

The Queen 441

Chapter 441: Go and Get Close to Him

During the weekend, Su Cha went to record a show and told Bo Mui that she could not go home that night.

As she had to record for two consecutive days, she could not come back to rest at night.

Although Bo Mui was unhappy, he reluctantly agreed, knowing that Su Cha was recording a show.

...

Li Mui's home was in the central district of the Imperial Capital.

The show did not mention much about Li Mui's family background, but he lived in a well-furnished and high-end apartment in the city center. Moreover, it was a series of apartments. It was obvious that Li Mui's family background was excellent.

They were all young masters.

Having a bad temper was natural to them.

When Su Cha arrived, the production crew gave her the house code. They said that both Xian Zi and Li Mui were at home, so Su Cha could go directly.

From now on, there would be a cameraman who would follow Su Cha.

Entering the elevator, she keyed in the password and went upstairs. There, she saw that there was also a front door.

Su Cha knocked on the door. After a few seconds, the door opened, revealing an extremely gentle and beautiful face. When the woman saw Su Cha, her eyes lit up and she smiled warmly. "Ah, you're here."

Her voice was soft and tender. It sounded like she had no temper and was easy to bully.

Su Cha took the initiative to bow politely. “Hello, Sister Xian Zi. I am Su Cha, a contestant from Dreams in Progress.”

“I know you. I’ve heard you sing. You sing well!”

Xian Zi praised her naturally with a smile on her face. Su Cha saw a pretty little boy looking at her with a frown.

Xian Zi turned around and waved at the little boy. “Q Ball, come here. A new sister has arrived. Come and greet her.”

Li Miyi sneered with disdain. He turned around and squatted on the ground to play with his toy, completely ignoring Xian Zi and Su Cha.

Xian Zi was embarrassed and could not say anything in front of the camera. Su Cha smiled and said, “It’s okay, Sister Xian Zi.”

Xian Zi came back to her senses and quickly called her in. “Come in quickly. It’s so early. Have you had breakfast? I made sandwiches for Q Ball. There are some left.”

The production crew must have informed Xian Zi when Su Cha arrived, so Su Cha knew that Xian Zi had especially prepared her breakfast.

Su Cha also smiled, her eyes like crescents. “Okay. Thank you, Sister Xian Zi.”

Su Cha’s smile was extremely beautiful. Xian Zi paused when she saw it. Then, she went into the kitchen to serve her breakfast.

Su Cha entered the room and looked around. It was similar to the scene on TV.

There were cameras all around. Excluding the bathroom and the toilet, the exclusive camera was hidden even in the small tent. This would maximize the reality show and make the interaction between the stars and the kid more realistic.

It was at this time when Xian Zi went in to get breakfast. Su Cha came to the sofa. Li Miyi just glanced at her indifferently.

If not for his childish face, she could not have known that he was a six-year-old.

Since he didn't say anything, Su Cha didn't say anything. She didn't even take the initiative to greet Li Miyi. Instead, she pulled out a chair and sat on the table, looking like she was waiting for dinner.

The director who followed her twitched his eyes and reminded Su Cha, "You have to take the initiative to get close to him and start a conversation with him."

Chapter 442: I Know, I Can Tell

"No, I'm hungry."

Su Cha held her head as she whispered.

Her expression was relaxed and natural, but her words made people speechless.

"The camera! The camera is important. You should interact more with him and try to build a good relationship with him."

The director was anxious, but Su Cha remained calm. Despite how he felt, it was useless as he could only watch from behind the screen.

Li Miyi probably did not expect this new sister to not speak to him either. He sat down at the table and asked Su Cha, "Hey, who are you?"

The child's voice was childish, but his tone was not polite.

Su Cha glanced at Li Miyi. "My name is Su Cha."

Li Miyi sneered. He was just a child, yet he was pretending to be old. "Let's see what new tricks you can come up with."

When other celebrities came here in the past, the main character was Li Miyi. Naturally, they tried their best to get close to Li Miyi. After seeing so many people who had had to suck up to him, Li Miyi thought that there was something new about someone who ignored him.

However, he did not want to attract her attention.

Su Cha almost sneered when she heard what Li Miyi said.

If children were spoiled, they would be fine after a beating.

However, she knew that she was in front of the camera and tried her best to maintain her “kind face.”

Xian Zi brought out breakfast from the kitchen. It was very tempting. She smiled gently. “Breakfast is here. Q Ball, wash your hands and eat.”

Although Li Miyi had a big temper, he knew how to be clean. Su Cha went to wash her hands with Xian Zi.

Xian Zi was a celebrity who had been in the entertainment circle for a long time. Su Cha did not have a deep impression of her, but she did not have any dirt on her. She was probably a very sensible and gentle woman. Although she had cried a few times due to Li Miyi’s anger, she still treated him kindly.

After washing her hands, Xian Zi passed a sandwich that was slightly bigger than Q Ball’s to Su Cha. Actually, the whole sandwich was not very big. She felt that since Su Cha was a singer, she must have to maintain her figure and should not eat much.

Li Miyi saw it and narrowed his eyes. He pointed at the sandwich and shouted, “I want a big one. Give me the big one.”

He said it matter-of-factly and impolitely. Xian Zi was a little embarrassed. “Ah, this piece belongs to your sister. Q Ball, the three pieces are the same. Can we not compete?”

“No!”

His voice was louder than usual.

Xian Zi looked at him worriedly before looking at Su Cha.

Under such circumstances, adults would subconsciously give in to children.

Su Cha did the same. After staring at the sandwich for five seconds, she said reluctantly, “Okay, I’ll give it to you.”

Li Miyi: “???”

She should have given it to him immediately, but this person hesitated?

Xian Zi heaved a sigh of relief. She switched the plates of sandwiches with an apologetic expression and said to Su Cha, “I’m sorry, he’s a little willful.”

Normal people who were not related to the children would normally deny it, but Su Cha nodded seriously. “I know, I can tell.”

The production crew: “...”

Xian Zi: “...”

Li Miyi was speechless.

Say that again?

Chapter 443: You Take Care of Q Ball Today

No matter what, this was a recording, but Su Cha did not follow the routine.

Xian Zi was a little embarrassed and did not know what to say. For a moment, the production crew wondered if Su Cha had low emotional intelligence.

Even if she did not like this child, she had to put on an act. Otherwise, when it was broadcasted, even if she tried her best to make a good cut, her performance would be too different from Li Miyi's. Wouldn't Li Miyi's fans greet Su Cha with wrath?

No matter how naughty this child was, he had many fans because he was too good-looking.

Even if some scolded him, it was just an online attack. Who would bear to say such harsh words in real life?

That was why Li Miyi was so spoiled.

After a short silence, everyone started to eat breakfast quietly.

In order not to be bored, Xian Zi took the time to ask about Su Cha's basic situation. She asked about what she was doing, so that she could find a topic for Su Cha to avoid being screened.

This female star looked pretty good. Su Cha knew that she was not pretending.

Moreover, she seemed to really be as easy to bully as she appeared on the surface. She was too weak and could not help but want to be bullied by others.

Of course, it was just a superficial feeling. Su Cha was not such a person.

But it was obvious that Li Miyi had taken advantage of her.

After breakfast, Li Miyi stopped eating halfway. Xian Zi was a little worried. "Q Ball, are you not hungry? You will be hungry again soon. Do you want to eat something else?"

However, Li Miyi got off the stool and went to play with his toy. She spoke so softly that she was no threat at all.

Xian Zi was already used to this situation.

She looked at Su Cha who had finished her sandwich and asked, “Su Cha, are you full?”

“...” Actually, she was not, but Su Cha did not say much during the recording. She just nodded.

Without needing Xian Zi to say anything, she quietly helped Xian Zi bring the plates of sandwiches into the kitchen.

Of course, Xian Zi would not let her wash the dishes. Seeing her take the initiative to do these, she became more fond of her and said softly, “Let me wash it. Go to the living room and play with Q Ball for a while. Get familiar with him.”

She had already tried her best to take care of Su Cha.

Su Cha nodded and went to the living room.

The director reminded Su Cha through the earpiece, “Okay, now. You can talk to Li Miyi and find a topic to talk about. You can ask him about his studies.”

Su Cha: “...”

She stood there and suddenly took out her phone to search for Xian Zi’s information.

After researching Xian Zi’s most recent drama, Su Cha turned around and returned to the kitchen. She asked with interest, “Sister Xian Zi, you even acted in the show ‘Ming Palace’ before? I watched it when I was young and forgot who the main character was.”

Although Xian Zi did not know why she came in again, she smiled gently as she listened to the question. “Hey, don’t say that you watched my television show grow up. I can’t stand the excitement when I’m old.”

She was just joking. Su Cha chuckled softly and heard Xian Zi suddenly say, “Su Cha, I have something to do in the afternoon. I can only come back at night. Can you take care of Q Ball today?”

Su Cha: “...”

Her smile suddenly stiffened.

Chapter 444: Did You Hear Me?

It was obvious that something had happened to Xian Zi. It was the production crew's arrangement.

They asked Xian Zi to leave temporarily and to ask Su Cha to take care of Li Miyi.

Although Su Cha was reluctant, she raised her eyebrows and said lightly, "Okay."

It was just a child—how could it not be handled?

"That's great. Q Ball is actually quite easy to take care of. There are dishes in the fridge for lunch. If you really don't know how to cook, you can bring Q Ball out for lunch. The snacks he wants are basically already in the fridge. Just give them to him when he wants them."

After cleaning up the kitchen, Xian Zi told Su Cha about Li Miyi. Su Cha listened to her casually.

When they arrived in the living room, Xian Zi said gently, "Q Ball, I have to go out for a day but will come back tonight. Is it okay for Sister Su Cha to take care of you today?"

"Ah?!"

Li Miyi probably did not expect that she'd leave a stranger to take care of him. He turned his face away unhappily. "Where are you going?"

Xian Zi went over and touched Li Miyi's head. "I have something to do."

Li Miyi grunted unhappily.

Xian Zi turned around and looked at Su Cha helplessly. Su Cha only hugged her arms and smiled lightly, saying nothing.

She spoken with him quickly. After packing her things, she went out with her bag.

Su Cha wanted to send her off, but Xian Zi did not let her. She took the elevator and left.

After she left, the director reminded Su Cha through the earpiece, “Su Cha, go and buy some food for Li Miyi this afternoon.”

“No.”

Su Cha rejected him directly.

She had not done it for Bo Mui yet. If he saw her cooking for someone else, even if it was a child, Su Cha did not doubt that Bo Mui would blow up.

As soon as Xian Zi left, Li Miyi completely ignored Su Cha. Su Cha did not care about him and just sat on the sofa leisurely scrolling through Weibo on her phone. It was a rare free time. Although she was recording a show, she could also empty her mind.

The production crew was a little anxious. They looked at the female contestants from other groups. All of them were trying their best to please the children. Besides, the other children had good tempers. Soon, they got along well with each other. On the other hand, Li Miyi was playing with a toy while Su Cha was sitting on the sofa and scrolling through Weibo. The two had nothing to do with each other. It was f**king harmonious!

It was useless to remind Su Cha. In the end, the production crew did not care about it anymore. Anyway, the edited footage would be like this. If Su Cha was bashed for it, it would not be their fault.

But the harmonious scene did not last long. Li Miyi could not take it anymore.

He stood up and said in a fierce and cute voice, “I’m hungry. Go and peel an apple for me to eat.”

The production crew tensed up. Li Miyi was starting to lose his temper. If Su Cha did not go, he would probably throw a tantrum.

Unexpectedly, Su Cha glanced at Li Miyi and answered decisively, “I don’t know how to.”

Li Miyi: “???”

The production crew: “...”

“You don’t even know how to peel an apple. Are you really here to take care of me?”

Li Miyi was still confident and shocked by the fact that Su Cha could not even cut an apple.

Su Cha was more confident than him. She raised her eyebrows and sneered, “When did I say I’m here to take care of you?”

Li Miyi was dumbfounded. He shouted, “Xian Zi just went out and asked you to take care of me!”

Su Cha: “Did you hear that I agreed?”

Li Miyi was speechless.

Chapter 445: Willing to Die

The director spoke again. “Su Cha, how can you say such things?”

Li Miyi was still dumbfounded. Su Cha added, “You’re a boy and I’m a girl. How can you let me take care of you? Also, you must be polite and not be so rude. Li Miyi, I’m hungry now. Can you help me peel an apple?”

The production crew: “...”

Li Miyi was speechless.

Are you crazy?

After all, Li Miyi was just a six-year-old. He was dumbfounded.

What happens after you become dumb?

Of course he would throw a tantrum!

Seeing that his request was not fulfilled, Li Miyi lay down on the ground without hesitation. He kicked his leg and cried, "I want apples, I want apples!"

The director kept urging Su Cha to coax him, but Su Cha did not even move on the sofa. She just lifted her eyelids slightly. "He's already six years old, yet he only knows how to roll around on the ground. What a baby."

After saying this, she sneered.

Her expression was full of mockery.

It was very lethal.

Seeing Su Cha's expression, Li Miyi felt nervous and could not cry. He got up from the ground and pointed at Su Cha with tears in his eyes. "I am going to tell Xian Zi that you bullied me the moment she left!"

Su Cha smiled sarcastically and did not speak.

Li Miyi stomped his feet in anger and went into the kitchen. He took out an apple from the fridge and went to get a fruit knife.

Su Cha stood up and walked into the kitchen. She took the fruit knife before Li Miyi did.

Li Miyi glared at her. "What are you doing?"

Su Cha ignored him and took out an apple from the fridge. She washed it slowly and started peeling it.

Li Miyi was dumbfounded. “Didn’t you say you don’t know how to peel them?!”

He put down the apple in his hand. He had thought that Su Cha would give hers to him after she finished peeling it. Unexpectedly, Su Cha gave Li Miyi a provocative look, bit the peeled apple, and placed the fruit knife somewhere Li Miyi could not get it.

Everyone in the production crew was stunned.

Li Miyi was on the verge of losing his mind. Tears welled up in his eyes as he said, “I want to eat, I want to eat, but you won’t let me peel some myself!”

When he said that he was angry, a fierce expression appeared on his face. He reached out, wanting to hit Su Cha.

Su Cha dodged immediately. Seeing that Li Miyi was about to rush over, she said coldly, “If you dare to hit me today, I’ll beat you up! Li Miyi, I’m not your relative!”

There was an inexplicable dominance in her tone as she spoke. As she stood there, Li Miyi was stunned. He suddenly did not dare to go over.

However, he felt angry and ashamed. He felt that he had been humiliated by Su Cha. He was a little scared and subconsciously cried louder to hide his embarrassment.

Su Cha took the apple and said in a cold voice, “If you want to eat an apple, speak nicely. Just say ‘please’ and I will peel it for you.”

Li Miyi was dumbfounded. He would rather die than submit. He bit his lips and shed tears.

He looked so pitiful.

Her maternal instinct was seeping out.

However, Su Cha knew how vicious his angel-like appearance really was.

Li Miyi refused to beg for mercy, and Su Cha refused to give in. She was completely different from the people who came before. He went to the female director for help.
