

## The Queen 1011

### Chapter 1011: It Hurts to Bear All This Humiliation

After completing her task today, Su Cha returned to the Lookout Pavilion.

She had been free recently, so she came back first.

Bo Mui also rushed home after receiving the news. When he saw Su Cha, he had just finished showering. He was wearing a simple white shirt with a fresh fragrance from the shower. He was as clear and pure as a god from the nine heavens.

He would not be stained with dust for life.

Su Cha stood afar and felt the sunlight dazzling her eyes.

“Cha Cha.”

The person stepped out of the light and reached out to her gently. The smile on his lips seemed capable of driving the world crazy.

“Muyi.”

She also called out to him sweetly and leaned into the arms of her sweetheart. She praised naturally and directly, “You are really handsome.”

He was so handsome that she had to praise him whenever she saw him.

The man chuckled and did not comment. He was used to her sweet tone.

He liked it very much.

He hugged Su Cha gently and the two of them sat on the outdoor chairs in the courtyard to rest. Su Cha buried her head in his neck and occasionally whispered something about him. The two of them looked sweet and warm. Even the secret guards who were secretly guarding them did not want to look at them directly.

In the past, they had thought about what it would be like if the young master dated someone. They had never expected that he would be so clingy.

Blue Sky, which she had not seen for a long time, suddenly appeared. Although Su Cha knew that it was somewhere in the Lookout Pavilion, the place was very big. She had never had time to look around the whole place. Basically, it was rare to see animals from the ferocious beast area coming over.

Of course, they were not usually allowed to come.

After all, it was a big beast. There were other servants in the house who were timid.

“Hey, Blue Sky, come here.”

Su Cha immediately saw the wretched appearance of the huge lion’s head. The other party seemed to have noticed her. It wanted to avoid her at first when it heard Su Cha calling, but the man beside her narrowed his eyes dangerously. Blue Sky’s hair stood on end as it quickly ran over.

Although it was wagging its tail, it was not necessarily happy.

It was being forced!

With this thought in mind, it walked over and lay down in humiliation. Then, it raised its head and enjoyed the touch of its mistress.

“Aiya, I haven’t seen Blue Sky for a long time. Have you become fat again? It seems that your summer food is really good.”

Su Cha touched the lion fur on Blue Sky’s body. It was not soft. The man looked at it silently and suddenly said, “Dirty.”

Blue Sky was heartbroken when he spoke. It wanted to stand up and say that it had just washed up.

“I don’t think so. It smells good. Did you just bathe?”

Su Cha was about to take a sniff when Bo Muyi grabbed her shoulder. “Don’t smell it.”

Blue Sky: “…”

It was furious. Usually, when Su Cha was not around, the male owner would lower himself and touch it. As long as Su Cha was around, he would never allow himself to touch anything else.

If not for Su Cha’s insistence, he probably would not even let Su Cha touch Blue Sky.

However, it did not have any status and could not beat the female owner, so Blue Sky obediently stood on the spot and was teased by Su Cha.

Fortunately, there were no other friends of Blue Sky around. If they saw Blue Sky, it would probably not be able to go to the beast area to lord it over others. White Clouds alone would surely laugh.

## Chapter 1012: The Last Time

The two of them played with the lion. Su Cha touched the lion’s fur and carefully avoided touching Bo Muyi. After all, he liked cleanliness.

Looking at Blue Sky, Su Cha recalled the past. She suddenly looked at Bo Muyi and said, “Who was with you when you were home before?”

For so many years, Bo Muyi had been alone in the Lookout Pavilion.

When he heard this, Bo Muyi’s eyes darkened visibly, but he was still willing to answer Su Cha.

His voice was very clear. When he lowered his voice, it gave off an inexplicable feeling of heartache. “It’s just me and them.”

By “them,” he was naturally referring to the ones in the ferocious beast area.

Su Cha was conflicted.

However, she quickly patted Bo Muyi’s shoulder. “I was the same in the past. Actually, no one accompanied me. My family was not by my side. I studied alone outside.”

To a certain extent, she had been alone with Bo Muyi.

But she was not as stressed as Bo Muyi.

The man looked at Su Cha stubbornly with his diamond-like eyes. “You and Lian Chi...”

He rarely mentioned other men in front of Su Cha, especially this man.

Su Cha was stunned and smiled. “He moved away so early. How much contact could I have had with him? And I did live alone for those years.”

Otherwise, Zhai Yao would not have made her so loyal.

When a person who had no one to rely on grabbed a piece of rotten wood, their persistence would make people despair.

As Bo Muyi listened, he held her cheek and kissed it. “It’s okay. You have me now.”

Su Cha nodded and smiled until her eyes curved into crescents. “Yes, I have you. You are the greatest source of happiness in my life.”

She said those simple words sincerely and naturally, making Bo Muyi feel satisfied.

It felt as if his efforts had paid off. The corner of his lips curled up into an unconcealed smile. Perhaps it was because he was in love. Blue Sky suddenly raised its head to show its existence.

Bo Mui came back to his senses.

Then he glared at it.

Blue Sky: "..."

If I didn't express my existence, what were you two shameless humans planning to do?

"Blue Sky is still here."

Su Cha did not have that thought. There were still secret guards in the dark. No matter how shameless she was, she could not do anything to Bo Mui in public. However, her emotions moved her slightly. She patted Blue Sky's head with a smile and pulled Bo Mui into the room. "I have something to tell you."

She had just received the news. While Bo Mui was in a good mood, she simply said, "Lian Chi wants to see me."

As soon as she finished speaking, Bo Mui's breath suddenly sank. The surrounding air seemed to freeze in an instant. His expression was ugly as he held Su Cha's hand tightly. "No."

He was like a stubborn child.

Su Cha turned her head, but her eyes were serious. "This is the last time. He will tell me the core information about the Killing Alliance in prison. This is his condition."

Bo Mui shook his head. "I don't need it."

Su Cha sighed. "I know you don't need it. You are capable, but the Star Alliance needs it."

She was still the Alliance Master of the Star Alliance. She had to bear the responsibility.

Chapter 1013: Not Memories

The news that Lian Chi wanted to meet was naturally sent by the Star Alliance. He offered an exchange. Su Cha thought about it for a while and naturally went to meet him.

It was worth mentioning that he was not implicated because of the Star Alliance but because of a commercial financial crime.

Su Cha did not know much about this. Naturally, it was Bo Muye's doing.

It was not difficult for them to meet. Even if they could not meet normally, they could do it with their status.

It had been a while since she'd last seen Lian Chi.

Hence, she was not surprised to see him dispirited.

The person sitting opposite her no longer had the high spirits that Su Cha saw there when she first met him. He lowered his head slightly, as if he had given up all hope for this world.

Ordinary people might not be able to bear it.

On the other hand, Su Cha, who was sitting opposite him, was dressed in a casual winter outfit. She had a natural temperament and was no longer as inexperienced as before.

Lian Chi raised his head and carefully traced Su Cha's past appearance with his eyes, as if he hoped that he could remember the familiar aura from back then.

Unfortunately, he only felt unfamiliarity from Su Cha.

The girl who was willing to follow him obediently with her eyes open seemed to have disappeared.

"I can tell that you've been doing well recently."

Her complexion was excellent. Anyone with discerning eyes could tell that she had been in this state for a long time.

Su Cha smiled. "Aren't you talking nonsense?"

If she could not live well, how troublesome would that be?

Lian Chi curled his lips into a bitter smile. Life in prison was far from elegant. He had not shaved his stubble and looked a little sloppy.

Su Cha touched the palm of her fingernails. The nails that she had just got done shone brightly under the light. They could even blind one's eyes. Lian Chi subconsciously avoided them.

"What do you want to tell me?"

Her cold and indifferent voice had no traces of the one he knew.

This was far from what he remembered.

"I..."

He opened his mouth and suddenly did not know what to say.

He'd asked Su Cha to come just to see her. As for what to say to her, even he did not know.

He suddenly smiled and said, "How did you know about me?"

Other than this matter, there wasn't much that he was puzzled about.

Su Cha flicked her nails and said in a relaxed tone, "If you want to know something, you can ask about it. But no one is obligated to answer you. Don't worry, I learned it all myself."

Obviously, she didn't want to say it.

Lian Chi did not probe further. He suddenly sighed and said regretfully, “Actually, I could have taken you away back then.”

Su Cha was stunned.

Lian Chi’s smile was still moving at this time, but it was a little cold. “But I thought you would have dragged me down.”

At that time, he was very conflicted.

Should he take Su Cha away or stay here?

After all, his status was different. It was too much pressure for him to return to the Lian family.

On one hand, he knew about Su Cha’s situation. He knew that Su Cha’s father did not love her mother. It would not have been difficult for him to take Su Cha away.

Unfortunately, he did not choose to do so.

At this point, he could not say if he felt regretful or not.

After saying this, he shook his head. “No, it’s actually just as well, because you are no longer the Su Cha in my memory.”

Chapter 1014: The Dust Settles

The little girl from back then seemed to have disappeared after he chose to leave.

“What’s the point of saying this?”

Su Cha frowned and became impatient. “Did you call me here just to tell me this nonsense?”

There were surveillance cameras here. It was not appropriate to say too much, and Bo MUYI was probably watching.

She did not know how he felt when he heard those words.

Lian Chi was not hurt by Su Cha's cold attitude. He just looked at her as if he understood something and asked, "Actually, you are long gone, right?"

His question was creepy.

Su Cha was not afraid. Instead, she calmed down completely. She looked at Lian Chi seriously and smiled coldly. "Yes, she's dead."

Su Cha had died long ago.

She'd died in her previous life.

She could be said to be a brand new Su Cha, or the original Su Cha.

But she was no longer the Su Cha in Lian Chi or Xiao Chi's memory.

Hence, Lian Chi had always felt that the two of them did not match.

Of course they did not match. They were not from the same life. How could they match?

As if he had received a definite answer, Lian Chi felt relieved. However, Su Cha's next words made Lian Chi lose his smile. "You have been killed by me."

The young lady from before had indeed died indirectly by Lian Chi's hands.

Her tragic experiences were mostly because of Lian Chi.

Lian Chi had personally killed the former Su Cha, so how could he have the gall to do this here?

He did not speak again, and Su Cha did not either. She could only see Lian Chi's tightly pursed pale lips.

After a while, he closed his eyes and said again, "Go. Someone will give you what you want."

Su Cha stood up without hesitation and left.

It was straightforward and without any trace of nostalgia.

At this time, Lian Chi probably did not have the desire to ask her if she had returned. He should spend the rest of his life trying to figure out what she meant.

\*\*\*

It was Bai Kun who came to pick her up.

When he saw her, Bai Kun approached her worriedly. "Miss Su, are you okay?"

Su Cha smiled inexplicably. "What can happen to me? What else do you think he can do to me in prison?"

"Nothing."

Bai Kun laughed. "Isn't it because Young Master is worried?"

"What's there to worry about? I don't believe you didn't hear us talking through the live broadcast."

Su Cha rolled her eyes. Bai Kun smiled awkwardly. "I just saw it, I couldn't hear it..."

To a certain extent, the young master respected Miss Su's privacy.

However, just looking at the scene and guessing the lines, it felt a little cruel.

Su Cha's heart skipped a beat and she asked, "What is Muye doing now? Can you send me to the company?"

"Okay."

Bai Kun was waiting for her to say this. After receiving the order, he naturally drove quickly to the company.

On the way, Su Cha received Fu Mo's notice that she had an event to attend.

At the same time, there were new movements from the company.

After she got the Best Supporting Actress award, Tan Jinsui received a new script.

In this silent afternoon, Su Cha did not feel much fatigue. She just pressed her eyebrows and suddenly felt that everything was settled.

Chapter 1015: Missing

"A female lead role..."

Lying on the sofa in Bo Muye's office, Su Cha looked at the script sent by Tan Jinsui and clicked her tongue.

The man at work raised his head. His eyes, which were adorned with golden frames, were deep and sharp, as if they could reflect people's hearts. There was also a gloomy aura that made people want to scream crazily.

"There's a kissing scene?"

It was as if there was a radar in his mind. When he heard Su Cha's words, he realized that something was wrong.

"How could the main female lead not have a kissing scene..."

Su Cha curled her lips and expressed her opinion seriously after reading it. “But I think the script outline is quite good.”

She wanted to take it.

Bo Muye was hesitant.

“There are not many kissing scenes. There are only two or three scenes. Do you want to be a replacement for them?” Su Cha probed.

Bo Muye pursed his lips and finally whispered, “Okay.”

He seemed reluctant.

Su Cha chuckled. “I thought you would just say no.”

Compared to being a kissing substitute, Bo Muye probably did not want Su Cha to kiss anyone else even more.

But she was in the industry. How could she not take on such female lead roles?

Kissing scenes were sometimes the soul of a scene. It was necessary to show it. Tan Jinsui felt that with Su Cha’s current state, it was not suitable for her to challenge other kinds of female lead roles that required superb acting skills.

She was talented, but she did not have a high-level acting talent when it came to certain roles.

That kind of thing needed to be accumulated through experience. One must not compare themselves to some people who were born with it.

Hence, the best plan of action was to take it step by step.

“Is there any point if I said no?”

For the first time, Bo MUYI felt unhappy. He sat up straight and tensed up. “You never listen to me.”

He could not do anything about Su Cha.

“There is. I’ll listen to you.”

Su Cha glared at him and felt very innocent. “When did I not listen to you?”

“When did you ever do what I told you?” Bo MUYI immediately rebutted.

Su Cha felt that they would probably start arguing again if this continued. She quickly said, “Stop, let’s not discuss this. We were discussing the script.”

Bo MUYI snorted and did not say anything else.

The people in the company could not have imagined that the cold-faced king of hell would compromise in front of a girl, letting go of his principles.

Since Bo MUYI agreed, Su Cha replied to Tan Jinsui, “I’ll take it, Uncle.”

Tan Jinsui: “Oh, even a certain jealous lover agreed?”

Cha Yi: “Isn’t it because he’ll be the kissing replacement again?”

Tan Jinsui: “...”

Tan Jinsui could tell that Bo MUYI would probably blacklist him in the future.

As they chatted, Yun Zu’s WeChat message popped up.

Master Yun Zu: “Big brother, congratulations. You are in the global limelight again!”

Cha Yi: "..."

Master Yun Zu: "Monkey Embracing Peach is a classic. People are praising it at the art exhibition. You must be very happy this year. Surely you are in high spirits..."

Cha Yi: "Does it come with pay?"

Master Yun Zu: "How vulgar!"

Master Yun Zu: "How can our works be measured with money?"

Master Yun Zu: "Besides, with your current status, won't there be tens of millions of people who'll want a piece of embroidery work from you? Don't agree unless it's ten million!"

Cha Yi: "..."

No one was seeking her out.

Not only did she have the status of an embroidery master, but she also had the status of a celebrity. In private, she also had the status of the Alliance Master of the Star Alliance. Probably not many people would dare to pay for her to embroider a secondary work.

Look at her boyfriend. Would others think that she lacked money?

What she lacked...

Chapter 1016: Can't Tell

No matter how rich her boyfriend was, he was still only her boyfriend. Although he would still be hers in the future, Su Cha still wanted to enjoy the dream of becoming a rich little lady.

At this time, her career had already taken off, but she did not take on many jobs due to quality issues. Even so, a few advertisement endorsements had already made her worth tens of millions. After all, she still had to pay taxes.

But money was something that was afraid of comparison.

Tens of millions were nothing to Bo MUYI. Her little savings were nothing...

Money?

Su Cha had just won the Best Supporting Actress award. She was very popular, but her net worth was not outrageous.

Tan Jinsui only offered her 10 million yuan per movie.

If it was a television drama, according to the current requirements, it would only earn her 500,000 yuan per episode. She'd get the most for a show with 40 episodes.

The total price would not exceed 20 million yuan.

It looked amazing, but it still depended on whether she'd get an offer.

This was not a matter of whether she could be invited for a role or not, but whether there was an opening.

If she went on a variety show, she would only get a salary of a few million yuan.

After all, the country's pay for celebrities was very high, unless they had a particularly high reputation.

For example, Zou Manni's production cost tens of millions to hundreds of millions.

Usually, when an A-list celebrity's salary exceeded the standard, they would be immediately rejected.

But for ordinary people, it was still unimaginable.

It was even more so for the past Su Cha.

Now, she did not need to worry about her food and clothes. She used almost everything that Bo Muyi did. The only thing she needed to worry about was the daily management and maintenance of the Star Alliance.

Ever since she took over, she knew that the Star Alliance needed a lot of money.

And it was very expensive.

Fortunately, the Star Alliance had means to turn things around.

Of course, if she put up an advertisement and went out to take jobs, it would be even more impossible. She would be mocked...

A grand master...

It was really heartbreaking that she could not earn money despite her ability!

Cha Yi: "Sigh..."

Master Yun Zu: "Sigh, my ass, what are you sighing for? By the way, in which episode do you officially fall out with Emperor He? Did he act intimate with you? I find his role very boring. I'm really afraid that you will suddenly fall in love with him in the later stage."

Cha Yi: "He will fall out with me, but he won't like me. In the end, I was stabbed to death by him and hung on the city wall!"

Master Yun Zu: "Hey, I was just asking you about the rest of the plot. Why did you spoil it!! You evil creature! Evil creature! [spoiler of the drama, your whole family should die.JPG] [Your mother exploded, orphan!.JPG]"

Cha Yi: "..."

Master Yun Zu's emoticons became crazy. Su Cha knew that he was joking.

However, she could not help but have a headache when she thought about how someone over 70 had used such emoticons.

If this was posted on Weibo, it would probably blow up for three days and three nights.

After turning off her phone, Su Cha told Bo Muyi about her work at the art exhibition. Bo Muyi smiled proudly. "Isn't this how it should be?"

Obviously, it was normal for Su Cha to be capable.

After playing in his company for a while, Su Cha returned to the production crew the next day to continue filming "Mo Clan City," and school was about to start.

In the new year, Su Cha was going to be a second year student. It was time to start something new.

After the official completion of "Mo Clan City," Su Cha returned to school without hesitation.

Before she left, Joshua's expression was strange. He'd said that he was unhappy in China. He was quite well behaved after that, but whether or not he became happy, it was really hard to tell...

Chapter 1017: Paparazzi

After the hot summer vacation, the plot of "The Legend of the Crane" began to surge.

During the summer break, the viewership was at its peak. Although it had declined slightly after the school term began, the online broadcast was still very strong.

In addition, the subsequent plot became more and more exciting. The popularity of the drama did not diminish.

Su Cha became the national goddess overnight.

She was not a conventional citizen. She was now one of the female celebrities with high popularity.

There was also the female lead of this drama, Mu Jiao.

This drama was really popular. From the main leads to the supporting roles, everyone was a hit. As one of the actresses with a representative role, Su Cha naturally did not need to be mentioned. When they saw her at the school opening, many of the juniors' eyes were filled with amazement and admiration.

Now, the audience's evaluation of her was: an enchantress.

They'd willingly let her play with politics and cause disaster, and they'd willingly be a muddle-headed ruler.

With this unprecedented increase in popularity, there was naturally a lot of attention.

The school gate was filled with reporters every day. There were also secret revelations from the surrounding students. Any trivial thing would become trending.

Of course, since Su Cha did not buy spots on the trending searches, the frequency was normal. Occasionally, there would be some explosive news.

Even her assistant, Fu Mo, had had an increase in followers.

Due to the huge difference in her current style compared to when she was a first year, people also suspected that the assistant had had plastic surgery...

Fu Mo was much happier than before. Su Cha could feel it.

Su Cha's fans often surrounded her now, and Fu Mo would help her fend them off. Fu Mo was also in charge of the fan club. Occasionally, she would encounter some veteran fans, but Fu Mo would comfort them well. Those fans who had good relationships with her would sometimes specially send something to Fu Mo.

Everyone knew that Su Cha did not accept fans' gifts.

After all, she looked cold and unapproachable. But the amiable Fu Mo appeared much more approachable.

Hence, fans usually did not bother Su Cha directly and looked for Fu Mo instead. This unknowingly resolved many troubles for Su Cha, and she would not encounter such fanatical fans around the school.

Of course, she was taken to the company by the nanny car every day before she went home secretly.

As for her boyfriend, the Imperial Mu Group actually turned a blind eye to it. However, Su Cha too had done a good job of keeping it a secret. Moreover, Bo Muyi usually went back very late, so it was basically difficult for them to meet when the two of them were in the same car. Hence, Su Cha's boyfriend's identity was a mystery to the public.

Some fans even said on the Internet, [Does she not have a boyfriend at all?! Why haven't any dating photos been released?!]

[Is the man's background too big? Are they not allowed to expose this?]

[I don't know why, but I've never seen any news about Su Cha's boyfriend. There's not even a photo of the two of them together. If Su Cha hadn't admitted it herself, I would have found it hard to believe that Su Cha has a boyfriend...]

[It's said that her boyfriend is too powerful. It's not that Su Cha doesn't want to announce it.]

[How can our demon consort let herself be wronged? It's obvious that she wants to be a consort who's a harbinger of disaster and who makes the king muddle-headed. Why can't she announce it? It will be announced sooner or later! There are no celebrities who can't be photographed, only paparazzi who don't work hard! The paparazzi nowadays are all a bunch of trash!]

[A bunch of trash is useless!]

Chapter 1018: Fans Think Bo Muyi Is Ugly

“Date?”

The man looked at the reports online and smiled. “What do I need to do that for?”

He could do anything with Su Cha. As long as they were together every day, they could go anywhere in the Lookout Pavilion.

Actually, it did not matter to Bo Muyi.

Their itinerary did not often match. It was good enough that they could live together every day. Of course, they would not be photographed.

There was only that one time, which he’d had taken down. No one dared to post it yet.

“A date is for you to enjoy some things with Miss Su.”

Bai Kun spoke sincerely. If it were not for the fact that he had dated only a few times, he’d feel that his hair would turn white for Bo Muyi. “Do you sometimes think that it’s enough for you and Miss Su to be at the Lookout Pavilion?”

They did not have any private schedule.

Bo Muyi was stunned and his smile faded a little. “What date? Can’t two people just be together?”

“You might think so, but Miss Su might not. Women always like romance. You have to pick a suitable time to give her a surprise...”

Bai Kun tried his best to think of the strategies he had found online. At the same time, he pointed at these reports. “This will also make the paparazzi...”

“No.”

The man’s face was tense and he was clearly unhappy. “It’s enough that I can be alone with Cha Cha. She wouldn’t want a date either. It doesn’t matter where we are. It doesn’t matter if we don’t go on a date.”

Bai Kun: "..."

He felt that the young master had a different way of thinking.

In fact, Bo Muyi understood Su Cha to a certain extent. Su Cha did not mind such formalities, so she did not suggest going on a solo date with Bo Muyi.

Since they were together, what difference did it make?

Sometimes, Bo Muyi might think it's fine to go to other places, but he didn't care which one...

It was also because Su Cha was usually too busy. It was hard for her to think about going out with Bo Muyi in her spare time. Whether it was watching a movie or buying something, it was actually the same. There was no difference.

"Then, Young Master, that video..."

Bai Kun thought of the video he had been holding and could not figure out Bo Muyi's intentions.

He felt that the young master wanted to make it public, but now, he was holding on to the big news. After all, they were perfectly capable of revealing Bo Muyi's identity vaguely to prove his status, and then not let Bo Muyi be tainted by any news.

Bo Muyi's face darkened and he did not speak. At this moment, he casually refreshed the page and a new title popped up on the forum.

[What if the fatuous emperor is actually ugly? I would think Su Cha has been defiled...]

"Don't say such scary things. I can't imagine such a scary thing."

"I think a person like Su Cha can only be embraced by a handsome man. If she is with an ugly man, I will die together with that man!"

“Please let these scary thoughts disappear, okay?”

“Sob, Su Cha’s man has not announced himself yet. Could it really be because he’s too ugly...”

“If he’s ugly, I can only hope that Su Cha will come to her senses soon and leave him.”

“I really suspect that Su Cha has been bewitched by some ugly man. Otherwise, why would she insist on having a boyfriend even though she has not made it public? Could it be that her boyfriend is ugly and poor...”

Bo Muyi’s face darkened. Su Cha’s fans were blindly thinking that he was ugly...

Chapter 1019: Something Is Wrong with Joshua

Whether he was ugly or not was not the problem.

Bo Muyi simply did not care about making it public.

However, he could not tolerate those words that urged Su Cha to leave him.

At the thought of this, Bo Muyi’s eyes darkened. Bai Kun quickly probed, “You have an idea?”

“Let’s see what Cha Cha thinks.”

Bai Kun: “...”

Well, the young master was probably destined to be a slave to his wife in this lifetime.

\*\*\*

“Is there something wrong with Joshua?”

Early in the morning, Tan Jinsui sent Su Cha a news report. On it was Joshua’s exclusive interview page.

After he finished filming and returned to the United States, he received an interview. However, in the interview, he'd revealed that he worked with Su Cha. The words used were a little strange.

Given his attitude towards Su Cha, he must hate her. However, the words he used in the article were extremely ambiguous, as if Su Cha had a good relationship with him on the set and they were intimate.

This report was sent from Europe and America this morning, so Tan Jinsui only found out about it now.

More importantly, it was easy for Joshua's words to cause gossip.

After all, they had a conflict while they were filming the drama. That alone could blow up the matter, let alone when an international superstar was involved.

And the other was a popular female celebrity who was about to become a starlet.

After Su Cha finished reading the entire interview page, she also wondered if there was something wrong with his brain.

Were she and Joshua ever close?

Not only were they not close to each other, but they also did not speak after filming usually. The entire production crew could attest to this.

So was Joshua suffering from hallucinations?

"It was quite pleasant to talk to her. We seemed to have a destined friendship, as if we had been old friends for many years." Su Cha could just imagine the gossip flying around.

Besides, did Bo Muyi know that Joshua was seeking death?

By the time Tan Jinsui had received this news, the media outlets in the country had already started to repost it.

As expected, it caused a commotion.

#Joshua has a good impression of Su Cha#

#Joshua and Su#

Look at this title, it's so ambiguous.

[Why can I no longer see this world clearly after waking up?]

[Joshua likes Su Cha????????? What the hell??????]

[Damn, the sexiest male celebrity in America!!!! Who can resist such a man!?!]

[Is this a public confession?]

[Logically speaking, Su Cha has a boyfriend, right? I don't believe that Joshua doesn't know that if they have acted together. Is it a publicity stunt?]

[If it were a female celebrity who did such a thing, she would probably be mocked as a fool... She has a boyfriend! This is too disrespectful to her boyfriend!]

[Then the question is, can Su Cha's boyfriend endure it?]

[To be honest, if I were Su Cha, I would work hard to build a good relationship with Joshua. How many people in the world can be so outstanding?]

Perhaps this was the nature of Americans. Joshua's demonstration actually made the hearts of a group of women flutter.

But Su Cha only felt disgusted.

She clearly had a boyfriend, and Joshua had seen him before.

Under normal circumstances, ordinary men and women would not say such ambiguous words. What was with Joshua's one-sided interview? He did not even discuss it with Su Cha beforehand.

So, who was Joshua trying to anger?

What a joke.

Chapter 1020: Dirty Water

“Nonsense! Who even knows Joshua? We don't know him at all!”

“Yes, Su Cha will surely announce it later. They have nothing to do with each other. They were just partners and are not even friends. Yes, that's how it is.”

“Su Cha is not close with Joshua. You are thinking too much.”

...

The company started to get busy again, mainly because this news was too explosive.

Joshua did not have a girlfriend now, but Su Cha had a boyfriend.

But Su Cha and Joshua did collaborate on a project. If the two of them did not have an ambiguous relationship during the shoot, would Joshua say this?

Hence, the media was in an uproar.

They wanted to dig out some information from this side so that they could stand on the moral high ground and criticize Su Cha.

After all, this was considered cheating.

Even the American people were dumbfounded. It was not unusual for a Casanova like Joshua to appear in the news. He was simply a regular customer of gossip magazines. However, the female celebrity this time was Su Cha. Su Cha was still quite famous in America. After all, to become Hiberia's spokesperson was not a joke. Many Americans had a deep impression of this mysterious Asian beauty.

However, not many foreigners knew that she had a boyfriend. Everyone was thinking, Oh, this Su is with Joshua?

The two of them were quite compatible.

After all, many people felt that Joshua's words were ambiguous.

As usual, Joshua's female fans went crazy. After they went crazy, they could only watch helplessly as their idol's "new relationship" was revealed. Then, they would find out who this person was. With this, they found out that the local media had blown things up.

Su Cha was speechless after becoming the center of attention in school.

Some classmates even ran over and asked her in surprise, "It seems that Joshua has a good relationship with you."

Su Cha's expression was cold and ugly. She said stiffly, "I'm not familiar with him at all, and our relationship is very bad."

The student's smile froze.

Su Cha added, "He's messing with me."

Joshua was messing with her.

He did it on purpose.

He knew his international influence, so he let Su Cha fall into such a storm of public opinion, but...

He really did not know who he had provoked.

This matter did not provoke Su Cha, but Bo MUYI.

He could ignore everything. Now that others had started to openly protest, if Bo MUYI did not do anything, it would be a sign that the world was ending.

The classmate widened her eyes in shock. "Why?"

Why would an international superstar spend so much effort to mess with a domestic star?

Su Cha curled her lips. "Maybe he's tired of living."

If he was not tired of living, why would he do such a brainless thing?

Fu Mo helped to pick up many calls and was busy the whole day. Su Cha did not call Bo MUYI for the time being.

However, she knew that Bo MUYI must have already known. Now, she just had to see what he would do.

Joshua's death would be met with no objections.

But before that, Joshua's fake "clarification" came out.

He said that his words had been twisted. He did not mean it that way. He did not expect the Chinese media to misunderstand.

His words directly pushed the blame on the domestic media. It meant that the Chinese media was looking for trouble, bringing trouble to an international superstar like him.

The foreign citizens who did not know the truth immediately piled hate on the Chinese media. As for Joshua's fans, including those in the country, they started to curse the media.
