

Chapter 152

Cindy panicked. She didn't expect him to be so bold. He was like a monster!

He was doing it in broad daylight!

'Help!'

Cindy began to desperately call for help, but her body was getting weaker and weaker. She could not lift herself up. In the end, she felt like she was in pieces. She was very uncomfortable, and her eyes gradually became unfocused.

At this moment, the door of the office was pushed open. Two security guards came in and asked nervously, 'CEO, what is happening...!'

'Get lost!'

Rhett roared and then threw the tea set at them!

When the security guards saw what was happening, they respectfully bowed their heads and left the office. They locked the door.

They were used to this kind of thing, which would happen once every two or three days.

Meanwhile, Jason received Cindy's text while he was in the hospital. His face changed.

Cindy's text message was very simple. She just wanted Jason to come to Sunrise Pharmaceutical to pick her up.

Jason took a taxi and rushed to Sunrise Pharmaceutical.

While he was on his way, in Sunrise Pharmaceutical's CEO office, Rhett was in complete control of Cindy. He took her to the sofa and admired the red-faced, delicate beauty in front of him.

'Manager Jiang, let's show our most honest selves. Don't worry, we can cooperate afterwards.'

Rhett's face was full of lust. He rubbed his hands together. He stuck out his big belly and started unbuttoning Cindy's clothes.

He undid two of them in succession. They revealed an inner shirt which showed a beautiful curve.

Cindy was very nervous. She struggled to hold her chest. She pushed Rhett desperately and mumbled, 'CEO Rhett, please let me go. I have a

husband and a child...'

As she shouted, tears welled up in the corners of Cindy's eyes.

She was so scared that her whole body was shaking.

But she couldn't muster any strength.

She looked helpless and pitiful.

'I've inquired about your loser husband. What's so good about him? As long as you promise to be my lover, I promise you'll have endless money to spend.' Rhett licked his lips without stopping his movements. His eyes were wide open and his breath was fast.

Bang!

'Rhett Hu!'

The door of the office was suddenly kicked open!

Rhett was so scared that he fell to the ground. After seeing the person clearly, he hurriedly got up and bowed to her. He said nervously, 'Dear, why are you here?'

A middle-aged woman in a magnificent dress broke in with four attendants. She was plump, but

her sheer presence made the temperature in the office drop by more than ten degrees.

She was Rhett's wife, Xamira Lyu!

She was a member of one of the eight big families in the capital city, Lyu family's beloved daughter!

Old Master Lyu, Holden's only daughter.

Holden, the head of the Lyu family, was a high-ranking big shot in the capital city. He always went out in an old Audi A6L, and his license plate was from the capital city. It read A80!

Only famous tycoons in different fields and gentlemen who worked in the government had this type of licence plate!

The Lyu family was definitely a powerful family!

As soon as Xamira entered the door, her face turned cold. She glanced at Cindy on the sofa and snorted, 'Well, Rhett, now you're cheating on me in the office. How should I settle this for you?'

Rhett was so nervous. He broke out in a cold sweat. He hurriedly explained, 'Honey, don't be angry. You misunderstood me.'

Rhett was afraid. His wife was the apple of the Old

Master's eye. If the Old Master knew about this, he would be so dead. He would lose everything.

Xamira had always been more powerful than Rhett.

He was just a son-in-law. He only won the old master's favor because he had some achievements

Although they both had their own affairs, if this matter was known to the public, they would embarrass themselves.

'Honey, you misunderstood. It's her. It was this bi*ch who seduced me. She was supposed to talk to me about business, but I don't know what happened. She started to pounce on me and said that she wanted to sleep with me and asked me to make a deal with her.'

Rhett did not even feel guilty as he lied. He even glared at Cindy, who was uncomfortable on the sofa.

'Is that so?'

Xamira glared at Rhett coldly, while Rhett lowered his head. Sweat poured down his forehead like a waterfall.

'Get this little bi*ch up!'

Xamira said coldly, and the attendant behind her dragged Cindy off the sofa.

Slap!

What greeted Cindy was an angry slap. It wounded her mouth, and blood slowly flowed out.

'Bi*ch, you seducing my husband? Then I'll kill you in front of him!'

Xamira cursed. At the same time, she told her attendant to take a photo with a phone and slapped Cindy in the face. She stared at Rhett, 'I want to show these to those bi*ches who come to your office every day. See who dares to come back!'

Xamira was trying to warn them all!

With more than a dozen slaps on her face, Cindy's left and right cheeks were completely red and swollen, and her mouth was bleeding. She couldn't bear such an assault. Her whole body was shaking violently because of the pain.

'No... I didn't...' Cindy said weakly, shaking her head.

'How dare you talk back?'

Xamira's eyes turned cold. She grabbed Cindy's hair hard and slapped her twice.

At the same time, she grabbed the tea from the table and threw it on Cindy's face. She cursed fiercely, 'Look at you, you are a vixen. You wh*re. You want to seduce my husband? Then I will beat you to death, wh*re!'

Slap!

'How dare you. How dare you sell your body for a deal? Who told you to come? Which company do you belong to? You are f**king cheap!'

Slap!

'You don't look bad. Yet you do such a disgusting thing. Is someone else's husband fair game to you? Are you short of love, or are you itching for it?'

Slap!

Xamira slapped until she was tired. At this time, Cindy's cheeks were already covered with red handprints and her hair was hanging down. She looked very pitiful.

The corner of Rhett's mouth twitched. Seeing Cindy being beaten badly, he was even more scared.

When he saw that Xamira was tired after beating her up, he hurriedly handed over the tea and smiled. 'Dear, drink some.'

Xamira took the tea and took a sip. Then she said coldly, 'You two, take her down to the hall below and let everyone in the company see what this bi*ch looks like!'

Rhett's heart skipped a beat when he heard this.

'Dear, there's no need to do that. Maybe they're so eager for us to work together that they came up with this plan. Let's let her go.' Rhett braced himself to say this.

'Why, do you feel sorry for this vixen?' Xamira said coldly.

'No, no...!' Rhett hurriedly shook his head.

Soon, Cindy was dragged to the hall of the factory on the first floor by two attendants. It immediately attracted hundreds of people's attention.

'I heard that this woman seduced Director Rhett

and was caught by Boss Lyu. She deserves it.'

'Haha, just beat her to death. Such a bi*ch should just die, Boss Lyu has done the right thing!'

Many people around were talking about the matter.

'F*ck! Bi*ch! I heard that she wants to sell herself and asked Director Rhett to make a deal with our pharmaceutical factory. This woman is really cheap.'

The crowd looked at Cindy, who was tied to a wooden stake. They began cursing her.

Tears welled up in Cindy's eyes. She sobbed quietly, 'I didn't... I'm not.'

But no one could hear it.

Even if some people had heard it, they would pretend that they hadn't.

They were all employees in the factory. They knew how their CEO was like.

This woman was in the wrong place at the wrong time.

'Ah!'

Cindy screamed. Xamira pulled her hair to show

her face to everyone. She said coldly, 'Look, this is what the little bi*ch looks like!'

This was the biggest deterrence to the other women who dared to seduce her husband.

None of them dared to intervene. They were all watching.

Cindy was beaten too badly.

At the same time, the taxi which Jason had boarded arrived at Sunrise Pharmaceutical.

At the entrance of the factory, he heard curses inside.

'Hey, mate, what's going on inside?' Jason gave a cigarette to the guard.

The old guard took the cigarette and shook his head helplessly., 'There is a woman who tried to seduce Director Rhett and was caught by the boss's wife. She was beaten badly and is put on a stake.'

'Sigh, that woman is so beautiful and she speaks kindly. How could she do such a thing?' The old guard sighed.

Jason nodded and looked at the place where the

crowd had gathered. Suddenly, he heard a shrill cry, 'I didn't!'

This was...

Cindy's voice!!!
