

The Rejected Luna

Chapter 19

The rejected luna.

THE GIRL WITHOUT A WOLF.

Chapter 19.

RICHARD'S STANCE.

"What do you think you are doing? Raymond yelled.

Is he blind? Did he not see that I was busy fucking a whore?

"What are you doing here? I attend to him after I'm done with the maid I was fucking with.

"You can wait here, Raymond. I need to take my bath. "And you," I said, pointing to the girl who was crying in the corner of the bed. I don't want to see you in here again if I come out of the bathroom.

I slam the door immediately after I step into the bathroom. I never seem to be satisfied, no matter what I do. Something in me is not satisfying. Is it because of her? Is it because they aren't my mates? What does it feel like to mate with my fated one? I'm curious.

I met Rymond sitting on my bed. The maid is no longer there. She is such an obedient girl.

"What do you think you are doing? He questioned "What the hell are you doing.

"Why ask a question you already have the answer to? Don't you see what I'm doing when you walk in without knocking the door? I yell. You spoiled my fun, dude.

"Your fun? He asked. You have got a mate out there. Did you reject her because of all these whores you are fucking with?

"She got no wolf, dude. She's fucking useless, "I roar. I'd rather fuck those babes than accept her as my mate.

"Wow! Just wow! Is that coming from you? Richard, what's wrong with you? What the hell is wrong? That girl has everything you want in a woman. She has the qualities of a luna. Your queen, "he said. I don't know why you abhor your mate all because she had no wolf. Don't you understand that you are meant to protect her? You are meant to love and cherish your mate.

"Are you telling me to cherish someone that is not useful to me and my pack? I growl. "Raymond, you can't tell me what I should do. Stop talking about her. I'm so pissed. I'm burning with anger.

"You are going to regret this, Rich. "You will regret everything," he warned. Don't say I didn't warn you when you start to regret this action of yours.

Raymond left my room when he finished lecturing me. My cock is still hard and I need a wolf pussy to empty my fluid. I put on my clothes and keep searching for my new prey to devour.

I met a wolf that was not so pretty, but she had a killer body. Mere looking at her knows she will be able to take my cock without pleading and crying because she's the famous pack slut, Priscilla.

"My King," she greets and bows her head.

"Raise. I said, I got to see her well. Her boobs almost spill out of her clothes. It makes my cock twitch. It ignited my desire. Without wasting my time approaching her. I flirted and she accepted fucking with me. Soon, we were alone in my bedroom. I pushed her down on the bed before ripping her clothes. Her boobs spill open. It was round and full. I press on her boobs. It was so soft.

"Mmm!!!" she moaned. I put her nipples inside my mouth, drawing out a loud moan that excited me. After tasting her, I let go of her.

"Come here and suck this," I moan. She crawled and undressed my pants before freeing my cock from their cage.

"Mmmmm," I mutter as she takes my shaft into her wet mouth.

Oh yes" Priscilla.

She groans and moans around me making my cock grow harder. It was veiny.

I grab her head, forcing her to make her suck deeper.

"Uhhh!!!! Oh my! Suck fast! Suck more, Pricilla. She gave out a seductive moan as she sucked me faster. I moan when I feel my cock at the back of her throat.

Pricilla is the pack whore that every male fucks. Every female I've fucked cries and begs without completely satisfying me.

"Fucking shit!!! I growled. "Take all of me, bitch," I moan, grabbing her hair tightly.

"I'm cumming." My eyes rolled back as she deep throated me. "I'm cumming!"

A growl escaped me as I emptied my cum in her mouth.

I feel relaxed. She began to stroke my cock, making me instantly grow hard. She's so good at what she does.

She giggled as she slipped my cock inside of her and began to drive me.

"Oh yes, Alpha," she moans as she crazily drives on my cock.

I grab her ass as she goes up and down.

"Holy shit!!!! Priscilla!! Oh yes. "Drive faster. "Ride my cock faster.

My grunting became heavy.

She's so good at cock driving.

"Do you like it? Do you like how I drive your cock, Alpha? She moaned.

"Oh yes! Faster.

She rode me like the bitch she is.

After emptying my seed, I pushed her to the bed. I slip my cock into her wet cunt before pouncing harder.

She grips the sheets and begins to moan.

"Oh yes, my king" fucks me harder! I want more.

"You like it, bitch! Do you like how I pound and destroy your cunt? I show her cunt no mercy as i fuck her harder, faster, and deeper.

She cries and moans at the same time, while her pussy milks my cock.

I fuck her in a different style and cumming countless times.

"I love this. I love the way your little pussy milked my cock, bitch, "I moan, slapping her ass.

I let her go when I'm satisfied with myself. She takes my cock well. All through our sex session, i could only hear her moan and scream. I like her. I'll make her my sex partner.

"Alpha, when should I come again? She ask seductive. I enjoy sex with you.

"I will call you when I need you. You can go now.
