

Chapter 23: Its a war!

Serenity's POV:

It's been a few days since I've talked to Kealan and I miss him. He's always pulling a disappearing act. What's up with that? Hmm. Men are also confusing, you want me but then disappear for days! Ugh! I flopped on the bed. Keeeeeeealann!!!!

I was mopping in the bed. Did I do too much.... **He's not mate anyway. Shut it mut!!! It's the truth, and something is o about him. Don't act like you can't feel it.** Mmmm maybe your right about that last part.

I need to clear my head. Thinking about him is exhausting. I roll over and grabbed my phone o the night stand and called Eryian. I miss her

*****Phone call*****

Eryian: Wussup he er.

Me: I know yo lop sidedd Head ass didn't call me a he er!!

Eryian: whatchu want girl?

Me: Dammn I can't call to check up on my girl? Oh iight ☺

Eryian: girl whatever, but wussup?

Me: Nothing girl I'm sitting at home bored out of my mind.

Eryian: ummm hmmm. Kealan dissed yo ass huh?

Me: Dissed me like a two cent hoe girl ☹️☹️. For real. He hasn't answered the phone or stopped by in days.

Eryian: hmm for a man that wants you he sure has a funny way of showing it. He was shady anyway. I didn't approve.

Me: hmph, my wolf thinks that too. But anyway wussup with you?

Eryian: nothing much, I've been chopping it up with my peoples. And I ran into Jordan's fuck ass....

Me: Gag me.

Eryian: shut up hoe!!

Me: Fucker....

Eryian: I just don't get him. You fuck around and watch your mate get banished. Then all of a sudden your so concerned about me when you see me? Where were you when I needed you?

Me: I understand. Honestly I do but he didn't reject you and put you in a coma.

Eryian: you taking his side?

Me: no stupid listen.... All I'm trying to say is things could have been worse. You have a potential mate out there who obviously feels something for you.

Eryian: but!!

Me: wait let me finish rude! I'm not saying what he did wasn't wrong. What I'm saying is he could've rejected you in front of a crowd of people and disrespected you, broke your heart and put you in a coma for 3 years. He could have le you feeling alone and weak. I understand how you feel better than anybody but I personally think you deserve happiness. I think you deserve a chance with your mate. I'm not saying forgive and forget. Make him work for it, for your trust and love. If he's not willing to put an e ort in to it then fuck him....

Eryian: He hurt me really bad Serena. I feel damaged by this situation. I just look at my mom and dad. The bond they share is unimaginable, the love that they have for each other was there since day 1. They never went through this kind of shit. I feel like all the stu we learned about mates as kids was total bull!

Me: this is your life though not your theirs. You still have a bond connecting you to him. You're hurting yourself in the long run. I'm telling you this because I love you and I'm your friend. Just consider it.

Eryian: Okay I'll take what you've said under consideration. BUT!!! Bitch what about you and yo boy Ashton?! Aren't y'all supposed to go on a date or something??

Me: ☹️ yes unfortunately because you just had to be apart of this pack. Just know you owe me a lifetime supply of takis and squirt soda!!!

Eryian: girl bye!

**** END OF PHONE CONVERSATION ****

That girl is something else. I hope that she figures it out with her and Jordan. I know he's got a lot of growing up to do and all but I can tell he genuinely cares for Eryian. He's a fixer upper that's for sure but I know that he'd make her happy one day. A er he earns her trust. Poor boy has his work cut out for him....

I was still in deep thought when my phone began to ring. This he er always hanging up on me and then calling me back...

Me: what do you want scrub?!

Ashton: Ouch! ☹️☹️

Me: who is this?☹️

Ashton: guess..

Me: Ummm Michael B Jordan?

Ashton: No ☹️

Me: I give up, who is this?

Ashton: it's Ashton....

Me: oh. Wussup wigga?

Ashton: you did not just call me that shawty...

Me: yup sure did. What do you want

Ashton: I was calling to see if your doing anything tonight, I wanted to take you out on our date....

Damn why did I agree to this....

Me: No I'm available. I said with a sigh.

Ashton: great! I'll be at your place at seven sharp. Dress to impress and bring that gorgeous smile of yours.

Me: yeah whatever see you then.

Great now I've got a date with the devil himself.... **well at least I'm happy☺️**.

Argh!!! I need some comfort food if I'm going to deal with this asshole for more than a few seconds.... Takis!!!! run down the stairs to the kitchen. I always have junk food stored in the cabinet. I'm a fatty I know, but I love foood!!

While munching on my delicious snacks my mom decided to make a grand appearance and scare the crap out of me.

"Serenity!!!!" She yelled. "Waaaaaaa!" I yelled back at her as all of my food fell from my hands! Noooooo! Mom why'd you do that?" I asked pouting. "Because I can and it was funny!" She replied. I sadly looked at my food on the floor. "You're cleaning it up" I told her. "Girl I'm your momma, I tell you what to do." She said crossing her arms.

I gave her a look. "Dad!!!!" I yelled! "Shhhhh are you crazy?" She shushed me. "Nope, I'm telling my daddy!" I told her "fine, fine I'll clean it." She mumbled. I smiled knowing that I didn't have to clean up the mess SHE made. I began to walk back to my room. "Where are you going cub?!" Me my asked.

"To my room, I have a date with the alpha" i said. 1, 2, 3...."what alpha child? I knooooow you not talking about Ashton. She said with sass. I let out a sigh. Here we go...."yes momma with Ashton and No I don't want to. I have a boyfriend you know. But I have to hold up my part of the deal for him letting Eryian back into the pack" I told her.

" So What you're saying is that you have to go on a date with your mate in order for Eryian to stay apart of this pack and you have a boyfriend? Since when child!?" She asked. "Yeah I just said that and I've had a boyfriend for over a week keep up" i said with a bit of an attitude. "Don't use that tone with me little girl. I'll still whoop that ass" She said. "Yeah anyways can you help me get ready?" I said giving her the puppy eyes. "Yeah Yeah Yeah. I'll help. That's what mothers are for." She responded.

I walked to my room dreading this date. **Girl I can't wait! I'm finally gonna spend some quality time with baeel!Shake my head. I just don't see how you can forgive him like nothing happenedHe is my soulmate, I can't help but love him. Now forgiving him is something di erent. Explain. 1 we didn't get a full apology or explanation. 2 he didn't apologize to me, he apologized to you. 3 I can't fully be mad at him because his wolf would've never rejected us.** Blah blah blah. Can it. I'm going to get this date over with so that I can live my life!

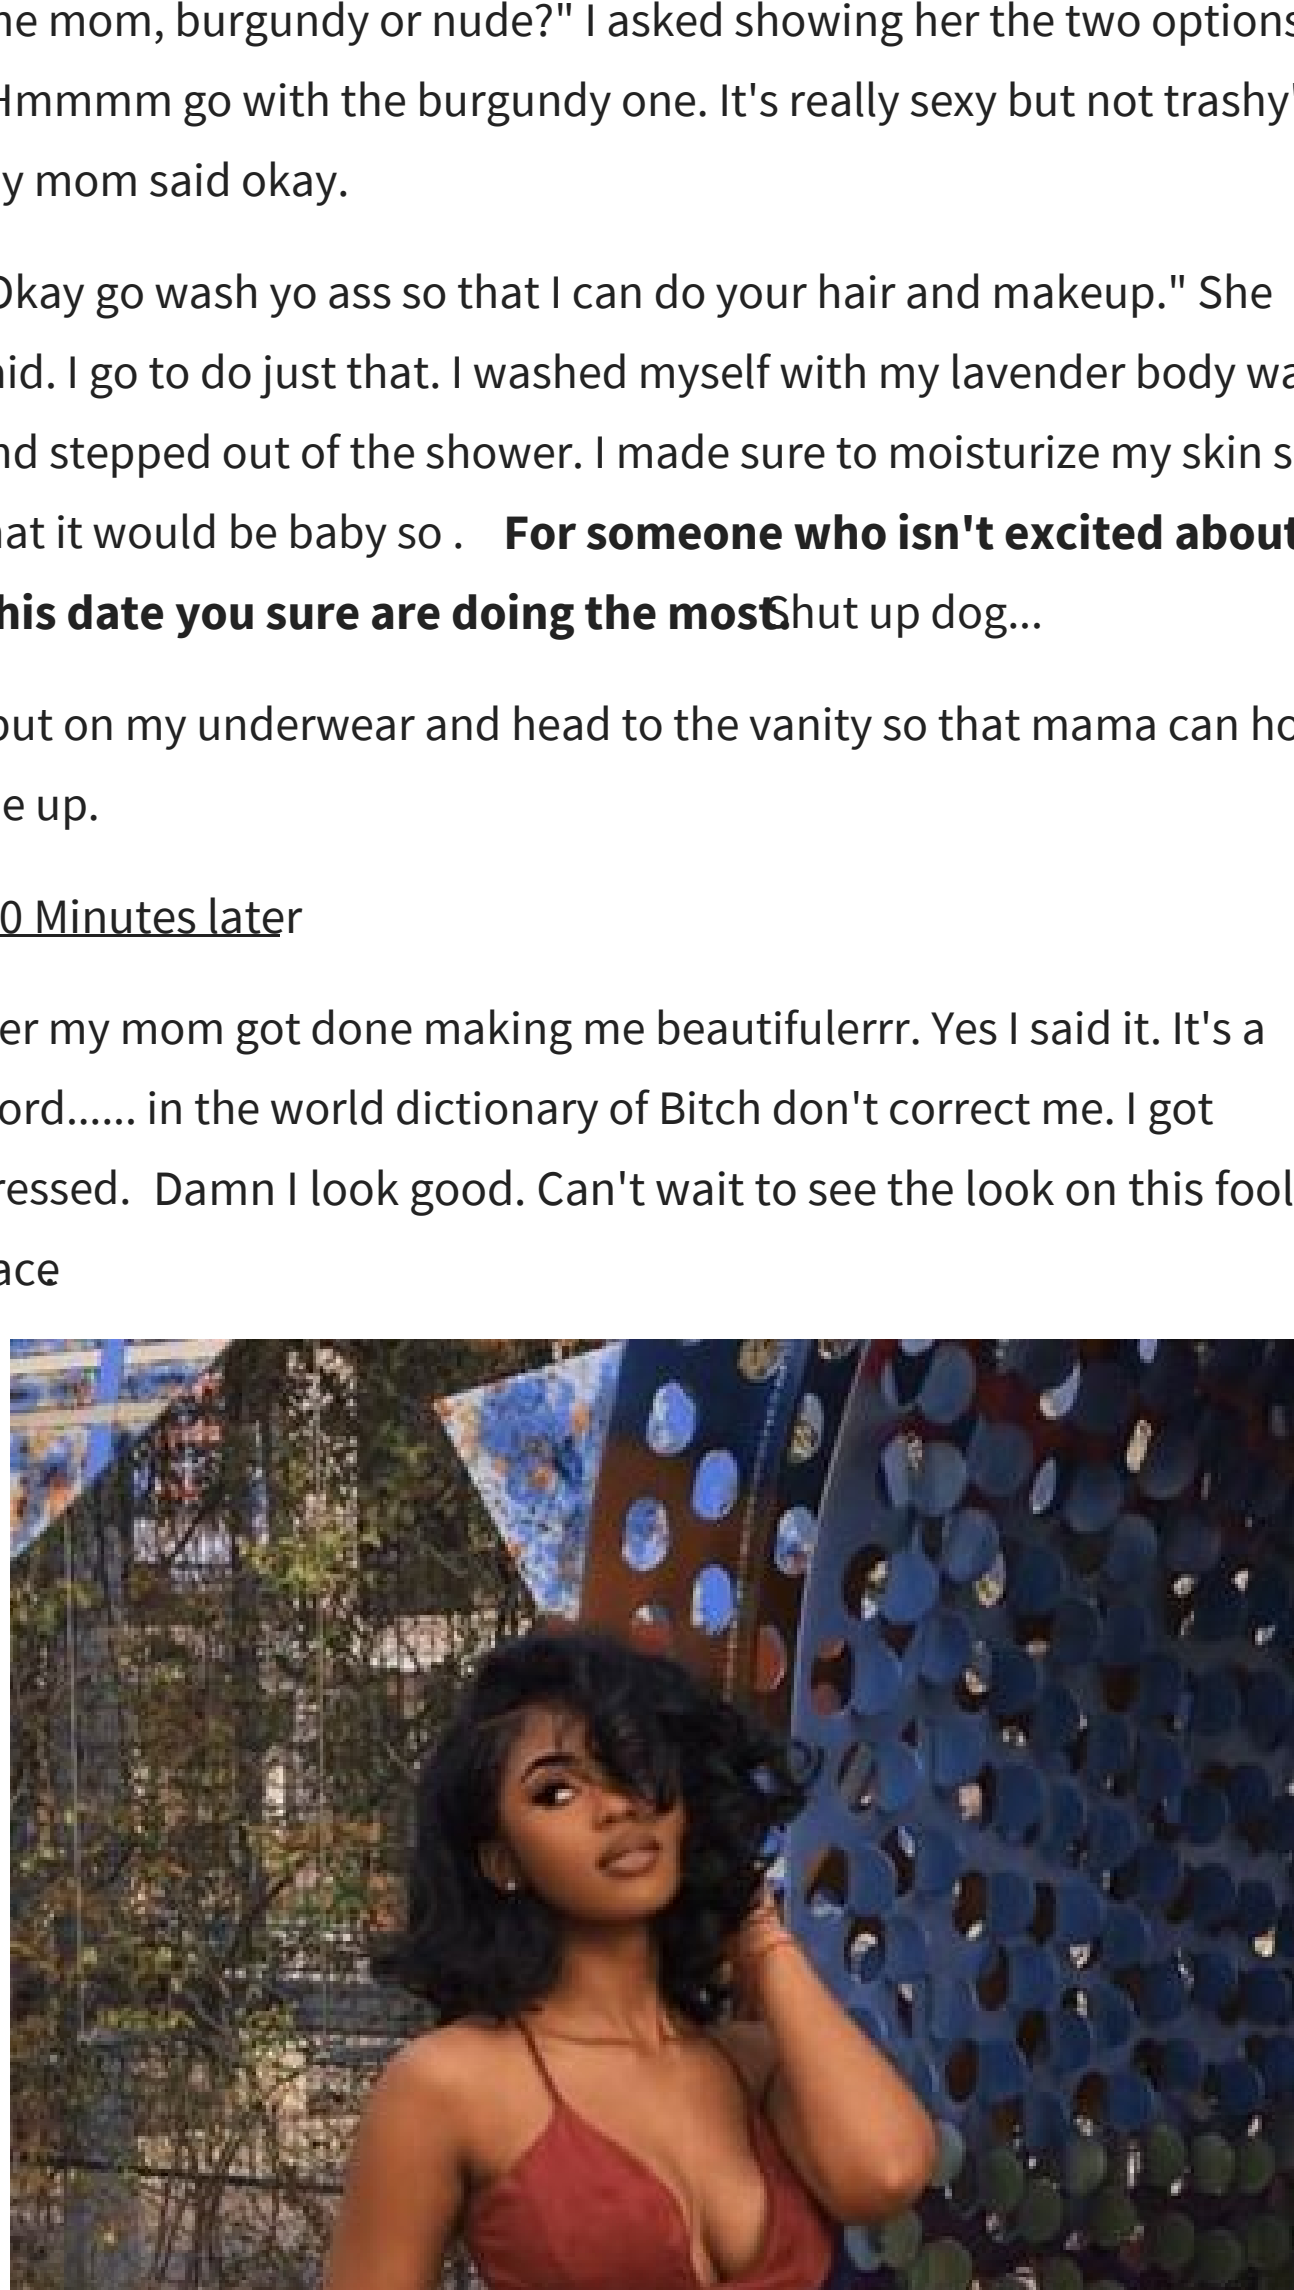

Walking into my closet I picked out a few outfits. Classy and sexy huh?Do I really want to impress this dude? **Yeah!** guess show him what he's missing. My mom walked in with her fine self. "Okay which one mmm, burgundy or nude?" I asked showing her the two options. "HmMMM go with the burgundy one. It's really sexy but not trashy" my mom said okay.

"Okay go wash yo ass so that I can do your hair and makeup." She said. I go to do just that. I washed myself with my lavender body wash and stepped out of the shower. I made sure to moisturize my skin so that it would be baby so . **For someone who isn't excited about this date you sure are doing the mos!**Shut up dog...

I put on my underwear and head to the vanity so that mama can hook me up.

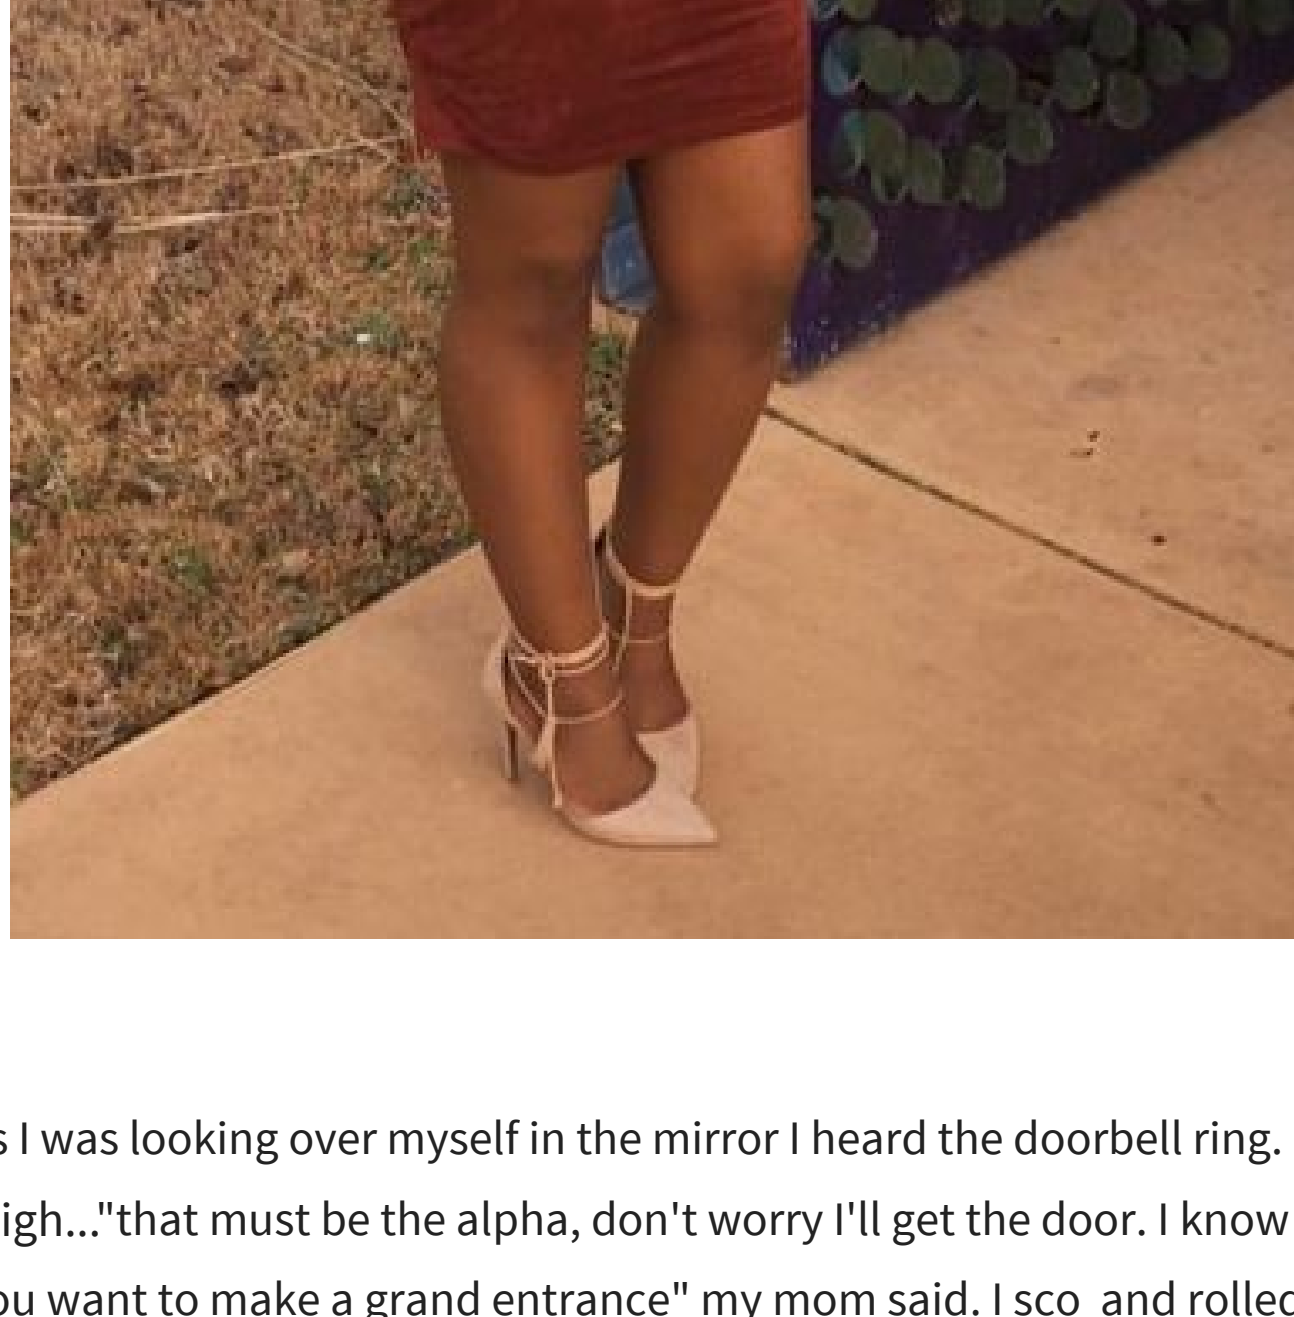

20 Minutes later

A er my mom got done making me beautifulerrr. Yes I said it. It's a word..... in the world dictionary of Bitch don't correct me. I got dressed. Damn I look good. Can't wait to see the look on this fools face

As I was looking over myself in the mirror I heard the doorbell ring. Sigh..."that must be the alpha, don't worry I'll get the door. I know you want to make a grand entrance" my mom said. I sco and rolled my eye. Darn lady talks too much.

I guess it's time to deal with the devil.leave my room and slowly make my way down the staircase. When I got to the bottom Ashton was talking to my mom, trying to be polite. But I knew as soon as I came into the room sensed my presence, I could tell by how tense he was. No surprise there.

Mmmm he's looking good.....I couldn't disagree with her on that. The brotha looked good. I checked him out and he was doing the exact same thing to me. Boyyy you better stooooop.walk you to him and clear my voice. "Ready to go?" I asked. "Hmm umm uh yeah" he replied with a blush.
