The Girl Without A Wolf:

The Rejected Luna.

Chapter 11.

Title: She is not fit to be my maid, let alone my Luna.

Alpha, Richard Brown's point of view.

“How can this happen?” Instead of marking her in front of everyone, I rip her throat away. Everyone was shocked by my actions. They were too shocked to speak. No one dared to move as well. Everyone was scared. The monster in me is on the surface. He killed Amelia in front of everyone. He's a ferocious beast.

“Why? I roar. Why did you kill my mate, Parker?” “I demand an explanation?”

How dare you kill her?”

“Your mate?” Did you just say she is your mate, Richard?” She is not the one I am mated with. She is a fake one, the Luna you mated for yourself,” my wolf Parker replied. She's not my real mate, and never will she be.

“Do you think I will stand and watch you mark that bitch?” Do you think I will allow you to kill my mate because of this whore?” He roars.

“What's all this about, Parker?” You killed my mate because of your sterile mate.” You have the guts to lay your hand on the girl I choose. Well, you have killed my Luna, but I promise you, Parker, if I get to lay my hand on your mate as well, I won't hesitate to finish her off,“I utter.”

“Dear Alpha and Luna, you're free to go back to your territory”, Parker announced after taking over my body. The self-claimed Luna is dead. She's not my true fated Luna, but a fake one pretending to be my real Luna. I'm not sorry for letting you all witness this.

All the Alphas left one after the other. My damn wolf stole my body. He killed my Luna and announced to the world that she was a fake one. Oh, my reputation is gone. I can't believe that he can do this to me. All that happens still seems like a dream to me. The stupid mate he is pestering me to accept is a weak one. She is not fit to be my maid, let alone my Luna. All he wanted is for me to accept that incognito wolf as my Luna and make her my queen. I was still in my thoughts when Ray, my best friend, and beta, walked in.

“Is he here also to aggravate me?”

“Richard, what's the meaning of what you enact in front of the Alpha's and the guests?” He inquires.

“Perform? Is everything not because of my stupid wolf?” You know as well that I can never kill Amelia, you know that”, I yell. Parker murdered her. He killed my mate.

“I think I warned you about this before today. I told you that your wolf wouldn't be pleased with you. He will never accept any female unless she is your true mate. Look at where your obstinacy leads you. “You killed Amelia, not Parker,” he mumbles.

Is Ray trying to anger me to death? Instead of him comforting me, he's adding to my pain. I just fucking lost a warrior as my Luna. I lost Amelia just like that because of my damn wolf.

“Where can I find a strong female like her?”

“Ray, I don't want to argue with you. “Please just leave me alone,” I manage to emit.

“I am here to talk to you as a friend, not as your beta or anything,” he began. I told you, your real mate is not bad at all. You just have to accept her as your mate and queen.

Oh, God. I have a lot on my mind already, and here comes another problem. He's no different from my nagging wolf. He is here to talk about her, my mate.

“Ray, what's your problem?” “Can you tell me what your problem is?” “Why can't you all just let me be? “Why?” I have a lot on my mind, and you're here trying to add another problem to it,” “I uproar. If you're interested in that worthless female, you're free to have her. I won't be bothered if you mark and mate her, I don't fucking care. As for me, I'm not interested in a female like her.

“Wait a minute!” What is that supposed to mean, Richard? “Are you trying to tell me to mate with her?” You're giving your mate out to another male wolf,” he asks, startled.

“The last time I checked, she was rejected by me, Ray. I rescind that fucking girl. She's not my mate, she's never my mate, Raymond,” I exclamation. Don't ever tell me about her again, not in front of me. Do you understand?” Did I make myself clear?” “Shit. You're going to regret this, Richard. “You are going to regret ever repudiating your mate”, he said, before walking out of my room.

“What the fuck! “No one will regret ever rescinding a weak female ass”, I cried out.

I want that nagging friend of mine to hear every single word I say.

“Why is everyone interested in my private life?” Why can't they just let me be?” I own my god damn life, for god's sake.

“Everyone keeps telling you to accept her, but you ignore them.” If I were you, I will go and apologize to my mate right away”, Parker howled.

Not again. Not now. These two people will never let me live in peace.

“You said it yourself, Parker, if you were you, not if I were you.” I will never give you control and I will never let you snatch my body again, “I roar. I don't fucking want her.

They want to anger me to death. I will never allow them.
