Tonight has been great so far. I've danced with a few people, had a few drinks, smoked a spi and got my dick sucked a few times. Happy birthday to meeee. What my mate doesn't know won't hurt heft's 12Am so my birthday is o icially over but this party is still jumping. I'm gonna be honest I'm too lit! I keep hearing my wolf mumble something but I'm too far gone to understand what he is saying. **Ma te. Is... here ... jack ass...** I shake my head. Come again?**Our mate is here you jackass!!!** Hold up. That must be that delicious scent that hit me in the face a few hours ago. I face palm myself. Where is she?**Staircase 4 o'clock.** I turn to the le ... No stairs ... **Just turn yo drunk ass too the right !!!** My wolf was pissed but he's a stick in the mud. I finally turned towards the stair case and locked eyes with the most beautiful girl I've ever seen. Wow she's gorgeous!ve seen her before though... where do I know her from??? My wolf began to laugh at me. What's so funny?**That's serenity Hampton playboy!! She is beautiful.. claim her now!!!** Oh hell no. I don't want her as a mate! She's so puny and weak! Wtf!!! She will not be my Luna. I marched over to her and gave her the nastiest look I can give. Smh she can't be my Luna and the look of fear in her eyes proves it. There is only one thing to do... **Don't you dare idiot!!** My choice big guy....

Serenity's POV

I felt my heart beat 1000 times a minute. When he approached me, I tried to calm him down. "Ashton " I said. I was immediately cut o by his screaming. It made me and my wolf whimper. "Shut up, the moon goddess must be out of her fucking mind to pair me up with something like you!" By then we'd gathered a crowd and the music was shut o . I felt my heart breaking with every word that le his mouth. "Look at you, pathetic! Why would anyone want such a weakling for a mate?" "I can find a better mate, you're not fit to be mine" he said. Tears swelled up in my eyes from his hurtful words. I shook my head. "You are wrong, don't do this to me, I wailed. He gave me a look of pure disgust. "I Ashton Knight reject you Serenity Hampton as my mate!" At the sound of those hurtful words my wolf let out a howl of pain. I felt a stabbing pain in the middle of my chest, I crouched down in pain holding my head. I began to shake. 'It hurts Kolfi'I said to my wolf. **'I know, I'm so sorry dear human. It's true, we are weak but that will change from this day on.'** Then suddenly everything went black. I had passed out from the pain of my mates rejection.

What am I gonna do now?

Ashton's POV

See what I mean? Weak, she passed out from the rejection. I barely felt a thing. Like a small pinch in my chest. Smh I'll just have to find my own mate, I will not let my pack fall because of her. I notice that the party came to a stop. Some people looked shocked ☹️, most of them looked happy. Those who looked happy were the chickenheads and hoes. I can't have this news get back to my father. If he knew, I'd definitely wouldn't be able to become alpha.gave them all a piercing look so they knew I meant business. "If anyone speaks a word about this to anyone I will personally take it as an act of treason and you will be stripped of your title and turned rouge. Am I understood?" I said with authority. "Yes alpha" they bowed. This is more like it.I smirked. I was not done partying so I crunk the music back up and made my way to the dance floor, leaving the trash and her weeping friend on the floor. I laughed. Poor thing!

Serenity's POV

I was floating in somewhere dark... where am I? wondered. A er floating around for a while I noticed a bright blue light. I went to take a closer look. What I saw was amazing. It was a beautiful princess. I bowed my head to her to show respect. She gave me a so giggle. **"You need not bow to me sweet human"** she said. I knew that voice, Ive heard it my entire life. My eyes widen in recognition. "Kolfi?" I asked . **"Surprised?"** I nodded. What's going on?**You are in a sleep like state, we must prepare your body for the transformation"** CrazyWolfLadySayWhat?**I meant what I said when I stated you will no longer be weak. You are a very special kind of wolf Serena."** I le out a sco . Yes I'm special, everyone hates me, I can't shi , my mate just rejected me on my fucking birthday because I'm weak! I'm super specialI wanted to cry. Kolfi gave me a knowing look. **"There is a reason for everything my love, don't forget that he is my mate too. We are one, never forget that I'll always be here for you to be your strength when you are weak."** She gave me the most beautiful smile. **"It's time to learn about yourself. when you wake, you will no longer be weak. Unimaginable power will slowly make its way to you. Like I said you are a special kind of wolf. You were blessed by the moon goddess at birth and you have certain duties."** Wow, so when will I wake?**Four days and four nights, you will arise. You won't recognize yourself so don't be afraid.
