

The Queen 471

Chapter 471: Who Is It?

Huayu Big Bang Official: “Oh my god, I’m so f*cking excited right now. I’m going crazy!!! The news of Tan Jinsui’s return has just been released, and his friends have already revealed that he has returned to the country this time to take care of a newbie!! A newbie!!! It’s not that Zou Manni has an activity—it’s he who wants to take care of a newbie!! It’s said that in the future, his focus will be on the newcomer. This is simply the number one explosive news in the entertainment industry this year! The news will be announced soon, but everyone is guessing who the god-like newbie is. They actually made Tan Jinsui return to the country to take care of her!”

“I can tell that you are very agitated. You repeated a sentence three times. No one else can do it.”

“What?? Am I crazy or is this world crazy? Tan Jinsui actually wants to raise a newbie? That man who said he would protect Manni forever wants to take care of a newbie?”

“Men are all pig trotters. In the past, he said that he would protect her for life. Now that she is being stingy, he’s going to move on to a newbie. Hehe, men!”

“That’s impossible. Uncle Tan said that he would protect my Manni forever. How could he take on a newbie?”

“I think this newbie might suffer... Zou Manni’s fans are so hostile...”

“I don’t believe it. Uncle Tan has betrayed us!”

“Let’s not talk about whether this news is true or not. If they announce it now, wouldn’t they be putting the newcomer on the line of fire? Tan Jinsui said that he would protect Zou Manni forever. Why on earth would he take on a newbie in the blink of an eye? Wouldn’t he be bashed by Zou Manni’s fans?”

“I don’t understand. It’s understandable that Tan Jinsui would want to take on newbies. If it were someone else who hasn’t worked for a few years, what other things can he do as a manager? Doesn’t he have to earn money?”

“Actually, I really want to know who this newbie is if the news is true. To be able to be led by Tan Jinsui, she’s f**king godly!”

“Why do I feel that this is fake news? I don’t believe Uncle Tan is such a person.”

...

As expected, related news appeared online the next day.

Tan Jinsui’s friends had posted this notice on their Moments. They had announced it to the public first because of Tan Jinsui’s orders, but the backlash from the news was huge.

As it was not officially announced, many people did not believe this news. However, the news had been spread through the exposé of Hua Entertainment. News released by this verified account was more accurate and credible. They basically did not publish fake news.

But if Tan Jinsui really was taking on the raising of a newbie, that news would be worse than the destruction of the world.

Although Tan Jinsui had never said that he would not take on newbies, after so many years of refusing to entertain newbies and saying that he would protect Zou Manni forever, everyone, including his fans and Zou Manni’s fans, believed that he would never do so.

As soon as this news came out, Zou Manni’s fans refused to believe it. Many of Tan Jinsui’s fans also refused to believe it.

They even said that if the rumor continued, they would sue.

Their intentions were clear. In this world, other than Zou Manni, no one else was qualified enough to be taken care of by Tan Jinsui, not to mention that they said she was a newbie.

This was even more unacceptable to Zou Manni’s fans.

In their hearts, Tan Jinsui was equivalent to Zou Manni. If Tan Jinsui said that he wanted to bring up a newbie, it was equivalent to betrayal.

As soon as this matter was announced, the public was in an uproar.

Other than those who did not believe it, almost everyone wanted to dig out the identity of the newcomer Tan Jinsui was now taking care of.

Chapter 472: She Doesn't Know

While Tan Jinsui was making preparations for Su Cha, Su Cha appeared calm.

Of course, she also saw the comments of Zou Manni's fans online.

Such comments were disadvantageous to her.

However, Su Cha did not care. Even before Tan Jinsui took charge of her, she had already thought about what might happen.

Tan Jinsui had set himself too firmly in the beginning, causing Zou Manni's fans to believe in him too much. They also believed that he would never take on newbies. Now, there was this backlash.

Of course, Zou Manni's fans were not in the right because Tan Jinsui had never confirmed that he would not take on newcomers.

In addition, Zou Manni was currently in a state of retreat. As a manager, it was reasonable for Tan Jinsui to want to continue his career and sign on a newbie.

Zou Manni's fans would make a scene in the next two days at most. After that, Tan Jinsui would release a statement to confirm that the matter had been settled.

Of course, before that happened, Su Cha received a call from Jin Duan. "Alliance Master, something has happened to the Cheng family of the Wudang Sect in the Star Alliance."

After Su Cha accepted the Star Alliance, Jin Duan had already regarded her as the Alliance Master.

However, this was the first time Su Cha had received a report about the Alliance.

Su Cha's eyelids twitched. "Something happened?"

Didn't she say that she would let the Cheng family off?

After all, it was not a coincidence. That Cheng family must be the Cheng family that Su Cha knew about.

"Yes. I don't know why the Bo family suddenly found trouble with the Cheng family, but now that the Cheng family has requested Master's help, Master said that we must report this matter to you."

"..."

Su Cha immediately understood. It was Bo Muyi who was looking for trouble with the Cheng family.

She could release the Cheng family herself, but the secret guards would definitely have told Bo Muyi what had happened, and it was normal for Bo Muyi to find trouble with the Cheng family as a result.

She rubbed her forehead. "I know. I will deal with this matter. What's the situation with the Cheng family?"

"There's an elder called Cheng Deyue under the Cheng family. His grandson and granddaughter have been arrested by the Bo family. We don't know what's going on yet, but Elder Cheng Deyue is already preparing to talk to the Bo family head."

Jin Duan seemed to have a headache talking about this. "I don't know how the Cheng family suddenly offended the Bo family."

Su Cha was silent for a while. She did not say that this matter was related to her and said directly, "I know. It will be fine."

She hung up and called, "Ah Chen."

Ah Chen appeared from the shadows and lowered his eyes. “Miss Su, I’m here.”

Ah Chen and Bo Mui had returned from overseas and spent most of their time in the Lookout Pavilion.

Su Cha asked directly, “Did Mui ask you to arrest a few descendants of the Cheng family?”

Ah Chen’s eyes darkened. “How did Miss Su know?”

More importantly, this was the first time she spoke bluntly about the Star Alliance in front of Ah Chen.

Ah Chen remembered that Miss Su had always acted as if she knew nothing about this.

“The Cheng family came looking for trouble with me only because they knew nothing. It’s not like they’re stupid enough to want to become enemies with the Star Alliance.”

Most importantly, she was having a headache!

Ah Chen’s expression did not change. “Miss Su, this is the young master’s order. The Star Alliance is not in the right, but they will not become enemies. It’s just that if he didn’t do this, others will think that the Bo family is easy to bully.”

Su Cha: “...”

They did not know that I had something to do with your young master!

Chapter 473: This Has Nothing to Do with the Star Alliance

Realizing that Ah Chen was too stubborn, Su Cha no longer intended to waste her breath on him.

Since Bo Mui was not back yet, she called him directly.

Bo Mui was happy to receive Su Cha’s call. “Cha Cha, I’m going to get off work soon. Wait for me at home.”

“Muyi, did you get someone to arrest a few people from the Star Alliance’s Cheng family?”

Su Cha spoke directly. Bo Muyi paused and hummed calmly as if he was unhappy. “Cha Cha, why do you keep talking about people who don’t know how to behave?”

“It’s not about that.”

Su Cha rubbed her eyebrows. “I was the one who told them to release the Cheng family. Besides, not many people outside know that I have something to do with you. It’s not good for you to attack the Cheng family in the name of the Bo family.”

“Cha Cha, do you think I care about these things?”

Bo Muyi lowered his voice. “Who asked them to trouble Cha Cha?”

Anyone who found trouble with Su Cha would be seeking death.

“... Let them go. I’ll tell you something when you come back. ”

Bo Muyi did not say anything. Su Cha decided to take a step back. “How about you make a decision after I tell you when you come back?”

“Okay.”

He reluctantly agreed.

After hanging up, Su Cha felt troubled.

In the end, this matter was the Cheng family’s own fault. She did not expect to meet someone from an aristocratic family just by recording a show and going to a Taekwondo dojo. The main thing was that the other party was arrogant and willful, but now that something had happened, she was implicated.

She was still the Alliance Master of the Star Alliance. What the hell was this!

However, before Bo Mui returned home, Ah Chen came in and reported, “Miss Su, Elder Cheng from the Star Alliance is here.”

Su Cha paused. “Why did you tell me?”

Jin Duan had said that Elder Cheng would come knocking on Bo Mui’s door, but she did not expect it to be so soon. However, why did Ah Chen report it to her, who was “unrelated”?

Ah Chen lowered his hand. “Young Master is not at home. I think Miss Su of the Lookout Pavilion should be able to make the decision.”

One could tell that there was a deeper meaning in his words. Su Cha paused and raised her eyebrows. She smiled. “Sure, I’ll go take a look.”

When she walked to the door, she suddenly laughed lightly. “I really couldn’t tell that you are also someone who knows how to suck up.”

Ah Chen: “...”

...

Bo Mui’s Lookout Pavilion had a rule that outsiders were not allowed to enter. However, the elder of the Star Alliance had a high status, and the other party’s identity was also feared. Although Bo Mui was not afraid, the old lady still let him in after weighing the pros and cons.

Cheng Deyue was already over 70 years old, but he practiced martial arts all year round. His body was not like an ordinary person’s, and his face was rosy and full of vitality. He was wearing a Chinese suit. As soon as he entered, his face turned red and he shouted at the old lady, “Where’s Bo Mui, that bastard?”

The old lady’s eyelids twitched. She held a string of beads in her hand and plucked two beads. Then, she said slowly, “Elder Cheng, why are you so angry? What did my Mui do to make you so angry?”

Cheng De became increasingly angry. “How can you not know what your grandson has done? Our Cheng family has never offended your Bo family. Why did he send someone to arrest my grandson and granddaughter for no reason? Does he not care about the Star Alliance at all?!”

“Elder Cheng, this matter has nothing to do with the Star Alliance. You don’t have to use the Star Alliance as an excuse.”

A girl’s clear and cold voice suddenly came from outside the door, attracting Cheng Deyue and the old lady’s attention.

Chapter 474: Making a Scene

A girl in simple and casual clothes walked in from the door. Her fresh and cold appearance could brighten one’s eyes. Cheng Deyue looked at her with suspicion. “Who are you?”

The old lady was surprised to see Su Cha.

“Elder Cheng, didn’t you say that you don’t know why the Bo family suddenly arrested your grandson and granddaughter?”

Su Cha smiled and looked extremely respectful to Elder Cheng. “Strictly speaking, this matter has nothing to do with the Bo family. It was your grandson who attacked first and wanted to detain me in the underground parking lot. Unfortunately, he was stopped. Muyi is my boyfriend, and he wants to stand up for me. Elder Cheng, can you understand?”

After Su Cha explained the situation clearly, Cheng Deyue’s eyes widened. “Who are you? Why would my grandson trouble you?”

This Elder Cheng was obviously stubborn and did not put much importance on others.

Su Cha was not angry, but the old lady was unhappy. “Elder Cheng, Su Cha is my grandson’s girlfriend. She has made it clear that your grandson was the one who caused trouble first. Don’t you know Muyi’s temper?”

Cheng Deyue looked at Su Cha seriously and asked in disbelief, “Her?”

Putting aside whether his attitude was mocking or not, Su Cha smiled. “Elder Cheng, your grandson and granddaughter will be able to go back soon. For this matter, you don’t have to come and find trouble with the Bo family.”

“My grandson and granddaughter were kidnapped, yet you still say such a thing!”

Cheng Deyue was furious. “I don’t care what the reason is. Today, the Bo family will give me an explanation!”

Su Cha sighed in her heart.

No wonder the Cheng family members’ personalities and feelings were like that—they inherited it from somewhere.

It was also no wonder that Shi Wei had said that the Star Alliance was going downhill. With the Elder’s attitude, it was obvious that he and the others just wanted to fight among themselves.

The old lady stood up abruptly. “Elder Cheng, we respect you as an Elder of the Star Alliance, but don’t forget that this is the Bo family territory. If you want to show off your Elder’s power, you’ve come to the wrong place. Muyi is not someone who will cause trouble for no reason. You should find a reason from your grandson!”

“You!”

Cheng Deyue was furious.

“Also, the Star Alliance is in chaos. As an elder, you are not worried about the future of the Star Alliance. Instead, you are pestering the Bo family!”

“What nonsense are you spouting? Your grandson kidnapped my grandson and granddaughter!”

Cheng Deyue’s face darkened. The old lady was really skilled at playing the blame game. Su Cha looked at the two elder people and remained silent.

“Elder Cheng, your grandson and granddaughter will be able to go back soon. Nothing will happen. Let’s stop this matter.”

Su Cha was getting impatient. She could not understand what he was saying and had to listen to something unpleasant.

Cheng Deyue looked at Su Cha. “I’m not talking to you. What right do you have to address me?! You said that my grandson looked for trouble with you. Tell me the whole story.”

Su Cha looked at the time and felt that Bo Mui should be back soon.

As she thought about this, the man’s light voice came from outside. “Now, now, is someone unreasonable making a scene in our house?”

The three of them looked over and saw a handsome man walking in slowly from outside. He looked at Cheng Deyue emotionlessly as he spoke sarcastically.

Chapter 475: Little Bad Guy, I’ll Take Care of You

“You little bastard, how dare you call me an unreasonable person?!”

Cheng Deyue regarded himself as an elder of the Star Alliance. No matter how powerful the Bo family was, Bo Mui was just a junior in front of him. How could he not be embarrassed by the mockery of a junior?

He flew into a rage out of humiliation. Bo Mui sneered and walked forward. He held Su Cha’s palm and continued in a deep voice, “Cheng Deyue, you were only able to enter this door today because of your status as an elder of the Star Alliance. Your granddaughter was the first to find trouble with my girlfriend. Your grandson even tried to attack my girlfriend in the parking lot. If they’d succeeded, my girlfriend would have been in trouble. Do you think your Cheng family or the Star Alliance can bear the consequences?!”

Every word was cold. “You should thank them for not succeeding. It’s why they are still alive.”

Bo Mui did things casually. In his eyes, the elder of a family with the Alliance was not as important as Su Cha.

Who cares who offended Su Cha?

Even Cheng Deyue was just a person in his eyes.

There was no difference between him and others, notwithstanding the other party's status.

Su Cha was touched by his words, but she added, "Don't involve the Star Alliance."

What did this have to do with the Star Alliance?

As the Alliance Master of the Star Alliance, she would not take the blame.

"You..."

Cheng Deyue was furious with Bo Muyi. He pointed at Bo Muyi and did not know what to say.

Bo Muyi had always been arrogant. Cheng Deyue had seen him a few times, and he knew his temper better. This time, he came here in anger, but alas, the other party was more confident than he was.

If his grandson really came looking for trouble first, it would be hard to counter.

Seeing Bo Muyi's cold gaze, Cheng De thought about his grandson and granddaughter's personalities and became worried for them.

He turned to Su Cha. "Did you just say that they can go back soon?"

Su Cha curled her lips. "If you continue to be unreasonable, I can't guarantee it."

Cheng Deyue: "..."

It was fine that he'd been threatened by Bo Muyi, but now, even a little girl dared to criticize him!

Cheng Deyue did not know about Su Cha's background, but when he heard Bo Muyi calling her his girlfriend, he felt a little disgusted. It was all because of the Bo family!

His face darkened, and he said before he left, "The Star Alliance will remember this."

Su Cha: "..."

I just told you not to involve the Star Alliance!

Cheng Deyue would not take it lying down if he did not manage to get back at them.

After he left, the old lady walked over with a sharp look in her eyes. "This Cheng Deyue can't even protect the Star Alliance now, yet he is still showing off here. No wonder the Star Alliance is getting worse with each generation!"

Su Cha paused. "Doesn't the Star Alliance already have a new Alliance Master?"

Bo Muyi looked at Su Cha meaningfully. The old lady was surprised. "How did you know about this?"

"I..."

Su Cha could not tell the old lady that she was the new Alliance Master for the time being. She pulled Bo Muyi aside and said, "Muyi told me."

The old lady looked at Bo Muyi helplessly. "You..."

He doted on her so much that he told Su Cha everything.

Bo Muyi chuckled and did not speak.

But Su Cha could feel that his laughter was cold.

Then, Bo Mui pinched her palm hard. Su Cha looked up and met his eyes. She saw Bo Mui's lips shape: [Little bad guy, I'll teach you a lesson.]

Su Cha: "..."
