

Chapter 8: Ashton's party

Ashton's POV

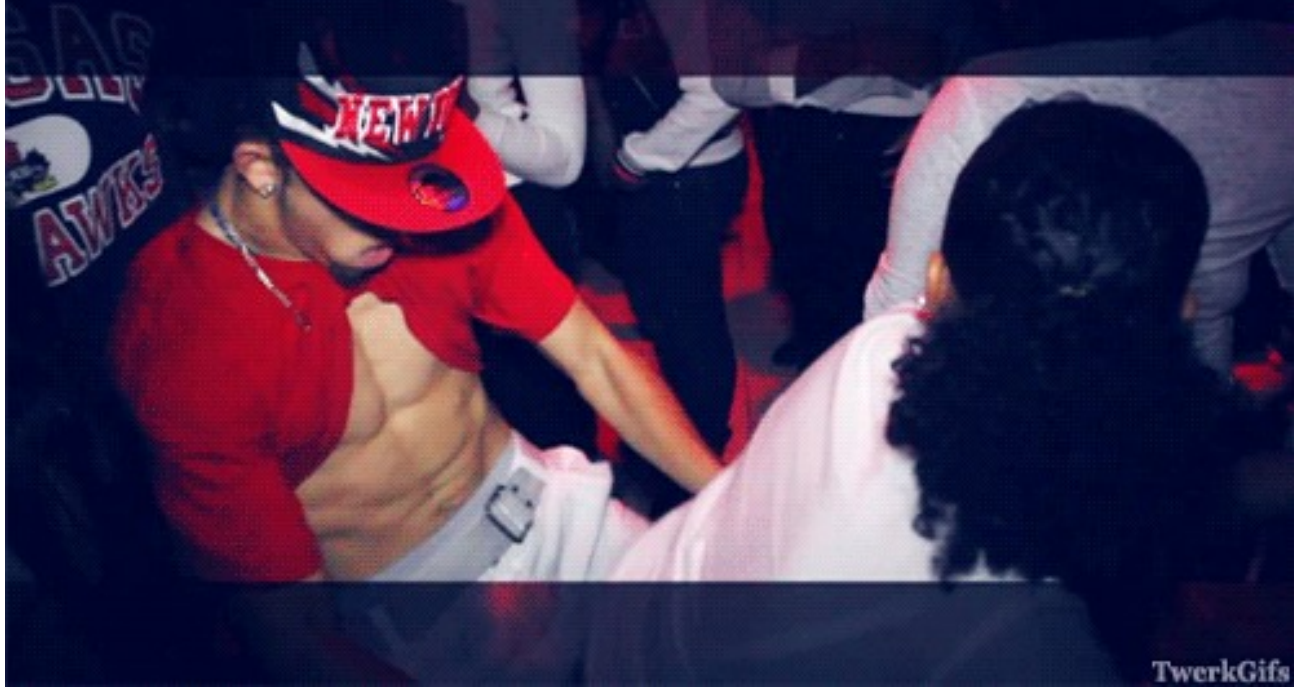

So it's about 9:30 at night and the party is jumping. I got people in the far corner grinding on each other, on the corner I got people making out, in the middle of the dance floor we got people getting buck wild! My boy hook me up, this party is the shit!!! I'm enjoying myself but I'm still on the look out for my special lady. My wolf is been on Edge all night so I know I'll be meeting her tonight. I can hardly wait. She's been on my mind daily and I've even had wet dreams about her. All I know is tonight it's going down! she will bear my mark and we will complete the mating ceremony. **Our luna will make us stronger than any alpha in the world. We will soon be complete. Pups! Pups! Pups!** Snarled my wolf. Woah there big guy I'm not ready to be a dad yetI could feel him rolling his eyes at me...

Anyways back to this party, everyone was having a great time and giving me birthday wishes. My boy Jordan was also on edge, I think he may find his mate tonight too. "Yo man you iight?" I asked "yeah man I'm good, my wolf is acting crazy, I don't know but it's too much pussy in this room for me to worry about it right now." He replied. Smh Jordan was a hoe but who am I to judge, I am too. Well I was until tonight. My mate will be my one and only. We went and got a few drinks, which means we got a little lit! A erwhile a chickenhead caught Jordan's attention and he followed her up the stairs to a room. And I guess you already know what's going to happen.

As the party went on a few girls was trying to get my attention. It blew my ego lol. I love female attention. So I gave in and got on the dance floor to have some fun. I even saw whatsherface!!! She came over and gave me a kiss on the cheek. I can't lie , she was looking so sexy. I had to bite my lip. Mmmm. Smh she asked me if I wanted to dance so I grabbed her and turned her around so she could grind on this dick. I was really enjoying myself.

AyyyyyyeEEEE

Serenity's POV

When me and my girl pulled up to this party my mouth dropped. This shit was packed no pun intended. I'm serious! And the music was so loud I could barely hear myself think. I turned to my girl and I look at her and I automatically think this is a bad idea. "Stop worrying, I'm right here. I got you" she said. I'm out of my head and took a deep breath. As we begin to making our way into the building, I noticed a few guys from school looking at us and I started to blush. I've never had so much attention in my life. We finally get in the building and at this time it's about 10:30 so everyone is either drunk or fucking on the dance floor. Smh. Eryan looks at me and smiles. "Come on let's go get a drink you need to loosen up" she suggests. I gave her a quick "OK" and we made our way over to the drinks. As I was taking to sip, I smelled the most heavenly thing I've ever smelled in my life. I looked to Eryan. "Do you smell that?" I asked. "I do smell something, it smells soooo good" she moans. "Yeah it smells like old spice and honey" I agreed. She looked at me like I was crazy. "No I smell lavender and coconut" she said. HmmmI thought. The it clicked. My eyes grew wide as I looked at her. Our fucking mates are here!!! She gave me a knowing look.

I guess it's time to look for our future husbands who are somewhere in the fucking building. I'll be damn. I was hoping but not expecting to find my mate tonight. Look a gawd!!!

Our mate is here! He smells manly, I can't wait 😊. Kolfi screamed. I'm not gone lie. She scared the shit out of me. She always pops up out of nowhere. Bitch you got one more time to do that shitgrowled in my head. **SORRY!!**

" stop talking with your wolf, we got men to find".

We decided to split up and meet back up in 30 minutes. I hope my homegirl find her man because I'm on a mission to find mine.
