

## Chapter 9: Ashton's party part 2

Serenity's POV

Why is this shit so hard? I've been everywhere! And it's like every time I come close to my mate I lose his scent! Wtf?! And my fucking feet hurt because some big bitch decided to fucking love tap the fuck out of my big toe on the dance floor!! 😡😡😡😡😡😡

Whatever his ass can find me, I have to meet up with bestie anyway. So I start to make my way to the drink station when I bump into the queen bitch herself. I'm really getting fed up with her ass.

"Watch where your going trash." She said

Who the hell she talking to? asked my wolf. **I don't know b, let show her who she ain't talking to!!!** Naaah imma let it slide. My feet hurt too much to whoop this hoe ass. Yeah that's right y'all heard me, every since I beat her ass in the field earlier I felt myself become stronger. I will not let her or anyone else get the better of me. I kiss my teeth and roll my eyes and continue to my destination. I need a drink ASAP!!

20 minutes later

I've been waiting for Eryian for 20 minutes now. Where is she? I knooow she didn't abandon me for her mate! Sigh😞 right now I'm beyond aggy. So I'm sipping on my drink and a cute guy I've never seen before comes up to me. "Hello beautiful." He says. I look around.

Is he talking to me? Yes I'm taking to you gorgeous" he replied. I slap my forehead and blush for saying that out loud. "Hi" I said. "Wanna dance ?" He politely asked. "Actually I'm looking for someone" I replied. He looked disappointed 😞. He was so damn cute ugh! Why couldn't this sexy man be my mate?!!! **Watch him. I don't like him.**

Why he's nice**Stay way from him serenity I'm not playing.** Kk.

"I'm sorry I'm gonna go look for my friend" I told him. "Okay beautiful maybe next time" he said walking away.

Grrrrrr I'm gonna skin this nappy head hoe when I find her, claw her eyes out and pour hot sauce in her panties!!! I was fuming 😡 and it must've shown on my face because people started to move out of my way. I followed her scent upstairs. When I finally found her she was locked in the restroom. I seen Jordan hoe ass knocking on the door like a mad man. "Open this damn door right now and talk to me damn it!!!" he screamed. I got to the door. "Move" I commanded. As if in a trance he moved out of my way and bowed. 🙏 okay?

"Ery please open the door, it's me your polar pop" I said. She cracked the door open to peek out. When she saw it was me, she pulled me in and slammed the door locking it. The next thing I knew she threw herself at me and started sobbing. I've never seen her like this ever and it hurt. I had no clue what to do! "What's wrong baby girl?" I asked. "Tell me what to do, did Jordan hurt you?" She was still crying so I told her "let it out babe" once she was done she told me to everything....

Eryian's POV

(FLASHBACK)

I'd just found my mate and you won't believe who it is... it's fuckboy Jordan and he is fucking some random ass bitch. I gasp! My intrusion was heard and they turned their attention towards me. When me and Jordan's eyes connected I felt the formation of our bond but not only that. I felt my heart break into a million pieces. I start to tear up and I hear my wolf whimper. "Excuse me, your interrupting " the hoe spat. Before I knew it I had the bitch my her throat dangling in the air. "Let her go now!" Jordan shouted. Soooo this nigga gonna protect the bitch huh? So I did just what he asked me to do. I threw the bitch at his ass and watched them both fall to the floor. I didn't want to cry in front of them so I ran to the nearest bathroom and kicked everyone out and locked the door.

A few minutes later I hear the ass banging on the door.

Fuck him I cried to myself

10 minutes later

I heard my best friend calling out to me.

Serenity's POV

A er hearing what happened with my boo bear I got pissed! Who the fuck the Jordan think he is?! I looked to my best friend and she looked broken. "Come on honey let's go home it's midnight " I said. "But you haven't found your mate"she said sadly. I let out a deep sigh. "I know but your my best friend, he can wait. He will always be my mate." I told her sincerely. We both walked out the bath hand in hand. Jordan was long gone. Good.I thought. I won't have to put my foot up his ass... We started descending down the stairs when I caught his scent again and it was strong. It makes me stop in my tracks. "Serenity what's up?" Eryian asks. I took a deep breath filling my lungs and nose with that heavenly smell. As I was doing so, my eyes locked with a pair of beautiful icy grey eyes. **mate** my wolf whispered. When we locked eyes I felt complete as the sacred bond was created. I was happy until I realized who those beautiful eyes belonged to. Ashton mutha fucking Knight and he doesn't look happy.
