

The Killer 221

Chapter 221 I am Dr. L!

At Vivian 's request, Hank prepared her a magnifying glass, which is an essential tool for detectives.

Including Hedy and Preston, all guests and some program members came to Hank 's yard.

Mrs.Black stood haggardly inside, seeing Vivian, she finally had some hope in her eyes.

Vivian walked over, held Mrs.Black 's hand, with firm eyes," Mrs.Black, don't worry, I will do my best to help you find your daughter!"

"Thank you!" Mrs.Black burst into tears.

"I'm starting." Vivian walked in with the broadcast crew.

She holds a magnifying glass and observes in the room decently, not letting go of every corner. In the eyes of laymen, she is very serious.

The barrage is all praising Vivian .

But in the eyes of Doctor L, Vivian 's behavior can only be described in two words, show off. Every time

Vivian picked up the magnifying glass, his gaze did not stay for more than two seconds, and then he quickly moved away, as if just to go through the process.

An hour later, Vivian announced that there was a high possibility that Cherry had run away from home and was not planning to come back.

The reason is that girls naturally love beauty, and Cherry 's cosmetics, accessories, and clothes are all kept at home, which shows that there is no trace of nostalgia.

This case-solving logic caused some viewers who like reasoning to issue barrage, "That's it?"

Hedy also frowned.

It seems that Vivian 's "detective certificate" was either bought with money or forged, no matter what, it was all fake.

"No, it's impossible for my wife to abandon me, Miss Tang, have you made a mistake!" Hank 's tone was agitated, and he didn't believe Vivian 's judgment.

Mrs. Black also begged, "Miss Tang, please check again, please check again!" "

Although I also hope that Cherry didn't abandon you, but unfortunately, she really did." Vivian's tone was very light.

Hank took a step back, leaning against the table, lost in thought.

"Please, check it out again." Mrs. Black was sobbing while covering her face, her arms were still wrapped in medical bandages.

Vivian shook her head, showing a look of helplessness.

1303%

Roger, Teresa, Renly sighed inwardly.

Preston frowned delicately.

Vivian 's deduction is not professional.

Hedy looked at the bandage on

Mrs. Black's arm, eyes twinkling. Mrs.Black was hurt because of her.

It doesn't hurt that she helps find her daughter.

Hedy walked up to Mrs. Black, and said in a cold voice, "Entrust me, I'll help you find out the truth."

Without the client's permission, she can't search other people's homes at will at least that's what the law stipulates.

Investigating a case is different from assassination. It needs to be aboveboard, otherwise the evidence will not be

convincing.

The voice fell to the ground, and the surroundings fell into silence.

Vivian fans laughed at the barrage,

"Help, is Hedy suffering from a disease that will kill you if you don't pretend?"

"People who are policemen can't find Cherry with police dogs, and Vivian, who has a detective certificate, also thinks that Cherry ran away from home." Hedy, how dare

he lick his face to check?"

"What is she looking for? Does she understand?" " Every day I suppress

Vivian on the show, and Vivian finally has a chance to show herself, and she came to steal the spotlight again, which made me mad.!"

Hank's home.

Mrs. Black raised her head, her eyes dimmed with tears.

After crying for several days, her eyes were swollen.

Before she could speak, Vivian put one hand on her hip, with a cold face,

"Hedy, do you mean that you are better than me who has a detective certificate?"

"Of course you are better than you who have a false certificate." Hedy opened his mouth lightly.

"Who do you think has false certificates?" Vivian was poked in the sore spot and asked loudly, but she felt a little guilty.

At the beginning, in order to market herself, she planned to take the detective certificate.

However, there is too much relevant knowledge required for research, and the examples are bloody and cruel. After reading some, she took the money and went to the back door to apply for the certificate if she thought it was troublesome.

Her certificate was indeed false, but if she didn't tell, who would know?

"Have you taken false evidence, don't you know?" Hedy slowly raised his eyes and stared at Vivian,

"Your investigative techniques and logic of solving cases are lower than those of kindergarten children."
When

a child gets a magnifying glass, he will Observe carefully.

Vivian gritted her teeth and said angrily, "Hedy,. I want to sue you for slander and slander!"

Hedy calmly said, "It's up to you, but before that, I want to help Mrs. Black find out the whereabouts of my daughter Cherry."

Investigate the case For this kind of thing, the sooner the better, to avoid damage or erasure of evidence with the passage of time.

"Mrs.Black." Vivian said to Mrs.Black,

"Although I won't stop you from entrusting Hedy to investigate the case, you should think about it clearly. I have a detective certificate and the police have many years of experience.

Neither I nor the police can find it." In the case of Cherry, Hedy, who has no certificate and no experience in the industry, why can he find out the truth!" Hedy's red lips.

parted slightly, and his voice was cold, "Because I am Dr. L."

55 90%

Hank was in a daze look over.

Vivian was taken aback.

When she first started her research, she read some books about Dr. L and knew what these four words meant.

"What is Dr. Fox?" Mrs. Black's voice was hoarse.

“Dr. L is an internationally renowned criminal psychology expert, criminal forensics expert, and the most famous female detective in the detective circle.

She has solved four of the world’s top ten unsolved cases, and is known as the contemporary Sherlock Holmes, but...” Vivian sneered, sarcastically,

“Hedy, you have worked so hard for the limelight, and dare to say that you are the famous Dr. L.”

Mrs. Black turned to look at Hedy when he heard that this man was so powerful, with an obvious expression of disbelief and hesitation in his heart up.

Should she entrust the little girl Hedy to investigate the case?

‘Mrs. Black, trust me.’ Hedy’s eyes were burning.

The barrage doesn’t believe it at all.

“L is a serious and serious boss in the industry, how could he come to USA to participate in the audition for his debut, and also participated in love variety shows?” “A criminal

expert and an 18th-line actress are not characters in the same world at all, okay?”

Someone Can you go to the external network to contact L, and tell the boss that there is an idiot here pretending to be

her!”

Vivian also crossed her arms and sneered, “I believe you? Okay, can someone prove that you are Dr. L?” The

voice fell to the ground, Preston walked up to Hedy with long legs, his face as handsome as a god flashed firm,

“I can.”

He believed in his Hedy.

The barrage was dumbfounded.

“My God, has Childe King been bewitched by Hedy?”

“Maybe he was really bewitched! Otherwise, how can he explain how he treats Hedy so well!”

Oh my God, Childe King is going to be dragged down by Hedy, and when the time comes, he will be slapped in the face. But what can I do!”

Hedy turned to look at the man, but the man turned to Mrs. Black, with a low voice,

“I assure you in the name of the King Family, Hedy is the real Dr. L, please entrust her with confidence.”

Vivian His body froze, his face full of disbelief.

Shocked by the barrage, experiment in public (caution)

Mrs. Black doesn't know much about "Dr. Fox", but she knows the status of "King Family".

She bowed with a crying voice, "Little girl, my aunt commissioned you to help her find her daughter Cherry!"

"I will." Hedy accepted the commission and met Preston's eyes.

He didn't speak, but "believe" was written in his eyes.

Hank also came over and bowed to Hedy. When he got up, his elegant and gentle face was sad,

"Ms. Ellis needs help, just tell me."

Hedy asked him, "Do you think your wife is loyal to you?" Two, it's not going to disappear for no reason, right?"

"Yes, I'm sure." Hank nodded, his face even more sad, his eyes glistening with tears.

Hedy asked again, "Mrs. Black also thinks that your daughter is very filial and won't leave without saying anything, right?"

"Yes." Mrs. Black wiped away tears.

"Cherry's disappearance, there are only two options, death or disappearance.

Since you all think that Cherry will not disappear, then I will first use the method of exclusion, assuming that Cherry is dead, and classify this case as a criminal homicide."

Hedy passed by Vivian, took the magnifying glass from Vivian's hand, and asked Hank, "What date did Cherry disappear?" "No. 5." Hank replied.

"Who was the last person to see her?"

Hank replied, "It was me. Before she went to bed on the 4th night, she said that she was going to another province to attend the wedding of a college classmate on the 5th. I woke up on the 5th and didn't see her. I thought she was I've already left, so I don't care."

After getting the answer, Hedy walked into the bedroom and looked for suspicious marks on the bed with a magnifying glass.

The bullet screen scrolled,

"I feel that Hedy is so professional."

"She can't really be Dr. L, can she? No one has seen L take

off the mask..."

Her thinking logic is so clear, The goal is also clear, and Vivian, who doesn't ask anything, is several blocks away."

"What, isn't this a scene often shown in TV dramas? We Vivian just don't want to waste time asking!"

"Yes, and the bedroom or something, the police I've seen it

with Vivian, and she can tell if the flowers are coming or not?" "Find suspicious bloodstains." Hedy found seven tiny bloodstains that were hard to see with the naked eye in a corner of the mattress.

The live broadcast staff quickly aimed the camera at the magnifying glass, so that everyone could vaguely see the blood.

"Call the police and let the police identify the blood type and DNA of the blood." Hedy ordered.

Hank hurriedly called the police, and the police came to collect blood from seven places and sent it for identification.

It was probably because the investigation was being broadcast live, and the identification results were sent quickly,

blood type B, which matched the blood type of the missing person Cherry.

And it's not a woman's menstrual blood, the DNA is similar

Mrs. Black in many places, and the biological parent-child relationship reaches 99.9999%. There was an uproar in the live broadcast room.

The blood is Cherry 's! How could

Cherry 's blood appear in such a tricky place?

When was it splashed? Is it related to disappearance or death?

“Is there a magnifying glass with a higher magnification?” Hedy asked the male detective next to him.

The police did not investigate this matter as a criminal case before, all the policemen came, but now the criminal

policemen are here, which means that they also intend to handle it as a homicide case.

“Yes.” The detective handed the things to Hedy.

Hedy got a magnifying glass with a higher magnification to observe the shape of the bloodstains.

After a while, she understood the general situation in her mind, and pointed the magnifying glass at the blood stains, “Take evidence.”

Click, the policeman took a picture with a SLR camera, and the photo made the policeman’s eyes change.

There were seven drops of blood on the mattress, and the top drop was the most unnatural, as if it had been cut off.

The only thing that can be cut off is the bed sheet.

From the corner, Hedy picked up the label on the new bed sheet that hadn’t been removed in time, and turned to look at Hank with sharp eyes, “Where’s the old blood-stained bed sheet?”

“What do you mean?” Hank’s eyes were confused.

The criminal police showed the photos to Hank and others, and the audience in the live broadcast room could also see them.

Hank didn’t understand even more, and said,

“A year ago, Cherry was sitting on the bed peeling an apple, and she accidentally cut her hand, which may have dripped some blood on it. At that time, the old bed sheet was also torn, so it was thrown away in the first half of the year.

“And many viewers in the live broadcast room breathed a sigh of relief.

It turned out that it was a year ago, because of the blood left by peeling an apple.

“Really?” Hedy chuckled, with a cold smile, and ordered the criminal police, “Prepare me the things needed for the blood spatter test.”

Ten minutes later, the things arrived.

Everyone came to the middle of the yard, and there was a

table in the middle, with a whiteboard on the table, a vertical whiteboard on one side, and a bowl of sheep’s blood and a dropper on the other side.

Preston, Mrs.Black, Hank, Vivian and others were all watching.

Hedy put on a white coat, put on goggles, put on gloves, and took out a tube of sheep blood with a straw,

“In trace science, there is a set of theories about blood traces.

That is, through the still blood, associate with the time when it was produced According to the dynamic force analysis of the specific bloodstain shape, determine the way it is produced.”

Hedy dropped a drop of sheep blood on the whiteboard, and the whiteboard showed a round bloodstain, “This is a vertical dripping shape.””

If it is sitting Peel an apple on the bed, and accidentally cut your hand, so the blood on the mattress should be like this.” She dripped the sheep’s blood on the vertical whiteboard.

Blood runs straight down the whiteboard.

It was completely different from the bloodstained photos taken by the criminal police.

“And the blood on the photo...” Hedy changed a vertical board, squeezed another puddle of blood and put it on the table, his fingers clenched into fists and drooped down.

Puff.

The blood of the sheep splashed, leaving meteor-like

slanting traces on the vertical board, consistent with the photo.

“It’s like this.” Her tone was calm,

“This is the trace of blood splashing at high speed. May I ask Mr. Hank, does your wife need to use so much strength to peel the apple?”

Hank said with a pale face, “I am It’s possible, but not really blood, so these bloodstains mean that Cherry was punched?”

“Where are the old sheets replaced by new ones?” Hedy asked back, his voice was not warm.

Hank shook his head, “I really don’t know, it’s my wife who does things like changing the sheets...”

If the man is outside and the woman is inside, and the wife changes the sheets, it’s reasonable for the husband not to

know.

Hedy took off her gloves and goggles and returned to the bedroom, her white coat followed her walking movements, while Susan flew up.

“The location where the bloodstain was found on the mattress is special. It is preliminarily estimated that Cherry was lying on the ground and was hit by someone.”

Hedy assumed that someone was lying on the ground and was hit by someone, and the blood should be spattered from all directions.

She took a magnifying glass and found three tiny bloodstains in the frame of the wedding photo by the bedside.

1/40 Vouchers

Four tiny bloodstains were found on the overhead lights.

Five tiny spots of blood were found on the underside of the TV's screen.

Two tiny bloodstains were found in the crack of the door.

After identification, it was Cherry 's blood.

There are only tiny bloodstains, which means that the large bloodstains have been cleaned up artificially.

Such a large-scale blood splatter points to a fact. Hedy looked at

Mrs. Black who had no blood on her face, “There is a high probability that she is dead.”

Vivian in the Face!

Hank pleaded guilty.

He knelt on the ground holding the small and delicate cake, crying heartbreakingly.

Mrs. Black burst into tears, beat him beside him, and repeated “return my daughter”.

Hank's dad was crying too.

A love, turned into a tragedy.

Interpol took Hank away.

According to the usual practice, the birthday cake should be left behind, but no matter how hard the detective tried, Hank hugged tightly, as if hugging his lover, without saying a word.

“Give him the cake.” Hedy said.

The criminal police gave up because of Hedy's face.

Hedy, Preston, Roger, Teresa, Renly and Vivian returned to the courtyard.

Everyone was silent.

Boris and everyone in the program group were

silent

After this kind of thing happened, it was hard to cheer up and face the camera to shoot variety shows.

The audience in the live broadcast room was also much quieter.

Hedy recalled his promise, wrote a signature, and sent it to the young man who provided the clue.

In the evening, Hank finished the procedures and was sent to Chengnan Prison.

The next day, news came from the prison.

Said Hank was dead.

He sharpened his toothbrush, cut his wrist and killed himself.

When prison guards found him, he was sitting against a wall with his head bowed and a complete birthday cake in his arms, as if confessing to it.

“Hank committed suicide” was on the hot search, and netizens had mixed emotions and were full of emotions.

CP was really desirable back then.

Cherry, the goddess of campus, each suitor is richer than the other, and there are men who send luxury cars for dating. She didn't agree, and chose

Hank from the poorest family background.

Hank, a genius in the law department, has a bright future and has attracted much attention.

He could go abroad for further studies, but he came to Village for

Cherry. He said that he had to fulfill her dream first, and then his own. She was more important.

The two used to be so in love.

he's loss of money was a turning point in the relationship between the two.

Before this, no one expected that Village, which has not seen snow for decades, would suddenly have a blizzard.

Those fruit saplings transported at high prices from abroad were wiped out.

At first, the two did not quarrel, but life was difficult, and the creditor came to collect the debt.

Compared with these things, romance and love are no longer important.

Over time, the trivial matters of life are constantly magnified.

Quarrels and cold wars followed. The appearance of

Cherry's rich second-

generation first love accelerates the deterioration of the relationship between the two.

She got into the car of her first love angrily.

Hank became the laughing stock of the villagers

I also realized the difficulty of farmers.

As long as Fan he died because of improper cultivation, everyone would not be so upset. After

and got into the business car that picked her up.

“I’m leaving too.” Teresa smiled generously.

“Wait a minute.” Roger said suddenly, and walked up to Teresa with a serious expression, “Can we exchange

contact information? There is a restaurant that tastes particularly good.”

During the variety show, everyone’s electronic devices were confiscated. The ending of

Hank and Cherry made Roger very helpless. In addition to being helpless, he also warned him, don’t wait until you lose it to regret it.

Teresa made his heart beat.

He wants to try to woo her.

“Ah? Yes, yes.” Teresa took out her mobile phone and lowered her head, embarrassed to look at Roger.

The barrage shocked!

This pair really went together!

Vivian left through the back door without greeting anyone.

When Hedy and Preston were leaving, Mrs. Black came.

Mrs. Black gestured to kneel down for Hedy, but Hedy helped him up.

“If it weren’t for Hedy, Cherry ‘s case would probably be handled as a disappearance case.”

“Yeah, Hank’s IQ is too high.”

“Hedy’s IQ is even higher! The process of solving the case is comparable to Sherlock Holmes! He really deserves to be Detective Fox!”

“Vivian is very funny. She said that Cherry was slapped in the face when she ran away from home, and Hank was slapped in the face for saying that Hank was not a murderer. Did she really get a detective certificate?”

Vivian’s detective certificate is real!”

“Vivian only took the certificate, and it’s normal to make mistakes in judgment occasionally. You can’t compare her with an outrageous detective like Hedy?” “Go and see, Vivian ‘s entertainment company sent Hedy a lawyer Letter!”

Everyone rushed to Twitter and saw that the entertainment company Vivian worked for had sent Hedy a letter from the lawyer.

This company is called Moon, and

Vivian is the “top brand” under his name, and he is usually offered as a bodhisattva. In a word,

Vivian said, if you want to engage Hedy, the company will immediately come forward.

In addition to the lawyer’s letter, the company also complained.

It means that we admire Hedy's level of judgment, but you're the best, just say that our family's Bodhisattva Vivian made a false certificate, wouldn't it be bad?

You still said it in variety shows, and tens of millions of viewers heard it.

Isn't this discrediting Vivian's reputation? At the end, a high-resolution photo of

Vivian's detective certificate is

attached, which shows that the name

of the foreign certificate agency is "ASST". ASST is the most authoritative detective company in the industry.

Vivian fans rejoiced, "It should have been like this a long time ago!"

Vivian himself also sent a Twitter,

"Sorry, my

reasoning was wrong, it's a bit embarrassing, but the detective evidence is true, I hope Ms. Apologize to me for your speech."

The fans rushed over to express their distress.

Passers-by said that Vivian is okay and has self-knowledge, which makes people feel good.

People who don't like Hedy say that Hedy is really seriously ill, and it's like a two-fifth to eighty-thousand. It's too rude to say that people do false certificates. Not

only rude to Vivian, but also rude to Childe King

Detective Company Slaps Vivian in the face

After one hour.

ASST Detective Company issued two statements on the Internet.

One, very angry and serious that Vivian's detective certificate is fake.

She used money to bribe employees of their company, and obtained a detective certificate through illegal channels.

There is also a screenshot of the bank statement in the statement.

It shows that the transfer party is a card under Vivian's name, and the amount is as high as tens of thousands, far exceeding the fee required for applying for the exam.

Second, he extended an olive branch to Hedy in a friendly and interesting manner.

"Hey Dr. Fox, would you like to come to ASST? We can pay you more than twice the market annual salary, and a share of shares. Well, I know

your answer is 'no', you have rejected us many times, It's a sad story."

Chapter 228

The statement of ASST, a gathering of first-class wealthy families, was immediately transferred to the United States by the meddler and the media. The phrase

“Vivian spent money to buy a fake detective certificate” became the top search in minutes.

This is inseparable from her own popularity.

It is also inseparable from the frequent occurrence of accidents in the second season of “love”, which has been frequently searched.

Netizens regarded this as a series.

It was confirmed that Vivian’s certificate was fake, and netizens ridiculed it.

Moon Entertainment’s public relations response was also quick, and they quickly found a scapegoat, saying that everything was the fault of Vivian’s life assistant, and the life assistant bought the certificate.

Vivian followed up on Twitter,

When I first went abroad, I didn’t know the place well, so I left everything to my life assistant except for reading.

On the day of the test, the assistant said that I only need to take part of the exam. I thought everyone was like this, but I

didn’t expect the assistant to...

I sincerely apologize to everyone here, and I hope you can forgive me.

Vivian’s fans angrily demanded that Moon Entertainment should punish the “Life Assistant”.

At the same time, 30,000 USD was quickly raised, and in the name of Vivian, the “public welfare laundering” method was launched to win the popularity of passers-by.

Even so, there is still a wave of smart fans coming off.

As Boris said, the popular variety show “love” did not bring Vivian to a higher level, but the nature of the show exposed her shortcomings and let everyone see her ignorance and incompetence.

More importantly, there is a Hedy in the show who blocks gods and kills gods, and Buddhas block and kill Buddhas.

This is not better than the comparison.

After a comparison, Vivian only has four words, unsightly!

After laughing at Vivian, netizens will inevitably praise Hedy.

“Should I say that Hedy is a god? To say that Vivian is a false certificate is a false certificate!”

“I have a master’s degree in psychology and have sent my resume to ASST ten times. ASST ignored it, but I am so enthusiastic about Hedy. I am so envious.”, Woohoo!”

“I have a question, How did Hedy manage to have such expertise in so many fields?” ”

I’m also curious!”

With Hedy’s amazing appearances time and time again, the public also loves Hedy, more and more curious.

First of all, Hedy was born in a mountain village.

Secondly, her grades in elementary school, junior high school, and even the first half of the semester of senior one, senior two, and senior three were average and at the bottom.

Her classmates also commented on her as timid and cowardly.

Why did Hedy change in the second half of the third year of high school?

Does she really have so much time, to learn so much knowledge, and to be top-notch in almost everything?

This is what Preston couldn’t understand.

He was sitting in the Rolls–Royce Phantom, next to Hedy who was sleeping on his lap, with materials related to “Detective Fox” in his hand.

According to the data, every time Dr. L appeared wearing a mask, “Hedy” of USA was on vacation.

The timing is perfect.

If ordinary people compare the timelines of the appearance of “Hedy” and “Spirit Fox”, they will not find any mistakes.

The only problem is that Hedy has no record of going abroad from the beginning to the end.

Fortunately, he had protected her whereabouts file in advance, otherwise, with the heat this time, things might have gone crazy.

“Cooper...”

The girl in her arms murmured in her sleep, her tone full of longing.

Preston pursed his thin lips tightly, and jealousy appeared in his slender eyes.

He didn’t know who Cooper was yet.

It was only through the broken letter that Cooper called her “sister”.

But there are many kinds of “sister”.

My sister, my cousin, my cousin, my righteous sister, my neighbor’s sister...

Suddenly, my mood is not good.

The man stretched out his fingertips and pressed a small hole on Hedy's porcelain face.

He let go of his hand, and the pit became round again.

12

again, but his fingertips stopped in mid-air.

He was afraid of waking her up.

The man moved gently, stroking her long crow-blue hair, his thoughts drifted away.

When will you be able to tell me your past.

The two left Ewha Village.

"love" officially ended the live broadcast.

CP fans are sad.

"Will we still be able to see the two of them in the same frame in the future?"

"It should be impossible. Although we are so excited about CP, we all know in our hearts, Childe King is a variety show for friends, and it is for the company. Be good to Hedy."

"Yeah, Hedy is already very good, but the gap with Childe King is still *too big.*" "

I really *hope* that the two of them will have a chance to interact~"

—

When Hedy woke *up*, he had already arrived at the apartment.

As soon as she opened her eyes, she saw a slender man wearing an expensive suit jacket.

"Do you want to go out?" Hedy sat up and checked the time on the phone.

It's seven o'clock.

"The old man and grandpa are comrades-in-arms. The old man celebrates his birthday tonight. Grandpa is taking care of grandma in D City. I can't get away. I'll go to the banquet for him." Preston's voice was low and melodious, "Are you hungry? I'll do it." cake."

Hedy didn't answer.

She analyzed the information in Preston's words.

First-class giants.

For the old man's birthday, the size will not be small, and the guests who come and go don't have to think about it, they are all rich or expensive.

The top wave of people in the world will attend this banquet.

Including ladies and gentlemen.

Hedy lowered her eyes, "Can I go with you?"

She seemed *to* be slowly awakening her possessiveness.

"Bored at home?" Preston sat on the edge of the bed and looked at her.

Preston froze for a moment, his eyebrows frowned, "Are you jealous again?"

Hedy lay down on the bed and covered her with the quilt from head to toe. Covering tightly, a dull voice came out,

"Forget it."

She knew that her proposal was rather sudden.

Obviously before, I wanted to be low-key, low-key and low-key.

Preston lifted the quilt, stared at her distressed delicate face, and laughed nicely,

"When did I say no more? Get up, and I'll take you to pick out a dress."

There was no dress in Hedy's closet.

The *only one* was bought by herself when the two had their first official date.

Although she looks pretty in that one.

But that kind of "pretty" has a different meaning, and he doesn't want to be seen by more people.

Only a well-known lady like her who has made achievements in her own field is worthy of Childe King.

On this side, the two sisters have their own ghosts, and on the other side, Preston also chooses an evening dress for Hedy.

She sat in front of the vanity mirror, and the makeup artist coiled her hair up and put on bright makeup, looking gentle and generous.

It matches the face of Preston, who is wearing a black suit and bow tie with butterfly makeup.

The makeup and hairdresser left, Preston patted her shoulders with his slender hands, with a light smile on his handsome face, and sighed,

“I regret bringing you to the banquet.”

She is too beautiful, and she will attract some men with malicious intentions s concern.

It will make him feel uncomfortable that his baby is missed by others.

Hedy frowned, “Can’t I do it?”

“It’s too good, I’m going to become a heartthrob and create a lot of rivals for me.” Preston held out his hand to her, a gentleman said,

“Let’s go, My girl.”

Hedy’s face became hot when she heard the love words, but she put her hand on Preston’s palm with a straight face and airs.

Preston gave a low laugh, and took it slowly.

The two took a Rolls–Royce Phantom to the place where the old man’s birthday party was held.

At this moment, as the cups were being exchanged in the hotel, the hearty laughter of men and the voices of warblers and swallows of women kept coming out.

“The Childe King is here!”

Someone shouted, everyone stopped the conversation and looked towards the hotel gate, with excited or fearful eyes, calculating or admiring.

They are members of first–class giants, and in terms of status, they are already at the top of the USA.

But compared with King Family and Childe King, it is still too inferior.

They only have to please, or respect.

It’s not that they are spineless, but because they don’t respect the King Family’s family or business, they were all kicked out of the wealthy stage. When

Mona heard that Childe King was coming, she left the young talent who had accosted her and came to the door to wait for Preston.

Chapter 228

The statement of ASST, a gathering of first-class wealthy families, was immediately transferred to the United States by the meddler and the media. The phrase

“Vivian spent money to buy a fake detective certificate” became the top search in minutes.

This is inseparable from her own popularity.

It is also inseparable from the frequent occurrence of accidents in the second season of “love”, which has been frequently searched.

Netizens regarded this as a series.

It was confirmed that Vivian’s certificate was fake, and netizens ridiculed it.

Moon Entertainment’s public relations response was also quick, and they quickly found a scapegoat, saying that everything was the fault of Vivian’s life assistant, and the life assistant bought the certificate.

Vivian followed up on Twitter,

When I first went abroad, I didn’t know the place well, so I left everything to my life assistant except for reading.

On the day of the test, the assistant said that I only need to take part of the exam. I thought everyone was like this, but I

didn’t expect the assistant to...

I sincerely apologize to everyone here, and I hope you can forgive me.

Vivian’s fans angrily demanded that Moon Entertainment should punish the “Life Assistant”.

At the same time, 30,000 USD was quickly raised, and in the name of Vivian, the “public welfare laundering” method was launched to win the popularity of passers-by.

Even so, there is still a wave of smart fans coming off.

As Boris said, the popular variety show “love” did not bring Vivian to a higher level, but the nature of the show exposed her shortcomings and let everyone see her ignorance and incompetence.

More importantly, there is a Hedy in the show who blocks gods and kills gods, and Buddhas block and kill Buddhas.

This is not better than the comparison.

After a comparison, Vivian only has four words, unsightly!

After laughing at Vivian, netizens will inevitably praise Hedy.

“Should I say that Hedy is a god? To say that Vivian is a false certificate is a false certificate!”

“I have a master’s degree in psychology and have sent my resume to ASST ten times. ASST ignored it, but I am so enthusiastic about Hedy. I am so envious.”, Woohoo!”

“I have a question, How did Hedy manage to have such expertise in so many fields?” ”

I’m also curious!”

With Hedy’s amazing appearances time and time again, the public also loves Hedy, more and more curious.

First of all, Hedy was born in a mountain village.

Secondly, her grades in elementary school, junior high school, and even the first half of the semester of senior one, senior two, and senior three were average and at the bottom.

Her classmates also commented on her as timid and cowardly.

Why did Hedy change in the second half of the third year of high school?

Does she really have so much time, to learn so much knowledge, and to be top-notch in almost everything?

This is what Preston couldn’t understand.

He was sitting in the Rolls–Royce Phantom, next to Hedy who was sleeping on his lap, with materials related to “Detective Fox” in his hand.

According to the data, every time Dr. L appeared wearing a mask, “Hedy” of USA was on vacation.

The timing is perfect.

If ordinary people compare the timelines of the appearance of “Hedy” and “Spirit Fox”, they will not find any mistakes.

The only problem is that Hedy has no record of going abroad from the beginning to the end.

Fortunately, he had protected her whereabouts file in advance, otherwise, with the heat this time, things might have gone crazy.

“Cooper...”

The girl in her arms murmured in her sleep, her tone full of longing.

Preston pursed his thin lips tightly, and jealousy appeared in his slender eyes.

He didn’t know who Cooper was yet.

It was only through the broken letter that Cooper called her “sister”.

But there are many kinds of “sister”.

My sister, my cousin, my cousin, my righteous sister, my neighbor’s sister...

Suddenly, my mood is not good.

The man stretched out his fingertips and pressed a small hole on Hedy's porcelain face.

He let go of his hand, and the pit became round again.

12

again, but his fingertips stopped in mid-air.

He was afraid of waking her up.

The man moved gently, stroking her long crow-blue hair, his thoughts drifted away.

When will you be able to tell me your past.

The two left Ewha Village.

"love" officially ended the live broadcast.

CP fans are sad.

"Will we still be able to see the two of them in the same frame in the future?"

"It should be impossible. Although we are so excited about CP, we all know in our hearts, Childe King is a variety show for friends, and it is for the company. Be good to Hedy."

"Yeah, Hedy is already very good, but the gap with Childe King is still *too big.*" "

I really *hope* that the two of them will have a chance to interact~"

—

When Hedy woke *up*, he had already arrived at the apartment.

As soon as she opened her eyes, she saw a slender man wearing an expensive suit jacket.

"Do you want to go out?" Hedy sat up and checked the time on the phone.

It's seven o'clock.

"The old man and grandpa are comrades-in-arms. The old man celebrates his birthday tonight. Grandpa is taking care of grandma in D City. I can't get away. I'll go to the banquet for him." Preston's voice was low and melodious, "Are you hungry? I'll do it." cake."

Hedy didn't answer.

She analyzed the information in Preston's words.

First-class giants.

For the old man's birthday, the size will not be small, and the guests who come and go don't have to think about it, they are all rich or expensive.

The top wave of people in the world will attend this banquet.

Including ladies and gentlemen.

Hedy lowered her eyes, "Can I go with you?"

She seemed *to* be slowly awakening her possessiveness.

"Bored at home?" Preston sat on the edge of the bed and looked at her.

want to see other women throwing arms at you."

Preston froze for a moment, his eyebrows frowned, "Are you jealous again?"

Hedy lay down on the bed and covered her with the quilt from head to toe. Covering tightly, a dull voice came out,

"Forget it."

She knew that her proposal was rather sudden.

Obviously before, I wanted to be low-key, low-key and low-key.

Preston lifted the quilt, stared at her distressed delicate face, and laughed nicely,

"When did I say no more? Get up, and I'll take you to pick out a dress."

There was no dress in Hedy's closet.

The *only one* was bought by herself when the two had their first official date.

Although she looks pretty in that one.

But that kind of "pretty" has a different meaning, and he doesn't want to be seen by more people.

Tonight, the hotel is booked out.

Because the first-class wealthy old man wants to hold a birthday party here.

Before the banquet started, a large number of top luxury cars had already parked in the parking lot, which caught Vivian's eyes. With a greedy and yearning expression on her face,

Vivian walked into the banquet hall and came to a woman wearing a royal blue 9-layer evening dress with her hair tied

“Vivian.” The woman rolled her eyes, looked at Vivian out of the corner of her eye, and said in a cold tone, “I remember I told you to keep a distance from Childe King.”

The woman’s name is Mona, the granddaughter of the old man, and she has been in love with Preston for a long time.

Knowing that her cousin was going to with Preston, she specially sent a te: her.

In the end, it was not as she wished.

Mona wants to climb onto Childe King’s bed and become. the first lady of the wealthy USA, doesn’t she want

Vivian? She didn’t take Mona’s warning seriously at all.

But being questioned right now, she had no choice but to answer with a stiff neck, “Cousin, I’m helping you test Childe King’s bottom, to see what kind of woman Childe King likes.” Mona looked at

Vivian for a long time, and sneered, her eyes disdainful, turned and left.

Vivian did not give up and followed, but she wisely stood a little behind

Mona, not daring to preempt. Rolls–Royce stopped quickly.

Aiden in the driver’s seat got out of the car. In order to open the rear door, Preston stretched out his long legs and leaned over.

The reporter, who was dormant outside because he couldn’t get in the hotel, snapped pictures.

Just when everyone thought Preston was going into the hotel, he went around to the other side of the car and opened the door.

Preston reached out and gently led Hedy out.

Hedy took Preston’s arm and walked into the hotel side by side.

Someone exclaimed, “Childe King brought a girlfriend! He even opened the door for her!” ”

Isn’t this Hedy who participated in a love variety show with Childe King before?”

“Are they real?” ”

I don’t know, maybe it’s just Ordinary female companions, I don’t think Childe King would be interested in Hedy.”

From their point of view, looking through Hedy’s resume, it feels very ordinary.

The light magician Light, to put it bluntly, is a somewhat famous painter.

Her previous paintings were auctioned for 20 million, just because there are not many paintings handed down from her, and rare things are more expensive.

If she really made a living by painting a few more paintings, the price would drop a lot.

But this moment is “now”.

The current Hedy is far from enough to impress them.

They all look down on him, so can Childe King look up to him?

Everyone thinks so.

Reporters rushed to take photos of Hedy and Preston attending the banquet together, edited the news and uploaded it to the Internet.

entrance of the hotel.

Mona and Vivian froze, forgetting to speak.

None of them thought that Hedy could be Preston's girlfriend and attend a banquet of this size.

The eyes of many men are not loose on Hedy.

No matter how much they look down on Hedy in their hearts, Hedy's beautiful appearance and exquisite figure are extremely lethal to them.

As soon as she came, all the flowers in the house were dejected.

Someone's vinegar jar was overturned as a matter of course.

Smiling, the smile didn't reach his eyes, he took off his suit jacket in public and put it on Hedy's shoulders, with an

"Is it cold?" Hedy glanced at the direction of the hotel's air conditioner.

Although winter is coming, the hotel has central air- conditioning to control the temperature, and the temperature and humidity are very pleasant.

But she didn't take off the coat either.

The coat has a Preston vibe on it, which she loves.

Mona. Regarding this point, Preston also admitted that

he chuckled and answered the old man's question truthfully, "Your granddaughter abandoned the comfortable environment, was not afraid of hardships, galloped on the ice rink, and made the history of women's figure skating in USA. She is a hero among women."

Mona blushed Yes, my heart was pounding.

She knew that as long as she worked hard enough and stood high, she would be seen and recognized by him!

The old man laughed loudly,

"Then I won't play around, Boy, as the saying goes, male college students should get married, and female college students should get married. Since you think my granddaughter is good, why don't you... talk about it?" Preston calmly

said Response, "I already have my heart."

Mona's blushing face turned pale in an instant.

"Oh? I don't know which family's daughter got into your eyes?" The old man was not angry either, he was only going to try to draw a line, and now he was even more curious about who the "belonging" in Preston was.

Preston
