

## The Return 151

### Chapter 151

“You can’t park on the over pass for a long time. My car will be towed later! Where are you going? I can drive behind you, can’t I?”

“Shut up. If your car is towed, I’ll buy you a new one!”

Joanna choked when she heard that. She sniffed subconsciously. Fortunately, she did not smell the smell of alcohol.

‘You haven’t been drinking, have you?’

Bruce didn’t say anything and just kept accelerating!

The car quickly drove towards the winding road up the mountain.

They were almost at Emerald Mountain. At night, many couples would drive up the mountain to enjoy the night view.

“Bruce, where the hell are you going?”

“You’ll know when we get there!”

The winding road up the mountain circled around Emerald Mountain! The further up they went, the narrower the road became.

Although Bruce was very good at driving, Joanna did not dare to say anything to avoid distracting him.

Half an hour later.

When the car reached the top of the mountain, Bruce finally stopped the car.

The car was parked by a cliff. Through the car window, Joanna could see the night view of the entire Greyport.

The lights at the foot of the mountain were bright and the neon lights were flickering. It looked surreal and breathtakingly beautiful.

Bruce parked the car and lit a cigarette casually.

Joanna was not in the mood to admire the mountain scenery. She just looked at Bruce coldly.

“What are you doing here so late at night?”

Bruce didn’t say anything. He just smoked silently.

The car was soon shrouded in smoke.

Joanna coughed twice and opened the car door subconsciously.

Just as she was about to get out of the car, Bruce exhaled and said in a deep voice, “I’m getting married next month!”

Joanna was lost for words,

There was an indescribable feeling in her heart. It was not pain, but it was a little suffocating.

“Congratulations!”

Bruce turned toward her slightly and frowned. “Isn’t there anything you want to say to me?”

He wanted to hear her asking him to not get married.

“I already said it, congratulations!”

“Joanna, won’t you... try to persuade me to stay?”

sneer when she heard that.

Four years ago, when they divorced, he was this determined.

It was normal for him to marry Roxanne now!

After all, he had abandoned Joanna because he wanted to marry Roxanne?

“Mr. Everett, did you call me out so late at night to tell me that you’re getting married?”

“it’s just for this matter, you don’t have to ask me out at all! You can just tell me over the phone!”

“But I’m sorry, I might not be able to attend your wedding 1 wish you happiness.”

With that, Joanna pershed the car door open and wanted to get out!

Bruce grabbed her wrist suddenly and pulled her back

"Take me home, now!

"If you don't take me back, you can go back alone!"

When Bruce heard this, he opened the car door resentfully and forced Joanna back into the passenger seat!

Then, he also got into the car!

Bruce started the car and drove down the mountain.

Along the way, the two of them did not say a word.

The atmosphere was oppressive and strange.

Half an hour later!

Bruce drove Joanna to the entrance of the neighborhood.

Joanna unbuckled her seatbelt and was ready to get out of the car.

Bruce coughed and said solemnly, "Think about it carefully. Call me when you've decided!"

Joanna did not even turn her head to look at him as she said coldly, "There's no need to think about it. I won't agree to it!"

With that, Joanna walked straight into the neighborhood.

She wanted to go back and take a shower to wash away the traces Bruce had left on her.

At the same time, Joanna had to take the emergency contraceptive pill as soon as possible.

She did not want him to get her pregnant again.

Ten minutes later!

Joanna took out her keys and opened the door.

After returning home!

Tracy was shocked to see her in a sorry and weak state.

"Nothing!" Joanna replied coldly and walked straight to

the bathroom.

Then, she filled the bathtub with cold water and soaked herself in it.

The bone-chilling water made the nerves in her body explode.

Joanna liked the pain of shivering in cold water.

As long as her body was painful and cold enough, her heart would not hurt.

This was the most effective way to treat heartache.

Twenty minutes later.

Joanna gradually calmed down.

She stepped out of the bathtub. Her entire body was cold and not warm at all.

After changing, it was already half past seven in the morning!

It was almost time to go to work.

A text message notification popped up on Joanna's phone.

The car had already been towed away by the Transport Bureau!

Joanna still had to redeem the car later!

“What do you want to eat?” Jaydon looked at her gently.

Joanna smiled. “Anything. You can decide.”

“Shall we have Flech cuisine?”

“Sure.”

The two of them chatted and laughed as they walked past Bruce's car.

In the car, the look on Bruce's face was so ugly.

Bruce's strong possessiveness toward Joanna made it impossible for him to accept that she was flirting with another man.

“Joanna, I will definitely make you beg in front of me...”

Bruce did not get out of the car. He stepped on the accelerator and drove past Joanna and Jaydon.

“Be careful!” Jaydon and Joanna dodged. The inertia of the car almost flipped them over.

Jaydon supported Joanna and cursed at the back of the car, “The driver's crazy. Does he know how to drive?”

Joanna glanced at the license plate number and her heart sank.

It was Bruce's car.

Fortunately, he had only given them a warning and did not really drive straight at them.

“Joann, are you okay?”

“I'm fine. Let's go!”

“Okay!”

During lunch, Joanna was in a daze, looking distracted.

She was still at a loss.

Bruce was a very vengeful person. She did not know how he would take revenge on her.

Seeing that she was in a daze, Jaydon could not help but ask, "What's wrong? Why are you in a daze?"

"It's nothing. I'm just a little uneasy!"

"Uneasy about what?"

Joanna sighed deeply, not knowing what to say!

"Are you worried about Bruce?" Jaydon's face darkened.

Joanna sighed again. "He's very vengeful. I'm worried that he..."

"Worried about what?"

"Worried about him taking revenge on us?"

Joanna nodded weakly. If he was just to take revenge on her, she would not be so uneasy!

She was now worried that Bruce would take revenge on Jaydon too!

The next day!

Bruce came back to the Everett mansion with Roxanne.

At the Everett mansion!

“Grandma, I brought Roxy home to see you!”

Margaret was lying quietly on the bed.

Because of her health, she was bedridden most of the time.

Hearing her grandson’s voice, Margaret opened her eyes and said shakily, “Bruce is here...”

Roxanne went to the bedside quickly and took Margaret’s hand. She greeted her sweetly, “Grandma!”

Margaret held Roxanne’s and Bruce’s hands and put them together.

“You have to get married soon. Grandma wants to see you get married! Have a child soon. Bruce is not young anymore/It’s time for you to have a child.”

“Grandma, don’t worry. You’ll definitely get to meet your great-grandson!

“I’ve discussed it with Roxy. We’ll get married next month.”

Margaret took a deep breath and struggled to sit up. “When is the wedding?”

Bruce and Roxanne helped Margaret to sit up quickly and placed a soft pillow behind her back.

“The wedding is set for the eighth of next month!”

When Margaret heard this, a smile appeared on her aged face. “Oh, I should be able to make it then!

“As long as I can see the two of you getting married, I’ll be satisfied!”

Bruce held his grandmother’s hand tightly and said gently, “Grandma, don’t think too much! You’ll definitely live to a ripe old age!

“I’ll also work hard for you to meet your great-grandson as soon as possible!”

Margaret smiled. “After you get married, you have to live a good life! The two of you need to be tolerant of each other and accommodate each other!”

“Yes, we will...”

Margaret reminded them more intermittently.

Then, her eyelids sank and she was a little sleepy!

Seeing this, Bruce helped his grandmother lie down again quickly and said gently, “Grandma, rest well. Roxy and I won’t disturb you anymore!”

“Oh, okay.”

Margaret replied tiredly before closing her eyes and falling asleep again.

“Roxy, let’s go!”

“Okay!”

“You must take good care of Grandma 24 hours a day. Nothing must go wrong!”

When another socialite heard this, her eyes widened. "No way? Where did you hear that?"

"How is that possible? Where did you hear about that?"

“That’s what I heard. You’re right. If she’s really raped by the hooligans, how can Mr. Everett not despise her and still dare to marry her?”

“Impossible, I don’t believe it!”

“What’s there to not believe? She only looks like a virtuous and pure lady on the outside, but she’s very open on the inside. When she was in college, she had always been involved with that senior two years older than she was!”

“I didn’t expect that after so many years, she still gets to maintain her image as the pure and innocent girl. Now, she’s actually going to marry into the Everett family!”

“You’ve got to admit that being pretentious indeed gives her an advantage!”

After Roxanne left, her friends were envious and jealous. They couldn’t help but gossip about her.

In the blink of an eye!

It was already the end of the month!

The agreement between Joanna and Jaydon was also reached!

Jaydon invested 6 million dollars and became a shareholder in Joanna’s company in Mossbourne!

With Jaydon’s help, the funds quickly turned over!

The factory in Mossbourne was also successfully opened!

At the same time, Jaydon was also an expert in planning!

The various advertisements of the factory were also being put up!

In just a week, the company had already received more than ten orders!

The increase in orders was a good start!

Joanna was also becoming more and more confident in running the factory in Mossbourne!

“Alright, the contract is signed!

“We are partners from now on!” Jaydon looked at Joanna gently.

Joanna finally heaved a sigh of relief. “That’s right! I hope the business will grow steadily!”

“That’s a must. Business at the factory is already getting better now.

“It will get better and better in the future!”

“Thank you, Jay!” Joanna thanked Jaydon solemnly.

“You’re doing it again. I told you, there’s no need to be so polite between the two of us.”

“Alright, I’ll go now!” Joanna replied and went out to settle the hospitalization procedures. She was in a daze.

“Mommy, when are we going home?”

Joanna held back her tears and forced herself to smile. “Be a good girl, Lilia. We’re going to stay in the hospital for a few days this timer

“Mommy, I don’t want to be hospitalized!”

“Listen to Mommy okay? Mommy will keep you company in the hospital every day this time,” Joanna said as she turned her face to the side. Her body could not help but tremble.

“Miss Haynes, Lilia...”

“Don’t ask. Just bring Lilia to the inpatient ward”

“Sure, sure!”

Seeing how upset Joanna was, Tracy guessed that Lilia’s condition must be very serious.

She did not dare to ask anymore and quickly brought Lilia to the inpatient ward.

“Doctor, how are you going to treat Lilia’s condition?”

“We’ll need to do a bone marrow match quickly. Fortunately, Lilia’s condition is discovered early, and she still has a chance of recovering!”

Joanna braced herself up and said, “Please perform the operation as soon as possible!”

“The patient urgently needs a bone marrow transplant. The bone marrow matching in the Bone Marrow Donor Program is very slow. It’s probably very difficult to wait...”

Joanna got excited and exclaimed, “Just use mine!”

“We can’t just use anyone’s bone marrow to do a transplant. It depends on whether the bone marrow matches the patient.

“If your bone marrow is a match, that will be great. If it’s not a match, we have to find a new bone marrow donor!”

Jaydon received the news and rushed to the hospital.

“Joann, how’s Lilia?”

“The doctor says it’s acute leukemia!”

When Jaydon heard this, he felt a tug in his heart, and he was speechless for a long time!

“Joann...”

“I’m going to the laboratory now. I’ll talk to you later.”

It only took a while.

The test to see if Joanna was a potential bone marrow match for Lilia was out. Her bone marrow did not match Lilia's.

Looking at the test results, Joanna was so sad that she could not shed a tear.

"Doctor, I have Davian and Irvin. They're all my biological children. There'll definitely be a match from one of them."

"They're too young. I don't recommend using their bone marrows!

"Besides, other than leukemia, she also has thalassemia! Actually, there's very little we can do to help her..."

"No, I must save my daughter! No matter what, I must save my daughter!"

"Doctor, how much time does Lilia have?"

"If we don't operate, she'll live for one month!"

When Joanna heard this, she immediately gasped. "One month? What's the percentage of success of the operation?"

Roxanne felt as if she had fallen into the abyss. She knelt on the couch like a robot and the evening

"Joanna Haynes! Joanna Haynes again..."

"Her? What did she do?"

Roxanne suddenly became agitated and said, "Her daughter has leukemia!"

"Her daughter has leukemia. What does that have to do with you and Bruce getting married?"

"Joanna told Bruce that he is the girl's father!" Roxanne's eyes suddenly widened, and tears flowed down her cheeks.

"What?" Ingrid was dumbfounded.

"So Bruce is indeed the father of Joanna's three children!"

"I knew it. I knew she wouldn't let go of Bruce so easily.

"I have also thought she will get back at me. I just didn't think she'd do it this way."

Roxanne howled hysterically.

Ingrid was extremely angry when she heard that. She gritted her teeth and cursed, "Joanna Haynes is really a bitch! I know she wouldn't let go so easily! As expected, she has hatched an evil plan!"

As Ingrid spoke, she turned to look at Shaun. "That's your good daughter. She's always making things difficult for us!"

"She has ruined Roxy's marriage again. Why can't she just die?"

When Shaun heard this, he was at a loss.

However, he had never had a deep father-daughter relationship with Joanna. Hence he didn't really have any feelings for Joanna's child too.

"Don't be so anxious. Let's figure out the situation first, and we can discuss it later. Let's go to the hospital and find out what's going on!"

Ingrid was so angry that she felt a pain in her heart. She scolded angrily, "How can it be so coincidental! Her daughter suddenly falls sick at this critical moment when Roxy and Bruce are getting married!"

"If she really wishes Roxy and Bruce well, she shouldn't have created this problem for Bruce.

"I think she did that on purpose..."

Roxanne buried her hands in her hair as she was feeling very upset. Then she ran out in a daze.

"Roxy! Where are you going?"

"Don't worry about me. I just need to calm down."

"Roxy, come back quickly. Don't do anything silly! Hurry up and take a look! Shaun, if anything happens to Roxy, I won't let you off!"

As Ingrid was saying that, she ran after Roxanne!

Shaun could not help but sigh. "What bad luck we have! Why does our family have such a troublemaker?"

Bruce frowned and said, "Joanna, just let Grandma and the children get to know one another!

"Don't worry, she just wants to be close to her great-grandchildren. She'll not take them away. Please fulfill her wish!"

Upon hearing Bruce's words, Joanna could not bear to refuse anymore!

Half an hour later.

Davian and Irvin were brought to the hospital.

Margaret looked at the two cute children and was so happy that she could not stop smiling. She was so happy that she almost forgot that there was a great-granddaughter lying in the intensive care unit.

Margaret waved at Davian and Irvin. "Come to me! I'm your great-grandma!"

The butler smiled kindly at the side. "These young gentlemen look so much like Mr. Everett."

"Yes, they look exactly like Bruce when he was young! I've already said that they are the Everett family's flesh and blood/

"That's right! They really resemble Mr. Everett when he was young!"

“Mommy!” Davian and Irvin looked adorable as they subconsciously stood around Joanna.

“Mommy, is Lilia sick again?”

“Yes...”

Bruce’s eyes seemed to be smiling as he looked at Davian and Irvin.

“Little guy, I told you I’m your father. Do you believe me now?”

“Mommy...” Davian looked at Joanna timidly with a timid look. He was unwilling to acknowledge Bruce.

“Davian, Irvin, call me Great-grandma!”

“Great-grandma!”

“Good children!” Margaret could not stop laughing!

“Great-grandma came out in a hurry and didn’t prepare any gifts for you! Go back with me later. I want to give you big presents.

“Call me Daddy!” Bruce followed suit!

Tears welled up in his eyes.

The two children looked at Bruce in surprise, then at Joanna!

Davian whispered into Joanna’s ear, “Mommy, why does this bad man want us to call him daddy?”

“That’s right, Mommy. Why does he randomly ask children to call him daddy?”

Ingrid was furious. She pointed at Joanna and scolded, "You shameless bitch! You have no guts to admit what you have done. You keep saying that you'll

keep a distance from Mr. Everett, but you're still having an affair with him behind Roxy's back."

When Joanna heard this, she was infuriated. "Ingrid Haynes, watch your mouth!

"You are in no position to say anything about whatever happens between me and Bruce!

"Even if I am still having an affair with him, it's between us. I knew Bruce first. It was Roxanne who came between us. I wasn't the home wrecker!

"If you speak rudely without thinking again, I'll sue you in court. Don't forget what you've done yourself!"

Ingrid took a deep breath, and her face turned pale.

She did not dare to argue with Joanna anymore. Instead, she turned to Shaun and made a scene.

"Hubby, did you listen to what your good daughter has

said?

"She's deliberately going against our family. Our family is really unlucky. Why do we have such a jinx in our family?

"If anything happens to Roxy, I don't want to live anymore too." Ingrid started howling.

After Ingrid finished scolding Joanne, it was as if she had suffered all sorts of grievances. She started wailing and pulling Shaun's sleeves.

As Shaun comforted Ingrid, he also scolded Joanna, "You are so unfilial! You are such an unfilial daughter!

"What have I done to have a daughter like you? You are just going to drive me to my grave! Today I'll beat you to death, you shameless thing!"

"Please don't argue here. This is the hospital." The nurses and security guards all came over to stop the commotion.

Joanna held her breath, and she put on an indifferent expression. "I can't explain anymore to you! You can do whatever you want."

With that, Joanna turned around and prepared to walk into the ward.

"Stop right there! I'm going to beat you to death, you unfilial thing!"

"What's going on?" Bruce came back after sending Margaret home.

Seeing the commotion in front of him, he frowned deeply.

“What are you arguing about?”

When Ingrid saw Bruce, she became furious again. “Bruce, you came at the right time!

## **Chapter 160**

“Bruce, my mind is in a mess now. I do not want to talk about this matter now!” Joanna frowned. Her thin and haggard appearance now made people

feel heartbroken.

Bruce hugged her gently and said, “Alright! We will talk about it slowly after our daughter has recovered.”

Ingrid and Shaun had been searching for quite some time before they found Roxanne.

“Roxy! It is a critical moment now. You can’t throw a tantrum!”

“Joanna, that bitch! Now that she has three children, she has gained the upper hand!”

“At this juncture, she is waiting for you to take the initiative to break up with Bruce!”

Roxanne curled up on the couch, feeling dispirited and listless.

Initially, it should be her wedding tomorrow. However, the wedding was canceled.

She would probably be the laughingstock of the Greyport again.

When she came to think about it, she could not wait to tear Joanna apart.

Shaun could not help but sigh beside them. After giving it a thought, he pulled a long face and said, "If it really doesn't work, I think... we should just forget about the marriage!"

Upon hearing it, Ingrid said furiously, "You make it sounds so easy, don't you? Do you know that everyone in Greyport is waiting for Roxy to make a fool out of herself?"

"No matter what, Roxy has to marry into the Everett family and become Mrs. Everett!" Ingrid continued.

As Ingrid spoke, she sat beside Roxanne again and shook her arms. She said, "Roxy, listen to me and pull yourself together hurriedly. At a time like this, the more you should show your magnanimity."

She then continued, "So what if she has the children? What are you afraid of? As long as you marry Mr. Everett, you will be Mrs. Everett, his lawful wife!"

"By then, even if Joanna has three children, your status could not be shaken!" Ingrid continued to say.

Roxanne blinked her eyes with tears flowing down her cheeks. She then said, "Mom, I feel so embarrassed now..."

"Silly girl, it would be more embarrassing if you choose to break up with Mr. Everett now! Wealthy families are way different from any normal families. You have to compete with each other with patience and endurance!

"The more you could tolerate and endure, the chances of winning would be higher!

"The more you can't withstand, the lesser things you could achieve!"

When Shaun heard about it, he interrupted and said, "Stop forcing Roxy anymore. From what I see, Mr. Everett has no intention to marry Roxy at all! Even if we force them into marriage, they would not be happy too."

Ingrid burst into flames upon hearing what Shaun said, "Shut up! Of course, you want Roxy to break up with Mr. Everett!"

Ingrid then continued to say, "So that you could let that bitch, Joanna, patch up with Mr. Everett and marry him instead. You are so biased!"

"Since when did I being biased? It is a marriage that we are talking about now. Do you know that marriage determines a woman's happiness for the rest of her life?"

"I am only afraid that Roxy would not be happy after marrying into the family..." Shaun continued.

“Well, you don’t have to worry about this. No matter what, Roxy should get married first! In short, we could not let that bitch, Joanna, get away with it so, easily!”
