

The Rejected Luna

Chapter 22

The rejected luna.

The girl without a wolf.

Chapter 22.

Richard.

Hearing that my mate is powerful enough to kill an alpha is something that I am happy about. She is worthy of me now. I have to undo the rejection. I'm happy she had no wolf then to accept my rejection. She can easily accept me. All I have to do now is to find her and ask her to be my queen.

"Ray, tell me, where is my mate? I asked him once more.

"I'm not sure, but I left her in the club," he explained. "She must be in the club since I left her there.

"Which club is that, tell me? I ask. "I am bringing her back to make her my luna, your queen.

He let out before uttering, "Don't stress yourself. I don't think she can accept you.

"What do you mean by that? I inquire. "Why won't she accept me? I'm her mate. She got no other mate except me.

"Oh, is that why you treat her like she is nothing? Do you hear yourself speak? "You forget when you threatened to kill her mother for defending her daughter against you," Raymond yells.

"No matter what I did to her. I'm sure she's going to accept me. Where can she meet a hot and strong alpha like myself? You think highly of her. Who is she that is going to reject me? She won't dare! " "Enough of all this talk. Where is she? Tell me the name of the club?

"Red-devil club. "You are going to meet her there," he said. Raymond walked away after telling me this. I watch him leave.

I quickly grab my car keys. I drove out on a mission to get her back. Soon, I was at the front of the club. I saw a few people that were standing outside the club. I walked in to find the club empty. Is Raymond playing me? Where the hell is my mate? I have to search for her. She must follow me to my pack tonight. I keep searching for her, but she is nowhere to be found. I was frustrated. Where the hell is that bitch? Is she making out with another male behind my back? Never. No one gets to touch what is mine.

"Parker, help me. We need to find our mate. I am ready to accept her," I told my wolf, who had abandoned me since the day I slept with a girl. I hope he talks to me. "Let's find her together.

"Find who? He finally talked to me. "Our mate? I never knew you were this shameless of an alpha. You never want her. You are only interested in her because you got to know how strong she is. "I warn you, don't go near her.

"Parker, I am doing this for us." She is our true mate, and you know that. I know deep down in your heart you want to search for her. Let's stop fighting and focus on searching for her.

"Uhhh!! He groaned.

I utter, "Please. Let's do this together." I try to coax my wolf.

"I will help you only on one condition," he said. "You have to apologize to our mate when we find her." If you fail to do this, I won't help you again.

Should I apologize to my mate? How is that possible? Why will I apologize to my mate? He won't help me if I refuse to accept his condition.

"Okay. I accept your condition, I whisper.

"Don't think I don't know what you are thinking. I can hear your thoughts. If you dare lie to me, I will never forgive you. Is that clear? Parker threatened.

"I promise. Let's find her. We keep finding her. Even with the help of Parker, I still couldn't see her.

"I don't think she is here," he said. "I think she is gone.

"Gone? "Gone to where? I ask.

"And how am I supposed to know that, idiot? He howls. "You rejected her when we got to see her easily, and now you are forcing me to help you.

"Enough, Parker. I am trying my best to find her. "Stop being a bitch. "We both agreed to work together, and not to keep nagging me.

I went back to my pack without seeing her. Is she really with a guy? Is she cheating on me? That would be so cheap of her. I hate to imagine her fucking with another guy when she belongs to me. Only I can fuck her cunt. I will kill whoever gets their hands on my thing.

"Raymond." I rushed to his room as soon as I arrived home.

"What is wrong, Alpha? "Did you have a nice time with your mate?" he asked. "Where is she? Did you manage to bring her home?

"Can you stop pretending? I yell. "You know that she is no longer at the club. You fucking lie to me. How dare you lie to your king?

"What are you talking about? He asked. "Are you talking about Jane?

"Then who am I talking about if not her? I ask. He's so annoying.

"Oh my bad! I'm sorry. I thought you were asking me if I met a hot girl at the club. I didn't know you were talking about your mate," he apologized.

What the fuck!!!"

"Are you playing with me, Ray? You thought I asked you about a girl in the club? "Are you not the one that told me you came across her at the club? "Why are you doing this? I thought we were friends. He looked at me with disgust. He's not pleased with me.

"If you are talking about Jane. She left and I didn't bother to ask her where she was going because she felt hostile toward me and it was all thanks to you" he muttered. "I don't know where she is.

"You don't know what?" "You don't know the whereabouts of your queen," I roar. I was burning with rage. How dare he do that. Why can't he follow her to know where she stays. I feel he is lying. He first lied to me that she was at the club; now he was telling me this. When did he become like this?

"My queen? " He inquires. The last time I checked, you rejected her. When did she become my queen all of a sudden?

"I told you I was accepting her. She will automatically become your queen like that, I reply. Like seriously, you don't know where she went?

"Do you still remember where you rejected her?" he asked. "If that's the case, I believe she's a member of that pack."

How can I forget something important. She's the daughter of the beta of that pack. She must be at home with her parents.

"Thank you, Ray." I am sorry for disturbing your rest. I need to go now. I turned to leave, but I was stopped by him.

"I don't think it's proper for you to leave for her pack now. Wait till tomorrow. "You can see her tomorrow," he said.

"Okay. I will do just that.

I needed to see her right away, but he told me not to go. I should wait until the next day. I can't wait to hold her in my arms. I can't wait to feel what it's like to kiss and mate with her.

I walked into my room only to be greeted by the foul odor of the pack bitch. She is inside my room.

"What are you doing here? I ask. She's already on my bed naked. She walks toward me.

"My heart is so hurt, my king. "How can you leave me and go in search of another female?" she stated. "Is she prettier than I am? Is she better in bed than me? Tell me, Alpha, what is so good about her that makes you abandon me?

I stared at the purring bitch in front of her. How can she compare herself to my mate. Who the hell is she? What right did she have to be talking trash about my Jane.

"Is it because I am banging your clit that you feel you are important and have the right to question me? I roar angrily. "How dare you, bitch? She kneeled under the power that was oozing out of my body.

She trembles. "I..." I'm sorry, my king. "Please forgive me," she begged.

"You are begging me, right? "How did you come into my room? I ask.

"I come in when I find your door open. I have been waiting for you to come back," she said. "I am sorry for trespassing. Please, forgive me, my king.

I stare at the ugly bitch in front of me. I nearly puked. Have I been fucking her all this time? Am I blind not to notice her ugliness? She is so ugly.

"Get up and put on your clothes. You are staining my eyes with your ugliness. I will forgive you this time, "I say. " It will be your death day the next time you enter my room without me calling you. Do you understand?

"Yes, yes. I understand. "Thank you for pardoning me, my king," she said as she quickly put on her dress.

I sit on my bed thinking of her. I can't wait to meet her.

I need to sleep early to wake up early tomorrow morning. I remove my clothes to take a bath. I moan as the warm water gently falls on my skin. When I am done, I wring my wet body. I lay on my bed, covering myself with my blanket before dozing off.

THE NEXT MORNING.

I wake up early to have my bath. I walk to Raymond's room.

"Hey, Ray, it's me, Richard. Open your door, I know. I keep knocking, but he refuses to open the door.

"Open this door now," I commanded.

He opens the door. "Alpha, what happened? Why are you waking me up at this time?

"You need to get ready. We are going to Jane's home together, I stated.

"What: why? Why should I follow you to her home? He asked. Is she not your mate?

"Is there something you are not telling me, Ray? I eyed him suspiciously. "Why are you so worked up because I asked you to escort me to my mate's house?

"It's too early, alpha. "I'm sure the alpha of their pack is still sleeping with his luna," he let out. "Why must you go now?"

"I can't wait again. Even if Jane's parents were still sleeping, I'm going to wake them up, "I announce. I'm sure they will be very happy if they know I'll be accepting their daughter as my mate.

"Okay! "Allow me to have my bath," he responded.

"Okay. Be fast with whatever you want to do. I will be waiting for you. Don't keep me waiting too long.

"I won't, Alpha," he replied.

I walked downstairs. I took my seat and waited for him. After waiting without seeing him, I decided to mindlink him.

"Hey, what are you doing? Don't keep me waiting.

"I'm on my way, Alpha," he replied.

Raymond refuses to come down after telling me he is on his way. What is he doing? I need to go get him myself. Why is he intentionally wasting my time? I was about to stand up when I saw an angry-looking Ray coming downstairs.

Is he that upset with me?

"Can we go now? He asked.

"Yes, let's go," I reply.

I drove out of my pack. The drive was silent. I tried to start a conversation with him. Raymond never uttered a single word. The drive was long.

"We are here," I announce. He comes down from the car when I park my car. Still silent, he began to walk toward the alpha house.

"Where are you heading to? I asked him.

"The alpha house," or do you know where the betta stays?

"He must be living in the pack with his family. "So where will he live if not in the alpha pack house?" I asked him. "No need to bother the alpha, I can smell the guards." Come out.

Three of the guards come out. They bow their heads in respect. "Alpha king, what can we do for you?

"I need you to tell me where the betta stays," I stated. "Where can I find him?"

"We will take you to where he stays, Alpha.

They led us inside the pack. "The Betta stay here, alpha," he announces.

"Thank you. You can go.

Raymond stayed far away from where I was standing. I knocked on the door.

"Yes. Who is that? A voice asked. I know who she is. It belonged to her mother.

"Open up. It is me, I replied.

She opens the door. I smile at her.

"What are you doing here? She asked, disgust laced in her voice. "Who are you looking for? She screamed.

"Who is there? I overheard the wager inquire.

"Alpha, what are you doing here? He asked, immediately he saw me. "My king," he bows.

"I'm not here for you or your wife," I mutter. "I'm here for my mate, Jane. "Where is she? "Can you call her out for me?

"I am sure you are kidding, alpha? She asked. "I don't remember you having a mate here." Did something hit your brain? " she mocks.

"How dare you? I howl.

"I'm sorry. I apologize for her behavior. Please forgive her.

"If you are looking for that child of mine, I'm sorry to tell you that she is no longer staying here and I don't know her whereabouts," he said.

"Whattttt!!!" I cried out.

She's not here either.

"Are you trying to hide my mate from me? I inquired.

He opens the door widely. "You are free to come in and search for her.

"He's not lying," Parker said. I can't feel her here. Our mate is not here. Stop trying to pick a fight with her parents.

"Can you tell me where she is? "I gently asked them.

"No, I don't," he replied, but my wife was aware of her location. I turned to face her mother.

"Tell me, woman. Where is my mate? Where do you keep her? I ask.

She smirked, and her reply shocked me.

"I won't tell you even if you kill me. I am not afraid to die, "she growls at me."

"Whattttt!!!"
