Jane's point of view.

"Jane, let's hit the shopping mall. After that, let's hit the club as well, I don't want you to be sad after telling me about your encounter with your mate" Amira says.

"OK, I am in. Let's go", I reply.

She drives us to the mall, and Ella joins in as well, since she is also our friend and the daughter of the beta of the pack.

"Hey, I want that sexy gown," Ella pointed at a very short dress. It was smoking hot. It was hot, but classy. "I need to check this out, please bring this down. I need to check if it is my size, she told the shop attendant.

"Yes, ma'am, she replied, bringing down the gown.

Ella collects it from her and scrambles inside the dressing room.

"Wow, this is hot", I admire her when she steps out of the dressing room. Damn. She is so hot.

"Really. Do you think I am hot? She asks.

"Yes, you are so hot, I told her.

"Thank you, she smiled.

"If you don't like the gown, you can as well give it to me" Amira said.

"No, no, I am satisfied with this gown. Kindly choose yours, Amira" she told her.

We check different stores.

"Jane, check this out. Do you like this? Amira asks, showing me a backless short red gown. It can barely cover my boobs.

I nod my head. "Yes, I like it, but it's too short, and it is going to leave my boobs showing," I told her.

"Who cares, you are taking this, honey, and you are wearing it to the club tonight", she told me.

I was forced to try the dress on. I was shy and I felt naked.

Amira's eye wandered my body before letting out a gasp. "This is heart-taking. Damn it, girl, you look so hot and sexy. I am sure all the guys are going to drool on you when we hit the club tonight.

"Are you sure, I need to wear this gown? It's so short", I let out.

"Either if you like it or not, you're wearing this gown to the club, Jane" she replies.

"What the fuck!! Girl, you look damn good, I'm tripping already" Ella mumbled.

"We are buying this", Amira and Ella say.

Amira chose her gown also, so I was forced to buy the short gown. After we reached home, we told the Alpha and the Luna that we were heading for clubbing, and they allowed us to go under a condition. We must take two guards along with us. We agreed.

"I can't wait to hit the dance floor, Ella said, happily.

(What is fun about this? This is my first time going to that kind of place. My thoughts.)

"Me too. I can't wait to hit the dance floor, even if I have never met my mate. I should enjoy myself because I am sure he is also enjoying himself out there too.

"There is nothing important about mate, let's enjoy ourselves. I howl.

Our car stopped in front of a big place. The music is so loud that it can be heard outside the building.

"Welcome to the exclusive club," I read.

We step out together and the two guards serve as our bodyguards. It feels so cool.

"This is the biggest club in town, Ella said.

The bouncer at the door let us in.

"Inside this club, everyone is equal. So have fun, baby girl", Amira announced.

The inside of the club is filled with many people, some boys, and girls are on the dance floor dancing to the music. Everyone is enjoying themselves. We head to the bar. Amira ordered some strong wine and after taking shots with each other, Amira and Ella decided to hit the dance floor.

"Let's go, Jane, they both said.

"Count me out, I said.

"No, let's go", Amira let out.

"OK, I will join you soon, I promise.

"OK, they both say, as they hit the floor, a lot of guys swoon around them.

"Hey I turned the bar man, give me the strongest alcohol that you have.

"OK, he smiled and offered me what I asked for.

"Thank you. I shove it down my throat, this is the first time I tasted alcohol.

I started getting tipsing. I need to dance. I need to forget my so called bastard of a mate. This is the only chance that I have. After today, I won't let that guy get to me ever again.

I stood up on my feet. I walked to the dance floor. I started dancing to the music beat, shaking my ass. A lot of guys joined me. I smile when a guy holds my waist, and together we start dancing to the beat. I guess I am attracted to someone.

Alpha, Richard Brown stance.

Ever since I met that useless mate of mine, she has never, for once, left my mind. I hate the fact that she has an effect on me. I hate her more for not being able to accept the rejection. "Why is the moon goddess so wicked to me? Why fated me to her? I hate everything about her. I need to get her to accept my rejection, or I will forever be stuck with her. I won't be able to mark or mate with another strong wolf that is worthy of being my Luna. I want a strong wolf who will rule beside me. I never listen to my nagging wolf, Parker, when he argues with me to accept her as our mate. He likes her already. "What is my concern about that?

"I am sure you know that without me, you are nothing", Parker said. "You know I am the reason everyone fears you. I am strong already, I can protect our mate",

"Parker, can you protect her forever? Can you? Tell me?" "Can you always protect her from my enemies all over the world? I told my nagging wolf.

"I don't care. I want her. I like her already. "I don't know what is wrong with you. Why hate her because she has no wolf?" Why humiliate my mate? He roars.

I push him back. I am here to enjoy myself here at the club today. I don't need you to nag me. I am in my VIP room inside the club, I can see the outside people, but people that are outside can't see me because it is a tinted glass that they put in the VIP section.

The dance floor suddenly catches my attention. My eye snapped at a very beautiful girl. She put on a very short, smoking hot gown. My cock got agitated at the sight of her. I got attracted to her.

"Damn it, why am I aroused by just looking at her, who the hell is this stranger?

My cock got excited, and my body trembled.

"I need her, I need to know who the hell is she",

She is so sexy that I want to get to know her and have her as mine.

"Who is she? I got jealous when a man wrapped her arms around her waist. Dammit, I have to act fast before another dude has her. I want her as mine.

I rush out of my VIP room, and I head toward the dance floor.

There are so many guys who surround her, that I am unable to get her attention, with the little space I managed to squeeze myself in. I tap her on her shoulder.

"Hey, I tap her on her shoulder, just trying to get her attention to myself. She turned around and to my greatest surprise, she was no other person, but the mate I never wanted. The mate I rejected.

What the fuck.

"What the fuck are you doing here? Wearing this kind of sexy cloth" I roar.
