Jane's stance.

"Ahhh! I moan. Without warning, Vi rushed to me and attacked my lips. He started kissing me passionately. I was enjoying his kiss. Vi's hands roam all over my body. He grabbed my ass and began deep kissing me as if his life depended on it. I open my mouth for him to explore it as he likes.

"Ahhhh!... Vishal..." I moaned. The pleasure he was giving me was too much. The pleasurable flame burning in me was too much for me to handle. This is pure bliss. I dragged him closer and my hand clutched his hair. He's turning me on so much. I'm already so wet. The wetness drenched my pants.

"Vishal." My breathing came out harsh as I panted and moaned crazily as his mouth explored my mouth. His kiss turned wildly. He broke the kiss and started licking my neckline.

"Ummm..." ha!..." I moan in a hungry tone.

He grabbed my boobs and put them in his mouth. His skillful tongue began drawing circles on my nipples. I feel hot. I feel hot all over my body. I moan so hard. Vishal abandoned my boobs and began tailing my body with his kisses. I arched my back when he kissed my belly button. He's so skillful. I can never get enough of this man. He knows exactly where he could touch that could turn me on.

He spread my legs wider and began to sniff my cunt.

"Mmmm." "This smells heavenly, darling," he moans.

I stare into his beautiful, yet lustful eyes. It was so dark. Vishal watches me with a lustful gaze. My body trembles in pleasure. It recognizes his touch. I had no control over my body as it recognized its master. Vishal sniffed and buried his face in between my legs.

"Oh, my goodness..." I moaned when he ran the tip of his hot tongue around my cunt. His skillful tongue began to suck my wet petals. My body was burning on fire. He shoved his skilful tongue deep inside of me. It was an amazingly pleasurable feeling. I trash around, moaning his name as he sucks hard on me. He ate me up nicely.

"Ahhh..." Vishal his name roll out as a moan in my mouth at the intense sensation of him sucking on my cunt. My hand clenched painfully in his hair. I arched my back and whimpered in the pleasure he was giving me. My mind is coated with lust and desire. Vi removed his tongue and replaced it with two of his fingers. He slid his fingers inside of me and began finger fucking me.

"Jane, do you like it? He asked in a hoarse voice.

"Oh, yes..." I moan. He made me lose my sense of reason and replace it with a lustful desire.

"Harder." —Harder, please! "Vi..." I scream. I grabbed my boobs and began to play with them.

"Yes!" screams my name. "I want you to moan for me," he growls. "Tell me you're mine. You're my woman.

"Uh, ummm..." Yes, I am..... yo... urs.I love you, Vi.

He began to finger fuck me faster. I moan out loud in nothing but joyful bliss. Desire flows through my veins. I enjoyed the feeling of pleasure from the way he was finger fucking me.

"Ahh..." don't stop, don't stop, Vi," I moan in pleasure. "Faster, faster".

Vishal made a thunderous, animalistic, loud howl. I couldn't control myself and my hips began to move wildly in rhyme with his thrust. My mind went blank as desire consumed me. I'm about to cum.

"I'm cumming, Vi," I cried out.

"You won't do that. "You will only come when I ask you to," he groaned.

Vishal removed his finger and beautifully shoved his tongue deep inside my honey hole. I grabbed his hair and moaned as his tongue began to do wonderful things to me. I pulled myself further towards him and began to ride on his face. Our moans filled the room. His tongue entered deep inside of me. I'm lost. I'm lost in the ocean of lust, and I don't wish to be found.

"I'm cumming." Please allow me to cum. It's becoming unbearable for me to endure. I need to release myself. "Please..." allow me to cum".

"Mmmmm," he moans. He never stops tongue fucking me harder, deeper and faster. He's bringing me dangerously close to my release, yet he refuses to let me cum.

"You can release it now." "Cum for me, hun".

"Ahhh..." I screamed so loudly when my orgasm ripped out of my body. His tongue slowly slides out of my cunt and I feel him lap all my juices. My breathing was so fast. I'm yet to recover from my intense orgasm.

"Mmmm..." "You cum so much inside my mouth, darling, and you taste so sweet," he said, sounding very satisfied. I blush.

He stood up and began to strip off his clothes. In front of me, he was standing tall and proud. He was naked. I stare at his long shaft. My eyes blink at the sight of his angry cock.

My mate smirks. "It's yours".

He joined me in bed, and his hands began to roam my naked body. He kissed my neckline down on my boobs before attacking me with his lips. His tongue invaded my mouth and began to explore everything in it. I moan into his ardent kiss. I could taste my cum in his mouth. He's making me taste my juices. I began kissing him back with the same raw passion. He deepened his kiss and started kissing me wildly. It was hot. So hot.

He stopped kissing me and began staring at me. His eyes roamed my body. I was shy and blushing.

"You are so beautiful, darling," he uttered. His husky voice turned me on as my cunt began to drip again. He knows how to turn me on easily.

"I'm so happy you are my woman. You brought joy and happiness into my life, and I never regret having you as my mate. Thank you for accepting me. "I will always love you, honey." I was red. My face was red like a tomato. Hearing him say he loves me makes me happy.

"I love you too, baby." "You mean the entire world to me.

He smiled and started stroking my hair. He gently placed his shaft in front of my petals.

"I'm going in," he announces before sliding his shaft inside of me. I groan.

"Relax, baby".

He made me relax and adapt to his length. Despite having sex with him now and then, my cunt is yet to adapt to his length. He's too long.

He began stretching my insides with his enormous shaft. He fills me up.

"Mmmm..." Vishal moans. He never moves, and he starts showering my face with his kisses. He spotted his kiss on my neckline.

"You can move now," I whisper.

He began moving slowly. I enjoyed how he was fucking me slowly, but I needed more than that. I need him to be faster.

"Faster, vi..." I moan. "Go faster on me.

He started moving faster inside me. I was moaning and begging him not to stop. He was so sweet. He turned me on all fours and entered me from behind with a thrust. He was fucking me wildly. He grabbed my hand and started pounding my pussy.

"Ahhhh..." oh my God.... " Vishal! "; I cried out in pure bliss. My mate was hitting my pussy harder and harder. He shows no mercy. He was determined to injure my cunt. I could hear my wolf's voice asking me to allow her to take control. I never listened to her. My brain is already coated with Vishal's cock and his powerful thrust. He was thrusting so deeply. I could hear the sound of his thrusting. Our moans filled the room.

"Oh... "yes! "Jane..." he cries out as his thrust gets violent.

"I'm cumming," I scream.

He withdrew his shaft and took me in a different style. He raised my leg and entered me with a thrust. He began doing what he knew best.

"Ahhhh," I scream when his shaft keeps knocking into my womb. His powerful thrust makes me tremble. My boob was bouncing as Vishal thrust and sliced me in a marvellous way.

"Ahh..." baby.. "I'm cumming," he moaned. With a more powerful thrust from him. We both cum together. I could feel his fluid slip inside my womb as he buried his seed deep inside me.

"Ahhh.." I fell on the bed. My legs were shaking. I'm yet to recover from my orgasm when Vishal grabs me again.

"Another round. I'm not yet filled," he groaned.

"No, not again," Amber howled. "It's my turn. She gave out a growl before taking over.

"Hello, mate! "I'm Amber," she smirks.

"Oh, it's you, Amber. I have been waiting for this day to come "(Vishal Wolf), Fred howled. He has taken over Vishal's body. I can finally be with you.
