

The Return 241

Chapter 241

Bruce sneered. "I will get to the bottom of it!

"Whoever dares to hurt Joanna is having an issue with me! Those who have issues with me will have a hard time ahead!"

When Roxanne heard that, she subconsciously staggered and almost fell to the ground!

"Keep an eye on her, all of you! Before the truth is revealed, you're not allowed to leave Sherane Bay Villa or get in contact with anyone!

"Take her phone!"

"Yes, Mr. Everett!"

The bodyguard responded, grabbed Roxanne's bag, and took her phone out.

"Ms. Haynes, please return to your room!"

Roxanne was freaked out. "Bruce, I have to go home now. I want to go home and see my parents! Christmas is coming. You can't do this to me!"

"When I find out the truth and know you have nothing to do with it, I will let you go!

"Now, behave yourself and stay in your room as told! You'd better wish Joanna would be safe and that this has nothing to do with you!" Bruce said as he turned around coldly and walked down the stairs with his long legs.

"Bruce! Bruce..."

Two bodyguards stepped forward and seized Roxanne by the arms!

They dragged her back to her room!

Then they locked the door with a crack.

After Roxanne was locked in the room, she couldn't be more frightened and panicked!

"What should I do? Oh God! What should I do now?"

Roxanne brushed her hair in frustration. She had no choice but to call for help!

The bodyguards had taken away her daily phone. Fortunately, she had a spare phone..

Roxanne hurriedly found the backup phone. This was the phone she used to contact Gavin privately. It looked like a piece of delicate lipstick on the surface, but it was a hidden phone inside.

At this time, she could only ask Ingrid for help!

Unfortunately, the guards stopped them and refused point-blank to let them in.

Ingrid's patience was running thin. Exasperatedly, she jabbed her finger in one of the guards' faces and snapped. "Do you know who you're talking to?"

"We're Mr. Everett's future in-laws! We're here to see our daughter. Let us inside immediately!"

The guard's expression was grim. I'm sorry. Mr. Everett has instructed that no one can enter Sherane Bay Villa

"That's right! Without Mr. Everett's orders, no one is allowed to go out," another guard said politely.

"Are you guys blind? You don't even know us? Open the door quickly, or I'll get Bruce to fire you."

"Mr. Haynes, Mrs. Haynes, why don't you call Mt. Everett? We will only dare to let you in if Mr. Everett gives us his explicit permission!

"Without his approval, I'm afraid none of us have the courage to disobey his orders.

When Ingrid and Shaun heard this, their faces turned ashen with anger.

They had been to Sherane Bay Villa several times before, and the security guards had always welcomed them with smiles!

But now, they were not even allowed to enter!

"Hubby, hurry up and call Bruce! Tell Bruce to fire these two security guards!" Although Ingrid was now a wealthy lady, she lacked the graces of a true socialite. In many ways, she still resembled a country bumpkin.

Shaun had no choice. He took out his phone and gave Bruce a call.

Ingrid rolled her eyes and said angrily, "Don't let us in, then! See if we care!"

"Hubby, let's go!"

Shaun had no choice but to start the car again and drive them away from the house.

In the car, the two of them argued non-stop.

"What do you think we should do now? What did Roxy do? Some mother you are... it's all your fault for not traching her well!"

"I didn't teach her well? Why couldn't you have disciplined her too? Stop pushing the blame onto me!

"Bruce Everett, that bastard, how dare he detain Roxy! We can't let this matter lie. I'll go to his company to look for him later!"

When Shaun heard this, he was even more worried. "Save your breath! Can't you see Mr. Everett is taking us less and less seriously?"

"Even if we go to his company to cause trouble, it might not be useful!"

Ingrid tried to keep a lid on her temper and shrieked, "If you think all my solutions are rubbish, why don't you come up with a few yourself?"

Shaun fumed. "If it were up to me, we should have called the police!"

"But you refused point-blank to let me! What else can I do but watch Roxy suffer!" Here, Shaun's heart ached so much that he nearly cried.

Roxanne had been the apple of his eye since she was young. He could not bear to see her suffer even the slightest bit.

Ingrid was so angry that she took two deep breaths. Her eyes darted around slyly. Suddenly, she thought of an idea. "Why

don't we...

"Why don't we... what?"

Ingrid pursed her lips and shelved her aggressive attitude. "Why don't you give Joanna a call?

Shaun placed the fruit basket on the bedside table with a grimace that he tried in vain to disguise as a smile.

Joanna scanned Shaun's expression critically. He definitely had something to ask of her. Otherwise, why would he be willing

to come and see her?

Unwilling to beat around the bush, she asked directly, "Dad, what's the matter?" The idea of having small talk with him was slightly repulsive.

Shaun smiled awkwardly. "No, it's nothing. I heard you were hospitalized, so I came to see how you were.

"No matter what, you're my daughter. Regardless of what happened in the past, there should not be grudges between us. Let bygones be bygones!"

When Joanna heard this, she did not say anything. She only looked at her father suspiciously.

Shaun smiled uncomfortably and picked up the fruit basket. "Oh, have some fruit! Daddy will peel an apple for you!"

"No need, you don't have to go through so much trouble," Joanna interjected.

"No, no, no. Eating apples is good for your health. I shall peel an apple for you!"

As he spoke, Shaun opened the basket and took out an apple.

"Where's the fruit knife?"

Seeing this, Ms. Chain immediately went forward to stop him. "Mr. Haynes, Madam is very weak. She has to adhere to a strict diet.

"The fruits she eats have to be specially imported."

As Ms. Chain spoke, she quickly took out a plate of washed fruits from the safe.

These fruits were obviously very costly. They were many times more expensive than the fruits Shaun had bought.

Seeing this, Shaun flushed slightly and put down the apple in embarrassment. "Alright then. If you don't want to eat this, forget about it."

"Joann, how many days have you been in the hospital? Are you hurt?"

When Joanna heard this, she narrowed her eyes, her suspicions confirmed. Shaun definitely had something to ask of her.

"Dad, what do you want from me? Just say it.

"Well, it's nothing really."

Seeing him stutter and stammer aimlessly, Joann's patience was running out.

Sensing her displeasure, Shaun decided to get straight to the point. In an obsequious voice, he said, "That's right, I want to bring Roxy home!"

"Look, can you tell Bruce to let Roxy come back?"

Joanna was even more confused when she heard this.

Seeing Joanna's dumbfounded expression, Shaun immediately explained, "Well, here's the situation. There was some misunderstanding between Bruce and Roxy. In a fit of anger, he imprisoned her in Sherane Bay Villa.

"You know what Bruce's temper is like. He doesn't consider the consequences when he does things, let alone how others feel,

“I know, but no matter what, she’s still my sister. Let her go home first!”

“Joann, you can’t always be so soft–hearted.” Bruce sounded disappointed.

“She can run, but she can’t hide. If this matter is related to her, you can always settle the score with her at a later date.” Joanna refused to be labeled a pushover.

If Roxanne was truly involved in the case, she would not let her off so easily.

Bruce did not say anything for a long while.

Finally, he agreed. “Alright, then. I’ll call the driver later and ask him to send Roxanne back home!”

“Alright!

“I’ll hang up first!”

Joanna hung up the phone and glanced at Shaun in disgust.

“Alright, Bruce said he would get the driver to send her back later. Go home and wait for her!”

When Shaun heard this, the tension in his temples disappeared instantly. “See, I knew it would definitely work! Well, take care of yourself. I’m going home first.”

“Hurry up and leave!” Joanna snapped, covering her head with the blanket. She did not want to look at her father anymore.

When Shaun saw this, he realized he had gone overboard just now. “Don’t be mad, Joann. I might have spoken harshly just now, but that was because I was panicking!”

“I’m tired, Ms. Chain. Send my father out!”

“Alright, Madam. Mr. Haynes, Ms. Chain turned to Shaun and said respectfully. “Please leave first. Madam needs her rest.” With that, she shoed him out of the room.

Beep, beep, beep!

Back at the Everett Group, Bruce gave Kody a call.

After much deliberation, he decided to listen to Joanna and release Roxanne to her parents first.

In any case, the Haynes family was deeply rooted in Greyport. It would not be easy for them to escape this place. Besides, he would send bodyguards to patrol the area around their house.

As soon as she tried to escape, he would be notified immediately.

Kody picked up the phone quickly. "How may I help you, Mr. Everett?"

Bruce lowered his voice and spoke. "Go to Sherane Bay Villa immediately and send Roxanne back to the Haynes's house!"

"Alright, Mr. Everett!"

Half an hour later, Kody arrived back at Sherane Bay Villa in his car.

Then, he picked Roxanne up and drove her back to the Haynes's house, where her parents were waiting for her impatiently.

Ingrid and Shaun were waiting by the door when Roxanne finally arrived back home.

The moment they spotted Roxanne, they hurried over immediately. "Roxy!"

"Oh God! You silly girl! Why do you have to create so many problems?" Ingrid poked Roxanne's head a few times. She could not help but sigh!

"Mom, what do you think I should do now? Bruce suspects me! He suspects that the two sums of money were used to pay the murderer!

"I didn't want to either. I really regret it now. I'm really scared! If I can turn back time, I definitely wouldn't dare to do this!" Roxanne cried.

"Mom, I don't know what to do now. You have to save me. You have to think of something for me!

"I don't want to die! I don't want to go to jail!"

Ingrid felt as though her heart was stabbed. "Alright, alright. Don't cry first. You only know how to cry when something happens!"

Roxanne couldn't stop crying. Only now did she realize the seriousness of the matter!

Ingrid was even more distraught. For a moment, she had no idea what to do!

This matter was extremely serious. If they were not careful, both Roxanne and her could go to jail!

"Mom, what should we do?"

Ingrid thought for a while and asked with a frown. "Has the police questioned the doctor?"

"That doctor still goes to work as usual. So I don't think so!"

"Get him to leave!"

The ringing of a phone was heard.

Kensley's phone rang!

For the past few days, the police had been going to the hospital to investigate. He felt guilty and terrified!

"Hello!" Kensley quickly answered the call.

"Hello! Is that Doctor Leach?"

Recognizing that it was Roxanne's voice, Kensley frowned. "Ms. Haynes, how dare you call me at this time?"

"It would be terrible if someone were to eavesdrop on us!"

Roxanne calmed herself down and asked anxiously, "I need to call to find out if the police had spoken to you."

"Yes, they did. They just asked about the murder..."

Before Kensley could finish, Roxanne said anxiously, "Doctor Leach, you should leave the country quickly and hide

elsewhere for a while.

"I'm already a suspect. You should hide and maintain a low profile."

If Kensley left Greyport, she would be safe for now.

Bruce thought. “This silly woman really doesn’t know how to back down!

“She really wants me to lose face. Why can’t she just follow my wishes and take the initiative to mention remarrying me?

“Forget it! I shall swallow my pride. It doesn’t mean anything. My wife is more important!”

Bruce flicked his tongue and pretended to touch the tip of his nose!

“Joanna, I... want to tell you something!”

“Oh, go ahead!” Joanna looked at Bruce seriously.

Bruce glanced at the servants and said, “All of you go out first!”

“Yes, sir!” Ms. Chain, Nancy, and the others did not dare to delay and hurriedly left the ward!

After they left, Bruce suddenly choked and stuttered. “Joanna...

He was usually a decisive and determined person!

However, now, he felt inexplicably awkward about proposing to his ex-wife.

Joanna looked at him feeling puzzled.

She thought, “Was there ever a time when he felt embarrassed?”

Bruce had always been bold and would never hesitate to say anything on his mind. Now, he was wondering what to say and muttering at some point.

“What are you trying to say?”

Bruce paused for a few seconds and said slowly, “Joanna!

“For the sake of the children, let’s... let’s remarry!”

With that, Bruce looked at Joanna solemnly and took out a box from his suit pocket!

There was a huge diamond ring inside the box!

Joanna was completely stunned!

Bruce brought the diamond ring in front of Joanna.

“Marry me! I did not propose to you the last time. I’ll make it up to you this time!”

With that, Bruce knelt on one knee and handed the ring to Joarina!

He had already planned everything properly.

Regardless of whether it was for the sake of the children or for other reasons, he wanted to remarry Joanna!

All these years, other than Roxanne, he had been surrounded by many different kinds of women!

Most of these women were greedy and vain. They all wanted to be with him to get money or power.

Only Joanna didn’t care about his money.

However, some people were strange. The more others did not want it, the more they wanted to give it to them.

Shaun could not help but sigh. "Don't use such terrible words!. I have already told you that from the beginning. Mr. Everett doesn't love Roxy at all!

"You and Roxanne were so persistent and wanted to cling onto Mr. Everett. Now, everyone in Greypport is watching us make a fool of ourselves!

"How do you expect Roxy to face everyone in the future?"

When Ingrid heard this, she stomped her feet in anger and wished that she could jump sky high. "Roxy is already feeling terrible enough, yet you're still saying such things!

"I don't know if you really love your daughter!"

Roxanne felt sad and helpless. She could only cover her face and cry.

"Can you stop crying? You only know how to cry all day long. You deserve to be dumped!"

"Back then, your mother was the most beautiful woman in the entire Greypport. I had a long queue of suitors who would do whatever I said. It was easy! Why aren't you like me?"

Shaun could not help but retort, "Alright, alright, let's not talk about your past!

"Don't make Roxy feel more miserable anymore. She has been pampered since she was young. What could she have learned from you?"

"I'll abort the child tomorrow!"

When Ingrid heard this, she was even more exasperated. "No! No matter what, this child must be born!"

"What's the point? He's clearly breaking up with me by doing confessing his love to Joanna! What' the point of giving birth to the child?"

"Are you stupid? You're pregnant with the Everett family's flesh and blood. Your baby will be able to inherit some of their assets when the day comes, and it'll be enough for you to live happily for the rest of your life!"

Roxanne still continued crying. "Mom, what should we do now?"

“Go find him. Anyway, you’re pregnant now! I don’t believe he dares to do anything to you!”

“Mom...”

Ingrid was really infuriated. She said angrily, “Let’s go to the hospital to find that bitch Joanna Haynes!”

“That’s not a good idea!”

“What’s wrong with that? We just have to go there and create a scene. If she doesn’t feel embarrassed, we’ll go there everyday and give her more trouble.”

Chapter 249

And Joanna was treated even worse than a stranger!

Joann, why are you still so stubborn? This is a family scandal. Why do you have to make it public? You have looks, a career, and there are a lot of good men out there! Why don't you let go of Bruce? No matter what, as Roxy's father. I'll definitely settle the matter today! You can't be with Bruce. Bruce and Roxy are a couple. If you insist on being stubborn, I will really not acknowledge you as my daughter!"

"I really don't want to say anything else. You can say whatever you want."

Roxanne cried until her face was covered in tears and her nose was all runny. Although her tone was soft, it was filled with a strong threat. "Joanna, I beg you! Don't pester Bruce anymore. I really can't take it anymore! If you continue to be with Bruce, I will kill myself! If I die, I won't let you have it easy either. I'll drag you and your children down with me. At most, we'll die together!"

Joanna's heart sank when she heard that. She looked at Roxanne coldly. "Roxanne, do you know what you're talking about?"

Roxanne adjusted her posture and looked at Joanna viciously. "I don't care anymore. I've already lost my mind! Without Bruce, I'd rather die!

"After all, I'm not even afraid of death. Why would I be afraid of dragging a few people down with me?"

"Joanna Haynes, I'll let everyone know today what kind of woman you are! Get up, get up!" Ingrid moved forward to pull Joanna.

When Shaun saw this, his head hurt. "Stop fooling around. If you have something to say, say it. Don't be violent!"

“Stop it and leave this place quickly!” Ms. Chain and Nancy also went forward to stop them.

Ingrid pushed Ms. Chain. “Get

Out. This is our family matter. How dare you to interfere?”

“My Roxy hasn’t broken up with Mr. Everett yet. She’s the future Mrs. Everett. Are all of you blind?”

“Mrs. Haynes, please calm down...”

“Get out, all of you. This is our family matter. Why are you outsiders here? What right do you have to interfere?”

Ingrid pushed Ms. Chain and Nancy out of the ward aggressively.

“Hubby, slap her mouth hard! I’m going to tear off your pants today to show everyone you are a slut!”

“Ingrid, don’t go overboard!”

Outside the ward!

Ms. Chain panicked and hurriedly called Bruce.

The sound of a phone ringing was heard.

Bruce’s phone rang.

“Hello!”

“Hello, Mr. Everett. Please come to the hospital quickly!”

Bruce was using his computer to hold a multinational conference. Although it was still the festive season, his employees who were overseas were still working as usual, so he was very busy!

“What’s wrong? What happened?”

Ms. Chain said anxiously, “Mr. and Mrs. Haynes, and Miss Roxanne barged into the ward to cause trouble!

“We don’t dare to stop them, and also we can’t stop them...”

Bruce’s heart sank when he heard that. “I understand.”

Bruce ended the call.

Then, he gave a few simple instructions to the managers who were having video conferencing with him. He then left the rest. of the work to his secretary to handle.

After that, he brought his men to the hospital!

Bruce smiled mockingly and said playfully, "Ingrid and her two cousins have always had an improper relationship! Now that her two cousins have fled, it's obvious that they have a guilty conscience.

"However, I've already frozen all their bank accounts! I've also sent people to investigate their whereabouts. I believe that the truth will be revealed
soon!"

Joanna could not believe what she heard. She was still in shock. "No! Really? Are you saying that Ingrid made a cuckold out of Dad?"

"Hmm, there's more than one! Ingrid knows how to have a good time! She has affairs with many men."

"How do you know all this?"

"I got someone to investigate, of course!"

Joanna sucked in a breath of cold air. She could not get over her shock for a long time!

"Are you saying that Ingrid is the one who hired the murderer?"

Bruce frowned slightly. "Highly likely, chances are 90%!

"However, we still need witnesses! Although the murderer is dead, the murderer received a sum of money before he died! That money came from Ingrid's cousin! Moreover, the murderer already had cancer before he died!

"As long as those two cousins are found, the truth will be revealed, and she will be sent to prison!"

After hearing this, Joanna could not help but frown. "What about Roxanne?"

"Whether she knows about this or not, or whether she has anything to do with it, I'm done with her!"

"Bruce, I don't want your relationship with Roxanne to break up because of me..." Joanna looked at Bruce seriously, although she hated Roxanne.
