

The Rejected Luna

Chapter 2

Rejected Luna.

Chapter Two.

Jane.

I felt the sensation when he touched me. "Is he my mate? "Is he the one? I look up to see who my mate is only to meet with his eyes. I let out a soft gasp.

"He is the alpha my mother warned me about.

"What is your name? He asked me.

"My name is Jane Biller. I let out.

"What is yours? I ask him.

"My name is Richard Brown, he answered back.

The next thing I hear comes as a surprise for me.

"I Richard Brown rejects you, Jane Biller as my mate and Luna".

I was shocked. I can hear people gasp. I met my mate but I was rejected immediately.

"Why? Why did you reject me? I ask.

I was at the edge of crying.

The mate I have been waiting for since I was 13. The mate I thought was going to love me rejected me.

"Why? Do you need to ask me that? The moon goddess must be joking for giving me a weak no wolf like you as my mate.

"What can a person without a wolf offer me, and my pack members? You gotta be kidding me if you think I am going to accept a useless being like you. I can't waste my time on you. If I were you, I could have accepted the rejection quickly and pretended as if this conversation never existed in the first place".

I wish the floor could open its mouth and swallow me. All his words were assassinating to my heart. "My mate even rejects me". "But how can I accept his rejection when I have no wolf?

"I can't accept your rejection. I utter lowly.

"And why is that? He asks. Why can you accept my rejection?

"I can't accept it because I have no wolf, " I said.

He sneers. "You can see it? You know you are a useless thing, and you dream to be a Luna. What a joke?!

I burst into tears and I was shaking.

I feel tears streaming down my cheeks.

Ah, hhh! My mate rejected me and still humiliates me in front of everyone. From the corner of my eyes, I saw my mother walking up to us. She was burning with anger.

"Alpha, how dare you humiliate my precious daughter? She asks, not fearing that he is an alpha. "How dare you make my daughter cry?

"And who are you? He yells in frustration.

"I am her mother. I won't stand here watching you humiliate her, she replied.

"Oh, you are a mother to a weak clumsy girl. Like a mother, like a daughter. He continues if you don't want to die, get the fuck out of my face, you disgusting creature.

I hear a loud growl. I think it is from my mate, but I was wrong. The dangerous growls belong to my father. My father finally intervened. I never knew he loved me enough to be able to stand up for me, but my happiness was cut short when my father spoke out.

"Alpha. I am less concerned if you reject her as your mate or not, but I won't stand and watch you insult my mate, he roared.

I think it is a mistake to think that my father, Who thinks I am a disgrace, will stand up for me. It is a bitter truth. No one loves me here except my mother. And the only one I think that will cherish me forever rejects me as well.

"Oh, beta I can't believe you gave birth to this weak girl as your child, a strong beta like you. It is such a disgrace, he said.

He sure has a bad mouth, my mate.

"Well, I think you are sensitive enough to understand my flight. "How can I accept and mate with a girl like her? He said.

I can no longer withstand it. He is killing me with his words. I scurry away quickly.

"Jane, I can hear my mother call after me.
