

Chapter 21: I want you

Serenity's POV

Life is too lit right now! I'm over her smiling like a damn catfish because I'm meeting up with His-sexiness!!! I check myself out in the mirror. I decided that i wanted to look sexy and cute but comfortable. So i put on an adidas outfit with that matching shoes! Tah! I look good. Yasssssss

I finished my look by putting my flu y curly hair in a high ponytail. Maybe he'll pull on it!! Owwww

Nah but for real i can't wait to see him. With everything that I have going on in my life, it feels good to just let go and hangout with someone. I'm not sure where this thing with kealan is going but I pray to the moon goddess it's going somewhere good!

I take one last look in the mirror and head out the door. It's time to have fun with my future baby daddyyyyyy!!!!

As i was walking out the door I was stopped by my oh sooo lovely father. "And where are you going miss thang?" He asked

"I'm going to the mall daddy dear." I replied. He gave me a questioning look with his eyebrows raised. "Uh huh, with who?" He sassed. "Look here dad! Don't sass me and with my future baby daddy of course!" I said picking at my nails. I watched the color drain from my fathers face. "Oh lord why, not my baby" he screamed. He ran over to me and scooped me into his arms.

a

"Who is he baby? Daddy is going to kill him. All I need is a name." He said "daaaaaad!!! Let me gooo!!!" I said. "Neveerrrrr!!!" He screamed. I couldn't control my laughter. "Daddy come on put me down!" I said.

a

He set me on my feet with a look of defeat. I stopped laughing when i saw tears in his eyes. Oh dad " I'm not pregnant old man, it's just an expression. I'm sorry if I alarmed you" i said feel bad. He just pulled me into a bear hug and held me tight.

"Serenity you are my only child and I love you more than anything in the world. I just want you to be safe, when you were in the hospital I couldn't function. You and your mother are my air and water. I need both to survive so please be careful and be safe for my sake." He said seriously.

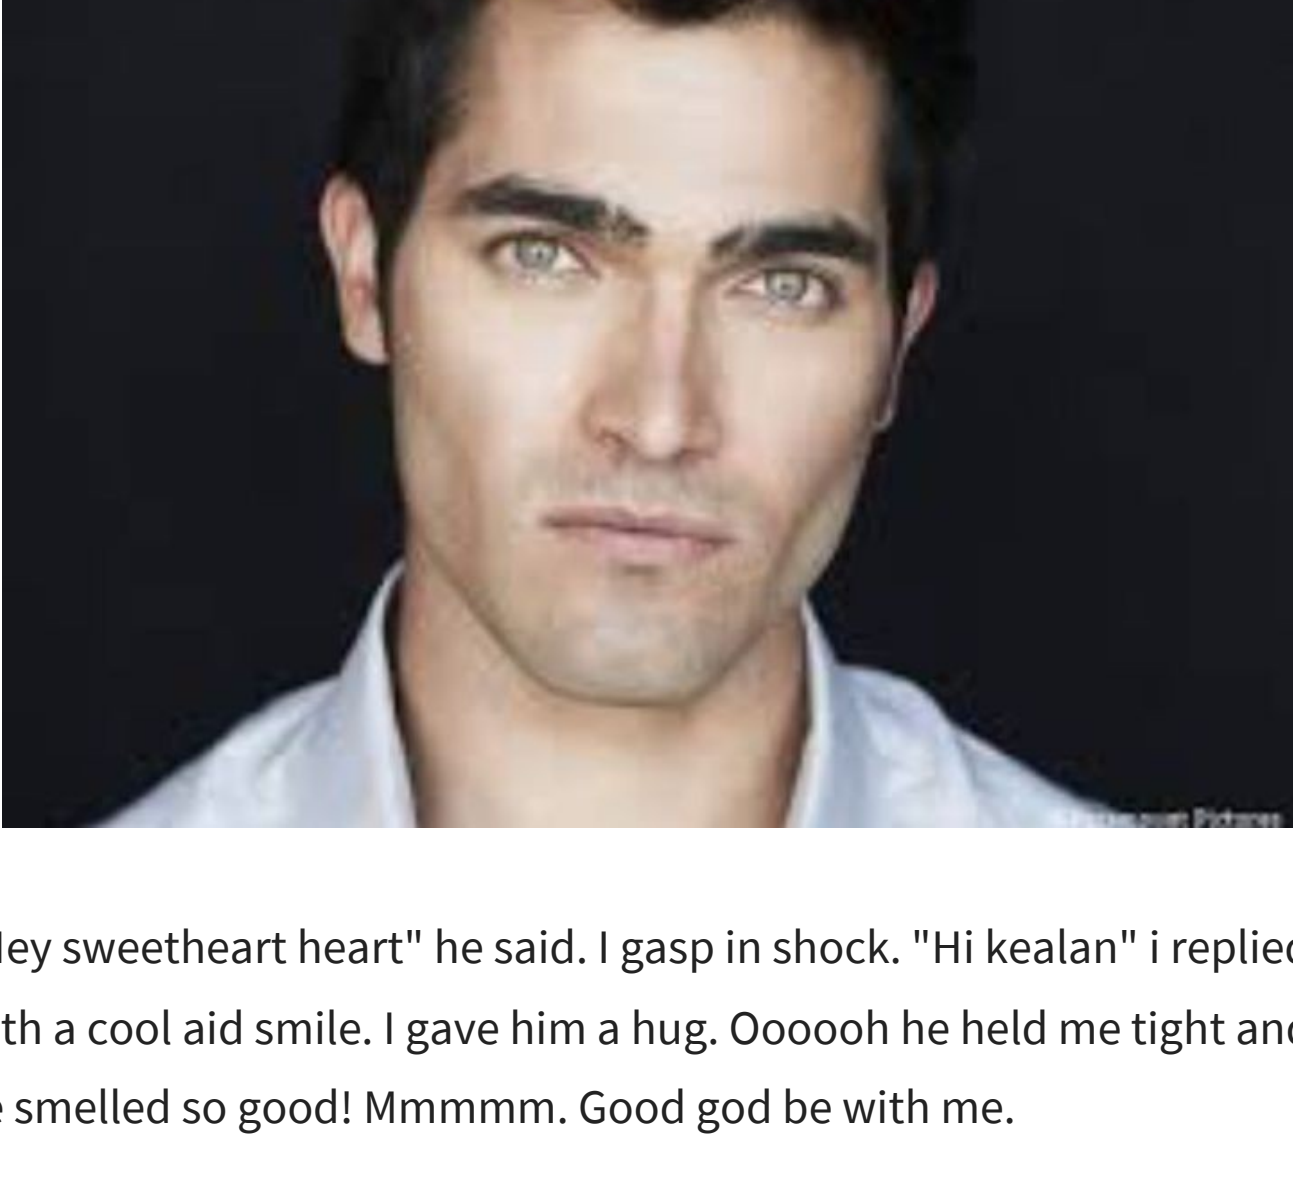

"Okay daddy, I love you too!" 🥰🥰🥰

A er our sentimental moment I was out the door to see bae!!!

30 Minutes later
Chesterfield mall - mutual grounds!

I'm waiting at the mall in the food court for kealan. I really missed him. Lately he's been so busy with working at the hospital he barely has any time for me. He saves lives!**(Swoon)**. I was starting to think he was keeping his distance from me and it hurt a little.

I was so deep in thought that I didn't notice kealan walking towards me.

"Hey sweetheart heart" he said. I gasp in shock. "Hi kealan" i replied with a cool aid smile. I gave him a hug. Ooooooh he held me tight and he smelled so good! Mmmmm. Good god be with me.

Kealan POV

Walking up to serenity I take in her beauty. Every time I look at her I'm in complete awe. I've been distancing myself from her lately because I'm scared to admit to myself. I'm actually falling for her. That's was not apart of the plan.

I originally just wanted her power but the more I get to know her the more I find myself getting o track. I have old scores to settle and I need her to settle them.

When I finally reach her I notice she looked deep in thought. "Hi sweetheart" i said. I must have surprised her. "Hi kealan" she greeted. I wasn't expecting the hug i got from her. I held her tight. I didn't want to let her go. She felt right in my arms. And she smelled so fucking good. **Mine!**

"I missed you little one" I told her. She smiled. "Really? I thought that you had forgotten about me" she said with a small pout. Oh baby don't do that."I'd never do that, I've just been busy with work" I said. Lies."I understand but don't leave me hanging." She said. "I'm sorry bella" said to her. "It's okay" she said

"Come on lets go to some stores" I said.

"Okay" she replied.

2 hour later

We've been to every store in the mall. I wanted to spend a few racks on my girl. She declined every time I went to pay for her things but I bought them anyway. I may be a rouge but I'm a gentleman for her. A er shopping we went to the food court so that i can feed my little one.

"What you in the mood for sweetheart?" I asked. "Panda Express!" She said happy. What ever baby wants she gets. We order our food but she insisted that she paid. A er we got our food we took our seats in a small booth. I had an amazing time with her today, she's got an amazing personality. Alpha boy is dumb as fuck.

"Thank you kealan for this, I haven't had this much fun in forever. I appreciate it." She said with a sparkle in her eyes. "You are most welcome beautiful." I told her

I wanted to know how she felt about me, I need to know if she feels something for me too. "Serenity, how do you feel about us?" I asked. Her eyes widen with the question. "Ummmm I don't know, I like you.... a lot and I'd like to get to know you better" She said seriously.

Hmmmm "I'd like to know you better too" I said. She blushed and smiled. That smile, goodness I could look at it everyday for the rest of my life.... smh I'm catching feelings for this female....

Serenity's POV

I've had a good time with kealan today. He's so sweet. "Kealan how to you feel about us?" I asked. "I think we make a good fit, I more than like you sweetheart. To be honest I'm completely taken with you. I want you in anyway I can have you bambina". He said. Damn.

"In anyway?" I asked. "Do you want me to go into detail?" He asked. I nodded my head. He smirked. "I **want** to kiss you all over that sexy body of yours. I **want** to caress every curve of your body until you moan out my name. I **want** to watch your body wither underneath the pressure of my tongue on your little pearl. I **want** to give you unimaginable pleasure that only I can give you. I simply **want** you to be mine!" He said with an intensity I've never seen before.

I had to fan myself. Wooooooh good gawd! I didn't expect that. Is that all you **want** from me?" I asked. He shook his head. "No I want you in every way. I want you to be mine. My girl, my lover, my friend." He explained. "So you... want me to be your girlfriend?" I asked

He let out a small chuckle. "Maybe" he said with a wink. I laughed "Okay, keep playing someone else might take me away." I teased. He let a small growl and his eyes dilated. "That's never going to happen princess. I won't allow it, you mean too much to me." He said.

I was completely surprised. "Wow I honestly don't know what to say" I told him. "You don't have to say anything sweetheart" I he said.

It was starting to get late. "Come on sweetheart let me walk you to your car" he said. Once we made it to my car, I turned to bid him goodbye. "I had a wonderful time with you today kealan" i told him. "So did I, hopefully we can do it again soon" he said. I didn't want the night to end. I gave him a long hug. He stepped back and caressed my cheek. Getting on the tip of my toes i pucker up my lips to kiss him.

Once our lips met he let out a moan. He pulled me closer deepening the kiss. I wrap my arms around his neck, pulling his hair at the nape. I felt he growl rumbling in the back of his throat. He picked me up by my legs and pinned me to the car. When our lips part he rested his his head against mine. "You just don't know what you do to me." He said.

"Get home safe baby girl, I'll call you later" he said. "Okay. Talk at you later" I said with a wink. Wow today was great. I have to call Eryan to tell her this tea!!! She is going to flip her lid!
