into the water...

He would just sink to the bottom, okay? There was no need to struggle at all!

"Do you want to take a bath?" Shen Yanxiao raised her eyebrows with an extremely nasty expression.

"Master... can I not take a bath?" Taotie looked at Shen Yanxiao timidly. A hint of tears could be faintly seen in his big watery eyes.

"Sure, but hand it over." Shen Yanxiao said.

"..."

"I'm letting go." How dare he resist!

"No! I can't swim! I'll drown if I fall!" Taotie cried out without any shame.

He was huge, but he was like a duck raised on dry land. He did not even know how to paddle!

"It doesn't matter. You can drink all the seawater. In any case, you will never be full. You can just drink water to fill your hunger." Shen Yanxiao leisurely said.

"..." Taotie was struck dumb.

"Still not handing it over?" Shen Yanxiao grabbed Taotie's hand that slowly relaxed.

Taotie immediately cried out and no longer crossed his arms in front of his chest. He directly threw himself in front of Shen Yanxiao.

It was a small black iron ball, and the surface of the iron ball was carved with dark and strange patterns. Under the sunlight, it had a dark luster.

Shen Yanxiao took the small iron ball and carried Taotie back.

Taotie, who was finally safe, knelt on the ground and wept like a mistreated wife.

"What is this?" Shen Yanxiao held the small iron ball and inspected it over and over again.

Taotie lowered his head and pretended to be dumb.

"It's an undead beast trap." Xiu's voice suddenly sounded.

"An undead beast trap?" Shen Yanxiao had heard of it before. There was such a thing among undeads. Compared with the cumbersome beast trap of humans, this beast trap was very light. It only used the death energy of the undead as a medium to imprison the beasts.

But why would such a thing appear in Taotie's hands?

Could it be...

Taotie wanted to live somewhere else?

"Taotie..." Shen Yanxiao called out softly, but her voice made Taotie's hair stand on end.

"Wuhu... Master, I didn't mean to..." Before Shen Yanxiao could threaten him, Taotie announced his surrender.

"Didn't mean to?" Shen Yanxiao raised her eyebrows.

"Fourth Brother was unwilling to go with me, and I was worried about leaving him in the Howling Abyss, so I asked Lord Yaksha to lock Fourth Brother in a beast trap. Wuhuhu... I really didn't mean to hide it from you, Master..." Taotie revealed the truth with tears and snot.

"..." Shen Yanxiao stared at the beast trap in her hand with her eyes almost popping out!

This iron ball was not Taotie's new residence, but Bian's...

Shen Yanxiao was thoroughly speechless. There were already two more stowaways, Little Phoenix and Mini Dragon, and now there was Bian!

Shen Yanxiao had asked Yaksha about Bian before, and Yaksha promised to give him to Shen Yanxiao.

Chapter 2119: Stowaways (3)

However, Shen Yanxiao had been hanging out with the members of the Flaming Red Squad during that period, so she had forgotten about it.

It was not until just now that she remembered that there was still Bian.

“Master...” Taotie looked at Shen Yanxiao carefully, fearing that his impulsive decision would make Shen Yanxiao unhappy.

In fact, Taotie could not be blamed for this. Who asked Bian and Shen Yanxiao to be so unfriendly the first time they met? He was afraid that Shen Yanxiao would not like his fourth brother, even though...

He also did not like Bian’s character, but Bian was still his brother!

If Yazi knew that he had left Bian in the Howling Abyss, he would definitely be torn into pieces!

“You should have told me. I would not have stopped you from bringing your brother along.” Shen Yanxiao sighed and returned the beast trap to Taotie.

No wonder Taotie had been unwilling to return to her heart lake. It was because he had another magical beast with him. Once Taotie returned to her body, the beast trap carrying Bian would be exposed.

Taotie lowered his head and bit his fingers.

“I think it’s better for you to let Bian out first.” Shen Yanxiao had only been in contact with Bian for a short time, but according to Taotie’s impression of him, Bian’s character should be very headstrong. If Taotie kept him locked up like this...

He would definitely torture Taotie to death when he came out.

Taotie slowly raised his head with a tangled expression.

“Then... then I’ll... let him out?” Taotie was still a little worried.

Shen Yanxiao nodded encouragingly.

Only then did Taotie carefully open the beast trap. A black mist overflowed from the beast trap and gradually condensed into a tall human figure on the back of the Dragon God.

With a handsome, domineering appearance and a strong, upright physique, Bian’s human form was not inferior to Yazi and Taotie. However, compared to Yazi’s violent appearance and Taotie’s wild nature, Bian, who was tightly wrapped from top to bottom, gave off a sense of forbearance.

Bian’s eyes slowly opened and met Taotie’s nervous eyes.

The next second, Bian kicked the sitting Taotie into the sea!

With a plop, Taotie fell into the sea.

Shen Yanxiao was stunned. She did not expect Bian to do such a cruel thing as soon as he appeared.

When she said that she would throw Taotie into the sea, she was just trying to scare him. However, Bian actually kicked him down!

Was he still his brother?

“Family affairs.” Bian’s face had a serious expression, and his tone was flat as he explained what he had done just now.

“Dragon God, lower your altitude.” Xiu’s voice slowly sounded.

The Dragon God could only obey the order and lower his altitude so that Shen Yanxiao could pick up Taotie, who had fallen into the sea and was about to sink to the bottom.

The wet Taotie trembled as he looked at his brother. His eyes were filled with grievance as his soft body burrowed into Shen Yanxiao’s embrace.

No matter how savage Taotie was in the impression of humans, among his brothers, he was the easiest to bully!

“Fourth Brother...” Taotie opened his mouth pitifully.

Bian’s pair of sharp eyebrows wrinkled slightly.

“Troublemaker!”

“Wuhu...” Taotie turned around and pounced into Shen Yanxiao’s arms, trembling like a frightened quail.

Bian was ranked fourth, and Taotie was ranked fifth. The age difference between the two was not big, but from the looks of it...

Bian’s momentum was not just a little bit stronger than Taotie!

Chapter 2120: Stowaways (4)

Not even an official could settle family trouble, especially since this was a problem between the two magical beast brothers. All in all, Shen Yanxiao could not interfere with this.

After glaring at Taotie for a long time, Bian turned to Xiu and knelt on one knee.

“War God.”

Xiu had a cold expression on his face, but Shen Yanxiao was stunned.

Holy smokes!

What kind of rhythm was this!

“The Undead Lord once mentioned that the Devil race would reappear in the world again, is that true?” Bian asked with a frown.

“Yes.”

“Please, War God, lead everyone against the Devil race again!” Bian’s tone was very sincere.

Shen Yanxiao did not expect Bian to care about the world so much!

Sure enough, he was the most upright son of the Dragon God. Compared to Bian, the killing maniac Yazi and the foodie Taotie were no match.

“Okay.” Xiu’s response was ridiculously simple.

Bian got up and turned to Taotie, who immediately retreated.

“Taotie, you have to fight this time.” Bian’s tone was very serious.

In the last war between gods and devils, of the nine dragon sons, only Bian participated in the alliance against the devils. Taotie was busy eating while Yazi was obsessed with killing. The latter killed both devils and humans. Only Bian stood in the alliance of the gods.

It was also that war that reduced Bian to Yaksha’s prisoner.

“I will participate in the war. I have already fought against Satan before this. My master is the commander-in-chief of mankind,” Taotie said firmly.

Only then did a trace of satisfaction appear on Bian’s face.

“In addition to me, Second Brother will also participate in the war,” Taotie added.

Bian looked at Taotie in surprise.

“Second Brother will participate in the war?”

Bian could not imagine that Yazi would stand on the side of the good. For Yazi, that madman, as long as it was killing, he would like it, regardless of whether he was on the good side or evil side.

“Yes. Last time Satan led the demon beasts, Second Brother and I joined the battle. Second Brother is now my master’s younger brother’s contracted beast!” Taotie’s expression was very cocky. If he had a tail, he would be wagging it happily right now.

“Who else besides you?” Bian asked.

Taotie shook his head.

“Right now, I’ve only seen you and Second Brother.”

The relationship between the nine dragon sons was very delicate. They were brothers and would not kill each other, but they were not too close with each other either. They each had their own domain and rarely interacted with each other. However, if they really met, they would greet each other. If they knew that their brothers were in trouble, the other dragon sons would also rush to help as soon as possible.

The premise was if...

They could get the news.

For example, Taotie and Bian, these two unlucky bastards, were imprisoned in the Moon God Continent and the Howling Abyss respectively, but their brothers did not know their situation, so they did not save them.

“The war this time around will be difficult. I want to find my other brothers as soon as possible. I want to contribute as much as I can.” It had to be said that Bian’s character was really very righteous. In the face of the survival of the continent, he had already thought of calling on his other brothers to contribute.

“But we don’t know where they are.” Taotie was not enthusiastic about finding his brothers because...

Even though he was ranked fifth, be it his older brothers or younger brother, they would all bully him. He did not have any sense of presence.

If they were to gather, he would definitely have a miserable life.

Bian sighed. He had been imprisoned in the Howling Abyss for too long and had lost contact with his other brothers. Thus, it was easier said than done to gather them.
