

## The Queen 371

Chapter 371: Sister, Is It You?

“Is it because you’re not used to me...”

The woman thought that Su Cha might simply be taken aback by her sudden appearance.

She was a little nervous and did not dare to approach Su Cha again, but she could not help but cry, “I... I haven’t seen you in many years. I didn’t expect...”

Compared to her excitement, Su Cha frowned slightly after she pushed her away. Then she was expressionless.

From a bystander’s perspective, Su Cha was scarily calm.

The smile on Butler Xiang’s face changed slightly when he saw Su Cha’s reaction.

“The Zong family told us that you were missing. I knew they were lying to me...”

The woman was crying, but she suddenly laughed as she spoke, which gave Su Cha a headache.

Her heart had skipped a beat. She could tell from the moment she and Su Cha met.

She could feel the familiar unfamiliarity of this woman.

But...

The emotion within Su Cha was different.

Hatred.

Su Cha’s mouth twitched. She did not know where this hatred came from.

She disliked this woman in front of her, even if she was her mother.

As far as she could remember, she had not seen this mother for at least ten years. How could she have such feelings for her?

Could it be that she hated that they had not looked for her in this past decade?

Su Cha did not understand, but she did not think so.

The hatred was engraved in her bones. She could hardly control it when she saw these people.

If not for Su Cha's strong self-control, she could not have guaranteed that she would not do anything to this woman.

"Su... Cha Cha, look at me, I'm your mother!"

Seeing that Su Cha remained silent, the woman became anxious and sad. She called out to her anxiously.

Su Cha frowned instinctively. "You... just call me Su Cha."

She did not like this woman calling her Cha Cha.

Ruan Yin was stunned.

Su Cha's cold and distant tone was completely different from what she had imagined.

She could tell that Su Cha did not want to get close. Seeing her heartbroken gaze, the butler went forward and whispered, "Madam, Miss just came back. Perhaps she's just not used to it. It's normal that nothing is familiar to her."

Ruan Yin believed his words and felt better. She refused to accept the fact that her daughter did not even want to kiss her. She wiped her tears and said gently to Su Cha, "Come here. You must be

tired. I know you have a lot of questions to ask, but can we have a good talk? I haven't seen you for more than ten years. I'm so happy. I want to have a good talk with you. Your father will be back tonight. And your sister, your brother..."

She seemed to be very happy. But Su Cha did not have a good impression of her father, so her eyelids twitched when she heard him mentioned.

Because of this inexplicable feeling, she did not hold much hope for the biological parents who had always existed in her imagination.

Hearing that she had a younger brother and sister, she raised her eyebrows slightly and clicked her tongue.

"Eh? Sister, it's you, sister!!"

Suddenly, a little boy's happy voice could be heard. Ruan Yin and Su Cha followed the voice and saw an extremely beautiful little boy suddenly appear. When he saw Su Cha, his eyes lit up and he ran over happily.

Chapter 372: Why Are You Here?

"Sister, I've been looking for you for a long time!"

The little boy was about seven or eight years old. He was handsome and pretty. He was truly an excellent-looking child.

This child looked familiar.

"Nanfan?"

Ruan Yin was a little shocked. She saw her son rushing in her direction, but it was not towards her but towards Su Cha, who was in front of her. He immediately hugged her leg and was pleasantly surprised. "Sister, why are you here?"

Su Cha frowned and said slowly, "Who are you?"

Zuo Nanfan was stunned. He did not expect that this older sister would not recognize him. He felt a little down, but his eyes soon lit up as he said seriously, “Sister, you saved me before. They said that you saved me. I was almost injured by the bookcase...”

Ruan Yin looked at Su Cha in shock. “You were the one who saved Nanfan?!”

Su Cha recalled the incident after hearing their words.

Oh, he was the child she saved in Dai Xiaofu’s vocal lessons last time.

At the time, Le Anqi said that the child looked like her, but now Su Cha understood the reason.

There were indeed many things in this world that could not be explained by coincidence.

Ruan Yin stammered, “Su Cha, why did you save Nanfan? We wanted to thank this benefactor, but the teacher said that it was your first time there. They didn’t know who you were...”

Because of this, the Zuo family did not look for her on purpose.

Su Cha did not care about it. She was not used to Zuo Nanfan hugging her legs, but strangely, she did not reject Zuo Nanfan’s contact. Instead, she was only guarded against Ruan Yin.

Su Cha let go of Zuo Nanfan’s hand. Zuo Nanfan pouted. “Sister, you haven’t told me why you are here.”

Ruan Yin was pleasantly surprised. “Nanfan, she’s your sister. Like Zhici, she’s your biological sister.”

Zuo Nanfan was surprised. “Really?”

The little boy looked at Su Cha. His pretty eyes could not hide his fondness.

Children are honest about their feelings. It was obvious that he liked Su Cha very much.

Su Cha crossed her arms and said coldly, “We haven’t done the paternity test. We can’t be sure. Don’t be too happy.”

Her words were like a bucket of cold water for Ruan Yin and Zuo Nanfan. The corners of Ruan Yin and Butler Xiang’s lips twitched. Would she really need a paternity test?

The servants came up with fruits and vegetables. Ruan Yin was at a loss. “Su Cha, you… sit…”

Zuo Nanfan also ran to the sofa and patted it. “Sister, take a seat.”

Seeing the looks in Ruan Yin and Zuo Nanfan’s eyes, Su Cha was a little irritated. She did not seem to like staying here, but she had no choice but to sit down.

Ruan Yin had not seen Su Cha for many years, and she did not know what to say to her. She smiled gently. “Your sister and your father should be back soon.”

Just as she finished speaking, a sweet and crisp female voice came from outside. “Mom, I’m back.”

Everyone turned around and saw a girl who looked very similar to Ruan Yin walking in.

There was pride and arrogance between her eyebrows. It was obvious that she had been spoiled since she was young. She was originally happy, but when she saw Su Cha, her expression changed.

She was puzzled, confused, and shocked. In the end, she was filled with anger. “Are you the contestant Su Cha? Why are you here?!”

Chapter 373: I Am Not Interested

The girl knew who Su Cha was.

But during that first moment, everyone was stunned by her inexplicable anger with Su Cha.

“Zhici… come here quickly!”

Ruan Yin waved at her excitedly. “I... I never told you that you actually have a sister. She is Su Cha, your biological sister! We finally found her!”

Zuo Zhici was stunned.

She looked at Su Cha and then at her mother as if she could not accept it. She shook her head, “Impossible! I don’t have a sister! I don’t have a sister! Nanfan has only one sister!”

She walked over angrily. Her attitude was baffling and discomfiting. She pointed at Su Cha’s nose and said, “You can’t be my parents’ child. You are a fraud! Mom, don’t believe her!”

Su Cha: “...”

Even if this person was really her biological sister, it did not stop Su Cha from thinking something was wrong with her.

She was not in a hurry to prove her innocence.

Su Cha remembered that she had never seen this young lady before. How could she have offended her?

However, judging from her first reaction, Zuo Zhici knew that Su Cha was participating in a show, which meant that she already knew about her.

She saw a talent show contestant that looked like her mother...

Su Cha understood why Zuo Zhici was so angry.

Ruan Yin was a little angry. “Zhici, how can you be so rude? Su Cha is your sister! She’s not a fraud!”

She was very confident, even though she had not done a paternity test with Su Cha yet.

Su Cha was too lazy to speak. She sat languidly on the sofa as if she was watching a show.

There was a hint of mockery in her indifferent expression. Calm and composed, she had an aura that was far beyond that of ordinary people.

Butler Xiang, who was watching from the side, was surprised. Wasn't it said that Miss Su had been raised in an ordinary family since she was young? How could she have such an aura?

For a moment, the butler was hesitant.

Zuo Zhici blushed when she heard Ruan Yin's words. She had been raised by the Zuo family since she was young, and as the daughter of a wealthy family, she should have exercised her own self-restraint. However, she had always been willful.

In this family, everyone had to follow her wishes.

Zuo Zhici felt wronged when she saw her mother, who had always doted on her, scolding her over a woman she had not seen in 18 years. She did not know whether she was really her biological sister or not.

She looked at Ruan Yin as if she was about to go crazy. "Mom, why are you yelling at me? You're trying to force me because of an outsider? I'm not mentally prepared. How can I accept you suddenly telling me that this person is my sister?"

Zuo Zhici's grievance made Ruan Yin feel extremely guilty. She looked at Zuo Zhici apologetically and immediately comforted her, "I'm sorry, Zhici, Mommy didn't do it on purpose..."

Zuo Nanfan was puzzled as he watched from the side. He said to Zuo Zhici in a childish voice, "Sister, what are you doing? Can't we have an older sister?"

This brother of hers had always been lovable, but it did not stop Zuo Zhici from glaring at him.

What do you know?!

"Zhici, Mom knows how you're feeling..."

“Enough!”

They were preparing to put on a show of deep affection between mother and daughter. Su Cha was not interested in watching them. She sat there, and even her mocking expression showed a sense of nobility. “What kind of loony play are you acting? I’m not interested.”

Everyone: “...”

Chapter 374: Zuo Shaoxin

Miss Su, who had just returned, did not seem interested in giving the Madam any face...

There were also servants waiting by the side. Seeing this, the butler called all the servants and left the hall, leaving space for these people who had not met in a long time.

“Be polite to my mother!”

As soon as Su Cha had spoken, Zuo Zhici had seemed about ready to go crazy. Her expression completely ruined her exquisite beauty.

Although she looked like Su Cha, she was different from Su Cha.

But she did not dare to do anything threatening.

Su Cha sneered, “Let me be clear, you were the one who asked me to come back. The matter has not even been clarified yet, so why are you in such a hurry to put on an act in front of me? Are you trying to showcase your deep-rooted relationship?”

Due to her conflict with Ruan Yin and Zuo Zhici’s strange attitude, Su Cha was not polite at all.

Hearing Su Cha’s words, Ruan Yin immediately felt that Su Cha was blaming her for abandoning her for so many years. Her heart felt as if it had been cut by a knife, and her eyes turned red. “Su Cha...”

Zuo Zhici was stunned by her mother’s reaction.

As far back as she could remember, her father had always hated it when her mother cried.

Her father doted on her mother to the core. And even if they were also doted on as their children, if they did something wrong to anger Ruan Yin, their father would not treat them nicely. Hence, Zuo Zhici never dared to hurt Ruan Yin's heart.

But right after hearing Su Cha's words, Ruan Yin's eyes turned red. Zuo Zhici had a strange sense of schadenfreude for Su Cha, as well as a sense of pity for her mother.

She was glad that her father would soon return.

Su Cha: "..."

She pursed her lips. Women's tears have always been powerful weapons, especially when they're from such a beautiful woman.

It seemed that making her cry was a huge crime.

But Su Cha did not feel this way. She was full of impatience.

She felt that the sudden appearance of her family was like a farce.

Seeing Su Cha's indifferent expression, Ruan Yin felt really uncomfortable.

She knew that it was her fault for leaving her daughter to an outsider's care in the past. But now that Su Cha was home, she wanted to make it up to her. However, Su Cha's behavior made her feel like getting close to her was impossible.

Zuo Nanfan could sense that something was wrong with the atmosphere. He grabbed his mother's sleeve anxiously. "Mom, don't cry..."

He pursed his lips and leaned against his mother, looking at his sister whom he liked.

She had clearly saved him, but why did his sister seem to treat his mother poorly?

Su Cha looked at the time. Seeing that Ruan Yin could not speak, Su Cha wanted to say that she was leaving, but a man's deep and magnetic voice suddenly came from outside. "Why are you crying?"

The people in the hall looked over and saw a large group of people approaching.

All of them were dressed in suits and leather shoes. They were perfect elites. Although some of them were old, it did not ruin their exceptional aura of steadiness, especially the man in the lead. He was tall, handsome, and mature. He gave off the feeling that he was old, but there were no signs of age on his face. People would sometimes mistake his age.

He exuded a strong kind of aura that was often used to command people. It could not be ignored at first sight.

#### Chapter 375: Cha Cha

If she frequently looked at financial magazines, she might not be unfamiliar with this man.

Zuo Shaoxin, who was regularly featured in financial magazines, was also one of the top richest people on the list.

At least among the public tycoons, he was considered both rich and handsome.

What was even more unbelievable was that he had a beautiful wife.

Even though the two of them had been married for decades, they were still in love. They were the talk of the upper class in the Imperial Capital.

The moment the man entered, the first thing he looked at was his wife. His wife was clearly in a bad mood, but he was soon drawn to Su Cha.

She just sat there indifferently. Her face was somewhat similar to his wife's. Although it was not as beautiful as his wife's younger self, it had an aura that was different from others'. It was filled with

the faint charm of ancient times, and it gave off a feeling that was completely different from ordinary girls.

A strong aura.

The moment Zuo Shaoxin saw her, he felt that they were evenly matched.

It felt very threatening.

He could not imagine how it felt to be a girl.

Since he had already received the news before he came back, he knew who this girl was.

“Father!”

“Daddy, Daddy, you’re back!”

Zuo Zhici and Zuo Nanfan shouted excitedly when they saw Zuo Shaoxin coming back.

Zuo Zhici was more reserved.

Zuo Nanfan ran over happily.

Zuo Shaoxin picked up his son, who had rushed to him, and walked towards his wife, who had secretly wiped her eyes. “What’s the reason.”

His attention seemed to be on this wife.

Everyone who followed him saw Su Cha.

They found it strange, but they still cleverly turned around and walked to the other side.

Director Zuo probably had some family matters to attend to.

Ruan Yin looked at Zuo Shaoxin. Her eyes softened, but she could not hide her admiration for him. “Shaoxin, you are back.”

She seemed to be in a hurry to distract Zuo Shaoxin. She pulled his sleeve and pointed at Su Cha. “Look, this is our eldest daughter, Xiao Cha.”

Zuo Zhici rolled her eyes.

Su Cha: “...”

She did not allow her to call her Cha Cha just now, but she changed her pet name.

Zuo Shaoxin’s gaze landed on Su Cha.

Blood relationships were intriguing. Zuo Shaoxin had felt something different the moment he saw Su Cha. It was indescribable. Before he became alert and cautious, what he’d felt was an uncontrollable sense of familiarity.

His eyes darkened as he looked at Su Cha with interest. “Xiao Cha?”

Su Cha could feel the danger and pressure from Zuo Shaoxin’s gaze.

Zuo Shaoxin seemed to be evaluating her feelings. Su Cha disliked such observational instincts, and she realized that she also felt a strong hatred towards Zuo Shaoxin.

She could still control herself in front of Ruan Yin, but in front of Zuo Shaoxin, she could not control her surging emotions.

The feeling was overwhelming, and Su Cha’s heart tightened. Because she had to keep control of herself, her hands trembled slightly.

This feeling made Su Cha feel strange and uncomfortable.

Facing Zuo Shaoxin's summon, she frowned slightly and did not say a word.

Her attitude was cold.

Zuo Zhici raised her eyebrows in surprise.
