

The Return 131

Chapter 131

“Irvin can’t be left alone. Look after him!”

Kelly nodded solemnly. “Miss Haynes, don’t worry. I’ll take good care of him!”

“Then I’ll take my leave first!”

“Goodbye, Miss Haynes!”

Joanna did not say anything else. She took her bag and left in a hurry.

Bruce followed closely behind.

Joanna arrived at the parking lot and reached for the car key in her pocket, only to realize that her car was still at the studio.

Bruce was the one who sent her and Irvin to the hospital.

“Uh...” Joanna frowned and resentfully put the car keys back into her bag.

She was about to hail a taxi when a car stopped beside her.

“Get in!” Bruce rolled down the window and looked at her casually.

Joanna was stunned.

Even though she didn’t want to get into his car, she knew he would go crazy again if she rejected him.

Helpless, Joanna obediently got into the front passenger seat.

In the car.

Joanna did not say a word, Her expression was cold and indifferent.

Bruce glanced at her from time to time, his gaze subtly tracing the contours of her face, desperately searching for the right words. However, the silence lingered like an oppressive fog, wrapping around his thoughts and stealing his voice away.

The entire journey was silent.

20 minutes later.

The car arrived at the residential area where Joanna lived.

She got out of the car and walked home without looking back.

“Hey!” Bruce stretched out the car window and shouted.

Joanna came to a halt, feplying, “What?”

“You’re leaving just like that?”

“I’m in a hurry!”

“I’m already here. Aren’t you going to invite me up?”

Joanna finally turned around and looked at Bruce speechlessly. “Mr. Everett, my family is sleeping. It’s not appropriate for you to go up!”

Bruce stood up and walked to the dining table.

"Mommy, I want to eat too!"

When Joanna heard Davian, she realized he had not returned to his room. "Davian, why haven't you gone to bed yet?"

"I'm hungry too. Mommy, I want some noodles too."

"Be good. It's late now. Hurry up and sleep early. It will be hard for your stomach to digest if you eat too much at night!"

When Davian heard her, he pointed at Bruce unhappily. "Then why can he eat it?"

"He's an adult..."

Davian pouted and retorted, "Mommy, but I'm hungry and can't sleep!"

When Joanna heard this, she took a deep breath helplessly. "Fine... Mommy will cook another bowl for you!"

The more hectic it was, the more chaotic it became.

Irvin was craving dumplings. Bruce wanted a bowl of noodles. Now, Davian was hungry for some noodles too.

"No, I want to eat from his bowl!!" Davian pointed at the noodles on the table.

He was deliberately trying to snatch away the big baddie's noodles.

Joanna frowned. "You won't be able to finish such a big bowl!"

"I can eat it all!"

Joanna looked at Davian helplessly before turning to Bruce.

"Wait a moment. I'll go in and make a bowl for you!"

"Fine! It doesn't matter!" Bruce replied resentfully.

They arrived at the hospital.
Joanna rushed into the ward.
Bruce was still a little worried, so he called Roxanne.
Beep, beep, beep!
Unfortunately, no one picked up the phone! If it were in the past, Roxanne would never ignore his call.
Then, Bruce called Andy.
The call was quickly picked up.
"Hey, Andy!"
"Mr. Everett, what are your instructions?"
"Did you take Roxy home?"
On the other end of the line, Andy stammered. "Ms. Haynes didn't want me to send her back and insisted on going back alone!"

Bruce became certain that the drunk girl earlier was Roxanne.

She was just a child. If she got so drunk, she would be taken advantage of

“It’s fine. I’m hanging up!” After hanging up, Bruce’s uneasiness grew.

He drove straight to the bar to send her home.

The drunk Roxanne called Gavin to pick her up at the bar.

When Bruce arrived at the bar, Roxanne had already gone home with Gavin.

Roxanne was sleeping soundly when she suddenly felt a weight on her body.

She muttered impatiently, "Argh, I already said no. Stop touching me. It hurts!"

When Kurt heard her, he became even more excited.

The other four men also grew excited and could not help but touch her.

It was unusual to see such a stunning woman in the slums. However, to the local tyrants, this was a comition occurrence

None of the girls dared to call the police, let alone resist. Therefore, these people were getting more and more arrogant.

However, they did not know Roxanne's identity. They only thought that she was a hostess from the city. After all, she came to the slums to sleep with a poor guy like Gavin. Who would have thought that she was a wealthy young lady?

In a daze, Roxanne felt that something was wrong. It did not feel like Gavin, and there was more than one person around her.

Shocked, she sobered up and quickly opened her eyes.

She realized that the man who touched her was an unfamiliar man who was fat, strong, and had a despicable expression.

He also had a scar on his face and a beer belly as big as a pregnant woman's.

There were also a few men who looked like hooligans around him.

"Yes! Yes!"

"Who are you? What are you doing?"

Kurt was in high spirits and panted heavily. "Girl, your boyfriend owes us money. Now he's agreed to let us have fun with you!"

Roxanne was bewildered. She tried her hardest to push the man in front of her away. "What are you talking about? Let me go!"

Unfortunately, her limbs were held down by the hooligans.

One of them covered her eyes with the eye mask.

"Mr. Everett, answer me. Didn't Roxy look for you yesterday?"

"I called her and asked. She said that she's with you, so I'm relieved. Otherwise, I'll make her go home early!"

"How did this happen?"

Ingrid cried until she was out of breath. She had carefully raised her daughter for so many years.

She wanted her to marry into a wealthy family in the future.

Now, all her hard work had been ruined.

Bruce lowered his head in frustration and did not say a word.

Andy quickly comforted Ingrid and handed her a few tissues. "Mrs. Haynes, don't be too sad!"

Ingrid took the tissues and wiped her snot. She cried her heart out. "How could I not be sad when something like this happened to our

"Fate is too cruel. Why is fate so cruel to Roxy? What sins have our family committed to deserve this? Unlucky things happen one after another!"

"This is a hospital. Please keep your voice down. There are still patients undergoing surgery!" The head nurse came over and said.

When Ingrid heard her, she went from wailing to crying in a low voice.

40 minutes later..

The door of the ward opened.

The doctors and nurses walked out one after another.

"Doctor, how's the patient?"

The doctor spoke seriously. "The patient's external injuries are quite severe. It may be difficult for her to conceive in the future. The laceration has been sutured, and she has to stay in bed for the next few days."

"Also, you need to pay more attention to the patient's mental health. It's best to find a psychiatrist to guide her..."

Chapter 136

Leaving Shaun's hospital room, Joanna's tears flowed uncontrollably.

Joanna hadn't wanted this to happen to Roxanne either, but she couldn't understand why she was being blamed

Forget it. Joanna was disappointed and tired. Joanna would let those people think whatever they wanted! Anyway, she had a clear conscience and would not apologize to anyone.

Joanna returned to Irvin's hospital room, regained her composure, and began to organize their things.

Joanna really did not want to see this group of people again. She would feel crushed just being in close proximity to them.

Joanna was going to transfer Irvin to another hospital,

Irvin was still running a high fever, and his face was red. "Mommy..."

"Baby, you're awake? Are you still feeling unwell?" Joanna came to the head of the bed and gently touched her son's forehead.

"Mommy, don't worry. I'm much better now!"

When Joanna heard this, she felt a little choked up. Joanna helped Irvin change into his clothes. "Be good, Irvin. Let's go. We're leaving!"

"Mommy, didn't the doctor tell me to stay for two more days? I still feel a little unwell. I don't want to go to school!" Irvin pouted, whining.

Joanna squeezed out a smile. She knew that her son did not want to go to school. "I know that you're not feeling well. You don't have to go to school for another week.

"I'll take you to another hospital."

The Everett family owned this hospital, and Joanna did not want to stay any longer.

Irvin's eyes lit up when he heard that.

Since he did not have to go to school, Irvin felt it would be better to go home. At least he could spend more time with Lilia.

"Mommy, can I go home and rest?"

"No, the doctor said that your lungs are wet and you must be treated in the hospital. I will take you to a children's hospital."

"Mommy, I think I've recovered. It's better to go home and recuperate. I can even accompany Lilia!"

Joanna sobbed, letting out heart-wrenching cries.

This was the first time Joanna had been so hysterical in front of Jaydon. She had completely lost control of her emotions.

Jaydon's heart ached even more, and his eyes had also turned red. "Cry if you want to. You'll feel better if you cry."

"Mommy..." Irvin was also scared out of his wits and looked on helplessly.

"Kelly, take Irvin home. Don't scare him. I'll stay here with Joann."

"Okay, Mr. Grimm!"

Irvin also started crying. "Mommy, don't cry. Don't be sad."

Jaydon quickly comforted Irvin. "Irvin, be good. Go back with Miss Kelly first. I'll stay with Mommy, okay?"

"Okay." Irvin nodded obediently.

Kelly then carried Irvin and took a taxi back.

Jaydon continued hugging Joanna. Some passersby also stopped to watch the commotion.

"It's alright. No matter what happens, I'll always be by your side."

"Jay, I'm miserable. I can't take it anymore! Why... why was I born into such a family?" Joanna sobbed.

Jaydon frowned. "I know. I know everything! I've told you many times that you don't have to put up with it if you can't.

When Roxanne heard this, she heaved a sigh of relief!

It seemed like she had won the bet.

As expected, Bruce did feel guilty about it. In other words, there was still hope for her to marry into the Everett family.

"Bruce, don't pity me. I know you're pitying me! I'm not clean anymore. I don't deserve you anymore!"

"Please, just let me die! I really don't want to live anymore!" Roxanne said as she tried to bang her head against the wall.

Bruce hugged her tightly and comforted her. "What are you talking about? Everyone is heartbroken that something like this happened!

"You have to be stronger and braver. It's easy to die, but it takes more courage to live!"

“For me, for your parents, you have to stay alive!”

When Roxanne heard this, she cried even harder and looked like she was devastated. “Bruce, I despise myself even if you don’t despise me. I can’t live with my impure self anymore. Just let me die...”

“Silly girl, don’t say such things again! No matter what you become, I... will always love you!”

Bruce said these words clearly to comfort Roxanne!

However, the image of Joanna involuntarily appeared in his mind!

However, something like this happened to Roxanne.

As a man, he could not shirk his responsibility. In any case, he had to make up to her, more to make up for his own guilt!

“What did you say?” Ingrid’s voice suddenly rose a lot.

Shaun frowned and said earnestly, “I said now that something like this has happened to Roxy, it’s better to cancel the marriage with the Everett family”

Ingrid looked shocked and surprised. “Excuse me? Are you out of your mind? Roxy is already so unlucky, and you’re still asking her to break off the engagement?”

“Do you know what you’re thinking? Is there something wrong with your brain?”

Shaun heaved a long sigh and said with heartache, “I’m doing this for Roxy’s own good! Roxy... Even if she finally managed to marry into the Everett family, she won’t be happy!

“Instead of suffering for the rest of her life, it’s better to stop her losses now. Better a finger off than always aching!”

When Ingrid heard this, she was completely angry. She stretched out her hand and poked Shaun’s head. “What do you mean by that? You want Roxy to give the opportunity to that damn bitch Joanna, right?”

“You’re still saying that you’re not biased toward her. You’re biased toward that damn bitch!”

Shaun also stomped his feet anxiously. “Of course not! My heart aches for Roxy, so I don’t want her to marry into the Everett family again!

“If Mr. Everett really loves Roxy, he would have married her long ago! He wouldn’t have delayed it until now!

“Now that such a thing has happened to Roxy, even if she succeeded in marrying into the Everett family, she will be compromising and will not be able to be happy!

“I’d rather she find a man who truly loves her, even if he comes from a slightly lower-class family!”

Ingrid’s face darkened as she cried out, “Forget it! Roxy must marry into the Everett family in this lifetime! Even if she dies, she must be a ghost of the Everett family!

“She’s already unlucky enough now that something like this has happened to her! If she’s abandoned by the Everett family again, how can she live?”

“Oh, you women are just short-sighted! Do whatever you want. I don’t want to talk nonsense with you...”

Shaun could tell that Bruce did not love Roxanne anymore.

Now that something like this had happened to Roxanne, it was even more impossible for Bruce to truly love Roxanne! Even if they got married forcibly, their marriage would not last long.

Ingrid was still cursing. "I don't want to talk so much nonsense with you. Don't go against me on this matter!"

"Also, hold a press conference next week to announce that you will sever your father-daughter relationship with Joanna.

"If she hadn't been hooking up with Bruce, Roxy wouldn't have been heartbroken and wouldn't have gone out to drink!"

"In the end, this matter is all because of that slut Joanna!"

"Got it!"

On the other side.

Kelly brought Irvin home.

"Irvin, you're back!" Lilia asked with concern.

Inside the company.

“Oh my god, look, Mr. Haynes has cut ties with Miss Haynes!”

“Why is that?”

“I don’t know. I heard that it was because Miss Haynes always hooked up with Mr. Everett, which angered Mr. Haynes!”

“What a mess this rich family is in! Since Miss Haynes and Mr. Everett are divorced, why do they have to get involved with each other?”

“That’s right! They’re a family. Why must they make it such a disgrace!”

“If you ask me, none of them are good people. They’re all responsible for it!”

“However, the fact that Mr. Haynes is so determined to sever his father–daughter relationship with Miss Haynes showed that Miss Haynes has indeed broken Mr. Haynes’s heart!”

“That’s right! Miss Haynes has already announced that she would kick Mr. Haynes out of the board of directors. How ruthless this is!”

“No wonder they broke off their father–daughter relationship!”

The employees of the company were also shocked by this news,

During lunch, they gathered in groups of three to five and whispered to each other!

These days, Bruce felt terrible about what happened to Roxanne, so he had always been at the hospital with Roxanne!

And the ambiguous relationship between Joanna and Jaydon made him even angrier!

He decided to take advantage of this wind to ruthlessly dampen the spirits of Joanna and Jaydon!

Oh, women!

They shouldn't be allowed to have a career. Once they had a career, their wings would really grow!

In the past, when Joanna was not the chairwoman of the Haynes Group, she was so humble and compromising when she was with him!

Now that she had become the chairwoman of the Haynes Group, she was more capable and dared to stand up to him. She no longer took him seriously

and even ignored him!

Only by destroying her career and cutting off her wings would her pride and confidence be completely destroyed! He was sure that she would come to beg him dejectedly at that time!

In the office of the Haynes Group!

Joanna was in a daze when there was a knock on the door!

"Bang!"

"Come in!"

"Miss Haynes!" Cora walked in with a stack of documents!
