The Rejected Luna

The girl without a wolf

Chapter 52

Alpha King's stance

We arrived at my pack about an hour later. All through the ride, I had my fingers inside her pussy, toying with it to my satisfaction. She kept struggling and trying to fight me off so I had to tie her hands to the back like they are right now.

We got inside my exquisite bedroom and I hurled her on my king-sized bed. She fell face-first and quickly tossed around to look at me.

I was already taking off my clothes, and tossing them aside. I might have fucked her hard and fast in the car an hour ago but that's not enough to make up for the long time she was away from me and I didn't get to have a taste of her.

"Please, don't fuck me again. We already did it in the car, right?" She pleaded, shedding those fake tears. This mate of mine is such a manipulator. One minute, she's fighting you with so much fervor and the next minute, she's pleading like the most pathetic person on earth. Her change of moods is unsteady and just to her benefit. That's why I've decided not to pay attention to her tears and just have my way with her.

"Yes, we fucked. But that's not enough. I still want to fuck your pussy," I finalized to her and joined her on the bed. Since her hands were tied, I had the honor of undressing her and taking off her panties which were still wet from her juice when we fucked in the car.

"Please, stop this! You are not my mate! You don't have any right to touch me!" She screamed, almost breaking down the walls of this house with her high-pitched voice.

I gagged her with a piece of clothing and she couldn't shout anymore. I lowered my head and went in to suck her pink pussy.

She moaned as I sucked up all her pussy into my mouth, savoring its taste like it was my favorite fruit. As much as she tried not to moan at my touch, she still couldn't help it.

My tongue rolled at the tip of her slit and then it went back to her pussy lips. She released muffled moans, rocking her hips, bringing her pussy closer to my mouth and at the same time, taking it back.

"You taste fucking good, little mate," I complimented her. I can't get enough of her pussy. Never tasted a pussy that drives me insane and leaves me insatiable. Just hers.

I used my fingers to widen her pussy, giving me a clearer view of her slit. It was damn wet from how much I licked it. I shoved a finger into her and she jerked, releasing another muffled moan.

I took out the finger and rubbed her pussy in a fast, circular motion and she went mad with muffled moans.

Her pussy was wet now and I can't hold down the urge of fucking her anymore. I needed her to suck my dick but with her mouth tied up, it would be impossible.

I sent a mind link to the royal butler, asking him to send in one of the palace omegas.

Just then, an Omega walked in and gasped as she saw me standing naked with my hands on my waist.

Her gaze drifted to Jane and she stepped back in fright. I ignored her stupidity and just decided to go down to business.

"You sent for me, My King," She bowed shyly, and I nodded.

"Strip," I ordered her in my Alpha-tone so that she wouldn't hesitate or do it slowly because of her silly fear.

She immediately took off her clothes and was now stark naked. Goddess, she's beautiful, thick thighs, big boobs, big ass. How come I never noticed her in this palace?

I stalked towards her and grabbed her ass cheeks, spinning her around and smashing her into the wall.

"fuck!" She gasped at my forceful approach and when I pressured her shoulders for her to go down on her knees, she immediately obliged.

"Suck my dick,"

She took my dick into her mouth and sucked me expertly. She wasn't the typical Omega who acts shy when it came to fuck. She was boldly sucking my dick and almost bringing me to the point of release.

I jerked away from her and lifted her to her feet, smashing her into the wall.

"Are you on pills?" I asked her impatiently, my fingers already rubbing inside her pussy.

"No," she breathed out, squirming in pleasure at how I was rubbing her pussy.

"Fuck!" I'm so mad right now. So I can't fuck her pussy and release inside her. Okay, it's fine. I'll just take my dick out before I have my release.

I bent and inserted my dick inside her pussy hole. From how wild it was, anyone can tell she has had a lot of fucks in her lifetime.

"How many men have you fucked this month?" I husked out as I began thrusting harder into her.

"Twenty," She moaned out, grabbing my hip and giving me more push to thrust deeper inside of her.

"You are such a bitch," I said to her, pushing deeper into her pussy and spanking her ass cheeks.

"Yes, Master. Spank me harder. I'm your sweet bitch," She moaned, meeting my thrusts with as much hunger as I had. She sure was a pornstar, look at how she was loving my hard thrusts. "fuck me harder, Master,"

"Harder?" I pushed deeper into her and she yelled, standing to her toes and grabbing my neck, but she didn't turn around. "You like how hard I'm going?"

"yes..yes...uh...fuck...harder...yes...I love your big... dick... harder... uhhhh... fuck... fuck... fuck...yes...!" She bounced on my dick, increasing the heat between us.

I grabbed her big boobs and squeezed them up, and she laughed out of pleasure.

"You want to cum?" I asked her as I felt more wetness on my dick.

"Yes...yes...harder...I...yes...yes...fuck..me...with... you're...big...dick...I...want...to...cum!!!" She screamed unendingly as she had her release.

I took out my dick and hurried over to Jane. I thrust inside her pussy and fucked her down to my release. She had her release too, and I let her go.

"Get out!" I commanded the Omega and she quickly picked up her clothes and ran off.

Goddess, I'm so satisfied right now. I laughed out loud, lazily pressing Jane's boobs. My dick has fallen and I'm sprawled on the bed next to my naked, tied-up mate.
