

I HELP A NPC BECOME THE LEGENDARY WITCH

Chapter 4

The Moment of History!

Vivian had never slept so comfortably.

Not only was her body warm as though she was beside a huge furnace, but her face also felt like she was lying on top of a high-quality fur that only people in big cities could use. It was both soft and furry; simply wonderful!

Deep within her subconscious, the girl rubbed her face against the “pillow” in her arms. Suddenly, Vivian suddenly felt her “pillow” quiver.

In a daze, she opened her eyes. The first thing she saw when she woke up was the desolate expression on Liao Zixuan’s wolf face in response to being held tightly in her arms.

Time seemed to have frozen at this moment.

Liao Zixuan watched as the girl’s expression changed from confusion to dullness, and then from dullness back to confusion.

Seeing that Vivian was about to faint from fright again, he hurriedly activated the emergency plan that he had thought of earlier.

Lick!

Liao Zixuan resolutely stretched out his little wolf tongue. While he was still in the girl’s arms, he immediately licked Vivian’s dainty nose.

Shameful!

How shameful!

Liao Zixuan had never imagined that such a day would come. He was a man, a world-class Boss cub, a Dark Flame Wolf that was regarded as a forbidden lifeform. But at this moment, he was like a puppy, licking someone else's face!

Shameful!

Too shameless!

This part must be cut out! It cannot be broadcasted!

But you don't say...

It's like...

This is quite something! So this is what a girl's nose feels like! What about here? What about here? Here...

Lick!

The girl smacked her lips...

After three or four seconds, poor Vivian seemed to come back to her senses.

The girl finally mustered her courage and used her trembling hands to wipe the saliva off her face. Then, she shakily pulled the little baby wolf who still wanted to lick her face away from her.

Ahem... ahem...

Anyway, it has already been agreed that this part would not be included. As long as I am not embarrassed, it is others who are embarrassed!

Liao Zixuan shamelessly muttered internally that everything that occurred just now was just to gain the trust of this silly girl. It was purely a helpless action! There was absolutely nothing of him discovering the addictiveness of licking!

Unfortunately, his initial well-thought-out justification was dashed by the girl's first sentence which almost made Liao Zixuan fall.

"I don't... I don't have much meat. I'm... sob... I'm really not tasty...". Initially, Vivian spoke while crying, but later she spoke as though she was being tied up.

The corners of the young woman's eyes were wet. He didn't know if it was the morning dew, her tears, or the saliva that hadn't been wiped clean...

Anyway, the little girl's legs parted with a knocking sound, and she sat in front of Liao Zixuan, looking as miserable as she could.

Damn it, I licked her for nothing just now. This silly girl thought I wanted to eat her?

Liao Zixuan stomped his wolf feet angrily in a human-like manner.

He first used his mouth to tug at the girl's clothes with all his strength, telling her to stop crying. Then, he shook his head at her vigorously.

It couldn't be helped. Vivian's level as a Summoner was too low. They couldn't communicate through telepathy, so they could only use such a primitive method.

"You... you mean you... don't want to eat me?" It was the first time Vivian had ever seen a monster who could communicate with a human. At least, this was the case for someone like her who had come from a poor rural village.

“Howl!” Liao Zixuan nodded vigorously.

Seeing that the little wolf on the ground really seemed to be responding to her, Vivian was completely stunned for a moment. Then, her curiosity temporarily suppressed her fear as she hurriedly asked in an incredulous tone,

“You... you can understand me?!”

“Howl!”

F*ck! This silly girl was finally enlightened!

Liao Zixuan felt gratified internally; he was about to cry. This had been way too challenging!

He even nodded while spinning around on the ground, wagging his tail excitedly.

F*ck! Wait a minute, why does it feel more and more like a species starting with

H

?

Dignity!

Where did his dignity go?

He was a Dark Flame Wolf and his soul was a top-notch player in “Fallen God”. He had to maintain his identity!

Just as he was about to respect himself and maintain his image, the girl's next words made Liao Zixuan break his defense instantly.

“So... can you... can you let me go?”

Vivian was like a helpless sheep that had accidentally entered a wolf's den. After she asked her question carefully, she looked pleadingly at Liao Zixuan with her pitiful big eyes.

“Howl! Howl!” This time, Liao Zixuan couldn't bear it anymore.

He howled at the girl fiercely, then raised his wolf head high and shook his head vigorously.

As a human... oh no, as a wolf, I should be more ruthless!

Be more commanding!

He first pointed at the girl with his little paw, then at himself, and finally at the exit to the forest. It meant,

“You have to stick with me all the time. We'll exit the forest and go home together.”

.

After Liao Zixuan's hard work...

Vivian finally accepted the fact that this small wolf cub with terrifying power didn't seem to harbor any ill will toward her and it seemed to insist on following her.

It was unknown where the girl's courage came from. Perhaps it was her professional instinct after becoming a Summoner.

After Vivian hesitated for a moment, an unknown excitement shined a little in her eyes. She slowly stretched out her hand and tried to touch Liao Zixuan's little head.

Liao Zixuan didn't refuse. He was even afraid that the girl would retreat halfway, so he took the initiative to approach her.

Finally!

It was definitely a historic moment. In Dreadclaw Forest, located at the edge of the world of "Fallen God", in an inconspicuous corner of the Flame Domain... this historic moment was born.

From this moment on, the trusting relationship between the two... oh no, a human and a wolf was officially established.

Under the guidance of a certain evil Wolf God, countless historians and passionate gamers in the future would name this event —The Origin of the Witch, The Birth of the Queen.

It was said that Miss Vivian, the legendary Witch who was already at the top of the pyramid and invincible in the world, died a few months after learning about this.

But of course...

At this moment, the silly lady, Vivian the village girl, was still giggling with excitement.

When she saw that Liao Zixuan didn't resist or feel dissatisfied with her actions, the young woman instantly became bold as well.

Vivian's little hands began to stroke here and there. Good lord, they really were similar. The girl was clearly addicted to touching!

At first Liao Zixuan tolerated it...

After all, it was understandable. With his Dark Flame Wolf's noble bloodline, his fur was top-notch. If he were to sell it, it would cost tens of thousands of gold coins... Ptui! That's nonsense! Was this something that money could measure? How vulgar!

Furthermore, to be honest, he felt quite comfortable being touched by the girl.

But beyond that...

When Vivian's little hand started to approach places she shouldn't touch, Liao Zixuan shivered and quickly escaped from the girl's claws.

Perhaps because she realized that she had crossed the line, the young girl's face immediately turned slightly red from embarrassment, though a hint of dissatisfaction could still be gleaned from her expression...

But very soon, after playing around, Vivian finally realized that she had important things to do.

The girl quickly reached into her pocket and carefully took out a small cloth bag under Liao Zixuan's curious gaze.

When its contents were spread out on the ground, he discovered that there were several medicinal herbs.

1. He is alluding to the dog species “Husky”
